The University of Wisconsin-Eau Claire was founded in 1916 as the Eau Claire State Normal School, occupying a single building on land donated to the state by the city of Eau Claire. The academic history of the institution is reflected in its subsequent changes of name and mission. As a State Teachers College (1927-51) it awarded baccalaureate degrees in education; as one of the Wisconsin State Colleges (1951-64) it added degree programs in liberal arts. The state colleges were granted university status in 1964, and the Wisconsin State University-Eau Claire was organized into the Schools of Arts and Sciences, Education, and Graduate Studies. The School of Nursing was created in 1965 and the School of Business in 1966. With the merger of the two state-supported university systems in 1971, Eau Claire became a member of the University of Wisconsin System, which includes 13 universities, 13 two-year colleges, and UW-Extension. In 2004, an administrative restructuring created four colleges: the College of Arts and Sciences, the College of Business, the College of Education and Human Sciences, and the College of Nursing and Health Sciences. Graduate programs are administered by each of the colleges.

The University of Wisconsin-Eau Claire today is a multipurpose institution, offering a variety of undergraduate and graduate programs, and serving regionally as a center for continuing education. The campus includes 28 major buildings located on a 333-acre, two-level campus, which embraces Putnam Park on the south bank of the Chippewa River and is connected by a footbridge to the Haas Fine Arts Center and the Human Sciences and Services building on the north bank. The student body numbers approximately 11,000; faculty and academic staff total over 750.

SELECT MISSION OF THE UNIVERSITY OF WISCONSIN-EAU CLAIRE

In addition to the University of Wisconsin System Mission and the Core Mission of the University Cluster Institutions, the University of Wisconsin-Eau Claire has the following select mission:

We foster in one another creativity, critical insight, empathy, and intellectual courage, the hallmarks of a transformative liberal education and the foundation for active citizenship and lifelong inquiry.

We fulfill our mission through a pervasive university commitment to provide:

- Rigorous, intentional and experiential undergraduate liberal education for life and livelihood;
- Strong, distinctive professional and graduate programs that build on and strengthen our proud tradition of liberal education;
- Multicultural and international learning experiences for a diverse world;
- Exemplary student-faculty research and scholarship that enhance teaching and learning;
- An inclusive campus community that challenges students to develop their intellectual, personal, cultural and social competencies;
- Educational opportunities responsive to the needs of our communities, state, region and beyond; and
- Academic leadership in transforming liberal education.

ACADEMIC GOALS

The University seeks to foster the intellectual, personal, cultural, and social development of each student. It strives to provide distinguished instruction in a democratic atmosphere, bringing individual students into close contact with faculty whose scholarly attainments and concern for teaching are able to instill a love of learning.

The baccalaureate degree at UW-Eau Claire provides students with the knowledge and abilities needed for lifelong learning. In designing the degree, the faculty expects that graduates will have achieved the following goals:

- KNOWLEDGE GOAL: Build knowledge and awareness of diverse peoples and cultures and of the natural and physical world through the study of arts, histories, humanities, languages, mathematics, sciences and technologies, and social sciences.
- SKILLS GOAL: Develop intellectual and practical skills, including, for example, inquiry and analysis, critical and creative thinking, written and oral communication, quantitative literacy, information literacy, and teamwork and problem solving.
- RESPONSIBILITY GOAL: Apply personal and social responsibility for active citizenship and develop skills needed to thrive in a pluralistic and globally interdependent world.
- INTEGRATION GOAL: Integrate learning across courses and disciplines, and between campus and community life.

The Liberal Education Core, which forms part of all baccalaureate degree curricula, contributes to the breadth of each student’s education through its emphasis on the cultural heritage of a free and responsible citizenry and on the development of creative imagination, critical judgment, and skill in the interchange of ideas. Students are afforded opportunities to collaborate with faculty on research and other scholarly and creative projects. UW-Eau Claire is recognized as a Center of Excellence for Faculty and Undergraduate Student Research Collaboration.

Upon this foundation the University builds its programs in liberal arts and sciences and in professionally-oriented fields. In keeping with the goals of the baccalaureate degree, each program is designed to impart the specialized knowledge and competencies appropriate to the particular degree, while providing also for a broad overview of the entire area and an appreciation of its relationship to other fields of learning.

UNIVERSITY ASSESSMENT

To assure that UW-Eau Claire’s programs are strong and that students in them are attaining appropriate levels of knowledge, skills, beliefs and attitudes, the faculty and staff of UW-Eau Claire have developed ongoing processes to assess the learning and academic achievement of students in academic and co-curricular programs. This process allows faculty to carefully articulate program outcomes and to focus classroom and co-curricular experiences and assignments on preparing students to achieve those outcomes.

Students participate in a wide range of assessment activities designed to provide useful information about the effectiveness of academic and co-curricular programs. From time to time during their courses of study, students may be asked to demonstrate the breadth and depth of their knowledge, skills, beliefs and attitudes in the area of liberal studies. We ask alumni for their views about programs and their careers since graduation and employers what qualities they need and expect in
university graduates. All this is needed to ensure that our programs prepare students for their chosen life paths beyond graduation. These efforts all combine to improve program quality at the department, college, and university levels and serve as a basis for our culture of continuous improvement in support of the University’s commitment to excellence.

ORGANIZATION OF THE UNIVERSITY

The Chancellor is the University’s chief administrative officer, responsible for all phases of University activity, and accountable to the Board of Regents and UW System President. In the discharge of these obligations, the Chancellor is assisted by other administrators, and advised by the faculty, staff, and students of the University.

Subject to the powers of the Board of Regents, the UW System President, and the Chancellor:

- University faculty has primary responsibility for academic and educational activities and faculty personnel matters,
- University academic staff has primary responsibility for academic staff personnel matters,
- University students have primary responsibility for policies concerning student life, services, and extracurricular activities; and share responsibility with the Chancellor and Board of Regents for the disposition of student fees constituting substantial support for student activities.

The academic departments and administrative units of the University are organized as represented on the University’s organizational chart shown on page 287.

THE SCHOOL YEAR

Each regular academic semester (Fall and Spring) consists of approximately 17 weeks, including days reserved for registration and final examinations.

The Summer Session is offered in two periods. Students may enroll for courses during a three-week period in late May and early June, during which three credits may be taken. Offerings include regular courses adapted to an intensive presentation as well as specially designed courses and study trips. An eight-week period is scheduled in June, July, and August. Although many courses run for the full eight weeks, others are scheduled in shorter blocks of time (two, four, or six weeks) for the convenience of summer students. Offerings include regular courses and special workshops or institutes at undergraduate and graduate levels.

The Winterim Session is offered during a three-week period between the fall and spring semesters. Offerings primarily include regular courses and may include travel seminars and field experiences.

With the exception of certain professional programs, curricula for baccalaureate degrees are designed to be completed by full-time students in eight regular semesters. Many students attend summer sessions in order to graduate earlier or take advantage of special offerings. Others, especially teachers in the area, find in the Summer Session an opportunity to strengthen professional competencies and to work toward graduate degrees.

The Calendar in this catalog is supplemented by more detailed calendars including official academic deadlines, registration dates, etc., which are available on the UW-Eau Claire webpage (www.uwec.edu/calendars).
ACADEMIC BUILDINGS

Schofield Hall (1916), Garfield Avenue. Named for Harvey Schofield, first president of the Eau Claire State Normal School.

L. E. Phillips Science Hall (1964; addition, 1969; a major renovation, 2002), lower campus, spanning Little Niagara Creek. Named for the Eau Claire industrialist whose major gift made possible the acquisition of special equipment.

Nursing (1969; addition, 1985), lower campus at edge of Putnam Park.

Haas Fine Arts Center (1970), Water Street, with footbridge spanning the Chippewa River to the main lower campus. Named for former chancellor Leonard Haas (1959-1988) and his wife, Dorellen.

Human Sciences and Services (1982), Water Street, north campus overlooking the Chippewa River.

RESIDENCE HALLS

Katharine Thomas Hall (1955), lower campus. 73 men and 71 women. Named for a member of the first faculty (Teacher Education, 1916-1946).

Emmet Horan Hall (1961), upper campus. 206 men. Named for the businessman who was the first Eau Claire appointee to the Board of Regents of State Normal Schools.

Governors Hall (1962), upper campus. 134 men and 208 women.

Laura E. Sutherland Hall (1965), upper campus. 144 men and 260 women. Named for a faculty member (History, 1921-1959; dean of women, 1939-1947).

Towers Residence Hall (1967), upper campus. 435 men and 897 women.

Oak Ridge Hall (1969), upper campus. 64 men and 282 women.

UNIVERSITY CENTERS

W.R. Davies Student Center (2012), lower campus. Named for the second president (1941-1959) of the Eau Claire State Teachers College. The W.R. Davies Student Center is the center for social and cultural interaction on the lower campus. Offering a number of meeting and program spaces, dining facilities and service areas, Davies Center is the administrative core of the University Centers. It is also home to the Student Senate, the primary vehicle for student involvement in university governance, The University Book Store, Blugold Dining/Catering Services, US Bank, Blugold Card Services, Event Services and Activities, Involvement & Leadership.
Crest Wellness Center (1965), upper campus. Student Health Service, Crest Fitness Center, University Police, Eagles View Challenge Ropes Course.

Hilltop Center (1968), upper campus. Offering a number of dining facilities including the main cafeteria The Riverview Café, program spaces and service areas. Hilltop Center is the administrative core of Recreation and Sport Facilities. It is equipped with a bowling and billiards center, The Lookout – event space, lounge space, and Environmental Adventure Center that offers indoor archery as well as outdoor adventure equipment rental.

Schofield Auditorium (1916; Renovation 2009), Schofield Hall, lower campus. Renovated in 2009 through a collaborative effort of Student Senate, University Centers, the Chancellors Office and University of Wisconsin – Eau Claire Foundation. Managed by University Centers - Schofield auditorium is the largest fixed seat venue on campus. Its state of the art Lighting, Sound, Video and seating plays host to hundreds of large events every year.

Zorn Arena (1951), lower campus on Garfield Avenue. Named in honor of Willis L. Zorn, dean of men, director of athletics and head basketball coach. Bill Zorn began his distinguished 40-year career at Eau Claire in 1928. Elected to the NAIA Hall of Fame in 1958, Zorn promoted “athletics for all” through the Men’s Athletic Association. The physical education teaching facility was completed in 1951 and first used in 1952. Originally known as the Fieldhouse, the building was renamed the University Arena in January 1969, and named for Zorn after his death in 1987. Managed by University Centers Zorn Arena is the largest multipurpose facility on campus. It is also the home for men’s and women’s intercollegiate basketball. Many of the university’s artists and lecturers make their presentations in Zorn Arena, which can seat up to 3,400 people.

SITES AND COLLECTIONS SUPPORTING INSTRUCTION AND RESEARCH

On Campus:

The John L. Buchholz Jazz Library, is a rare and extensive collection of jazz charts and recordings donated in 2012 to the UW-Eau Claire Foundation in honor of John L. Buchholz, professor emeritus of English. The longtime jazz musician was among the founding members of the UW-Eau Claire Jazz Ensemble in 1962 and performed throughout the region. This one-of-a-kind collection of more than 1,000 charts and 900 recordings includes Count Basie, Sammy Nestico, Bill Holman, Tommy Dorsey, Benny Goodman and many more legends of jazz. It also is located in Archives and Special Collections.

In 2014, the UW-Eau Claire Foundation acquired the Frederick G. and Joan Christopherson Schmidt Robert Frost Collection, a rare assemblage of works by the 20th century American poet. The Collection, which is housed in Special Collections and Archives in McIntyre Library, contains approximately 44 books authored by Frost, including several that have been signed and inscribed by the poet, dozens of books about Frost, and manuscript materials containing hand-written poetry, Christmas cards and pamphlets.

The James Newman Clark Bird Museum, circular in shape, surrounds the Planetarium in Phillips Hall. The collection of approximately 530 specimens and four dioramas depicting native birds in their natural habitats is used by students in biology. The museum is open to the public from 8:00 a.m. to 4:30 p.m., Monday through Friday, and at other times by appointment. For more information contact Ms. Lynn Young Janik, Department of Biology.

The L. E. Phillips Planetarium, located in the J.N. Clark Museum (Phillips Hall), contains a Spitz model A-3-P planetarium with a seating capacity of 50. The planetarium is used by classes in the Department of Physics and Astronomy. Programs for local school groups and the public are scheduled during the year.

Putnam Park, 200 acres of natural vegetation in the midst of the campus, provides an area for the study of flora and fauna within easy walking distance of classrooms, as well as a place for relaxation and hiking. The park is traversed by Putnam Drive and by a nature trail, for which printed guides are available in the Campus Information Services of Davies Center. For more information contact Dr. Joseph Rohrer, Department of Biology.

The S. W. Casey Observatory, located atop Phillips Hall, contains a computer-controlled, seven-inch Maksutov-Cassegrain telescope with a charge-coupled-device (CCD) camera. The observatory is adjacent to an observing deck with 11 stations for student use in astronomy laboratory classes. These stations use eight-inch telescopes.

Off-Campus-Wisconsin:

The Hobbs Observatory, located 15 miles east of the campus at the Beaver Creek Reserve, contains a 24-inch computer-controlled telescope, a 14-inch Schmidt-Cassegrain telescope, a CCD camera, and a classroom. This observatory is open to the public on Saturday nights, when clear, during the months of May through October.

The James and Joan Leary Family Environmental Education Center consists of 168 acres located in a popular four-season recreational area at the confluence of the Flambeau and Chippewa rivers. The land is surrounded by Chippewa County forest land. The Leary Family Environmental Education Center will become an integral part of the university’s Watershed Institute for Collaborative Environmental Studies. Information about the Leary Environmental Education Center is available from Dr. James Boulter, director of the Watershed Institute.

Nature Conservancy Tracts, owned by the University of Wisconsin-Eau Claire Foundation, include 320 acres of forest and marshland which are available for scientific investigations and class use. One of these, the Schmidt Tract, is approximately 30 miles east of Eau Claire, in Clark County, and two are in Washburn County, near Sarona and Spooner. More specific information concerning location and use of this land can be obtained from Dr. Paula Kleintjes Neff, Department of Biology.

The Priory, formerly known at St. Bede’s Monastery, was purchased in 2011 by Blugold Real Estate, LLC, a subsidiary of the UW-Eau Claire Foundation as an ideal facility for expanding UW-Eau Claire academic programming. The property includes 112 mostly wooded acres in the town of Washington and three building complexes totaling approximately 80,000 square feet. It is located three miles south of the UW-Eau Claire campus. The former Children’s Center at UW-Eau Claire, now named the Children’s Nature Academy, opened in June 2012 as The Priory’s anchor tenant.

UW-Eau Clare students are the primary users of the academy’s services, which include the infant and toddler care program. In addition to students who use the academy’s child care services, hundreds of university students either work, volunteer or engage in observation activities at the academy annually.

Beginning in Fall of 2014, the Priory has renovated and modernized residence hall rooms housing 22 students; in the fall of 2015, the renovations will expand student housing to 54 single occupancy rooms that have all been remodeled.

Off-Campus-Mississippi:

The Gulf Coast Research Laboratory (GCRL), Ocean Springs, Mississippi, is an out-of-state institution affiliated with the University of Wisconsin-Eau Claire. The GCRL offers two summer terms, and provides an opportunity for students to obtain instruction in a marine environment. For more specific information contact Dr. David Lonzarich, Department of Biology.

ACCREDITATION AND MEMBERSHIPS
The University of Wisconsin-Eau Claire is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. Address: 230 South LaSalle Street Suite 7-500 Chicago, Illinois 60604 Telephone: (800) 621-7440

Specific programs or individual units of the University are accredited or approved by the following agencies, as explained in appropriate sections of the catalog:

AACSB International—the Association to Advance Collegiate Schools of Business
Accrediting Council on Education in Journalism and Mass Communication
American Chemical Society
American-Speech-Language-Hearing Association
Commission on Accreditation of Athletic Training Education
Commission on Collegiate Nursing Education
Council on Social Work Education
National Association of Boards of Examiners of Long Term Care Administrators
National Association of School Psychologists
National Association of Schools of Music
National Environmental Health Association
Wisconsin Department of Health and Social Services
Wisconsin Department of Public Instruction
Wisconsin State Board of Nursing

The University is a member of the American Association of Colleges of Nursing, the American Association of Colleges for Teacher Education, the American Association of State Colleges and Universities, the American Association of University Women, the American Council on Education, the Association of American Colleges and Universities, the Council of Graduate Schools, the Council for Opportunities in Education, the Council on Undergraduate Research, the Wisconsin Campus Compact, and the Wisconsin Institute for Peace and Conflict Studies.
Admission

All persons who wish to pursue a degree program at the University must file the following documentation with the Admissions Office, Schofield III: an application for admission and any specific application fee, an official high school transcript, test scores (when applicable), and official transcript(s) of all previous post-secondary work attempted. Priority dates for applications are established each year. Contact the Admissions Office for information.

PREPARATION FOR UNIVERSITY STUDY

A successful University experience depends upon the student’s high school preparation. The course work chosen should include at least the maximum number of subjects selected from English, both composition and literature; foreign language; mathematics, with algebra, geometry, plus an additional college preparatory course; natural science; history, and other social studies. Students are strongly encouraged to take a mathematics class in the senior year.

Some high school courses may not satisfy University admission requirements for college preparatory academic course work. For information on applicability of high school courses to admissions requirements, contact the Admissions Office.

ADMISSION OF FRESHMEN

Freshman admission is competitive and selective. Academic preparation and success are the primary considerations for admission, although non-academic factors are also considered. Each application for admission is given a comprehensive review. Freshman applicants are considered using the following guidelines:

I. Applicants must present evidence of graduation from a recognized high school or equivalent certificate.

A. A recognized high school is one which either (1) is operated by public school districts, or (2) is a private school accredited by an association that is certified by the U.S. Department of Education to accredit private schools, and those whose names appear in the Federal Register as an approved accreditation association, or (3) is a private school not accredited under (2) but may be “recognized” by an institution in the System based on the performance of previously admitted graduates from the high school.

B. An applicant who has not graduated from a recognized high school must provide evidence of ability to begin college work. Such evidence may include General Education Development (GED) test scores or High School Equivalency Diploma (HSED) test scores, transcripts of course work completed in high school, high school rank-in-class before leaving high school, written recommendations, ACT/SAT test scores, and other evidence deemed appropriate by the University. High school equivalency applicants may not normally be enrolled unless they are a minimum of two years past their expected date of high school graduation.

II. Applicants should complete a rigorous college preparatory curriculum. Applicants who take courses beyond the minimum will be considered strong candidates for admission. Applicants must complete a minimum of 17 high school units (one unit equals one year of study)** distributed as follows:

*In almost all high school curricula, algebra II or higher/advanced algebra is the third college preparatory mathematics course required.

**Students who begin taking high school course work prior to high school (e.g., mathematics, foreign language) must still present a total of 15 academic credits (English, mathematics, natural science, social science, and foreign language) in grades 9-12.

III. In addition to a rigorous high school curriculum, academic factors include high school class rank, high school GPA, trends in grades, and test scores. Secondary non-academic factors may include, but are not necessarily limited to, leadership; community service; achievement in the arts, athletics, or other areas; and diversity in personal background and experience.

Official test scores from The American College Testing Program (ACT) or Scholastic Aptitude Test (SAT) must be on file for all new freshmen under the age of 22. ACT is the preferred test. Students will not be disadvantaged in the admission process by taking one test rather than the other.

IV. Students may be considered for conditional admission during the spring semester only. Students successfully meeting University requirements at the end of the conditional period will be continued for the following semester as a student in good standing. To be considered for conditional admission, students must have been out of high school for at least two years or a minimum of two years past their expected date of high school graduation.

V. Particular consideration in admission will be given to applicants who have been out of school for two or more years; service veterans, as defined by state and federal policies; and students who have been challenged by a lack of educational opportunities.

VI. Requirements for out-of-state students will be the same as those of resident students, except that special requirements may be adopted for international applicants. If the number of qualified out-of-state students exceeds the ability of UW-Eau Claire to accommodate them, the University shall determine the criteria for selection from among qualified applicants.

VII. Final admission requires that students maintain their high school academic standing and successfully complete course work in progress as outlined on the application. The final (eighth semester) official transcript provided by the high school provides the required certification that the applicant has fulfilled this obligation. It is the student’s responsibility to ensure that the proper supporting documents have been delivered to the Admissions Office.

COMPETENCY-BASED ADMISSIONS

High school students from schools that use a competency-based evaluation system may be considered for admission. High schools that use an alternative system such as this must complete the UW System Competency-Based Admission Profile. Contact the Admissions Office for additional information on the process and procedure.
ADMISSION OF HOME-SCHOOLED STUDENTS

Home-schooled students seeking admission as freshmen must have excelled academically in high school course work. They must have completed the minimum array of 17 units of rigorous college preparatory course work. Academic preparation and success are the primary considerations for admission, although non-academic factors are also considered. Each application for admission is given a comprehensive review.

READMISSION

All students who have been away from the University for a semester or more (except those on academic leave*) must file a formal application for readmission. Students seeking readmission are encouraged to make application as early as possible prior to the semester in which they wish to return. Readmission at a late date is not guaranteed. Applicants returning after an absence of two or more consecutive semesters must meet the degree requirements of the catalog in effect upon their return, or a subsequent catalog.

*Academic leave information and forms are available in the Student Affairs and Dean of Students Office. (See Leave of Absence, page 37.)

TRANSFER APPLICANTS

Transfer applicants will be considered for admission if their previous academic record qualifies them as students in acceptable standing when equated to the UW-Eau Claire Academic Standards Policy. Transfers students are encouraged to apply for admission as early as possible prior to the semester in which they wish to enroll. Priority dates, after which admission of qualified students cannot be guaranteed, may be established each year. Transfer students are urged to contact the Admissions office for information on specific dates.

In addition to a rigorous college-level course curriculum, academic factors considered include cumulative GPA and trends in grades. Students with fewer than 30 transferable semester (45 quarter) credits may be considered for admission based on both their college and high school records. Academic preparation and success are the primary considerations for admission, although non-academic factors are also considered. Higher academic expectations or earlier application priority dates may be imposed on specific majors if necessary to keep enrollments in line with program capacities.

All supporting official transcripts (college and high school) must be in the Admissions Office by the established priority dates or no later than August 15 for the fall semester, or two weeks prior to registration for the spring semester. If a student transfers for the second semester and finds a transcript cannot be issued in time, a statement from the dean of the previous college concerning the student’s academic status will be accepted until an official transcript can be sent to U-W-Eau Claire. It is the student’s responsibility to ensure that the proper supporting documents have been delivered to the Admissions Office.

Students who have registered at other colleges and universities may not disregard their records at such institutions. Failure to report previous college attendance is sufficient cause for cancellation of the student’s enrollment, of any credits earned, or both.

Transfer students who do not meet institutional admission requirements and are denied admission may appeal in writing to the Director of Admissions.

Transfer of Credits

Credits earned at an institution accredited by a regional or national accrediting organization recognized by the Council for Higher Education Accreditation (CHEA) may be transferred and applied toward a degree from this University if they are appropriate to the curriculum into which the student is transferring. The Admissions Office will prepare an evaluation or official list of transferred credits for the student. Appeal of the evaluation may be made through the Chair of the Department where the course resides, to the Dean of that College, and if necessary, to the Provost/Vice Chancellor. Students seeking a second baccalaureate degree or additional certification are not given an evaluation of credits; they report to the Associate Dean of the College for specific advising.

Associate of Arts and Sciences degrees from the University of Wisconsin System institutions (including the University of Wisconsin Colleges that meet the 1987 Board of Regents approved minimum requirements), Liberal Arts Associate of Arts and Associate of Science degrees from the Wisconsin Technical College System (earned in 2004 or thereafter), and Associate in Arts degrees from the Minnesota College and Universities system (earned in 1994 or thereafter), satisfy the breadth requirements of UW-Eau Claire’s general education program (see General Education Requirements). However, competency requirements, levels of proficiency, and specific courses are still required. Because individual baccalaureate degree programs stipulate specific courses, students should be attentive to the requirements of an intended major in planning their General Education program. In certain fields, credits that were earned more than ten years prior to admission or readmission may be invalid as degree credits.

Credit may be granted for post-secondary work at a foreign institution if the institution is recognized as a degree-granting institution by the country’s Ministry of Education. Current recommendations of American Association of Collegiate Registrars and Admissions Officers and the National Association of Foreign Student Affairs are used to determine the amount and type of advanced-standing credit to be given.

Two-Year College Transfers

Students who transfer from the University of Wisconsin Colleges or from any other accredited community college may transfer up to 72 credits, including any credit earned at other institutions prior to transfer.

Transfer students may also be required to take general education courses at the upper division. Because individual baccalaureate degree programs stipulate specific courses, students should be attentive to the requirements of an intended major in planning their General Education program. Students planning to transfer with an Associate Degree are encouraged to consult, as early as possible, with the Associate Director of Admissions in the Admissions Office.

Transfer of WTCS General Education Credits

UW-Eau Claire may accept in transfer and apply general education course work within the areas of communications, behavioral sciences, social sciences, mathematics, and natural sciences from Wisconsin Technical College Systems (WTCS) programs leading to an associate degree.

UW-Eau Claire may accept in transfer, and apply on a course-by-course basis, occupational and technical course work from WTCS programs leading to an applied associate degree.

If the general education course work is not acceptable, students from WTCS institutions may earn credit by examination in those cases where UW-Eau Claire offers a course that is generally comparable in content or title to the noncollege parallel general education course. In order for noncollege parallel WTCS general education course credits to be considered for transfer to UW-Eau Claire, credit must have been earned after September 1989.

ADMISSION AS A SPECIAL STUDENT

Persons who have graduated from a recognized high school, or have the educational equivalent, but who are not interested in seeking a degree, may attend the University as special students. Students interested in taking classes as a special student should apply online at apply.wisconsin.edu. Questions can be directed to Records and Registration.

Special students may enroll for a maximum of twelve credits per semester, and must meet the academic standards of the University (see Academic Standing and Progress). The Director of Admissions may make exceptions to the maximum credits allowed. Special students are not eligible for financial aid, but may be eligible for veterans benefits.
ADMISSION AS A HIGH SCHOOL SPECIAL/YOUTH OPTIONS STUDENT

High school juniors and seniors who rank in the top 25 percent of their class or who rank in the 50th to 74th percentile with an ACT composite of 24 or greater (or equivalent scores on SAT/PSAT/PACT) may enroll as special students at the University. Students gifted in a specific subject area who do not meet these criteria may be considered on an exception basis if they are able to provide documentation.

Students may enroll in courses with content that is not available in the high school curriculum and for which they have the necessary prerequisites. For specific guidelines, contact the Admissions Office.

The student must submit a Youth Options/High School Special form (available from the Admissions Office or from local high school guidance counselors) and an official high school transcript showing current rank-in-class and test scores. All documents should be submitted to the Admissions Office by July 1 for fall semester, December 1 for spring semester, and May 1 for Summer Session.

Once admitted, Youth Options/High School Special students will be directed to the Office of Advising and New Student Initiatives to meet with an adviser. Placement tests may be required before meeting with an adviser. Youth Options/High School Special students are limited to twelve credits per semester and must meet the academic standards of the University (see Academic Standing and Progress).

Youth Option/High School Special students register during special student registration on a space available basis.

ADMISSION OF VETERANS

A veteran who is not a high school graduate may be admitted on the basis of results required by the Admissions Office.

Veterans and certain eligible dependents may be entitled to educational benefits under various programs administered by the Veterans Administration (see Veterans Services Adviser, Schofield 128). Veterans and eligible dependents may obtain these benefits while pursuing a course of study at UW-Eau Claire. Students enrolled under these programs must carry 12 hours of credit during each semester of the academic year to be eligible for full-time allotments. Summer Session allotments are determined by class contact hours and total credits.

Part-time and full-time study grants are available to eligible Wisconsin veterans.

Credit may be awarded for educational preparation acquired while in service:

1. Special Training Program: Veterans will be asked to submit official transcripts of their records. In granting credit, the University considers recommendation of the American Council on Education. No credit will be granted if such credit would constitute repetition of credit already earned.

2. High school graduation equivalency will be granted to veterans who meet General Education Development (GED) Test standards as outlined by the American Council on Education, provided such tests have been completed by the date of formal registration.

ADMISSION FOR RESIDENTS OF U. S. TERRITORIES

American students from Territories of the United States are admitted on the same basis as other American students.

ADMISSION OF NONRESIDENT ALIENS

Nonresident aliens in the United States make application for admission in the same way as a U.S. citizen. Applicants must take a standardized examination prior to admission. Nonresident aliens admitted to the University must complete the University Writing Requirement or International Studies course work determined to be appropriate. Students are required to provide copies of both sides of their resident alien card.

ADMISSION FOR INTERNATIONAL STUDENTS

The University welcomes qualified students from other countries. Applications are encouraged because of the reciprocal advantages that may accrue to the students themselves and to the University from an exchange of ideas.

International students must complete an international application for admission, document English proficiency by submitting a Test of English as a Foreign Language (TOEFL) score, and provide proof of financial support by filing a Financial Statement for International Applicants. These forms are available from the Admissions Office. Complete school records must be received before any consideration can be given to the applicant. In countries where a national testing program such as the General Certificate of Education is used, UW-Eau Claire must have the results of the test before a decision can be reached.

An English proficiency test is required of all applicants prior to a decision. The most appropriate one is the TOEFL, which is offered on computer throughout most regions of the world. In areas where access to computer-based testing is limited, a supplemental paper-and-pencil version of the test is administered. Applicants can contact TOEFL online at www.ets.org/toefl or by writing for information directly to TOEFL, Educational Testing Service, Box 6151, Princeton, New Jersey 08541-6151.

Because of the time needed to process an application and to secure a student visa, students are advised to file applications for the fall semester by June 1 and for the spring semester by November 1. Applicants filing after these dates may be considered on a case-by-case basis.

International applicants will not be able to secure any part of their finances through employment in the United States. The United States Immigration and Naturalization Service has ruled that an international student may not work off-campus while in the United States.

All international students in their first year at UW-Eau Claire are required to live in University residence halls during the academic year.

All enrolled international students will be required to subscribe to the Student Health Insurance Plan.

AUDITING OF CLASSES BY SPECIAL STUDENTS

An auditor registers to attend a course and participate in class activities without earning credit (see Auditing Courses). Basic required textbooks for use in undergraduate courses are furnished from the Instructional Resource Rental Department of the University Bookstore.

In all University courses, students registering for credit must be given priority over auditors, but a wide variety of alternatives is available to the auditor each semester. There are no formal requirements concerning previous education. Audit enrollment is not permitted in some courses.

Board of Regents policy makes it possible for students to audit courses at reduced costs, as follows: Wisconsin residents under age 60 may audit classes by paying only 30 percent of the normal per credit academic fee, and nonresidents may audit by paying 50 percent of the nonresident academic fee. Residents of Wisconsin who are 60 years of age or older or who meet certain disability requirements may audit courses on a space-available basis at no charge for tuition. In all cases any special course fees or materials are additional. Individuals may audit a maximum of twelve credits each semester. Students may take a combination of audit and credit coursework during the same semester as long as combination does not exceed the twelve credit maximum. Individuals meeting disability requirements should contact Services for Students with Disabilities for accommodations. (see also Auditing Courses)

CONTINUING EDUCATION AND EXTENSION

The “Wisconsin Idea”

The “Wisconsin Idea,” a concept named after the state that pioneered its development, holds that the function of a university is not only to educate full-time students on its home campus, but also to extend educational opportunities and services to all citizens of the state. The Wisconsin Idea is incorporated into the general mission of the University of Wisconsin System and into the particular missions of the various institutions.

The University of Wisconsin-Eau Claire has long supported the Wisconsin Idea and the related idea of education as a process continuing throughout the lifetime of an individual. The University welcomes to the campus members of the community who wish to attend credit and
non-credit courses for personal or professional reasons. Many campus resources and services are also available to community members.

Further information may be obtained from the Office of Continuing Education located at 210 Water Street, Eau Claire.

Evening Study
Currently many classes are offered between the hours of 4:00 p.m. and 10:00 p.m.

University of Wisconsin-Extension
To increase the availability of educational opportunities both on and off campus, the University of Wisconsin-Eau Claire and University of Wisconsin-Extension cooperate in providing noncredit continuing education programs and credit courses designed for the public. Information about current offerings may be obtained from the Office of Continuing Education at 210 Water Street, Eau Claire, online at www.uwec.edu/ce; 715-836-3636, or toll-free (866) 893-2423.

Continuing Education – Connecting Campus and Community
UW-Eau Claire Continuing Education, in partnership with UW-Extension, enriches family, community, and economy through accessible education for people of all ages.

Life-long Learning
Continuing Education addresses the needs of community learners through credit and noncredit courses designed for non-traditional students of all ages.

Credit courses count toward University residency requirements in all degree programs. Continuing Education develops credit courses for off-campus locations when sufficient enrollment and staff are available. Interested individuals or organizations should contact Continuing Education.

Noncredit courses and other services include:
• professional development programs for educators, health care and human services professionals, and business people.
• counseling, information, and training through the Small Business Development Center and the Wisconsin Entrepreneurial Network.
• youth development programs that introduce, enrich, enhance, and develop children’s skills and knowledge in leadership, language, visual and performing arts, science, and math.
• partnerships with school districts and CESAs that provide educational opportunities for area youth.
• academic and social preparation of high school students for collegiate-level course work through Pre-college and Youth Options programs.
• professional development opportunities for nonprofit professionals.
• personal enrichment and travel opportunities for the community.
• customized learning opportunities on the basis of business, organization, and community needs and interests.

Expenses
FEES
The fees and procedures described in this section are estimates. Prospective students should refer to the Class Schedule, which will contain links to up-to-date information about fees. Fee information can be found on the Business Office home page at: www.uwec.edu/busoff.

The payment of fees entitles a student to a student identification (ID) card. This card entitles the student to attend most University activities and to make use of University facilities (see Your Right to Know handbook and Blugold Card Services section). Undergraduate students receive most of their required textbooks on a rental basis (see Textbook Rentals).

TUITION AND RESIDENCY
A Wisconsin Statute requires the payment of nonresident tuition by students who are residents of states other than Wisconsin or who have not been bona fide residents of Wisconsin for one year (12 months) immediately preceding the beginning of the semester for which they are registering.

For undergraduate and graduate students, determination of resident status for tuition purposes is made by the Office of Admissions at the time of admission.

If the original residence status for tuition purposes is designated as nonresident, this status remains in effect unless the student requests and is granted reclassification. Such requests should be addressed to the Office of Admissions prior to the beginning of the semester in which reclassification is to take effect.

MINNESOTA-WISCONSIN TUITION RECIPROCITY
The current reciprocity agreement between Minnesota and Wisconsin enables Minnesota residents to attend Wisconsin public institutions of higher education at rates approximating tuition prevailing in the Minnesota State University System. Those wishing to take advantage of this tuition remission must apply well in advance of their initial enrollment at a Wisconsin System institution. Approval covers the full year (including Summer Session) and is automatically renewed each year for the campus initially approved. Information is available from the State of Minnesota Office of Higher Education Reciprocity Program, 1450 Energy Park Drive, Suite 350, St. Paul, MN 55108-5227. Phone: (651) 642-0567 or toll-free (800) 657-3866. Assistance in obtaining application forms is available at Minnesota high schools. Students may print an application or apply for reciprocity online at: www.ohe.state.mn.us.

MISCELLANEOUS FEES
Fees for certain special courses are listed under Course Fees on the Business Office home page at: www.uwec.edu/busoff. A $44 fee must accompany each application for admission to an undergraduate program. A $56 fee must accompany each application for admission to a graduate program.

FEE SCHEDULE
IMPORTANT NOTE: Fee schedules were not determined at the time this catalog was printed. The amounts given here are estimates for full-time students, that is, undergraduates taking 12 to 18 credits or graduates taking nine credits. All estimates are for one semester. These amounts include segregated fees.

<table>

</tr>
</tbody>
</table>

Undergraduates taking more than 18 credits are assessed an additional per credit fee. Please refer to www.uwec.edu/Busoff/studentfinancials/index.htm for up-to-date fee information.
EXCESS CREDITS SURCHARGE
In accordance with Board of Regents policy, all resident undergraduate students who accumulate 165 credits (or 30 credits more than required by their degree programs, whichever is greater) will be charged a surcharge, equal to 100 percent of the regular resident tuition on credits beyond that level (total tuition will equal twice regular resident tuition). For information about credits required in a specific degree program or information concerning appealing the surcharge, contact the Registrar.

PARTIAL PAYMENT PLAN
A down payment is required to enter the Partial Payment Plan and must be received by the University Cashier no later than the date published in the current Class Schedule for each term. In addition, all students must sign and return a Payment Plan Agreement/Email Authorization form each term. Installments will be due according to the published schedule and will be subject to a finance charge on the unpaid balance (see www.uwec.edu/Busoff/studentfinancials/PayInfo.htm for due dates and finance charge rate). Failure to make installment payments on time will result in a hold on academic records and on registration for future terms.

REFUND OF FEES
Refunds may be made as the result of withdrawal from the University or a reduction in the number of enrolled credits. Students wishing to withdraw from all their classes within the first two weeks of the term should complete the Withdraw from Classes form. Students withdrawing from all classes after the first two weeks of the term are required to meet with a Dean of Students staff member prior to withdrawing from classes. In determining the academic withdrawal date, the University will use the date that the student notified the University of his or her intent to withdraw. The dates and corresponding amounts of refund can be found at www.uwec.edu/Busoff/studentfinancials/refundover.htm. A credit balance of less than $3.00 will not be refunded unless requested.

REFUND OF ROOM AND BOARD PAYMENTS
Students who are granted permission to cancel their residence hall contract without withdrawing from the University will be refunded room and board charges on a prorated basis. The room deposit will be forfeited.

Students who are suspended by the University will be refunded room and board fees, including the room deposit, on a prorated basis. A credit balance of less than $3.00 will not be refunded unless requested.

The above policies apply to all persons who reside in University housing.

DEPOSITS
A registration deposit is required for new freshmen entering in the fall and spring. The deposit will be applied to fees when the student completes registration. The amount, date due, and refund policy are specified in the orientation brochure, which is sent to each new freshman prior to the Summer Orientation session.

A $75 room deposit/advance payment is required for all students applying for housing. The deposit is in addition to the room fees and is intended to serve as a reservation deposit for the contract. The money is held in escrow and applied to second semester fees. If the student does not complete the contract for the full academic year, the deposit is forfeited. If the contract is for a new student, the deposit will be refunded if the Housing and Residence Life Office receives a written request from the student before May 1 of the preceding year. Returning students will have their advance deposits refunded if the Housing and Residence Life Office receives a written request from the student before May 1 of the preceding academic year. Those students who voluntarily cancel their contracts after these dates shall forfeit the deposit.

A $75 room deposit is also required for room reservations for students entering at spring semester.

Financial Aid
The University of Wisconsin-Eau Claire offers financial assistance through scholarships, grants, loans, and student work experience. The majority of this assistance is awarded based on financial need. There are, however, resources available through scholarships, unsubsidized loans, and student employment for students who do not qualify for need-based aid.

Financial need is based on the student’s educational expenses and the contribution that is calculated using the financial information provided on the Free Application for Federal Student Aid (FAFSA). For detailed information on financial aid, visit the UW-Eau Claire Financial Aid home page at: www.uwec.edu/finaid.

HOW TO APPLY
Students must complete the Free Application for Federal Student Aid (FAFSA) each year in order to apply for all need-based programs as well as for the Direct Unsubsidized Ford Loan, the Parent Loan for Undergraduate Students, and the Graduate PLUS Loan. Students should apply online at: www.fafsa.ed.gov. MyBlugold CampS is a resource for specific information about current financial aid status and financial aid disbursed on students’ accounts.

DEADLINES
To assure first consideration for funding, the FAFSA should be submitted by April 15. (Freshmen should apply by March 15 to receive financial aid information by May 1.) Late applications will be considered for aid based on funds available. Students who apply late or who do not turn in the required additional paperwork need to be prepared to pay their institutional charges by the due date if their financial aid is not available.

A separate financial aid application is required for Summer Session and is available through MyBlugold CampS.

ENROLLMENT STATUS
Students must be enrolled at least half-time to qualify for most kinds of aid, although undergraduate students who have very high need may qualify for a small Pell Grant at less than half-time status. Enrollment status for financial aid purposes is determined by the student’s total credits at the end of the tenth day of classes. Financial aid is adjusted at that point, if necessary. Six credits is considered half-time for undergraduate students for the academic year and summer. For graduates, four credits is half-time during the academic year and three credits is half-time during summer.

Students participating in a full-time equivalent internship may be considered for aid as a full-time student even though actual enrolled credits are less than full-time. Costs of attendance for financial aid will be calculated on actual tuition costs.

Students admitted as Special Students are not eligible for financial aid.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS FOR FINANCIAL AID
Federal regulations require students to maintain satisfactory academic progress toward a degree in order to receive financial aid. The University of Wisconsin-Eau Claire is required to develop and apply a consistent and reasonable standard of satisfactory progress for all students receiving federal financial aid. These standards are applied to all periods of attendance, regardless of whether a student has received financial aid in the past. A complete copy of the University of Wisconsin-Eau Claire’s Financial Aid Satisfactory Academic Progress policy is available at the Financial Aid website under “Policies.” There are three standards or components of satisfactory progress:

- minimum GPA,
- minimum credits completed (Pace), and
- maximum time frame.

Standard for Grade Point Average
Students need to maintain a cumulative GPA of 2.00.
Standard for Minimum Credits Completed (Pace)
Students must successfully complete 67 percent of their enrolled credits. A grade of F, W, XF, U, or IN is not considered successfully completing the class.

Standard for Maximum Time Frame
Students must complete a degree within 150% of the published length of the degree program. Undergraduate students may receive financial aid for a maximum of 180 attempted credits when enrolled in degree programs which have a published minimum requirement for graduation of 120 credits. A degree program that requires more than 120 credits is an exception, and financial aid may be further extended. An additional 90 credits of financial aid eligibility is allowed for undergraduate students seeking a second degree. Graduate students are allowed 54 credits.

Monitoring Procedures and Reestablishment Options
These standards are monitored once per year at the end of spring semester using Registrar’s information. Future financial aid will be denied for students who fail to meet the standards of academic progress.

Students may reestablish their financial aid eligibility by earning an academic standing which meets the above criteria. Students with extenuating circumstances that prevented them from making satisfactory progress are encouraged to describe and document those circumstances in writing. Their appeal will be reviewed by the Financial Aid Appeals Committee to determine whether financial aid eligibility should be reinstated. Students will be notified of the appeal decision in writing.

SCHOLARSHIPS
A combination of federal, state, university, and private scholarships are available to UW-Eau Claire students on the basis of academic excellence or special talent. Some scholarship programs also specify financial need as a requirement of eligibility. Award amounts and student eligibility requirements vary depending on the individual scholarship criteria.

UW-Eau Claire Foundation, Inc., Scholarships and Other Named Scholarships and Awards: UW-Eau Claire Foundation awards more than $1.5 million in scholarships each year to UW-Eau Claire students. Detailed information on scholarships is available at: www.uwec.edu/finaid/scholarships/FDNscholarships.htm. Scholarships are awarded to under-represented ethnic minority students who demonstrate high financial need as determined by federal and state guidelines. These grants include:

GRANTS
A grant is gift assistance and does not have to be repaid. Various grants are awarded to students who establish a high financial need as determined by federal and state guidelines. These grants include:

Federal Pell Grant: The Federal Pell Grant is a federal aid program designed to be awarded to high-need students. It may be combined with other forms of aid in order to meet a student’s total financial need.

Blugold Commitment Grant: These university funds are used to defray the cost of the attendance for high-need students.

Bureau of Indian Affairs (BIA): Native American students with one-fourth or more American Indian blood, as certified by the appropriate Indian Agency, may be eligible for BIA funds. Students should contact their respective tribes and the UW-Eau Claire Financial Aid Office to obtain proper application materials and instructions.

Federal Supplemental Educational Opportunity Grant (SEOG): This federal grant program is available to students establishing an exceptionally high financial need. It is used to supplement other types of aid in meeting a student’s total financial need.

Wisconsin Higher Education Grant (WHEG): Wisconsin Statutes provide for the awarding of grants to residents of the state who can establish a high financial need. The value of these awards will vary with the financial need of each recipient.

Students who are not Wisconsin residents should contact the agency in their home state regarding the availability of state grant monies for attendance at out-of-state schools.

Wisconsin Indian Assistance (WIA): Native American students who are residents of Wisconsin and have one-fourth or more American Indian blood, as certified by the appropriate Indian Agency, are eligible for Wisconsin Indian Assistance funds if they show a financial need. Blood certification and WIA eligibility will be required only once; after a student has received an initial award at UW-Eau Claire, eligibility will continue, based upon an annual evaluation of financial need.

Lawton Undergraduate Diversity Retention Grant: These grants are awarded to under-represented ethnic minority students who demonstrate financial need, are Wisconsin or Minnesota residents, and have completed their freshman year with a resident GPA of 2.00 or higher. These grants are intended to improve students’ opportunities for retention and graduation and lessen their burden of student debt.

Talent Incentive Program (TIP): These are need-based grants available to low-income Wisconsin residents. Students may receive up to $1,800 per year for a maximum of five years. Students must complete an application for TIP which includes additional selection criteria. For an application or additional information, contact the UW-Eau Claire Financial Aid Office or your local Wisconsin Educational Opportunity Office.

LOANS
Loans must be repaid and may be “subsidized” or “unsubsidized.” Subsidized loans do not accrue interest until after the student is no longer enrolled. Unsubsidized loans accrue interest at the time the loan is disbursed. Types of loans include:

Federal Direct Subsidized Ford Loan: Degree-seeking students who are enrolled at least half-time and who demonstrate financial need are eligible. Depending on need, students may borrow up to $3,500 as a freshman, $4,500 as a sophomore, and $5,500 as a junior or senior, not to exceed a total of $23,000 as an undergraduate. There is no interest charged while the student is enrolled at least half-time. Six months after leaving school, or falling below half-time, the borrower begins payment.
Students may not receive Subsidized Direct Loans for more than 150% of the published length of their program. Once a student reaches 150% of their program, they are no longer eligible for Subsidized Direct Loans and may lose their interest subsidy on prior Subsidized Direct Loans.

**Federal Direct Unsubsidized Ford Loan:** These loans are available to students who may not qualify for any, or may qualify for only part, of the regular (subsidized) Federal Direct Loan. In any year, the combined amounts of subsidized and unsubsidized Federal Direct Ford Loans cannot exceed the loan limits for that grade level. A dependent student may borrow up to the potential grade level listed above plus a potential $2,000 per year. An independent student may borrow up to the potential grade maximums listed above plus a potential $6,000 for freshmen and sophomores and $7,000 per year thereafter as an undergraduate, and a potential $20,500 per year as a graduate student.

This loan allows students to defer making payments on the principal of the loan while they are in school, but students are responsible for paying the interest on the loan once the money is disbursed. Students can choose to either pay the interest while they are in school or have it added to their principal to be repaid after they are no longer in school, understanding that allowing the interest to accumulate may be an expensive option.

**Federal Perkins Student Loan:** This federal loan program is available to high need students to help meet remaining educational expenses after the student has received the maximum Ford loan.

**Federal Direct Parent PLUS Loan:** This loan is available to parents of dependent undergraduate students. The maximum loan amount is the difference between the cost of attendance and other financial aid received. Financial need is not a criterion.

Repayment on principle and interest begins within sixty days of the final disbursement, however, deferment is an option. Parents must contact their loan servicer for deferment information. Federal Direct Parent PLUS Loan applications are available online at the Financial Aid website. The Federal PLUS Direct Graduate Loan is also available to graduate students.

**Student Educational Loan Fund (SELF):** Minnesota residents who have first exhausted other sources of financial aid may apply for the SELF loan. Undergraduate and graduate students may borrow up to $10,000 per year. The interest rate may vary quarterly throughout the life of the loan, and a credit worthy co-signer is required. Quarterly payment (interest only) begins 90 days after disbursement, and continues as long as the student is enrolled at least half-time. At termination of study, monthly payment (interest only) begins and continues for up to 12 months. On the 13th month out of school, monthly payments of both principal and interest begin or the student may make two additional years of interest-only payments. Students interested in obtaining this loan should contact the Financial Aid Office or consult the Financial Aid website at: www.uwec.edu/finaid/aid/SELFLOAN.htm.

**Short Term Loans:** Short term no interest loans are available for emergency situations. These loans typically do not exceed $500 and must be repaid within four weeks.

**Ombudsman**

The Department of Education has established an ombudsman to work with student borrowers to informally resolve any loan disputes or problems. If you have concerns about the terms of your loan that cannot be resolved by talking to your lender, you are encouraged to contact the Ombudsman Customer Service Line at (877) 557-2575.

**EMPLOYMENT OPPORTUNITIES**

Employment opportunities are available through the University and in the local community. Available positions are posted on the UW-Eau Claire Financial Aid website under Student Employment.

**Work-Study and University Employment:** The University provides both Federal Work-Study (FWS) and University-sponsored employment opportunities for students. FWS is available for students who demonstrate financial need, and eligibility for this program must be obtained before beginning employment. FWS positions offer a wide range of opportunities and are available in most departments across campus. Community service placements are also an option under FWS. In addition UW-Eau Claire offers a substantial University-funded student employment program, referred to as Non-Federal student employment. All currently enrolled students are eligible to seek employment in the Non-Federal positions, and financial need is not a criterion for employment.

**Off-Campus Employment:** Many positions are available in the local community. Employers often call the University to list job vacancies, and those positions are posted on the online Job Board. Over 400 students find employment in the community through these listings each year.

**RETURN OF FINANCIAL AID FUNDS WHEN A STUDENT WITHDRAWS**

When a student withdraws from the University during the semester, federal regulations require that the University determine whether a portion of the student’s federal financial aid (other than work-study) must be returned. The amount of aid the student may keep when withdrawing is in direct proportion to the length of time the student remained enrolled during the semester. If the student was enrolled for 20 percent of the semester before withdrawing, 80 percent of the federal financial aid must be returned to the aid programs. If the student stays through 50 percent of the semester, 50 percent of the aid must be returned. Once the student completes at least 60 percent of the semester, the student may keep 100 percent of the aid received.

Consequently, if a student withdraws before completing at least 60 percent of the semester, the student may owe a repayment. The student will be billed for any balance owed to the University as a result of the University returning the financial aid funds, and the University will notify the student of the dollar amount owed.

Any financial aid that must be returned to the federal aid programs will be used first to reimburse loans received for the semester and then grant funds.

The specific repayment priority is:

1. Unsubsidized Ford Loan
2. Subsidized Ford Loan
3. Perkins Loan
4. Parent’s Loan for Undergraduate Students
5. Pell Grant
6. Supplemental Educational Opportunity Grant
7. Other federal aid programs

Examples of the refund calculations are available in the Financial Aid Office. Actual, individualized calculations are done in the Business Office.

**For state funds, institutional funds, and outside resources:**

Financial aid received from state, institutional, and outside resources is not part of the federal return of funds repayment calculation. If remaining funds are available from the institutional refund after the federal return of funds requirements are satisfied, the remaining refund will be distributed in the following priority order:

1. State aid programs
2. Institutional programs
3. Outside financial aid resources, if appropriate
4. Student
Credit Drop (but not withdrawal from the University)

If a student drops credits before financial aid has been disbursed, the aid must be adjusted, if necessary, to correctly reflect the current enrollment status before aid can be disbursed. Final aid eligibility is based on enrollment status on the 10th day of classes. If a student changes enrolled credits after aid is disbursed, resulting in a change in the student’s eligibility, aid will be adjusted. This could result in a student having to repay some of the aid received for the term.

Funds for Purchasing a Computer

Students may be eligible for additional loan funds to cover the purchase or rental of a computer. Contact the Financial Aid Office for details regarding this policy.

Additional Sources of Financial Assistance

Graduate Students: Graduate students are eligible for scholarships, assistantships, loans, and employment programs. Contact the Office of Admissions (attention: Graduate Admissions), UW-Eau Claire, Eau Claire, WI 54701, or call 715-836-4733 for application procedures for graduate student financial aid.

Veterans Administration Grants, G.I. Bill Benefits, National Guard Tuition Grants, Wisconsin Veterans Grant, Veterans’ Work Study: A Veterans Counselor is available in Schofield 128 for students seeking information or assistance with these programs.

Vocational Rehabilitation: Various financial programs are available to students who qualify. Further information is available from area Vocational Rehabilitation offices.

UW-Eau Claire Foundation Scholarships and Awards

Each year, the UW-Eau Claire Foundation provides over $1.5 million in scholarships, grants, and awards to UW-Eau Claire students. Several hundred different awards are available, all provided through the generosity of alumni and friends of the university.

Information about the various scholarships, including amounts, award criteria, and application and awarding deadlines is available on the Financial Aid Office website, under “Scholarships.” Each scholarship has different eligibility requirements, so check the information on each scholarship in which you are interested. Awards are listed alphabetically by title and also by department. Follow the application instructions for each award. For more information about a specific scholarship or the application procedure, contact the department responsible for the award as listed in the criteria on the website. For other scholarship related questions, contact the Financial Aid Office, at 715-836-3373 or finaid@uwec.edu, or Christina Thill, Foundation Scholarship Coordinator, at 715-836-4045 or brownc@uwec.edu.

National Merit Scholarship

UW-Eau Claire is one of the few Wisconsin public universities to participate in the prestigious National Merit Scholarship Program. Finalists who specify UW-Eau Claire as their first choice Institution by the National Merit Corporation deadline will be eligible for this scholarship. Admissions applications of finalists will be reviewed for the selection process. There is no separate application to apply.

Instructional Support Resources

Classroom instruction at the University is supplemented by services provided to the entire academic community and by the specialized resources of individual departments, including a number of facilities and collections which are made available to the public.

The William D. McIntyre Library, occupying a six-level structure in the center of the campus, is open 112 hours each week during fall and spring semesters. Its study facilities are designed to create an inviting atmosphere with lounge seating, individual carrels, student group study and faculty research study rooms. The library online system provides access to its collections of more than 340,000 bound volumes, 141,400 government publications, and over 300,000 units of microform materials. The library currently subscribes to over 200 periodicals in print form and provides access to more than 67,000 full-text electronic journals. The library also lends laptops, still and video cameras, recorders and iPads. Special facilities and collections include the following:

The Reference Collection on the first floor of the library provides an extensive collection of reference materials in both print and electronic form. Public access computers in this and other locations in the library provide access to more than 230 electronic databases (also available from off-campus), the library’s catalog, and virtually all university-supported software. Librarians, staff, and students provide research assistance to students, visitors, and faculty at the Information desk located on the first floor.

The Government Publications Department houses the U.S. and Wisconsin Document Collections. McIntyre Library serves the Eau Claire area as a regional depository for all official state publications and as a selective depository for federal information.

The Instructional Media Center houses collections of materials that support the University’s education and other programs. In addition to print collections of elementary and secondary curriculum materials, the center provides facilities for listening to and viewing all types of media, including videocassettes, compact disks, DVDs, and CDs.

All circulating library materials are checked out at the main Circulation Desk which also houses the library’s collection of print reserve materials that professors assign for their students to read. Most reserve materials are now available electronically.

The Special Collections Department unites five collections. The Area Research Center (ARC) is a regional depository of the Wisconsin Historical Society, containing historical manuscripts, public records, maps, and photos relating to Eau Claire and five surrounding counties. The ARC can borrow other archival materials from the Wisconsin Historical Society, State Archives, or the rest of the ARC Network. The Rare Book Collection contains 2,800 volumes which are rare, old, limited editions, autographed, or which contain exceptionally fine illustrations or print. The University Archives documents the official and unofficial life of the University since 1916. The Local History Collection includes published materials, historic maps, and historic photographs of interest to historical researchers and genealogists. The Thesis Collection contains an archival copy of every UW-Eau Claire thesis.

The library is a member of the Council of the University of Wisconsin Libraries, the network developed to facilitate resource sharing among University of Wisconsin libraries, and OCLC, Inc., the world’s largest library network providing location information on over 100 million books worldwide and interlibrary loan services so students can access the resources they need for their research. Copy machines or scanners for both microforms and print copy are located at appropriate service points. Other services and resources of the library are described on the Library’s Web page at: www.uwec.edu/library.
Learning and Technology Services

Through collaboration with others, we continue to develop innovative solutions to enhance information technology, learning, and teaching. Whether we lend our support to technology, infrastructure, or people, we are committed to the goal of excellence in education at UW-Eau Claire.

For more information, visit the LTS website at: www.uwec.edu/lts.

LTS Help Desk

In addition to providing effective and responsive resolution of information technology questions through telephone, email, and walk-in consultation, the LTS Help Desk is the front line of support regarding learning and technology services. Call the LTS Help Desk at 715-836-5711 (or any LTS staff member) for assistance with these services.

Primary service areas include the following:

Communications
- Maintain access to the voice and data communications network, including wireless
- Provide for the security and integrity of data
- Administer email
- Maintain information systems
- Administer voice communications, including Voice over Internet Protocol (VoIP)
- Design, maintain, and support University websites

Learning Spaces
- Repair and provide operational support for equipment
- Design, maintain and modernize classroom technology
- Manage and provide support for general access and curricular computing labs

Distance Learning
- Design and support distance learning technologies for the delivery of synchronous and asynchronous instruction
- Administer and support course management systems (Desire2Learn)
- Provide streaming media capability

Housing and Residence Life
- Support for the computing and networking infrastructure within residence halls

Media and Production
- Record audio and produce soundtracks
- Record and edit video
- Support the campus academic cable system
- Provide instructional and campus photographic needs
- Provide graphic arts support for academic endeavors
- Produce instructional materials

Technical Assistance and Training
- One-on-one technology training
- Group technology training by request
- Curriculum support
- Scheduled technology workshops
- Assist with poster development and printing

COMPUTING SERVICES (Old Library 1106)

UW-Eau Claire continues to transition to the use of technologies which can put more control into users’ hands, speed up processes for students, and increase the efficient use of resources.

MyBlugold CampS allows students web-based access to registration, schedules, course information, and other common links. Students can access grades, request degree audits, and change personal information such as their address and password. MyBlugold CampS also provides links to academic, career, computing, and other resources for students.

All students are automatically assigned an email account, username, ID#, and PIN (Personal Identification Number) upon enrolling in any credit course. If a student enrolls in consecutive terms, the email account will remain continuously in effect.

UW-Eau Claire uses email as a primary means of communication. It is a student’s responsibility to activate the University email account since the University distributes grades, bills, and some financial aid information via email. Many instructors and advisers use email to contact students about class assignments and/or require students to correspond or participate via email in some way.

Some courses have web-based components which allow students to not only receive course information on the Web and/or use it for research, but also to communicate with the instructor or other class members, and to collaborate on group projects online. To feel comfortable using the system, an introduction is offered and the LTS Help Desk will provide support.

General Access and Residence Hall labs provide students with access to these campus computing resources as well as standard (e.g., Microsoft) and curricular-specific software. To find out specific information (i.e., hours and location) for each lab, visit labs.uwec.edu. Students may also check out a laptop computer at no charge at the circulation desk in the Library. Students are provided with 200 MB of personal file storage space (the H drive). DeptDir (the W drive) is a network space that professors and students can use to exchange files.

Blugold Insider, MyBlugold CampS, Webmail, and Desire2Learn are available on the university homepage at www.uwec.edu.
Special Academic Programs

COLLEGIATE BRIDGE PROGRAM

The Collegiate Bridge Program, coordinated by the Academic Skills Center, is a one-year academic support program that provides small classes and a structured introduction to the university to first year students. Participants are admitted to the University of Wisconsin-Eau Claire through the Collegiate Bridge program because they demonstrate the potential to succeed and may need additional support as they transition to college. Students take a common Humanities or Social Science course, a college success course, and other courses they choose with the help of an academic adviser. Further information can be obtained from the Admissions Office, the director of Collegiate Bridge, or the Collegiate Bridge website at: www.uwec.edu/ASC/programs/collegiatebridgeprogram.htm.

DEVELOPMENTAL EDUCATION PROGRAM

The Developmental Education Program, coordinated by the Academic Skills Center, provides courses designed to strengthen students’ college level learning strategies and critical thinking skills. It also serves to familiarize students with a wide range of academic support services and increase academic self-confidence. These courses are designed to meet the needs of students who are entering college with concerns about their academic learning strategies and are available on a preassigned basis. Further information may be obtained from the Coordinator for Developmental Education. Visit the website at: www.uwec.edu/asc/ourservices/gencourses.htm.

RONALD E. MCNAIR POSTBACCALAUREATE ACHIEVEMENT PROGRAM

The Ronald E. McNair Postbaccalaureate Achievement Program, a TRIO program of the U.S. Department of Education, assists eligible upper-division students to prepare for and enter graduate school to pursue research-based doctorates. Targeted to academically talented first-generation students from low-income families, and students from groups underrepresented among doctoral recipients, the McNair Program includes two years of intensive mentoring, specialized curricular and co-curricular offerings, collaborative research, and internship opportunities. McNair Scholars who desire to become college professors and/or researchers learn to appreciate, support, and undertake collaborative research. They gain an interdisciplinary and historical perspective on the American research community and become familiar with career opportunities and the professional climate of the Academy. Each year 10 to 12 new Scholars are chosen by means of a faculty nomination process. Visit the website at: www.uwec.edu/mcnair.

INTERCULTURAL IMMERSION EXPERIENCES

As part of the University’s commitment to providing global learning experiences for all students, Blugold Commitment Differential Tuition supports three high-impact intercultural immersion programs by providing funding to decrease student costs and thus increase access to programmatic offerings and opportunities for student participation.

1. The Faculty-Led International Immersion Experiences (FLIIE) Program offers short-term (Summer or Winterim term) study abroad programs led by UW-Eau Claire faculty/staff. With a goal to deepen student culture competence through global engagement, study, and experience, these programs work to immerse students in a different country, culture, and context.

2. The Domestic Intercultural Immersion (DII) Program prepares students to take part in an increasingly diverse and interconnected world by offering short-term programs within the United States. By engaging firsthand with various cultures, populations, and environments within the U.S., participants develop new perspectives of the world and expand their interpersonal and intercultural skills.

3. The International Fellows Program (IFP) or Research, Service, and Creative Activity supports international student-faculty collaborative research/creative activity and research service-learning projects. For detailed information about each program, visit the website at www.uwec.edu/undergrad/immersionexperiences.htm.

UNDERGRADUATE RESEARCH

UW-Eau Claire is the Center of Excellence for Faculty and Undergraduate Student Research Collaboration. Many students work with a faculty mentor in their discipline to engage in scholarly projects. Results of these projects are presented on-campus at the Celebration of Excellence in Research and Creative Activity (CERCA) each spring, and many are also shared at professional conferences or through publication. Students involved in these activities develop a host of skills that prepare them for graduate studies and/or professional employment. Through the Blugold Commitment Differential Tuition program, funding is available to support student participation in research and scholarly projects that result in creative works, and to travel to professional conferences to present their results. For more information, contact the Office of Research and Sponsored Programs (Schofield 17) at 715 836-3405 or visit the website at www.uwec.edu/ORSP/students/index.htm.

NATIONAL STUDENT EXCHANGE

The National Student Exchange (NSE), a consortium of more than 200 state supported colleges and universities, allows students to attend school in another area of the United States for up to one academic year. In bringing together students from different parts of the country, the program encourages participants to broaden their academic, social, and cultural awareness. Through a simplified admission process, students are able to enroll at their host universities and pay tuition at UW-Eau Claire.
Grades and completed course work are incorporated into the student's UW-Eau Claire transcript, and are considered resident credit.

To qualify, a student must (1) be currently enrolled as a full-time undergraduate student at UW-Eau Claire in the term prior to exchange; (2) have a minimum 2.50 GPA; (3) be in good academic, personal, and financial standing at UW-Eau Claire; and (4) have 30 credits or more.

For more information about this opportunity for study, please contact the Study Abroad Office (Schofield 240) or visit their website at: www.uwec.edu/cie/studyabroad.

STUDY ABROAD PROGRAMS

The University academic community strongly encourages students to live and study abroad. Such an experience contributes to an international perspective which is an essential part of a university student's education for life in the 21st century.

Organized study abroad programs offer UW-Eau Claire students the experience of living in another cultural setting while continuing to pursue their immediate educational goals. To ensure that courses taken abroad will be appropriate to their academic programs at UW-Eau Claire, students should begin to plan for international study as early as possible, in consultation with their major adviser(s) and the Study Abroad Coordinators.

To participate in international programs, students must be in good academic standing and meet program eligibility requirements. Credits and grades earned in UW-Eau Claire programs abroad are resident credits and are applied directly to the student's record. Students participating in semester or year-long international programs are required to carry a minimum load of 12 credits per semester. Credit load for students participating in summer and short-term programs varies by program.

Available programs are more fully described in this catalog under International Studies (College of Arts and Sciences).

Some grants are available to support study abroad. Eligible UW-Eau Claire students accepted to UW-Eau Claire study abroad programs may apply for UW-Eau Claire Foundation Study Abroad Grants prior to departure for their program and for Haas or Joyal/Alexander Fellowships upon their return. Eligible students may receive a Blugold Commitment Study Abroad Grant or Wisconsin Study Abroad Grant through the usual financial aid process. Regular financial aid may be used on UW-Eau Claire programs.

Further information and assistance with study abroad programs are available from the Center for International Education (Schofield 3) and on the CIE website at www.uwec.edu/cie/studyabroad.

EDUCATIONAL AND COMMUNITY SERVICES

Human Development Center

The Human Development Center (HDC) is an interprofessional program that works with individuals and families from western Wisconsin. Under the direct supervision of faculty supervisors, student clinicians from Communication Sciences and Disorders, Reading Education, Nursing, Psychology, Special Education, and Social Work provide assessment, intervention, and consultation services to children, adolescents, young adults, and families referred from the community. The HDC also sponsors research programs involving academic assessment and intervention, behavioral health, and child and school psychology. The HDC is located on the first floor of the Human Sciences and Services building.

Psychological Services Center

The Psychological Services Center, a clinic staffed by faculty members from the department of Psychology, is located within the HDC. The center provides psychological and family assessment and intervention, parent training, and academic and behavioral consultation services to clients referred from the community. Allied disciplines also participate in the center, providing a variety of consulting services, including health, education, and assessment.

Academic Intervention Clinic

The Academic Intervention Clinic, a program sponsored by the HDC, provides school-aged children and adolescents with educational support in the areas of math and reading. Graduate and undergraduate student clinicians conduct state-of-the-art educational evaluations, develop and implement a comprehensive intervention program, provide on-going progress monitoring, and consult with parents and teachers. The program is housed within the HDC with student clinicians also providing services in local elementary schools. Faculty-student collaborative research experiences that focus on applied practice are available to undergraduate students.

Center for Communication Disorders

The Center for Communication Disorders provides diagnostic and intervention services to clients ranging in age from infants to the elderly. Graduate and undergraduate student clinicians, under faculty supervision, work in the clinic with clients who have communication disorders of all types including problems with voice, stuttering, speech sound production, hearing, and language. The Center is located on the first floor of the Human Sciences and Services building and provides services at low cost to clients. Fees may be adjusted upon the recommendation of a faculty supervisor. Contact Kay Hagedorn at 715-836-4185 for additional information or to make appointments.
Strategic Enrollment

Strategic Enrollment brings together units committed to the recruitment and retention of all undergraduate students. Collaborating with departments and units throughout campus they work to prepare students for college, recruit a diverse group of students for UW-Eau Claire and then provide support to all students so they can be successful students and productive alumni. Strategic Enrollment Student Success encompasses the following offices:

- Academic Skills Center
- Admissions
- Advising and New Student Initiatives, including
  - Academic Advising
  - Academic Testing
  - First Year Experience
  - New Student Orientation
- Nontraditional student services
- Career Services, including the Center for Service-Learning
- Financial Aid
- Records and Registration
- Services for Students with Disabilities
  - including Project AIM (Ability in Motion)
- Student Support Services
- Upward Bound

ACADEMIC SKILLS CENTER (Centennial Hall 2106)

The Academic Skills Center is a resource for students needing individual assistance to enhance learning strategies and skills in college reading and study methods, critical thinking, problem solving, and mathematics. An English as a second language program is available for permanent resident and international students. Group tutoring is also available for selected entry-level foreign language courses, as well as several physical and social science courses. Diagnostic evaluation is available in reading, mathematics, study strategies, and English as a second language. Further information may be obtained from the Academic Skills Center staff or the ASC website at: www.uwec.edu/asc.

The Developmental Education, Collegiate Bridge, and College Achievement Programs are coordinated by the Academic Skills Center (see descriptions under Special Academic Programs).

ADVISING AND NEW STUDENT INITIATIVES (Schofield 226)

Advising: Students who have not yet chosen a major (undeclared) are assigned advisers in the Advising Office. Students can expect their advisers to help them develop academic and career goals based on their interests and abilities; assist them in choosing courses that explore various majors while keeping their curricular options open; and clarify university policies and procedures. They can also expect advisers to be knowledgeable about a wide variety of campus resources and to refer them when appropriate.

Students with declared majors or who are “between majors” can also see advisers in Advising for general information on university policies, requirements, and resources. The transfer advisers work with transfer students regardless of major to help them understand policies and procedures related to transferring. The transfer advisers review the transfer course evaluations for all transfer students to identify issues students need to address to best use their transfer work to meet UW-Eau Claire’s requirements.

The Advising office also provides orientation and advising for high school students taking college courses at UW-Eau Claire. Visit the website at: www.uwec.edu/advising.

Academic Testing: The testing area administers English, mathematics, and foreign language placement tests for the University, as well as a number of national tests, including the ACT, ACTFL and MAT. Academic Testing also serves as an Educational Testing Service computer-based testing site, offering the GRE, Praxis, and TOEFL exams. It also administers the College Level Examination Program (CLEP). Advanced Placement, International Baccalaureate and DANTES results are also processed by this office. Visit the website at: www.uwec.edu/testing.

New Student Orientation: All new freshmen and transfer students are expected to participate in a New Student Orientation program prior to registering for classes. One day sessions for new freshmen who are starting in the fall semester are held in June, with a final session in late August. New freshmen starting in January attend a session the week before classes begin.

Orientation sessions for transfer students who are starting in the fall begin the end of March and continue throughout the summer. Transfer students starting in the spring semester may attend one of many sessions held the end of October through January.

These programs are designed to facilitate the student’s adjustment to the University. Students meet with academic advisers, develop a class schedule, and register for classes. Students and their parents have an opportunity to meet with faculty and staff members, tour the campus, and obtain information on a wide variety of topics related to both academics and student life.

Questions regarding orientation programs should be addressed to the Assistant Director for New Student Orientation and Student Transitions in the Advising and New Student Initiatives Office. Visit the website at: www.uwec.edu/orientation.

First Year Experience: The First Year Experience program at UW-Eau Claire helps new freshmen transition to college life. Many new students take a course that is designated as “first year only.” These sections are regular university courses that are open only to new freshmen. Each first year only class has an experienced UW-Eau Claire student mentor who works closely with the instructor to help students adjust to college. In addition, all new freshmen are invited to participate in the Blueprint for a Blugold program, which is a schedule of out-of-class activities and corresponding online modules designed to help students learn valuable information about college life.

Nontraditional Student Services: Nontraditional-age students comprise an important component of the University’s student body. The nontraditional student adviser serves this constituency through a variety of offerings that address the special needs and experiences of adults returning to college. Working adults, students with children or other family responsibilities, veterans, and adults in various life transitions, will find programs, publications, services, and consultations tailored to their circumstances and schedules. Further information may be obtained from the nontraditional student adviser. Visit the website at: www.uwec.edu/nss.

CAREER SERVICES (Schofield 230)

Career Services assists students with their career exploration and development from the time of their orientation to the university, into their alumni years. Specific services include: career advising, career assessments, internship opportunities, resume and cover letter development and assistance, interview preparation assistance, on-campus interviews, and graduate school admission assistance. Visit the Career Services website at: www.uwec.edu/career for more information.

Various phases of a student’s career development and accompanying programs are addressed as follows:

Career Exploration and Development: Career Services offers individual career advising, career assessment, programming, and information to assist students with their career decision-making. Students meet with a career advisor or visit the Career Discovery Center to learn more about their majors and how it relates to a future career. An alumni network is also designed to connect students with professionals in their chosen fields.

Career Discovery Center: An interactive and self-directed resource area combines online and current hardcopy resources to assist students during all phases of their college career. Included is information on career options, internship information, graduate school information, employer directories, and resumes, portfolio, and interview preparation resources. Trained Career Associates in the Career Discovery Center are available to assist students to find and use the materials and resources. The Career
Discovery Center is available to all students from 8:00 a.m.–4:30 p.m., Monday through Friday. Resources to find internships are available at Career Services. Internships are valuable experiences for students. Students are given an opportunity to test career choices, improve their basic work skills, and develop professional competence. Students may earn money or receive academic credit as part of the internship program.

Blugold CareerLink: Blugold CareerLink is an online jobs and internship search database used by UW-Eau Claire students and alumni. Employers who seek UW-Eau Claire students use this to assist in meeting their workforce needs by posting full-time and internship positions. Students can search for opportunities and apply for these positions. They can also participate in on-campus interviews and receive invitations to employer information sessions. Verified employers are able to view students’ resumes and contact them directly regarding opportunities.

Career Events: Each year Career Services sponsors a variety of career events designed to allow students to explore career and internship options:
- Career Conferences — fall and spring semesters
- Explore Your Possibilities — fall semester
- Nursing and Health Care Professionals Fair — fall semester
- Mock Interview Days—fall and spring semesters

Over 500 employers representing a wide variety of organizations are participants at these career events.

On-Campus Recruitment Program: More than 200 employers visit the campus each year to interview students interested in internship and full-time professional positions. All interviews are coordinated and arranged at the Career Services Office.

SERVICE-LEARNING, CENTER FOR (Schofield 230)
All candidates for the baccalaureate degree at the University of Wisconsin-Eau Claire must satisfactorily complete 30 or more hours of approved service-learning activity. UW-Eau Claire’s Service-Learning requirement fosters habits of public engagement and service to society. This requirement is intended to provide students with an opportunity to serve their community, apply knowledge gained in the classroom, enhance their critical thinking skills, and become informed, active, responsible, and ethical citizens. The Center for Service-Learning works with community partners to create meaningful projects for students and helps students and staff to develop projects. Visit the Service-Learning’s website at: www.uwec.edu/sl for information on available projects, the completion procedure, and a link to the Service-Learning Guidebook. For a list of courses approved to meet this requirement, see pages 46 and 47 of this catalog.

SERVICES FOR STUDENTS WITH DISABILITIES (Centennial Hall 2106)
Services for Students with Disabilities (SSD) facilitates the provision of academic accommodations for eligible students with documented disabilities. Disability-related accommodations address the need for both program access (i.e. exam accommodations, note taking, interpreters, alternative format course materials, etc.) and physical access. Verification of the need for accommodations is based on current disability documentation provided by the student. Students with disabilities who wish to request accommodations must provide disability documentation to the SSD Office and make their requests known in a timely manner so that arrangements for accommodations can be initiated. Testing rooms are available for individual testing accommodations. Information about required documentation and procedures for arranging services can be obtained by contacting the SSD Office or visiting the SSD website at www.uwec.edu/sss.

Services for Students with Disabilities Project AIM (Ability in Motion)
Project AIM is a Student Support Services program funded by a TRIO grant from the U.S. Department of Education. Due to federal eligibility requirements, the students served must have a documented disability. Goals of the project are focused on promoting academic and career success of participants. Project AIM provides a variety of supplemental services for eligible participants including student-specific advising, career exploration, financial literacy, free tutoring, mentoring, leadership development and a variety of cultural and educational activities. Some students qualify for additional federal grant aid based on participation in the program. Further information may be obtained from the Services for Students with Disabilities Office staff.

STUDENT SUPPORT SERVICES (Old Library 2136)
Funded by a TRIO grant from the U.S. Department of Education, the Student Support Services program provides a variety of supplemental services for qualified students. Due to federal eligibility requirements, the students served must be from a low-income household, be a first-generation college student, or have a documented disability. The staff assists eligible students in assessing their academic skills and in developing individual goals that promote their academic and career success. The program provides participants with free tutoring, career exploration opportunities, special academic advising and mentoring services, graduate school preparation, financial aid information, and a variety of educational activities. Some students qualify for additional federal grant aid based on their participation in the program. Further information may be obtained from the Student Support Services staff. Visit the SSS website at: www.uwec.edu/sss.

UPWARD BOUND (Haas Fine Arts 281)
Upward Bound is a federal TRIO program awarded to UW-Eau Claire by the U.S. Department of Education. All participants are from high schools in Eau Claire. Most students are recommended by school counselors during the last semester of middle school. Once enrolled in the program, students continue through high school graduation. The program serves 63 promising high school students who face barriers to the completion of high school and the attainment of post-secondary education. During the academic year, students receive tutoring, counseling, and study skills support. The summer six-week residency program, for which students receive high school credit, provides an academic core enhanced with field trips and cultural, social, and athletic activities. Upward Bound develops career exploration and decision-making skills and assists students in selecting appropriate post-secondary educational options. Assistance is given in completing college admission and financial aid applications. Further information may be obtained from the Upward Bound Office or by visiting the Upward Bound website at: www.uwec.edu/upbound.
The Ronald E. McNair Postbaccalaureate Achievement Program, a TRIO program of the U.S. Department of Education, assists eligible upper-division students to prepare for and enter graduate school to pursue research-based doctorates. Targeted to academically talented first-generation students from low-income families, students from groups underrepresented among doctoral recipients, the McNair Program includes two years of intensive mentoring, specialized curricular and co-curricular offerings, collaborative research, and internship opportunities. McNair Scholars who desire to become college professors and/or researchers learn to appreciate, support, and undertake collaborative research. They gain an interdisciplinary and historical perspective on the American research community and become familiar with career opportunities and the professional climate of the Academy. Each year 10 to 12 new Scholars are chosen by means of a faculty nomination process. Visit the website at: www.uwec.edu/mcnair.

OFFICE OF UNDERGRADUATE STUDIES (Schofield 208)

Undergraduate Studies, in conjunction with faculty colleagues and community partners, assist University of Wisconsin-Eau Claire students to reach their unique potential in the areas of intellectual, personal, social, and cultural development. This is achieved by providing oversight and leadership for a number of programs and units that work collaboratively across academic departments and colleges to enhance student learning. These activities play an important role in helping students navigate the campus environment and providing programs and services that enrich students’ personal and educational development.

The area of Undergraduate Studies encompasses the following offices that support students in their academic success and reaching their full potential:
- Blugold Fellowship Program
- University Honors Program
- Intercultural Immersion Experiences
- International Education
- McNair Program
- Office of Research and Sponsored Programs

Undergraduate Studies provides assistance to all students including nontraditionally aged students, ethnic minorities, students with disabilities, low income students, and first generation college students.

The Office of Undergraduate Studies is located in Schofield 208, 715-836-4353, fax 715-836-2902, or visit the website at: www.uwec.edu/undergrad/index.htm.

BLUGOLD FELLOWSHIP PROGRAM (Phillips 233)

The Blugold Fellowship program recruits high school students to come to UW-Eau Claire. The fellowships are awarded to incoming freshmen based on merit and include a scholarship and work-stipend. The program places the students into research environments in order to expose them to scholarship early in their university careers, and highlights the opportunities available at UW-Eau Claire, including those provided through the UW System Center of Excellence for Faculty and Undergraduate Student Research Collaboration. Visit the website at: www.uwec.edu/blugoldfellows.

UNIVERSITY HONORS PROGRAM (Library 2001)

The University Honors Program enables high-achieving, high-potential, highly motivated students to go as far in their intellectual and professional development as possible in four years of undergraduate study. The program offers an enhanced education, enabling students to integrate Honors General Education courses, Honors interdisciplinary seminars, Honors work in their major and minor programs, and Honors experiential learning opportunities into a coherent, high-value, individualized whole. Upon successful completion of departmental or college Honors work, the student will receive the designation of departmental honors on his/her official transcript and a special notation in the graduation ceremony program.

INTERCULTURAL IMMERSION EXPERIENCES (Schofield 226G)

Intercultural Immersion programs increase student access to high-impact learning experiences that deepen one’s understanding of global engagement and intercultural competence. Short-term programs (about 20-25 each academic year) are offered to various locations within the United States and internationally, led by UW-Eau Claire faculty/staff with curriculum relating to the UW-Eau Claire Liberal Education Learning Goals. Immersion programs are funded by Blugold Commitment to decrease student costs and increase access and opportunities to participate. For more information about specific programs, visit www.uwec.edu/undergrad/immersionexperiences.htm.

INTERNATIONAL EDUCATION (CENTER FOR) (Schofield 3)

The Center for International Education makes study abroad available to every UW-Eau Claire student. We strive to make study abroad affordable and connected to the curriculum to allow students an academic experience abroad without adding unnecessary time to their graduation goals. Study abroad experiences on every populated continent, nearly 22 percent of UW-Eau Claire students choose to take part in the life-changing experience of living and learning in another country.

The Center for International Education also welcomes students and scholars from throughout the world. Hosting students from nearly 50 nations, the University creates a global community in western Wisconsin. The Center for International Education offers many exciting programs that promote cross-cultural learning; these include the Host Friend Program, the Peer Guide Program, and the International Folk Fair.

The Center for International Education also coordinates the University’s Intensive English Program, delivering a wide range of non-credit English as a Second Language courses to both degree-seeking and non-degree seeking international students and faculty.

RONALD E. MCNAIR POSTBACCALAUREATE ACHIEVEMENT PROGRAM (Old Library 2134)

The Ronald E. McNair Postbaccalaureate Achievement Program, a TRIO program of the U.S. Department of Education, assists eligible upper-division students to prepare for and enter graduate school to pursue research-based doctorates. Targeted to academically talented first-generation students from low-income families, and students from groups underrepresented among doctoral recipients, the McNair Program includes two years of intensive mentoring, specialized curricular and co-curricular offerings, collaborative research, and internship opportunities. McNair Scholars who desire to become college professors and/or researchers learn to appreciate, support, and undertake collaborative research. They gain an interdisciplinary and historical perspective on the American research community and become familiar with career opportunities and the professional climate of the Academy. Each year 10 to 12 new Scholars are chosen by means of a faculty nomination process. Visit the website at: www.uwec.edu/mcnair.

OFFICE OF RESEARCH AND SPONSORED PROGRAMS (ORSP) (Schofield 17)

The mission of ORSP is to maintain a supportive environment for research and scholarly and creative endeavors of the faculty, staff and students. This is accomplished through events that showcase research, such as the annual Celebration of Excellence in Research and Creative Activity, the Faculty/Staff Forum and the Authors Celebration, through funding programs that support research activities, through publications about campus research activities, and through services such as seminars, workshops and individual consultations on grant-seeking and undergraduate research collaboration. Visit www.uwec.edu/orsp.

WILLIAM J. AND MARIAN A. KLISH HEALTH CAREERS CENTER (Schofield 30)

The William J. and Marian A. Klish Health Careers Center is a specialized career center for students who are interested in a career in the health sciences. The resources available through the Health Careers Center help students explore a wide range of health careers and create a personalized, interdisciplinary pathway to graduation and admission to professional schools. UW-Eau Claire offers pre-professional programs in Pre-Medicine, Pre-Veterinary Medicine, Pre-Physician Assistant, Pre-Dentistry, Pre-Physical Therapy, Pre-Occupational Therapy, Pre-Pharmacy, Pre-Optometry, and Pre-Chiropractic. The Health Careers Center offers resources for academic and health career advising, connections to health-related clinical, research and volunteer opportunities, and workshops designed to build effective tools for career development and competitive applications.
YOUR RIGHT TO KNOW
Each student enrolled at the University is expected to be familiar with University standards and to abide by the rules and regulations published in the publication “Your Right to Know.” This publication is available on the Web at: www.uwec.edu/DOS/policies/yrkt.

ALCOHOL STUDIES AND EDUCATION (CENTER FOR) (Schofield 26)
The mission of the Center for Alcohol Studies and Education (CASE) is to support and implement strategies and programs to reduce high-risk drinking and its negative consequences among UW-Eau Claire students. CASE staff includes a Director, Program Associate, and student Peer Educators. CASE implements programs and provides education on alcohol issues for students, parents, and UW-Eau Claire staff and faculty; facilitates collaboration and communication among campus and community organizations working together on alcohol issues; and collects and monitors data to inform alcohol prevention programming at UW-Eau Claire. CASE houses resources for the campus community on its website and in the center including educational information and alcohol screening tools, and assists individual students and student organizations with academic and research projects, events, and programs. For more information, visit www.uwec.edu/case.

ATHLETICS (see page 29)

AWARENESS OF SEXUAL ASSUALT (CENTER FOR) (Old Library 2119)
The Center for Awareness of Sexual Assault (CASA) is a sexual assault support service that maintains a victim-centered approach. We provide a safe place for people to come and talk about any issues that they may have surrounding their sexual assault, or those of someone close to them. Even if you are not sure about a sexual experience and are now feeling uncomfortable with what happened, CASA would be glad to talk with you. We provide a variety of services that are confidential and free: crisis counseling, emergency room support, legal advocacy, assistance with campus reporting, information and referral, and a 24-hour crisis hotline at 715-836-HELP. For additional information, visit www.uwec.edu/CASA. To make an appointment, call 715-836-4357 or email casa@uwec.edu.

BLUGOLD BEGINNINGS (Centennial Hall 1106)
The purpose of the Blugold Beginnings Program is to educate and inspire students, especially underrepresented, low income or first generation students, to believe that a post-secondary education is important, attainable, and available at the University of Wisconsin-Eau Claire and other institutions.

Blugold Beginnings offers a variety of programs and services to promote a college-going culture and to help students obtain a higher education. The program provides the opportunity for college students to serve as mentors for fifth through twelfth grade students within the community. This experience develops new skills and advances college students’ knowledge of underrepresented populations and the greater community. Mentor programming takes place in area schools during study hall and after school. Each year, thousands of fifth and eighth grade students tour the campus with Blugold Beginnings mentors, experience college classes, and spend time with faculty learning that college is an option for them. Monthly events and summer camps are also offered to youth and facilitated by college students serving as mentors. Upon high school graduation and admission to the University of Wisconsin-Eau Claire, freshmen students are invited to join the Blugold Beginnings Learning Community which continues to offer support services to assist college students with the transition from high school to college life. For more information, visit www.uwec.edu/Blugoldbeginnings.

CHILDREN’S NATURE ACADEMY (The Priory)
The UW-Eau Claire Children’s Nature Academy (CNA), is a five-star (Youngstar) nationally accredited (NAEYC) nature based early learning program, licensed by the state of Wisconsin. Serving children ages six weeks through school age, programing is offered to students, faculty, and staff, and the community on the University’s beautiful 112-acre Priory Campus. The center operates from 7:00 a.m. to 5:30 p.m. Monday through Friday and some evening care upon request. The CNA offers flexible scheduling and special student discounted rates. The CNA also works with the Eau Claire Area School District to offer four-year-old kindergarten (EC4T) and AmeriCorps to offer ECLIPSE, a literacy and social skills program for preschool age (3-5) children. Please contact the
COUNSELING SERVICES (Old Library 2122)

Staff counselors in the Counseling Services Office assist students in overcoming problems which may interfere with their educational, social, and emotional development. This is accomplished through individual, couple, and group counseling: psychological and personality testing; psycho-educational workshops; and outreach services. Among the issues that students may bring to counseling are personal development, adjustment to college, depression, stress management, relationship/abuse issues, alcohol and drug use, goal setting, time management training, and other personal concerns and psychological problems.

Confidential and free counseling is available to any student of the University. An Employee Assistance Program (EAP) is also available for faculty and staff. Visit the Counseling Services website at: www.uwec.edu/counsel.

HOUSING AND RESIDENCE LIFE (Towers Hall 112)

The University provides accommodations for 3,974 students in on-campus residence halls. Except for those who are married, living with parents or guardians, or veterans of the United States Armed Forces, all freshmen and sophomores are required to live in University-operated residence halls when such accommodations are available.

Information about living on campus is automatically sent to candidates for admission to the University. Room assignments are based on the date all properly completed housing contract items are submitted, including a $75 deposit. The deposit is refundable through May 1 (see Deposits, under Expenses). It is beneficial to apply as soon as possible after acceptance to the University. Whenever possible, specific room assignments will be made prior to freshman orientation in mid-June.

Each residence hall is staffed by a hall director and resident assistants selected from qualified continuing students. Insofar as demand permits, students are given a choice among the kinds of on-campus accommodations available. The residents of each hall determine, in accordance with the Wisconsin Administrative Code, certain policies and regulations for the governance of their hall.

All students living in University residence halls are required to participate in the contract meal plan (see Dining Service).

The University has no housing facilities for married students and students with children. Further information concerning all housing and residence life policies and services is provided in the Residence Hall Information booklet, available upon acceptance by the University or upon request to the Housing and Residence Life Office, phone 715-836-3674, or online at www.uwec.edu/housing.

MULTICULTURAL AFFAIRS, OFFICE OF (Centennial Hall 1106)

The mission of the Office of Multicultural Affairs (OMA) is to provide leadership in creating a welcoming and engaging campus for students from ethnically and culturally diverse backgrounds so they are able to thrive and achieve their full potential. OMA assists African-American, American Indian, Asian (with special emphasis on Southeast Asian), and Hispanic/Latino students in utilizing the University as a productive educational resource. Staff members offer multicultural students advice in areas such as admission, housing, financial aid, counseling, employment, academic advising, and with applications to graduate schools. Multicultural Affairs provides the majority faculty, staff, and students with an awareness of racial and ethnic diversity. This awareness is raised through classroom presentations on diversity issues and through cultural programming. All UW-Eau Claire students are encouraged to participate in a variety of opportunities and events sponsored by the Office of Multicultural Affairs. Visit the website at: www.uwec.edu/multicultural.

OFF-CAMPUS STUDENT LIFE (CENTER FOR) (Schofield 26)

The Center for Off-Campus Student Life addresses the needs and concerns of students living off-campus, particularly those living in the neighborhoods surrounding campus. Top priority areas for the office include working with community partners to improve the quality and safety of housing near campus; offering programs and services to engage students with their neighborhoods and the broader Eau Claire community; and providing information and resources to students to improve their off campus living experience. The program will provide resources to students to help them identify issues to consider when renting an apartment for the first time. Students already living off campus will find new resources about their rights as tenants, how to continue to connect with University programs, services, and activities as a student living off campus, and will learn more about how to engage positively with their community. For more information, visit www.uwec.edu/offcampus.htm.

RECREATION & SPORT FACILITIES (Hilltop 105)

University Recreation & Sport Facilities (UR&SF) provides a wide array of opportunities for students to engage in activities that promote learning, leadership development, health, wellness and fun! Program offerings include: Intramural Sports, Group Exercise Classes, 24 different Sport Clubs, Open Recreation (free-time use of gyms, pool, indoor track and racquetball courts), Crest Fitness Center and the McPhee Strength & Performance Center (MSPC), the Environmental Adventure Center (Outdoor Equipment Rental, Adventure Trips, Indoor Archery Range, Eagle's View Challenge Ropes Course, Indoor Climbing Wall, Campus Biking Program and the Campus 9 Disc Golf Course), professional Massage Therapy, Wellness Classes and the Bowling & Billiards Center.

UR&SF also oversees the management and scheduling of all upper campus sport facilities including: McPhee/Ade Olson (gyms, pool, indoor track, racquetball courts, dance studio, equipment and laundry operations and classrooms), Simpson Outdoor Track and Field, Bollinger Fields Complex, Towers Field / Sand Volleyball Courts, Hilltop Outdoor Tennis and Basketball Courts and the Bowling & Billiards Center. For more information, visit www.uwec.edu/recreation.

STUDENT HEALTH SERVICE (Crest 150)

The UW-Eau Claire Student Health Service assists students in the pursuit of their academic goals and personal/social development through the provision of quality, accessible, comprehensive, and cost-effective health care. Students’ potential for intellectual growth and development is enhanced through strong health education efforts that foster individual responsibility and decision-making skills while developing healthy lifestyles. Education permeates everything, from phone calls to clinic visits to educational presentations. Hours are 7:45 a.m. to 4:30 p.m., Monday through Friday, with Wednesday evening hours until 7:00 p.m., when classes are in session. It is staffed by a full range of health-care
professionals. Appointments are required except for emergencies. All visits are confidential.

Clinical services provided include evaluation and treatment of illnesses and injuries including those of the respiratory, gastrointestinal, and musculoskeletal systems. Physical examinations, minor surgical procedures, laboratory services, and reproductive health services, including contraceptive exams and supplies, are also offered. Diagnosis and treatment of sexually transmitted diseases are also available.

Wellness is considered an important part of a student’s health. To assist in evaluating and learning ways of improving healthy personal behaviors, a variety of health education programs and services is available. Peer educators offer educational outreach programs for residence halls, student groups, and classroom instruction. Health information is available through printed materials and on the Student Health Service website at: www.uwec.edu/shs.

Some services are prepaid by student segregated fees, and some services and supplies are provided for a nominal fee. Additional information on the Student Health Service is available on the website or by calling the clinic at 715-836-4311.

UNIVERSITY CENTERS (Davies Center 240)
The University Centers comprises three buildings that are the center of campus life: Davies Center, Hilltop Center and Crest Wellness Center. University Centers programs and services operate within these three facilities, which also support the operations of the Student Health Service, the University Police and University Recreation and Sport Facilities.

The University Centers also administers Zorn Arena and Schofield Auditorium — multipurpose facilities that are heavily used by the university community for meetings, recreation, performances, dining, conferences, workshops and other curricular and co-curricular activities.

The University Centers develops and implements a variety of involvement and leadership experiences, volunteer opportunities, student employment and internships, diversity and cultural growth initiatives, and community outreach. Students are encouraged to actively engage in any number of activities including student organizations, volunteering, advisory committees, leadership development, and participation in a diverse array of programs and events. These varying experiences help students to develop new skills, reflect on their personal identity and place in the world, and become engaged citizens. The University Centers builds and sustains partnerships with faculty/staff and community members, to ultimately enhance the quality of the experiences provided.

As a financially self-supporting part of the Division of Student Affairs, the University Centers provides for basic needs that are vital to student success. Services demonstrate innovation and responsiveness to student needs, due in part to the high level of student involvement in all aspects of the unit. Although many of the services the unit provides are administrative, the University Centers is exclusively funded by student fees and commissions paid to the University of Wisconsin-Eau Claire.

The University Centers provides services that are integral to campus life, including the undergraduate textbook rental program, the meal plan required for nearly all campus residents, and the official university ID card. The unit is responsible for all non-academic reservations on campus and ticketing of campus events. The University Centers administers bookstore services, dining, catering and vending services campus-wide, manages all printing services and provides the central source of campus information through the Service Center. The University Centers also makes significant financial contributions to the following University of Wisconsin-Eau Claire offices and programs:

• Office of Student Affairs
• Student Affairs Liaison
• Center for Alcohol Studies and Education (CASE)
• Women’s and LGBTQ Resource Center
• Student Affairs Leadership Fellows
• Counseling Services
• Affirmative Action

W.R. Davies Student Center. The new 177,000 sqft Davies Student Center opened its doors in July 2012. The new student center, like its predecessor, is named in memory of William R. Davies (1893–1959), the university’s second president. Its design was inspired by nature surrounding the Eau Claire campus — the Chippewa River, the woods, the stone formations, and the Little Niagara Creek. Davies Student Center occupies a site that was the historic meeting grounds of the Dakota and Ojibwe people, who made peace in the 1850s after a bitter war that spanned 150 years. The treaty line is thought to be at the mouth of the Little Niagara Creek on the Chippewa River. Names of meeting spaces in the original and the present Davies Center honor the Ojibwe and Dakota and other native people of Wisconsin, including the Ho-Chunk, Menominee and Potawatomi tribal members who used the Council Oak tree and its surroundings as a shelter and gathering place. Davies Center was planned as an expression of the role of the Council Oak, a beacon and symbol of community, gathering and a safe space for all. W.R. Davies Student Center is the center for social and cultural interaction on the lower campus. Offering a number of meeting and program spaces, dining facilities and service areas, Davies Center is the administrative core of the University Centers. It is also home to the Student Senate, the primary vehicle for student involvement in university governance.

Past, present and future students of the University of Wisconsin-Eau Claire are paying for their new student center through segregated fees assessed since 2000.

Hilltop Center. Spanning the road that connects the upper and lower campus, Hilltop Center was built in 1968 and is home to Riverview Café, the primary contract dining facility on campus. An extensive renovation of Hilltop Center in 2012 expanded the primary service cafeteria on campus. Riverview Café now comprises the entire second floor of the building, and up to 7,000 meals are served to students each day. The programs and services of University Recreation and Sport Facilities are also based in Hilltop Center. Facilities include the Environmental Adventure Center (EAC), the Bowling and Billiard Center (BBC) and The Lookout – event space.

Crest Wellness Center. Is home to Student Health Service, Crest Fitness Center, University Police and the Eagle’s View Challenge Ropes Course. In 1999 a $1.4 million upgrade remodeled the upper level of Crest Wellness Center for the fitness center, making it possible to relocate its weightlifting exercise equipment from the lower level. In 2013 the Eagles View Challenge Course was expanded offering both high and low rope challenges.

The University Centers facilities, programs and services is available at: www.uwec.edu/centers and social media sites.

Activities, Involvement and Leadership (Davies Center 222)
The Activities, Involvement & Leadership (AIL) office is where students will find opportunities to get involved outside the classroom. It is the home to many co-curricular leadership initiatives, recognition programs, campus-wide activities that entertain, challenge and promote the exchange of ideas and the development of life-long leadership skills. These co-curricular opportunities are available to complement UW-Eau Claire’s strong academic tradition in order to give students a well-rounded college experience. The AIL staff encourages and supports the development and implementation of a variety of involvement and leadership experiences, volunteer opportunities, student employment and internships, diversity and cultural growth initiatives, and community outreach.

The office oversees 275 student organizations and the annual Blu’s Organization Bash, administers campus-wide programming including the Artists Series, The Forum lecture series, Summer Events and the UW-Eau Claire International Film Society, all which are funded through student segregated fees allocated by the Student Senate. Staff also advise Greek Life, the Student Senate’s University Activities Commission, Student Senate Student Organization Commission, The Lookout event
space, and the programs and services that are housed in the Student Organizations and Leadership Center.

The AIL Office is committed to guiding and supporting each student as they discover their own skill development and how they can connect those skills to the real world.

Blugold Card Services (Davies Center 110)

University of Wisconsin-Eau Claire photo identification cards are issued and replaced at Blugold Card Services, part of the Service Center complex in the Davies Center’s east lobby. Upon initial enrollment at the University, a Blugold Card is issued to every student; students retain their ID cards throughout their enrollment. Blugold Card Services is the point of contact for ID-based activities offered campus-wide — including door access, point-of-sale, attendance, circulation and e-commerce. The Blugold Card entitles the bearer access to contract dining facilities; use of McIntyre Library; access to McPhee Physical Education Center facilities; reduced ticket prices for many campus activities and events; free use of the Eau Claire Transit System; and access to the Blugold Account debit card system. Through the university’s banking partnership, students also have the option of using their Blugold Cards as ATM or pin/signature-based debit. A branch bank is also located at this location.

Blugold Dining (Davies Center 240)

Cafeteria, fast food, a la carte, catered, and fine dining options are offered to the University community and to the public. Students living in residence halls (except Chancellors Hall and The Priory) participate in several meal plan options and are offered the most economic options at the cafeteria in Hilltop Center. Davies Center retail facilities include a food court, coffee shop, convenience store, and an upscale dining area. Simply-to-Go cart is located in the lobby of Haas Fine Arts Center and Einstein Bros. Bagels is located off the main lobby of Centennial Hall. Meal plan information is available online at: www.uwec.edu/dining as well as social media.

Event Services and Conferences (Davies Center 240)

Responsible for all non-academic reservations on campus, Event Services is the University’s centralized event planning organization. Event Services works with students, staff and the community to plan conferences, meetings and other events on and off campus, and works with administrative offices and academic departments in executing programs that support the educational mission of the University. An array of event technology is available, and the office assists with dining services, parking, and other needs. Event Services directs a highly responsible student staff trained in all aspects of safety and event production to ensure the well-being of all users of campus facilities. Professional video, lighting, sound & staging are available for events on and off-campus. Event Services also directs the annual Viennese Ball, the largest social event presented at the University of Wisconsin-Eau Claire.

Marketing and Communication (Davies Center 240)

The Marketing and Communications staff takes great pride in being the visual and written communicators of University Centers and are privileged to work with a large group of clients as well as a diverse combination of programming. They are connected to the entire picture from creation to completion. Covering a large number of topics, programs, events and services, they work with every unit of University Centers and collaborate with offices/departments throughout campus as well as a variety of off-campus clients.

- **Copywriting** —Writes and maintains all information for the complex network of University Centers websites (Activities, Involvement and Leadership, Blugold Card Services, University Bookstore, Blugold Dining, Event Services, Printing Services, Service Center, University Centers). Maintain the University Centers’ and UW-Eau Claire’s editorial standards.
- **Graphic Design** — Designs and produces high-quality print, electronic and online materials that clearly communicate with each unit’s various audiences.
- **Digital Signage** — Administers the Davies Center digital signage system, comprising meeting room schedule displays, the media wall, and widescreen displays that promote events by student organizations, academic departments and administrative offices. Supports special events by external clients who contract Davies Center facilities through Event Services.
- **Photography** — Creates original photography for programs, services and facilities for print and electronic publications and the University Centers network of websites.
- **Social Media** — Assists in maintaining the various social media sites for University Centers.

University Bookstore and Textbook Rental (Davies Center 130)

Located on two levels of the Davies Center, the University Bookstore sells a variety of course-related and general interest reading materials, gifts and University clothing, greeting cards, and school, art, computer, and office supplies. Gift certificates and a special order service for books and merchandise are also available. Cash, credit card, and Blugold Account purchases are welcome.

UW-Eau Claire undergraduates may rent textbooks and other course materials from the University Bookstore’s Textbook Rental Department, which is funded by a designated portion of undergraduate tuition. Textbooks and other teaching resources are selected by instructors for each course and are arranged by department and course number on the bookstore’s upper level. Several weeks are set aside every semester when rental materials may be purchased for 75 percent of their replacement price, giving students the opportunity to build their professional libraries.

University Printing Services (Schofield Hall 18)

University Printing Services (UPS) provides affordable and convenient printing and production services for students, faculty/staff, academic departments and administrative offices, and the public. Printing Services offers competitive pricing on business cards, presentation materials, posters, labels, envelopes, postcards, brochures, booklets and much more. High-speed black-and-white digital copies, high-quality color copies, large-format printing and a range of bindery services are among the services offered. Student graphic designers are on staff to create custom materials such as resumes, graduation, wedding or special occasion save the date cards, invitations and thank you cards. Printing Services accepts walk-up and online orders, and provides pickup and delivery of departmental orders to all campus buildings. Cash, Blugold Account, campus account, and credit cards are welcome.

Printing Services manages the contracts that provide copiers campus-wide for student and office/departmental use. UPS is the designated agency printing manager for UW-Eau Claire, responsible for ensuring that all off-campus printing using state monies is purchased in accordance with state law and policy. Custom course packs are produced here and made available through the University Bookstore.

University Service Center (Davies Center 110)

The Service Center plays a key role in University communication, acting as the central source of University information as well as answering the campus’ main phone line. The area offers one-stop convenience for many essential services. Credit card and Blugold Account purchases are welcome.

- **Tickets** — The University’s centralized ticket office works with organizations, academic departments, Blugold Athletics and other administrative offices to produce and sell tickets to campus events. Tickets for basketball, hockey, football, concerts, lectures and other campus programs are available at the Service Center, and bargain movie passes for community theatres also can be purchased in advance.
VETERANS SERVICES (Schofield 128)

The University is approved by the State Approval Agency for the education of veterans and veterans' dependents under both federal and state programs. The Veterans and Military Benefits Office (Schofield 128) advises veterans and eligible dependents on available state and federal veterans educational programs and assists them in applying for educational benefits. Veterans are also encouraged to use this office to seek assistance related to veterans’ issues and as a referral resource.

Students requesting veterans benefits should meet with the staff of the Veterans and Military Benefits Office to set up their benefits program(s). Students using veterans educational benefits are required to complete the Veterans Information Sheet (obtained from the Veteran Benefits website www.uwec.edu/registrar/student/vetbenefits.htm) after registering for classes each semester. Students also need to keep this office apprised on any changes in their enrollment status.

For more information, visit www.uwec.edu/registrar/student/veterans-and-military-education-benefits.htm.

WOMEN’S & LGBTQ RESOURCE CENTER (Davies 220M)

The Women’s & LGBTQ Resource Center speaks out on behalf of women as well as the LGBTQ community, who have historically been and continue to be marginalized because of sexual and/or gender expression/identity. Our endeavor to promote the University of Wisconsin-Eau Claire’s institutional commitment to Equity, Diversity, and Inclusiveness is reflected in all Women’s & LGBTQ Resource Center programs and services, and our staff provides resources, information, and programming in collaboration with existing departments, advisory committees, organizations, and offices.

The Women’s & LGBTQ Resource Center offers numerous opportunities for student involvement. Whether an internship, a service-learning opportunity, or simply as a volunteer, students can participate in any of the programs or events. Such programs/events include (but are not limited to): National Coming Out Day, Love Your Body Day, Peer Haven (UW-Eau Claire’s premier LGBTQ peer mentoring program), Women’s History Month, Take Back Your Voice from Violence (Sexual Assault Awareness Month), National Day of Silence, The Fire Ball…and many more. For more information, visit www.uwec.edu/speakout.

Student Activities and Organizations

STUDENT GOVERNMENT

The University of Wisconsin-Eau Claire has long been committed to the active participation of students in institutional governance. Significant responsibility is accorded to qualified students who serve with faculty on departmental and College committees and on administrative committees of the University.

The Student Senate is the primary vehicle for the involvement of students in University governance. It has initial responsibility for recommendations on matters pertaining directly to student life, services, and interests, including the allocation of that portion of the educational costs designated as the segregated fee. In elections held each year, the student body elects eligible students from two geographical districts—on and off campus—to serve as senators.

Through the United Hall Council and the Coeducational Residence Hall Judicial Board, students also participate, with the Director of Housing and Residence Life, in the operation and development of residence hall programs and policies.

For further information, students may contact the Student Senate Office or the Student Affairs and Dean of Students Office. Visit the website at: www.uwec.edu/studentsenate.

CULTURAL AND SOCIAL ACTIVITIES

Artists Series. The Artists Series presents quality regional, national, and international artists in the areas of music, dance, and theater to the University community. Through the performing arts, the Artists Series seeks to develop aesthetic awareness, promote interdisciplinary appreciation, and cultivate multicultural experience.

The Forum. Since 1942 The Forum lecture series has presented many of the world’s greatest minds and imaginations. Speakers have ranged from Sinclair Lewis to Maya Angelou, Margaret Mead to Cornel West, William Westmoreland to Noam Chomsky, Buckminster Fuller to Carl Sagan, and Bennett Cerf to Garrison Keillor.

The Lookout. Live music, DJs and dancing, theme nights, trivia, karaoke, and socializing predominate at this late-night, student-operated lounge and event space in Hilltop Center.

UW-Eau Claire International Film Society. The International Film Society presents foreign and domestic films on campus for UW-Eau Claire students and faculty/staff, and for community members who purchase film passes. Since 1956 the series has represented various countries, cinematic styles, directorial methods, genres, and points of view in films that help to foster a better understanding of other people and cultures as well as a lifelong appreciation for the art of film.

Student Organizations and Leadership Center. This complex in Davies Center provides services and a home base for the more than 250 campus organizations at UW-Eau Claire. Students may learn more about organizations they are interested in joining at the complex. Organization members may use the available work and storage space, supplies and resources.

Summer Events. Free entertainment and films for the Eau Claire community is provided throughout the Summer Session.

University Activities Commission (UAC). The largest standing commission of the Student Senate, the UAC is the exclusively student-operated campus activities programming board. In selecting and producing high-quality, diverse, and accessible educational and entertainment programs for the university community, UAC members gain valuable leadership experience and develop personal skills such as exercise of responsibility, decision-making, and teamwork.

Six committees make up the commission. The Cabin Committee programs musical and performance arts events in an intimate club setting. The Concert Committee presents on-the-rise regional bands, nationally and internationally touring artists, and cutting-edge performers. The Festivals Committee coordinates Homecoming, Winter Carnival, and Springfest activities. The Film Committee alternates with the International Film Society in screening contemporary and classic films throughout the academic year. The Late-Night Activities Committee
provides social late-night activities for students, using spaces on upper campus and lower campus. The Special Events Committee offers lecture- and discussion programs, performing and visual arts events, tours to regional cultural events, comedy nights, and novelty programming.

Viennese Ball. Documented as the largest Viennese ball presented outside of Vienna, the Viennese Ball is a formal event recalling the romance and elegance of 19th-century Vienna. The program promotes positive university, community, and international relations by expanding an awareness of the culture, history, and music of Vienna, Austria. Proceeds from the two-night event have thus far provided more than $1 million in music, service, and international study scholarships for UW-Eau Claire students.

Department of Art & Design. Student shows comprise a significant aspect of the annual calendar of exhibitions. A visiting artist is invited to serve as juror in the selection of works for the Annual Juried Student Art Show in the Foster Gallery of the Haas Fine Arts Center. Candidates for the Bachelor of Fine Arts degree present senior shows in their emphasis at the conclusion of each semester. Other exhibitions present the work of outstanding contemporary artists who frequently visit the campus at the time of their show and meet informally with students. Gallery and museum directors, graphic designers, and art historians also visit the Department of Art & Design to present lectures and participate in seminars and workshops on a wide range of subjects.

Paintings, sculpture, prints, and drawings from the UW-Eau Claire permanent art collection may be viewed in numerous campus locations.

Forensics. A complete program of competitive intercollegiate speaking activities is offered. Categories include prose interpretation, poetry interpretation, dramatic interpretation, dramatic duo, impromptu speaking, extemporaneous speaking, persuasion, informative speaking, after dinner speaking, and communication analysis. CJ 100, Introduction to Forensics, allows students to obtain credit for participating in the activity. Students do not have to enroll in the course to participate.

UW-Eau Claire possesses one of the longest traditions of national excellence in forensics in the nation. The University competes against colleges of all sizes, yet is typically among the top programs in the country. The local chapter of Pi Kappa Delta sponsors several tournaments and workshops on campus for high schools and colleges. Any student, regardless of background in forensics, is welcome to take part in this activity. For further information contact the Director of Forensics, Hibbard 174, or visit the website at: www.uwec.edu/4n6.

Department of Music and Theatre Arts. Each year the Department sponsors more than 225 recitals, concerts, and special musical programs by students, faculty, and guest artists. Many student musical ensembles have distinguished national reputations. Ensemble participation is open to all qualified students and includes the following organizations: University Symphony Orchestra, Chamber Orchestra, Wind Ensemble, Symphony Band, University Band, Marching Band, Jazz Ensembles, Concert Choir, Symphonic Choir, Women's Chorus, Men's Glee Club (Statesmen), Women's Concert Chorale, Opera-Musical Theater Workshop, Concert Dance Company, and numerous small ensembles.

University Theatre annually casts five main-stage productions by open audition, including a Theatre for Young Audiences production. In addition to the main-stage plays, there are 20 to 30 student productions ranging from the classics to contemporary theatre.

Department performing spaces include the 600-seat Gantner Concert Hall used for concerts, recitals, opera, dance, and musical theatre; Phillips Recital Hall, seating 200 for solo recitals and chamber music; Riverside Theatre, a 200-seat thrust-stage facility used for main-stage theatre and studio productions; and Kjer Theatre, a proscenium facility seating 400 for main-stage plays and dance.

FM Radio, WUEC (at 89.7 on the dial) is a student-assisted FM station broadcasting from studios in the Hibbard Humanities Hall. WUEC is affiliated with Wisconsin Public Radio and National Public Radio. Programming includes classical, jazz, blues, and folk music; news; information; and public affairs programs. Visit the website at: wupec.org.

Campus TV. Students enrolled in Advanced Broadcast TV News (CJ 426) prepare newscasts in the Broadcast TV News Laboratory, Hibbard Humanities Hall 105.

Residence Hall TV-10. Students living in the residence halls produce and direct live and taped television programs originating in the studio and control room located in Towers Residence Hall. These programs are sent out on the residence hall cable system and received on channel 10.

STUDENT PUBLICATIONS

The Spectator, an award-winning student newspaper is published in print each Thursday of the regular academic year and daily online at www.spectatornews.com. The paper has offices in Hibbard 104. Paid staff positions are available for interested students in editorial, production, and advertising departments. The Spectator is a member of the Associated Collegiate Press. Visit the website at: www.spectatornews.com.

NOTA (None of the Above), the campus creative arts magazine published once per semester, provides an outlet for student writing, photography, artwork, and original music performance; in addition, NOTA publishes “Pocket NOTA,” a magazine designated for pieces of longer prose. NOTA sponsors public readings by students, faculty, and professional writers and holds contests for fiction and poetry writers. Interested students may inquire at the NOTA Office in the English Department or via email: nota@uwec.edu.

UNIVERSITY RECREATION AND SPORT FACILITIES

University Recreation and Sport Facilities (UR&SF) oversees the scheduling and management of the McPhee/Ade Olson Complex which includes the McPhee Strength and Performance Center, Indoor Pool, Dance Studio, Equipment and Laundry operations, and Simpson Track and Field. UR&SF also has responsibility for the scheduling and management of Bollinger Fields, Towers Field/Sand Volleyball Court, Hilltop Outdoor Tennis and Basketball Courts, Crest Fitness Center, Eagle’s View Challenge Ropes Course, Indoor Climbing Wall, Environmental Adventure Center, Indoor Archery Range, Campus 9 Disc Golf Course, and the Bowling and Billiards Center.

UR&SF provides a wide variety of programs and services to meet the needs and interests of the University community. Offerings include Intramural Sports, Sport Clubs, Group Exercise Classes, Environmental Adventure Center, Bowling and Billiards Center, Crest Fitness Center, McPhee Strength and Performance Center, Open Recreation, Wellness Classes, Massage Therapy and Special Events.

The Intramurals program offers team, league, tournament and
individual competition in a variety of popular sports: Flag Football, Outdoor Soccer, Sand Volleyball, Softball, Ultimate Frisbee, Tennis, Badminton, Indoor Basketball, Indoor Soccer, and Indoor Volleyball. This is a great way for students to enjoy competitive sports in a recreational atmosphere.

The Sport Clubs program provides opportunities for students to participate in non-varsity team and individual sports at a competitive collegiate level. There are currently 24 different Sport Club organizations. Club members take active leadership roles in the administration and financing of their programs.

The Group Exercise program offers free exercise classes that incorporate popular trends in fitness and accommodate a wide range of fitness levels. Recent offerings include Indoor Cycling, P90X, Strength & Tone, Insanity, On the Ball, Cardio Kick, Rip’t Circuit, Butts & Guts, Zumba, Hydro Aerobics, Yoga, Anything Goes, and Pilates/Yoga (PiYo).

The Environmental Adventure Center (EAC) operates an extensive Outdoor Equipment Rental Center, an Indoor Archery Range, the Eagle’s View Challenge Ropes Course, the Campus 9 Disc Golf Course, the Outdoor Adventure Trips Program, and the Indoor Climbing Wall. The EAC also sponsors outdoor education and is a provider of other outdoor related resources.

The Bowling and Billiards Center (BBC) offers league play in bowling as well as open bowling, billiards, foosball, air hockey, and assorted games. The BBC is also host to Friday night Trivia and is available for parties and gatherings. These leisure-time opportunities, along with comfortable seating, six large-screen TVs, and the adjacent “Lookout” music and dance area make the BBC a great place for students to congregate and meet new friends.

The Crest Wellness Center is a state-of-the-art work-out facility with an extensive offering of strength and cardiovascular equipment. Crest also includes a multipurpose exercise room which is also home to the Indoor Cycling classes. Crest memberships are available to students, faculty, and staff at nominal rates. Crest is located on upper campus with a scenic view overlooking the Chippewa River.

The McPhee Strength and Performance Center (MSPC) is a state-of-the-art work-out facility in McPhee that covers almost 8,000 square feet, and contains over 20,000 pounds of free weights, 5,000 pounds of dumbbell weight and 1,000 pounds of Olympic bumper plates. It’s also home to 55 pieces of weight training equipment and 36 cardiovascular units. MSPC memberships are available to students, faculty, and staff at nominal rates.

The Open Recreation program provides unstructured free-time access to swimming, indoor walking/jogging, racquetball, indoor tennis, basketball, and volleyball. Schedules for open recreation are available on the Recreation website: www.uwec.edu/recreation.

A variety of Wellness Classes taught by certified professional instructors are offered to both the University and non-University community. Past offerings have included Fitness Yoga, Boot Camp, Power Plus, Yoga, Pilates, Cardio-Blast, Fit Defense, Ayurveda Nutrition, Stress Management, and Fitness Instructor Certification Courses.

Massage Therapy by professionally certified massage therapists is offered to members of the University community to help reduce stress and promote wellness. Individual appointments can be made through the Recreation Office in Hilltop Center.

UR&SF also works to provide a variety of Special Event opportunities which have included trips to the Chanhassen Dinner Theatre, the Mall of America, Minnesota Vikings games, Minnesota Wild games, and Milwaukee Brewer games.

As one of the largest employers of students on campus, University Recreation & Sport Facilities provides enriching work experiences that provide opportunities for leadership development and learning.

The one semester Internship Program offered by University Recreation and Sport Facilities is available to students completing their undergraduate or graduate degree in Recreation Management or a related field.

For more information about opportunities in Recreation, visit the University Recreation and Sport Facilities Website at: www.uwec.edu/recreation.

ATHLETICS

The University’s intercollegiate athletics program challenges students physically, mentally, and emotionally. The various athletic practice and playing fields are really classrooms where leadership, self-discipline, commitment, work ethic, teamwork, fair play, problem solving, time management, motivation, and cooperation are taught. This fits in with the University’s commitment to a rigorous, intentional and experiential undergraduate liberal arts education for life and livelihood. A well-conducted program, based on sound educational principles and practices, fulfills the educational mission by ensuring that every student has an opportunity to be involved in competitive athletics as a participant or spectator.

The programs are organized to meet the needs of the highly skilled and competitive student-athlete. The women’s program consists of varsity teams in basketball, cross country, golf, gymnastics, ice hockey, soccer, softball, swimming and diving, tennis, track and field, and volleyball. The men’s program consists of varsity teams in basketball, cross country, football, golf, ice hockey, swimming and diving, tennis, track and field, and wrestling.

Both men and the women compete on the national level as members of the National Collegiate Athletic Association (NCAA) Division III. On a state level, the men and women belong to the Wisconsin Intercollegiate Athletic Conference (WIAC). The women’s gymnastics program belongs to the National Collegiate Gymnastics Association (NCGA) in the sport of gymnastics.

All student-athletes must conform to university academic policies and standards to be eligible. In addition, there are conference and national regulations which affect a student-athlete’s eligibility status. Entering freshmen are eligible for varsity competition if enrolled as full-time students. Transfers and students who have not been in continuous enrollment at UW-Eau Claire should contact Athletics for a determination of their eligibility status. All other student-athletes must earn 24 degree credits for each season of competition they complete. Once a student-athlete has completed two terms of attendance, one season of competition, or earned 24 credits, there is a 2.00 resident grade point requirement.

All men’s and women’s sports are administered by the Director of Athletics. They are supervised by the Vice Chancellor for Student Affairs in consultation with the Athletic Committee.

Academic Policies and Regulations

CREDITS
The unit of credit is the semester hour. It is defined as one class hour per week (or its equivalent) for one semester. Thus, a lecture-discussion course which meets three hours per week ordinarily carries three semester credits. Laboratory and studio classes usually require two hours in class as the equivalent of one semester credit.

CREDIT LOAD
Since a student is expected to spend approximately two hours in preparation for each hour in the classroom, 15 credits is considered a normal semester load (for the spring and fall semesters, or proportionate amounts for shorter courses) for undergraduates. Eighteen credits is the maximum for which a student may register without obtaining special permission. Registration for more than 18 credits (including audits) may be permitted by the Associate Dean of the College in which the student is enrolled, if the student has a resident GPA of at least 3.00 and if other conditions make the overload advisable. (In the Summer and Winterim Sessions, all students may take a maximum of as many credits as the number of weeks they are attending. Contact the Registrar’s Office regarding exceptions.)

**Full-Time Students.** For fall and spring semesters an undergraduate enrolled for 12 or more credits (excluding audits) is considered a full-time student; and must be enrolled in a minimum of six credits to be considered at least half-time. A graduate student enrolled for nine or more credits is classified as full-time and must be enrolled in a minimum of four credits to be considered at least half-time.

In the Summer Session, an undergraduate enrolled for 12 credits is considered full-time (six is the minimum for half-time); and a graduate student must be enrolled in six or more credits to be considered full-time (three is the minimum for half-time).

**Full-time Equivalent Enrollment Status.** The following definitions apply to the full-time equivalency (FTE) enrollment status.

**Undergraduate Students**
Students may enroll in a course/internship that is the equivalent of 27 hours per week for 15 weeks (24 hours per week for 11 weeks in the Summer term) to be considered a full-time equivalent for enrollment purposes.

**Graduate Students**
Students may enroll in a course/internship that is the equivalent of 27 hours per week for 15 weeks or 24 hours per week for 11 weeks in the Summer term to be considered a full-time equivalent for enrollment purposes.

**Special Students.** Students who are not formally admitted to the University are classified as special students. Registration as an undergraduate special student and Youth Option/High School special students is limited to twelve credits during fall and spring semesters. During the Summer and Winterim Sessions, all specials may take a maximum of as many credits as the number of weeks they are attending.

**Class Level.** Students attain class level according to the number of semester credits earned:

- Freshman: fewer than 30 semester credits.
- Sophomore: 30-59 semester credits.
- Junior: 60-89 semester credits.
- Senior: 90 or more semester credits.

**COURSE NUMBERING SYSTEM**

**Level.** The first digit in a course number indicates the level of the course:

- 1-99 — courses that cannot be counted toward minimum degree requirements.
- 100-199 — courses primarily for freshmen.
- 200-299 — courses primarily for sophomores.
- 300-499 — courses open to juniors and seniors.
- 500-699 — junior-senior courses approved for graduate credit.
- 700-799 — courses open only to graduate students.
- 800-899 — courses open only to Doctor of Nursing Practice (DNP) students.

**Enrollment of Undergraduates for Graduate Credit.** Upon the recommendation of the student’s adviser, course instructor, and chair of the department offering the course, a University of Wisconsin-Eau Claire undergraduate student may be allowed to enroll in a limited number of graduate courses, provided he or she has a 3.00 undergraduate GPA and has the approval of the College Dean. Qualified students may take up to, but not exceed, a total of nine credits of graduate-level course work. The graduate credits cannot be used to satisfy requirements for the bachelor’s degree. Application forms for enrollment in graduate courses as an undergraduate may be obtained from the Registrar’s Office.
REGISTRATION

The University provides online registration for all students. Each student is assigned a registration time based upon credits earned. A notification that registration times have been assigned is sent to each student via email prior to registration. Students can view assigned registration times on MyBlugold CampS. Registration begins in November for the Spring semester, in October for Winterim, in February for Summer Session, and in April for Fall semester. Advising is required prior to registration for (1) all freshmen and sophomores, (2) juniors and seniors on academic warning or probation, (3) transfers seeking a first degree, and (4) all students with a major in the College of Business regardless of classification or academic standing. Students must pay a deposit prior to registration for Fall, Winterim, Spring, and Summer.

New freshmen register in the summer during their freshman orientation sessions.

Late Registration. A student may enroll for full semester courses after the regular registration period but within the first two weeks of classes. (The instructor’s permission is required during the second week of classes.) Thereafter, any registration must be sanctioned by the Associate Dean of the appropriate College.

Change of Registration. After registration, courses may be added or dropped or sections changed under the regulations established for this purpose by faculty policy.

Adding courses. Students who wish to add courses during the first week of classes may do so using MyBlugold CampS. After the first week of classes, students must obtain the Change of Registration form from the Registrar’s Office and return the completed form to that office.

Withdrawing from courses. A student who wishes to withdraw from a full-semester course during the first two weeks of classes (no record of enrollment) may do so on MyBlugold CampS without the instructor’s or adviser’s signature. After the second week of classes, students must obtain the Change of Registration form from the Registrar’s Office and return the completed form with signatures to that office. Courses that are not a full semester in length, including Winterim and Summer courses, have earlier withdrawal deadlines. These deadlines can be obtained from MyBlugold CampS, or the Registrar’s Office.

A change becomes official only when it has been processed by the Registrar’s Office. (See also Withdrawals.)

AUDITING COURSES

Registering to audit a course permits a student to participate in the class without earning credit. This privilege is helpful to students who wish to review introductory work, especially after a considerable period of absence from the campus. Others choose to audit courses for reasons of personal interest and the enjoyment of learning.

Some courses may be designated by departments or Colleges as unsuitable or unavailable for auditing. In all courses open to auditors, the following conditions apply:

1. Students seeking to register for credit are given priority over auditors.
2. An auditor must pay any basic fee required for auditing under the current tuition rates and any special fees applicable to the course. Auditors who wish to have student ID privileges also pay campus (segregated) fees.
3. Audited courses are included in the student’s credit load for the term when determining overloads. If auditing a class results in an overload (e.g., more than 18 semester credit hours for undergraduates) students need approval of the Associate Dean of the appropriate College.
4. Audited courses are not included in the student’s credit load for the term when determining full- or part-time status. (See Classification of Students.)
5. Initial registration to audit a course is not included in the total semester registration for the purposes of determining satisfactory academic progress. (See Academic Standing and Progress.)
6. Enrollment on an audit basis may not be changed to a credit basis, or vice versa, after the approved period for adding classes.
7. The auditor must consult the instructor of the course to determine the conditions for a successful audit. Some courses cannot profitably be audited without participation in class activities; the instructor must indicate how much and what kind of participation is required.
8. Upon successful completion of an audit, the mark of V will be entered on the student’s record. Failure to meet the instructor’s conditions will be recorded as UV; withdrawal from the course will be recorded as WV. These marks are not course grades and are not computed in GPAs.
9. Students who are auditors-only and who do not pay campus (segregated) fees have access limited to the library, computing services, and the nonsegregated fee-funded activities of the student union. No additional fee is charged for such access.
10. Students are not eligible for financial aid for audited courses.

Auditors over age 60 and SSI/SSDI auditors. Residents of Wisconsin who are 60 years of age and older or who meet certain disability requirements may audit courses on a space-available basis at no charge for tuition. Other fees, however, will be assessed. Persons 60 years of age and older as of the first day of classes must show proof of birth date. Persons with disabilities must provide a copy of documents proving eligibility for benefits under the federal Supplemental Security Income (SSI) program or the federal Social Security Disability Insurance (SSDI) program.

REPEATING UW-EAU CLAIRE COURSES

The privilege of repeating course work allows students to attain a satisfactory level of achievement in courses in which they initially encountered difficulties. Because a course can be repeated only once, students will discuss with their academic advisers the reasons for their low grade or W in the course before attempting the course a second time. It is the student’s responsibility to obtain assistance to sharpen their skills or resolve the problems that led to poor performance or noncompletion the first time they took the course. If the low grade was earned in a course which is a prerequisite to another course, students are urged to repeat the prerequisite course before enrolling and risking poor performance in the other course.

The repeat privilege applies only to courses taken at UW-Eau Claire (whether taken originally at UW-Eau Claire or elsewhere) for which a grade of C- or below or a W was initially earned. Registration for a repeated course must be on the same basis (letter grade or Satisfactory/Unsatisfactory) as the original course.

A course in which a grade of C- or below or a W was originally earned may be repeated once. The new grade will replace the previous grade in computing GPAs, but both the initial grade and the repeated grade will appear on the student’s official transcript.

NOTE: In extenuating circumstances, the Associate Dean of a College in which the student is enrolled may give permission for the second repeat of a course. Such permission may be requested upon recommendation of the student’s academic adviser. The Associate Dean determines whether the grade earned in the second repeat will replace previous grades or will be averaged with previous grades earned in that course in computing GPAs. All three grades will appear on the student’s official transcript.

SATISFACTORY/UNSATISFACTORY (S/U) REGISTRATION

Registration for a grade of Satisfactory or Unsatisfactory, instead of the usual letter grades, permits students to venture into elective areas with less risk to GPAs; however, the potential disadvantages should be carefully weighed. Some institutions, particularly graduate and professional schools, will not accept the grade of S in transfer. Furthermore, S/U registration is restricted on many programs at UW-Eau Claire, and the responsibility for determining its acceptability rests with the student.

Eligibility. The option of S/U registration is open only to students with sophomore standing or above and a resident GPA of 2.00 or higher. (Exception: any student may enroll in a physical activity course on the S/U basis.) Procedures. S/U registration must be designated by the student no later than the approved period for dropping courses with no record.

S/U registration may be changed to the standard grading system, or vice versa, after the approved period for dropping courses with no record. An S/U course may be dropped in accordance with University rules.

S/U Grades. The grade of S is equivalent to at least a C or above in
the standard grading system; it denotes that the student’s work was satisfactory and that credit is granted for the course. The grade of S is not computed in the student’s semester and resident GPAs.

The grade of U indicates work below the level of a C in the standard grading system. No credit is granted. However, the grade of U is not computed in the student’s semester and resident GPAs. When repeating a course initially taken on the S/U basis, the student must also repeat the course on the S/U grade basis. (See Repeating UW-Eau Claire Courses.)

Reporting of Grades. Instructors will record standard letter grades for all students; the conversion to a grade of S or U will be made by the Registrar’s Office.

Restrictions. (1) A student may carry no more than one course on the optional S/U basis for degree credit in any term of enrollment. (Exception: any student in any term of enrollment may enroll in one or more physical activity course(s) on an S/U basis and still take one other degree credit course on an S/U basis. Certain Education field work courses also require multiple S/U enrollments. The student, however, must be otherwise eligible to take the additional degree credit course on an S/U basis.) (2) No more than one course taken on the S/U basis may be counted toward a standard major or a minor. No more than two S/U courses may be counted toward a comprehensive major. Colleges and departments may place further restrictions on major, minor, or professional programs and sequences, and dean’s list criteria also vary by college. (3) No more than 12 credits of S/U courses will be counted toward the total for graduation.

POLICY ON REMEDIAL EDUCATION
New freshmen whose Algebra score on the UW System Mathematics placement examination is below 396 are required to take a remedial mathematics course (Math 10 or 20). Required remedial mathematics courses must be successfully completed before a student has earned 30 credits or registration will be denied.

ASSESSMENT OF STUDENT ACADEMIC ACHIEVEMENT
The University’s Assessment Plan calls for the assessment of student academic achievement. The purpose of the University Assessment Plan is not to measure individual student progress but to determine the degree to which the Liberal Education Learning Goals are accomplished by the student body. The University uses several procedures to determine if academic goals are being achieved.

(1) ACT-CAAP (Collegiate Assessment of Academic Proficiency). The CAAP is administered to a cohort of freshmen and seniors in selected classes. When a class is selected, all students enrolled are required to take the test.

(2) Assessment Plans. Assessment plans in departments, general education, and co-curricular programs are aligned with the Liberal Education Learning Goals. Data from these assessment plans are aggregated to prepare summative reports for the Liberal Education Learning Goals.

(3) Exit Interviews. Students may be asked to participate in exit interviews. The purpose of the exit interview is to give students an opportunity to reflect on the baccalaureate experience.

CLASS ATTENDANCE POLICIES
All students are expected to attend all class sessions of courses in which they are enrolled. Each faculty member should inform each class in writing at the beginning of the course regarding the use of student attendance in relation to student evaluation procedures.

If a student fails to attend the first class meeting of any course without previously notifying the instructor or the department chair, the student may be dropped from that course so that the vacancy may be filled by another student from a waiting list. It remains the student’s responsibility to determine their own enrollment status. Each department has a policy on first-day class attendance.

Accommodation procedures for this and other circumstances are described at www.uwec.edu/DOS/policies/attendance.htm.

FINAL EXAMINATIONS
Examination week is part of the regular academic semester, and all classes are required to meet as shown in the final examination schedule. Examination schedules are available on the Web. Visit the Registrar’s website at: www.uwec.edu/Registrar/faculty/examsched.htm. In the Winterim and Summer Sessions, examinations are usually given at the last scheduled meeting of the class. Each course offered for credit is concluded with a final examination unless the instructor determines that some other method of evaluation is more appropriate to the objectives of the course.

No student will be permitted to reschedule a final examination unless there are extraordinary circumstances over which the student has no control (e.g. hospitalization or military obligation). Verification of the circumstances must be furnished by the student. A student with three or more examinations scheduled for one day may request the change of an individual examination time. Changes are not allowed for reasons such as an already purchased plane ticket, leaving campus early, a family vacation, or conflict with employment; unless such work commitment existed prior to the publication of the examination schedule.

A request for a change in the time of an individual final examination must be approved by the instructor, the department chair, and the assistant/associate dean of the college in which the course is offered. Make-up examinations must be scheduled during finals week or later and must be arranged by the student with the instructor.

GRADING SYSTEM
A system of letter grades is used except when the course is offered only on the Satisfactory/Unsatisfactory basis or when the student has elected that option. (See Satisfactory/Unsatisfactory Registration.)

</table>

These grade point values, when multiplied by the number of course credits, give the total number of grade points earned for that particular course. In a three-credit course, for example, a grade of C yields six grade points; a grade of B yields nine; and a grade of A yields 12.

Resident Grade Point Average. The resident GPA of a student is found by dividing the total number of grade points earned at UW-Eau
Claire by the total number of credits attempted. The semester GPA is computed in the same way, using only the grade points earned and the credits attempted during that semester. In computing GPAs, the following are not counted as credits attempted: courses for which S, U, W, or V is received; courses which carry no credit toward graduation (except Math 10 and Math 20); repetitions of courses which are eligible for a grade replacement (see Repeating Courses). See also Grade Point Requirements under Graduation Requirements.

Upon Degree Completion. Upon the completion of a degree the GPA is final and is associated with that degree. Any credits earned after the award of a degree is calculated as its own GPA and is not included with the previous degree’s GPA. The GPA is always truncated to include the two digits after the decimal point. The GPA is not rounded up based on any number from the third digit after the decimal point (if shown).

INCOMPLETES

An incomplete (In) is a temporary mark which may be granted when, for reasons acceptable to the instructor, a student has been unable to complete a portion of a course in the normal time period. Both the final grade, and the fact that an incomplete has been assigned and removed will appear on the record.

Procedures. It is the student’s responsibility to initiate a request for an incomplete with the instructor. If the request is approved, the instructor will indicate the conditions for the removal of the incomplete, including the date for submitting all work due so that it may be evaluated before the reporting deadline. The instructor will submit the incomplete to the Registrar’s Office, as well as a grade to be recorded as the permanent grade for the course in case the incomplete is not removed.

Removal of Incompletes. An incomplete is removed when the student submits all work due and the instructor reports a new grade for the course. The deadline for the instructor to report the removal of an incomplete is the end of the tenth week of classes of the first regular semester following the granting of the incomplete, regardless of whether the student is enrolled in the University at that time.

If the incomplete has not been removed by the reporting deadline, the default grade submitted with the incomplete will be recorded as permanent unless the instructor authorizes the continuation of the incomplete. If a continued incomplete has not been removed by the reporting deadline (end of the tenth week of classes) in the next semester, it will be replaced by the default grade.

NOTE 1: The mark of In (incomplete) is not a course grade. An excessive number of incompletes may affect both the academic standing of students (see Good Academic Standing) and their eligibility for certain types of financial aid.

NOTE 2: In case of illness or other emergency reported through the Associate Deans of Students, the Associate Dean of the College in which the student is enrolled may approve the granting of incompletes which will not adversely affect the student’s academic standing. When such approval is given, the Dean or Associate Dean of Students staff member prior to withdrawing from classes. Students withdrawing from all courses after the first two weeks of classes—no record of enrollment.

Third week through the tenth week—recorded as W.

Calendar dates of withdrawal deadlines are published each semester on MyBlugold CampS, on the Web “Registration Calendars,” and can be obtained from the Registrar’s Office.

WITHDRAWALS

WITHDRAWING FROM A COURSE. Students who wish to withdraw from a course during the first two weeks of classes may do so without their instructors’ or advisers’ signatures. After the second week of classes (or a proportionate period of time for shorter courses—see MyBlugold CampS for exact dates), students who wish to withdraw from a course must obtain a Change of Registration form from the Registrar’s Office, secure the signature of their faculty advisers and instructors for the course, and return the form to Registration Services. A student is not considered withdrawn until the proper form has been processed by Registration Services. A student who stops attending a class without withdrawing officially may receive a grade of F for the course, and may owe a repayment on financial aid received.

No withdrawals are permitted after the beginning of the eleventh week of classes. Deadlines are adjusted proportionately for shorter courses, including Winterim and Summer Session courses, except in extenuating circumstances as determined by the Associate Dean of the College in which the student is enrolled. Up to that time, official withdrawals from full term courses are recorded as follows:

During the first two weeks of classes—no record of enrollment.

Third week through the tenth week—recorded as W.

Upon Degree Completion. Each college also maintains its own Dean’s List. See the applicable college area for an explanation of Dean’s List criteria.

PROGRESS AND GRADE REPORTS

Faculty policy provides that students shall be informed of their progress in the courses for which they are registered. In freshman-level courses, tests, or other means of evaluation should be expected early in the semester (usually at the conclusion of the first four weeks).

Mid-semester Progress Reports. Freshman students will be able to view mid-semester grade reports from each of their instructors, whatever the level of the course. Other students may individually request and receive from each instructor an indication of the general quality of their course work at mid-semester.

Semester Grade Reports. At the conclusion of each term, final grades and academic standing can be viewed on MyBlugold CampS.

ACADEMIC DISTINCTION

At the conclusion of each term, after grades have been recorded, the Provost/Vice Chancellor publishes lists of all undergraduate students who have attained Academic Distinction. To be eligible, full-time students must be in good academic standing and have completed 12 or more credits during the semester, with a semester and resident GPA of 3.20 or higher. Part-time students who meet the following criteria are also eligible: (1) initially register as part-time students (six to 11 enrolled credits), (2) complete the semester in good academic standing, (3) complete six to 11 credits during the semester, and (4) earn both a semester and resident GPA of 3.20 or higher.

Each college also maintains its own Dean’s List. See the applicable college area for an explanation of Dean’s List criteria.
CREDIT BY EXAMINATION

Student may earn university credit through a variety of credit by examination options. A maximum of one-fourth of the credits required for graduation in the student’s total degree program may be earned by examination and applied toward graduation. Departments may restrict the total number of credits earned by examination applicable toward their majors and minors. In no case may more than half the requirements for a major or minor be fulfilled by means of examination for credit.

ADVANCED PLACEMENT PROGRAM

Students who achieve a minimum score of three (3) on any of the advanced placement examinations will receive at least three credits in the appropriate general education category. In addition, some academic departments have approved granting specific credit. (NOTE: Course equivalencies are subject to change. Students receive the course equivalency in effect when they matriculate.) Rather than a letter grade, students receive a mark of “CP.” For prerequisite purposes this is equivalent to “a grade of C or above.”

An Academic Warning is the first formal notification that a student has failed to meet one or more of the requirements for good academic standing. The notation “Academic Warning” is placed on the student’s record at the end of the first semester in which any one or more of the following conditions apply:

1. The student’s resident GPA at the end of the semester is less than 2.00.
2. The student’s semester GPA is less than 2.00, but 1.00 or higher.

NOTE 1: An excessive number of withdrawals from courses may impact students’ eligibility for acceptance into certain major programs and most types of financial aid. All students should therefore consult their advisers before withdrawing from courses.

**Academic Warning.** An Academic Warning is the first formal notification that a student has failed to meet one or more of the requirements for good academic standing. The notation “Academic Warning” is placed on the student’s record at the end of the first semester in which any one or more of the following conditions apply:

1. The student’s resident GPA at the end of the semester is less than 2.00.
2. The student’s semester GPA is less than 2.00, but 1.00 or higher.

A student will be suspended from the University under certain conditions if:The University accepts certain DANTES examinations. For equivalencies see the Academic Testing webpage: www.uwec.edu/Testing/creditbyexam/DANTES.htm.

**DANTES**

**Departmental Examinations**

Certain departments offer departmentally based examinations for credit. Departments may limit the courses available for credit by examination. Departmental examinations may be taken for a grade or S/U. Departmental examinations must be taken before the student has enrolled in the equivalent course or in any higher level course for which it is a prerequisite. With departmental permission, however, the student may take an examination for a course in which he/she is enrolled provided it is taken before the end of the first week of classes. Examinations for credit may not be used to repeat courses already attempted at or transferred to UW-Eau Claire.

For information about application procedures and fees the student should consult with the chair of the department offering the course.

**ACADEMIC STANDING AND PROGRESS**

The University expects each undergraduate (freshman, sophomore, junior, senior, or special student) to maintain a level of academic achievement consistent with University standards and to make reasonable progress toward the completion of a chosen curriculum.

The policies and regulations outlined below define the minimum academic standards of the University. Any College of the University may set a higher standard for admission, retention, or graduation from a degree program.

**Good academic standing.** The definition of good academic standing includes University standards for satisfactory academic progress during a semester. Academic standing is determined twice each year, once at the end of the fall semester and once at the end of the spring semester. It is not determined at the end of Summer Session or Winterim Session.

A student is in good academic standing at the end of a semester if all the following conditions are met:

1. The student’s resident GPA is 2.00 or higher.
2. The student has earned a semester GPA of 2.00 or higher.

**Good academic standing** includes University standards for satisfactory academic progress during a semester. Academic standing is determined twice each year, once at the end of the fall semester and once at the end of the spring semester. It is not determined at the end of Summer Session or Winterim Session.

A student is in good academic standing at the end of a semester if all the following conditions are met:

1. The student’s resident GPA is 2.00 or higher.
2. The student has earned a semester GPA of 2.00 or higher.

NOTE 1: An excessive number of withdrawals from courses may impact students’ eligibility for acceptance into certain major programs and most types of financial aid. All students should therefore consult their advisers before withdrawing from courses.

**Academic Warning.** An Academic Warning is the first formal notification that a student has failed to meet one or more of the requirements for good academic standing. The notation “Academic Warning” is placed on the student’s record at the end of the first semester in which any one or more of the following conditions apply:

1. The student’s resident GPA at the end of the semester is less than 2.00.
2. The student’s semester GPA is less than 2.00, but 1.00 or higher.

(See Suspension, below.)

Only one Academic Warning is issued to a student. (See Probation, below.) Students who receive this notification should immediately consult their adviser(s) or the Student Affairs and Dean of Students Office, so that they may obtain assistance in overcoming their academic difficulties.

**Probation.** After receiving one Academic Warning, students will be placed on probation at the end of any subsequent semester in which they again fail to achieve good academic standing. The period of probation is one semester. Students must regain good academic standing by the end of the probationary semester in order to continue in the University. They will be removed from probation upon regaining good academic standing. Students may be placed on probation multiple times should their academic standing require it.

**Suspension.** A student will be suspended from the University under either or both of the following conditions:

1. At the end of a semester of probation, the student has failed to regain good academic standing.

---

### International Baccalaureate Examinations

The University grants credit for a score of four (4) or higher on all Higher Level International Baccalaureate examinations. Students receive the course equivalency in effect when they matriculate. Rather than a letter grade, students receive a mark of “CP.” For prerequisite purposes this is equivalent to “a grade of C or above.” For current equivalencies see the Academic Testing Office, Schofield 226.

**College Level Examination Program (CLEP)**

The University grants credit for certain examinations offered by the College Level Examination Program (CLEP). These examinations are administered nationwide. At UW-Eau Claire they are administered by the Academic Testing Office, Schofield 226. Students receive the course equivalency in effect when they matriculate. Rather than a letter grade, students receive a mark of “CP.” For prerequisite purposes this is equivalent to “a grade of C or above.” They fall into the following two categories.

**CLEP General Examinations**

The University awards credit for the general examinations in Natural Sciences, Humanities, and Social Science/History. Six credits may be earned in each of these areas, to be applied toward the General Education requirements of the University.

General Examinations should be taken before the student has completed initial enrollment in the University. They must be taken by the time the student has completed 15 semester credits of college work and before enrollment in any courses in the area to be tested. Exceptions to this rule may be made for older students with unique backgrounds. Requests for these exceptions should be directed to the Dean of the College of Arts and Sciences.

**CLEP Subject Examinations**

The University accepts certain CLEP subject examinations (contact the Academic Testing Office for a listing). Score requirements and course equivalencies are determined by the department offering the course.

Subject (course equivalent) examinations should be taken before a student has enrolled in the equivalent course or in any higher level course for which it is a prerequisite. With departmental permission, however, the student may take an examination for a course in which he/she is enrolled provided it is taken before the end of the first week of classes. Examinations for credit may not be used to repeat courses already attempted at or transferred to UW-Eau Claire. For current equivalencies see the Academic Testing webpage: www.uwec.edu/Testing/creditbyexam/clep.htm or contact Academic Testing, Schofield 226.
2. At the end of any semester, the student has a semester GPA of less than 1.00. (This regulation applies regardless of the student’s resident GPA.)

A student who has been suspended is ineligible to continue in the University for a specified period of time. A first suspension is for the period of one semester. Any degree-seeking student who wishes to return to the University after the expiration of the suspension must make formal application for readmittance through the Admissions Office. Special Students who wish to return to the University after the expiration of a suspension may register through the Registrar’s Office. Readmittance cannot be guaranteed. If the student is readmitted and fails to regain good academic standing by the end of the first semester after readmittance, a second suspension will be incurred. The second suspension is for a period of one year.

A student who has been suspended for academic reasons may request a review by a faculty committee of the College in which the student was enrolled. If the student can show that extenuating circumstances existed, the committee may recommend to the Associate Dean of the College that the student be reinstated.

Students on suspension may attend the UW-Eau Claire Winterim and Summer Sessions (including the Three-Week Summer Session) for the purpose of improving their academic records and may request an appeal of the suspension from the Associate Dean of the College at the conclusion of the session. A suspended student may not enroll as a special student at UW-Eau Claire during the fall or spring semesters until the suspension has expired. A student suspended from UW-Eau Claire may encounter difficulty in attempting to enroll at another institution.

**Policies applying to transfer students.** The credits transferred from other colleges and universities are used to determine the classification of a student as freshman, sophomore, etc. Transfer credits are not used, however, in computing the UW-Eau Claire resident GPA which determines the student’s academic standing in subsequent semesters at UW-Eau Claire (see also GPA, under Graduation Requirements).

A transfer student admitted in good standing is governed by the policies set forth under Academic Standing and Progress.

A transfer student admitted on probation will be removed from probation if in the first semester at UW-Eau Claire the student achieves good academic standing. Thereafter the student’s status is determined on the same basis as that of a student who was admitted in good standing and who has received an Academic Warning at UW-Eau Claire.

A transfer student admitted on probation will be suspended at the end of the first semester at UW-Eau Claire if at that time the student has failed to achieve good academic standing.

**Policies applying to freshmen admitted on probation.** A freshman admitted on probation will be removed from probation if in the first semester at UW-Eau Claire the student achieves good academic standing. Thereafter the student’s status is determined on the same basis as that of a student admitted in good standing.

A freshman admitted on probation will be suspended at the end of the first semester if at that time the student has not achieved good academic standing.

**FORGIVENESS OF EARLIER ACADEMIC RECORD**

Returning adult students who have completed university-level course work at UW-Eau Claire or elsewhere five or more years prior to seeking admission or readmission to UW-Eau Claire may be eligible for forgiveness of the earlier academic record. Forgiveness means that grades earned five or more years earlier will not be used in the computation of the total GPA at UW-Eau Claire, although such grades will continue to appear on the student’s official transcript. Upon admission or readmission to UW-Eau Claire, students should meet with their advisers to discuss whether repeating courses or seeking forgiveness is the better alternative for them. If the decision is to seek forgiveness, the following conditions will apply:

1. Students must not have been enrolled in an institution of higher learning for at least five continuous years prior to admission/readmission to UW-Eau Claire except for completion of courses which were a precondition for admission/readmission.

   A transfer student admitted in good standing is governed by the policies set forth under Academic Standing and Progress.

   A transfer student admitted on probation will be removed from probation if in the first semester at UW-Eau Claire the student achieves good academic standing.

   A transfer student admitted on probation will be suspended at the end of the first semester at UW-Eau Claire if at that time the student has failed to achieve good academic standing.

   **Policies applying to freshmen admitted on probation.** A freshman admitted on probation will be removed from probation if in the first semester at UW-Eau Claire the student achieves good academic standing. Thereafter the student’s status is determined on the same basis as that of a student who was admitted in good standing.

   A freshman admitted on probation will be suspended at the end of the first semester if at that time the student has not achieved good academic standing.

   **FORGIVENESS OF EARLIER ACADEMIC RECORD**

   Returning adult students who have completed university-level course work at UW-Eau Claire or elsewhere five or more years prior to seeking admission or readmission to UW-Eau Claire may be eligible for forgiveness of the earlier academic record. Forgiveness means that grades earned five or more years earlier will not be used in the computation of the total GPA at UW-Eau Claire, although such grades will continue to appear on the student’s official transcript. Upon admission or readmission to UW-Eau Claire, students should meet with their advisers to discuss whether repeating courses or seeking forgiveness is the better alternative for them. If the decision is to seek forgiveness, the following conditions will apply:

   1. Students must not have been enrolled in an institution of higher learning for at least five continuous years prior to admission/readmission to UW-Eau Claire except for completion of courses which were a precondition for admission/readmission.

   After admission/readmission, students must earn a GPA of 2.50 or higher in the first 12 credits which count toward the minimum degree requirements at UW-Eau Claire before applying for forgiveness.

   3. The request for forgiveness must be approved by the student’s adviser, the Department Chair if the student has declared a major, and the Dean of the College in which the student is enrolled. The approved request will be forwarded to the Registrar.

   4. If forgiveness is granted, all courses taken five or more years prior to admission/readmission (and the grades received) will continue to appear on the student’s record, but the student’s total GPA will be based solely on credits earned after admission/readmission to UW-Eau Claire.

   5. If forgiveness is granted, all credit hours with a grade of “D-” or above earned five or more years before admission/readmission, up to a maximum of 30, may be used to satisfy degree requirements even though they are not included in the student’s total GPA.

   6. Forgiveness of grades earned five or more years before admission/readmission may be granted only once.

   Both the academic forgiveness policy and application form are available on the Registrar’s website at: www.uwec.edu/registrar/student.

NOTE: See special requirements for the College of Education and Human Sciences.

Procedures Required for Graduation

- Obtain admission to the degree program and/or the College offering it.
- Apply for graduation on MyBlugold Campus.

NOTE: Requirements for all graduate degrees are published in the Graduate Catalog.

UNIVERSITY WRITING REQUIREMENT

Students satisfy the University Writing Requirement by fulfilling the University Writing Program requirements. The requirements for each college have been approved by the University Writing Program Council. Students are eligible to submit a University Writing Program Portfolio to modify placement in the Blugold Seminar in Critical Reading and Writing. See English Department guidelines for details. All students must satisfy the University Writing Requirement before completion of the sophomore year.

MATHEMATICS/STATISTICS COMPETENCY REQUIREMENT

A minimum competency in mathematics and/or statistics is required of all students before completion of the sophomore year. The required competency can be demonstrated in one of three ways: (1) earning three credits in a university level mathematics and/or statistics course with a grade of C (not C-) or above; (2) achieving a satisfactory score on a mathematics and/or statistics competency examination; or (3) achieving a score on the mathematics placement test that qualifies the student to enter Math 112, 113, or 114 as determined by the Department of Mathematics.

The Colleges and some programs have selected specific mathematics and/or statistics courses which fulfill the requirement for their majors. For information, consult the appropriate College or Department section of this catalog. For information on the competency examinations available to meet the requirement, consult the Department of Mathematics chair or the Advising and Academic Testing Office.

FOREIGN LANGUAGE/FOREIGN CULTURE REQUIREMENT

All students seeking the baccalaureate degree must satisfy the foreign language/foreign culture requirement. The goal of this requirement is to develop an understanding of foreign countries or regions. The requirement can be met in one of four ways:

(a) demonstrating competency at the 102 level in a foreign language by achieving a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language or completing a 102-level foreign language course (or Math 112 or CSD 103) with a grade of C (not C-) or above, or mark of S.

(b) earning credit (and maintaining good academic standing) in either a full semester of study abroad or approved internship abroad, or incrementally through a combination of short term study abroad and courses designated as fulfilling the foreign culture requirement. The incremental value of a short term study abroad program is available in the Center for International Education, Schofield 3.

(c) earning a minimum of nine credits of Foreign Culture courses. Courses which fulfill the foreign culture requirement are on the following list.

(d) earning credit in a 101- or 102-level foreign language course (or a course from AIS 111, 112; CSD 101, 102, 103) AND earning at least six credits in foreign culture courses.

Students who are not native speakers of English may satisfy this requirement by completing the English competency requirement for the baccalaureate degree and demonstrating competency in their native language.

FOREIGN CULTURE COURSES (FC)

The following have been approved as Foreign Culture (FC) courses. These courses are broadly based and enhance understanding of contemporary life in foreign countries or regions. An FC course addresses most, but not necessarily all, of the following aspects of one or more foreign countries or regions: cultural, social, linguistic, historical, political, religious, intellectual, philosophical.

</table>
CULTURAL DIVERSITY REQUIREMENT

All candidates for the baccalaureate degree must satisfactorily complete the equivalent of at least three credits of content in a course or courses dealing with the following groups: African American, Hispanic, American Indian, or Asian American.

Courses which fulfill the cultural diversity requirement are listed below. Some Colleges have identified equivalents for these courses which fulfill the requirement for their majors. Students should consult with their advisers for details.

CULTURAL DIVERSITY COURSES

The following courses have been approved to meet the University Cultural Diversity Requirement. Some Colleges have identified specific courses from this list which students in those Colleges must take to meet the requirement. Students should consult the appropriate section of this catalog and their advisers for details.

Service-Learning is an important part of an undergraduate liberal arts experience that prepares students for a life of informed, ethical, responsible, and active citizenship.

**Mission Statement**
- Educate students for full participation in society.
- Perform public service.
- Foster habits of public engagement.
- Encourage service to society.

**Text Goals**
- Foster habits of community engagement in each UW-Eau Claire student.

**Objectives**
1. Each student will contribute at least 30 hours of service-learning.
2. Each service-learning project will address a need within a community.
3. Each service-learning project will involve collaboration among the student, the mentor, and a community partner.
4. In the service-learning report, each student will identify how the experience developed skills, attitudes, and abilities appropriate to citizenship in a democratic society.
5. Each service-learning project proposal will contain a rationale for significant learning.
6. Each service-learning project will be reported to a UW-Eau Claire mentor.
7. Each service-learning project report will contain evidence of independent learning.
8. Each service-learning report will explain how the project relates directly to either a) the student’s major or minor area of study or b) one or more goals of the baccalaureate.
9. In the service-learning project report, each student will reflect on his/her personal growth.
10. Each service-learning project will include reflection on life-long learning and public service.

**SERVICE-LEARNING REQUIREMENT**
All candidates for the baccalaureate degree at the University of Wisconsin-Eau Claire must satisfactorily complete 30 or more hours of approved service-learning activity. This requirement is intended to provide students with an opportunity to serve their community, apply knowledge gained in the classroom, enhance their critical thinking skills and become informed, active, responsible, and ethical citizens.

A guidebook available at the Center for Service-Learning’s website, www.uwec.edu/sl, outlines the UW-Eau Claire service-learning graduation requirement and describes the procedures for its completion. This information is provided to assist students, faculty/staff members, and community project supervisors in designing and undertaking projects that provide both rich experiences for UW-Eau Claire students and substantial benefits for the community.

The **Service-Learning Requirement**
The University of Wisconsin-Eau Claire established the Service-Learning graduation requirement in 1995. The following University policy statement describes the Service-Learning mission, goals and objectives, and guidelines.

**Service-Learning Mission Statement**
February 25, 2005

As a public liberal-arts university, the University of Wisconsin-Eau Claire commits to educating students for full participation in society. One essential aspect of full participation is public service. The Service-Learning requirement fosters habits of public engagement in our students and encourages them to serve society.

At UW-Eau Claire, Service-Learning includes both service and learning to promote the common good. Service-Learning is service because it must benefit others. Service-Learning can make education a collaborative effort where students benefit society by exercising both the rights and responsibilities of citizenship.

Service-Learning is learning because it must educate students. It challenges them to apply concepts and principles they have learned in their college course work to their other experiences—and to apply experiential insights critically and creatively to their college learning. Service-Learning also fosters academic and personal growth.

### SERVICE-LEARNING REQUIREMENT

- Educate students.
- Challenge them.
- Apply concepts and principles from college course work to their other experiences.
- Apply experiential insights critically and creatively to their college learning.
- Foster academic growth.
- Foster personal growth.
- Prepare for a life of informed, active citizenship.
- Promote the common good.
- Benefit others.
- Make education a collaborative effort.
- Exercise both the rights and responsibilities of citizenship.
- Perform public service.
- Foster habits of public engagement.
- Encourage service to society.
- Apply concepts and principles from college course work to their other experiences.
- Foster academic growth.
- Foster personal growth.
- Prepare for a life of informed, active citizenship.
- Service-Learning will encourage each UW-Eau Claire student to continue informed, active citizenship throughout his/her life.

### Text Goals

- Foster habits of community engagement in each UW-Eau Claire student.
- Each UW-Eau Claire student will promote the common good.
- Each UW-Eau Claire student will collaborate in responsibly serving society.
- Each UW-Eau Claire student will demonstrate civic engagement.
- Each UW-Eau Claire student will self-learn something significant in a service environment.
- Each UW-Eau Claire student will reflect on the personal value of his/her academic education.

### Objectives

1. Each student will contribute at least 30 hours of service-learning.
2. Each service-learning project will address a need within a community.
3. Each service-learning project will involve collaboration among the student, the mentor, and a community partner.
4. In the service-learning report, each student will identify how the experience developed skills, attitudes, and abilities appropriate to citizenship in a democratic society.
5. Each service-learning project proposal will contain a rationale for significant learning.
6. Each service-learning project will be reported to a UW-Eau Claire mentor.
7. Each service-learning project report will contain evidence of independent learning.
8. Each service-learning report will explain how the project relates directly to either a) the student’s major or minor area of study or b) one or more goals of the baccalaureate.
9. In the service-learning project report, each student will reflect on his/her personal growth.
10. Each service-learning project will include reflection on life-long learning and public service.
GUIDELINES FOR SERVICE-LEARNING PROJECTS

Derived from the mission, goals, and objectives of the service-learning program, the following policy statements provide general guidance to all parties as they plan together for a service-learning project.

- **STUDENT CHOICE** Students’ sincerely held beliefs, preferences, and values will be reasonably accommodated in accepting service-learning proposals.

- **NONDISCRIMINATION** Consistent with accepted interpretation of affirmative action policies of the University of Wisconsin-Eau Claire, service-learning proposals will not be accepted that exclude students, mentors and/or recipients from the service-learning activity based on race, religion, creed, color, sex, gender identity or expression, ancestry, national origin, age, marital status, sexual orientation, disability, veteran’s status, pregnancy, marital or parental status, military service, arrest and conviction record or political affiliation or any other category protected by law, including physical condition or developmental disability as defined in Wisconsin Statutes §51.01(5). Other sources include Wisconsin Statutes §36-12(1) and UW Regents Policy 14-6.

- **WILLING RECIPIENTS** To be accepted, service-learning proposals must focus on willing recipients.

- **RELIGIOUS ACTIVITY** Service-Learning proposals involving cooperation with faith-based organizations may be accepted; however, this public university will not award credit for time spent directly involved in promoting religious doctrine, proselytizing, or worship. Students who wish to work with a faith-based organization are encouraged to consult the Center for Service-Learning in developing their proposals.

- **FOR-PROFIT ACTIVITY** Service-learning proposals involving for-profit agencies may be accepted if they are part of an agency’s charitable activities. Service-learning proposals that focus on seeking private monetary profit will not be accepted.

- **NONENDORSEMENT** Acceptance of a service-learning proposal indicates that the proposal is acceptable for meeting the service-learning requirement; it does not imply endorsement either of the proposed activities or of the recipient by the University of Wisconsin-Eau Claire.

Students can meet the service-learning requirements in one of three ways:

**Non-credit Option**: A student may fulfill the service-learning requirement—without receiving course credit—through work with an on-campus group or off-campus community organization. To fulfill the requirement under this option, students must work with the Center for Service-Learning. Students may complete projects in the Eau Claire area or elsewhere, individually or in groups, and during the academic year or over break periods. Projects sponsored by local agencies (“community partners”) are posted on the Center for Service-Learning website, Schofield 230. Students may also devise their own projects. The Center for Service-Learning must approve a noncredit option project before the student begins it.

A student pursuing a noncredit option must work with a faculty or academic staff mentor who also approves his/her service-learning project proposal, helps establish learning objectives, and assists the student in attaining those objectives. The mentor also facilitates the student’s reflection upon completion of the project, and certifies the student has met the service-learning requirement.

Students in active military service or with an honorable or general discharge from military service are presumed to have met the service-learning graduation requirement. Evidence of military service is provided to the Registrar’s Office through a copy of a D.D. 214, or a transcript from the ACE registry.

**Credit Option—Selected Course**: A student may complete a course designated in this catalog or the current Class Schedule as satisfying one-half (15 hours) or the full (30 hours) service-learning requirement. In some courses, the service-learning activity may be optional.

Students seeking more information about the service-learning requirement should consult their advisers or contact the Center for Service-Learning, Schofield 230.

### WELLNESS REQUIREMENT

All candidates for the baccalaureate degree must successfully complete one semester credit in wellness theory courses and one semester credit in physical activity courses. The requirement is designed to provide students with a comprehensive exposure to wellness. Courses numbered Wmns 101-184 may be used to satisfy the physical activity requirement. The courses which satisfy the wellness theory requirement are listed below. Kins 186 satisfies both the physical activity and wellness theory requirement. The one required credit in physical activity courses is counted in the minimum total of 120 credits for graduation. Additional credits may be earned in physical activity courses but may not be counted toward the minimum total of 120 credits for graduation (see Kinesiology and Athletics for exceptions).

The Department of Kinesiology and Athletics provides adaptations in physical activity courses for students who have a medical excuse from a physician and approval of the Student Health Service. Students who have completed basic training/boot camp for the military will be awarded one credit of physical activity. Evidence should be provided through presentation of military identification, a transcript from the American Council on Education (ACE) Registry showing completion of the Basic Combat Training Course, or discharge papers (D. D. 214) to the Registrar’s Office. The completion of four semesters of ROTC courses (MSL 101, MSL 102, MSL 201, and MSL 202) satisfies the physical activity university graduation requirement.

### GENERAL EDUCATION REQUIREMENTS

Experience and learning have always communicated the interdependencies and interrelationships that exist between persons and things—and today, because of the increasingly powerful technologies of information gathering, communication, and transportation, it is even more vital for students to see that specialized knowledge alone is not sufficient to meet the challenges of reasonable and responsible living in a complex world. Specialties enable persons to be successful as professionals. General Education must enable them to be successful as human beings.

The General Education program is provided to help each student attain the basic competencies, breadth of knowledge, and critical
judgment which characterize a mature and responsible individual in the modern world. More specifically, the program is designed to: (1) stimulate and direct learning throughout life; (2) provide exposure to typical modes of inquiry within the disciplines; (3) promote active learning and a critical response to what is read, heard, and seen; and (4) broaden individual perspectives and emphasize relationships with other fields of study, other cultures, or other times.

The General Education Program seeks to develop further the abilities and skills of students by fostering: (1) extensive communication and analysis; (2) an elevated social conscience and commitment to a life of involvement and public service; and (3) opportunities to study and to develop a system of values. The program seeks to infuse an integrated and intentional learning experience for students.

**College Requirements.** Any College of the University may establish additional or more specific General Education requirements for any or all of its degree programs. Such modifications are published in the appropriate College section of this catalog.

**University Requirements.** The five categories of the program offer a wide range of choice and ensure a basic understanding of representative disciplines. From these options the student, in consultation with an adviser, can plan a program which permits exploration outside areas of academic concentration, in directions suited to individual needs and interests. Each candidate for a baccalaureate degree must earn a minimum of 39 credits in courses applicable to General Education requirements, distributed among the five categories as indicated below.

Courses taken to satisfy requirements for a major or minor program may be counted toward the satisfaction of General Education requirements, within the restrictions noted below. Appropriate credits earned by examination may also be applied to the General Education program. Six College Level Examination Program (CLEP) general credits may be counted as satisfying the requirements of one subcategory in each of the second, third, and fourth categories (Natural Sciences, Social Sciences, and Humanities), for a maximum of 18 credits representing three subcategories.

**Restrictions:**

1. No more than 10 credits from any one course prefix may be counted toward General Education requirements. (Cross-listed courses with prefixes such as AIS and Wmns are credited to the GE category and subcategory of the corresponding home department courses.)

2. Departments may designate certain specialized or professional courses as inapplicable to General Education requirements. These courses are identified in catalog descriptions as “Not for GE” (in the College of Arts and Sciences only). Applicable courses are identified as “GE-IA, GE-IB,” etc.

**Distribution:**

**CATEGORY I. Communications.**

Language skills afford a powerful means of discovering both ourselves and our world, allowing us to preserve and ponder our experience, to shape and reshape it. Enhanced language ability serves as a catalyst for intellectual and emotional growth. Analytical skills provide the foundation for expressing logical and mathematical relationships, giving us basic tools with which to solve the ordinary as well as the technical problems in life.

**Requirements:** A minimum of six credits, including at least one course from two of the three subcategories:

A. **Language Skills**
   - American Indian Studies 111 and 112
   - Communication/Journalism
   - English (language and composition courses, excluding Engl 110 and 112; Writ 114, 116, 118 and 120)
   - Foreign Languages (language and composition courses)

B. **Analytical Skills**
   - Computer Science
   - Mathematics
   - Philosophy (logic courses)

C. **Interdisciplinary Studies—Communications** (including Wmns 431)

**CATEGORY II. Natural Sciences.**

Science explores the phenomena of the natural world, illustrating the diversity and beauty of nature. Students of the natural and physical sciences will learn to analyze scientific data and search for informative patterns. In addition, they will be introduced to scientific theories and laws that will enable them to evaluate the many technological and scientific issues of modern society.

**Requirements:** Nine to 12 credits from at least two of the six subcategories. At least one course must be a laboratory science* course.

- Biology
- Chemistry
- Geography (physical geography courses)
- Geology
- Physics
- Interdisciplinary Studies—Natural Sciences (including Materials Science; Wmns 432)

*See Degree Requirements in each College for information on laboratory science courses.

**CATEGORY III. Social Sciences.**

Because the social sciences investigate the behavior of individuals, groups, and social institutions, study in these disciplines encourages the appreciation of the wide range of cultural diversity that exists among societies. In order to make wise and humane choices in a free society, we must come to understand the scope and direction of change in social, political, and economic institutions. Furthermore, we come to a fuller understanding of the ways social interaction and institutions shape our personal identity.

**Requirements:** Nine to 12 credits from at least two of the seven subcategories:

- Anthropology
- Economics
- Geography (cultural geography courses)
- Political Science
- Psychology
- Sociology
- Interdisciplinary Studies—Social Sciences (including AIS 101, AIS/ Wmns 374; Criminal Justice; LAS 150, 390; Wmns 200, 222, 310, 335, 375, 422, 433, 440)

**CATEGORY IV. Humanities.**

The humanities provide a breadth of perspective on the richness of the human experience, past and contemporary. By studying the range of expression in literature and the arts, we become acquainted with the beauty, depth, and variety of human creativity. We improve our standards of judgment and appreciation as well as our personal powers of observation and reflection.

**Requirements:** Nine to 12 credits from at least two of the five subcategories:

- Fine Arts—Art, Art History, Dance, Music, Theatre Arts
- Philosophy (excluding logic courses), Religious Studies
- History
- Literature (English literature, Foreign Languages literature and civilization courses)
- Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women’s Studies)

**CATEGORY V. University Wide General Education.**

The rich diversity of courses offered for General Education by the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences is a focus of Category V. General Education Courses from all Colleges that cross categories I-IV are a part of this category. Students may include up to six credits from this category in General Education.

**CROSS-LISTED COURSES**

Courses are cross-listed when the curriculum is interdisciplinary in nature and the course is offered through multiple departments. That is, two course listings identify the same courses. The listings will have identical numbers—only the course prefix varies.
Some certifications, licenses, and programs may require a specific number of credits from certain curricular disciplines. Therefore, students should review program constraints before enrolling for cross-listed courses.

ACADEMIC CONCENTRATIONS
Each candidate for a baccalaureate degree must present one of the following:
- Comprehensive major (at least 60 credits)
- Standard major (at least 36 credits) plus one of the following:
  - Another standard major (at least 36 credits), or
  - A minor (at least 24 credits), or
  - A certificate (12-18 credits)
Acceptable academic program combinations will be determined at the college level.
A student who elects to pursue any combination of majors, minors and/or certificates beyond the minimum required, should be aware of the UW System policy whereby credits earned beyond 165 (or 30 credits beyond the total required for a program, whichever is higher) will be assessed at a higher level of tuition.
A student may present for graduation only those majors, minors, and/or certificates authorized by the faculty of the College in which the degree program is offered. Any deviation from published requirements in any curriculum must have written approval of the Associate Dean of the College from which the student is to be graduated.

GRADE POINT REQUIREMENTS
Eligibility for graduation is based upon two GPAs, resident and total:
- Resident GPA: The GPA computed on all UW-Eau Claire course work.
- Total GPA: The GPA computed on all UW-Eau Claire course work and all transferable course work taken elsewhere.
The Resident and Total GPAs are identical for the student who has completed all course work at UW-Eau Claire. In both computations, GPAs must meet all minimum standards.
A minimum total GPA of 2.00 and a minimum resident GPA of 2.00 is required for graduation from all curricula. Individual Colleges may set higher grade point requirements. These are published, as appropriate, in the College sections of this catalog.
- Major, Minor, Certificate. Minimum resident and total GPAs of 2.00 are required in the major, minor and certificate. Colleges of the University may set specific requirements for GPAs in their majors, minors, and certificates. Colleges may also require that GPAs in the major, minor, and certificate be computed on all applicable courses attempted by the student in the respective areas.

UNIVERSITY RESIDENCY REQUIREMENTS
Resident credit is earned by enrolling in UW-Eau Claire courses, both on and off campus.
- Minimum total. Residence of one year (30 semester credits) is required of all candidates for baccalaureate degrees.
- Senior year. Twenty-three of the last 30 credits prior to graduation from any curriculum must be earned in residence unless special arrangements have been made by petition to the Associate Dean of the College.
- Major. At least 12 credits of the upper-division work (300- to 400- level courses) required in a standard major, and 21 in a comprehensive major, must be taken in residence.
- Certificate. At least 25 percent of the credits applied to the certificate program requirements must be taken in residence.
Credits earned through the National Student Exchange Program, the Health Care practicum, internships, study abroad opportunities, and UW-Eau Claire Internet courses are counted as resident credits.

CREDIT-BEARING CERTIFICATE PROGRAMS
Certificate programs may be earned by degree-seeking students or by community members who are not pursuing a University degree. Guidelines and standards are identical for both populations.
For those not seeking a degree, these programs offer an opportunity for an individual to earn college credit and advance toward a credential that certifies a significant level of achievement within a prescribed area. As the rate of change in the workplace accelerates, more people find it necessary to engage in continuous learning to meet the challenges of new duties and responsibilities, or career changes. Often the need is for in-depth study that goes beyond what is generally provided in noncredit professional development activities. Credit-bearing certificate programs are of particular value since the program is verified by a university transcript.
For degree-seeking students, a certificate program can be pursued to demonstrate expertise in a particular academic field. Successful completion of a certificate program may serve to satisfy graduation requirements for a second program of study or to add credentials beyond any other required programs.
Certificate programs include a minimum of 12 credits for undergraduate certificates (fifteen credits for graduate certificates) and a maximum of 18 credits. A 2.00 GPA is the university minimum requirement for completion of undergraduate certificate programs (3.0 GPA required for graduate certificates).
At least 25 percent of the credits applied to the certificate program requirements must be taken in residence (50 percent for graduate certificates). Departments/programs or colleges proposing certificate programs have the right to specify (a) admission requirements for entry into a certificate program, (b) minimum GPA requirements for courses included in the program, (c) GPA requirements for certificate completion above the university minimum, and (d) applicability of the S/U option, if any.
Specific certificates and their requirements are listed within the applicable department/program or college section of the catalog.

ADMISSION TO A COLLEGE OR PROGRAM
Admission to the University does not necessarily constitute admission to a particular College or to a degree curriculum offered by a College. Each of the Colleges may set specific admission requirements and procedures, which will be found in the appropriate section of this catalog. As one step toward their degrees, students must be admitted to the College and/or program from which they expect to graduate.

UNDERGRADUATE ADVISING AT UW-EAU CLAIRE
Advising Structure
Each student is assigned an adviser as part of new student orientation. Students who have not yet chosen a major (undeclared) are assigned an adviser in the Office of Advising and New Student Initiatives (Schofield 226). Special students and students admitted with a conditional status are also advised in this office. A student who has decided upon a major field of study is assigned to a faculty member from the appropriate department. Students in pre-professional programs are given a faculty adviser familiar with the requirements in those areas. Students should also consult with an adviser in the department of their minor.
Special advisers are available to provide additional assistance to specific populations: international students are helped through the Center for International Education; transfer students can find additional assistance through the Office of Advising and New Student Initiatives; returning students through the Nontraditional Student Services Office; multicultural students through the Office of Multicultural Affairs;
DEGREE PLANNING

Students should consult their faculty advisers and develop degree plans as early as possible, so that requirements can be met without delaying graduation. A student may view a Degree Audit at any time on MyBlugold CampS. This audit monitors the progress which the student is making toward the declared degree. The Audit is a tool designed to assist the student in course planning. Final confirmation of degree requirements is subject to department, college, and university approval.

A Degree Audit is not designed to serve as a contract—only to provide assistance to the student in planning. Final approval of degree requirements resides with the Office of the Registrar, but responsibility for meeting these requirements rests primarily upon the individual student.

Catalog Base for Degree Plan. In planning their degree programs, students must follow the curricular requirements of the catalog under which they entered UW-Eau Claire or upon notification to their department of a more recent catalog. Students who are absent from the University for two or more consecutive semesters must follow the catalog in effect at the time of their re-entry. Since Degree Audits are computer-generated reports applying an individual student’s enrollment history to degree requirements as stated in the catalog, any deviation from published requirements for the degree must be authorized by a waiver/substitution form signed by the student’s dean. Students who wish to appeal an institutional decision or response relating to their request for academic substitutions or waivers may do so by using the Student Academic Grievance Procedures published on the Dean of Students website, www.uwec.edu/dos.

NOTE: Transfers who enter UW-Eau Claire within two consecutive semesters of leaving another institution may use the catalog in effect at UW-Eau Claire at the time they entered the prior institution.

APPLICATION FOR GRADUATION

Each candidate for a baccalaureate degree must apply for graduation via MyBlugold CampS by the end of the first week of undergraduate priority registration for the semester of intended graduation. Failure to apply for graduation on time may result in the postponement of graduation. Although only two commencement ceremonies are held—May and December, students may graduate in May, August, December, or January.

APPLICABILITY OF CREDITS TOWARD GRADUATION

Junior College or Two-Year College Credits. A maximum of 72 semester credits earned in a junior college or two-year college will be accepted as degree credits at UW-Eau Claire.

Extension Credits. Credits earned in credit outreach courses offered by UW-Eau Claire are treated as resident credits. Credits earned in extension courses offered by other units of the University of Wisconsin System are treated as transfer credits. All other (non-UW) extension and correspondence credits are normally limited to one-fourth of the total required for graduation from any curriculum.

WTCS Credits. A maximum of 72 semester credits earned in college parallel programs at Madison Area Technical College, Milwaukee Area Technical College, Nicolet Area Technical College, or Chippewa Valley Technical College may be accepted as degree credits at UW-Eau Claire. A set number of general education courses will be accepted from other technical schools. Occupational and technical courses may also be considered for transfer if the quality and content of the course work from the technical college is judged to be comparable to course work at UW-Eau Claire. Refer to the Transfer Information System (www.uwsys.edu/tis) or contact the UW-Eau Claire Admissions Office for information about the current transfer policy.

USAFI Credit. UW-Eau Claire will accept up to 32 semester credits for work done through the United States Armed Forces Institute, under the provision for non-UW correspondence credit (see Extension Credits above).

Activity Credit (band, chorus, drama, etc.). Students may count toward graduation no more than four credits earned in any single activity course, and no more than 12 credits resulting from any combination of activity courses (excluding kinesiology activity...
Second Baccalaureate Degree

A graduate who has earned a baccalaureate degree from UW-Eau Claire or another accredited college or university can earn a second bachelor’s degree.

Students who are declared as a double major may not obtain a second baccalaureate degree.

A candidate for a second baccalaureate degree from UW-Eau Claire must satisfy the following graduation requirements:

1. Be admitted to the second bachelor’s degree after completion of the first bachelor’s degree from UW-Eau Claire or another college or university.
2. Students who are seeking a second bachelor degree should contact the Financial Aid Office to review how this process will affect their financial aid.
3. All second degree students must have their transcripts reviewed and their plan of study approved by the Associate Dean for the college from which they are seeking the second degree.
4. Obtain 30 credits beyond the first degree, of which at least 23 must be taken in residence.
5. Satisfy all major/minor and other degree-specific requirements of the second degree.
6. Satisfy the cultural diversity requirement.
7. It is presumed that the University graduation requirements in English competency, mathematics/statistics competency, foreign language/foreign culture, general education, physical activity and wellness, and service-learning are satisfied by the completion of a baccalaureate degree.
8. Two degrees may not be awarded in the same term.
9. The GPA for the second degree will be calculated based on the course work that was completed after graduation from the first bachelor degree.
10. Academic distinction for the second bachelor degree is computed based on the credits earned toward the completion of the second degree.

Completion After Graduation

Students may, after graduating with a bachelor’s degree from the University of Wisconsin-Eau Claire, complete an additional major or minor. Students may apply for readmission to UW-Eau Claire or apply as a special student. When all course work—which must be taken at UW-Eau Claire—toward the additional major or minor program has been completed, students should contact the Registrar’s Office to initiate a review of the additional information. A statement in the memorandum area of the transcript will be added, noting the completion of such, with the date of completion.

Commencement Exercises

Candidates for graduation are encouraged to attend commencement ceremonies, which are held two times during the calendar year: at the close of the fall and spring semesters of the academic year. Caps and gowns must be worn by all graduates.

In order to participate in a commencement ceremony, students must file an application for graduation and must meet at least one of the following conditions: (1) completion of all requirements for the bachelor’s or graduate degree, or (2) current enrollment in the courses necessary to complete all requirements. Students who will complete all requirements for the degree during the first Three-Week Summer Session are August graduates, but may request permission to attend the May commencement ceremony. Students completing all requirements for the degree in January may attend the prior December ceremony; and students completing all requirements in August may attend the following December ceremony.

Graduation With Distinction

Graduation with distinction is conferred at commencement exercises upon eligible students earning a first or second baccalaureate degree. Eligibility is based on both the resident and the total GPAs as defined under Grade Point Requirements. A student must earn in both computations (resident and total GPAs) the minimum GPA required at each of the three levels of distinction listed below and a minimum of 30 credits in residence to be eligible:

- Summa Cum Laude—at least 3.80.
- Magna Cum Laude—at least 3.50.
- Cum Laude—at least 3.20.

The announcement of graduation with distinction made at the commencement ceremony is based on all work completed prior to the student’s final semester; however, the actual conferral of graduation with distinction will be based on the student’s entire record, including the final semester.

The Ronald E. McNair Seminar Series

These four seminars, along with the intensive six-week Summer Research Institute, assist McNair Scholars to appreciate, prepare, and undertake collaborative research, and to report findings for presentation and publication in preparation for graduate school. The McNair Seminars provide an interdisciplinary and historical perspective on the American research community for students who desire to become college professors/researchers. The coordinating department for the following courses is Undergraduate Studies, McNair Program Office, OL 2134.

IDIS 380 McNair Fall Seminar for Juniors
2 crs.  •  F  •  A-F Grades Only  •  P: Minimum resident and total GPA of 2.75.  •  Department Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• Coordinating Department: McNair Program Office. Restricted to McNair Scholars.
Seminar provides an orientation to McNair Program goals and activities, and enhances students’ ability to undertake undergraduate research. Course provides an interdisciplinary perspective on the research process for students who desire to become college professors/researchers.

IDIS 381 McNair Spring Seminar for Juniors
2 crs.  •  Sp  •  Field Trip(s) Required  •  A-F Grades Only  •  P: IDIS 380. Resident and total GPA of 2.75.  •  Department Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• Coordinating Department: McNair Program Office. Restricted to McNair Scholars.
McNair Scholars refine the scope and design of their research projects, learn about the development of the American research community across the twentieth century, attend research presentations, and begin evaluating prospective graduate institutions and mentors.

IDIS 480 McNair Fall Seminar for Seniors
2 crs.  •  F  •  Field Trip(s) Required  •  A-F Grades Only  •  P: IDIS 381. Minimum resident and total GPA of 2.75.  •  Department Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• Coordinating Department: McNair Program Office. Restricted to McNair Scholars.
Scholars prepare and formally present their research findings to academic audiences as journal articles, conference presentations, and posters. They prepare for and take the GRE, and refine and submit application materials to graduate schools.

IDIS 481 McNair Spring Seminar for Seniors
1 cr.  •  Sp  •  A-F Grades Only  •  P: IDIS 480. Minimum resident and total GPA of 2.75.  •  Department Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
• Coordinating Department: McNair Program Office. Restricted to McNair Scholars.
Seminar focuses on how universities operate and what factors drive academics’ careers—tenure and academic freedom, professional ethics, diversity, faculty governance and collegiality, funding agencies/foundations and academic publishing. Also covers graduate school progress/finances.
University Honors Program and Courses

The University Honors Program enables high-achieving, high-potential, highly motivated students to go as far in their intellectual and professional development as possible in four years of undergraduate study. The program offers a dynamic, inclusive, innovative learning community in which students and faculty from every university college and program learn and work together closely in an atmosphere of common intellectual enterprise, mutual respect, and the free exchange of ideas. The program offers an enhanced education, enabling students to integrate Honors General Education courses, Honors interdisciplinary seminars, Honors work in their major and minor programs, and Honors experiential learning opportunities into a coherent, high-value, individualized whole.

Honors at UW-Eau Claire has two components: University Honors and Departmental/College Honors. Students may be graduated with Honors by completing one component or both. Honors Program participation and completion are documented on students’ University records.

University Honors. In small classes designed to stimulate and challenge students of high ability and high potential, and in special sections of regular courses, honors students are provided opportunities for close interaction with faculty and with other honors students.

Admission to the University Honors Program. There are several ways to gain admission to the University Honors Program. Incoming freshmen are invited based on scores achieved on either the ACT or SAT and their academic standing in their high school graduating classes. Automatic invitations are issued to students with 28 and up ACT composite scores who rank in the top 5% of their graduation classes, 29 ACT and top 10%, 30 ACT and top 15%. All students admitted to UW–Eau Claire with at least a 26 ACT composite score, rank in class of top 10% or higher, or 3.75 high school GPA will automatically be considered for admission to Honors in a holistic review process. Students who have completed at least 15 academic credits at UW-Eau Claire may be admitted after demonstrating superior academic performance including attaining at least a 3.67 GPA. Students highly motivated to do Honors work should consider petitioning the University Honors Council for admission. Consult the Director of the University Honors Program for more information.

Requirements. A student may be graduated with University Honors by meeting the following requirements:

1. Attainment of a resident and total GPA of at least 3.50.
2. Completion of at least 24 credits of Honors colloquia and Honors electives or completion of at least 21 credits of Honors colloquia and Honors electives and either HNRS 410 or HNRS 420. If HNRS 400 is repeated, the second attempt is counted as an Honors colloquium. At least two (2) of the Honors colloquia/Honors elective courses completed must be at the 300-level or above. These courses may be used to meet General Education, major, or minor requirements as well as the requirements of the Honors Program.
3. Completion of HNRS 400: Senior Honors Seminar (one credit).

Honors Program courses may not be audited or taken for a Satisfactory/ Unsatisfactory grade.

One AP course with a score of at least 4, or 1 IB course with a score of at least 5, may be substituted for one of the required Honors courses. An appropriate designation will be placed on a student’s record upon completion of Honors courses and of the program. Credits earned in Honors courses meet graduation requirements whether or not the program is completed. A current schedule of available Honors courses may be obtained from the Director of the University Honors Program or on the Honors Program website: www.uwec.edu/Honors.

HONORS SEMINARS

HNRS 100 First-Year Honors Seminar
1 cr. • F, Sp • GE-IV; HONOR • A-F Grades Only • P: Limited to students in the University Honors Program. Introduction to the University and to expectations of an Honors baccalaureate degree. Explores the value of a liberal education, the skills and knowledge needed to be an educated person, the roles of the University Honors Program and university requirements.

HNRS 400 Senior Honors Seminar
1 cr. • F, Sp • GE-IV; HONOR; CP: Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 2 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Senior standing, or Department Consent Required. If repeated, the second course can count toward the required 24 credits of Honors colloquia and electives. A capstone course that explores students’ undergraduate experiences, the value of a liberal education, and the value of an Honors education. Prepares Honors students for post-graduate opportunities.

HNRS 410 Mentoring in Honors
1 cr. • F, Sp • GE-IV; HONOR, SL-Full: Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: HNRS 100, HNRS 400, or concurrent enrollment in HNRS 400. Minimum junior standing. Limited to students in the University Honors Program. With permission from the Director of the University Honors Program, credit may be earned in both HNRS 410 and HNRS 420. • Department Consent Required Assist in instruction of Honors 100, the First-Year Honors Seminar. Focus on the value of a baccalaureate education and on what constitutes an educated person. Open to juniors and seniors with permission of the Director of the University Honors Program.

HNRS 420 Tutoring in Honors
1 cr. • F, Sp • GE-III; HONOR, SL-Full: Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Minimum junior standing. Limited to students in the University Honors Program. With permission from the Director of the University Honors Program, credit may be earned in both HNRS 410 and HNRS 420. • Department Consent Required Assist in instruction of an Honors course previously completed. Open to juniors and seniors with permission of the Director of the University Honors Program.

HONORS COLLOQUIA

These are courses especially designed for honors students and usually embrace more than the approach of a single academic discipline. Every Honors colloquium meets General Education requirements. The relevant GE category is indicated by the final digit of the course number. Thus Hnrs 102 courses apply to requirements in Category II: Natural Sciences.

The content of colloquia varies from semester to semester.

HNRS 101 Honors Colloquium
3-4 crs. • V • CDV; GE-IA: HONOR; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to students in the University Honors Program. A course involving language, communication and/or analytical skills.

HNRS 102 Honors Colloquium
3-4 crs. • V • CDV; GE-II: HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program. Focuses on topics in the natural sciences.

HNRS 103 Honors Colloquium
3-4 crs. • V • CDV; GE-III: HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program. Examines topics involving the social sciences, including anthropology, economics, cultural geography, political science, psychology, and sociology.

HNRS 104 Honors Colloquium
3-4 crs. • V • CDV; GE-IV: HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program. A humanities course concerned with disciplines such as art, literature, history, music, philosophy, religious studies, and theatre arts.

HNRS 105 Honors Colloquium
3-4 crs. • V • CDV; GE-V: HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program. A course with foundations in the College of Business, Education and Human Sciences, or Nursing and Health Sciences; or a course that crosses General Education categories I-IV.
HNRS 301 Honors Colloquium
3-4 crs. • V • CDV; GE-IA; HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program.
An upper-division course that involves language, communication, and analytical skills.

HNRS 302 Honors Colloquium
3-4 crs. • V • CDV; GE-II; HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program.
An upper-division course that focuses on topics in the natural sciences.

HNRS 303 Honors Colloquium
3-4 crs. • V • CDV; GE-IB; HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program.
An upper-division course that examines topics involving the social sciences, including anthropology, economics, cultural geography, political science, psychology, and sociology.

HNRS 304 Honors Colloquium
3-4 crs. • V • CDV; GE-Iv; HONOR; Special Course Fee Required Varies by Term/Section • May be repeated • A-F Grades Only • P: Limited to students in the University Honors Program.
An upper-division humanities course concerned with disciplines such as art, literature, history, music, philosophy, religious studies, and theatre arts.

HONORS SPECIAL EXPERIENCE COURSES

HNRS 275 Honors Study Abroad Experience-Freshmen and Sophomores
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Freshman or sophomore standing. • Department Consent Required
Honors study abroad experience for freshmen and sophomores.

HNRS 295 Honors Directed Study-Freshmen and Sophomores
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Freshman or sophomore standing. • Department Consent Required
Study of a problem or topic in collaboration with a faculty member in the discipline.

HNRS 298 Honors Internship Experience-Freshmen and Sophomores
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Freshman or sophomore standing. • Department Consent Required
Honors internship experience for freshmen and sophomores.

HNRS 299 Honors Independent Study-Freshmen & Sophomores
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Freshman or sophomore standing. • Department Consent Required
Individual research, scholarly, or creative projects under the supervision of a faculty member.

HNRS 375 Honors Study Abroad Experience-Juniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Junior standing. • Department Consent Required
Honors study abroad experience for juniors.

HNRS 395 Honors Directed Study-Juniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Junior standing. • Department Consent Required
Study of a problem or topic in collaboration with a faculty member in the discipline.

HNRS 398 Honors Internship Experience-Juniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Junior standing. • Department Consent Required
Honors internship experience for juniors.

HNRS 399 Honors Independent Study-Juniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Junior standing. • Department Consent Required
Individual research, scholarly, or creative projects under the supervision of a faculty member.

HNRS 475 Honors Study Abroad Experience-Seniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Senior standing. • Department Consent Required
Honors study abroad experience for seniors.

HNRS 490 Honors Senior Thesis or Project
1-6 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to students in the University Honors Program. Senior standing. • Department Consent Required
Research and writing/preparation of Honors Senior Thesis or Honors Senior Project.

HNRS 495 Honors Directed Study-Seniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Senior standing. • Department Consent Required
Study of a problem or topic in collaboration with a faculty member in the discipline.

HNRS 498 Honors Internship Experience-Seniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Senior standing. • Department Consent Required
Honors internship experience for seniors.

HNRS 499 Honors Independent Study-Seniors
1-4 crs. • F, Wi, Sp, Su • HONOR; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • P: Limited to students in the University Honors Program. Senior standing. • Department Consent Required
Individual research, scholarly, or creative projects under the supervision of a faculty member.

Department or College Honors. A growing number of departments offer students the opportunity to earn honors in their major programs. These programs include the departments of Accounting and Finance, Biology, Chemistry, Communication Sciences and Disorders, Computer Science, Economics, English, Geography and Anthropology, Geology, History, Management and Marketing, Mathematics, Music and Theatre Arts, Nursing, Philosophy and Religious Studies, Physics, Political Science, Social Work, and Sociology. In addition, the programs in Criminal Justice (see the Multidisciplinary Program section) and in Spanish (see the Department of Languages) also offer their majors Honors programs.

For information on departmental or college honors programs, consult department or college descriptions in this catalog or inquire at department or college offices, or get in touch with the Director of the University Honors Program.
College of Arts and Sciences

DAVID LEAMAN, DEAN (SCHOFIELD 138)
BERNARD DUYFHUIZEN, ASSOCIATE DEAN—BUDGET, PERSONNEL AND SCHEDULING (SCHOFIELD 136)

- Mathematics
- Music and Theatre Arts
- Philosophy and Religious Studies
- Physics and Astronomy
- Political Science
- Psychology
- Sociology

Programs:
- American Indian Studies
- Latin American Studies
- Materials Science
- Watershed Institute for Collaborative Environmental Studies
- Women’s Studies

Programs and courses in the College of Arts and Sciences expose students to the substance and methodology of disciplines in the humanities, arts, natural sciences, and social sciences. Our core values include providing students with opportunities to develop intellectual skills such as analysis, synthesis, critical thinking, and application; strengthen communication skills and abilities; enhance aesthetic appreciation and humanistic understanding; and develop breadth and depth of perspective about the human experience and the natural world. Such skills and attributes are essential for success in any career or profession, as well as for leading lives as engaged, informed, and productive citizens. The largest and most broadly based academic unit at the University, the College of Arts and Sciences comprises 18 departments and several interdisciplinary programs that contribute courses and experiences for students majoring in programs based in the college; extensive general education course work; and supporting courses for academic programs in other colleges and for pre-professional programs.

PLACEMENT AND COMPETENCY INFORMATION

Placement and Competency Tests
The UW System Mathematics Placement Test and the Foreign Language Placement Tests are given during the orientation periods for new freshmen and transfers. Further information about placement or competency tests is available from the chair of the appropriate department or the Registrar’s Office (Schofield 128).

Registration Requirements
I. All students in the College of Arts and Sciences (undeclared students, students with a declared Arts and Sciences major, or pre-professional students) must complete the University Writing Requirement by the semester in which their total semester credits will equal or surpass 60 credits.

II. All students in the College of Arts and Sciences (undeclared students, students with a declared Arts and Sciences major, or pre-professional students) must successfully complete the appropriate Mathematics Competency requirement for the baccalaureate degree program being pursued by the semester in which their total semester credits will equal or surpass 60 credits.

III. All students who have not completed the Bachelor of Science Mathematics Competency will be considered Bachelor of Arts candidates and must demonstrate competency in a foreign language at the level of a 102 course (i.e., two semesters of college work) by the semester in which their total semester credits will equal or surpass 60 credits.

IV. All students who transfer to UW-Eau Claire with 59 or fewer earned semester credit hours must meet the appropriate requirements listed in I, II, and III above as appropriate in order to register for any semester or summer session after they have earned 60 semester credit hours including credits in progress.

V. All students who transfer to UW-Eau Claire with 60 or more earned semester credit hours and who intend to register as a student in the College of Arts and Sciences (undeclared students, students with a declared Arts and Sciences major, or pre-professional students) must meet the requirements listed in I, II, and III in order to register for any semester or summer session.
Degree Requirements

University Graduation Requirements. All candidates for degrees must fulfill the requirements for credits, curriculum, GPA, and University residency as specified in the section of this catalog titled University Graduation Requirements on page 42.

College Graduation Requirements: Grade Point Averages. All candidates for degrees in the College of Arts and Sciences must earn minimum resident and total GPAs of 2.00 in both the major and the minor. The resident and total GPAs for the major are computed using all attempted credits applicable to the major including those offered by departments other than the major department. The resident and total GPAs for the minor are computed similarly.

College Graduation Requirement: Upper-Level General Education Requirement. All candidates for degrees in the College of Arts and Sciences must complete at least nine credits in General Education courses numbered 300 or above from at least two of the five General Education categories.

Major-Minor and Major-Certificate Requirements. A standard major (a minimum of 36 credits) must be supplemented by a minor (a minimum of 24 credits) or by a certificate (12 to 18 credits) to meet graduation requirements for completing a first and second degree program. No minor or certificate is required with a Comprehensive Major (60 or more credits) or with two majors of 36 or more credits each.

Certain degree programs which include Comprehensive Majors may require more than the minimum of 120 credits for graduation.

Acceptable academic program combinations are determined at the college level. A major and a minor or a major and certificate (or two majors, if available) may not be elected in the same department or program, except in the approved combinations listed on page 56.

DEGREES AND CURRICULA

Bachelor of Arts (B.A.) or Bachelor of Science (B.S.)
The B.A. degree and the B.S. degree are differentiated not by the major chosen, but by specific College requirements. For the standard and comprehensive majors listed below, students may elect either the B.A. or B.S. degree.

Standard majors: (Liberal Arts)
- American Indian Studies
- Art
- Biology
- Chemistry
- Communication
- Computer Science
- Economics
- English
- French
- Geography
- German
- History
- Journalism
- Music
- Philosophy
- Physics
- Political Science
- Psychology
- Religious Studies
- Sociology
- Spanish
- Theatre Arts
- Women’s Studies

Comprehensive majors:
- Biochemistry/Molecular Biology-Liberal Arts (Interdisciplinary)
- Biology-Liberal Arts
- Chemistry-A.C.S.
- Chemistry with Business Emphasis (Department of Chemistry)
- Chemistry-Liberal Arts
- Computer Science-Liberal Arts
- Criminal Justice-Liberal Arts (Interdisciplinary)
- Geography-Liberal Arts
- Geology-Liberal Arts
- Latin American Studies-Liberal Arts
- Materials Science-Liberal Arts
- Mathematics-Liberal Arts
- Music-Liberal Arts
- Political Science-Liberal Arts
- Theatre Arts-Liberal Arts

Bachelor of Liberal Studies (B.L.S.)
- Comprehensive major: Liberal Studies-Liberal Arts (Interdisciplinary)

Bachelor of Professional Studies (B.P.S.)
- Standard major: Organizational Leadership and Communication-Liberal Arts (Interdisciplinary)
- Comprehensive major: Organizational Leadership and Communication-Liberal Arts (Interdisciplinary)

Bachelor of Fine Arts (B.F.A.)
- Comprehensive major: Art

Bachelor of Music (B.M.)
- Comprehensive major: Music

Bachelor of Science in Environmental Public Health (B.S.E.P.H.)
- Comprehensive major: Environmental Public Health (Watershed Institute for Collaborative Environmental Studies)

Majors

All College of Business majors are accepted for Arts and Sciences degrees as second majors with the exception of Health Care Administration majors.
Minors
College of Arts and Sciences minors. A standard Liberal Arts minor is offered in each discipline in which a standard Liberal Arts major is available. In addition, a number of interdisciplinary minors are offered by the College of Arts and Sciences. With the exception of Anthropology; Art History; Dance; Environment, Society, and Culture; Environmental Science; Japanese; and Spanish for Health Professions, the following minors are described in the section on interdisciplinary curricula.

Ancient Studies
Anthropology (Department of Geography and Anthropology)
Art History (Department of Art & Design)
Computational Science
Dance (Department of Music and Theatre Arts)
Environment, Society, and Culture (Watershed Institute for Collaborative Environmental Studies)
Environmental Science (Watershed Institute for Collaborative Environmental Studies)
Family Studies
Gerontology
Global Studies
Japanese (Department of Languages)
Language Studies
Marine Science
Middle East Studies
Multimedia Communication
Pre-Professional Health Science
Russia and East European Studies
Spanish for Health Professions (Department of Languages)
Teaching English as a Foreign Language
Topical Minor

Certificates
The following certificate programs are offered in the College of Arts and Sciences:
Campaign Consulting (Department of Political Science)
Computer Programmer (Department of Computer Science)
Ethics (Department of Philosophy and Religious Studies)
Fine Arts Administration (Department of Music and Theatre Arts)
French Proficiency (Department of Languages)
Geospatial (Department of Geography and Anthropology)
Geospatial in GIS (Department of Geography and Anthropology)
Geospatial in Remote Sensing (Department of Geography and Anthropology)
Geospatial in Mapping (Department of Geography and Anthropology)
German Proficiency (Department of Languages)
International Affairs (Department of Political Science)
LabVIEW (Department of Physics and Astronomy)
Legal Studies (Department of Political Science)
LGBTQ Studies (Women’s Studies Program)
Middle East Studies (Interdisciplinary)
Organizational Communication (Department of Communication and Journalism)
Organizational Leadership and Communication (Interdisciplinary)
Spanish for Health Professions (Department of Languages)
Teaching English as a Foreign Language (Department of Languages)
Web Design and Development (Department of Computer Science)
Women’s Studies (Women’s Studies Program)
World Religions (Department of Philosophy and Religious Studies)

College of Education and Human Sciences minors accepted for Arts and Sciences degrees:
Science of Coaching-Liberal Arts
Library Science-Liberal Arts
Kinesiology-Liberal Arts

Major and Minor and Certificate Combinations in a Single Department or Program. A major and a minor, or a major and certificate, or two majors (if available), may be elected within a single department or program only in the following approved combinations:

Department/Program:
Art & Design
Art Major, Studio Emphasis (Code 020-208) and Art History Minor (Code 030-401)
Art Major, Art History Emphasis (Code 020-209) and Art Minor (Code 020-402)

Geography and Anthropology
Geography Major (Code 140-223) and Anthropology Minor (Code 470-401)

Languages
Any two languages

Music and Theatre Arts
Music Major (Code 060-201) and Theatre Arts Minor (Code 601-422)
Music Major (Code 060-201) and Dance Minor (Code 605-400)
Theatre Arts Major (Code 601-223) and Dance Minor (Code 605-400)
Theatre Arts Major (Code 601-223) and Music Minor (Code 060-401)
Music Major (Code 060-201) and Theatre Arts Major (Code 601-223)
Music Major (Code 060-201) and Fine Arts Administration Certificate (Code 060-601)
Theatre Arts Major (Code 601-223) and Fine Arts Administration Certificate (Code 060-601)

Philosophy and Religious Studies
Religious Studies Major (Code 411-201) and Philosophy Minor (Code 400-400)
Philosophy Major (Code 400-200) and Religious Studies Minor (Code 411-401)
Philosophy Major (Code 400-200) and Religious Studies Major (Code 411-201)
Religious Studies Major (Code 411-201) and Ethics Certificate (Code 400-601)
Philosophy Major (Code 400-200) and World Religions Certificate (Code 411-601)

Watershed Institute for Collaborative Environmental Studies
Environmental Public Health Major (Code 640-001) and Environment, Society, and Culture Minor (Code 489-401)
Environmental Public Health Major (Code 640-001) and Environmental Science Minor (Code 155-400)

Women’s Studies
Women’s Studies Major (Code 486-201) and LGBTQ Certificate (Code 486-602)
BACHELOR OF ARTS DEGREE IN THE COLLEGE OF ARTS AND SCIENCES (B.A.)

Candidates for the degree of Bachelor of Arts in the College of Arts and Sciences must meet all general graduation requirements of the University (see University Graduation Requirements) and all College requirements for major/ minor or major/certificate emphases, GPAs, and upper-level general education credit. Candidates for the B.A. degree also must meet the following College requirements which are specific to the degree:

1. Credits. Earn at least 90 credits in courses offered by the College of Arts and Sciences.

2. Foreign Language. Foreign Language competency for the B.A. degree can be met in one of two ways:
   a. Achieve a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language.
   b. Earn a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or CSD 103).

3. Mathematics. Mathematics competency for the B.A. degree can be met in one of three ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 112, 113, or 114.
   b. Earn a grade of at least C (not C-) or a mark of S in Math 104, 106, 107, 108, 109, or 246.
   c. Achieve a satisfactory score on the Math 109 competency test. This test may be attempted no more than two times.

4. General Education Requirements. Fulfill the University requirements for General Education (GE) by earning at least 45 credits in courses designated as GE, distributed as follows.
   
   NOTE: Earning the minimum credits in each category will not total 45 credits.

   I. Communications. Six to nine credits, with at least three credits from Subcategory A and three credits from Subcategory B:
      a. Language Skills: American Indian Studies 111, 112; Communication/Journalism; English (language and composition courses, excluding Engl 110 and 112; Writt 114, 116, 118, and 120); Foreign Languages (language and composition courses); Interdisciplinary Studies—GE-IA.
      b. Analytical Skills: Computer Science; Mathematics (only those courses identified as GE-IB); Philosophy (logic courses); Interdisciplinary Studies—GE-IB.
      c. Interdisciplinary Studies—Communications (including Wmns 431).

   II. Natural Sciences. Nine to 12 credits (including at least one laboratory course*) from at least two of the six Subcategories: A. Biology; B. Chemistry; C. Geography (physical); D. Geology; E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Enph 110, 150; Materials Science; Wmns 432).
   
   *The following courses have been designated as fulfilling the laboratory science requirement: Biol 100, 151, 181, 195, 219, 221, 320, 356, 390, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115, 118, 390; Idis 125; Msci 100; Phys 100, 205, 211, 212, 226, 229, 231, 232.

   III. Social Sciences. Nine to 12 credits of course work, including at least one course from two of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (including AIS 101, 343, AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geog 377; LAS 150, 390; Wmns 200, 206, 222, 310, 335, 344, 375, 422, 433, 440).

   IV. Humanities. Fifteen credits, including at least one course from four of the five Subcategories: A. Fine Arts—Art, Art History, Dance, Music, Theatre Arts; B. Philosophy (excluding logic courses); Religious Studies; C. History; D. English (literature courses); Foreign Languages (literature and civilization courses); E. Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women’s Studies).

   V. University-Wide General Education. Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.

BACHELOR OF SCIENCE DEGREE IN THE COLLEGE OF ARTS AND SCIENCES (B.S.)

Candidates for the degree of Bachelor of Science in the College of Arts and Sciences must meet all general graduation requirements of the University (see University Graduation Requirements) and all College requirements for major/ minor or major/certificate emphases, GPAs, and upper-level general education credit. Candidates for the B.S. degree also must meet the following College requirements which are specific to the degree:

1. Credits. Earn at least 90 credits in courses offered by the College of Arts and Sciences.

2. Foreign Language/Foreign Culture. The requirement for the B.S. degree can be met in one of four ways:
   a. Demonstrate competency at the 102 level in a foreign language by achieving a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language or earning a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or CSD 103).
   b. Earn credit in either a full semester of study abroad or approved internship abroad; or incrementally through a combination of short term study abroad and courses designated as fulfilling the foreign culture requirement.
   
   NOTE: The incremental value of a short term study abroad program is available in the Center for International Education, Schofield 3.
   
   c. Earn a minimum of nine credits in foreign culture courses.
   
   d. Earn credit in a 101-102-level foreign language course (or a course from AIS 111, 112; CSD 101, 102, 110; and) and earn at least six credits in foreign culture courses.

3. Mathematics. Mathematics competency for the B.S. degree can be met in one of three ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 114.
   b. Earn a grade of at least C (not C-) or a mark of S in Math 111, 112, or 113.
   c. Achieve a satisfactory score on the Math 112 competency test. This test may be attempted no more than two times.

4. General Education Requirements. Fulfill the University requirements for General Education (GE) by earning at least 45 credits in courses designated as GE, distributed as follows.
   
   NOTE: Earning the minimum credits in each category will not total 45 credits.

   I. Communications. Six to nine credits, with at least three credits from Subcategory A and three credits from Subcategory B:
      a. Language Skills: American Indian Studies 111, 112; Communication/Journalism; English (language and composition courses, excluding Engl 110 and 112; Writt 114, 116, 118, and 120); Foreign Languages (language and composition courses); Interdisciplinary Studies—GE-IA.
      b. Analytical Skills: Computer Science; Mathematics (only those courses identified as GE-IB); Philosophy (logic courses); Interdisciplinary Studies—GE-IB.
      c. Interdisciplinary Studies—Communications (including Wmns 431).

   II. Natural Sciences. Fifteen credits (including at least two laboratory courses*) from at least two of the six Subcategories: A. Biology; B. Chemistry; C. Geography (physical); D. Geology; E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Enph 110, 150; Materials Science; Wmns 432).
   
   *The following courses have been designated as fulfilling the laboratory science requirement: Biol 100, 151, 181, 195, 219, 221, 320, 356, 390, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115, 118, 390; Idis 125; Msci 100; Phys 100, 205, 211, 212, 226, 229, 231, 232.

   III. Social Sciences. Nine to 12 credits of course work, including at least one course from two of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (including AIS 101, 343, AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geog 377; LAS 150, 390; Wmns 200, 206, 222, 310, 335, 344, 375, 422, 433, 440).

   IV. Humanities. Fifteen credits, including at least one course from four of the five Subcategories: A. Fine Arts—Art, Art History, Dance, Music, Theatre Arts; B. Philosophy (excluding logic courses); Religious Studies; C. History; D. English (literature courses); Foreign Languages (literature and civilization courses); E. Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women’s Studies).

   V. University-Wide General Education. Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.
BACHELOR OF LIBERAL STUDIES DEGREE IN THE COLLEGE OF ARTS AND SCIENCES (B.L.S.)
Candidates for the degree of Bachelor of Liberal Studies in the College of Arts and Sciences must meet all general graduation requirements of the University (see University Graduation Requirements) and all College requirements for major/minor or major/certificate emphases, GPAs, and upper-level general education credit. Candidates for the B.L.S. degree also must meet the following requirements which are specific to the degree:

1. **Credits.** Earn at least 90 credits in courses offered by the College of Arts and Sciences.
2. **Foreign Language/Foreign Culture.** The requirement for the B.L.S. degree can be met in one of four ways:
   a. Demonstrate competency at the 102 level in a foreign language by achieving a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language or earning a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or CSD 103).
   b. Earn credit in either a full semester of study abroad or approved internship abroad; or incrementally through a combination of short term study abroad and courses designated as fulfilling the foreign culture requirement.
   NOTE: The incremental value of a short term study abroad program is available in the Center for International Education, Schofield 3.
   c. Earn a minimum of nine credits in foreign culture courses.
   d. Earn credit in a 101- or 102-level foreign language course (or a course from AIS 111, 112; CSD 101, 102, 103); and earn at least six credits in in foreign culture courses.

3. **Mathematics.** Mathematics competency for the B.L.S. degree can be met in one of three ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 112, 113, or 114.
   b. Earn a grade of at least C (not C-) or a mark of S in Math 104, 106, 107, 108, 109, or 246.
   c. Achieve a satisfactory score on the Math 109 competency test. This test may be attempted no more than two times.

4. **General Education Requirements.** Fulfill the University requirements for General Education (GE) by earning at least 39 credits in courses designated as applicable to GE, distributed as follows.
   NOTE: Earning the minimum credits in each category will not total 39 credits.
   I. **Communications.** A minimum of six credits, including at least one course from two of the three subcategories:
   A. Language Skills: American Indian Studies 111, 112; Communication / Journalism; English (language and composition courses, excluding Engl 110 and 112; Writ 114, 116, 118, and 120); Foreign Languages (language and composition courses); Interdisciplinary Studies—GE-I.
   B. Analytical Skills: Computer Science; Mathematics (only those courses identified as GE-I.B); Philosophy (logic courses); Interdisciplinary Studies—GE-I.B.
   C. Interdisciplinary Studies—Communications (including Wmns 431).

II. **Natural Sciences.** Nine to 12 credits (including at least one laboratory course*) from at least two of the six Subcategories:
   A. Biology; B. Chemistry; C. Geography (physical); D. Geology; E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Enph 110, 130; Materials Science; Wmns 432).
   *The following courses have been designated as fulfilling the laboratory science requirement: Biol 100, 151, 181, 195, 214, 221, 320, 356, 390, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115, 118, 390; Idis 125; Msci 100; Phys 100, 205, 211, 212, 226, 229, 231, 232.

III. **Social Sciences.** Nine to 12 credits of course work, including at least one course from two of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (including AIS 101, 343, AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geog 377; LAS 190, 390; Wmns 200, 206, 222, 310, 335, 344, 375, 422, 433, 440).

IV. **Humanities.** Nine to 12 credits, including at least one course from two of the five Subcategories:
   A. Fine Arts—Art, Art History, Dance, Music, Theatre Arts; B. Philosophy (excluding logic courses), Religious Studies; C. History; D. English (literature courses), Foreign Languages (literature and civilization courses); E. Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women's Studies).

V. **University-Wide General Education.** Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.

BACHELOR OF PROFESSIONAL STUDIES DEGREE IN THE COLLEGE OF ARTS AND SCIENCES (B.P.S.)
Candidates for the degree of Bachelor of Professional Studies in the College of Arts and Sciences must meet all general graduation requirements of the University (see University Graduation Requirements) and all College requirements for major/minor or major/certificate emphases, GPAs, and upper-level general education credit. Candidates for the B.P.S. degree also must meet the following requirements which are specific to the degree:

1. **Credits.** Earn at least 90 credits in courses offered by the College of Arts and Sciences.
2. **Foreign Language/Foreign Culture.** The requirement for the B.P.S. degree can be met in one of four ways:
   a. Demonstrate competency at the 102 level in a foreign language by achieving a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language or earning a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or CSD 103).
   b. Earn credit in either a full semester of study abroad or approved internship abroad; or incrementally through a combination of short term study abroad and courses designated as fulfilling the foreign culture requirement.
   NOTE: The incremental value of a short term study abroad program is available in the Center for International Education, Schofield 3.
   c. Earn a minimum of nine credits in foreign culture courses.
   d. Earn credit in a 101- or 102-level foreign language course (or a course from AIS 111, 112; CSD 101, 102, 103); and earn at least six credits in foreign culture courses.

3. **Mathematics.** Mathematics competency for the B.P.S. degree can be met in one of three ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 112, 113, or 114.
   b. Earn three credits in a university level mathematics and/or statistics course with a grade of C (not C-) or above, or a mark of S.
   c. Achieve a satisfactory score on a mathematics and/or statistics competency examination.

4. **General Education Requirements.** Fulfill the University requirements for General Education (GE) by earning at least 39 credits in courses designated as applicable to GE, distributed as follows.
   NOTE: Earning the minimum credits in each category will not total 39 credits.
   I. **Communications.** A minimum of six credits, including at least one course from two of the three subcategories:
   A. Language Skills: American Indian Studies 111, 112; Communication / Journalism; English (language and composition courses, excluding Engl 110 and 112; Writ 114, 116, 118, and 120); Foreign Languages (language and composition courses); Interdisciplinary Studies—GE-I.
   B. Analytical Skills: Computer Science; Mathematics (only those courses identified as GE-I.B); Philosophy (logic courses); Interdisciplinary Studies—GE-I.B.
   C. Interdisciplinary Studies—Communications (including Wmns 431).

II. **Natural Sciences.** Nine to 12 credits (including at least one laboratory course*) from at least two of the six Subcategories:
   A. Biology; B. Chemistry; C. Geography (physical); D. Geology; E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Enph 110, 130; Materials Science; Wmns 432).
   *The following courses have been designated as fulfilling the laboratory science requirement: Biol 100, 151, 181, 195, 214, 221, 320, 356, 390, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115, 118, 390; Idis 125; Msci 100; Phys 100, 205, 211, 212, 226, 229, 231, 232.

III. **Social Sciences.** Nine to 12 credits of course work, including at least one course from two of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (including AIS 101, 343, AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geog 377; LAS 190, 390; Wmns 200, 206, 222, 310, 335, 344, 375, 422, 433, 440).

IV. **Humanities.** Nine to 12 credits, including at least one course from two of the five Subcategories:
   A. Fine Arts—Art, Art History, Dance, Music, Theatre Arts; B. Philosophy (excluding logic courses), Religious Studies; C. History; D. English (literature courses), Foreign Languages (literature and civilization courses); E. Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women’s Studies).

V. **University-Wide General Education.** Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.
BACHELOR OF FINE ARTS DEGREE IN THE COLLEGE OF ARTS AND SCIENCES (B.F.A.)

Candidates for the degree of Bachelor of Fine Arts in the College of Arts and Sciences must meet all general graduation requirements of the University (see University Graduation Requirements), and all College requirements for major/minor or major/certificate emphases, GPAs, and upper-level general education credit. Candidates for the B.F.A. degree also must meet the following College requirements which are specific to the degree:

1. Credits. Earn at least 90 credits in courses offered by the College of Arts and Sciences.

2. Foreign Language. Foreign Language competency for the B.F.A. degree can be met in one of two ways:
   a. Achieve a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language.
   b. Earn a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or CSD 103).

3. Mathematics. Mathematics competency for the B.F.A. degree can be met in one of three ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 112, 113, or 114.
   b. Earn a grade of at least C (not C-) or a mark of S in Math 104, 106, 107, 108, 109, or 246.
   c. Achieve a satisfactory score on the Math 109 competency test. This test may be attempted no more than two times.

4. General Education Requirements. Fulfill the University requirements for General Education (GE) by earning at least 39 credits in courses designated as applicable to GE, distributed as follows.
   NOTE: Earning the minimum credits in each category will not total 39 credits.
   I. Communications. Six credits with three credits from Subcategory A and three credits from Subcategory B:
      A. Language Skills: American Indian Studies 111, 112; Communication/Journalism; English (language and composition courses, excluding Engl 110 and 112; Writ 114, 116, 118, and 120); Foreign Languages (language and composition courses); Interdisciplinary Studies—GE-IA.
      B. Analytical Skills: Computer Science; Mathematics (only those courses identified as GE-IB); Philosophy (logic courses); Interdisciplinary Studies—GE-IB.
   II. Natural Sciences. Nine to 12 credits (including at least one laboratory course*) from at least two of the six Subcategories:
      A. Biology; B. Chemistry; C. Geography (physical); D. Geology;
      E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Enph 110, 150; Materials Science; Wmns 432).
      *The following courses have been designated as fulfilling the laboratory science requirement: Biol 100, 151, 181, 195, 214, 221, 320, 356, 390, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115, 118, 390; Idis 125; Msci 100; Phys 100, 205, 211, 212, 226, 229, 231, 232.
   III. Social Sciences. Nine to 12 credits of course work, including at least one course from two of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (inclu-
      ding AIS 101, 343; AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geog 377; LAS 150, 390; Wmns 200, 206, 222, 310, 335, 344, 375, 422, 433, 440).
   IV. Humanities. Nine to 12 credits, including at least one course from two of the five Subcategories:
      A. Fine Arts—Art, Art History, Dance, Music, Theatre Arts; B. Philosophy (excluding logic courses), Religious Studies; C. History; D. English (literature courses), Foreign Languages (literature and civilization courses); E. Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women's Studies).
   V. University-Wide General Education. Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.

BACHELOR OF MUSIC DEGREE IN THE COLLEGE OF ARTS AND SCIENCES (B.M.)

Candidates for the degree of Bachelor of Music in the College of Arts and Sciences must meet all general graduation requirements of the University (see University Graduation Requirements) and all College requirements for major/minor or major/certificate emphases, GPAs, and upper-level general education credit. Candidates for the B.M. degree also must meet the following requirements which are specific to the degree:

1. Credits. Earn at least 90 credits in courses offered by the College of Arts and Sciences.

2. Foreign Language. Foreign Language competency for the B.M. degree can be met in one of two ways:
   a. Achieve a score on the foreign language placement test that qualifies the student to enter the 201-level French, German, Italian, or Spanish course.
   b. Earn a grade of at least C (not C-) or a mark of S in a 102-level French, German, Italian, or Spanish course.
   NOTE: Students in the Applied Voice emphasis must use either French, German, or Italian to satisfy this requirement.

3. Mathematics. Mathematics competency for the B.M. degree can be met in one of three ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 112, 113, or 114.
   b. Earn a grade of at least C (not C-) or a mark of S in Math 104, 106, 107, 108, 109, or 246.
   c. Achieve a satisfactory score on the Math 109 competency test. This test may be attempted no more than two times.

4. General Education Requirements. Fulfill the University requirements for General Education (GE) by earning at least 39 credits in courses designated as applicable to GE, distributed as follows.
   NOTE: Earning the minimum credits in each category will not total 39 credits.
   I. Communications. Six to nine credits, with at least three credits from Subcategory A and three credits from Subcategory B:
      A. Language Skills: American Indian Studies 111, 112; Communication/Journalism; English (language and composition courses, excluding Engl 110 and 112; Writ 114, 116, 118, and 120); Foreign Languages (language and composition courses); Interdisciplinary Studies—GE-IA.
      B. Analytical Skills: Computer Science; Mathematics (only those courses identified as GE-IB); Philosophy (logic courses); Interdisciplinary Studies—GE-IB.
   II. Natural Sciences. Nine to 12 credits (including at least one laboratory course*) from at least two of the six Subcategories: A. Anthropology; B. Economics; C. Geography (physical); D. Geology;
      E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Enph 110, 150; Materials Science; Wmns 432).
      *The following courses have been designated as fulfilling the laboratory science requirement: Biol 100, 151, 181, 195, 214, 221, 320, 356, 390, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115, 118, 390; Idis 125; Msci 100; Phys 100, 205, 211, 212, 226, 229, 231, 232.
   III. Social Sciences. Nine to 12 credits of course work, including at least one course from two of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (inclu-
      ding AIS 101, 343; AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geog 377; LAS 150, 390; Wmns 200, 206, 222, 310, 335, 344, 375, 422, 433, 440).
   III. Social Sciences. Nine to 12 credits of course work, including at least one course from three of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Studies (inclu-
      ding AIS 101, 343; AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geog 377; LAS 150, 390; Wmns 200, 206, 222, 310, 335, 344, 375, 422, 433, 440).
   IV. Humanities. Nine to 12 credits, including at least one course from three of the five Subcategories, excluding Music prefix courses:
      A. Fine Arts—Art, Art History, Dance, Theatre Arts; B. Philosophy (excluding logic courses), Religious Studies; C. History; D. English (literature courses), Foreign Languages (literature and civilization courses); E. Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women's Studies).
   V. University-Wide General Education. Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.
BACHELOR OF SCIENCE DEGREE IN ENVIRONMENTAL PUBLIC HEALTH IN THE COLLEGE OF ARTS AND SCIENCES (B.S.E.P.H.)

Candidates for the degree of Bachelor of Science in Environmental Public Health in the College of Arts and Sciences must meet all general graduation requirements of the University (see University Graduation Requirements) and all College requirements for major/minor or major/certificate emphases, GPAs, and upper-level general education credit. Candidates for the B.S.E.P.H. degree also must meet the following requirements which are specific to the degree:

1. Credits. Earn at least 90 credits in courses offered by the College of Arts and Sciences.

2. Foreign Language/Foreign Culture. The requirement for the B.S.E.P.H. degree can be met in one of four ways:
   a. Demonstrate competency at the 102 level in a foreign language by achieving a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language or earning a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or CSD 103).
   b. Earn credit in either a full semester of study abroad or approved internship abroad; or incrementally through a combination of short-term study abroad and courses designated as fulfilling the foreign culture requirement.

3. Mathematics. Mathematics competency for the B.S.E.P.H. degree can be met in one of the following ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 112, 113, or 114.
   b. Earn three credits in a university level mathematics and/or statistics course with a grade of C (not C-) or above, or a mark of S.
   c. Achieve a satisfactory score on a mathematics and/or statistics competency examination.

4. General Education Requirements. Fulfill the University requirements for General Education (GE) by earning at least 39 credits in courses designated as applicable to GE, distributed as follows. 

I. Communications. A minimum of six credits, including at least one course from two of the three subcategories:
   A. Language Skills: American Indian Studies 111, 112; Communication/Journalism; English (language and composition courses, excluding Engl 110 and 112; Writ 114, 116, 118, and 120); Foreign Languages (language and composition courses); Interdisciplinary Studies—GE-IA.
   B. Analytical Skills: Computer Science; Mathematics (only those courses identified as GE-IB); Philosophy (logic courses); Interdisciplinary Studies—GE-IB.
   C. Interdisciplinary Studies—Communications (including Wmns 431).

II. Natural Sciences. Nine to 12 credits (including at least one laboratory course?) from at least two of the six subcategories:
   A. Biology; B. Chemistry; C. Geography (physical); D. Geology; E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Enph 110, 150); Materials Science; Wmns 432.

   *The following courses have been designated as fulfilling the laboratory science requirement: Biol 100, 151, 181, 195, 214, 221, 320, 356, 390, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115, 118, 390; Idls 125; Msci 100; Phys 100, 205, 211, 212, 226, 229, 231, 232.

III. Social Sciences. Nine to 12 credits of course work, including at least one course from two of the seven subcategories:
   A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (including AIS 101, 343; AIS/Wmns 374; Criminal Justice; Enph 115; Env 140, 310, 330; Env/Geol 377; LAS 150, 390; Wmns 200, 206, 220, 310, 335, 344, 375, 422, 433, 440).

IV. Humanities. Nine to 12 credits, including at least one course from two of the five subcategories:
   A. Fine Arts—Art, Art History, Dance, Music, Theatre Arts; B. Philosophy (excluding logic courses); Religious Studies; C. History; D. English (literature courses); Foreign Languages (literature and civilization courses).
   E. Interdisciplinary Studies—Humanities (including AIS 102, Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women’s Studies).

V. University-Wide General Education. Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.

Associate of Arts and Sciences

The Associate Degree certifies a student as having satisfactorily completed one-half the number of credits required for a baccalaureate degree program. In order to qualify for the Associate Degree, the student must:

1. Earn a minimum of 60 semester credits; 39 of these credits must apply to General Education.
2. Earn at least 30 semester credits, including the last 15 at UW-Eau Claire.
3. Earn a resident and total GPA of at least 2.00.
4. Count toward the degree no more than six credits earned on a Satisfactory/Unsatisfactory basis.
5. Complete the University Writing Requirement.
6. Earn one credit in a physical activity course or at least one credit of wellness theory.
7. Complete the Cultural Diversity Requirement.
8. Complete the General Education Requirements (Categories I, II, III, IV, and V) as specified for the baccalaureate degree.
9. Declare intention to graduate with the Associate Degree in the Registrar’s Office.

Planning a Degree Program

To officially declare or change to a new major or minor, a student must go to the office of the department of the intended major or minor. A student can find specific instructions at www.uweec.edu/Registrar/Student/ChgOfMajor.

All students are encouraged to obtain a new degree audit during this process. A new adviser will be assigned in the department of the new major or minor.

Joint Degrees with Professional Schools

The Board of Regents has authorized the University to grant the Bachelor of Science or Bachelor of Arts degree to students who have completed three years of residence at UW-Eau Claire and who complete the requirements for a Liberal Arts degree after transfer to a professional school. A maximum of 32 semester credits from the professional school may be applied toward the baccalaureate degree.

For further information, consult the Associate Dean (Schofield 134).

Dean’s List

At the end of each semester, the College of Arts and Sciences recognizes excellence in scholastic achievement by publishing the Dean’s List. To be eligible, a student must:

1. be in good academic standing;
2. have a minimum semester GPA of 3.70;
3. have completed at least 12 credits during the semester, with no incompletes, no courses below the 100 level, no repeats, and no Satisfactory/Unsatisfactory registrations (except in degree credit-bearing courses that are offered only on the S/U grading system in which a grade of S has been earned).

Students who meet this standard of achievement receive personal letters of notification and congratulations from the Dean.

Special Curricular Offerings

Special Topics Courses (291, 491)

Under the numbers 291 and 491, several departments and interdisciplinary programs offer courses in which the topic for study may vary from semester to semester, often focusing on a contemporary issue or taking an innovative approach to a traditional subject. Students and faculty members are invited to recommend topics to appropriate departments/programs. Departments/programs provide basic course information as part of the schedule building process. Topics are announced in the Class Schedule for the semester.

Restrictions: A total of no more than nine credits in Special Topics courses (291, 491) may be applied toward graduation. Special Topics courses may not be applied toward completion of the General Education requirements. Departments may further restrict the application of such credits to their majors and minors.
Directed Studies (395, 495)
Courses numbered 395 or 495 (and Musi 496), offered by several departments and interdisciplinary programs under various titles, are designed to permit individual students or groups of students to undertake special projects related to their educational interests and goals.

Eligibility: Registration for a Directed Study course requires the permission of the faculty member who agrees to supervise the project and of the department/program offering the course. Any further conditions of eligibility are established by the department/program and published as part of the course description.

Restrictions: A total of no more than six credits of Directed Study courses may be counted toward graduation. Directed Study courses may not be applied toward completion of the General Education requirements. Departments/programs also may restrict the application of such credits to their majors and minors.

Procedures: Permits to enroll may be obtained from the department/program office. A permit approved by the professor directing the study and the department chair/program director is required in order to register for a 395 or 495 (or Musi 496) course. When registration has been completed, the Registrar’s Office will file a copy of the project description with the College Dean and in the student’s permanent record.

Independent Study (399, 499)
Under the course numbers 399 and 499 (and Chem 497 and Hist 496), departments and interdisciplinary programs in the College of Arts and Sciences provide advanced students with opportunities for independent study in fields where they have already demonstrated their competence.

Eligibility: Independent Study courses are open only to juniors or seniors. A student with a departmental major and/or minor may elect an Independent Study in the department of the major or of the minor, provided the student has at least 3.00 resident and total GPAs in that department. A student with an interdisciplinary major may elect an Independent Study in any department/program which has courses required in the major, provided the student has resident and total GPAs of at least 3.00 in the major and has earned a minimum of six credits with resident and total GPAs of at least 3.00 in the department/ program in which the Independent Study is elected.

Restrictions: Only three credits of Independent Study (399 or 499; Chem 497; Hist 496) may be elected during any semester. A total of no more than six independent study credits may be counted toward graduation. Independent Study courses may not be applied toward completion of the General Education requirements.

Procedures: The student shall outline an independent study proposal to a professor willing to direct the study. Permits to enroll may be obtained from the department/program office. A permit approved by the professor directing the study and the department chair/program director is required in order to register for a 399 or 499 (or Chem 497 or Hist 496) course. When registration has been completed, the Registrar’s Office will file a copy of the project description with the College Dean and in the student’s permanent record.

Internships and Apprenticeships
Internship or apprenticeship experiences can be a valuable component in Arts and Sciences programs. Elective courses designated either as an internship or as an apprenticeship are offered in American Indian Studies, Art, Biology, Communication/Journalism, Computer Science, Criminal Justice, Economics, English, Environmental Public Health, Environmental Studies, Geography, Geology, History, Latin American Studies, Liberal Studies, Mathematics, Music, Philosophy, Political Science, Psychology, Religious Studies, Sociology, Theatre Arts, and Women’s Studies.

Departmental Honors Programs
The Departments of Biology, Chemistry, Computer Science, Economics, English, Geography and Anthropology, Geology, History, Mathematics, Music and Theatre Arts, Philosophy and Religious Studies, Physics, Political Science, and Sociology have established Departmental Honors Programs for their majors. The majors in Criminal Justice (see Interdisciplinary Majors) and in Spanish (see the Department of Languages) also offer an Honors Program. See departmental listings or the interdisciplinary majors section for requirements.

Pre-Professional Programs
Pre-professional programs help students prepare for entrance into professional degree programs. Many professional degree programs are offered only at the post-baccalaureate level, so an undergraduate degree is needed before enrolling in them. UW-Eau Claire offers a variety of academic majors that provide excellent preparation for applying to such professional programs. Students interested in these programs should select an academic major that will prepare them to compete for such programs (many are highly selective) as well as provide career alternatives. For other professional degree programs, students transfer to another higher education institution to complete the appropriate professional degree.

Pre-professional programs are not academic degree programs (that is, they are not academic majors or minors). Instead, pre-professional programs provide an organized approach to academic advising for students intending to apply to a professional degree program. To enhance academic planning and preparation while enrolled at UW-Eau Claire, a student interested in obtaining a professional degree should:

• Work with a pre-professional adviser who can help plan an appropriate curriculum in the field of interest.
• Obtain information from other colleges/universities regarding specific academic requirements for the professional degree program of interest.
• Declare an academic major that is logically connected to the professional field, and work with an adviser in the academic major.

Pre-Chiropractic (Code 704-900)
Adviser: M. Mattes (Kinesiology).
The pre-chiropractic program is intended to prepare students for admission into a chiropractic college. Most accredited chiropractic colleges prefer that students earn a baccalaureate degree before beginning, or concurrently with, their chiropractic training. Because the specific requirements of professional schools vary considerably, students should obtain current academic catalogs from the schools in which they are interested. The pre-chiropractic program is an advising track and not a major, minor, or certificate program. Interested students should select an appropriate major in consultation with an academic adviser in their chosen area of study.

Pre-Dentistry (Code 705-900)
Advisers: W. Gallagher (Chemistry), J. Halfen (Chemistry), J. Lyman Gingerich (Biology).
Students should plan to spend at least three years in pre-professional work. Many pre-dentistry students complete a B.S. degree in biology or chemistry. A typical first-year program includes Chem 103 and 104 (or 115 and 213); Biol 221; Math 109, and/or 112/113, and/or 114; Psy 100; and completion of University Writing Requirement. Advanced courses required include Phys 211 and 212 (or 231 and 232) and Chem 325 and 326. Consult an adviser for further recommendations.
NOTE: Students should plan on taking the DAT (Dental Admissions Test) in the late spring or early summer of the year prior to the year for which they are seeking to matriculate in dental school.

Pre-Engineering (Code 195-900)
Advisers:
Chemical—S. Drucker (Chemistry).
Civil—L. Ford (Physics and Astronomy).
Electrical—M. Evans (Physics and Astronomy).
General—M. Evans (Physics and Astronomy), L. Ford (Physics and Astronomy).
Mechanical—M. Evans (Physics and Astronomy).
NOTE: High school preparation should include as much algebra, trigonometry, and advanced mathematics as possible as well as courses in chemistry and physics.
Students should plan to transfer after two years at UW-Eau Claire unless they decide to pursue the Dual Degree Engineering Emphasis in
Physics or the Dual Degree Geological Engineering Emphasis in Geology. Required freshman and sophomore courses include Math 114, 215, 216; Phys 231, 232. Many fields of engineering also require chemistry, statistics, dynamics, differential equations, and computer programming. Students should be aware that many engineering schools require GPAs of 2.50 or higher to be admitted to the junior year. Consult a pre-engineering adviser, because specific course and grade requirements vary among engineering fields as well as among schools of engineering.

Pre-Law (Code 425-900)
Advisers: J. Evans (Political Science), M. Gillkison (Political Science), F. Kolb (Economics), M. Meyer (Philosophy and Religious Studies), P. Myers (Political Science).

Students should plan to complete a baccalaureate degree before applying for school admission and may choose from any major program of study. Choice of major and minor fields should be done with the following information in mind, including consideration of an alternative career plan. In addition to meeting with their major adviser, students should meet with one of the Pre-law advisers early in their first semester. The American Bar Association recommends that future lawyers select a major that develops skills in reading and interpreting texts, research and writing. The skills most valued in law school are analytic and problem-solving skills and courses that challenge the student in these areas are recommended. Law school admissions are based on successful completion of the undergraduate degree and scores on the Law School Admission Test (LSAT), along with other criteria set by particular programs. Studies show that students in the following majors consistently score highly on the LSAT: Economics, Finance, History, Literature, Philosophy, Physics/Math, Political Science, and Religious Studies. Courses which are recommended, regardless of major, are Acct 201; Anth 422; Bsd 305 or 306; CJ 414; Econ 103 and 104; Engl 201; Math 111 and/or 246; Phil 150, 310; Pols 110 and other courses dealing with the American political system. In addition, U.S. and world history courses, as well as ethics are recommended. Students may want to consider majoring in the Legal Studies emphasis in the Political Science Comprehensive Major or creating a topical minor in pre-law. To obtain Pre-Law designation, contact the Political Science department chair. This designation is in addition to major and minor program designations.

NOTE 1: The LSAT should be taken early in the senior year (usually September or October).
NOTE 2: In addition to LSAT scores, interviews and recommendations play an important role in law school admissions.
NOTE 3: Students may want to be involved in Future Lawyers of America, the student organization for Pre-Law.

Pre-Medicine (Code 706-900)
Advisers: J. Anderson (Biology), W. Bryant (Biology), R. Buiser (Biology), W. Gallagher (Chemistry), D. Gingerich (Biology), J. Halfen (Chemistry), D. Janik (Biology), M. Kettler (Biology), J. Rohrer (Biology).

The pre-med curriculum consists of those courses needed to meet the entrance requirements for the majority of medical schools and to prepare students to take the Medical College Admission Test. The majority of students should plan to complete the requirements for a baccalaureate degree. Because of the competition for available places, students are urged to plan programs that will permit alternative career choices if acceptance into medical school is not secured. Typical first-year courses include Biol 221; Chem 115 and 213 (or 103 and 104); one or two semesters of mathematics; and completion of the University Writing Requirement. Consult an adviser for further recommendations.

NOTE 1: Chem 103 will not apply toward the completion of a biochemistry/ molecular biology major.
NOTE 2: Entry into medical schools is based on (1) the student’s academic record, (2) the results of the Medical College Admission Test, which should be taken in the spring of the junior year, (3) recommendations, and (4) interviews.
NOTE 3: A limited number of scholarships are available for sophomore, junior, and senior pre-medicine students who meet the scholarship criteria.

Pre-Occupational Therapy (Code 665-900)
Adviser: M. Mattes (Kinesiology).

The pre-occupational therapy program is intended to prepare students for admission into a graduate program in occupational therapy. Most occupational therapy programs are now at the graduate level. Students should plan on completing a baccalaureate degree before applying to occupational therapy graduate programs. Because the specific requirements of professional schools vary considerably, students should obtain current academic catalogs from the schools in which they are interested. The pre-occupational therapy program is an advising track and not a major, minor, or certificate program. Interested students should select an appropriate major in consultation with an academic adviser in their chosen area of study.

Pre-Optometry (Code 703-900)
Adviser: D. Janik (Biology).

Students should plan to spend at least two years in undergraduate study; the majority of successful applicants have three or four years of college work. A typical first-year program includes Biol 221; Chem 103 and 104 (or 115); a mathematics course; and completion of the University Writing Requirement. Consult an adviser for further recommendations.

NOTE: The Optometry Admission Test should be taken before the semester in which the student applies for acceptance into a school of optometry. Because of competition for the available places, students are urged to plan programs that will permit alternative career choices if acceptance into an optometry school is not secured.
Pre-Pharmacy (Code 685-900)
Advisers: S. Bailey-Hartsel (Chemistry), C. Muller (Chemistry), K. Wiegel (Chemistry).

The pre-pharmacy curriculum blends science and math courses with social science and humanities courses in order to prepare future pharmacists to address medical problems with the people they will serve. Most students now admitted to pharmacy schools enter with a bachelor’s degree, so students should plan to choose a major to be more competitive. A first-year program should include Chem 115 (or 103 and 104); Math 114; Biol 221 or Biol 214 and 314; one or more of the social science courses: Econ 103; Soc 101; or Anth/AS 161; and completion of the University Writing Requirement. The minimum course work admission requirements could be planned in two years if the student is prepared to start in Chem 115 and Math 114. More time should be allowed if the student starts in a lower level math course or takes the Chem 103/104 sequence. The GPA of students admitted into pharmacy school is typically above 3.50. Pharmacy schools are increasingly emphasizing communication, leadership, and community service in their admissions criteria, so students should pace their work at UW-Eau Claire to develop strong records in both academics and community service. Experience as a pharmacy technician is also helpful. Consult an adviser for information about the Student Pharmaceutical Society and pharmacy school admissions requirements.

Pre-Physical Therapy (Code 662-900)
Adviser: M. Matte (Kinesiology).

The pre-physical therapy program is intended to prepare students for admission into a graduate program in physical therapy. Most physical therapy programs are now at the graduate level. Students should plan on completing a baccalaureate degree before applying to physical therapy graduate programs. Because the specific requirements of professional schools vary considerably, students should obtain current academic catalogs from the schools in which they are interested. The pre-physical therapy program is an advising track and not a major, minor, or certificate program. Interested students should select an appropriate major in consultation with an academic adviser in their chosen area of study.

Pre-Physician Assistant (Code 707-900)
Advisers: D. Herman (Biology), D. Janik (Biology).

Most physician assistant programs are now at the graduate level (M.S.). Students should plan on completing a baccalaureate degree before applying to physician assistant graduate programs. Specific requirements for admission will vary among programs, and students are encouraged to consult the specific program catalog for these requirements. In preparation, students should take two semesters of chemistry, two semesters of physics, precalculus/calculus, biology courses including organismal form and function, microbiology, two semesters of anatomy and physiology, psychology courses, and a communication course. Other courses may be required. Consult with an adviser for further recommendations and information, including information about regional program requirements.

Pre-Veterinary Medicine (Code 708-900)
Adviser: S. Showsh (Biology).

Students should plan to spend at least three years in pre-professional work. Many students complete a B.S. degree. A typical first-year program includes Biol 221; Chem 103 and 104 (or 115 and 213); Math 114; and completion of the University Writing Requirement. Consult an adviser for further recommendations.

Note: Most schools of veterinary medicine require experience with animals, such as that gained through a farm background or working as assistant to a veterinarian, as well as the completion of the general test of the Graduate Record Examination. Because of competition for the available places, students are urged to plan a degree program that will permit alternative career choices if acceptance into a school of veterinary medicine is not secured.

Interdisciplinary Curricula

A number of interdisciplinary programs, majors and minors, i.e., those that cross disciplines, are housed in the College of Arts and Sciences or affiliated with the College. All represent collaborative efforts to provide course work across and study of interconnections between multiple fields. The curriculum is delivered in a variety of ways. Often, faculty contribute disciplinary courses to interdisciplinary majors or minor requirements and electives. Disciplinary courses may be cross-listed with an interdisciplinary prefix to highlight the contributions of the various fields. In other instances, faculty teach interdisciplinary courses exclusively or partially for the interdisciplinary program. Those with partial assignments in the interdisciplinary program also teach disciplinary courses for a “home” department. Interdisciplinary programs in the College of Arts and Sciences are listed alphabetically with Arts and Sciences departments.

Inquiries about the following interdisciplinary majors and minors may be directed to the identified adviser(s) or the College of Arts and Sciences. Information on the interdisciplinary Chemistry with Business Emphasis can be found in the Department of Chemistry.

Interdisciplinary Majors

COMPREHENSIVE MAJOR: BIOCHEMISTRY/MOLECULAR BIOLOGY, Liberal Arts (Code 090-001)

Advisers: J. Anderson (Biology), R. Buiser (Biology), W. Gallagher (Chemistry), S. Bailey-Hartsel (Chemistry), S. Showsh (Biology), L. Turtinen (Biology), T. Yang (Chemistry).

This major leads to entry-level employment opportunities in research and development in industrial and government laboratories as well as to entry-level positions in the biotechnology industry. Graduates will also be well prepared to enter graduate studies in molecular biology, genetics, and related fields, as well as for admission to professional schools in medicine, osteopathy, and dentistry.

Requirements as follows:

I. Completion of introductory courses
   A. Passing grade(s) in introductory (100-level) chemistry courses including Chem 115 or Chem 103 and 104.
   B. Grade of C or above in Biol 221.
   C. Passage of the University Writing Requirement.

II. Completion of intermediate level core chemistry and biology courses with a 2.70 GPA for these courses:
   Chem 325 Organic Chemistry I with Laboratory
   Chem 326 Organic Chemistry II with Laboratory
   Chem 213 Quantitative Analysis
   Biol 222 Foundations of Biology I and
   Biol 223 Foundations of Biological Inquiry
   Biol 300 Genetics

Introductory course grades are not calculated into this GPA.

III. Acceptance into the program and entry into advanced courses.

Students meeting criteria in I and II will be accepted into the B/MB Program.

*Because students in the B/MB Program must follow a specific course sequence, admission to the following advanced courses will be by preassignment: Biol 401, Biol 412, Chem 412, Chem 453, and Chem 406.

Note 1: Chem 103 and 104 may be substituted for Chem 115, but only six of the ten credits count toward the major.

Note 2: Chem 433 (434 optional) may be substituted for Chem 406. (Math 215 and Phys 231, 232 required if Chem 433 [434] is taken.) This substitution is strongly recommended for students considering doctoral study in Biophysics/ Biochemistry.
COMPREHENSIVE MAJOR: CRIMINAL JUSTICE, Liberal Arts (Code 430-001)

Advisers: R. Beger (Political Science), J. Patchin (Political Science), J. Spraitz (Political Science).

The multidisciplinary criminal justice curriculum is designed to familiarize the student with the complex nature of the American criminal justice system. The study of criminal justice focuses upon the structure and functions of law enforcement, the courts, and corrections. Included is the analysis of the political, social, cultural, philosophical, and psychological forces that shape the policies, programs, and practices in the system. The liberal arts orientation of the program prepares the student for graduate-level work in criminal justice, law, and for careers at the local, state, and federal levels in law enforcement, corrections, and court related agencies. At least 60 semester credits, including:

I. Prerequisite Courses (12 credits)

NOTE: The following courses will be applied to a specific elective category based on the content: CRMJ 291, 395, 397, 399, 491, 499.

CRIMINAL JUSTICE HONORS PROGRAM

I. Goals

A. To provide an enriched educational experience for subsequent graduate study, professional activity, public life, or citizenship.

B. To encourage concentrated study in selected areas in the field of criminal justice.

C. To stimulate and challenge exceptional students to gain a better understanding of the issues, substantive content, research and theory in criminal justice.

D. To develop capabilities for independent thought and constructive criticism.

II. Entrance Requirements

A. Eligibility: Upper-class majors with resident and total GPAs of 3.50 and resident and total GPAs of 3.50 in criminal justice major courses.

B. Applications for the Honors Program should be made in writing to the Criminal Justice Program Coordinating Committee early in the junior year.

III. Graduation from the University with Honors in Criminal Justice requires maintaining resident and total GPAs of 3.50 in criminal justice major courses, and satisfactory completion of all of the following:

A. Criminal Justice major requirements.

B. Six credits of independent study, approved by the student’s honors committee.

C. An honors examination.

D. An honors research paper.
The overall theme for the major and the three interrelated concentrations will be approved by the Liberal Studies Steering Committee. When proposing the elements of the individualized major, students will describe the theme or idea joining all three concentrations, the interconnections between concentrations, and the theme or discipline of each concentration. They also will present a list of courses in each concentration that the student intends to take to acquire the knowledge and skills related to the theme of the major. Courses selected may satisfy General Education requirements. Students in this program will be encouraged to take advantage of UW-Eau Claire’s strong tradition in student-faculty collaborative research by developing and implementing a research, scholarly, or creative project, especially related to the integrating themes of their individual academic program.

In order to graduate with a Liberal Studies Comprehensive Major, students must complete the requirements specified for the Bachelor of Liberal Studies (BLS) (see degree program requirements for the College of Arts and Sciences). The BLS degree is designed to help students develop the breadth of knowledge and skills that represent the core of liberal education, including knowledge of human cultures and the natural world; communication, critical thinking, problem solving, and analytical skills; and teamwork and collaborative abilities. Through the BLS degree and LSCM, students will gain broad knowledge across the arts, humanities, natural sciences, and social sciences. They will come to understand differences and commonalities in the questions and methodologies that characterize the disciplines, along with interconnections among disciplines as they relate to issues and theoretical concepts. They will learn to inquire within and across disciplines and apply different disciplines and schools of thought to answer questions and solve problems. They will gain skills in writing and oral communication, critical analysis, and collaborating as a member of a team.

**Admission to Major Requirement:** Completion of LS 201.

**Curricular Requirements for the Major**

A minimum of 60 credits, including:

- Three Liberal Studies Seminars (9 credits)
- LS 201 Introductory Liberal Studies Seminar
- LS 301 Liberal Studies Research Seminar
- LS 480 Liberal Studies Capstone Seminar
- Three Theme- or Discipline-Based Concentrations (minimum 17 credits each and at least 51 credits total)

Each individually-designed major program must include at least 39 credits from College of Arts and Sciences course work and a minimum of 21 upper-division credits.

**Liberal Studies Courses**

**LS**

- **LS 201 Introductory Liberal Studies Seminar**
  3 crs. • F, Sp • GE-V
  Seminar Hours: 3 | Lab/Studio Hours: 0
  Addresses basic premises of liberal education and liberal studies, including historical exploration of the arts, humanities, natural sciences, and social sciences as interrelated, mutually enriching human enterprises. Introduces the research and creative methodologies used in these fields.

- **LS 301 Liberal Studies Research Seminar**
  3 crs. • Sp • P: LS 201.
  Seminar Hours: 3 | Lab/Studio Hours: 0
  Advanced study of research and creative methodologies used in the arts, humanities, natural sciences, and social sciences. Examines methodological similarities to enhance understanding of the common underpinnings that define liberal studies and human inquiry as well as differences in rhetorical strategies, questions asked, and tools used.

- **LS 395 Directed Studies**
  1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: LS 201 • Department Consent Required
  For the student who wishes to pursue study of an interdisciplinary topic under the guidance of a faculty member.
LS 399 Independent Study - Juniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: LS 201 • Department Consent Required
For the student who wishes to pursue independent study of an interdisciplinary topic under the guidance of a faculty member.

LS 480 Liberal Studies Capstone Seminar
3 crs. • F, Sp • CP • P: LS 301 • Minimum senior standing.
Seminar Hours: 3 | Lab/Studio Hours: 0
Culminating experience of the Liberal Studies Major. Focuses on critical inquiry in and complex interactions between the arts, humanities, natural sciences, and social sciences. Completion of a semester-long project related to the theme of the major.

LS 498 Internship
1-6 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: LS 201 • Department Consent Required
Provides applied experience in an area of interest with content related to a student’s theme of study.

LS 499 Independent Study - Seniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: LS 201 • Department Consent Required
For the student who wishes to pursue independent study of an interdisciplinary topic under the guidance of a faculty member.

COMPREHENSIVE MAJOR: ORGANIZATIONAL LEADERSHIP AND COMMUNICATION, Liberal Arts (Code 375-001)
Adviser: K. Lang, Academic Director, Bachelor of Professional Studies.

The Organizational Leadership and Communication (OLC) Comprehensive Major is a 60-credit online degree completion program designed for individuals who have completed the Associate of Arts and Science (AAS) degree in the UW Colleges, comparable Associate of Arts and Associate of Science degrees elsewhere, or comparable course work.

The OLC includes three seminars of three credits each and 51 credits of courses specifically designed to meet the needs of community and organizational leaders. The curriculum develops students’ ability to apply the knowledge and skills gained to professional settings so they can define and solve problems ethically, write and speak proficiently, seek out and analyze data needed for effective decision making, understand communities at all levels, and collaborate and lead effectively in their workplaces and communities. UW-Eau Claire hallmarks such as the capstone course, student/faculty collaborative research, and service-learning are available to the students and, in the case of the capstone course and service-learning, are required in the OLC Comprehensive Major.

In order to graduate with an Organizational Leadership and Communication Comprehensive Major, students must complete the requirements specified for the Bachelor of Professional Studies (BPS) (see degree program requirements for the College of Arts and Sciences). The BPS degree provides an opportunity for students to focus on the liberal arts and sciences throughout completion of the Bachelor’s degree, building on the study of the liberal arts and sciences achieved in earlier course work.

Admission to Major Requirement: Completion of the AAS degree in UW Colleges or completion of an Associate degree in liberal studies comparable to the AAS degree, or comparable course work. Students who have a significant number of credits but no Associate degree will have their portfolios evaluated for admission consideration.

Curricular Requirements for the Comprehensive Major
A minimum of 60 credits, including:

Three Core Seminars (9 credits)
PSAS 300 Introduction to Organizational Leadership and Communication
PSAS 350 Using Data to Make Decisions
PSAS 480 Organizational Leadership and Communication Capstone

Required Knowledge/Skill/Values Courses (51 credits)

MAJOR: ORGANIZATIONAL LEADERSHIP AND COMMUNICATION, Liberal Arts (Code 375-201)
Adviser: K. Lang, Academic Director, Bachelor of Professional Studies.

Another option for students seeking an entirely online program is the 36-credit Organizational Leadership and Communication (OLC) Major, which includes a subset of the courses in the OLC Comprehensive Major. Eight courses (24 credits) are required in both programs. For the remaining four courses (12 credits), students will choose from a variety of OLC course options.

To graduate with an Organizational Leadership and Communication Major, students must complete the requirements specified for the Bachelor of Professional Studies (BPS) (see degree program requirements for the College of Arts and Sciences). They also will need to complement the major with a minor or certificate program.

Curricular Requirements for the Major
A minimum of 36 credits, including:

CERTIFICATE PROGRAM
The Organizational Leadership and Communication Certificate (Code 375-601) is designed to enhance access to higher education for nontraditional students. While offering adult learners an option for gaining some of the same practical organizational leadership and communication knowledge and skills as students enrolled in the BPS degree program, this certificate program allows students to obtain a useful credential in a credit-limited way.
Admission requirements
Thirty credits earned from an accredited college or university.

Required courses – 6 credits
PSAS 300 Introduction to Organizational Leadership and Communication, 3 crs

Three credits selected from:
- CJ 390 Communication in Interpersonal and Cultural Contexts, 3 crs
- CJ 391 Communication in Organizations: Perspectives and Applications, 3 crs
- CJ 392 Communication in Teams and Groups, 3 crs

Elective courses – 6 credits selected from:
- CJ 390* Communication in Interpersonal and Cultural Contexts, 3 crs
- CJ 391* Communication in Organizations: Perspectives and Applications, 3 crs
- CJ 392* Communication in Teams and Groups, 3 crs
- PSB 321 Business Communication for Today’s Workforce, 3 crs
- PSB 350 Principles of Management and Leadership, 3 crs
- PSB 360 Marketing and Selling Your Ideas, 3 crs
- PSB 370 Human Resource and Legal Issues in the Workplace, 3 crs
- PSB 380 Accounting for the Workplace, 3 crs

*if not already taken to satisfy required course requirement.

Note: Students cannot pursue the Organizational Leadership and Communication Major and Organizational Leadership and Communication Certificate to meet graduation requirements for completing a first and second degree program.

For advising, see Professor K. Lang, Academic Director, Bachelor of Professional Studies.

Professional Studies Courses

PSAS 300 Introduction to Organizational Leadership and Communication
3 crs. • V • BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive majors, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

No credit toward any major or minor in Communication, Mass Communication, Integrated Strategic Communication, or Journalism.

Introduces principles of effective organizational leadership and communication. Emphasizes the role of writing, speaking, analysis and research in organizational leadership. Prepares students to integrate content and skills from courses across the major.

PSAS 350 Using Data to Make Decisions
3 crs. • V • BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive majors, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Students will learn basic research tools and methods—both qualitative and quantitative, grounded in the social sciences, to assist them in formulating and addressing real-world problems. Course will also address the application of appropriate technology tools including database management and statistical software.

PSAS 399 Independent Study-Juniors
1-3 crs. • V • BPS Flat Rate Tuition • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Limited to students in the Bachelor of Professional Studies degree program. Junior standing. • Department Consent Required Individual projects completed under the direction of a faculty member.

PSAS 480 Organizational Leadership and Communication Capstone
3 crs. • V • CP; BPS Flat Rate Tuition • A-F Grades Only • P: PSAS 350. Limited to Organizational Leadership and Communication comprehensive majors, Bachelor of Professional Studies degree. Senior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

No credit for major or minor in Communication, Mass Communication or Journalism. Culminating experience taken near the end of the major program. Students engage in collaborative research, internship, volunteer or other immersion experience resulting in a final project integrating the practice of skills with the application of knowledge from the major.

PSAS 499 Independent Study-Seniors
1-3 crs. • V • BPS Flat Rate Tuition • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Limited to students in the Bachelor of Professional Studies degree program. Senior standing. • Department Consent Required Individual projects completed under the direction of a faculty member.

Psb

PSB 321 Business Communication for Today’s Workforce
3 crs. • F • BPS Flat Rate Tuition • A-F Grades Only • P: Completion of University Writing Requirement, CJ 202, or equivalent competency. Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies (BPS) degree or by consent of the Academic Director for the BPS degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• No credit toward any major or minor in the College of Business.

Students focus on oral and written business communication theory and practice to enhance their communication skills. The use of technology for communicating in today’s business environment is explored.

PSB 350 Principles of Management and Leadership
3 crs. • F • BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies (BPS) degree or by consent of the Academic Director for the BPS degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• No credit toward any major or minor in the College of Business.

Managerial functions of planning, organizing, directing and controlling as they apply to organizations are discussed. Principles of leadership, motivation and project management as they relate to the role of individual and team applications are examined.

PSB 360 Marketing and Selling Your Ideas
3 crs. • Sp • BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies (BPS) degree or by consent of the Academic Director for the BPS degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• No credit toward any major or minor in the College of Business.

The course examines how profit and non-profit organizations identify and evaluate customer needs by offering need-satisfying products and services. It examines how individuals can promote their ideas in a persuasive manner.

PSB 370 Human Resource and Legal Issues in the Workplace
3 crs. • F • CD1; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies (BPS) degree or by consent of the Academic Director for the BPS degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• No credit toward any major or minor in the College of Business.

Recruiting, selection, appraisal, training, reward systems and employee relations in the workplace are examined. Equal Opportunity Law and international human resource issues as well as basic workplace legal issues are addressed.

PSB 380 Accounting for the Workplace
3 crs. • Sp • BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies (BPS) degree or by consent of the Academic Director for the BPS degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• No credit toward any major or minor in the College of Business.

An introduction to basic accounting concepts students encounter in their lives. Financial statements are analyzed to reveal the financial health of a person or organization and how to include financial information when making decisions about investing, borrowing and budgeting.

COMPREHENSIVE MAJOR: PHYSICAL SCIENCE

Teaching (Code 240-004)

Advisers: R. Eierman (Chemistry), E. Hendrickson (Physics and Astronomy), or L. Likkel (Physics and Astronomy).

Sixty semester credits, including Phys 226, 231, 232, 332, 340, 350 (25 credits); either Chem 115, 213, 218, 325, 326 and 420 (23 credits) or Chem 103, 104, 213, 218, 325 and 326 (23 credits); Math 114, 215 (eight credits); and at least four credits of electives from Math 112, chemistry, or physics.

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Chemistry, Physics, and Physical Science in Early Adolescence through Adolescence classrooms.

NOTE: Completion of the following requirements and ES 367 adds Broadfield Science licensure to the Physical Science major: Biol 100 and 151, and eight credits from Geog 114, Geol 110 or 115, Phys 229.
COMPREHENSIVE MAJOR: PHYSICS-MATHEMATICS, Teaching
Advisers: E. Hendrickson (Physics and Astronomy), E. Zeitler (Geography), K. Lang (History), R. Freitag (Political Science), or J. Hein (Sociology).

Sixty semester credits including: Bio 151, 214, 222, 223, 224, 314; 10 credits in chemistry courses required for the physics major; plus Chem 111; four credits in mathematics courses required for the mathematics major; plus Geol 111 or 115; Geog 111, 221; plus one course from Geol 102, 301, 308, 418, or Phys 229.

B. A minimum of one additional physics course from the Physics Emphasis.

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Physics and Mathematics in Early Adolescence through Adolescence classrooms.

NOTE: Completion of the following requirements and ES 367 adds Broadfield Science licensure to the Physics-Mathematics major:
A. Fourteen credits from the following areas: (1) Biol 151, 214, 222, 223, 224, 314; (2) ten credits in chemistry courses (103, 104) required for the physics major; plus Chem 213; (3) Geol 110 or 115; Geog 104; Phys 226; plus one course from Geol 102, 301, 308, 418, or Phys 229.
B. Eight credits in each of the two areas not selected in A above: (1) Biology 151, 214, 222; (2) ten credits in chemistry courses (103, 104) required for the physics major; (3) Geol 110 or 115; Geog 104; Phys 226, 229.

COMPREHENSIVE MAJOR: SOCIAL STUDIES, Broadfield Teaching
Single Concentration Advisers: W. Carroll (Economics), E. Zeitler (Geography), K. Lang (History), R. Freitag (Political Science), or J. Hein (Sociology).

Dual Concentration Advisers: K. Lang (History) or R. Freitag (Political Science).

The comprehensive major in Broadfield Social Studies prepares education students to teach fusion social studies courses and subject-specific social studies courses in their area or areas of concentration.

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach fusion social studies courses in Early Adolescence through Adolescence classrooms and also courses in discrete subjects in which 24 credits are completed.

After admission to the Education Professional Program, all Broadfield Social Studies majors must pass the Praxis II Social Studies examination (Exam #10001). This examination is prepared by the Educational Testing Service and tests content from all social studies subject areas. Praxis II examinations may be taken on campus at the Office of Academic Testing (Schofield 226).

Students will choose one of two emphases available within the Broadfield Social Studies major.

A. Single-concentration Emphasis: The Broadfield Social Studies major with the single-concentration emphasis leads to certification to teach fusion social studies courses and courses in the area of concentration.

Sixty semester credits, including:
1. A 36-credit concentration in one of the following disciplines: Economics (Code 500-018), Geography (Code 500-019), History (Code 500-020), Political Science (Code 500-021), Sociology (Code 500-022). Courses taken to fulfill this requirement must be those specified as constituting a teaching major in the appropriate department or as described in Note 1 or 2 below.
2. Idis 285; Pols 110 and 301; Econ 103 and 104, or 201 (if not included in [1]).
3. Remaining credits to total 60 in the major. The 60 credits will be from at least four subject areas. The remaining credits will be chosen from Econ 321; Geog 111, 325, 379; Hist 114, 115, 124, 125, and either 210 or Hist/AIS 240; Pols 122, 260, 305; Soc 101, 164, 242, 312; Soc/WMNS 202; Crmj 103 (if not included in [1]).

NOTE 1: Sociology concentration requirements: 36 credits including Soc 101, 242, 312, 316 or 164, 328, 330, 332, 490 and 12 credits of Sociology electives. Eighteen of the 36 credits for the concentration must be earned in upper division courses (those numbered 300 or higher at UW-Eau Claire).

NOTE 2: Geography concentration requirements: Minimum of 36 credits including Geog 104, 111, 178, 200, 335, 370, 401, and five courses to be selected with consent of adviser; two courses from Regional Geography Approach and three courses from two of the remaining Advanced Geography Approaches.

NOTE 3: In addition to the 60-credit major, students must complete Geog 178 or Biol 180 (in GE-II) and Psy 261 (in GE-III).

Students with a single-concentration emphasis will receive certification in broadfield social studies and one area of concentration. Students who also choose to include in their program a certifiable minor in a subject outside of social studies (in addition to the Broadfield Social Studies major) will take the appropriate Praxis II examination in that subject as well as the social studies examination. For advising, see an adviser in the area of concentration.

As an alternative to the Broadfield Social Studies major, students may select a teaching major (36 credits) in Economics, History, or Political Science, in conjunction with a certifiable minor (24 credits). This program leads to certification to teach courses in the major and minor subjects, but not fusion social studies courses. These students must take the Praxis II social studies exam and also, if their minor is outside of social studies, the Praxis II exam in the content area of the minor.

B. Dual-concentration Emphasis: The Broadfield Social Studies major with the dual-concentration emphasis leads to certification to teach fusion social studies courses, history courses, and courses in the second area of concentration.

Sixty semester credits, including:
1. History concentration: Hist 114, 124, 125, 288, and either Hist 115, Hist/WMNS 205, Hist 210 or Hist/AIS 240 (14 credits); at least 10 additional credits in History at the 300 or 400 level, with one course from United States history, one course from European history, and one course from World History. (See History Department section for course listings.)
2. A 24-credit concentration in one of the following disciplines: Economics (500-023), Geography (500-024), Political Science (500-025), Sociology (500-026). Courses taken to fulfill this requirement must be those specified as constituting a teaching minor in the appropriate department.
3. Idis 285; Pols 110; Econ 103 and 104, or 201 (if not included in [2]).
4. Remaining credits to total 60 in the major. The 60 credits will be from at least four subject areas. Additional credits will be from among Econ 321; Geog 111, 325, 379; Pols 122, 260, 305; Soc 101, 164, 242, 312; Soc/WMNS 202; and Crmj 103 (if not included in [2]).

NOTE 1: In addition to the 60-credit major, students must complete Geog 178 or Biol 180 (in GE-II) and Psy 261 (in GE-III).

NOTE 2: In category 4, students with a Geography concentration will choose only from among Econ 321; Pols 301, Pols 305; or Soc 312.

Students who complete the dual-concentration emphasis will receive broadfield social studies, history, and discrete subject certification in the social studies subject in which they complete 24 credits.
Students who also choose to include in their program a certifiable minor in a subject outside of the social studies (in addition to the Broadfield Social Studies major) will take the appropriate Praxis II examination in that subject as well as the social studies examination. After initial advising, students will then be assigned two advisers, one in the Department of History and one in the other subject in which they elect to complete 24 credits.

As an alternative to the Broadfield Social Studies major, students may select a teaching major (36 credits) in Economics, History, or Political Science in conjunction with a certifiable minor (24 credits). This program leads to certification to teach courses in the major and minor subjects, but not fusion social studies courses. These students must take the Praxis II social studies exam and also, if the minor is outside of social studies, the Praxis II content exam in the minor.

Interdisciplinary Minors

MINOR: ANCIENT STUDIES, Liberal Arts (Code 310-401)

Adviser: M. Waters (Languages).

The minor in Ancient Studies touches upon almost every field of human inquiry: language, literature, history, politics, religion, medicine, and science, to note only a few of the broader disciplines. Students taking courses to fulfill this minor will pursue the following specific goals: (1) to enhance their appreciation and understanding of ancient languages, cultures, and their own heritage; (2) to develop students' critical thinking abilities via language acquisition (study of grammar, translation, and interpretation), text analysis, historical perspective, and study of the influence of ancient civilizations upon subsequent periods; (3) to pursue an option within the undergraduate experience which allows one to explore in a systematic way the fundamental building blocks and materials of a liberal education and, thereby, highlight UW-Eau Claire’s goals as a liberal arts institution; (4) to develop an interdisciplinary approach to these fields of study and to discover, by study of their origins, an apprehension of the underlying reasons and perspectives; (2) examine the well-being of diverse individuals and families over the lifespan including the dynamic relations within families and communities; and (4) provide a knowledge of individuals, families and communities; and (4) provide a knowledge of ancient studies may be applied to either category of the minor, with approval from the minor adviser.

This minor provides the student with the opportunity to become knowledgeable about computing and proficient in its application to the student’s major scientific emphasis. Working with faculty from multiple departments, students participate in multidisciplinary approaches to problem solving that have computing at their core.

The minor requires a minimum of 24 semester credits, including:

Prerequisite: Math 215, Calculus II
Core Courses: CS 163, Introduction to Programming in C++; CS 170, Computing for Sciences and Math; Math 246, Elementary Statistics; Math 351, Numerical Analysis I; Math 354, Introduction to Mathematical Modeling; CPSC 300, Computational Science II.

Major Elective: At least one course within the student’s major selected from the elective list.

Minor Elective: At least one course outside of the student’s major selected from the elective list.

Elective list: Chem 406; CS 318; Geog 280, 328, 335, 338, 339; Geol 315, 445; Math 312, 313, 338, 352; Math/Phys 440; Phys 226, 229, 360; Biol 383.

In addition to this multidisciplinary minor, see page 108 of this Catalog for major and minor programs in the Department of Computer Science.

Computational Science Course

CPSC

CPSC 300 Computational Science II
3 crs. • F • P: MATH 351 and 354.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Coordinating Department: Physics and Astronomy.

Case studies of problems in computational science. Examples include molecular modeling, computational chemistry, stellar and planetary systems, thermodynamics, seismic modeling, geographic information systems, and atmospheric/oceanic circulation models. Solutions involve various computational tools and techniques.

MINOR: FAMILY STUDIES, Liberal Arts (Code 487-401)

For advising, contact the Sociology Department.

The interdisciplinary Family Studies Minor is designed to:
(1) enhance students’ understanding of the issues and problems confronting contemporary families from sociological, developmental, psychological, historical, religious, economic, and anthropological perspectives; (2) examine the well-being of diverse individuals and families over the lifespan including the dynamic relations within families and the interaction between families and society; (3) provide an interdisciplinary liberal arts base for students who wish to pursue graduate study and careers working to improve the lives of individuals, families and communities; and (4) provide a knowledge of family studies that will foster personal and social development of the individual student.

Twenty-four semester credits, including:

Required Courses:
Hist 370 History of the Family in America
Psych 230 Human Development
Soc 164 Family and Intimate Relationships
Soc 316 Sociology of Family
MINOR: GLOBAL STUDIES, Liberal Arts (Code 424-400)
Adviser: M. Cassidy (College of Arts and Sciences).

Gerontology is a multidisciplinary field that examines the correlates and consequences of human aging. To reflect this multidisciplinarity, the Gerontology minor includes courses from a variety of academic disciplines. Objectives of the minor include: 1) promoting an understanding of the multifaceted nature of the human aging process; 2) generating awareness of both the rewards and challenges associated with aging; 3) providing a broad program of study that complements a number of major programs and prepares students for graduate study and/or careers in the field of aging.

Twenty-four semester credits, including:

**Core Courses**
- Biol 151 Biology of Humans
- CSD 410 Communication Changes and Disorders of the Older Adult
- Psych 333 Psychology of Adulthood and Aging
- SW 315 Aging and the Aged
- Soc 364 Social Gerontology

*NOTE: If both SW 315 and Soc 364 are taken, three of the credits will count toward the remaining credits category.*

**Remaining** credits to be selected from: Biol 196; Econ 280; Hdad 222; Idis 201; Nrsng 211, 212, 213; Phil 306; Psy 230; Rels 315; Soc 316. Up to three credits from Directed Studies, Independent Study, or Special Topics courses that focus on gerontological issues may be applied to the minor with approval from the Gerontology minor adviser.

**MINOR: GERONTOLOGY,** Liberal Arts (Code 670-400)
Adviser: M. Cassidy (College of Arts and Sciences).

Gerontology is a multidisciplinary field that examines the correlates and consequences of human aging. To reflect this multidisciplinarity, the Gerontology minor includes courses from a variety of academic disciplines. Objectives of the minor include: 1) promoting an understanding of the multifaceted nature of the human aging process; 2) generating awareness of both the rewards and challenges associated with aging; 3) providing a broad program of study that complements a number of major programs and prepares students for graduate study and/or careers in the field of aging.

Twenty-four semester credits, including:

**Core Courses**
- Econ 104 Principles of Macroeconomics
- Hist 125 World History Since 1500 or 292 Origins of Current World Conflicts
- ArtH 310 History of World Architecture
- Pols 102 Introduction to Politics or 122 Introduction to World Politics

The interdisciplinary minor in Global Studies is designed to enhance students' understanding of other languages, diverse cultures, and global issues. It provides students with the knowledge and skills that can be used in a changing and increasingly interdependent world. It also offers curricular options that encourage participation in other international studies programs as well as study abroad and internship options. By completing this minor, students should develop: (1) a historical perspective of international life, cultures, and countries; (2) an understanding of economic and financial differences that often define life in other countries and account for life experiences, education, and social development; (3) an understanding of the social and cultural differences that serve to define life in international communities; (4) an understanding of world politics and the influence of private and public organizations that are transforming power and social interactions around the world; (5) an understanding of world geography by studying the production, exchange, consumption patterns, and development of international communities; (6) an understanding of foreign languages that will prepare them for study abroad experiences as well as employment in multinational companies, governmental agencies, education, social work, and health service organizations.

To be awarded the minor, in addition to the 24 semester credits required, students also must have foreign language competency at the 102 level.

Twenty-four semester credits, including:

**Core Courses** (12 credits):
- Econ 104 Principles of Macroeconomics
- Hist 125 World History Since 1500 or 292 Origins of Current World Conflicts
- ArtH 310 History of World Architecture
- Pols 102 Introduction to Politics or 122 Introduction to World Politics

A minimum of 28 semester credits including Biol 100, Phys 100, and Geol 106. Remaining credits must be selected from: Biol 130, 151, 180, 181, 195, 196; Chem 103, 104, 115, 121, 150, 191, 304, 399; Geog 178, 200, 304, 335, 338, 361; Geol 301, 303, 308, 312, 420; Phys 115, 211, 212, 226, 229, 315. Only one of Geog 178 or Biol 180 may be included in the minor. Additional courses may be considered with prior approval from the course instructor and general science minor adviser.

At least ten credits from one discipline (biology, chemistry, geography/geology, physics/astronomy) and six credits from each of the other three disciplines must be completed.

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach General Science in Middle Childhood through Early Adolescence classrooms.
MINOR: LANGUAGE STUDIES, Middle Childhood/Early Adolescence (Code 930-402)

For advising, contact the Education Studies Department.

Consisting of studies in Communication, Communication Studies and Disorders, English, Education, and Theatre Arts, this minor provides a broad background which is useful to all teachers in the language arts. This minor is a valid minor for individuals seeking licensure to teach in Middle Childhood through Early Adolescence classrooms.

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach English/Language Arts in Middle Childhood through Early Adolescence classrooms.

MINOR: LANGUAGE STUDIES, Liberal Arts (Code 570-401)

For advising, contact the English Department.

The Language Studies minor is designed to impart a basic understanding of what human language is, how it functions, and how it is acquired. Courses may be selected not only to complement a liberal arts major, but also to strengthen the competencies needed in vocations concerned with communication or to establish a foundation for further study in linguistics.

Twenty-four semester credits from at least four departments, including at least 11 credits at the 300 level or higher, selected from the following:

Core requirements (12 credits, six from A and six from B):

A. Engl 221 Introductory English Linguistics
   Engl 321 Topics in the Structure of English
   Engl 325 Topics in Language in Society
   Engl 421 Seminar in Linguistic Research

B. Anth 315 Language in Culture and Society
   Phil 322 Philosophy of Language

Elective Courses (12 credits) chosen from the following list, with a minimum of six credits, at the 300 or 400 level:

Anth 315, 345, 351, 355, 422, 463; Anth/Wmnns 356
ArtH 109, 225, 227; ArtH/AIS 324, 335
CJ 301, 319
Econ 351, 353, 355; Econ/LAS 356
Engl 230, 330
Nurs 213 (meets University Wellness requirement)
Languages: Fren 355; Germ 363; Span 356; Span/LAS 352
Geog 301, 308, 319, 321, 378
Musi 225, 303
Nurs 389, 448
Pols 121, 260, 265, 321, 322, 323, 324, 325, 327, 331, 332, 334, 335, 390; Pols/LAS 319, 320
RelS 304, 307, 309, 312, 314, 323, 378; RelS/AIS 330
Note 1: Courses cannot be counted in both the major and the minor.

Note 2: With the exception of Econ 351, 353, 355; Musi 303; Nurs 213, 389, 448, the remaining courses count for General Education credit. (Reminder: No more than ten credits from any one course prefix may be counted for General Education credit.)

Note 3: It is not likely that students in major other than Music will have the prerequisites for Musi 303.
The Middle East
Geog 319 Geography of the Middle East and North Africa
Pols 321 Politics of the Middle East
Pols 328 Political Islam
Pols 336 Arab-Israeli Conflict
Hist 366 The Middle East Since Muhammad
Hist/Wmns 385 The History of Middle Eastern Muslim Women
Soc 485 Sociology of the Middle East

NOTE 1: Engl 330 Topics in World/Postcolonial Literature may be substituted for any course in the Middle East category if the topic is Middle Eastern.
NOTE 2: Students are encouraged to complete a study abroad program in a Middle Eastern country and will be able to transfer credits from that program into the minor.
NOTE 3: Students may substitute an independent study, special topics, or directed studies course with a focus on the Middle East for a course from either category with consent of the minor adviser.

CERTIFICATE PROGRAM
The Certificate in Middle East Studies (Code 355-601) is designed for students who have a strong interest in Middle East Studies but are not able to complete the requirements for a minor in Middle East Studies.

Students are required to take a minimum of 12 credits from at least three prefixes selected from the following list:

Rels 307 Judaism
Rels 309 Islam
Geog 319 Geography of the Middle East and North Africa
Pols 321 Politics of the Middle East and North Africa
Pols 328 Political Islam
Pols 336 Arab-Israeli Conflict
Hist 366 The Middle East Since Muhammad
Hist/Wmns 385 The History of Middle Eastern Muslim Women
Soc 485 Sociology of the Middle East

NOTE 1: Courses cannot be counted in both the major and the certificate program.
NOTE 2: Though there are no program prerequisites for the Certificate in Middle East Studies, there may be prerequisites for some of the courses that are a part of the Certificate.

For advising, see Professor S. Fink (Philosophy and Religious Studies).

MINOR: MULTIMEDIA COMMUNICATION, Liberal Arts
(Code 608-400)
Advisers: R. Cronje (English), M. Hoffman (Communication and Journalism), M. McMann (Art & Design and Computer Science), C. Theo (Art & Design), G. Vadhavkar (Communication and Journalism).

The ability to develop ideas and present them through a variety of media is indispensable in our communication-rich society. The interdisciplinary minor in Multimedia Communication prepares students to analyze audiences, frame arguments, express themselves clearly in the written and spoken word, understand basic principles of visual design, gather and edit audio and video, and use web-based software to publish their work. Students take courses from the domains of visual communication (Art, Communication & Journalism), written communication (Communication & Journalism, English) and computer programming (Computer Science). The minor is suitable for students who would benefit from the ability to communicate information from their disciplines to a variety of audiences.

Students must complete a total of 24 credits for the minor. Courses counted in the core cannot be used to fulfill requirements in elective credit domains. Because the minor is designed to broaden students’ knowledge and skills in multimedia communication no more than nine credits in the prefix of a student’s major may be counted toward the minor.

Required Core Courses
Art 312 Computer Graphics, 3 crs
CJ 184 Multimedia Communication, 3 crs
CS 318 Fundamentals of Web Page Design, 3 crs

Three credits from one of the following:
Engl 220 Introduction to Creative Writing, 3 crs or
Engl 307 Editing and Publications Management, 3 crs or
Engl 312 Topics in Rhetoric and Science, 3 crs or
Engl 313 Topics in Rhetoric and Technology, 3 crs or
Engl 314 Topics in Rhetoric and Culture, 3 crs

Elective Courses
• Must select at least one course from each of the three domains. An English class counted in the core cannot be used to fulfill requirements in the elective domains.

NOTE: Computer Science majors may not select CS 319 or 320 in the Computer Programming Domain.

• Select one additional course from any of the three domains.

Visual Domain - choose at least one course from this domain
Art 274 Graphic Design I, 3 crs
Art 275 Graphic Design II, 3 crs
Art 281 Introduction to Photography as an Art Form, 3 crs
Art 374 Graphic Design IV, 3 crs
Art 375 Electronic Media Design I: Information Environments, 3 crs
Art 378 3-D Computer Animation I, 3 crs
Art 476 Graphic Design VI, 3 crs
Art 478 3-D Computer Animation II, 3 crs
CJ 241 Audio and Video Production Process, 3 crs
CJ 284 Introduction to Photography, 3 crs
CJ 380 Visual Communication Design, 3 crs
Engl 315 Topics in Visual Rhetoric, 3 crs

Written Domain – choose at least one course from this domain
CJ 222 Beginning Journalism, 3 crs
CJ 373 Writing for Public Relations, 3 crs
Engl 220 Introduction to Creative Writing, 3 crs
Engl 307 Editing and Publications Management, 3 crs
Engl 310 Intermediate Poetry Writing, 3 crs
Engl 311 Intermediate Story Writing, 3 crs
Engl 312 Topics in Rhetoric and Science, 3 crs
Engl 313 Topics in Rhetoric and Technology, 3 crs
Engl 314 Topics in Rhetoric and Culture, 3 crs
Engl 409 Grant Proposal Writing, 3 crs
Engl 415 Seminar in Science and Nature Writing, 3 crs

Computer Programming Domain – choose at least one course from this domain
CS 319 Introduction to Web Programming, 3 crs
CS 320 Web Database Design and Implementation, 3 crs
CS 322 Animation Programming, 3 crs

MINOR: PRE-PROFESSIONAL HEALTH SCIENCE, Liberal Arts
(Code 709-400)

For advising, contact one of the pre-professional advisers listed with the pre-professional program of interest or contact the Biology Department for a referral.

This minor is designed for students preparing for post-baccalaureate health profession programs. Students in pre-dentistry, pre-optometry, pre-chiropractic, pre-pharmacy, pre-physical therapy, and other pre-professional health programs, as found in this catalog, may find this minor helpful in planning a baccalaureate degree. Because admission requirements vary widely among graduate programs, it is strongly recommended that the student consult with an adviser listed with the pre-professional program of interest. This minor may not be appropriate preparation for some graduate-level health profession programs.
Twenty-four credits are required from courses outside of the major department. At least eleven credits must be from courses numbered 300 or higher.

Core: Biol 221, 222, 223; Chem 104 or 115; Chem 325, 326; Phys 212 or 232; Engl 305 or 308.

Remitting credits are to be chosen from the following courses outside of one's major: Biol 300, 214 and 314 (no credit for 214 unless 314 is taken), and only five credits of 214 and 314 may be counted toward the minor), 361; Chem 213, 352; Econ 280; Enph 110; Nrsng 211, 212, 213, 220, 285, 377, 389; Nrsng/Wmns 265; Idis 301; Math 114, 246; Phil 306; Psyc 230.

MINOR: RUSSIA AND EAST EUROPEAN STUDIES,
Liberal Arts (Code 331-402)

Adviser: S. Majstorovic (Political Science).

The Russia and East European Studies Minor is designed: (1) to develop a multidisciplinary understanding of the peoples and cultures of Russia and its East European neighbors; (2) to provide a broad program for students interested in international economics or international relations; and (3) to provide systematic knowledge of this important area of Europe essential to a better understanding of today's world.

Twenty-four semester credits distributed as follows:

Core Requirements (8 credits)
Russ 101 Beginning Russian
Russ 102 Beginning Russian

Electives (16 credits) No more than nine credits from History courses are applicable to the minor.
Engl 130 Introduction to World/Postcolonial Literature
Geog 308 Russia and Eastern Europe
Hist 371 History of the Modern Balkans
Hist 375 Twentieth Century Russia
Hist 379 History of Modern East Europe
Pols 322 Politics of Russia

NOTE: The course in English may apply only when the topic is Russian Literature.

Study Abroad Option: Students are encouraged to participate in the study abroad program in Latvia offered by UW-Eau Claire. Course credit gained in this program may be used to fulfill part of the Russia and East European minor. For more information about the study abroad option, contact Professor S. Majstorovic (Political Science).

MINOR: SOCIAL STUDIES, Middle Childhood/Early Adolescence
(Code 500-403)

Adviser: J. Worley (Education Studies).

The Social Studies minor is designed to give Middle Childhood/Early Adolescence majors who have a strong interest in the social sciences the opportunity to pursue a broader array of courses than is possible in meeting the General Education requirements.

Twenty-four semester credits, including:
A. Idis 285
B. Hist 114 or 115, and 124 or 125
C. Geog 111
D. Psyc 100 or Psyc 245 or Soc 321
E. Econ 201
F. Soc 101

G. Three credits chosen from the following courses: Anth 315; Anth/AIS 325; Anth/Wmns 336; Econ 268, 380; Econ/Wmns 337; Geog 301, 308, 325, 379; Hist 370, 480; Hist/AIS 240, 369; Hist/Wmns 205; Pols 122, 260, 311, 341, 342, 350; Psyc/Wmns 336; Psyc 346; Soc 310, 312, 316.

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach Social Studies in Middle Childhood through Early Adolescence classrooms.

MINOR: TEACHING ENGLISH AS A FOREIGN LANGUAGE,
Liberal Arts (Code 550-406)

Adviser: K. M. Reynolds (Languages).

Teaching English as a Foreign Language (TEFL) is the instruction of English to speakers of other languages (e.g., Japanese, Portuguese, Russian, or Spanish, etc.) while living outside of the United States. EFL instructors can work for private language schools, public and private elementary, middle, or high schools, and universities abroad. English is the language of instruction, but it does help if the teacher knows something of the students' native language and culture. Individuals who obtain either a TEFL minor (24 credits) or TEFL certificate (14 credits) may go abroad on their own with the Peace Corps, on a Fulbright Exchange, etc. An overseas practicum experience is required. All students wishing to pursue a TEFL minor or certificate are required to meet with an adviser.

The TEFL Minor Program is in the College of Arts and Sciences in the Department of Languages. It serves students with majors outside the College of Education and Human Sciences and those who are not seeking State of Wisconsin initial certification. Major fields are quite far-ranging because of the demand for specialized knowledge in the field of TEFL, such as History, Business, Biology, Anthropology, Geology, Nursing, Religious Studies, Law, Computer Science, or Social Work. Students minoring in TEFL also receive the TEFL certificate.

The TEFL Minor Program differs from the Teaching of English to Speakers of Other Languages (TESOL) Minor in four ways. First, the TESOL Minor and the TEFL Minor have differing methods and practicum courses. Second, the TEFL Minor allows for elective credits to prepare the individual for instruction in a specific country and in English for Specific Purposes (ESP), while the TESOL Minor has specific State requirements that prescribe only certain courses. Third, the TESOL Minor offers the State of Wisconsin add-on license in TESOL; whereas the TEFL Minor does not prepare students for ESL instruction in the United States. The TEFL Minor serves diverse majors, and does not require admission to the College of Education and Human Sciences.

Twenty-four semester credits, including:

Required courses (minimum of 20 credits):
CSD 262 Phonetics: Theory and Application
Engl 221 Introductory English Linguistics
Anth 315 Language in Culture and Society or
Anth/Geog 351 Cross-Cultural Dynamics or
CJ 301 Intercultural Communications
Flg 378 Second Language Acquisition
Flg 409 TEFL Methods
Flg 400 Assessment of English Language Learners
ES 493 International Experience in Education or
Flg 375 Internship Experience

Elective Courses — minimum of four credits, unless ES 493 is taken for more than four credits or Flg 375 is taken for five or more credits. The electives listed below are some of the choices available to TEFL Minors, however, students will be allowed to choose elective courses which will benefit them in their future TEFL instruction. (See the TEFL adviser for other acceptable electives.)

Engl 201 Advanced College Writing
Psyc 260 Educational Psychology
Bcom 206 Business Writing
CJ 202 Fundamentals of Speech
ES 285 Computers in Education: Introduction
Pols 260 Introduction to Comparative Politics
Pols 265 Problems of Developing Nations

CERTIFICATE PROGRAM

Even though the TEFL Certificate and Minor are highly similar, the Teaching English as a Foreign Language Certificate (Code 550-601) program has a minimum of 14 credits, which would parallel the TEFL Minor (24 credits) in a reduced manner. This program provides only the basics for future EFL teachers. It is offered as an option for those who
do not have the time to complete the TEFL Minor within their existing programs, or for non-traditional students returning to campus for this program only, so that they may be prepared for an overseas transfer, for example. Individuals debating between the Certificate and the Minor should consider the depth of learning and the time commitment, if a minor is necessary for the program of study selected, and other life choices, e.g., whether it is for one’s career, or to allow a short duration of work in another country.

**Required courses (minimum of 14 credits):**
- CSD 262 Phonetics: Theory and Practice
- Engl 221 Introductory English Linguistics
- Flg 378 Second Language Acquisition
- Flg 409 TEFL Methods
- Flg 400 Assessment of English Language Learners
- ES 493 International Experience in Education or Flg 375 Internship Experience

**NOTE:** Courses cannot be counted in both the major and the certificate program.

For advising, see Professor K. M. Reynolds (Languages).

**MINOR: TEACHING OF ENGLISH TO SPEAKERS OF OTHER LANGUAGES**

Adviser: I. Lee (Education Studies).

This minor is designed: (1) to impart the special knowledge and the competencies needed to teach English to speakers of other languages in an American public school; and (2) to develop an understanding of the cultural and social needs of students who speak other languages amid an English-speaking majority.

Twenty-five semester credits, including Anth 315; ES 405, ES 408; CSD 262; Engl 221; Flg 378, 400; and two courses from Engl 321, Engl 325, CSD 257, and Flg 365.

**Middle Childhood/Early Adolescence** (Code 550-409)

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A, and leads to licensure in TESOL in Middle Childhood through Early Adolescence classrooms.

**Early Adolescence/Adolescence** (Code 550-408)

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B, and leads to licensure in TESOL in Early Adolescence through Adolescence classrooms.

**Early Childhood/Adolescence** (Code 550-410)

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option C, and leads to licensure in TESOL in Early Childhood through Adolescence classrooms when combined with a major in a foreign language at the EC-A level.

**NOTE 1:** As a requirement for the TESOL Minor, all students must complete the University Writing Requirement. Oral proficiency in English will be determined by an interview and/or a SPOKEN test, a test of oral proficiency for non-native speakers of English. Students not passing the oral proficiency test will be required, before retesting, to take CJ 202, Eng 140, and/or an English composition class. The student will select classes in consultation with the TESOL adviser.

**NOTE 2:** One year of university-level foreign language study is a prerequisite for ES 405.

**MINOR: TOPICAL MINOR, Liberal Arts** (Code 610-401)

A Topical Minor is composed of 24 semester credits selected by the student to meet the student’s own interests and scholarly objectives. Courses for the minor may be chosen on the basis of a coherent theme, a historical period, a definable professional need, or complementary relation to the student’s major.

The Topical Minor is not intended to be used to duplicate any major or minor offered as a regular program.

The Topical Minor must include courses from at least two prefixes, with no more than 15 credits from any one prefix and no more than six credits from the student’s major. Courses applied to the major cannot be applied to the minor. At least 12 of the 24 credits must be earned in courses numbered 300 or above, and at least 15 of the 24 credits must be earned in Arts and Sciences courses.

**Procedures.** The student must first obtain a Topical Minor form from the College office (Schofield 134) or from the College of Arts and Sciences website (www.uwec.edu/CAS/Students/forms.htm), plan the minor in consultation with an appropriate faculty adviser, and obtain the adviser’s approval. The plan for the minor must then be submitted to the Associate Dean. The Associate Dean’s approval must be obtained after the student has earned a total of 30 credits, but before the student has earned 88 credits toward a degree.

Students proposing a Topical Minor are responsible to ascertain that they are eligible to register for the courses included in their Topical Minor. They must meet, for example, all individual course prerequisites and GPA requirements or have received explicit permission from the department/program offering the course. In addition, for courses offered in one of the other colleges, college admission requirements must be met or written permission obtained from the Dean of that College before enrollment is possible.

**Interdisciplinary Studies Courses**

Most of the following Interdisciplinary Studies courses have been designated for the Interdisciplinary Studies subcategory in the General Education program. If designated for the General Education program, the course description specifies the General Education category to which the course applies.

Interdisciplinary courses provide students with an expanded view of subject matter from multiple fields. For each interdisciplinary course, one academic department or university program has been designated as the coordinating office for administrative purposes. Requests for registration permissions should be directed to the chair or director of the coordinating department or program identified below.

**IDIS**

**IDIS 100 Introduction to Social Welfare**

| 3 crs. | F, Wi, Su | GE-IIIC |
| Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 |

**Coordinating Department:** Social Work.

Introduces institutions, values, political perspectives influencing and structuring the well-being of people.

**IDIS 125 Brain: Introduction to Neuroscience**

| 4 crs. | Sp, Su | GE-IIIC, LS |
| Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2 |

**Coordinating Department:** Biology. No credit if taken after BIOL 470, PSYC 375, IDIS 152 when offered as Brain: Introduction to Neuroscience.

The brain and how it works including sense, movements, emotions, and the malfunctioning brain. Readings in popular publications. Emphasis on understanding how brain function is central to almost everything in day-to-day life.

**IDIS 151 Interdisciplinary Studies in Communications**

| 1-3 crs. | V | GE-IC |
| May be repeated for a maximum of 3 credits |

**Coordinating Department:** College of Arts and Sciences.

Exploration of topics and issues in the communications field from multiple perspectives.

**IDIS 152 Interdisciplinary Studies in the Natural Sciences**

| 1-4 crs. | V | GE-IIIC |
| May be repeated for a maximum of 4 credits |

**Coordinating Department:** College of Arts and Sciences.

Exploration of topics and issues in the natural sciences from multiple perspectives.

**IDIS 153 Interdisciplinary Studies in the Social Sciences**

| 1-3 crs. | V | GE-IHG |
| May be repeated for a maximum of 3 credits |

**Coordinating Department:** College of Arts and Sciences.

Exploration of topics and issues in the social sciences from multiple perspectives.

**IDIS 154 Interdisciplinary Studies in the Humanities**

| 1-3 crs. | V | GE-IWE |
| May be repeated for a maximum of 3 credits |

**Coordinating Department:** College of Arts and Sciences.

Exploration of topics and issues in the humanities from multiple perspectives.
IDIS 155 Interdisciplinary Studies Across General Education Categories
1-3 crs. • V • GE-V: Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 3 credits
• Coordinating Department: College of Arts and Sciences.
Exploration of topics and issues from the perspective of two or more General Education areas: communications, natural sciences, social sciences, and/or humanities.

IDIS 173 Introduction to Social Justice
3 crs. • F • CD1; GE-HIG
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: College of Arts and Sciences.
• Enrollment priority given to Social Justice Living-Learning Community members. No credit if taken after IDIS 153, when offered as “Introduction to Social Justice.”
Introduces students to social justice concepts, policies, and perspectives from the standpoint of the social sciences. Addresses equity, diversity and inclusivity issues and social justice struggles and successes in multiple communities and groups.

IDIS 174 Social Justice in the Humanities
3 crs. • Sp • GE-IVE
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: College of Arts and Sciences.
• Enrollment priority given to Social Justice Living-Learning Community members. No credit if taken after IDIS 154, when offered as “Social Justice in Film and Music.”
Students will critically engage with and analyze work in the humanities that focuses on communities, groups, and individuals confronting social injustice, along with their struggles and successes when seeking social justice.

IDIS 187 Integrative Seminar
1 cr. • V • GE-V • May be repeated for a maximum of 3 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Coordinating Department: Undergraduate Studies
• Permission required by Undergraduate Studies. Must be enrolled in at least one course in relevant learning community.
Facilitates integration between linked courses in a learning community.

IDIS 201 Overview of the U.S. Health Care System: A Policy Perspective
3 crs. • Sp • GE-HIG
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: College of Arts and Sciences.
A multidisciplinary course addressing issues that affect policy and delivery systems in health care. The course seeks to orient the student to the spectrum of issues and the dynamics of the U.S. health care system.

IDIS 230 Experiential Internship
1-3 crs. • F; Wi, Sp, Su • SL-Optional; Field Trip(s) Required; Special Course Fee Required • May be repeated for a maximum of 6 credits • Department Consent Required
• Coordinating Department: Career Services. Must have completed 24 credit hours (or in-progress), and be in good academic standing.
Provides career-related work that extends learning beyond the classroom. Involves international learning and active reflection tied to the student's academic and career interests.

IDIS 260 Techniques of the Singing/Speaking Voice
2 crs. • F; Sp • W; GE-IVE
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Coordinating Department: Music and Theatre Arts.
Study of voice techniques and vocal health for the singing and speaking voice.

IDIS 285 Integrating the Social Sciences: The Social Studies
3 crs. • F; Sp • P: Limited to Broadfield Social Studies majors; Social Studies teaching minors; Social Science teaching majors/minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: Education Studies.
This course intends to influence teachers’ abilities to understand the nature of the social studies in relation to the integration of the social sciences and the humanities with the goal of influencing civic competence.

IDIS 301 Exploring Mind/Body Connections
3 crs. • Wi, Su • W; GE-HIG • P: PSYC 100 or permission of instructors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: Psychology.
Examines interactions among biological, psychological, educational, lifestyle, social, and cultural factors associated with health. Emphasis on stress responses that impact health and course of health problems. Illness prevention and treatment approaches, research-supported health strategies.

IDIS 302 Race and Racism in the USA
3 crs. • V • CD3; GE-HIG • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: English.
Weaves together cross-disciplinary knowledge by combining the views and methods of humanities and social sciences to analyze selected institutional principles that shape the constructions of race and racism in America.

IDIS 310 The Science of Science Fiction
3 crs. • V • GE-IIIF • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: Physics and Astronomy.
Study of science fiction from its popular conceptions and misconceptions, as seen in science fiction literature and film. Emphasis on physics with connections to biology, chemistry, computer science, other sciences, and the humanities.

IDIS 340/540 Central European Travel Seminar
3 crs. • Su • FC; GE-V: Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: HIST 280 or ArtH 350, or another spring semester preparatory course in an appropriate department (depending on specific faculty).
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: History
• Restricted to students participating in INTA 316 Central European Travel Seminar.
Interdisciplinary summer travel seminar occurring most often in Berlin, Prague, Brno, Vienna, Budapest, and Krakow that builds on groundwork laid in a preparatory spring semester course. Seminar involves advanced on-site study and research across three disciplines.

IDIS 351 Advanced Interdisciplinary Studies in Communications
1-3 crs. • V • GE-IC • May be repeated for a maximum of 3 credits • P: Junior standing or lower level course in appropriate field as determined by instructor(s).
• Coordinating Department: College of Arts and Sciences.
Advanced study of topics and issues in the communications field from multiple perspectives.

IDIS 352 Advanced Interdisciplinary Studies in the Natural Sciences
1-3 crs. • V • GE-IIIF • May be repeated for a maximum of 4 credits • P: Junior standing or lower level course in appropriate field as determined by instructor(s).
• Coordinating Department: College of Arts and Sciences.
Advanced study of topics and issues in the natural sciences from multiple perspectives.

IDIS 353 Advanced Interdisciplinary Studies in Social Sciences
1-3 crs. • V • GE-HIG • May be repeated for a maximum of 3 credits • P: Junior standing or lower level course in appropriate field as determined by instructor(s).
• Coordinating Department: College of Arts and Sciences.
Advanced study of topics and issues in the social sciences from multiple perspectives.

IDIS 354 Advanced Interdisciplinary Studies in the Humanities
1-3 crs. • V • GE-IVE • May be repeated for a maximum of 3 credits • P: Junior standing or lower level course in appropriate field as determined by instructor(s).
• Coordinating Department: College of Arts and Sciences.
Advanced study of topics and issues from the perspective of two or more General Education areas: communications, natural sciences, social sciences, and/or humanities.

IDIS 355 Advanced Interdisciplinary Studies Across General Education Categories
1-3 crs. • V • GE-V; Field Trip(s) Required • May be repeated for a maximum of 3 credits
• Coordinating Department: College of Arts and Sciences.
Advanced study of topics and issues from the perspective of two or more General Education areas: communications, natural sciences, social sciences, and/or humanities.

IDIS 360 The Workforce in Music, Literature, and Art
3 crs. • V • GE-IVE; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: Music and Theatre Arts.
Students will examine the ways that different professions and professional communities are represented in art, literature, and music. Topics include urban/rural work, employer/employee relations, and race/class/gender/sexuality in the workplace.

IDIS 370 Science and Society
3 crs. • V • GE-IIIF; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Coordinating Department: Biology
This course examines how science affects our social, cultural, economic, and political lives. Emphasis will be on the ethical, legal, and social issues arising from the knowledge, advancements, applications, and technologies gained from natural sciences.

IDIS 387 Advanced Integrative Seminar
1 cr. • V • GE-V • May be repeated for a maximum of 3 credits • P: Minimum sophomore standing.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Coordinating Department: Undergraduate Studies
• Permission required by Undergraduate Studies. Must be enrolled in at least one course in relevant learning community.
Facilitates integration between linked courses in a learning community.
IDIS 410 Fine Arts Administration Seminar
3 crs.  •  F  •  CP  •  A-F Grades Only  •  P: Twelve credits of adviser-approved electives in Fine Arts Administration certificate program. Minimum grade of C+ required in all adviser-approved electives.  •  Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Coordinating Department: Music and Theatre Arts. Limited to students enrolled in the Fine Arts Administration certificate program or by permission of the instructors.

Requests for registration permissions should be directed to the chair of the respective department identified below.

HUMS

HUMS 101 Arts and Ideas in Early Modern Times
3 crs.  •  V  •  GE-IVE
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
• Coordinating Department: Art & Design
An interdisciplinary course interrelating human activity in history, philosophy, the visual arts, and music during the 16th through to late eighteenth century.

HUMS 102 An Interconnected World: Views from the Humanities
3 crs.  •  V  •  CD3; GE-IVE
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Coordinating Department: English
This team-taught course draws on history, literature, drama, philosophy, art, and music in order to examine selected issues or problems which have faced humankind around the world during the past two centuries.

HUMS 110 Hmong Civilization, Culture, and Contemporary Issues
3 crs.  •  V  •  CD3; GE-IVE
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Coordinating Department: Languages
An interdisciplinary examination of Hmong history and culture, along with contemporary issues for the Hmong in the U.S. Topics addressed may include religion, family, traditions, health, education, and/or media.

HUMS 120 World Cultures I
3 crs.  •  V  •  GE-IVE  •  P: Not available for juniors or seniors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Coordinating Department: English
An interdisciplinary course introducing four cultures from Africa, the Americas, Asia, and Europe focusing on such themes as land, space and time, individual and community, gender roles, traditions, power, and authority.

HUMS 210 Voices of Color in America
3 crs.  •  V  •  CD3; GE-IVE
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Coordinating Department: English
Examines intersections of themes and concerns expressed in music, literature, language, film, folklore, history, and art in the U.S.: American Indian, African American, Hispanic American, and Asian American, especially Hmong.

HUMS 301 Responses to Colonialism
3 crs.  •  V  •  GE-IVE  •  P: Minimum junior standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Coordinating Department: History
Historical, literary, and geographical perspectives on the encounters between Europeans and the indigenous peoples of the Americas, Asia, Africa, and the Middle East since 1492. Emphasis on the dialogues between the colonizers and the colonized.

General Courses
The developmental courses described below are designed to provide academic support for students. Some courses require co-enrollment with selected entry-level courses. Students considering these elective courses should consult with their academic adviser. Permission for enrollment in these courses is required.

Humanities Courses
The following courses have been developed to provide an enriched understanding and appreciation of human creativity and expression. Emphasizing integrated study of the arts, ideas, and literature in historical context, these courses serve as an introduction to the Humanities and as a foundation for further study.

For each Humanities course, one academic department has been designated as the coordinating office for administrative purposes. Requests for registration permissions should be directed to the chair of the respective department identified below.

ENGLISH

ENGL 101 First Year Composition
3 crs.  •  F  •  CP  •  A-F Grades Only  •  P: Twelve credits of adviser-approved electives in English General Education Program or by permission of the instructors.  •  Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Coordinating Department: Writing Center. Limited to students enrolled in the English General Education Program or by permission of the instructors.

ENGL 102 College Learning Strategies
1-2 crs.  •  F, Sp  •  Department Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• No credit toward any major or minor. Elective credit only.

An integrated program introducing students to University resources and college success strategies. The program assists students in intellectual, personal, and social development to improve retention and academic performance.

GEN 101 Foundations for Academic Success
1-3 crs.  •  F, Sp  •  Department Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
• No credit toward any major or minor. Elective credit only.

An introduction to University reading and learning strategies necessary for success in social science and humanities courses. Strategies include text reading methods, note taking systems, time management, examination preparation, test-taking strategies, and overcoming test anxiety.

GEN 102 College Learning Strategies
1-2 crs.  •  F, Sp  •  Department Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• No credit toward any major or minor. Elective credit only.

Development of the higher level critical reading, writing, and thinking skills—application, analysis, evaluation and synthesis—necessary for academic success in a variety of university disciplines.

GEN 103 Critical Thinking
2 crs.  •  F, Sp  •  Department Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• No credit toward any major or minor. Elective credit only.

Designed to assist student development of successful academic and personal strategies necessary to meet demands at the college level by formulating educational goals, examining effective learning strategies, and making informed decisions.

GEN 201 Student Success Seminar
1 cr.  •  F, Sp  •  Department Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
A course designed to increase retention and graduation of students on probation by identifying factors leading to academic difficulty, assessing academic strengths and weaknesses, building critical thinking strategies, and creating student development plans.

GEN 250 Academic and Career Exploration
1 cr.  •  F, Sp  •  Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Designed to give students the skills to make informed choices about their lives, education, and careers. Includes career development theory, interpretations of self-assessment instruments, occupational research techniques, examination of a liberal arts-based education, and goal-setting strategies.

GEN 260 Graduate School Exploration
1 cr.  •  F, Sp  •  Field Trip(s) Required  •  A-F Grades Only  •  P: Minimum sophomore standing. For Student Support Services participants only.  •  Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
This course is designed to help Student Support Services participants make informed decisions pertaining to advanced degrees and to maximize potential for lifelong professional development.

English for Speakers of Other Languages
A course designed to increase retention and graduation of students on probation by identifying factors leading to academic difficulty, assessing academic strengths and weaknesses, building critical thinking strategies, and creating student development plans.

International Studies
Courses offered under the prefixes Ints, Inta, and Intx are designed to support study abroad experiences. The University encourages students of all academic interests to study abroad because it recognizes that students should have an international component in their education in order to be prepared for the future. Further information about these courses and the international programs they support is available from the Center for International Education, Schofield 3 and on the CIE website at www.uwec.edu/cie/studyabroad.
International Studies Courses

INTS 170 British Life and Civilization
3 crs. • F, Sp • FC, GE-IVE
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students attend University of Pau, France, through the University Studies Abroad Consortium (USAC), where they will study French language and culture. Students live with host families. A general orientation in the culture and civilization of China through presentations on chronology, characters, languages, and selected subjects on literature and art history, ancient science and technology, religion, philosophy, and tradition.

INTS 180 Chinese Culture and Civilization I
3 crs. • F, FC, GE-IVE
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A general orientation in the culture and civilization of China through presentations on chronology, characters, languages, and selected subjects on literature and art history, ancient science and technology, religion, philosophy, and tradition. Continuation of Chinese Culture and Civilization I (INTS 180). Students may choose to live in the university dormitories or with a host family.

INTS 181 Chinese Culture and Civilization II
3 crs. • Sp • FC, GE-IVE
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Continuation of Chinese Culture and Civilization I (INTS 180). A general orientation in the culture and civilization of China through presentations on chronology, characters, languages, and selected subjects on literature and art history, ancient science and technology, religion, philosophy, and tradition.

INTS 370 British Life and Civilization II
3 crs. • F, Sp • FC-GE-IVE; Field Trip(s) Required • P: Must be taken with INTA 360
Lecture/Discussion Hours: 6 | Lab/Studio Hours: 0
Students attend University of Lyon 2, through the University Studies Abroad Consortium (USAC), where they will study French language and culture. Students live with host families. Offered only in England, required of undergraduates enrolled in the Harlaxton College Study Abroad Program.

INTS 395/595 Directed Studies
1-3 crs. • FC • May be repeated • Department Consent Required
• The student must have successfully completed at least one course that directly relates to the subject chosen for the directed study. A scholarly investigation of a subject appropriate to the country in which the student is studying. Directed by a member of the UW-Eau Claire resident faculty and assisted by a local resource person.

INTS 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • FC • May be repeated • Department Consent Required

INTS 498/698 International Education Internship
1-6 crs. • F, Sp, Su • SL-Optional, IN • May be repeated for a maximum of 12 credits • No Auditors • P: Minimum junior standing • Department Consent Required
• Student must apply for internship, interview, and be offered a position. Pre-professional internships intended to provide students with concrete, applicable experience in the field of International Education. A complete description of all internships is available in the Center for International Education.

INTS 499 Independent Study - Seniors
1-3 crs. • F, Sp, Su • FC • May be repeated • Department Consent Required

Study Abroad Programs

UW-Eau Claire currently offers study abroad programs in nearly 50 countries. All students are encouraged to pursue an international experience as part of their education. To facilitate this, UW-Eau Claire is committed to developing sound academic programs with a wide range of costs, thus making participation possible for students at all economic levels. Information on all programs is available in the Center for International Education, Schofield 3 and on the CIE website at www.uwec.edu/cie/studyabroad.

INTA

INTA 301 USAC-University of Pau, France Summer
9-11 crs. • Su • Special Course Fee Required • May be repeated • A-F Grades Only • P: Minimum resident GPA of 2.50. Minimum sophomore standing • Department Consent Required • Individual courses may apply toward GE, if appropriate. Six credits of Foreign Culture requirement waived upon successful program completion. Students attend University of Pau, France, through the University Studies Abroad Consortium (USAC), where they will study French language and culture for nine weeks. Students live in the dormitories or with a host family.

INTA 303 Study Abroad USAC University of Pau, France
12-18 crs. • F, Sp • FC • Special Course Fee Required • May be repeated • A-F Grades Only • P: FREN 201. Minimum resident GPA of 2.50. Minimum sophomore standing • Department Consent Required • Individual courses may apply toward GE, if appropriate. Students can attend for the full academic year or for the Spring semester. Completes full Foreign Culture requirement upon successful program completion. Must pass Praxis exam. Students attend University of Pau, France, through the University Studies Abroad Consortium (USAC), where they will study French language and culture. Students may choose to live in the university dormitories or with a host family.

INTA 306 Educators Abroad Student Teaching
1-8 crs. • F • Special Course Fee Required • S/J Only Grade Basis • P: Limited to teaching majors admitted to College of Education and Human Sciences. Minimum resident GPA of 3.00 • Department Consent Required • Individual courses may apply toward GE, if appropriate. Six credits of Foreign Culture requirement waived upon successful program completion. Must pass Praxis exam. This program gives students the opportunity to student teach abroad in over 40 countries. Historically, Educators Abroad Student Teaching (EAST) has placed the most students in Australia, New Zealand, England, Ireland, Spain, Cameroon, Czech Republic, and Costa Rica. Advising will be through the UW-Eau Claire Field Placement Coordinator, with supervision by local cooperating teachers. Housing for each site varies and can include homestays or apartments.

INTA 307 Study Abroad-San Isidro, Costa Rica
12-18 crs. • F, Sp • Field Trip(s) Required • Special Course Fee Required • A-F Grades Only • P: Minimum resident GPA of 2.30. Minimum sophomore standing • Department Consent Required • Individual courses may apply toward GE, if appropriate. Completes Foreign Culture requirement upon successful program completion. This program focuses on Latin American culture and Spanish language. Students will take two to three Spanish courses (beginning to advanced) and one to two Latin American studies courses in English. Excursions and a two-week service-learning project are included in the program. Students live with host families.

INTA 309 USAC-Lyon, France Semester
12-18 crs. • F, Sp • FC • Special Course Fee Required • May be repeated • A-F Grades Only • P: FREN 201. Minimum resident GPA of 2.50. Minimum sophomore standing • Department Consent Required • Individual courses may apply toward GE, if appropriate. Six credits of Foreign Culture requirement upon successful program completion. Students attend University of Lyon 2, through the University Studies Abroad Consortium (USAC), where they will study French language and culture. • Individual courses may apply toward GE, if appropriate. Fulfills complete Foreign Culture requirement upon successful program completion.
Attend courses at Hong Kong Polytechnic University during the semester or an academic year. Students choose from business courses, offered in English, for which they have appropriate prerequisites. Housing is in residence halls.

INTX 421 University of Valladolid, Spain Exchange
12-18 crs. • F, Sp • FC; Special Course Fee Required • A-F Grades Only • P: INHA 380. Minimum resident GPA of 2.8. Minimum sophomore standing. • Department Consent Required
• Individual courses may apply toward GE, if appropriate. Fulfills complete Foreign Culture requirement upon successful program completion.
Students who have completed the University of Valladolid fall program may continue as exchange students in the spring, taking classes from the regular university catalog. Service-learning is possible in January. Housing is in student apartments.
The American Indian Studies Program at the University of Wisconsin-Eau Claire is committed to the study of the cultures, values, history, and contemporary life of the Indigenous nations and peoples of North America. Through courses from various disciplines and interactions with American Indian professionals, elders, and peers, students will develop abilities and enhance their knowledge and understanding in accordance with university and tribally-defined standards of excellence. The program administers both a major and minor in American Indian Studies with these goals:

• To envision education and community as a partnership in which all participants work toward greater understanding and respect for the richness and diversity of American Indian cultures.
• To build and support cooperative relationships with tribal communities within and around Wisconsin; other academic institutions, especially tribal colleges; and the local Eau Claire community.
• To teach students to be conversant with Indigenous protocols.
• To prepare students to work effectively in and around tribal and urban communities.
• To provide outreach and community service opportunities that will help promote the cultural, educational, and economic development of the region.

MAJOR: AMERICAN INDIAN STUDIES, Liberal Arts (Code 530-201)

This major provides opportunities for study of the cultures, values, history, and contemporary life of the Indigenous nations and peoples of North America. Through courses from a variety of disciplines and interaction with American Indian professionals, elders, peers, and other educators, students will develop particular cultural competencies and enhance their knowledge and understanding in accordance with university and tribally-defined standards of excellence.

The major is designed to offer a range of courses to meet the needs of students: (1) who wish to enter a profession related to tribal affairs; (2) who have decided to pursue graduate study; (3) who are American Indian and seek to learn more about their culture and heritage; and (4) who are drawn to the major because of its broad interdisciplinary perspective. In addition, the major and minor in American Indian Studies are designed to complement degree programs in Nursing, Education, Business, Social Work, and History, as well as courses from a range of disciplines.

Thirty-six semester credits in American Indian Studies courses, including:

AIS 101  Introduction to American Indian History and Cultures
AIS 102  Introduction to American Indian Expressive Cultures
AIS 343  Contemporary American Indian Communities
AIS 444  Theory and Methodologies in American Indian Studies
AIS 480  Capstone Course

Remaining credits selected from:

AIS 111  Studies in American Indian Languages I
AIS 112  Studies in American Indian Languages II
AIS/Engl 142  Introduction to American Indian Literatures
AIS/Anth 161  Introduction to Cultural Anthropology
AIS/Hist 240  American Indian History
AIS/Engl 242  The American Indian in Literature and Film
AIS 243  Introduction to Contemporary American Indian Communities
AIS/Pols 250  American Indian Politics
AIS 291  Special Topics
AIS 314  Ojibwe Language Camps
AIS/Geog 322  Native Geographies
AIS/ArtH 324  Survey of North American Indian Art
AIS/Anth 325  North American Indians
AIS/Rels 330  Indigenous Religions of the Americas
AIS/ArtH 335  Ancient Art and Architecture of Mexico and Central America
AIS/ArtH 337  Art of Tawantinsuyo
AIS/Engl 345  American Indian Autobiography
AIS/Engl 346  Major Works in American Indian Literature
AIS/Hist 368  Studies in American Indian History
AIS/Hist 369  Wisconsin Indian History
AIS/Wmns 374  Ojibwe Women, Ecofeminism, and Botanical Knowledge
AIS 395  Directed Study
AIS 399  Independent Study
AIS 491  Special Topics
AIS 498  Internship
AIS 499  Independent Study

Seminars and special topics courses dealing with American Indians will also be given consideration for credit.

General Education Note: General Education credit for cross-listed courses is based on the home department (e.g., AIS/Engl 345 gains GE-IVD credit as English is the home department).

MINOR: AMERICAN INDIAN STUDIES, Liberal Arts (Code 530-401)

The minor is designed to provide both American Indian and non-Indian students with an understanding of the distinctive lifeways, the philosophical and religious systems, and the art and literature developed by American Indian tribes and individuals.

Twenty-four semester credits, including:

AIS 101  Introduction to American Indian History and Cultures
AIS 102  Introduction to American Indian Expressive Cultures

Remaining credits selected from:

AIS 111  Studies in American Indian Languages I
AIS 112  Studies in American Indian Languages II
AIS/Engl 142  Introduction to American Indian Literatures
AIS/Anth 161  Introduction to Cultural Anthropology
AIS/Hist 240  American Indian History
AIS/Engl 242  The American Indian in Literature and Film
AIS 243  Introduction to Contemporary American Indian Communities
AIS/Pols 250  American Indian Politics
AIS 291  Special Topics
AIS 314  Ojibwe Language Camps
AIS/Geog 322  Native Geographies
AIS/ArtH 324  Survey of North American Indian Art
AIS/Anth 325  North American Indians
AIS/Rels 330  Indigenous Religions of the Americas
AIS/ArtH 335  Ancient Art and Architecture of Mexico and Central America
AIS/ArtH 337  Art of Tawantinsuyo
AIS 343  Contemporary American Indian Communities
AIS/Engl 345  American Indian Autobiography
AIS/Engl 346  Major Works in American Indian Literature
AIS/Hist 368  Studies in American Indian History
AIS/Hist 369  Wisconsin Indian History
AIS/Wmns 374  Ojibwe Women, Ecofeminism, and Botanical Knowledge
AIS 395  Directed Study
AIS 399  Independent Study
AIS 444  Theory and Methodologies in American Indian Studies
AIS 491  Special Topics
AIS 498  Internship
AIS 499  Independent Study

Seminars and special topics courses dealing with American Indians will also be given consideration for credit.

General Education Note: General Education credit for cross-listed courses is based on the home department (e.g., AIS/Engl 345 gains GE-IVD credit as English is the home department). For course descriptions, see listing under American Indian Studies Major.
AIS

AIS 101 Introduction to American Indian History and Cultures
3 crs. • F • CD3; GE-HIC
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Introduction to the different disciplinary perspectives available for the study of American Indian cultures, with an emphasis on history, anthropology, and law.

AIS 102 Introduction to American Indian Expressive Cultures
3 crs. • F; Sp • CD3; GE-IVE
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Introduction to a broad range of American Indian expressive cultures, from traditional to contemporary forms, in art, literature, oral traditions, music, and film.

AIS 111 Studies in American Indian Languages I
4 crs. • F • CD3; GE-IA
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 1
Introduction to American Indian language families and concentrated study of one specific language within its cultural context, with emphasis on speaking and listening skills. (For specific languages, see current Class Schedule.)

AIS 112 Studies in American Indian Languages II
4 crs. • Sp • CD3; GE-IA • P: AIS 111
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 1
Continuation of American Indian Languages I, with additional attention paid to dialect diversity and competing writing systems. (For specific languages, see current Class Schedule.)

AIS/ENGL 142 Introduction to American Indian Literatures
3 crs. • F; Sp • CD3; GE-IVD • P: Not available for juniors or seniors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both ENGL 142 and AIS 142 or if taken after ENGL 346 or AIS 346.
A study of the literatures by and about American Indians, with special attention to the cultural background.

AIS/ANTH 161 Introduction to Cultural Anthropology
3 crs. • F; Sp • FC; GE-HIA
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both ANTH 161 and AIS 161.
Culture as the human means of environmental adaptation. Explores cross-cultural regularities and the range of variation in human behavior. Comparison of widely different economic, social, political, and religious systems.

AIS/HIST 240 American Indian History
3 crs. • V • CD3; GE-IVC
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both HIST 240 and AIS 240.
An introduction to the history of the native peoples of the United States with major emphasis upon European contact, the mutual interaction of European and American Indian cultures, and the resulting adaptations and conflicts.

AIS/ENGL 242 The American Indian in Literature and Film
3 crs. • V • CD3; GE-IVD
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 2
A critical, cultural examination of the origins and evolution of film images of American Indians; analysis based on study and application of film techniques as well as literary and historical textual analysis.

AIS 243 Introduction to Contemporary American Indian Communities
3 crs. • F; Sp • CD3; GE-V • A-F Grades Only • P: No credit if taken after AIS 343.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Prepares students for intercultural immersion experiences through an introduction to American Indian cultural practices and key federal policies that have shaped contemporary societies.

AIS/POLS 250 American Indian Politics
3 crs. • V • CD3; GE-HIC
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The course will examine the recent trends in American Indian politics beginning with the American Indian Movement through the present. The course will include topics on tribal sovereignty, legalized gambling, and tribal government.

AIS 291 Special Topics
1-4 crs. • F; Sp • May be repeated for a maximum of 9 credits • Instructor Consent Required
Topics will be determined by specific themes related to American Indian Studies by instructor and program director, and based upon student interest and need.

AIS 314/514 Ojibwe Language Camps
3 crs. • Su • CD3; SL-Full; Field Trip(s) Required; Special Course Fee Required
• May be repeated for a maximum of 6 credits • P: AIS II 2 • Instructor Consent Required
Lecture/Discussion: 3  |  Lab/Studio: 0
• Criminal background check required. Must have the ability to converse in elementary Ojibwe.
This course examines a growing language revitalization method. Students learn basic techniques for teaching Ojibwe in an informal setting and implement what they learn by participating and teaching at Ojibwe language camps in Native communities.

AIS/MUSI 319 North American Indian Music
3 crs. • F; Sp • CD3; GE-JVA
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both MUSI 319 and AIS 319.
A survey of North American Indian music in contemporary and historical contexts.

AIS/GEOG 322/522 Native Geographies
3 crs. • Sp odd years • CD3; GE-V • Field Trip(s) Required; Special Course Fee Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both GEOG 322 and AIS 322.
The historical and contemporary relationships of American Indians to place, including land use and environmental issues, indigenous mapping techniques, sacred sites, territorial nationhood, and legal rights to ceded and sovereign lands. The course also provides insights into the unique cultures of indigenous peoples around the world.

AIS/ARTH 324 Survey of North American Indian Art
3 crs. • V • FC; CD2; GE-JVA; Field Trip(s) Required • P: One AIS or ARTH or ART course or consent of instructor. Maximum sophomore standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both ARTH 324 and AIS 324.
A survey of North American Indian artwork in contemporary and historical contexts.

AIS/ANTH 325 North American Indians
3 crs. • F; Sp • CD3; GE-HIA
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both ANTH 325 and AIS 325. Previous completion of ANTH/AIS 161 is strongly recommended prior to enrollment in this course.
Comparative analysis, by culture area, of traditional American Indian economies, social and political organization, religion and philosophy. Impact of European colonization and control on traditional cultures.
AMERICAN INDIAN STUDIES

AIS/RELS 330 Indigenous Religions of the Americas
3 crs. • FC; CD2; GE-IVB • P: One course in RELS, PHIL, AIS, LAS, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both RELS 330 and AIS 330.
This course will introduce indigenous religions in the cultural contexts of Latin America and North American Indian nations. It will study historical religious development from Pre-Columbian, through colonial experience, to present day cultural movements.

AIS/ARTH 335 Ancient Art and Architecture of Mexico and Central America
3 crs. • F • FC; GE-IVA; Field Trip(s) Required • P: One ART, ARTH, AIS, or LAS course or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ARTH 335 and AIS 335.
A study of the art and architecture of ancient Mexico and Central America between 2000 BCE–1600 CE. Focus is on the materials, techniques, styles, and iconography of the art and architecture in relation to the contexts of production, use, and reception.

AIS/ARTH 337 Art of Tawantinsuyo
3 crs. • Sp • FC; GE-IVA; Field Trip(s) Required • P: One course in AIS, ART, ARTH or LAS or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ARTH 337 and AIS 337.
A study of a historical and contemporary art by indigenous artists of Tawantinsuyo, the Quechua name of the Inka empire in western South America. Emphasis is placed on textiles, yet metals and ceramics are also topics.

AIS 343/543 Contemporary American Indian Communities
3 crs. • Sp • CD3; GE-IIH; Field Trip(s) Required; Special Course Fee Required • A-F Grades Only • P: AIS 101 or AIS 102 or consent of instructor.
Seminar Hours: 3 | Lab/Studio Hours: 0
Preparation for future study in AIS and/or work in American Indian communities by providing skills to work with communities toward mutually beneficial goals. Learn challenges facing American Indian communities and successful initiatives combating those challenges. Travel required.

AIS/ENGL 345 American Indian Autobiography
3 crs. • V • CD3; GE-IVD • P: Three credits of Engl Lit (GE-IVD) or one of the following: AIS 101, 102, 311, 312, 480, AIS/HIST 240, AIS/POLS 250, AIS/ARTH 324, AIS/ANTH 325, AIS/HIST 368, AIS/HIST 369 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ENGL 345 and AIS 345.
Explores evolving forms and political implications of the creation and production of American Indian autobiographies and collaborative personal narratives.

AIS/ENGL 346 Major Works in American Indian Literature
3 crs. • V • CD3; GE-IVD • P: Three credits of Engl Lit (GE-IVD) or one of the following: AIS 101, 102, 311, 312, 480, AIS/HIST 240, AIS/POLS 250, AIS/ARTH 324, AIS/ANTH 325, AIS/HIST 368, AIS/HIST 369 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ENGL 346 and AIS 346.
Major and supporting works of American Indian literature, from oral and written sources.

AIS/HIST 368/568 Studies in American Indian History
1-3 crs. • V • CDV; GE-IVC • May be repeated for a maximum of 9 credits • P: Six credits of history, or junior standing, or consent of instructor.
• Course may be repeated when topic differs for a maximum of nine credits. Consult Class Schedule or department office for current offering.
Selected topics depending on student and staff interests. Possible topics include the history of Wisconsin Indians and American Indians in the twentieth century. Consult class schedule or department office for current offering.

AIS/HIST 369/569 Wisconsin Indian History
3 crs. • V • CD3; GE-IIH; Special Course Fee Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both HIST 369 and AIS 369.
Study of American Indian communities in Wisconsin with emphasis on the mix of continuity and change in response to outside forces.

AIS/WMNS 374 Ojibwe Women, Ecofeminism, and Botanical Knowledge
3 crs. • V • CD3; GE-IIIG; Special Course Fee Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both WMNS 374 and AIS 374.
Students learn about the life-long association of Anishinaabe women and plants of their environment, how plants surround their entire lives, and how they interact with plants on physical, spiritual, and metaphorical levels.

AIS 395/595 Directed Studies
1-3 crs. • F, Sp • May be repeated • P: Limited to American Indian Studies majors and minors; Department Consent Required
Study of problem or topic related to American Indian Studies.

AIS 399 Independent Study
1-3 crs. • F, Sp • May be repeated • P: Limited to American Indian Studies majors and minors. Minimum sophomore standing. Required GPA of 3.00 within the major. • Department Consent Required
Original individual research or studies related to American Indian Studies.

AIS 444/644 Theory and Methodologies in American Indian Studies
3 crs. • F • CD3 • P: AIS 101, 102, 343. • Instructor Consent Required
Seminar Hours: 3
• Field trips recommended.
Introduction to theory and methods of critical practices in the discipline. Emphasis on active research and critical analysis of current texts, discussions, and issues within American Indian scholarship.

AIS 480 Capstone
3 crs. • F, Sp • SL-Full; CP • P: AIS 101, 102, 343, and 444. Limited to American Indian Studies majors and minors. Minimum junior standing. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The capstone course asks a student to integrate previous learning in American Indian Studies to produce a major research project or creative activity within a seminar format. Some travel to an American Indian community is likely.

AIS 491 Special Topics
1-3 crs. • F, Sp • May be repeated for a maximum of 9 credits
Topics will be determined by specific themes related to American Indian Studies by instructor and program director, and based upon student interest and need. Possible topics include treaty rights conflicts, tribal sovereignty, Indian mascots and logos, and studies in American Indian authors.

AIS 498 Internship
1-3 crs. • F, Sp • SL-Full; IN • P: 24 credits in American Indian Studies. Limited to American Indian Studies majors. • Department Consent Required
Supervised assignment outside of the University to health or education institutions or agencies, to American Indian communities, to research institutions, to museums, cultural institutions, or other determined by supervising instructor.

AIS 499/699 Independent Study
1-3 crs. • F, Sp • May be repeated • P: Limited to American Indian Studies majors and minors. Minimum senior standing. Required GPA of 3.00 within the major. • Department Consent Required
Original individual research or studies related to American Indian Studies.
Art & Design

HAAS FINE ARTS 104
715-836-3277
www.uwec.edu/art

CHRISTOS THEO, CHAIR

THOMAS K. WAGENER, FOSTER GALLERY DIRECTOR

Honor Societies and Student Organizations:
Students may participate in several student organizations: Art Student Association (ASA) and the Art Education Club. NOTA, the campus art and literary magazine, welcomes students’ art entries.

The Department of Art & Design embraces its responsibility as an integral component of a public liberal arts institution and of our local and regional communities. Our programs advance the university’s mission and its Liberal Education learning goals. Our diverse and inclusive curriculum in the visual arts promotes a body of knowledge that serves individual needs, stimulates the eyes, and challenges the minds of all our students. To support our contemporary and comprehensive visual arts program, we endorse these requirements:

• coordinated foundations core,
• depth of knowledge and skill in an area of concentration,
• experience with art in two and three dimensions,
• exploration of a variety of media,
• knowledge of the theories and global history of art,
• participation in the national and international contemporary art world, and
• employment of imagination, creativity, and innovation.

ART & DESIGN PROGRAMS: LIBERAL ARTS

The Department of Art & Design offers two studio art degrees for liberal arts students: a 36-credit Bachelor of Arts (B.A.) or Bachelor of Science (B.S.), and a 75-credit comprehensive Bachelor of Fine Arts (B.F.A.). The department also offers a 36-credit Bachelor of Arts (B.A.) or Bachelor of Science (B.S.) in Art History.

Students enter the department’s studio programs in the 36-credit B.A. or B.S. The 36-credit B.A. or B.S. in studio art is not titled in any area. The 75-credit Bachelor of Fine Arts degree is a nationally recognized degree with high standards for excellence. It is the degree students take to prepare for graduate studies and for the most immersive studio experience. Students seeking the B.F.A. degree must apply to the program as explained below under Additional B.F.A. Requirements. The B.F.A. is offered in the following areas: ceramics, drawing & painting, graphic design, illustration, photography, printmaking, and sculpture (but not metals).

PORTFOLIO REQUIREMENT

An essential part of effective art study is the development and maintenance of a portfolio of creative work. This portfolio is required for entrance into the B.F.A. program and will be requested by course instructors as well as to help advise students in their studies. A portfolio is the central tool students use to access and guide their development and eventually present themselves to the art and design world.

INFORMATION FOR ART & DESIGN STUDENTS

NOTE 1: A student may take a maximum of nine credits of advanced studio courses in one semester. Some advanced studio courses are offered on a variable credit basis and may be repeated for additional credit. The total number of advanced studio credits which may be applied to a degree program will vary and is to be determined through consultation with the major adviser.

NOTE 2: Students must be prepared to pay for any materials, supplies, equipment, and/or services deemed in excess of the amount and kind the University provides for necessary instructional purposes.

NOTE 3: Information about suggested year-by-year course sequences for each major and minor program is available in the Art & Design Office, Haas Fine Arts 104.

NOTE 4: Art education students who wish to earn Teaching Licensure in Special Education-Art must complete ES 350 and seven to nine additional credits in Special Education. (See Special Education section for listing of other required courses.)

CERTIFICATE PROGRAM

Information on the Certificate in Fine Arts Administration is listed in its entirety in the Department of Music and Theatre Arts section of this Catalog.

ADDITIONAL INFORMATION

Art History courses are listed under the prefix ArtH immediately following Art courses and are open to all students.

Bachelor of Arts or Bachelor of Science

MAJOR: ART, Liberal Arts

Studio Emphasis (Code 020-208)

This degree program is designed to liberally educate a student in art or design, and is not offered as a career or professional path. It presumes integration with a minor program or second major. Thirty-six semester credits, including:

3. Studio Sequence: nine credits. Choose one three-course sequence from one of the following studio areas:

   Ceramics: Art 357, 358, 458

   Drawing: Art 240, 340, 402, or 240, 341, 441

   Graphic Design: Art 274, 275, 375

   Painting: Art 244, 344, 349, or 247, 347, 348

   Photography: Art 281; two of these 300-level courses: 381, 382, 383, or 384

   Printmaking: one pair of these courses: Art 250 and 350, or 251 and 351, or 252 and 352, or 253 and 353; and 402 for the third course in the sequence

   Sculpture: Art 264, 364 or 366, 405

4. Electives in any studio Art or Art History courses: nine credits.

Art History Emphasis (Code 020-209)

Thirty-six semester credits, including:

1. ArtH Core Courses: 18 credits: ArtH 109, 111, 112, 315, 217, and 319

2. Non-Western Art History Requirement: three credits: ArtH 324 or 335 or 337

4. Non-ArtH area electives: three credits. Choose from AIS 102, Anth 169, Art 107, CJ 280, Engl 181, Fltr 250, Hist 280 or 304 or 306 or 308, Musi 225, Phil 325 or 328, Thea 125

5. Methodologies: three credits: ArtH 389

NOTE 1: Regarding the GE program, art history majors are encouraged to make selections from the following courses: AIS 102, Anth 169, CJ 280, Engl 181, Fltr 250, Hist 280 or 304 or 306, Musi 225, Phil 325 or 328, Thea 125

NOTE 2: A student electing the B.S. degree with the art history major is highly encouraged to achieve foreign language competency (C or higher or a mark of S at the 102 level).

NOTE 3: Art history majors must complete at least one of the following travel experiences:

A) UWEC-approved International Study Program;
B) ArtH 350: the department’s New York City Trip;
C) The department trips to both Chicago and Minneapolis.

MINOR: ART, Liberal Arts (Code 020-402)

Twenty-four semester credits including:

Six credits of 100-level Art courses: 107, 108, 110

Nine credits of any entry-level Art courses: 240, 241, 244, 247, 249, 250, 251, 252, 253, 264, 274, 275, 276, 278, 281, 312, 357, 358

Nine credits of any intermediate and/or advanced Art courses: 332,
ART & DESIGN

Area Support Options, 12 credits: Art 240, 247, 281, 341, 342, 344, 364, 373, 376, 378, 381, 382, 383, 405, 441, 443, 458, 474, 476, 477, 478, 481

Area Requirements, 21 credits: Art 241, 247, 341, 347, 348, 249, 278, 373; 250, 251, 252, 253.

Electives in Art/ArtH, 18 credits: Art 264, 281, 383, 384 recommended

Electives in ArtH, six credits: ArtH 333 recommended

MINOR: ART HISTORY, Liberal Arts (Code 030-401)
The Art History minor is open to all University students.

Twenty-four semester credits in Art History courses, including ArtH 109, 111, 112, and 389. ArtH 111 and 112 must be completed as the first two Art History courses. Independent Study, ArtH 399, 499, cannot exceed three credits total and can only be taken after the accumulation of 12 earned semester credits of Art History and with the written approval of an Art History faculty member.

NOTE: Students pursuing the Minor: Art History and Major: Art, Studio Emphasis can overlap a maximum of 12 credits between major and minor programs.

Bachelor of Arts
COMPREHENSIVE MAJOR: ART AND DESIGN EDUCATION, Bachelor of Fine Arts
Comprehensive Teaching (Code 020-072)
Sixty-two semester credits, including:
2. Studio Requirement: 24 credits, including Art 241, 244, 249, 264, 281, 312, 357, and a three-dimensional art elective (3 crs) from: Art 358, 364, 365, 366, 458, or other pre-approved 3-D course.
3. Area History Requirement: nine credits, including ArtH 111, 112, and ArtH/ AIS 324 or 335.
4. Electives in Studio or Art History: nine credits.
5. Art Education Requirement: Art 304, ES 350, 354

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option C and leads to licensure to teach Art in Early Childhood through Adolescence classrooms.

NOTE 1: At least 21 credits of upper-division (300- to 400-level) art courses must be included in the major.

NOTE 2: Internships, directed and independent studies, and special topics courses will count as elective credit.

Bachelor of Fine Arts
COMPREHENSIVE MAJOR: ART
This degree is a specialty in studio arts and is the appropriate program for art students planning careers in Ceramics, Drawing & Painting, Graphic Design, Illustration, Photography, Printmaking, and Sculpture, as well as for art majors who are planning to attend graduate school.

Minimum seventy-five semester credits, including:
1. Department Requirements: 18 credits
   Foundations Courses: 12 credits should be completed by all majors in the first year of study, Art 107, 108, 110, ArtH 109.
   Art History Requirement: ArtH 111 and 112
2. Area Requirements: 21 credits
3. Area Support Options: 12 credits
4. Electives in Art or Art History: 18 credits
5. Electives in Art History: 6 credits
6. One of the areas of emphasis described below.

Ceramics (Code 020-011)
Area Requirements, 21 credits: Art 264, 357, 358, 458 (six credits), 405 (six credits)
Area Support Options, 12 credits: Art 244, 249, 250, 278, 281, 344, 364, 365, 402
Electives in Art/ArtH, 18 credits
Electives in ArtH, six credits: ArtH 333 and 335 recommended

Digital Media (Code 020-023)
Area Requirements, 21 credits: Art 241, 244, 264, 332, 278, 378, 478
Area Support Options, 12 credits: Art 240, 247, 281, 341, 342, 344, 364, 373, 383, CS 322
Electives in Art/ArtH, 18 credits
Electives in ArtH, 6 credits

Drawing & Painting (Code 020-022)
Area Requirements, 21 credits: Art 240, 244, 340, 344, 349, 402 (six credits)
Area Support Options, 12 credits: Courses need not be taken in a specified group, but these recommended groups provide a deeper support experience: Art 241, 247, 341, 347, 348, 249, 278, 373; 250, 251, 252, 253.

Electives in Art/ArtH, 18 credits: Art 264, 281, 383, 384 recommended

Electives in ArtH, six credits: ArtH 333 recommended

Graphic Design (Code 020-012)
Area Requirements, 21 credits: Art 274, 275, 276, 374, 375, 476, 477
Area Support Options, 12 credits: Art 241, 244, 247, 249, 264, 278, 281, 332, 342, 376, 383, 384, 474
Art History Requirement, three credits: ArtH 225
Electives in Art/ArtH, 18 credits
Electives in ArtH, three credits

Illustration (Code 020-019)
Area Requirements, 21 credits: Art 241, 244, 332, 341, 342, 402, 443
Area Support Options, 12 credits: Courses need not be taken in a specified group, but these recommended groups provide a deeper support experience: Art 240, 340, 402; 349, 344; 247, 347, 348; 274, 275, 375; 278, 378, 478; 250, 251, 384; 281, 383, 312
Electives in Art/ArtH, 18 credits
Electives in ArtH, six credits

Photography (Code 020-018)
Area Requirements, 21 credits: Art 281, 381, 382, 383 or 384, minimum of six credits in Art 481, and remaining 3 credits in either Art 481 or 402
Area Support Options, 12 credits: Courses need not be taken in a specified group, but these recommended groups provide a deeper support experience:
- 3-Dimensional Space: Art 241, 264, 278, 357, 358, 365, 378, 383
- Motion/Time-Based Art: Art 241, 278, 378, 383
- Book & Paper Art: Art 249, 250, 251, 253, 274, 275, 332, 342, 384
- 2-Dimensional Media: Art 240, 241, 244, 249, 250, 251, 253, 340, 341
Art History Requirement, three credits: ArtH 227
Electives in Art/ArtH, 18 credits
Electives in ArtH, three credits

Printmaking (Code 020-021)
Area Requirements, 21 credits: Art 241, 250, 251, 253, 402
Choose six credits: Art 350, 351, or 353
Area Support Options, 12 credits: Art 240, 244, 247, 264, 281, 340, 341, 344, 347, 348, 349, 357, 365, 384
Art and Art History Electives, 18 credits
Electives in ArtH, six credits

Sculpture (Code 020-017)
Area Requirements, 21 credits: Art 264, 357, 405 (six credits)
Choose six credits: Art 364, 365, 366
Choose three credits: Art 240, 241, 250, 251, 340
Electives in Art/ArtH, 18 credits
Electives in ArtH, six credits

Additional B.F.A. Requirements
1. To enter the B.F.A. program, students must apply with a minimum of 18 Art & Design credits including Art 107, 108, 110, ArtH 109 plus two courses in studio art. The maximum number of Art credits taken (including current enrollment) prior to the B.F.A. Entrance Review is 30. Transfers, Changes of Major, and other exceptions, must see area adviser.

2. To be accepted into the B.F.A. program, students must pass the B.F.A. Entrance Review. They must participate in a Senior Exhibition.

3. Students in the B.F.A. program are required to participate in one of two department-sponsored field trip options: the New York field trip OR the Chicago and Minneapolis field trips.
Water-based media and involve more conceptual approaches to image making.

Later assignments will include other painting medium in relation to subject and concept.

ART 106 Introduction to the Visual Arts (Studio)

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

Not for art majors or minors.

A studio course developing awareness of art forms through studio experience in various media.

ART 107 Foundations: Drawing and Composition

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

An introduction to freehand descriptive drawing and visual composition using a variety of materials and techniques. Using drawing processes to solve problems and express ideas. Prerequisite for all studio art courses numbered 200 and above.

ART 108 Foundations: Color and Composition

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

Developing an understanding and use of color and effective visual composition in art. Prerequisite for many studio art courses.

ART 110 Foundations: Three-Dimensional Art

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

Introduction to the materials, methods, and history of 3-D art emphasizing an understanding of 3-D concepts in sculptural materials. The course provides a foundation in making 3-D art forms.

ART 240 Drawing: Contemporary Abstraction

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

Drawing from topics at the intermediate level, observation, theory, media, form, and content with an emphasis on developing a personal vision.

ART 241 Life Drawing I

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

An introduction to technical approaches to drawing the figure and conceptual ways of visualizing the figure.

ART 244 Introduction to Painting

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

Exploration of painting, introducing the technical and expressive nature of the painting medium in relation to subject and concept.

ART 247 Water-Media I

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

Introduction to working with water-based media. Initial instruction will include watercolor and painting from observation. Later assignments will include other water-based media and involve more conceptual approaches to image making.

ART 294 Introduction to Prints

Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6

Students may not elect this course if they have taken more than one print course in previous semesters.

An introductory studio course exploring a range of approaches and possibilities in four basic printmaking areas, including relief, intaglio, lithography, and serigraphy.
**ART & DESIGN**

**ART 291 Special Topics**  
1-3 crs. • V • Instructor Consent Required  
Topics depend on interests of students and faculty and are not typically covered in regular art studio courses. Topics may be specific media concerns, art subjects, artmaking procedures, contemporary art concerns, or other issues.

**ART 300 Art in Elementary/Middle Level School**  
3 crs. • E • Special Course Fee Required • P: ES 203 or SPED 205. Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2  
• Not for art majors or minors except those seeking add-on licensure for Art/Special Education teaching (ART 106 not required for these students).  
Studio/discussion course involving study of child/middle level artistic development and examination of theory and practices in teaching art and Art Heritage.

**ART 304 Fundamentals of Art Education**  
3 crs. • Sp • Special Course Fee Required • P: ART 107, 108, 110, and ART 109. Limited to liberal arts art majors and art education majors. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
An entry-level art education course for students considering becoming an educators. Theories and practices from art education praxis will be introduced and applied to teaching and learning and integrated with studio methodologies.

**ART 312 Computer Graphics**  
3 crs. • V • GE-IVA; Special Course Fee Required  
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
• For students in art education, general fine arts, and non-art majors. No credit for students majoring in graphic design. CS 100 is recommended prior to enrollment in this course.  
Beginning concepts in typography, illustration, and page layout taught with current professional software and computers.

**ART 322 Illustration Narratives**  
3 crs. • F • Special Course Fee Required • No S/U Grade Option • P: ART 241 and ART 244. Limited to art majors and minors. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
An exploration of text and images and visual narrative within the context of contemporary illustration.

**ART 340 Drawing: Conceptual Practices**  
3 crs. • SP • Special Course Fee Required • P: Two of the following: ART 107, ART 110, ART 110. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Contemporary approaches to drawing at the intermediate level with a focus on interdisciplinary concepts including collaboration, electronic media, and animation.

**ART 341 Life Drawing II**  
3 crs. • F • Special Course Fee Required • P: ART 110 and ART 241. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Studio course emphasizing personal expression in drawing the human body. Various media employed in depicting the live model in changing environments.

**ART 342 Illustration Editorials**  
3 crs. • V • Special Course Fee Required • P: ART 241 and ART 244. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Illustration course concerned with news editorial markets, promotional markets, and current events. Collaboration with at least one local venue is offered.

**ART 344/544 Painting: Space and Process**  
3 crs. • V • Special Course Fee Required • May be repeated for a maximum of 6 credits • P: ART 110 and 244. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Studio course for the intermediate student exploring materials, techniques, processes and their relationships to pictorial and physical space.

**ART 347 Water-Media Process**  
3 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: ART 247 Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
An intermediate exploration of water-media placing emphasis on material processes and material experimentation.

**ART 348 Water-Media Themes**  
3 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: ART 247 Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
An intermediate water-media course placing emphasis on building conceptual and thematic frameworks for art. Includes a reading, research, and writing element.

**ART 349 Painting: Conceptual and Aesthetic Strategies**  
3 crs. • V • Special Course Fee Required • May be repeated for a maximum of 6 credits • P: ART 110 and ART 244. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Studio course for the intermediate student emphasizing problem solving, research strategies, and the development of individual direction.

**ART 350 Printmaking - Relief-Intermediate**  
3 crs. • V • Special Course Fee Required • P: ART 250 Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Studio course with advanced work in relief printmaking. Emphasis on refinement of personal expression with exploration into scale and proportion, color and multiple block printing methods.

**ART 351 Printmaking - Intaglio-Intermediate**  
3 crs. • V • Special Course Fee Required • P: ART 251 Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Advanced studio course in prints taken on paper from inked incisions of metal plates.

**ART 352 Printmaking - Serigraphy-Intermediate**  
3 crs. • V • Special Course Fee Required • P: ART 252 Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Studio course which further explores silk screen methods including photo-screen techniques.

**ART 353 Printmaking - Lithography-Intermediate**  
3 crs. • V • Special Course Fee Required • P: ART 253 Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Experimentation with different media, creative uses of textures and color. Printmaking on a more technologically and conceptually advanced level.

**ART 357/557 Ceramics I**  
3 crs. • V • Special Course Fee Required • P: ART 110 or consent of instructor. Limited to art majors and minors. • Department Consent Required Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
The advanced study of the manipulation, fabrication, and combined uses of disparate materials in sculpture.

**ART 365 Site-Specific Sculpture**  
3 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: Completion of at least four 200-level or higher art courses. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
The advanced study of the manipulation, fabrication, and combined uses of disparate materials in sculpture.

**ART 366 Found Media**  
3 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: ART 264 Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Course will focus on the integration, manipulation, and conceptualization of “found media” into sculpture.

**ART 373 Motion Graphics**  
3 crs. • F, Sp • Special Course Fee Required • A-F Grades Only • P: ART 107, ART 108, ART 110, and ART 312 or ART 274, plus two art studio courses in an emphasis area approved by the student’s adviser. • Department Consent Required Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
A studio course exploring the concept, creativity and techniques of 2-dimensional digital motion graphics, including the applications of TV and film identity, internet motion graphics, representative or abstract animation, and artistic presentation in galleries.

**ART 374 Graphic Design IV: Advanced Typographics**  
3 crs. • F • Special Course Fee Required • P: ART 275 and 276. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Studio course applying the advanced principles of typographical design and relationships to graphic communications.

**ART 375 Electronic Media Design I: Information Environments**  
3 crs. • V • Special Course Fee Required • May be repeated for a maximum of 6 credits • P: ART 275 or ART 312. Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6  
Studio course exploring the potential of print related design, pre-press capabilities, related graphic software, and the introduction of multimedia interface design.
ART 376 Graphic Design V: Editorial Concepts
3 crs. • V • Special Course Fee Required • P: ART 374
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Qualified students, selected and supervised by faculty members, facilitate and lead workshops teaching comprehensive concepts of editorial design, layout, and print-related graphics. Visitation to studios and agencies involved with the production of such imagery can be expected.

ART 378 3-D Computer Animation I
3 crs. • F; Sp • P: ART 278
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Continued development of computer 3-D modeling skills begun in Art 278. Students study comprehensive creative concepts and advanced 3-D artistic modeling for objects and figures. Additional animation techniques are included.

ART 381 Intermediate Photography: Darkroom
3 crs. • V • Special Course Fee Required • P: ART 281
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Continued work with photography genres, concepts, and processes. Students learn black-and-white film developing and printing and alternative processes such as silver emulsion (Liquid Light), Cyanotype, and pinhole. Emphasis on concept development.

ART 382 Intermediate Photography: Digital
3 crs. • F, Wi, Sp, Su • Special Course Fee Required • P: ART 281 or consent of instructor.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Utilizing digital techniques, students continue to develop skills and personal visions in photography through a variety of theme-based assignments. Students learn digital SLR-camera, file management, image adjustments, and printing. Emphasis on conceptual development.

ART 383 Video for Art and Design
3 crs. • F, Wi, Sp, Su • Special Course Fee Required • P: ART 281 or consent of instructor.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Development of theoretical, critical, aesthetic, and historic issues as they relate to time based imagery in contemporary art practice. Students develop technical and visual tools necessary to execute and articulate conceptual ideas and personal visions.

ART 384 Artist Books: Image & Text
3 crs. • F • Field Trip(s) Required; Special Course Fee Required • No S/U Grade Option • P: Any 200-level course in studio art.
Lecture/Discussion Hours:0 | Lab/Studio Hours: 6
Interdisciplinary exploration of art in the book form. Examines the conventions of the written word, the image, and image-text relations. Explores book structures and designs through bookbinding demonstration and hands-on practices.

ART 395/595 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
Investigation of a special studio art/art related project.

ART 399 Independent Study - Juniors
1-3 crs. • F; Sp, Su • May be repeated • P: Minimum junior standing. • Department Consent Required
Individual research projects undertaken under the direction of a faculty member.

ART 402 Advanced Studio Practice
3 crs. • F, Sp • May be repeated for a maximum of 9 credits • P: Minimum junior standing. • Instructor Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
• See Note 1.
Studio course mixing advanced studio students of various disciplines who are researching individually proposed projects. Emphasizes the professional presentation of artwork.

ART 404 Advanced Studio - Art Education
1-6 crs. • F, Sp, Su • May be repeated for a maximum of 12 credits • P: ES 350 or 354 or consent of instructor. • Department Consent Required
• See Note 1.

ART 405 Advanced Three-Dimensional Studio
1-3 crs. • F • Sp • May be repeated for a maximum of 9 credits • P: Minimum junior standing.
• See Note 1.
Topical projects and investigation of personal concepts through a variety of three-dimensional media.

ART 441 Advanced Studio - Life Drawing
3 crs. • Sp • Special Course Fee Required • P: Grade of C+ or above in ART 341. • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
• See Note 1.
Students will work from the figure, studying its role in various modes of representation. Structural understanding, exploration of various processes and medium, and working in a range of format and scale are emphasized.

ART 443 Advanced Studio - Illustration
3 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: ART 332, ART 341, ART 342. • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
• See Note 1.
Studio course focusing on the development of a professional portfolio including promotional materials, the business of illustration, further exploration of imagery and processes, and a greater unity between concept and application. Artist lectures are supplemental.

ART 458 Advanced Ceramics
3 crs. • V • Special Course Fee Required • May be repeated • P: ART 358 • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
This course will focus on individualized concepts of creating in ceramics. Emphasis on the student’s personal exploration of the vessel and/or sculptural forms. Course will prepare students for graduate school and setting up a ceramics studio.

ART 474 Electronic Media Design II: Multi-Media Interface
Concepts
3 crs. • V • GE-IVA; Special Course Fee Required • P: ART 375, or CS 163, or CS 245, or CS 319. Limited to art majors and computer science majors and minors.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Course involving the use of practical and client-based projects related to print, packaging, multimedia interface, and/or photo-related solutions. Visits to studios and design agencies can be expected.

ART 476 Graphic Design VI: Advanced Graphic Communication
3 crs. • F • SL-Full; Special Course Fee Required • P: ART 376 or consent of instructor. • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
A graphic design studio course focusing on advanced development of a professional portfolio, informational interview, and exploration of creativity with focused research information in relationship to the professional field.

ART 477 Graphic Design VII: Advanced Portfolio Development
3 crs. • Sp • Field Trip(s) Required; Special Course Fee Required • P: ART 376. Limited to graphic design majors.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
A graphic design studio course focusing on advanced development of a professional portfolio, informational interview, and exploration of creativity with focused research information in relationship to the professional field.

ART 478 3-D Computer Animation II
3 crs. • F • P: ART 378
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Extending the depth of understanding from Art 378 in 3-D models and how they are animated in time using intermediate level techniques. Aesthetic and kinetic computer 3-D character images of humans and animals are created.

ART 481 Advanced Studio-Photography
1-6 crs. • V • Special Course Fee Required • May be repeated • P: Two of these 300-level courses: ART 381, 382, 383, or 384. • Department Consent Required
• See Note 1.
Topical projects and investigation of personal concepts through photographic media.

ART 491 Special Topics
1-3 crs. • V • May be repeated • Instructor Consent Required
Topics depend on interests of students and faculty and are not typically covered in regular art studio courses. Topics may be specific media concerns, art subjects, artmaking procedures, contemporary art concerns, or other issues.

ART 497 Student Academic Apprenticeship in Art
1-3 crs. • V • S/U Only Grade Basis • P: At least six semester credits in the studio area in which the student will apprentice and a grade of B+ or above in the course in which the student will apprentice. Minimum resident and total GPA of 3.30. Minimum senior standing. • Instructor Consent Required
Qualified students, selected and supervised by faculty members, facilitate teaching and learning in a specific course. Students enhance their knowledge of art and their ability to communicate that knowledge.
ART & DESIGN

ART 498 Internship
3 crs. | F, Sp, Su | IN | May be repeated for a maximum of 6 credits | P: Limited to art majors. | DEPARTMENT CONSENT REQUIRED
Assignment in an area of art to gain practical experience in the technical, research, and/or educational aspects of the discipline(s) involved. Work must build upon research and knowledge developed in other art courses.

ART 499 Independent Study - Seniors
1-3 crs. | F, Sp, Su | May be repeated | P: Minimum senior standing. | DEPARTMENT CONSENT REQUIRED
Individual research projects under the direction of a faculty member.

ARTH

ARTH 109 Art of the 20th Century
3 crs. | W | F, Sp | FC; GE-IVA | P: No credit if taken after ARTH 201.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of architecture, sculpture, painting, related arts, on the international art scene during the twentieth century. Emphasizes the global and pluralistic nature of modern and post-modern art.

ARTH 111 Art History Survey I
3 crs. | F | Sp | FC; GE-IVA; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A historical survey of Western art from the Paleolithic through Medieval periods emphasizing materials, techniques, style, iconography, and contexts of production and reception.

ARTH 112 Art History Survey II
3 crs. | F | FC; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Lecture series reviewing the fine arts in Western Europe and America from 1200 through the present century.

ARTH 217 Medieval Art
3 crs. | V | GE-IVA; P: ARTH 111
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the arts and architecture during the Early Christian, Byzantine, Carolingian, Romanesque, and Gothic periods. Emphasizes Christian religious art from the late Roman Empire up to the Italian Renaissance (ca. A.D. 400-1400).

ARTH 225 History of Graphic Design
3 crs. | F | FC; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Designed as a survey of the development of European and American graphic design in the twentieth century. Focus is on the styles and philosophies of the most influential designers of this period.

ARTH 227 History of Photography
3 crs. | F | FC; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Survey of ideas and processes of still photography and the making of history of photography in the past and present. Defines relationships between photography and other contemporary events that have shaped the nation and world.

ARTH 291 Special Topics
1-3 crs. | V | Instructor Consent Required
Topics depend on interests of students and faculty and are not typically covered in regular art history courses. Topics may be art historical themes, narrow period studies, national or regional traditions, or other focuses.

ARTH 310 History of World Architecture
3 crs. | F | GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of major architectural monuments around the world from c. 2100 BCE into the twentieth century. Utilizes slide-lecture and discussion format.

ARTH 315 Ancient Greek, Etruscan, and Roman Art
3 crs. | V | GE-IVA; Field Trip(s) Required | P: ARTH 111
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the art and architecture of the Greeks (900 BCE-31 BCE), Etruscans (700-100 BCE), and Romans (500 BCE-400 CE). The primary objective is the interpretation of artwork and architecture in their original contexts of production and reception.

ARTH 319 Renaissance Art
3 crs. | V | GE-IVA | P: ARTH 112
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the evolution of the style and meaning of Renaissance architecture, sculpture, painting and graphics during the fifteenth and sixteenth centuries in Italy and Northern Europe.

ARTH 321 Baroque and Rococo Art
3 crs. | V | GE-IVA | P: ARTH 112
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the architecture, sculpture, and painting in Italy, France, Spain, the Low Countries, Southern Germany, and England in the seventeenth and eighteenth centuries—the era of Baroque and Rococo.

ARTH/ASH 324 Survey of North American Indian Art
3 crs. | V | FC; CD2; GE-IVA; Field Trip(s) Required | P: One AIS or ARTH or ART course or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of North American Indian artwork in contemporary and historical contexts.

ARTH 327 Nineteenth Century Art
3 crs. | V | GE-IVA; P: ARTH 112
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the architecture, sculpture, and painting during the nineteenth century.

ARTH 333 Themes in Contemporary Art
3 crs. | Sp | FC; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An investigation of the processes, theories, and historical viewpoints that motivate and structure the content of the current art world.

ARTH/ASH 335 Ancient Art and Architecture of Mexico and Central America
3 crs. | F | FC; GE-IVA; Field Trip(s) Required | P: One ART, ARTH, AIS, or LAS course, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both ARTH 335 and AIS 335.
A study of the art and architecture of ancient Mexico and Central America between 2000 BCE -1600 CE. Focus is on the materials, techniques, styles, and iconography of the art and architecture in relation to the contexts of production, use, and reception.

ARTH 350/550 Art Field Study Programs
1-6 crs. | V | GE-IVA | May be repeated for a maximum of 6 credits | Instructor Consent Required
| Fee variable.
Travel seminars examining art in this country and abroad.

ARTH 389 Methodologies of Art History
3 crs. | F | FC; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course surveys the major methodologies and approaches that art historians use to construct and interpret the discipline’s content.

ARTH 395 Directed Studies
1-3 crs. | F, Sp | May be repeated | P: Minimum 11 credits art history. | DEPARTMENT CONSENT REQUIRED
The study of an art historical problem or topic approved by the supervising instructor and department chair.

ARTH 399 Independent Study - Juniors
1-3 crs. | F, Sp, Su | May be repeated | P: Minimum 12 credits art history. | DEPARTMENT CONSENT REQUIRED
Individual research project in a specific art history subject under the direction of an art history faculty member.

ARTH 491 Special Topics
1-3 crs. | V | Instructor Consent Required
Topics depend on interests of students and faculty and are not typically covered in regular art history courses. Topics may be art historical themes, narrow period studies, national or regional traditions, or other focuses.

ARTH 499 Independent Study - Seniors
1-3 crs. | F, Sp, Su | May be repeated | P: Minimum 12 credits art history. | DEPARTMENT CONSENT REQUIRED
Individual research project in a specific art history subject under the direction of an art history faculty member.
**Biology**

**Phillips 330**

**Wilson Taylor, Chair**

**Julie Anderson, Winnifred Bryant, Rodolfo Busser, Christina Chan-Weihner, Mary Elger-Lonzarich, Chris Floyd, Deb Freund, Mitchell Freymiller, Derek Gingerich, Daniel Herman, Daniel Janik, Lynn Young Janik, Mel Kantor, Michelle Kettler, Paula Kleintjes Neff, Tali Lee, David Lonzarich, Jamie Lyman-Gingerich, Kelly Murray, Joseph Rohrer, Sasha Skowshi, Lloyd Turinien, Evan Weihner, Todd Wellnitz.**

**Honor Societies and Student Organizations:**  
**Biology Club** is a student organization for those interested in Biology. Beta Beta Beta, Biology Honor society, is dedicated to improving the understanding and appreciation of biological study and extending the boundaries of human knowledge through scientific research. Meetings provide opportunities to meet other biology majors/minors and professors, hear speakers on various biology related topics, learn about possible internships and research opportunities, and participate in fun activities such as trips to science museums, aquariums, and zoos.

Biologists study the diversity, function, and interconnection of living organisms on earth from the molecular and cellular level to that of the whole organism. It is a broad science with many subdisciplines that range from the theoretical to the applied and from the microbe to the biome. Biological knowledge and understanding is essential for the intelligent evaluation of a range of issues facing civilization whether they be emerging diseases; invasive species and loss of biodiversity; or advances in medical, biotechnological, and ecological research.

The mission of the Department is to build a community that will instill an enthusiasm for lifetime learning in the biological sciences through education, research, and service to students, faculty/staff, and the public-at-large. We aim to provide students with basic concepts and skills as well as an enlightening and participatory learning environment via coursework, seminars, and collaborative research opportunities so that they may solve problems and confront issues of the future whether they be scientific, social, political, or ethical in context. We also aim to provide an atmosphere that assists students in identifying career possibilities consistent with their interests and abilities in the life sciences.

**Core Requirements for All Biology Majors**

**Ecology and Environmental Biology Emphasis (Code 080-001)**  
**Microbiology Emphasis (Code 080-002)**  
**Organismal Biology Emphasis (Code 080-003)**  
**Biology, Liberal Arts (Code 080-203)**  
**Biology, Teaching (Code 080-205)**

*Each major is required to complete a capstone experience which includes one of the following: Biol 385 Undergraduate Seminar, Biol 485 Issues in Biology, Biol 496 Student Academic Apprenticeship, or Biol 497 Senior Research Seminar. Ecology and Environmental Biology Emphasis comprehensive majors may also select Biol 329 Field Experience in Conservation Biology. Teaching majors are required to select Biol 496.

**COMPREHENSIVE MAJOR: BIOLOGY, Liberal Arts**

All students who pursue a Liberal Arts Comprehensive Major in Biology are also required to complete Math 114 Calculus I, and Chem 103 and 104, or Chem 115, in addition to the 60 credits required for the major.

**Ecology and Environmental Biology Emphasis (Code 080-001)**

This emphasis provides extensive exposure to topics in ecology, field biology, and biological conservation. It is intended for students who are interested in field research, environmental monitoring and management, or natural resource conservation, or who desire strong preparation for graduate programs in ecology, environmental biology, or related fields. Requires completion of the core, the required credits as listed below, and biology electives to total at least 60 credits.

Research or internship experience strongly recommended.

**Microbiology Emphasis (Code 080-002)**

This emphasis differs from the Biochemistry/Molecular Biology comprehensive major in that it provides more in-depth exposure to topics in microbiology including virology, immunology, and bacteriology. It is excellent preparation for careers in health science, industry, and for graduate training in microbiology and related fields. Requires completion of the core, the required credits as listed below, and biology electives to total at least 60 credits.

BIOLOGY

Categorical Courses

In addition to the courses listed above, at least one course from each of the following categories.

Organismal Diversity: Select from Biol 311, 325, 331, 332, 340, 345, 352, 356, 361, 362, 379, 381, 410

Ecology, Evolution and Behavior: Select from Biol 308, 328, 335, 336, 339, 365, 376

MAJOR: BIOLOGY, Liberal Arts (Code 080-203)

Thirty-six semester credits, including:

1. Core Requirements for all majors, as listed above.
2. One course in each of the following categories:
   - Genetics/Cell Biology: Biol 300 Genetics, Biol 302 Cell Biology, Biol 353 Biotechnology

3. Additional biology courses not specifically excluded from the biology major to complete the 36 credit total in biology.
4. In addition to the 36 credits in biology, students who pursue the Liberal Arts Major in Biology must complete Math 114 Calculus I, and Chem 103 and 104, or Chem 115.

NOTE: Math 114 satisfies GE-IB and Chem 103, 104, or 115 satisfy GE-IB. Although not required, it is suggested that biology majors consider taking Engl 305 or 308 for GE-IA, Phys 211/212 for GE-IE, Phil 306, 320, or 355 for GE-IVB, and CS 170 for GE-V; or consult with an adviser for other appropriate GE courses to complement personal interests and the major.

MAJOR: BIOLOGY, Teaching (Code 080-205)

Thirty-six semester credits, including:

1. Core Requirements for all majors, as listed above.
2. Biol 214 and 314.
3. At least one course in cells, molecules, genetics from among Biol 250, 300, or 302.
4. At least one course in animal biology from among Biol 311, 319, 345, 352, 356, or 362.
5. At least one course in plant biology from among Biol 318, 322, 325, 326, 331, 332, 333, or 392.
7. Additional biology courses not specifically excluded from the biology major to complete the 36-credit total in biology.
8. In addition to the 36 credits in biology, chemistry requirement chosen from Chem 103 and 104 OR Chem 115. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Biology in Early Adolescence through Adolescence classrooms.

NOTE: See also Information for Teaching Majors.

COMPREHENSIVE MAJOR: BIOCHEMISTRY/MOLECULAR BIOLOGY, Liberal Arts (Code 090-001)

See Interdisciplinary Majors.

MINOR: BIOLOGY, General—Liberal Arts (Code 080-401)

A minimum of 24 credits, including Biol 221, 222, 223.

MINOR: BIOLOGY, Teaching (Code 080-403)

A minimum of 24 credits, including Biol 221, 222, 223, and 15 credits in courses numbered 300 or higher. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Biology in Early Adolescence through Adolescence classrooms.

DEPARTMENTAL HONORS IN BIOLOGY

Eligibility: Upper-class students with resident and total GPAs of 3.30 or higher and a 3.50 or higher in at least 12 credits of biology.

Procedure: A written application for Departmental Honors in Biology shall be approved by the research adviser and the departmental honors committee.

Requirements:

1. The satisfactory completion of (a) 5-7 credits of registration in Honors Research including the writing of a research paper. A grade will be assigned for the total research credits only upon completion of the research paper; (b) Biol 385 or Biol 497 where the results of the honors research will be presented; (c) final approval by faculty and academic staff of the Department of Biology.

2. Resident and total GPAs of 3.50 or higher in both the biology major and for all credits attempted to meet graduation requirements.

INFORMATION FOR TEACHING MAJORS

NOTE 1: Biology majors entering teaching must take Biol 180 or Geog 178 to satisfy Wisconsin DPI requirements in Conservation.

NOTE 2: Completion of the following requirements and ES 359 may be used in lieu of a minor and adds Broadfield Science licensure to the Teaching major:
A. At least 14 credits from one of the following areas: (1) Chem 103 and 104, or 115; additional courses selected from 213, 218, 325; (2) Phys 211 and 212 or 231 and 232; additional credits above 212; (3) one of Geol 106, 110, 115, or 118; Geog 104 or 340 or 361; Phys 226; additional courses from Geol 102, 301, 303, 308; Phys 229; Geog 200, 304, 340, 361.
B. Eight credits in each of the two areas not selected in A above: (1) Chem 103 or 115, plus 104 or 150; (2) Phys 211 and 212, or 231 and 232; (3) one of Geol 106, 110, 115, or 118; Geog 104; and Phys 226 or 229.

BIOL

BIOL 100 General Biology
4 crs. • F, Sp, Su • GE-IIA; LS
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 3
• No credit toward biology major or minor. This course cannot serve as a prerequisite for 300-level biology courses.
Explores fundamental principles of biology, genetics, evolution, organism structure and function. Some lab sections are specially designed for elementary/special education students who are likely to pursue a career in fields other than the biological or medical sciences.

BIOL 130 Human Sexual Biology
3 crs. • F, Sp • GE-IIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both BIOL 130 and WMNS 130. No credit toward biology major or minor.
Structure, function, control, and coordination of the human reproductive organ system. Formation and function of sex cells. Problems of lactation, fertility, sterility, sexuality, birth control challenges, and human population.

BIOL 151 Biology of Humans
4 crs. • F, Sp, Su • GE-IIA; LS • P: No credit if taken after or concurrently with BIOL 214.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
• No credit toward biology major or minor.
Basic principles and processes of the human body. Emphasis on human origin and evolution, biomolecules, cells, organ systems and disorders, reproduction, genetics, and the role of humans in the biosphere.

BIOL 180 Environmental Biology and Conservation
3 crs. • F, Sp • GE-IIA • P: No credit if taken after GEOG 178.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
• Satisfies Wisconsin conservation requirement for teaching certificates in science and social science.
An introduction to natural resource conservation. Problems associated with the use and abuse of America’s resources are studied in an ecological framework. Resource management methods are explored.

BIOL 181 Environmental Biology and Conservation Lab
1 cr. • V • GE-IIA; LS; SL-Optional; Field Trip(s) Required; Special Course Fee Required • P: Must be taken with BIOL 180.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
• No credit toward biology major or minor.
Laboratory science course intended to be taken with Biology 180, Environmental Biology and Conservation, in order to receive laboratory science credit. Labs and field trips have students explore problems and solutions associated with environmental and conservation of natural resource issues.
BIO 182 Ecosystems of Latin America  
3 crs. • F • GE-IIA • Field Trip(s) Required  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
• No credit toward biology major or minor.  
This course covers physical, climatological, and biological features of Latin America and how they combine to create distinctive environments such as rain forests, pampas, and deserts. Wildlife, ecology, and current environmental issues will be featured.

BIO 195 Plants and Society  
4 crs. • F; Sp • GE-IIA; LS  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2  
• No credit toward biology major or minor.  
An introduction to the biology of plants and their use by humans for food, beverage, spices, commercial products, and medicine.

BIO 196 Human Nutrition  
3 crs. • F; Sp, Su • W; GE-IIA • P: No credit if taken after BIOL 354.  
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1  
• No credit toward biology major or minor.  
Introduction to nutrition including coverage of nutrients-functions and sources; digestion and absorption; food guides; obesity and energy needs; diet and chronic disease; hunger in the world and United States; organic foods; sport nutrition; nutrition.

BIO 214 Human Anatomy and Physiology I  
4 crs. • F; Sp, Su • GE-IIA; LS • P: CHEM 103 or 115 with a grade of C or above.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2  
• No credit toward biology major or minor.  
The anatomical structure will be highlighted in the skeletal, muscular, nervous, and endocrine systems.

BIO 221 Foundations of Biology I  
4 crs. • F; Sp • GE-IIA; LS • No S/U Grade Option • P: MATH 109 or placement into MATH courses above 109; CHEM 103 or CHEM 115 or concurrent enrollment.  
Credit may not be earned in both BIO 221 and BIOL 211.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2  
Introduction to cell biology, genetics, evolution, and microbiology.

BIO 222 Foundations of Biology II  
3 crs. • F; Sp • No S/U Grade Option • P: Grade of C or above in BIOL 221.  
Credit may not be earned in both BIO 222 and BIOL 211.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
• Concurrent enrollment in BIO 223 is strongly recommended.  
Introduction to evolution, organismal form and function, and ecology.

BIO 223 Foundations of Biological Inquiry  
2 crs. • F; Sp • No S/U Grade Option • P: Grade of C or above in BIOL 221.  
Credit may not be earned in both BIO 223 and BIOL 211.  
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2  
• Concurrent enrollment in BIO 222 is strongly recommended.  
Introduction to inquiry methods in biology focusing on scientific methods including experimental design, data collection and analysis, and critical thinking.

BIO 250 Microbiology  
3 crs. • F; Sp • GE-IIA • P: BIOL 214 and one semester of college chemistry.  
No credit if credit has been earned in BIOL 361.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
• No credit toward liberal arts biology major or minor.  
Study of the attributes of various microbial groups and their interactions with human systems in the disease process.

BIO 291 Special Topics in Introductory Biology  
1-3 crs. • V • P: No credit if taken after BIO 221.  
Biological topics of current and special interest not typically covered in an introductory biology course, and of special interest to students and faculty.

BIO 296 Student Academic Experience  
1-2 crs. • F, Sp, Su • SL-Full • May be repeated for a maximum of 4 credits • S/U Only Grade Basis • P: Eight credits in biology with a 3.00 GPA including a grade of B or above in the course in which the teaching experience will occur.  
Limited to biology majors.  
Instructor Consent Required  
• No more than two credits can be counted toward a biology major or minor.  
A total of four credits may be taken between this course and BIOL 496.  
Experience for qualified students, selected and supervised by faculty members, to facilitate teaching and learning in a specific course. Students enhance their knowledge of biology and their ability to communicate that knowledge to other students.

BIO 300/500 Genetics  
4 crs. • F; Sp • P: BIOL 211, or grades of C or above in BIOL 222 and BIOL 223, or consent of instructor; and MATH 109 with a grade of C or above.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2  
Basic principles of heredity and variation; genetic systems, structure and roles of nucleic acids, mutation, allelism, genes in development, genes in populations, and genetics in human life; genetic engineering and genomics.

BIO 302 Cell Biology  
3 crs. • Sp • P: BIOL 111 or grades of C or above in BIOL 222 and BIOL 223; CHEM 104 or CHEM 115.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Structure, function, and molecular organization of cells and cell organelles.

BIO 304 Molecular Biology  
4 crs. • F; Sp • P: BIOL 300; CHEM 104 or 115.  
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0  

BIO 306/506 Infectious Disease Ecology  
3 crs. • Sp • P: BIOL 111 or 221; and CHEM 104 or 115.  
Minimum junior standing.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Introduction to the realities of microbial pathogens in our lives and their relationship to hosts, reservoirs, and environmental factors. Discussion of emerging and re-emerging diseases.

BIO 307 Cell and Molecular Biology Laboratory  
2 crs. • F; A-F Grades Only • P: BIOL 302 or concurrent enrollment.  
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 4  
A lab course introducing various technical aspects of cell and molecular biology. Techniques include cell culture, cell separation, extraction and separation of macromolecules, immunoassay, enzyme assays, immunofluorescence, PCR, and DNA sequencing.

BIO 308 Evolution  
3 crs. • F • P: BIOL 111 or grades of C or above in BIOL 222 and BIOL 223.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
An introduction to evolution, including: origin and impact of the theory of evolution, origin of life, genetics and natural selection, molecular evolution, speciation, adaptation, systematics, fossil record, biogeography, species interactions, and human evolution.

BIO/WMNS 309 Women in the Life Sciences  
3 crs. • Sp • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Reading, discussion, and student presentations about women and their contributions to the biological sciences within a personal, cultural, and historical context.

BIO 311/511 General Entomology  
4 crs. • F; Field Trip(s) Required • P: BIOL 100 or BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.  
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4  
Study of the structure, function, diversity, ecology, and management of insects. Field collection and laboratory identification of terrestrial and aquatic insects of Wisconsin.

BIO 314 Human Anatomy and Physiology II  
4 crs. • F; Sp • P: BIOL 214 with a grade of C or above. Minimum sophomore standing.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2  
• Only five credits from BIOL 214 and 314 can be counted toward the biological sciences within a personal, cultural, and historical context.

BIO 315/515 Reproductive Physiology  
3 crs. • F; A-F Grades Only • P: BIOL 222 and BIOL 223.  
Lecture/Discussion Hours: 3 Hours | Lab/Studio Hours: 0 Hours  
Examination of the principles and mechanisms of reproduction in human. Social aspects of reproduction, including reproductive biotechnologies and reproductive health will also be discussed.
BIOLOGY

BIO 317 Animal Physiology
4 crs. • Sp • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223; CHEM 104 or 115.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Analysis of animal function using physical and chemical principles; homeostatic regulation of the internal environment of animals.

BIO 318 Plant Form and Function
4 crs. • Sp • P: Grades of C or above in BIOL 211, or BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Study of the classification, structure, function, development, and behavior of plants in an evolutionary and experimental context.

BIO 319 Animal Form and Function
4 crs. • F • P: Grades of C or above in BIOL 211, or BIOL 222 and BIOL 223.
No credit if taken after BIOL 301, BIOL 317, BIOL 380, or BIOL 470.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
An examination of the comparative biology of animals including their evolution, reproduction, development, physiology, and behavior. Laboratories include an experimental approach to the study of animal form and behavior.

BIO 320 Studies in Tropical Environments
3 crs. • Wi, Su • GE-HAL LS; Special Course Fee Required Varies by Term/Section • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
Extended travel to study the biological diversity and natural history of terrestrial and aquatic organisms from a tropical environment. Emphasis on human impacts to tropical ecosystems.

BIO 322 Plant Anatomy
4 crs. • F • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
The development and structure of cells, tissue, and organs; the structure and growth of meristems; comparative anatomy of stems, roots, and leaves of vascular plants.

BIO 325 Plant Systematics
4 crs. • Sp • Field Trip(s) Required • P: BIOL 110 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Principles of classification, nomenclature, and determining evolutionary relationships among plants; survey of plant diversity including mosses, ferns, conifers, and flowering plants. Field identification of local flora.

BIO 326 Economic Botany
3 crs. • V • P: Grades of C or above in BIOL 211, or BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Plants upon which civilization is dependent for food, spices, fiber, shelter, fuel, medicine, and industrial products. Emphasis is on plant biology, use of plants, and relationship of plants to human cultures.

BIO 328 Conservation Biology
4 crs. • F • Sp • SL-Half; Field Trip(s) Required; Special Course Fee Required • P: GEOG 178 or BIOL 180, and one introductory [100 or 200-level] biology lab course [includes: BIOL 100, 151, 181, 110, 111, 221, or 222 (if taken with or after 223)]. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Scientific basis for conserving biological diversity. Explore global efforts in research, education, and advocacy for conserving genes, species, and ecosystems and their ecological and evolutionary processes. Applied engagement in habitat restoration, conservation research, and education.

BIO 329 Biological Field Experiences and Service-Learning Capstone
1-2 crs. • F, Sp • SL-Full; CP; Field Trip(s) Required • May be repeated for a maximum of 3 credits • P: BIOL 110, BIOL 111, or BIOL 211 and grades of C or above in BIOL 222 and BIOL 223. Minimum junior standing. • Instructor Consent Required...
  * Capstone for Environmental Science minors or comprehensive majors in Ecology and Environmental Biology.
  * Group participation and collaboration with a community organization engaging in hands-on work experience or environmental education focusing on protecting/teaching about Wisconsin biodiversity through projects in habitat restoration, research, and education.

BIO 330 Population and Community Ecology
4 crs. • Sp • Field Trip(s) Required • P: MATH 214 and BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Emphasis on theory and empirical research concerning the dynamics and regulation of managed and natural populations. Application of field methods to sample populations and mathematical techniques to study population patterns.

BIO 331 Trees and Shrubs
3 crs. • F • Field Trip(s) Required • P: BIOL 110, or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2

BIO 332 Field Botany
3 crs. • Su • Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • P: BIOL 110 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2

BIO 333 Plant Physiology
4 crs. • Sp • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223; CHEM 104 or 115.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
A study of physiological processes that enable plants to grow under the varied conditions found in nature. Topics include plant metabolism, transport, growth, and development. Labs reinforce principles covered in lecture.

BIO 335 Ecology
4 crs. • Sp • Field Trip(s) Required • P: Grades of C or above in BIOL 211, or BIOL 222 and BIOL 223, or GEOG 312, or GEOG 200.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Core concepts and theories in ecology at the individual, population, community, and ecosystems levels and their applications.

BIO 336 Terrestrial Ecology
4 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: Grades of C or above in BIOL 211, or BIOL 222 and BIOL 223, or BIOL 312.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Structure and function of terrestrial ecosystems including global, regional, and local scales. Emphasis is placed on methods for overcoming complexity.

BIO 338 Vegetation Ecology
4 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: Minimum junior standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Patterns and processes in vegetation, with an emphasis on the natural vegetation of Wisconsin. Laboratories will include field methods and an introduction to multivariate statistical analyses.

BIO 339 Physiological Ecology
4 crs. • Sp • Field Trip(s) Required • P: Grades of C or above in BIOL 211, or BIOL 222 and BIOL 223. No credit if taken after BIOL 356.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
The course will use comparative approaches to study physiological and behavioral adaptations for living in stressful environments.

BIO 340 Ornithology
4 crs. • Sp • Field Trip(s) Required; Special Course Fee Required • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223 or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Introduction to avian biology, including taxonomy, evolution, reproduction, physiology, flight, communication, behavioral ecology, and population census techniques (e.g., bird banding). Lab and field identification of Wisconsin bird species. Students will conduct a semi-independent research project.

BIO 345 Invertebrate Zoology
4 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 1
How networks of neurons form the basis of higher brain function including sensory, motor, and integrative functions.

BIO 350 Systems Neuroscience
4 crs. • F • P: Grade of C or above in BIOL 211, or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Introduction to invertebrate animals with emphases on phylogenetic relationships, form, function, and ecology. Laboratory sessions include field trips for the purpose of collecting invertebrate animals and experiments to learn about the biology of invertebrates.

BIO 354 Systems Neuroscience Lab
4 crs. • F • P: Grade of C or above in BIOL 211, or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 4
Methods to study systems of neurons as they relate to behavior and cellular mechanisms including electrophysiology, histology and immunocytochemistry.
BIOL 352/552 Parasitology
4 crs. • F • P: One semester of a lab course in biology.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
A survey of protozoan, helminth, and arthropod parasites, emphasizing those affecting humans, host-parasite relationships, and vectors. Animal dissection is required.

BIOL 353 Biotechnology
3 crs. • F • GE-HA • P: BIOL 100 or BIOL 111 or BIOL 222.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of current biotechnology and future potentials. Focus on products, problems, and the profound impact of this science on individuals and society.

BIOL 354 Concepts in Advanced Nutrition
3 crs. • Sp • W • P: BIOL 111 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
In-depth study of nutrition incorporating more physiological and biochemical concepts than introductory nutrition courses. Coverage of nutrients, functions, and sources; metabolism, energy balance; dietary recommendations and relationship of food intake to chronic disease.

BIOL 356 Wisconsin Wildlife
4 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: Grades of C or above in BIOL 211, or BIOL 222 and BIOL 223. No credit if taken after BIOL 339, 340, 369, 379, or 410.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
A course that will provide an overview of Wisconsin vertebrate diversity. Topics include distribution, behavior, ecology, and conservation of Wisconsin species. For students seeking a general understanding of vertebrate biology and skills in field identification.

BIOL 358 Cellular and Developmental Neuroscience
4 crs. • F • A-F Grades Only • P: Grade of C or above in BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
In-depth examination of molecular, cellular and developmental processes in the nervous system. Exposure to the primary literature. Students design, implement and interpret experiments in laboratory. Students will write a proposal based on work in laboratory.

BIOL 361/561 Biology of Microorganisms
5 crs. • F • Sp • P: BIOL 111 or BIOL 221, and one year of chemistry.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 4
Study of microbial taxonomy, physiology, genetics, ecology, and morphology with environmental, industrial, agricultural, and medical applications.

BIOL 362 Field Zoology
3 crs. • Sp • Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Field trips and laboratories concerned with habitat observation, collection, and identification of local animals, with emphasis on the invertebrates and cold-blooded vertebrates.

BIOL 365 Animal Behavior
4 crs. • P • Field Trip(s) Required • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223, or one year of college zoology, or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Study of animal behavior with emphasis on evolutionary approaches; topics include feeding adaptations, predator-prey interactions, habitat selection, communication, sociality, and mating strategies. Students work together on lab/field exercises and conduct a semi-independent research project.

BIOL 369 Herpetology
4 crs. • Sp • Field Trip(s) Required • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Anatomy, physiology, ecology, evolution, and taxonomy of amphibians and reptiles. Laboratory identification of common North American species and field observations of local species.

BIOL 371 Medical Mycology
3 crs. • F • P: BIOL 111 or grades of C or above in BIOL 222 and BIOL 223, and one semester of college chemistry, Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to the medically important fungi. Topics include fungal structure, superficial, cutaneous, and systemic mycoses; mechanisms of disease; host response to fungal infections and treatment/prevention.

BIOL 375 Limnology and Aquatic Ecology
4 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: Grades of C or above in BIOL 211 or BIOL 222 and 223, or GEOL 312.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
An investigation of the ecological, physical, and chemical processes of freshwater systems and their influence on the diversity and productivity of biological populations in lakes. Exploration of current issues by evaluation of case studies.

BIOL 376 Aquatic Ecology
3-4 crs. • F • Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • P: BIOL 110 or grades of C or above in BIOL 222 and BIOL 223.
Minimum junior standing.
• BIOL 330 is recommended prior to enrollment in this course. Two Saturday field trips are required.
Ecology of aquatic organisms in lakes and streams. Emphasis is placed on processes shaping the structure and dynamics of freshwater communities. Laboratory experiments and field trips required.

BIOL 379 Ichthyology
4 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Anatomy, physiology, taxonomy, behavior, ecology, and evolution of fishes. Laboratory and field identification of local freshwater species.

BIOL 380/580 Endocrinology
4 crs. • F • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223; CHEM 101 or 105.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Study of the relationships between histophysiology, chemistry, and disorders of the endocrine system; its interrelationships with the nervous system and how both contribute to bodily homeostasis.

BIOL 381/581 Virology
4 crs. • V • P: BIOL 361
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Fundamental principles of virus structure, assembly, replication, and control mechanisms related to the dynamics of virus-cell interactions using specific disease examples. Lecture and discussion emphasis on modern molecular methods of studying virus systems.

BIOL 383 Statistical Analysis of Biological Data
3 crs. • Sp • P: BIOL 110 and BIOL 111 or grades of C or above in BIOL 222 and BIOL 223; MATH 110 or 114.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Practical applications of statistics are used to learn concepts and to develop skills. Graphical analysis, parameter estimation, and formal tests of hypotheses performed in the context of real biological studies using powerful statistical software.

BIOL 384 Biological Investigation
2 crs. • F • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Biological investigation is designed for students participating in undergraduate/faculty collaborative research projects.

BIOL 385 Undergraduate Seminar
1 cr. • F • Sp • CP • P: Minimum senior standing.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Presentation of current research topics in student-selected subareas of biology.

BIOL 386 Biology Research Methods
3 crs. • F • P: BIOL 211 or concurrent enrollment in BIOL 211, or grades of C or above in BIOL 222 and BIOL 223, • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the scientific inquiry. Focus on philosophy of science, nature of scientific data, methods of data collection, analysis of data and peer reviewed literature, and communication of scientific results.

BIOL 390 Biological Immersion Experience
1-4 crs. • V • FC, GE-HIA, LS, SL-Optional/Half; Field Trip(s) Required • May be repeated for a maximum of 8 credits • A-F Grades Only • Instructor Consent Required
Project-based, field intensive, biological immersion experience focusing on the nature of environmental controls on floral and faunal distribution within a geographic region. Societal influence and interaction with the biological realm will be emphasized.
BIOLOGY

BIOL 392 Horticultural Botany
3 crs. • V • GE-HIA: LS; Field Trip(s) Required • P: One course in biology.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 2
Botanical theory as applied to horticultural practices and problems.

BIOL 395 Directed Studies
1-3 crs. • V • Special Course Fee Required Varies by Term/Section • May be repeated • P: Minimum sophomore standing. • Department Consent Required
Directed study of a question or problem of biological interest, approved by the supervising faculty and the department chair.

BIOL 396 Honors Research
1-7 crs. • F, Sp, Su • May be repeated for a maximum of 7 credits • P: 12 credits and 3.50 GPA in biology courses. Minimum junior standing. Individual research project under the direction of a research adviser.

BIOL 399 Independent Study - Juniors
1-3 crs. • V • May be repeated • P: Minimum junior standing. • Department Consent Required
Independent study projects under the direction of a faculty member.

BIOL 401 Recombinant DNA Techniques
4 crs. • Sp • P: BIOL 302 and 304; CHEM 352 or 452 and 453. • Instructor Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 8
A laboratory course designed to teach methods of cloning and analyzing DNA. Includes purification, restriction, separation, labeling of nucleic acids; cloning in phage and plasmid vectors; selecting and analyzing clones; DNA sequencing; transcript analysis.

BIOL 402/602 Current Topics in Virology and Immunology
4 crs. • F • P: BIOL 300, CHEM 325, and one of the following: BIOL 302, 304, 361, CHEM 352 or 452.
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
Lectures and readings in immunology and virology. Emphasis on the mode of thinking and reasoning that led to earlier solutions. Discussions of current advances in the fields.

BIOL 409 Molecular Genetics
4 crs. • F • P: BIOL 304 and CHEM 352 or CHEM 452.
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
Molecular genetics comprehensively integrates biochemistry, molecular, and cellular biology and serves as the culminating biochemistry/molecular biology course. Topics include genomics, developmental genetic systems, organelle genomes, evolutionary genetics, immunogenetics, and medical genetics.

BIOL 410 Mammalogy
4 crs. • Sp • Field Trip(s) Required; Special Course Fee Required • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223, or one year of college zoology or consent of instructor.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 4
Introduction to biology of mammals, including taxonomy, evolution, thermoregulation, communication, behavioral ecology, and field techniques (e.g., tracking and live-trapping). Lab/field identification of Wisconsin species. Students will also carry out a semi-independent research project.

BIOL 412 Biochemistry/Molecular Biology Seminar
1 cr. • Sp • CP • P: Credit may not be earned in both BIOL 412 and CHEM 412. • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Capstone experience for biochemistry/molecular biology majors.
A weekly seminar series in biochemistry/molecular biology. Presentations by UW-Eau Claire students and faculty and invited speakers are based on original research or recently published papers. All enrolled students give one talk.

BIOL 420 Electron Microscopy
4 crs. • V • Instructor Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 4
Enrollment limited to six students. Current theories and methods in electron microscopy. Emphasis on preparation of biological specimens including tissue fixation, embedding, ultrathin sectioning, and staining, and in operation of transmission and scanning electron microscopes.

BIOL 423 Collaborative Research in Biology
3 crs. • F, Sp • Field Trip(s) Required; Special Course Fee Required • A-F Grades Only • P: Minimum GPA of 3.0 in the biology major, and completion of at least one upper-division (300-level or higher) biology course. Minimum junior standing. Limited to biology majors and minors. • Instructor Consent Required • BIOL 383 is highly recommended prior to enrollment in this course.
Students design and implement collaborative research projects to address special topics identified by the instructor. Student researchers will develop hypotheses and design studies to test them. The course emphasizes teamwork, data interpretation, and communication.

BIOL 424 Advanced Ecology
4 crs. • F, Sp • May be repeated for a maximum of 8 credits • A-F Grades Only • P: BIOL 335 or consent of instructor.
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
Credit may not be earned in both BIOL 330 and BIOL 435. Advanced topics in physiological, behavioral, population, community, or ecosystem ecology.

BIOL 435 Advanced Ecological Laboratory
1 cr. • Sp • CP • P: Credit may not be earned in both BIOL 412 and CHEM 412.
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Students will also carry out a semi-independent research project.

BIOL 460 Developmental Biology
4 crs. • Sp • P: BIOL 300, or 302, or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 3
A study of the molecular mechanisms underlying embryogenesis focusing on fertilization, embryonic patterning, cellular differentiation, and organogenesis. Emphasis placed on current experimental techniques and primary literature.

BIOL 470 Neurobiology
4 crs. • F, Sp • CP • P: Limited to biology majors and minors. No credit if taken after BIOL 385 or 497. Minimum senior standing.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
Senior groups will use their education to locate and evaluate research on selected issues. Groups will produce a scholarly background paper, a creative presentation, and lead a discussion.

BIOL 483 Issues in Biology
2 crs. • F, Sp • CP • P: Limited to biology majors and minors. No credit if taken after BIOL 385 or 497. Minimum senior standing.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
Senior groups will use their education to locate and evaluate research on selected issues. Groups will produce a scholarly background paper, a creative presentation, and lead a discussion.

BIOL 486 Comparative Vertebrate Histology
4 crs. • V • P: BIOL 211 or grades of C or above in BIOL 222 and BIOL 223. Minimum junior standing.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 4
Detailed study of the microscopic structure and function of animal tissues.

BIOL 490 Biological Field Studies
1-4 crs. • V • Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 4 credits • P: One introductory and one upper-division biology course. • Instructor Consent Required
Extended travel to study field biology. Students record notes and data in the field and submit final written and/or oral reports. Field identification quizzes may also be required.
Biology

Biol 491 Special Topics
1-3 crs. V May be repeated P Minimum junior standing.
Lectures, laboratory, or field study covering specific areas not normally discussed in regular classes, and of special interest to students or faculty.

Biol 496 Student Academic Apprenticeship
1-2 crs. E, Sp, Su SL-Sull. CP May be repeated for a maximum of 4 credits. S/U Only Grade Basis P Sixteen credits in biology including the course to be apprenticed with a grade of B or above and 3.00 GPA or higher in biology coursework. Minimum senior standing. Limited to biology majors. Instructor Consent Required.
No more than two credits can be counted toward a biology major or minor. A total of four credits may be taken between this course and Biol 286.
For qualified students, selected and supervised by faculty members, to facilitate teaching and learning in a specific course. Apprentices enhance their knowledge of biology and their ability to communicate that knowledge to other students.

Biol 497 Senior Research Presentation
1 cr. CP P Biol 385 or 399 or 499 or consent of instructor. Limited to biology majors and minors. Minimum senior standing. No credit if taken after Biol 385 or 485.
Lecture/Discussion Hours: 1 Lab/Studio Hours: 0 Capstone for biology majors involved in field or laboratory research. Student will present independent research through an oral presentation or poster given at Student Research Day.

Biol 498 Internship in Biology
1-3 crs. F, Sp, Su SL-Full. IN May be repeated for a maximum of 6 credits. S/U Only Grade Basis P Minimum junior standing. Department Consent Required.
Does not count in any of the comprehensive or standard majors in biology or biology minors.
Provides supervised on-the-job experience in a biologically-related area of interest.

Biol 499 Independent Study - Seniors
1-3 crs. V May be repeated P Minimum senior standing. Department Consent Required.
Independent study projects under the direction of a faculty member.

Courses Offered at the Gulf Coast Research Laboratory, Ocean Springs, Mississippi

The University of Wisconsin-Eau Claire maintains a formal affiliation agreement with the Gulf Coast Research Laboratory (GCRL) in Ocean Springs, Mississippi. Through this arrangement, students may take field courses in marine science at GCRL during the summer. Grades and completed coursework from the GCRL are initially awarded and transcripted by the University of Southern Mississippi, but will be considered resident credit for students pursuing a degree at UW-Eau Claire.

Students may obtain more information about GCRL and admission to the summer program by contacting Dr. David Lonzarich, On-Campus Affiliate Coordinator, UW-Eau Claire Department of Biology or by writing the Office of Students Services, Department of Coastal Sciences, Gulf Coast Research Laboratory, Ocean Springs, MS 35964. Phone (228) 872-4200 or visit the Web site at www.usm.edu/gcrl.

Honor Societies and Student Organizations:
The UW-Eau Claire student affiliate chapter of the American Chemical Society (ACS-SA) is a national award-winning organization that involves students in social, professional, and service activities at the university and in the community. This group has continued since the ACS incorporated ACS-SA members into its general membership as Student Members. The UW-Eau Claire ACS-SA helps inform fellow students of curricular options and career opportunities, and coordinates a tutoring program serving students in lower-level chemistry courses. All chemistry students are eligible for membership.

The degree programs in Chemistry offer the opportunity to build a useful and marketable set of technical skills while obtaining a well-rounded liberal arts education. The Chemistry Department offers several majors and interdisciplinary programs with varying degrees of specialization designed to meet the needs and interests of a broad range of students. The ACS major is ideal for students seeking a rigorous and focused course of study, and is well suited to those seeking employment in the chemical industry or planning graduate study in chemistry. The Liberal Arts majors offer broader professional options and are more flexible in terms of elective coursework. They are also appropriate for those seeking employment or planning graduate study, especially those with interests in more interdisciplinary fields of chemistry. The Liberal Arts majors are also excellent choices for pre-medicine, pre-dentistry, and other pre-professional students. The Chemistry Teaching major is tailored to the needs of chemistry students interested in secondary education, and the Chemistry with Business Emphasis major is ideal for those seeking a business career in a technical industry. Pre-pharmacy students often declare a Chemistry with Business Emphasis major, as do other pre-professional students. Students interested in biological chemistry may also consider the interdisciplinary comprehensive major in Biochemistry and Molecular Biology offered jointly by the Biology and Chemistry Departments.

Faculty/student collaborative research is the hallmark of the Chemistry Department. These hands-on learning opportunities are key to acquainting students with the day-to-day activities of practicing chemists, and often lead to summer employment/internship opportunities. Many students present their work at a professional meeting prior to graduation.

The Department of Chemistry is accredited by the American Chemical Society and certifies the degrees of those who graduate with the Comprehensive ACS Chemistry major.

Core Requirements for A.C.S., Liberal Arts and Teaching Chemistry Majors

Chemistry Core:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>

### CHEMISTRY

**Additional Required Courses:**

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Phys 231 and 232</td>
<td>University Physics I and II</td>
<td>10</td>
</tr>
<tr>
<td>Math 114 and 215</td>
<td>Calculus I and II</td>
<td>8</td>
</tr>
<tr>
<td></td>
<td></td>
<td>18</td>
</tr>
</tbody>
</table>

**Total (Core + Mathematics/Physics)**: 39

*Only six credits of the Chemistry 103/104 sequence are credited to the major.*

**Capstone Experience for Chemistry Majors**

The capstone experience is met by completing Chem 412 or Biol 412 for Biochemistry/Molecular Biology majors, by Chem 411 for Chemistry with Business Emphasis majors, and by Chem 420, Chem 438, Chem 453 or Chem 497 for other chemistry majors.

**COMPREHENSIVE MAJOR: CHEMISTRY, A.C.S.**

The emphases below provide the rigorous background of an A.C.S. certified degree with maximum flexibility.

**General Emphasis** (Code 100-007)

The General Emphasis is ideal for students seeking immediate employment in chemically related fields or who are uncertain about postgraduate work.

**Requirements**

In addition to the Chemistry Core and required Mathematics/Physics courses, students must complete the following course work:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chem 352</td>
<td>Fundamentals of Biochemistry</td>
<td>4</td>

<td>Biochemistry Laboratory I</td>
<td></td>
</tr>
<tr>
<td>Elective(s)*</td>
<td></td>
<td>minimum 3</td>
</tr>
<tr>
<td></td>
<td></td>
<td>22</td>
</tr>
</tbody>
</table>

**Total (General)**: 61

*Electives include: Chem 304, 318, 361, 397, 399, 401, 411, 426, 442, 460, 491, 495, 497, 499.

**Materials Science Emphasis** (Code 100-008)

Chemistry students with an interest in the rapidly growing field of material science can obtain a basic materials background with a strong foundation in chemistry. This could be especially useful for students interested in graduate work or employment in materials or polymer chemistry.

**Requirements**

In addition to the Chemistry Core and required Mathematics/Physics courses, students must complete the following course work:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chem 352</td>
<td>Fundamentals of Biochemistry</td>
<td>4</td>
</tr>
<tr>
<td>Chem 433 and 434</td>

<td>Advanced Materials Science Lab I</td>
<td>1</td>
</tr>
<tr>
<td></td>
<td></td>
<td>24</td>
</tr>
</tbody>
</table>

**Total (Materials Science)**: 63

**Biochemistry Emphasis** (Code 100-009)

This emphasis is good preparation for students planning graduate study in biochemistry, biophysics or medicinal chemistry. In addition, this emphasis would provide an exceptionally rigorous pre-medical or pre-pharmacy program with suitable biology electives.

**Requirements**

In addition to the Chemistry Core and required Mathematics/Physics courses, students must complete the following course work:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chem 433</td>

**Total (Research)**: 61

**MAJOR: CHEMISTRY, Liberal Arts (Code 100-201)**

This course of study is ideal for pre-medical or pre-pharmacy students or others requiring a minor or cluster of courses outside of chemistry.

**Requirements**

In addition to the Chemistry Core and required Mathematics/Physics courses, students must complete the following course work:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>

**Total (Liberal Arts)**: 55

*Electives include: Chem 304, 318, 352, 361, 397, 399, 401, 411, 426, 442, 444, 446, 491, 495, 497, 499.
MAJOR: CHEMISTRY, Teaching (Code 100-204)

The Teaching Chemistry Major is tailored to the needs of chemistry students interested in secondary education.

Requirements
In addition to the Chemistry Core and required Mathematics/Physics courses, students must complete the following course work:

Chem 433 and 434  Physical Chemistry I and II  8
One of the following:  2
Chem 420  Advanced Synthesis Laboratory or
Chem 438  Physical Analysis Laboratory or
Chem 453  Biochemistry Laboratory I
Electives*  5

Total (Teaching)  54

*Electives include: Chem 304, 318, 352, 361, 397, 399, 401, 411, 420, 426, 438, 442, 453, 460, 491, 495, 497, 499.

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Chemistry in Early Adolescence through Adolescence classrooms. A minor in biology, mathematics, or physics is recommended.

NOTE: Completion of the following requirements and ES 367 may be used in lieu of a minor and adds Broadfield Science licensure to the Teaching major:

A. At least 14 credits from one of the following areas: (1) Biol 214, 221, 222, 223, 314; (2) Phys 211 and 212 or 231 and 232; additional credits above 212; (3) one of Geol 106, 110, 115, or 118; Geog 104 or 340 or 361; Phys 226; additional courses from Geol 102, 301, 303, 308; Phys 229; Geog 200, 340, 361.

B. Eight credits in each of the two areas not selected in A above: (1) Biol 100 and 151; (2) Phys 211 and 212, or 231 and 232; (3) one of Geol 106, 110, 115, 118, or Geog 104; and Phys 226 or 229.

COMPREHENSIVE MAJOR: CHEMISTRY WITH BUSINESS EMPHASIS (Code 111-001)

This major is designed to prepare students for careers in chemical industry in the areas of sales, marketing, and technical service. It is also appropriate for pre-professional students, pre-pharmacy in particular.

A minimum of 77 semester credits, including:

I. Chemistry Course Requirements
(A minimum of 31 credits)  Credits
Chem 115  Chemical Principles or  3
Chem 103 and 104  General Chemistry I and II  6*
Chem 213  Quantitative Analysis  4
Chem 218  Introduction to Inorganic Chemistry  3
Chem 274  Chemical Industry Seminar  1
Chem 325 and 326  Organic Chemistry I and II with Laboratory  8
Chem 405  Applied Physical Chemistry  3
Chem 411**  Survey of Industrial Chemistry  3
One course selected from the following:  3-4
Chem 318  Bioinorganic Chemistry  3
Chem 352  Fundamentals of Biochemistry  3
Chem 452  Biochemistry I  3

II. Business Course Requirements
(A minimum of 27 credits)  Credits
Acct 201 and 202  Principles of Accounting I  6
Acct 202  Principles of Accounting II  6
Econ 103 and 104  Principles of Microeconomics  6
Econ 104  Principles of Macroeconomics  6
Fin 320  Principles of Finance  3
IS 240  Information Systems in Business  3
Mgmt 340  Organizational Behavior  3
Mktg 330  Principles of Marketing  3

One course selected from the following:  2-3
Mgmt 341  Operations Management  3
Mgmt 345  Managing Global Organization  3
Mgmt 446  Organizational Change and Development  3
Mktg 336  Business Logistics Management  3
Mktg 337  Professional Selling  3
Mktg 433  Sales Management  3
Mktg 437  Business to Business Marketing  3

III. Communications Course Requirement
One course selected from the following:  2-3
Engl 305 Communicating Scientific Subjects to General Audiences.  3

IV. Other Requirements
(A minimum of 17 credits)
Math 111 or 114  A Short Course in Calculus or Calculus I  4
Math 246  Elementary Statistics  4
Phys 211 and 212  General Physics or  9-10
Phys 231 and 232  University Physics I and II

* Only six of the eight course credits from Chem 103 and 104 count toward the major.
**The capstone experience is met by Chem 411.

NOTE: Students majoring in Chemistry with Business Emphasis must meet College of Business admission standards before they may register for upper-division (300- to 400-level) courses offered by the College of Business. (See the section of the catalog titled Admission to the College of Business.)

COMPREHENSIVE MAJOR: BIOCHEMISTRY/MOLECULAR BIOLOGY, Liberal Arts (Code 090-001)
See Interdisciplinary Majors.

COMPREHENSIVE MAJOR: PHYSICAL SCIENCE, Teaching (Code 240-004)
See Interdisciplinary Majors.

MINOR: CHEMISTRY, Liberal Arts (Code 100-405)

Requirements: Twenty-four credits, including Chem 115 (or 103 and 104) and any courses selected from: Chem 213, 218, 304, 318, 325, 326, 352, 380, 405, 411, 426, 433, 434, 452, 454. Other advanced courses may be approved by petition.

MINOR: CHEMISTRY, Teaching (Code 100-406)

Requirements: Twenty-four credits, including Chem 115 (or 103 and 104). This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Chemistry in Early Adolescence through Adolescence classrooms. Candidates for the teaching minor must complete at least nine credits of upper-division (300- to 400-level) courses.

ALL CHEMISTRY MAJORS AND MINORS
No more than four credits can be counted from a combination of Chem 405, Chem 406, and Chem 433 toward any chemistry major or minor.

DEPARTMENTAL HONORS IN CHEMISTRY
Open to students in all chemistry programs who meet the following requirements: (1) GPA of 3.50 or higher, both cumulative and in chemistry courses. Participation in a collaborative research project with a chemistry faculty member that results in: (2) a presentation at an off-campus research conference, and (3) completion of Chem 497 with a favorable review of the manuscript by the research adviser and at least two additional faculty members.

Procedure: Students seeking Departmental Honors must: (1) Complete all requirements listed above. (2) Complete the Departmental Honors Application that includes: the application form with required signatures, a transcript, and copies of the Chem 497 manuscript and presentation...
CHEMISTRY

abstract. (3) Forward the complete application to the Student Affairs Committee Chair by the date specified on the form.

NOTE: Names of Departmental Honors graduates must be forwarded to the University Honors Program Director and Registrar at least three weeks prior to commencement.

Department Policy on Control of Loss and Breakage. It is the intent of the Department of Chemistry to provide monetary incentives for students to maintain their work area in a responsible fashion. The cost assessed students for loss or willful breakage will be the actual face value of equipment or materials. Laboratory courses require a special course fee as well.

INFORMATION FOR ALL STUDENTS ABOUT GENERAL CHEMISTRY PLACEMENT

NOTE 1: CHEM 103 (4 credits) is the first course in a two-semester general chemistry sequence while CHEM 115 (6 credits) combines material from CHEM 103 and CHEM 104 into a single semester. Students, especially chemistry, biochemistry/molecular biology (BMB), and materials science (MSCI) majors (see Note 5), that meet the enrollment criteria described in NOTES 2 and 3 are strongly encouraged to take CHEM 115 to complete General Chemistry in a single semester.

NOTE 2: High school math performance is the best predictor of success in all 100-level chemistry courses. Students who place into Math 114 or higher should always take CHEM 115. Students who place into Math 109 or lower should take CHEM 103. Students who place into Math 112 or Math 113 should consider their chemistry background and anticipated degree program when choosing between 103 and 115. Students with a strong background (see NOTE 3) in high school chemistry and who are planning to major (or minor) in chemistry, BMB, or MSCI should usually take CHEM 115. Students with less chemistry preparation, or who are not planning on majoring (or minoring) in chemistry, BMB, or MSCI should probably take CHEM 103.

NOTE 3: A “strong background” in high school chemistry can take several forms. Successful completion of an AP chemistry course or similarly enriched chemistry course constitutes a strong background. Successful completion of two years of high school chemistry, or one year of high school chemistry and one year of high school physics generally provides a strong background as well.

NOTE 4: Students who start CHEM 115 but, after consultation with their instructor, determine that 103 is more appropriate, will be allowed to transfer to 103 during the first 2 weeks of the semester. Therefore, for close decisions between original enrollment in 103 and 115, students are encouraged to enroll in 115.

NOTE 5: Chemistry, BMB, and MSCI majors receive 6 credits toward the major for CHEM 115 or CHEM 103 and CHEM 104. Therefore, students majoring in Chemistry, BMB, or MSCI should take CHEM 115 if they meet the enrollment criteria. Students who start with CHEM 103 and 104 must often enroll in multiple, 400-level courses in the major at the same time during their senior year.

CHEM

CHEM 100 Chemistry: Issues and Answers
3 crs. • Sp • GE-IIB; LS; Special Course Fee Required • P: No credit if taken after CHEM 101, CHEM 103, or CHEM 115.

Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2

An exploration into the world of atoms and molecules, designed to develop an understanding of the behavior of matter and how chemistry has both solved and created problems in our developing society.

CHEM 103 General Chemistry I
4 crs. • F, Sp, Su • GE-IIB; LS; Special Course Fee Required • P: MATH 20, or two years of college-preparatory algebra, or a suitable mathematics placement test score. High school chemistry completed. No credit if taken after or concurrently with CHEM 101 or CHEM 115.

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3

Introduction to principles of chemistry, including atomic structure, periodic properties of elements, chemical bonding, molecular structure, physical properties of compounds, chemical reactions, and stoichiometry.

CHEM 104 General Chemistry II
4 crs. • F, Sp, Su • GE-IIB; LS; Special Course Fee Required • P: Grade of C or above in CHEM 101 or 103. No credit if taken after CHEM 115.

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3

Continuation of Chemistry 103. Equilibrium, thermodynamic and kinetic aspects of chemical reactions; acid-base, precipitation and redox reactions; transition metal compounds; organic compounds; nuclear reactions.

CHEM 115 Chemical Principles
6 crs. • F • GE-IIB; LS; Special Course Fee Required • P: MATH 109, or 3 years of average work in college-prep MATH and a suitable math placement test score. Strong performance in at least one year of high school chemistry. No credit if taken after or concurrently with CHEM 101, CHEM 103 or CHEM 104.

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 6

• See Note 3 in “Information for All Students about General Chemistry Placement.”

Principles of chemistry, including chemical properties and the periodic table, atomic structure, chemical bonding, equilibria, thermodynamics, acid-base reactions, oxidation-reduction reactions and complexation reactions.

CHEM 121 Elementary Chemical Education
1 cr. • Sp • P: CHEM 101 or 103. Limited to elementary education/science majors.

Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

• No credit toward chemistry major or minor.

Elementary education majors will review chemical principles learned in Chemistry 101 or 103. They will then work on developing methods to teach those and related chemical principles to K-8 students.

CHEM 127 Chemistry and Climate
3 crs. • F • GE-IIB

Lecture Hours: 2 | Discussion Hours: 1

• No credit toward chemistry major or minor.

An inquiry into the magnitude and causes of global climate change, and an introduction to the physical and chemical principles that drive the climate system. Assumes no prior experience with chemistry, physics, or earth science.

CHEM 150 Survey of Biochemistry
3 crs. • W • GE-IIB • P: Grade of C or above in CHEM 101, CHEM 103, or CHEM 115. No credit if taken after CHEM 152, IDIS 250, CHEM 325, CHEM 452, or CHEM 191 (Fall 1999-2000).

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• No credit toward chemistry major or minor.

Introductory organic chemistry along with a survey of the structure, chemical reactivity, and biological activity of molecules derived from living systems. Emphasis will be placed on tying the course content to a greater understanding of human health and disease.

CHEM 191 Current Topics in Chemistry
1-3 crs. • V • GE-IIB

• No credit toward chemistry major or minor. Not applicable toward laboratory course requirement for natural sciences for B.A. and B.S. degrees in the College of Arts and Sciences.

Chemistry topics of current interest investigated at a level suitable for first and second year undergraduates.

CHEM 213 Quantitative Analysis
4 crs. • F, Sp, Su • Special Course Fee Required • P: Grade of C or above in CHEM 104 or CHEM 115, or consent of instructor.

Lecture/Discussion Hours: 2 | Lab/Studio Hours: 6

Theory, applications, and calculations involved in methods of chemical analysis.

CHEM 218 Introduction to Inorganic Chemistry
3 crs. • F, Sp • P: CHEM 104 or 115.

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Introduction to inorganic compounds and reactions, with emphasis upon their applications in the environment, in commerce, and in life. Principles of molecular structure, acid-base and redox reactions, and coordination chemistry are applied.

CHEM 274 Chemical Industry Seminar
1 cr. • Sp • P: CHEM 104 or 115 or concurrent registration.

Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

A series of lectures by faculty and industrial speakers introduce students to various chemical and related industries and to the career opportunities and occupational qualifications for careers in chemistry and related fields.

CHEM 296 Student Academic Apprenticeship in Chemistry
1-2 crs. • F, Sp, Su • SL-Full • May be repeated for a maximum of 4 credits • SU Only Grade Basis • P: Total GPA of 3.0 required. • Department Consent Required

• Grade of B (3.0) or above in the course in which the student will apprentice. No credit toward chemistry major.

Qualified students, selected and supervised by faculty members, facilitate and conduct instruction in a specific course. Students enhance their knowledge of chemistry and their ability to communicate that knowledge.

CHEM 304 Environmental Chemistry
3 crs. • Sp • GE-IIB • P: CHEM 104 or 115.

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

A study of the chemistry of the environment, including the atmosphere, natural waters, and soils. Students will refine chemical knowledge by examining specific problems related to environmental issues.
CHEM 318 Bioinorganic Chemistry
3 crs. • Sp • P: CHEM 218, 321, or 325.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course will explore the biological chemistry of the transition metals, including metalloprotein structure and function, small-molecule synthetic modeling systems, metal ion trafficking in biological systems, bioinorganicmetallic chemistry, and the uses of metals in medicine.

CHEM 325 Organic Chemistry I with Laboratory
4 crs. • F; Sp • GE-HB; LS; Special Course Fee Required • P: CHEM 104 or 115 with a grade of C or above. No credit if taken after CHEM 321 or 322.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Introduces molecular structure and bonding, organic nomenclature, acid/base properties of organic compounds, stereochemistry, resonance, mechanisms, and synthetic reactions illustrating functional group interconversion. Microscale laboratory techniques for the preparation, isolation, purification, and characterization of organic compounds.

CHEM 326 Organic Chemistry II with Laboratory
4 crs. • F; Sp • Special Course Fee Required • P: CHEM 325 with a grade of C or above.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Provides a deeper analysis of organic synthesis and mechanisms, including substitution, elimination, aromatic, carbonyl and enolate chemistry. An emphasis on multistep synthesis and detailed mechanisms. The laboratory component involves advanced purification and synthetic techniques.

CHEM 352 Fundamentals of Biochemistry
4 crs. • F; Sp • P: CHEM 326 or concurrent enrollment. Credit may not be earned in both CHEM 352 and CHEM 452.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
• No more than six credits from a combination of CHEM 352 and CHEM 454 for chemistry majors, chemistry minors, or biochemistry/molecular biology majors.
This course is designed for nonbiochemistry/molecular biology science majors who require a one semester course in biochemistry. The fundamental chemical, structural, and metabolic aspects of lipids, proteins, carbohydrates, and nucleic acids are covered.

CHEM 361 Molecules and Medicine
3 crs. • Sp • P: CHEM 326 and BIOL 111.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The major classes of medically-active natural and synthetic drugs, their structure, design, origin, biosynthesis and mode of action will be presented. This course will also cover basic pharmacology and modern drug design principles.

CHEM 397 Chemical Literature and Communication
2 crs. • F • A-F Grades Only • P: Limited to chemistry majors. • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Focuses on modern chemical information literacy, preparing presentations, literature reviews, manuscripts, and proposals. May also include chemical safety, ethics, experimental design, formulating research questions.

CHEM 399 Independent Study - Juniors
1-3 crs. • F; Sp, Su • May be repeated • P: Minimum junior standing. • Department Consent Required
Individual research projects under the direction of a faculty member.

CHEM 401/601 Inorganic Chemistry
3 crs. • Sp odd years • P: CHEM 218; and CHEM 433 or concurrent registration.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Structure, bonding, and reactivity of inorganic compounds. Symmetry and group theory, vibrational analysis, and molecular orbital theory. Arhenius and Lewis acid/base concepts. Organometallic and bioinorganic compounds, reactions, and mechanisms.

CHEM 405 Applied Physical Chemistry
3 crs. • Sp odd years • P: CHEM 213, 218, 326; MATH 111 or 114; PHYS 211, 212. No credit if taken after CHEM 433 or 434. No more than four credits can be counted from a combination of CHEM 405, CHEM 406, and CHEM 433 toward any chemistry major or minor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Includes the following topics, with an emphasis on applications: thermodynamics, kinetics, electrochemistry, phase equilibria, properties of solutions, spectroscopy, and quantum theory.

CHEM 406 Biophysical Chemistry
4 crs. • F; P: CHEM 352 or 452; PHYS 212 or 232; MATH 111 or 114. No credit if taken after CHEM 433 or 434. No more than four credits can be counted from a combination of CHEM 405, CHEM 406, and CHEM 433 toward any chemistry major or minor. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
An introduction to the physical chemical approaches to studying biological macromolecules. Emphasis will be placed on thermodynamics, and the methods for determining and analyzing the structures and functions of biological macromolecules.

CHEM 411/611 Survey of Industrial Chemistry
3 crs. • F; CP • Field Trip(s) Required • P: CHEM 218 and CHEM 326.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Capstone experience for chemistry with business emphasis majors.
Survey of manufacturing processes, applications, and economics of major inorganic and organic chemicals and polymers, including those involved in the production of plastics, fibers, elastomers, pesticides, pharmaceuticals, detergents, electronics, and pollution control technologies.

CHEM 412 Biochemistry/Molecular Biology Seminar
3 crs. • F; CP • P: Credit may not be earned in both BIOL 412 and CHEM 412.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Capstone experience for biochemistry/molecular biology majors.
A weekly seminar series in biochemistry/molecular biology. Presentations by UW-Eau Claire students and faculty and invited speakers are based on original research or recently published papers. All enrolled students give one talk.

CHEM 420 Advanced Synthesis Laboratory
2 crs. • F; Special Course Fee Required • P: CHEM 218 and CHEM 323 or 326. No credit if taken after CHEM 324.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
An advanced, interdisciplinary laboratory experience with emphasis on the synthesis, purification, and spectroscopic characterization of inorganic and organic compounds.

CHEM 426/626 Modern Organic Chemistry
3 crs. • F even years • P: CHEM 326
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Selected advanced topics in organic chemistry, including reaction mechanisms and synthesis, with emphasis on recent developments in the field.

CHEM 433/633 Physical Chemistry I
4 crs. • F; P: CHEM 213, 218; MATH 215; PHYS 232 or concurrent enrollment.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
A quantitative study of the physical properties of matter emphasizing the microscopic perspective. Topics include: quantum theory, atomic and molecular structure, chemical bonding, molecular symmetry, spectroscopy, resonance techniques, and statistical mechanics.

CHEM 434/634 Physical Chemistry II
4 crs. • Sp • P: CHEM 433
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Continuation of Chemistry 433. The quantitative study of the physical properties of matter emphasizing the microscopic perspective. Topics include: quantum theory, atomic and molecular structure, chemical bonding, molecular symmetry, spectroscopy, resonance techniques, and statistical mechanics.

CHEM 438/638 Physical Analysis Laboratory
2 crs. • Sp • CP; Special Course Fee Required • P: CHEM 434 or concurrent registration.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
An advanced, project-oriented laboratory course in physical and analytical chemistry. Beyond reinforcing the fundamental concepts in these sub-fields, particular emphasis will be placed on technical writing, and the development of hands-on laboratory skills.

CHEM 442/642 Instrumental Analysis
3 crs. • Sp even years • P: CHEM 218; CHEM 434 or concurrent enrollment and CHEM 438 or concurrent enrollment.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
The theory, operation, and analytical applications of chemical instrumentation, including areas such as spectroscopy, separation science, and electrochemistry.
Communication and Journalism

102

CHEMISTRY

CHEM 444 Modern Applied Separations and Spectrometry
3 crs. • F • Field Trip(s) Required • Special Course Fee Required • A-F Grades Only • P: CHEM 213, CHEM 218, and CHEM 326 or concurrent enrollment. Lecture/Discussion Hours: 2 | Lab/Studio Hours: 3
Laboratory-centered instruction in the application of modern chromatography (GC and HPLC) spectrometry (MS, UV/Vis and FT-IR) to the analysis of real-world samples. Emphasis on preparation to BS-level careers in chemical industry.

CHEM 452/652 Biochemistry I
3 crs. • F • P: CHEM 323 or CHEM 326. Credit may not be earned in both CHEM 352 and CHEM 452. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 6
Chemistry of important constituents of living matter. Topics include proteins, carbohydrates, lipids, and nucleic acids. Also included are bioenergetics and basic enzyme kinetics and mechanism.

CHEM 453/653 Biochemistry Laboratory
2 crs. • F, Sp • Special Course Fee Required • P: CHEM 213; CHEM 452 or concurrent registration. • Instructor Consent Required Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
Study of experimental methods of analysis in biochemistry and their use in determination of structure and function.

CHEM 454/654 Biochemistry II
3 crs. • Sp • P: CHEM 452
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of advanced concepts in biochemistry, especially those involving metabolism and their regulatory mechanism of action.

CHEM 460/660 Polymer Chemistry
3 crs. • Wi, Sp • P: Grade of C or above in CHEM 326. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to synthetic and naturally occurring polymers with a focus on synthesis, analysis, and structure/property relationships. The history and development of polymers will be discussed as well as the impact on industry and society.

CHEM 491 Special Topics
1-3 crs. • V • Special Course Fee Required • P: Minimum junior standing. • Instructor Consent Required Lecture with possible laboratory work covering specific areas not normally discussed in regular classes, and of special interest to students or faculty. Possible topics include medicinal chemistry, wastewater chemistry and applied spectroscopy.

CHEM 495 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • P: 15 credits in college CHEM courses. • Department Consent Required Course projects will be structured to fit the needs, interests, and goals of the students.

CHEM 497 Independent Study (ACS)
1-3 crs. • F, Sp, Su • May be repeated for a maximum of 6 credits • P: Minimum junior standing. • Department Consent Required College of Arts and Sciences rules governing independent study apply. Individual research projects under the direction of a faculty member. A comprehensive written report describing the work completed, including an appropriate bibliography, is required.

CHEM 499 Independent Study - Seniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum senior standing. • Department Consent Required Individual research projects under the direction of a faculty member.

MARY HOFFMAN, CHAIR

TERRENCE CHMIELEWSKI, LIZ DANKO-CHMIELEWSKI, MICHAEL DORSHER, JANET DRIEGER, MARTHA FAY, PETER HART-BRINSON, WON YONG JANG, JACK KAFFER, KRISTINE KNUTSON, JAN LARSON, ELLEN MAHAFFEY, KAREN MORRIS, EVAN PERRAULT, MAUREEN SCHREINER, NICOLE SCHULTZ, DAVID TSCHIDA, GANGA VAISHNAV, KELLI JO WRIGHT

The Department of Communication and Journalism faculty are committed to a philosophy emphasizing the development, integration, and practical application of theories, knowledge, and skills related to communication and journalism. Communication and journalism are crucial to a democratic society. Both require citizens to share and challenge information.

DEPARTMENTAL GOALS

To prepare students for responsible roles in communication and journalism, the department offers diversified curricula in which all students can expect to develop in these areas:

1. awareness and knowledge of communication processes in diverse cultural, social, legal, and ethical contexts;
2. critical and analytical thinking;
3. research and information-gathering skills; and
4. oral, written, and visual communication skills.

AREAS OF EMPHASIS

The department offers majors in Communication, Journalism, and Integrated Strategic Communication with the following options for areas of emphasis:

• Communication majors/minors:
  Communication: Communication Studies
  Communication: Organizational Communication

• Journalism major and minor

• Integrated Strategic Communication majors/minors:
  Integrated Strategic Communication: Advertising
  Integrated Strategic Communication: Public Relations

INFORMATION FOR MAJORS

No student may have both a major and a minor from the Department of Communication and Journalism. No major or minor credit may be earned under the Satisfactory/ Unsatisfactory option. Students majoring in Communication, Journalism, and Integrated Strategic Communication may not include CJ courses in a topical minor without prior, written approval of the department chair.

Most upper division courses (numbered 300 and above) required in major and minor programs are available only to students who have completed prerequisite courses with grades of C or above.

Students who choose a major in Integrated Strategic Communication or Journalism must meet curriculum accreditation standards set by the Accrediting Council on Education in Journalism and Mass Communications (ACEJMC).

Accreditation standards require that students complete 72 credits of coursework outside of their major, and complete the university general education requirements.

CORE CURRICULUM

All students majoring or minoring in Communication and Journalism must take CJ 105 as a major/minor requirement.
Students majoring or minoring in Communication and Journalism must also take CJ 202 in fulfillment of their GE-IA requirement. CJ 202 will count as part of the 72 credits of coursework unrelated to specific majors as required by the ACEJMC.

ADVISING INFORMATION

Students contemplating a major or minor in Communication or Journalism should arrange to meet with the department intake adviser for information regarding degree requirements. Students who declare a major in the Department of Communication and Journalism as juniors or seniors should not expect to finish the courses required for that major in fewer than four semesters. When completing the paperwork to declare this major, it is particularly important for students to work out the course sequencing necessary to finish in a timely manner.

Communication and Journalism departmental policy specifies that any student who is absent from the first day of class without prior approval of the course instructor may be dropped from the class in order to make room for other students.

MAJOR: COMMUNICATION, Liberal Arts

Communication Studies Emphasis (Code 583-201)

This emphasis teaches students to analyze and enhance human communication through courses in theory, research and practice. After completing a common core of courses, majors in this emphasis specialize in either the study of how communication builds and maintains relationships (Interpersonal Communication) or how messages in political and popular culture influence society (Rhetoric and Popular Culture).

Communication Studies majors must complete 36 credits that include the following core courses, one of the following course sequences; and nine credits of electives in CJ courses.

Core: 15 credits
CJ 105 Communication in the Information Age
CJ 206 Human Communication Theory
CJ 207 Introduction to Rhetoric and Society
CJ 300 Research Methods
CJ 459 Communication Research Seminar (capstone)

Sequence Requirement, students must select one sequence: 12 credits

Interpersonal Communication
CJ 201 Introduction to Interpersonal Communication
CJ 301 Intercultural Communication
CJ 312 Gender and Communication
CJ 405 Communication and Conflict

Rhetoric and Popular Culture
CJ 310 Communication Analysis
CJ 314 Mass Media and Popular Culture
CJ/Wmns 317 Diversity & Communication: Organizational & Media Contexts
CJ 406 Persuasion

CJ electives: 9 credits

MINOR: COMMUNICATION, Liberal Arts

Communication Studies (Code 583-401)

Students must complete 24 credits that include CJ 105, 206, 207 and 300; and 12 credits from the following: CJ 201, 205, 301, 307, 310, 314, 406; CJ/Wmns 317.

MAJOR: COMMUNICATION, Liberal Arts

Organizational Communication Emphasis (Code 583-250)

This emphasis assists students in the development of professional, group, and interpersonal communication skills that enable them to enhance the communities, organizations, and societies in which they live and work. Students learn to analyze, develop, and deliver messages to a variety of stakeholders.

Communication: Organizational Communication majors must complete 36 credits that include the following core and organizational communication elective credits, and six credits of electives in CJ courses.

Core: 21 credits
CJ 105 Communication in the Information Age
CJ 250 Introduction to Organizational Communication
CJ 300 Research Methods
CJ 307 Small Group Communication
CJ 355 Strategic Message Design
CJ 357 Professional Communication
CJ 459 Communication Research Seminar (capstone)

Organizational Communication Electives
9 credits from the following:
CJ 184 Multimedia Communication
CJ 201 Introduction to Interpersonal Communication
CJ 301 Intercultural Communication
CJ/Wmns 317 Diversity & Communication: Organizational & Media Contexts
CJ 350 Human Resource Development
CJ 351 Strategic Event Planning
CJ 407 Leadership Communication
CJ 452 Health Communication
CJ 498 Internship

CJ electives: six credits

MINOR: COMMUNICATION, Liberal Arts

Organizational Communication (Code 583-450)

Students must complete 24 credits that include CJ 105, 250, 300, 355, and 357; and nine credits from the following: CJ 184, 201, 301, 307, 317, 350, 351, 406, 407, 452.

MAJOR: JOURNALISM, Liberal Arts (Code 560-206)

Understanding the role of journalism in a democratic society is the goal of this major. This major prepares students to inform citizens and enhance democracy by gathering, writing, editing and delivering news across multiple platforms.

Journalism majors must complete 36 credits that include the following core courses, CJ 425 OR 426 OR 427, and nine credits of electives in CJ courses.

CJ 105 Communication in the Information Age
CJ 184 Multimedia Communication
CJ 222 Beginning Journalism
CJ 303 Research Methods for Journalists
CJ 321 Intermediate Journalism
CJ 412 Mass Media Ethics
CJ 414 Mass Media Law
CJ 429 Digital Newsroom (capstone)

Advanced Journalism students must select one course: 3 credits
CJ 425 Advanced Visual Journalism
CJ 426 Advanced Broadcast TV News
CJ 427 Advanced Reporting and Editing

CJ electives: nine credits

MINOR: JOURNALISM, Liberal Arts (Code 560-406)

Students must complete 24 credits that include CJ 105, 184, 222, 303, 412, and nine credits of electives in CJ courses.

MAJOR: INTEGRATED STRATEGIC COMMUNICATION, Liberal Arts

Advertising Emphasis (Code 585-201)

Understanding the objectives, message concepts, and strategies which underlie advertising is the goal of this sequence. Students are prepared to conduct research, establish goals, create messages, and implement plans.
COMMUNICATION AND JOURNALISM

Advertising majors must complete 36 credits that include:
- CJ 184 Multimedia Communication
- CJ 260 Introduction to Integrated Strategic Communication
- CJ 300 Research Methods
- CJ 412 Mass Media Ethics
- CJ 414 Mass Media Law
- CJ 464 Advertising in Contemporary Society
- CJ 479 ISC Management

Select two of the following courses:
- CJ 362 Strategic Media Planning
- CJ 374 ISC Campaign Design and Evaluation
- CJ 460 Advertising Account Management
- CJ 365 Advertising Message Strategy or
- CJ 380 Visual Communication Design

Select one of the following courses:
- CJ 272 Social Media in Organizational Contexts
- CJ 372 Communication and Public Opinion
- CJ 461 Interactive Digital Advertising

Select six credits of electives in any CJ courses

MINOR: INTEGRATED STRATEGIC COMMUNICATION, Liberal Arts

Advertising (Code 585-401)

Students must complete 24 credits that include:
- CJ 184 Multimedia Communication
- CJ 260 Introduction to Integrated Strategic Communication
- CJ 300 Research Methods

Select one of the following courses:
- CJ 412 Mass Media Ethics
- CJ 414 Mass Media Law

Select three of the following courses:
- CJ 362 Strategic Media Planning
- CJ 365 Advertising Message Strategy
- CJ 374 ISC Campaign Design and Evaluation
- CJ 380 Visual Communication Design
- CJ 460 Advertising Account Management
- CJ 464 Advertising in Contemporary Society

Three credits of electives in any CJ courses

MAJOR: INTEGRATED STRATEGIC COMMUNICATION, Liberal Arts

Public Relations Emphasis (Code 585-202)

The goal of this emphasis is to understand objectives and strategies that shape the information delivered to publics. Students are prepared to analyze, design, and manage public relations messages.

Public Relations majors must complete 36 credits that include:
- CJ 184 Multimedia Communication
- CJ 260 Introduction to Integrated Strategic Communication
- CJ 300 Research Methods
- CJ 373 Writing for Public Relations
- CJ 374 ISC Campaign Design and Evaluation
- CJ 412 Mass Media Ethics
- CJ 414 Mass Media Law
- CJ 479 ISC Management

Select one of the following courses:
- CJ 362 Strategic Media Planning
- CJ 380 Visual Communication Design
- CJ 470 Crisis Communication

Select one of the following courses:
- CJ 272 Social Media in Organizational Contexts
- CJ 372 Communication and Public Opinion
- CJ 461 Interactive Digital Advertising

Select six credits of electives in any CJ courses

CERTIFICATE PROGRAM

The Certificate in Organizational Communication (Code 583-601) complements majors in every area of study by developing professional, group, and interpersonal communication skills that enable students to contribute to, and better serve, the communities, organizations and societies in which they live and work. Students in any field must be able to analyze, develop and deliver messages to a variety of stakeholders. The Certificate in Organizational Communication helps students hone these abilities by highlighting the role of communication in organizational effectiveness, and engaging students in both theory and practice. The elective course options for the certificate allow students to focus on the specific communication skills that apply most directly to their particular interests or career aspirations.

NOTE: Students cannot pursue a Communication, Integrated Strategic Communication, or Journalism Major and the Organizational Communication Certificate to meet graduation requirements for completing a first and second degree program.

Students pursuing an Organizational Communication Certificate are required to complete 12 credits toward the certificate.

Required courses (six credits) include:
- CJ 250 Introduction to Organizational Communication
- CJ 355 Strategic Message Design

The remaining six credits are to be selected from:
- CJ 184 Multimedia Communication
- CJ 201 Introduction to Interpersonal Communication
- CJ 206 Human Communication Theory
- CJ 301 Intercultural Communication or
- CJ/Wmns 317 Diversity & Communication: Organizational & Media Contexts
- CJ 307 Small Group Communication
- CJ 350 Human Resource Development
- CJ 351 Strategic Event Planning
- CJ 357 Professional Communication
- CJ 406 Persuasion
- CJ 407 Leadership Communication

For advising, contact Professor M. Hoffman (Communication and Journalism).

EXTRA-CURRICULAR OPPORTUNITIES

Communication, Journalism, and Integrated Strategic Communication majors and minors are urged to obtain practical experience from work with campus media and/or professional organizations.
Students may apply for opportunities to work for the award-winning student newspaper, The Spectator, or become a member of the nationally-ranked forensics squad. American Advertising Federation, Communication and Journalism Organization, Event Planning Association, Public Relations Student Society of America, Society of Professional Journalists and WUEC-FM also offer professional development, experience, and leadership opportunities for students.

For more information about the Communication and Journalism Department, its programs, and its faculty, visit the Department's homepage at www.uwec.edu/cj.

COMMUNICATION AND JOURNALISM

CJ 100 Introduction to Forensics
1 cr. • F • AC
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
• May be taken once for credit and in combination with CJ 200 for total of four credits.
Basic preparation for participation in intercollegiate forensics. Exposure to the fundamentals of competitive forensics events: public address, limited prep, interpretation of literature. Required minimum travel to one intercollegiate tournament. Designed for limited competition.

CJ 105 Communication in Contemporary Society
3 crs. • F, Sp • GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Critical analysis of the roles of producers and consumers of messages in interpersonal, group, organizational, and mass communication. Emphasizes social, economic, and political implications of media convergence in a democratic and global society.

CJ 111 Gender, Race, Class, and Communication: The Social Construction of Identity
3 crs. • V • CD1; GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both CJ 111 and WMNS 111.
Students investigate ways in which perceptions of, and experiences with, gender, race, and class are communicatively constructed. Focus on communication theories and methods and how gender, race, and class influence personal, group, and organizational communication.

CJ 184 Multimedia Communication
3 crs. • F; Sp • Special Course Fee Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
The course will introduce students to the various media, key concepts and practices used to deliver mediated messages, including print, photo, audio, video and web technologies.

CJ 201 Introduction to Interpersonal Communication
3 crs. • F; Sp • GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Emphasizes knowledge of the factors and processes affecting communication in relatively unstructured face-to-face contexts, and the development of communication skill in those contexts. Topics include relationships, conflict, self-concept, and self-presentation.

CJ 202 Fundamentals of Speech
3 crs. • F, Wi, Sp, Su • CD1; GE-IA • P: No credit if taken after CJ 204.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit toward the major or minor in Journalism, Integrated Strategic Communication, Mass Communication, and Communication.
Fundamentals of effective public speaking from both speaker and listener perspectives. Preparation, presentation, and evaluation of student speeches. Special attention given to topics related to cultural diversity.

CJ 203 Fundamentals of Human Communication
3 crs. • F, Wi, Sp, Su • GE-IA • P: No credit toward CJ major or minor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit toward the major or minor in Journalism, Integrated Strategic Communication, Mass Communication, and Communication.
Communication competence enhanced through introduction to human communication knowledge and relational, group, and public speaking skills. Addresses benefits of communication skills in students’ professional, civic, and personal lives.

CJ 205 Listening
3 crs. • F, Sp • GE-IA • P: Completion of University Writing Requirement. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis of the nature, process, barriers to, and improvement of listening skills. Frequent testing and measuring of students’ listening skills will occur. Listener and message variables as related to comprehension are discussed.

CJ 206 Human Communication Theory
3 crs. • F
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theoretical genres for the study, analysis, and practice of effective communication.
General theories of human communication, contextual theories of interpersonal, group, organizational, public, and mass communication.

CJ 207 Introduction to Rhetoric and Society
3 crs. • Sp • GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of the role of persuasive messages in society, with attention to classical foundations and a focus on tools for thinking critically about contemporary communication.

CJ 222 Beginning Journalism
3 crs. • F; Sp • P: Completion of University Writing Requirement. Grades of C or above in CJ 105 and CJ 184. Minimum sophomore standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
• Credit may not be earned in both CJ 222 and CJ 235.
Introduction to news writing, reporting and editing across media platforms. Emphasis on the foundational principles, practices and purpose of journalism. Accuracy, verification, deadlines, information-gathering, news judgment, balanced and independent reporting are stressed. Selected news coverage of community required.

CJ 241 Audio and Video Production Process
3 crs. • V • Special Course Fee Required • P: Completion of University Writing Requirement.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Strategies for communicating messages and ideas via the radio and television media; introduction to basic radio and television production equipment, techniques, and vocabulary.

CJ 250 Introduction to Organizational Communication
3 crs. • F, Sp • GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Communication theories, concepts, skills, and insights required of organizational newcomers are emphasized.

CJ 260 Introduction to Integrated Strategic Communication
3 crs. • A-F Grades Only • P: Grade of C or above in CJ 184. Completion of University Writing Requirement.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Introduces students to how organizations use strategic communications to build reputation and manage their brand. Emphasizes multimedia.

CJ/WMNS 273 The Literature of Fact
3 crs. • V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both CJ 273 and ENGL 273.
Survey of nonfiction works (reportage, autobiography, travel, and nature writing) which combines factual reporting with literary techniques to reveal American society.

CJ 280 Visual Communication
3 crs. • V • GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of visual messages in a variety of media. Emphasis on evaluating the internal qualities of visual communication—shape, type, color—and external qualities such as history and culture.

CJ 284 Introduction to Photography
3 crs. • F, Sp • Special Course Fee Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
• Audit by permission of instructor only.
A beginning course in working with camera capture and output using current software and hardware digital technologies. Color theory and historical perspective included. The course will emphasize producing a portfolio of photojournalistic work.

CJ 300 Research Methods
3 crs. • F, Sp • P: Completion of 45 credits; Grades of C or above in CJ 105 or CJ 184 and one of the following: CJ 206, 222, 250, 260, 265, or 270. Limited to communication and integrated strategic communication majors and minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Study of research methods, quantitative and qualitative measurement techniques, and data analysis methods common to the fields of communication and mass communication. Emphasis on basic information-gathering and research skills needed to design, conduct and critically consume research.
COMMUNICATION AND JOURNALISM

CJ 301 Intercultural Communication
3 crs. • F, Sp • CD2; GE-IA • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the origins, growth, and evolution of America's mass media from their early Western European background to the diversity of the modern day.

CJ 303 Research Methods for Journalists
3 crs. • F, Sp • P: Grade of C or above in CJ 321 or concurrent enrollment; grades of C or above in CJ 184 and CJ 222. Limited to journalism majors and minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Development of research skills: how to design and analyze surveys and experiments.

CJ 307/507 Small Group Communication
3 crs. • F, Sp • GE-IA • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of research methods for critically analyzing, gathering, calculating, and displaying data (quantitative and qualitative) for informative and interesting news stories.

CJ 310/510 Communication Analysis
3 crs. • F, Sp • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the methods for analyzing messages and their application to examples of contemporary communication.

CJ 311 Mass Media History
3 crs. • V • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of research methods for critically analyzing, gathering, calculating, and displaying data (quantitative and qualitative) for informative and interesting news stories.

CJ 312 Communication and Gender
3 crs. • V • GE-IA • P: CJ 201. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study and analysis of how gender is affected by and affects communication behavior. Special attention is given to theories of gender development and how communication affects the social construction of gender.

CJ 314 Mass Media and Popular Culture
3 crs. • F • GE-IA • P: CJ 105
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Popular culture is the result of human communicative activity, primarily via the mass media. This course is an examination of the relationships between mass media, popular culture, and society.

CJ/WMNS 317 Diversity & Communication: Organizational & Media Contexts
3 crs. • V • GE-IA • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both CJ 317 and WMNS 317.

CJ 318 Communication and Organizational Needs
3 crs. • F • GE-IA • P: CJ 201. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of research methods for critically analyzing, gathering, calculating, and displaying data (quantitative and qualitative) for informative and interesting news stories.

CJ 321 Intermediate Journalism
3 crs. • F, Sp • P: Grade of C or above in CJ 184 and CJ 222.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Study and practice of news reporting, writing and editing. Special attention given to producing important and interesting stories for peer audiences of the medium.

CJ 350/550 Human Resource Development
3 crs. • F, Sp • P: Grade of C or above in CJ 300 and CJ 307, or grades of C or above in BSAD 380 and MGMT 340.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the human resource development field, emphasizing training and development. HRD needs assessment; design, delivery, and evaluation of programs for employee development.

CJ 351/551 Strategic Event Planning
3 crs. • F • SL-Half; Field Trip(s) Required • P: Grades of C or above in CJ 260 or CJ 265 or CJ 270 or consent of instructor. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Planning and management of events to advance impressions of organizations. Focus on the role of effective communication in assessing needs, and designing, delivering and evaluating events. Students will plan and execute an event.

CJ 355/555 Advanced Organizational Communication: Strategic Message Design
3 crs. • Sp • P: Grades of C or above in CJ 202 and CJ 250, or consent of instructor. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis and design of messages for use in a variety of organizational contexts. Emphasis on key role of messages in organizations, analysis of organizational needs, and creation of messages to address them.

CJ 357/557 Professional Communication
3 crs. • F, Sp • P: Grade of C or above in CJ 202. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theories, skills, and strategies needed to become an effective communicator in business and professional settings. Special attention given to developing ethical and mindful interviewing and professional speaking skills and strategies.

CJ 362 Strategic Media Planning
3 crs. • F, Sp • P: Grades of C or above in CJ 260 or CJ 265 or CJ 270 and CJ 300. Limited to communication, journalism, and integrated strategic communication majors and minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Understanding the basic principles, objectives, and research data by which media plans are devised and strategically implemented.

CJ 365 Advertising Message Strategy
3 crs. • F, Sp • P: Grades of C or above in CJ 184, CJ 260 or CJ 265, and CJ 300. Limited to communication, journalism, and integrated strategic communications majors and minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Principles and practice of advertising message development using writing and design skills. Emphasis on portfolio development, strategic planning, concept formation, and idea presentation.

CJ 370 Magazine Editing and Design
3 crs. • V • P: Minimum resident and total GPA of 2.50. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of editorial, business, and administrative procedures for general and special interest magazines. Production of prospectus and an original online magazine.

CJ 373 Writing for Public Relations
3 crs. • F, Sp • P: Grades of C or above in CJ 260 or CJ 265 or CJ 270 and CJ 300. Completion of University Writing Requirement. Limited to communication, journalism, and integrated strategic communication majors and minors. Minimum sophomore standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Introduction and practice designed to develop the professional writing skills expected of public relations practitioners, emphasizing the different approaches required for different audiences and media. Topics include print writing, broadcast writing, and internet/social media writing.

CJ 374 Integrated Strategic Communication (ISC) Campaign Design and Evaluation
3 crs. • F, Sp • P: Grades of C or above in CJ 260 or CJ 265 or CJ 270 and CJ 300.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Research and planning to develop Integrated Strategic Communication (ISC) campaigns. Topics include formative research, data analysis, account planning, message design, and evaluation.

CJ 380 Visual Communication Design
3 crs. • V • Special Course Fee Required • P: Grade of C or above in CJ 184.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A study of graphic design. Course activities emphasize problem-solving to meet the unique needs of visual projects and developing a portfolio.

CJ 384 Studio Lighting
3 crs. • V • Special Course Fee Required • P: Grade of B or above in CJ 284 or ART 281. Minimum sophomore standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Auditor by permission of instructor only.
Fundamentals of lighting in a controlled studio environment with an emphasis on portraiture photography and product shots for advertising.
CJ 390 Communication in Interpersonal and Cultural Contexts
3 crs. • V • CDH; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit for major or minor in communication, mass communication or journalism.
Emphasizes skills and knowledge for competent communication in interpersonal contexts and in globally and domestically diverse situations. Analysis and application of principles and theories including conflict, self-concept and self-presentation within and between diverse populations.

CJ 391 Communication in Organizations: Perspectives and Applications
3 crs. • V • BPS Flat Rate Tuition • A-F Grades Only • P: Limited to organizational leadership and communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit for major or minor in communication, mass communication or journalism.
Explores the role of competent communication in organizational effectiveness and member satisfaction. Review major perspectives and key theories of organizational communication, and builds skills for leadership and management in corporate and community organizations.

CJ 392 Communication in Teams and Groups
3 crs. • V • BPS Flat Rate Tuition • A-F Grades Only • P: Limited to organizational leadership and communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit for major or minor in communication, mass communication or journalism.
Theories, concepts and skills to enhance communication in community and professional groups and teams. Includes problem-solving, decision-making, conflict resolution, team-building, and leadership.

CJ 397 Student Academic Apprenticeship
1-3 crs. • F, Sp • May be repeated for a maximum of 6 credits • P: Twelve or more credits in CJ, with grade of B or above in the course in which the student will be apprenticed. Minimum junior standing. Minimum resident and total GPA of 2.80. • Department Consent Required
Qualified students, selected and supervised by faculty members, facilitate teaching and learning in a specific course or courses.

CJ 399 Independent Study - Juniors
1-3 crs. • F, Sp • May be repeated • P: Minimum junior standing. • Department Consent Required

CJ 405 Communication and Conflict
3 crs. • Sp • P: Grade of C or above in CJ 201, or consent of instructor; Grade of C or above in CJ 300 or concurrent enrollment.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis of the nature and development of conflict from a communication perspective. Focus on how researchers conceive of conflict theories, types and causes of conflict, and skills for effective conflict management from confrontation through reconciliation.

CJ 406 Persuasion
3 crs. • F • GE-IA • P: Grade of C or above in CJ 202. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theoretical perspectives for the study, analysis, and design of persuasive communication. Emphasis on ethical, logical, and psychological bases of persuasion.

CJ 407/607 Leadership Communication
3 crs. • V • P: Grades of C or above in CJ 300 and CJ 307, or grades of C or above in MGMT 340 and MATH 245 or 246. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theories, concepts, and skills for effective leadership communication. Focuses on leader traits, behaviors, influence, values, and ethics; on follower characteristics and needs; on situational variables; and on the influence of gender and diversity on leadership dynamics.

CJ 412 Mass Media Ethics
3 crs. • F • Sp • GE-IA • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of ethical theories and their application to mass media ethical problems.

CJ 414/614 Mass Media Law
3 crs. • F • Sp • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American law as applied to mass communication constitutional guarantees, libel, privacy, access to information, fair trial vs. free press, source protection, contempt of court, obscenity, copyright, regulation of advertising, broadcasting, and media as a business.

CJ 425 Advanced Visual Journalism
3 crs. • F • Special Course Fee Required • P: Grades of C or above in CJ 303 and CJ 321.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Students must have access to a 35mm DSLR camera.
An advanced course that explores effective visual journalism for a variety of publications, including newspaper, magazine and web.

CJ 426 Advanced Broadcast TV News
3 crs. • F, Sp • Special Course Fee Required • P: Grades of C or above in CJ 184, 303, 321. Limited to journalism majors and minors. Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Advanced instruction in television news. Includes reporting, writing, shooting TV news stories as well as production of weekly television newscasts.

CJ 427 Advanced Reporting and Editing
3 crs. • F, Sp • SL-Full • P: Grades of C or above in CJ 303 and CJ 321.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Study and use of advanced reporting and editing techniques required to produce news across media platforms with an emphasis on managing news online.

CJ 429 Digital Newsroom
3 crs. • F, Sp • CP • P: Grades of C or above in CJ 184, CJ 222, CJ 303 and CJ 321. Grade of C- or above in CJ 425 or CJ 426 or CJ 427. Completion of or concurrent enrollment in CJ 412 and CJ 414.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
• Optional field trips. Capstone course for journalism major.
Course assesses student’s mastery of the journalism major. Students manage the department’s digital newsroom, produce and edit journalism across media platforms.

CJ 452/652 Health Communication
3 crs. • F • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study and use of communication strategies to inform and influence individual and community decisions that enhance health.

CJ 459 Communication Research Seminar
3 crs. • F, Sp • SL-Optional; CP • P: Grades of C or above in CJ 300; and CJ 312 and CJ 405, or CJ 310 and CJ 406, or CJ 355; at least 24 credits in CJ courses. Limited to communication majors (organizational or communication studies emphases). Minimum senior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Optional field trips. Capstone course for communication majors.
This course is a detailed study of the account management function and its role in the modern advertising agency. Entry-level skills are taught as well as Integrated Marketing Communications (IMC) planning. The final-project portfolios test and demonstrate students’ knowledge and skills.

CJ 460 Advertising Account Management
3 crs. • F, Sp • P: Grades of C or above in CJ 260 or 265 or 270 and CJ 300. Limited to integrated strategic communication majors and minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course is a detailed study of the account management function and its role in the modern advertising agency. Entry-level skills are taught as well as Integrated Marketing Communications (IMC) planning. The final-project portfolios test and demonstrate students’ knowledge and skills.

CJ 464 Advertising in Contemporary Society
3 crs. • F, Sp • P: Grades of C or above in CJ 260 and CJ 300. Grades of C or above in two of CJ 362, CJ 374, CJ 460. Grade of C or above in CJ 365 or CJ 380. Limited to integrated strategic communication majors and minors. Minimum senior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Optional field trips. Capstone course for communication majors.
This course is a detailed study of the account management function and its role in the modern advertising agency. Entry-level skills are taught as well as Integrated Marketing Communications (IMC) planning. The final-project portfolios test and demonstrate students’ knowledge and skills.

CJ 470 Crisis Communication
3 crs. • V • P: Grade of C or above in CJ 260 or CJ 265 or CJ 270 or CJ 300. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theory and analysis of the use of public relations campaigns to address crisis situations. Emphasis on the use of public relations campaigns to shape public opinion during crisis.

CJ 479 Integrated Strategic Communication Management
3 crs. • F, Sp • SL-Full; CP • P: Grades of C or above in CJ 373 and CJ 374; or two of: CJ 362 or CJ 374 or CJ 460, and CJ 365 or CJ 380. Limited to integrated strategic communication majors.
Practicum Hours: 3 | Lab/Studio Hours: 0
• Optional field trips. Capstone course for communication majors.
Application of Integrated Strategic Communication to a case. Emphasis on planning, message analysis, and multimedia production. Practicum.
COMMUNICATION AND JOURNALISM

CJ 490 Seminar
1-3 crs. • V • May be repeated • P: Minimum resident and total GPA of 2.50. Minimum senior standing.
• See current Class Schedule for topic, prerequisites, and restrictions.
Topic and content to be determined by Communication and Journalism faculty based upon student interest and need.

CJ 491 Special Topics
1-3 crs. • V • May be repeated for a maximum of 9 credits • P: Minimum senior standing.
• See current Class Schedule for topic, prerequisites, and restrictions.
Topic and content to be determined by Communication and Journalism faculty based upon student interest and need.

CJ 492 Analyzing and Improving Organizational Communication
3 crs. • V • SL-Full; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to organizational leadership and communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• No credit for major or minor in communication, mass communication or journalism.
Emphasis on assessing organizational communication needs, and designing, implementing and evaluating strategies to address them. Focus on enhancing messages for external audiences as well as training and development, supervision and changes messages for internal audiences.

CJ 495/695 Directed Studies
1-3 crs. • V • SL-Full; BPS Flat Rate Tuition • A-F Grades Only • P: Minimum resident and total GPA of 3.00. • Department Consent Required
Study of special topics structured to fit the needs, interests, and goals of the students.

CJ 497 Advanced Student Academic Apprenticeship
1-3 crs. • V • SL-Full; BPS Flat Rate Tuition • A-F Grades Only • P: Minimum resident and total GPA of 3.00. • Department Consent Required
• No more than three credits of CJ 397 and CJ 497 can be counted toward the major.
Qualified students, selected and supervised by faculty members, facilitate teaching and learning in a specific course or courses.

CJ 498 Internship
1-3 crs. • F, Sp, Su • SL-Full; IN • May be repeated for a maximum of 3 credits • P: Grades of C or above in qualifying courses within a communication, journalism, or mass communication sequence; prior approval of adviser, internship coordinator, and department chair. Minimum resident and total GPA of 2.75. Minimum junior standing. • Department Consent Required
Application of classroom knowledge and skills in supervised professional activities relevant to the student’s area of emphasis or mass media sequence, at an internship site approved in advance by the Department of Communication and Journalism.

CJ 499 Independent Study - Seniors
1-3 crs. • F, Sp • May be repeated • P: Minimum senior standing. • Department Consent Required
3. A Computer Science elective, selected from one of the following:
   a. A minimum of six credits of electives chosen from the following and not already included in the Computer Science core: CS 278, 291, 321, 322, 370, 388, 399, 420, 450, 455, 485, 491; or other courses designated by the department (six-seven credits; recommended for students considering industry employment); or
   b. Six credits from CS 482 and CS 492 (additional capstone and research experience; recommended for students considering graduate school).

For a degree in Computer Science, a student must:
1. Complete CJ 202 or Engl 305 or Engl 308 (satisfies GE-IA);
2. Complete Phil 308 (satisfies GE-IB);
3. Complete one lab science sequence chosen from:
   a. Phys 211 and 212 (nine crs), or
   b. Phys 231 and 232 (ten crs).

MINOR: COMPUTER SCIENCE, Liberal Arts
Liberal Arts Emphasis (Code 170-401)
Twenty-four semester credits, including:
1. CS 145, 245, 252, and 260 (15 crs)
2. Nine credits selected from CS 268, 278, 291, 321, 335, 370, 388, 399, 420, 450, 455, 462, or other courses designated by the department and not already included in the minor.

Web Design and Development Emphasis (Code 170-405)
Twenty-four semester credits minimum, including:
1. CS 318, 319, 320, 321 (12 crs)
2. At least 12 credits selected from:
   a. Art 274, 275, 281, 312, 375
   b. Bus 206, 207, 308, 405
   c. CJ 105, 280, 319, 380
   d. CS 322
   e. Engl 181, 305, 307, 308
   f. IS 240, 290, 310, 345*, 475*
   g. Mktg 330*, 331*

   Other electives may apply with Computer Science department permission.

*NOTE: See the chair of the offering department for special permission to enroll.

MINOR: COMPUTATIONAL SCIENCE
See College of Arts and Sciences Interdisciplinary Minors.

DEPARTMENTAL HONORS IN COMPUTER SCIENCE
Eligibility: Students with resident and total GPAs of 3.50 or higher and a 3.50 or higher in at least 12 credits of computer science.
Procedure: A written application for Departmental Honors in Computer Science shall be approved by the research adviser and the departmental honors committee. The application and approval process must be completed no later than the end of the junior year.
Requirements:
1. The satisfactory completion of (a) six credits of registration in Computer Science Research, including the writing of a research paper; (b) an oral presentation to be given to at least three members of the faculty.
2. Resident and total GPAs of 3.50 or higher in both the computer science major and for all credits attempted to meet graduation requirements.
3. Participation in at least one Student ACM Programming Contest.

Information for All Students
It is strongly recommended that the student have a grade of C or above in any Computer Science course which is to be used as a prerequisite to another course. Where a grade of C- or below is earned in a Computer Science course, the student should repeat the course before continuing.

Satisfactory/Unsatisfactory Policy
The Satisfactory/Unsatisfactory option may not be elected to satisfy a course requirement at the 200 level or higher for the major or minor programs, except for CS 490.

Certificate Programs
The Department of Computer Science offers certificates to students and working computer professionals who desire the knowledge and hands-on experience necessary to become computer programmers or web designers and developers. Note: Students cannot pursue the Computer Science Major and the Computer Programmer Certificate nor the Computer Science Major and the Web Design and Development Certificate to meet graduation requirements for completing a first and second degree program.

Certificate: Computer Programmer (Code 170-605)
15 credits, including: CS 145, 163, 245, 252

Certificate: Web Design and Development (Code 170-601)
12 credits, including: CS 318, 319, 320, 321

COMPUTER SCIENCE

CS 100 Computer Information Technologies
3 crs. • GE-IB
Lecture/Discussion Hours: 2.5 | Lab/Studio Hours: 1
• No credit toward computer science major or minor. Not applicable for satisfying B.S. GE-IB requirement in College of Arts and Sciences.

CS 145 Introduction to Object-Oriented Programming
4 crs. • F, Sp • P: MATH 109 or concurrent enrollment, or placement into MATH 111, 112, 113, 114, or 215. For computer science majors, must be taken concurrently with CS 146.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2

CS 146 The Big Picture in Computer Science
1 cr. • F, Sp • P: Limited to computer science majors. Must be taken concurrently with CS 145.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Must be taken by students during their first semester in the computer science major.

CS 163 Introduction to Programming in C++
3 crs. • F, Sp • GE-IB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Three years of high school, college preparatory mathematics. No credit for CS majors if taken after or concurrently with CS 145.

CS 170 Computing for the Sciences and Mathematics
3 crs. • F, Sp • GE-V • P: MATH 112, or 113, or placement into MATH 114 or 215.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Aspects of computation that are particularly relevant to scientific computation. Discussion of numeric processing, symbolic processing, data management, data representation, and scientific visualization. Students design and implement computer programs using Maple, a language specifically tailored to the sciences.

CS 245 Advanced Programming and Data Structures
4 crs. • F, Sp • P: CS 145. MATH 112 or concurrent enrollment, MATH 113 or concurrent enrollment, or placement into MATH 114 or 215.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Advanced object-oriented programming techniques including OOP design, distributed and concurrent computation, GUI development, and testing. Implementation and use of data structures including lists, stacks, queues, trees, and graphs.
COMPUTER SCIENCE

CS 252 Computer Systems
4 crs. • F • Sp • P: CS 245, MATH 114 or concurrent enrollment.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Introduction to systems level concepts including number system representation, digital logic, machine models, assembly language, UNIX, C programming and memory management, and parallel architectures.

CS 260 Database Systems
3 crs. • F • Sp • P: CS 245
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of fundamental database concepts including: SQL, database design and normalization, transactions and concurrency, embedded SQL, and stored procedures.

CS 268 Web Systems
4 crs. • Sp • P: CS 245. May be taken concurrently with CS 260.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Introduction to programming Web-based applications. Multiple modern Web technologies are covered in depth and compared. Web frameworks, server configurations, and security issues are discussed.

CS 278 Digital System Design
4 crs. • Sp • P: Either CS 145 or CS 163, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
• No credit if taken after Special Topics course of the same title.
Logic components. Boolean algebra and algorithmic logic simplification, combinational logic analysis and synthesis, synchronous and asynchronous sequential logic analysis and synthesis, finite state machine design, programmable logic and FPGAs, Verilog programming for synthesis.

CS 290 Introduction to Data Management
3 crs. • V • GE-IB; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to organizational leadership and communication comprehensive major; Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to managing data using technology. Topics include understanding different types of data, managing data using spreadsheets and databases, creating application macros to manipulate data, designing and implementing databases, and visualizing data.

CS 291 Special Topics
1-3 crs. • F • Sp • May be repeated
• See current Class Schedule.
An examination of current topical material of special interest to students and faculty.

CS 318 Fundamentals of Web Page Design
3 crs. • F • Sp • GE-IB
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Basic concepts, coding standards, accessibility guidelines, and technologies of client-side Web page design, Hypertext Markup Language (HTML), Cascading Style Sheets (CSS), and techniques for controlling page layout, animations, and user interactions.

CS 319 Introduction to Web Programming
3 crs. • F • Sp • GE-IB • P: No credit if taken after CS 268.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
• No credit toward computer science major requirements.
Introduction to client and server side Web programming. Includes basic programming concepts, user input validation, dynamic Web pages, and data retrieval and display.

CS 320 Web Database Design and Implementation
3 crs. • F • W • P: CS 318 or concurrent enrollment; CS 319 or concurrent enrollment.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
• No credit toward computer science major requirements.
Introduction to databases for Web applications. Architecture, design considerations, and implementation of relational database systems. Web/database application development.

CS 321 Web Design and Development
3 crs. • Sp • SL-Full • P: CS 320
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis, design, and implementation techniques for Web site development. Includes preparation of design documents development, deployment, and testing. Students complete and deploy a comprehensive Web site working with clients and end-users.

CS 322 Animation Programming
3 crs. • F
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 3
Introduction to current technical and creative trends in digital animation principles, including real-time, interactive animations, gestural interfaces, and basic motion capture for use in animation and game development.

CS 330 Programming Languages
3 crs. • Sp • P: CS 252
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study building blocks of modern programming and programming paradigms including functional, imperative, object-oriented, and logical. Emphasis on teaching students how to learn and new programming languages. In-depth study of C++ and memory management techniques.

CS 335 Algorithms
3 crs. • F • P: CS 245. Concurrent enrollment in MATH 314.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Discussion of algorithm design, problem-solving methods. Specific algorithm topics include divide-and-conquer, dynamic programming, and backtracking.

CS 352 Computer Architecture
3 crs. • F • P: CS 252
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of hardware organization and architecture including performance metrics, machine data and instruction representations, computer arithmetic, assembly language programming, ALU design, CPU design and control, micro-programming, pipelining, cache memory systems, and I/O peripherals.

CS 355 Software Engineering I
3 crs. • Sp • P: CS 260. Credit cannot be earned in both CS 321 and CS 355.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A hands-on experience in software engineering with key aspects of the software development life cycle. Focus is on the application of a high-level development environment to the fulfillment of an object-oriented software design specification. An introduction to modern design patterns.

CS 370 Computer Security
3 crs. • Sp • P: CS 252
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of system, network, database, application and web security. Practical experience with tools for information gathering, vulnerability analysis, system hardening and intrusion detection, and for defending computing systems, culminating in a cyberwar exercise.

CS 388 UNIX Systems Programming
3 crs. • F
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Programming experience in C or C++.
In-depth coverage of the UNIX command shell, file manipulation, process control, file system utilities, mail, pipes and filters, I/O redirection, process management, UNIX editors, scripting language, and shell scripting.

CS 396 Junior Seminar
1 cr. • F • P: CS 146 and minimum junior standing, or consent of instructor.
Limited to computer science majors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Examination of selected topics in computer science through invited business speakers, traditional lecture, and independent investigation.

CS 399 Independent Study - Juniors
1-3 crs. • V • May be repeated • P: Minimum junior standing • Department Consent Required

CS 420 Artificial Intelligence
3 crs. • V • P: CS 335
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Investigation of the theories and techniques of knowledge representation and automated reasoning as the foundation of artificial intelligence. Includes the comparative analysis of established theories and the synthesis of automated problem-solving behavior.

CS 436 Mobile Software Development
3 crs. • F • P: CS 245
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Developing software for mobile devices, designing for interruptions, creating service-oriented architectures, and sensing the physical world.

CS 450 Theory of Computation
3 crs. • F • P: CS 335
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of finite automata and regular languages, pushdown automata and context-free languages, Turing machines and recursively enumerable sets, linear-bounded automata and context-sensitive languages, computability and the halting problem, undecidable problems, and the Chomsky hierarchy.
The area of study serves students interested in the field of economics. This area of study is intended to prepare students for a variety of careers, including positions in public sector analysis, law, and applied economics. For more information, see the Department Chair.

### Economics

**Schneider Social Science 476**  
715-836-5743  
[www.uwec.edu/econ](http://www.uwec.edu/econ)

**Wayne Carroll, Chair**

**Honor Societies and Student Organizations:**  
Omicron Delta Epsilon (Economics Honors Society) and Student Economics Association.

Economics is the study of how and to what extent a society uses its scarce resources. The Department of Economics believes that understanding economics requires both learning economic theory and applying that theory. To this end, the department encourages internships, student/faculty collaborative research activities, small-group learning, and applied projects.

To aid our graduates in the transition to employment or further education, the department sponsors trips to area graduate schools and visits by individuals employed in economics-related occupations and it maintains a file of alumni mentors.

During the year prior to graduation, each student with a major in economics is required to complete a capstone paper that draws together theory, practice, and policy. The capstone paper may be completed in conjunction with a student/faculty collaborative research project, an immersion experience, or an economics course. See the Department Chair or the Department of Economics website for information on capstone paper options.

### Information for Economics Majors

The Department of Economics recommends that the student majoring in Economics (Liberal Arts, Comprehensive-Business, Teaching) structure the set of courses chosen for the major within the guidelines suggested by the following areas of study. In addition to the courses required for the major, the elective courses suggested in each of these areas of study are those which the Department of Economics feels would enhance the potential for success in the student's future career.

**Graduate Education.** This area of study is designed for the student wishing to pursue graduate training. Suggested courses are: Econ 311, 315, 316; Math 114, 215, 324, 346, 347.

**Applied Economics.** This area of study serves students interested in obtaining immediate employment upon completion of the major. Suggested courses are: Econ 316; Math 111 or 114; Act 201; Engl 305.

**Pre-Law.** This area of study is appropriate for students who are considering a career in law. Suggested courses are: Act 201; Econ 322, 331, 335.

**Public Policy Analysis.** This area of study is intended to prepare students for a career in public sector analysis. Suggested courses are: Econ 268, 316, 325, 331, 375.

Students with economics majors or minors are encouraged to take Econ 303 and 304 promptly after completion of Econ 103 and 104. Registration in junior/senior courses prior to completion of Econ 303 and 304 should be done in consultation with the adviser. Most junior- and senior-level courses assume students have completed or are completing their mathematics requirements and have applied computer experience.
ECONOMICS

MAJOR: ECONOMICS,
Liberal Arts (Code 360-200)

Thirty-six semester credits in economics and supporting courses, including Econ 103, 104, 303, 304, 321, and Math 246. Additional credits must be selected primarily from the following: Econ 308, 311, 315, 316, 318, 322, 325, 331, 335, 351, 353, 355, 366, 371, 375, 399, 491, 492, 494, 495, 496, 498, 499. Students may, if they wish, count a maximum of two courses from the following: Econ 268, 280, 329, 330, 390; Econ / LAS 356; Econ / Wmns 337, 357; Acc 201.

A student may substitute Math 347 for Math 246 in the major.

All students with a major in economics must complete a capstone paper during the year prior to graduation. Contact the department office for information on capstone requirements and options. NOTE 1: Math 111 or 114 or their equivalent must be completed as part of the General Education requirements. NOTE 2: A maximum of six credits earned in Econ 399, 494, 495, 496, 498, and/or 499 may count toward the major.

COMPREHENSIVE MAJOR: ECONOMICS,
Business (Code 360-002)

A Bachelor of Business Administration degree with a comprehensive major in economics consists of the Basic Business Core in the College of Business, completion of Econ 103, 104, 303, 304, and 321; Math 246, and electives from the following courses, bringing the total to 60 semester credits: Econ 308, 311, 315, 316, 318, 322, 325, 331, 335, 351, 353, 355, 366, 371, 375, 399, 491, 492, 494, 495, 496, 498, 499; Fin 322, 327; and no more than one course from the following: Econ 268, 280, 329, 330, 390; Econ / LAS 356; Econ / Wmns 337, 357.

A student may substitute Math 347 for Math 246 in the major.

All students with a major in economics must complete a capstone paper during the year prior to graduation. Contact the department office for information on capstone requirements and options. NOTE 1: Math 111 or Math 114 or their equivalent must be completed as part of the General Education requirements. NOTE 2: Students in this major must meet College of Business admission standards before they may register for upper-division (300- to 400-level) courses offered by the College of Business (see College of Business, Admission). NOTE 3: A maximum of six credits earned in Econ 399, 494, 495, 496, 498, and/or 499 may count toward the major.

MAJOR: ECONOMICS,
Teaching (Code 360-204)

Thirty-six semester credits in economics and supporting courses, including Econ 103, 104, 303, 304, 321, 322, and Math 246. Additional credits must be selected primarily from the following: Econ 308, 311, 315, 316, 318, 325, 331, 335, 351, 353, 355, 366, 371, 375, 399, 491, 492, 494, 495, 496, 498, 499. Students may, if they wish, count a maximum of two courses from the following: Econ 268, 280, 329, 330, 390; Econ / LAS 356; Econ / Wmns 337, 357; Acc 201. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Economics in Early Adolescence through Adolescence classrooms.

All students with a major in economics must complete a capstone paper during the year prior to graduation. Contact the department office for information on capstone requirements and options. NOTE: A maximum of six credits earned in Econ 399, 494, 495, 496, 498, and/or 499 may count toward the major.

MINOR: ECONOMICS,
Liberal Arts (Code 360-400)

Twenty-four semester credits in courses offered or approved by the economics department, including Econ 103, 104, 303, and 304. Up to two courses from the following list may, at the option of the student, be included in the minor: Econ 268, 280, 329, 330, 390; Econ / LAS 356; Econ / Wmns 337, 357.

MINOR: ECONOMICS,
Teaching (Code 360-404)

Twenty-four semester credits in courses offered or approved by the economics department, including Econ 103, 104, 303, 304, and 321. Up to two courses from the following list may, at the option of the student, be included in the minor: Econ 268, 280, 329, 330, 390; Econ / LAS 356; Econ / Wmns 337, 357. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Economics in Early Adolescence through Adolescence classrooms.

DEPARTMENTAL HONORS PROGRAM IN ECONOMICS

Entrance Requirements: (1) Majors who have completed at least the two introductory economics courses with a GPA in economics courses of 3.50 or higher, and resident and total GPAs of 3.35 or higher, and (2) submit a written application before the beginning of the senior year for approval by the Economics Department faculty.

Requirements for Continued Participation: If at any time a student’s resident and total GPAs fall below 3.35, or a student’s GPA in economics courses falls below 3.20, that student will no longer be eligible to participate in the program.

Graduation Requirements: (1) Complete the requirements for an economics major, including Econ 316. (2) Complete at least six credits in the department’s Honors Seminars taught by graduate faculty. If unable to schedule six credits of seminar, the student can petition the department to replace three credits of Honors Seminar with three credits of Honors Independent Study. (3) Satisfactory completion of an Honors paper under the direction of a department member of the graduate faculty. (4) Satisfactory completion of an oral examination, conducted by at least three faculty members, on economic theory (Econ 303 and 304) and on the student’s Honors Paper. (5) Resident and total GPAs of 3.50 or higher at graduation for all courses and in Economics Department courses. For more information see the Department Chair.

ECON

ECON 100 Economic Analysis of Contemporary Issues
3 crs. • GE-IIIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Nature of selected contemporary issues and method of evaluating alternative solutions.

ECON 103 Principles of Microeconomics
3 crs. • F, Sp, Su • GE-IIIB • P: Grade of C or above in MATH 20 or suitable score on math placement test.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
In the context of contemporary economic issues, product and resource markets are analyzed with respect to pricing decisions, efficiency, and equity.

ECON 104 Principles of Macroeconomics
3 crs. • F, Sp, Su • GE-IIIB • P: Grade of C or above in MATH 20 or suitable score on math placement test.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theory of aggregate income determination in the American economy with consideration of the international economy and other related problems, policies, and institutions.

ECON 201 Introduction to Political Economy
3 crs. • F, Sp, Cd1; GE-IIIB • P: No credit if taken after ECON 103 or ECON 104.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of economic analysis to problems confronted in many social science disciplines. Concentrates on macroeconomic issues. Develops basic microeconomic concepts that serve as the foundation for macroeconomic issues. Includes market structures and cooperatives.

ECON 268 Environmental Economics
3 crs. • Sp • GE-IIIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of economic analysis to national and international environmental issues and policies, highlighting the connections between the economic way of thinking and other disciplines.
ECON 280 Health Economics
3 crs. • F • GE-IIIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of economic analysis to national and international health care issues including insurance and financing mechanisms, chronic disease, prescription drugs, government policy and lifestyle choices.

ECON 303/503 Intermediate Microeconomic Theory
3 crs. • F, Sp • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of economic analysis to consumer behavior, production decisions, and resource pricing.

ECON 304 Intermediate Macroeconomic Theory
3 crs. • F, Sp • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of alternative theories of national income, employment, and the general price level.

ECON 308 Essentials of Managerial Economics
3 crs. • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of economic principles to management problem formulation, problem-solving, and decision-making.

ECON 311 History of Economic Thought
3 crs. • F odd years • GE-IIIB • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the development of economic analysis from the works of the physiocrats to contemporary models.

ECON 315 Elements of Mathematical Economics
3 crs. • Sp odd years • P: ECON 303, and MATH 111 or 114. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Applications of differential calculus and matrix algebra in microeconomic and macroeconomic theory.

ECON 316 Econometrics
3 crs. • Sp • P: ECON 103, 104; MATH 246, 345, or 347. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of statistical techniques for the purpose of testing and explaining economic relationships; integration of economic theory with observed economic phenomena. Useful for economic and business forecasting.

ECON 318 Business Fluctuations and Forecasting
3 crs. • Sp, Su • P: ECON 104. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Measuring economic activity; time series analysis; theories of business fluctuations; the experience of the 1930s; forecasting economic activity.

ECON 321 Money and Banking
3 crs. • F, Sp, Su • GE-IIIB • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis of the impact of money and banking on a modern economy. Banking, regulatory and management problems are also studied.

ECON 322/522 Investments
3 crs. • F • P: ECON 104. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Relationships between investments and the economy, risks, characteristics of securities, securities markets.

ECON 325/525 Public Economics
3 crs. • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Revenues and expenditures of different units of government and public debt.

ECON 329 Lifetime Investing Principles and Strategies
3 crs. • Sp • P: No credit if taken after ECON 322 or FIN 322.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Strategies to build financial security over a lifetime with a focus on investing, taxes, inflation, life expectancy and insurance in order to maintain appropriate purchasing power through time.

ECON 330 Economics of American Minorities
3 crs. • Sp • CD3; GE-IIIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Major issues and problems confronting American minorities; possible approaches to deal with such issues; government policy toward such issues.

ECON 331/531 Government and Business
3 crs. • F even years • GE-IIIB • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Market structures and institutions influencing relations between business and government.

ECON 335/535 Labor Economics
3 crs. • F • GE-IIIB • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Wage theories, the labor market, employment and training policy, the unemployment problem, the economic effect of collective bargaining, the labor movement, and labor law.

ECON/WMNS 337 Women and the Labor Market
3 crs. • F • CD1; GE-IIIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ECON 337 and WMNS 337.
Examination of theories of economic discrimination, recent experiences of women in labor markets in various countries, effects of governments and international agencies on earnings and employment, and the future role of women in modern economies.

ECON 351 International Economics
3 crs. • Sp • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of international trade and international monetary theory and policies influencing the industrialized and developing nations.

ECON 353 Economics of Pacific Asia
3 crs. • Sp • FC • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An economic analysis of the successes, problems, and policies of Pacific Asia. Examines the economies of Japan, China, Taiwan, Hong Kong, South Korea, and the Association of Southeast Asian Nations.

ECON 355/555 Economic Development
3 crs. • F • FC • P: ECON 103 and 104, or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Focuses on the economies of Africa, Asia, and Latin America. Helps develop an historical, institutional, and economic framework for critically understanding social and economic realities in these regions.

ECON/LAS 356 Economic Development of Latin America
3 crs. • Sp • FC; GE-IIIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ECON 356 and LAS 356.
Analysis of the process of the economic and social development of Latin America. Topics include: nature of economic development, obstacles to economic development, evaluation of economic policies, and the role of women in economic development.

ECON/WMNS 357/557 Women and Economic Development
3 crs. • F, V • FC; GE-IIIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ECON 357 and WMNS 357.
No credit if taken after WMNS 480 in Summer of 2001.
Provides economic, institutional, and feminist frameworks for understanding socio-economic realities of women in Asia, Africa, Latin America, and the Middle East. Topics analyzed include changing roles of women in economy and household during the process of economic development.

ECON 366 Behavioral Economics
3 crs. • Sp • P: ECON 103
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Questions addressed in this course include: Do people act rationally, or is our thinking biased and emotional? Are individuals always selfish, or do they value fairness and altruism? What makes people happy? How does ideology affect choices and society?

ECON 371 Current Economic Problems
3 crs. • P: ECON 103 and 104, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Utilization of economic theory to study current economic problems and solutions to problems.
ECON 373 Economics of Urban Issues
3 crs.  •  V  •  GE-IIIB; BPS Flat Rate Tuition  •  A-F Grades Only  •  P: Limited to organizational leadership and communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This course provides an introduction to fundamental economic concepts, which are then applied to analyze urban issues such as housing, transportation, urban congestion, crime, and local government finance.

ECON 375 Urban Economics
3 crs.  •  F  •  CD1;  •  GE-IIIB  •  P: ECON 103 or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
An examination of the economic performance of urban economies, including theory, problems and policies. Includes the application of economics to the intricacies of such urban problems as poverty, housing, transportation, pollution and the urban environment.

ECON 390 Global Economics Immersion Experience
1-3 crs.  •  V  •  GE-IIIB; Field Trip(s) Required  •  May be repeated for a maximum of 6 credits  •  A-F Grades Only  •  Instructor Consent Required
This course provides an introduction to fundamental economic concepts, which are then used to analyze important economic and social issues at an international site.

ECON 399 Independent Study - Juniors
1-3 crs.  •  F, Sp, Su  •  May be repeated  •  P: Minimum junior standing.  •  Department Consent Required

ECON 491 Special Topics
1-3 crs.
Topics will vary, depending on interest of students and faculty. Topics may be specific themes or areas of economics.

ECON 492 Honors Seminar
3 crs.  •  May be repeated for a maximum of 6 credits  •  P: ECON 304, minimum 3.20 GPA in ECON courses. Minimum resident and total GPA of 3.35. Admission to Department Honors Program.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Individualized study of special topics in economics. Exact topics will differ depending on interests of the students and faculty members.

ECON 494 Academic Internship
3 crs.  •  F, Sp, Su  •  IN  •  P: Twelve credits in economics. Limited to economics majors and minors. Credit cannot be earned in both ECON 494 and ECON 498.  •  Department Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Supervised application of classroom-acquired economics skills and knowledge in an academic setting related to the student’s area of interest. To help prepare the student for graduate education.

ECON 495/695 Directed Studies
1-3 crs.  •  F, Sp, Su  •  May be repeated  •  P: ECON 103 and 104, or consent of instructor.  •  Department Consent Required
Course projects will be structured to fit the needs, interests, and goals of the participants.

ECON 496 Honors Independent Study
1-3 crs.  •  May be repeated for a maximum of 6 credits  •  P: ECON 304. Minimum 3.20 GPA in ECON courses. Minimum resident and total GPA of 3.35. Admission to Department Honors Program.
Supervised agenda of reading and research with regular conferences between student and faculty member resulting in a high quality research paper.

ECON 498 Professional Internship
3 crs.  •  F, Sp, Su  •  SL-Full; IN  •  P: Twelve credits in economics. Limited to economics majors and minors. Credit cannot be earned in both ECON 494 and ECON 498.  •  Department Consent Required
Supervised application of classroom-acquired economics skills and knowledge in a professional setting related to the student’s area of interest.

ECON 499 Independent Study - Seniors
1-3 crs.  •  F, Sp, Su  •  May be repeated  •  P: Minimum senior standing.  •  Department Consent Required

ERICA J. BENSON, CHAIR

JOSE ALVERGUE, CAREY APPELGETE, DEBRA K.S. BARKER, ALAN BENSON, CHRISTINA BERRCHI, JACK BUSHEILLE, RUTH CRONIE, BERNARD DUYHUIZEN, STEPHANIE FARRAR, AUDREY FESSLER, MAX GARLAND, B.J. HOLLAIRS, DAVID JONES, THERESA D. KEMP, ALLISON LOOMES, JON LOOMIS, CARMEN MANNING, ROBERT NOWLAN, TESS ONVULEME, JOEL PACE, MOLLY PATTERSON, ELIZABETH PRESTON, CATHY REX, ASHA SEN, JENNIFER SHADDOCK, DAVID SHIBI, JAN STRIM, STACY THOMPSON, CHRISTA TIERMAN, STEPHANIE TURNER, SHEVAUN WATSON, BLAKE WESTERLUND, LYNSEY WOLTER, MARTY WOO.

English, as an academic discipline, encompasses the study of literature, literary theory, critical/cultural theory, film, creative writing, professional writing, rhetoric, and linguistics. In English courses, students develop strong critical thinking and analytical skills; they learn to read with interpretive power and write with fluency, power, and precision; and they apply a variety of research strategies and methods.

Advising Information
The English Department maintains updated advising guides and four-year degree plans for all of its majors and minors; these materials are available in the English Department office and on the website.

Students contemplating a major or minor in English can make an appointment in the English Department office with the Director of Undergraduate Studies in English.

No student may have both a major and a minor in the English Department.

PROGRAMS
Students at UW-Eau Claire may focus their studies in English by choosing a major or minor in one of five areas of emphasis. A standard major, which must be taken in conjunction with a second program, may be pursued in one of five emphases: Creative Writing; Critical Studies in Literatures, Cultures, and Film; Linguistics; Rhetorics of Science, Technology, and Culture; and Teaching. The teaching emphasis may also be taken as a comprehensive major, which does not need a second program. The English Department offers minors in the following four emphases: Creative Writing; Critical Studies in Literatures, Cultures, and Film; Rhetorics of Science, Technology, and Culture; and Teaching. In lieu of a minor in English Linguistics, the English Department administers the interdisciplinary Language Studies minor (described under the College of Arts and Sciences’ Interdisciplinary minors). Each major/minor in English offers students a framework of core English courses and a focused concentration of courses in the emphasis.

All English majors take three core courses, designed to provide a strong foundation in English studies:

- Engl 210 Introduction to Texts
- Engl 221 Introductory English Linguistics
- Engl 284 Introduction to Theory & Criticism

Engl 210, Introduction to Texts, provides students with an understanding of textuality and how texts function within historicized cultural contexts. All English minors take Engl 210 as their one core English course. Engl 221, Introductory English Linguistics, introduces students to the scientific study of language, including linguistic structure, the history of the English language, and language acquisition. Engl 284, Introduction to Theory and Criticism, provides a broadly conceived understanding of theory and criticism, and introduces students to the practice of self-reflectively theorizing and critiquing within the field of English. These core courses provide students with a strong basis for their work in the discipline.
Our English majors/minors are designed to give students focused study in a particular area or emphasis. Students deepen their study of English through intermediate and advanced coursework in their specific emphasis and have many opportunities to integrate their previous learning by producing major research or creative projects. Students in English develop strong analytical skills, critical thinking abilities, oral and written communication skills, and a depth of knowledge about language, literature, and culture, all of which will serve them well in their careers or graduate work. Finally, the English Department prides itself on its accomplished faculty, rigorous curriculum, and welcoming community.

INFORMATION FOR ENGLISH MAJORS AND MINORS

- British Literature / Culture before 1790
  Engl 252, 257, 351, 352, 357, 452
- British Literature / Culture after 1790
  Engl 259, 359, 362, 459
- American Literature / Culture before 1865
  Engl 243, 340, 440
- American Literature / Culture after 1865
  Engl 244, 245, 348, 448
- World / Post-Colonial Literature / Culture
  Engl 130, 230, 330, 430; Engl / Wmns 332
- American Ethnic Literature / Culture
  Engl 268, 368, 468; Engl / AIS 142, 242, 345, 346
- Women’s Literature / Culture
  Engl 496; Engl / Wmns 296, 396
- Additional Courses in Literature / Culture
  Engl 150, 272, 273, 274, 275, 276, 277, 372, 392
- Creative Writing
  Engl 220, 310, 311, 410, 411, 412, 413
- Linguistics
  Engl 212, 211, 231, 321, 421
- Rhetorics of Science, Technology, and Culture
  Engl 212, 305, 307, 308, 312, 313, 314, 315, 365, 357, 358, Phil 230, 322
- Theory and Film
  (courses can fulfill literature / culture requirements)
  Engl 181, 281, 284, 381, 384, 481, 484

MAJOR: ENGLISH, Liberal Arts, Linguistics (Code 540-205)
Core (11 credits)
Engl 210
Engl 221
Engl 284

Emphasis Requirements
Six linguistics courses (minimum 17 credits)
- Required (at least one iteration of each of these three courses):
  Engl 321
  Engl 325
  Engl 421
- Elective options: Additional iterations of Engl 321, 421 with a different topic; Engl 225, 420; Anth 315; CSD 257, 262, 311; Flg 365, 378; Phil 230, 322

Literature / Culture Requirements
Three literature / culture courses (nine credits), including at least:
- One course from Engl 243, 252, 257, 276, 340, 351, 352, or 357
- One literature / culture course at the 300- or 400-level

NOTE: No more than six credits from the 100- or 200-level, with no more than three credits from Engl 230, 130, 142, 150, or 181.

MAJOR: ENGLISH, Liberal Arts, Critical Studies in Literatures, Cultures, and Film (Code 540-212)
Core (11 credits)
Engl 210
Engl 221
Engl 284

Literature / Culture Requirements (27 credits)
- One British literature / culture course before 1790
- One British literature / culture course after 1790
- One American literature / culture course before 1865
- One American literature / culture course after 1865
- One World / Post-Colonial literature / culture course
- One American Ethnic literature / culture course
- One Women’s literature / culture course
- Six to nine additional English credits

NOTE 1: No single course can be used in two categories except Women’s literature.
NOTE 2: No more than six credits from the 100- or 200-level, with no more than three credits from Engl 121, 130, 142, 150, or 181; no fewer than nine credits may be taken at the 400 level.

MAJOR: ENGLISH, Liberal Arts, Creative Writing (Code 540-204)
Core (11 credits)
Engl 210
Engl 221
Engl 284

Emphasis Requirements (15 credits)
Engl 220 (with a grade of B or above)
Engl 310 and 311
Six credits from two of the following courses: Engl 410, 411, 412, 413, or Thea 414

Literature / Culture Requirements (12 credits)
Six credits from Engl 245, 273, 274, 275, or 276
Three credits of literature / culture at the 300- or 400-level
Three credits of literature / culture at the 400-level

MAJOR: ENGLISH, Liberal Arts, Rhetorics of Science, Technology, and Culture (Code 540-211)
Core (11 credits)
Engl 210
Engl 221
Engl 284

Emphasis Requirements
- Engl 212
- Engl 455
- Twelve credits from Engl 307, 312, 313, 314, 315, 409, 415, 498, or three credits outside the department with adviser approval

Literature / Culture Requirements
- Nine credits of literature / culture (no more than six credits from the 100- or 200-level, with no more than three credits from Engl 130, 142, 150, or 181; and no fewer than three credits from the 300- or 400-level)

MAJOR: ENGLISH, Teaching (Code 540-210)
Core (11 credits)
Engl 210
Engl 221
Engl 284

Emphasis Requirements
- Lmed 306
- Engl 257 or 357
- Engl 319
- Engl 419

Literature / Culture Requirements
15 credits of English courses:
- Minimum of nine credits from the following categories, but no more than two courses from any one category: British Literature / Culture, American Literature / Culture, World / Post-Colonial literature / Culture, American Ethnic literature / culture, or Women’s Literature / culture
- Maximum of six credits from the following options and no more than one course from any categorical area: Engl 397, Creative Writing, Rhetorics of Science, Technology, and Culture, Linguistics, or Theory and Film courses
ENGLISH

- No more than six credits from the 100- or 200-level, with no more than three credits from Engl 121, 130, 142, 150, or 181.
- At least three credits at the 400-level

The Standard English Teaching major is restricted to students in the College of Education and Human Sciences: Education Studies: EA-A (Option B) and leads to licensure to teach English in Early Adolescence through Adolescence classrooms. See Education Studies departmental pages for specific information on requirements for admission to the College of Education and Human Sciences and the Professional Semester. See your adviser or the English Teaching advising guide for specific information regarding English Department requirements for admission to the College of Education and Human Sciences and the Professional Semester.

COMPREHENSIVE MAJOR: ENGLISH, Teaching (Code 540-006)

Core (11 credits)
  Engl 210
  Engl 221
  Engl 284

Emphasis Requirements
- Lmed 306
- Engl 257 or 357
- Engl 319
- Engl 419

Literature/Culture Requirements
27 credits of English courses:
- Minimum of 15 credits from the following categories but no more than two courses from any one category: British Literature/Culture, American Literature/Culture, World/Post-Colonial Literature/Culture, American Ethnic Literature/Culture, or Women’s Literature/Culture
- Maximum of 12 credits from the following options and no more than one course from any categorial area: Engl 397, Creative Writing, Rhetorics of Science, Technology, and Culture, Linguistics, or Theory and Film courses
- No more than six credits from the 100- or 200-level, with no more than three credits from Engl 121, 130, 142, 150, or 181.
- At least three credits at the 400-level

Related Discipline Courses
- CJ 201 or 202 or 205 (3 crs)
- Electives: six credits from: 200- or 300-level GE-III or IV courses; or ES 405; CJ 105, 222, 241, 307; CSD 150, 257, 311; Flg 378

NOTE: No more than six credits of electives may be taken, and Psych 261 cannot apply as a GE-III elective.

The Comprehensive English Teaching major is restricted to students in the College of Education and Human Sciences: Education Studies: EA-A (Option B) and leads to licensure to teach English in Early Adolescence through Adolescence classrooms. See Education Studies departmental pages for specific information on requirements for admission to the College of Education and Human Sciences and the Professional Semester. See adviser for specific information regarding English Department requirements for admission to the College of Education and Human Sciences and the Professional Semester.

MINOR: ENGLISH, Liberal Arts, Creative Writing (Code 540-412)
Twenty-six semester credits, including:
- Engl 210
- Six credits from Eng 245, 273, 274, 275, or 276
- Three credits of literature/culture at the 300-level
- Engl 220, 310, and 311
- Three credits from Eng 410, 411, 412, 413, or Thea 414

MINOR: ENGLISH, Liberal Arts, Rhetorics of Science, Technology, and Culture (Code 540-414)
Twenty-six semester credits, including:
- Engl 210
- Six credits of literature/culture (no more than three credits at the 100- or 200-level, and no fewer than three credits at the 300-level)
- Eng 212
- Nine credits from Eng 307, 312, 313, 314, 315, 409, 415, 498, or three credits outside the department with adviser approval
- Eng 455

MINOR: ENGLISH, Teaching, Early Adolescence/Adolescence (Code 540-408)
Twenty-six semester credits, including:
- Engl 210
- Engl 257 or 357
- Engl 319
- Engl 419
- Lmed 306
- Nine credits of literature/culture with no more than three at the 200-level

The English Teaching minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach English in Early Adolescence through Adolescence classrooms.

Honor Societies and Student Organizations
We believe that getting involved with student organizations/activities enhances students’ college experience and gives them valuable career-enhancing and life-enriching skills. Contact the Director of Undergraduate Studies in English for information about these opportunities.

- English Festival—organize events and activities of interest to English majors, minors, and faculty.
- English Ambassadors—promote the department at recruitment events, mentor English majors/minors, and advise the department on student concerns.
- NOTA (None of the Above)—contribute to the creation of the campus’ literary and arts publication and host events promoting the literary and creative arts.
- Sigma Tau Delta/Theta Zeta Chapter—English honor society committed to fostering relationships between students and faculty and inspiring students to promote their love of English to the campus and local community through service projects and activities.
- Center for Writing Excellence Writing Assistants & Writing Fellows—tutor in the CWE or assist professors in writing-intensive courses.
- Student Mentors/Teaching Apprentices—mentor or apprentice in an English course.
- Writing Internships—build your writing and professional skills by working for community agencies or businesses in the Chippewa Valley.

DEPARTMENTAL HONORS PROGRAM IN ENGLISH
Eligibility: (1) Upper-class majors (60 credits or more) in any English emphasis with resident, total, and English GPAs of 3.50 or higher; (2) transfer students with junior status who enter with a GPA of 3.50 or higher.
ENGL 100 Academic Reading and Writing for Bi-Cultural Students  
3 crs. • V • Department Consent Required  
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0  
Experience in academic reading and writing, concentration on processes and skills needed for success in university work; development of short academic essays; emphasis on patterns of American English (organization, sentence structure, grammar, vocabulary).

ENGL 121 Busting Language Myths  
3 crs. • V • GE-IA  
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0  
Explore the underworld of English language studies, the part your high school teachers never told you about. Investigate and dispel several common myths about language using insightful readings, critical reflection, and linguistic research methods.

ENGL 130 Introduction to World/Postcolonial Literature  
3 crs. • V • FC; GE-JVD  
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0  
Introduction to Eastern and Western literary classics from ancient and/or modern times (excluding British and American), with emphasis on cultural significance. Attention may also be given to origin and development of literary forms, modes, techniques, and conventions.

ENGL 140 Critical Reading  
3 crs. • F • GE-IA • Department Consent Required  
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0  
Development of the skills, strategies, attitudes, and habits associated with critical reading that are required for college success. Focus on comprehension, analysis, and reasoned judgment in individual and group environments.

ENGL/AIS 142 Introduction to American Indian Literatures  
3 crs. • F; Sp • CD3; GE-JVD • P: Not available for juniors or seniors.  
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0  
A study of the literatures by and about American Indians, with special attention to the cultural background.
ENGL 245 American Literature Since 1945  
3 crs. • E Sp • CD1; GE-IVD  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Prerequisites: students must have taken ENGL 100 or ENGL 101 and ENGL 102.  
Analysis of contemporary literature, focusing on how writers use language to explore social, political, religious, and economic issues.  

ENGL 252 Perspectives on Pre-1790 British Literature  
3 crs. • V • GE-IVD • May be repeated for a maximum of 6 credits  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Examination of British literature from pre-1790, focusing on the literary, social, and historical contexts in which it was produced, and on the ways in which it continues to influence and challenge contemporary society.  

ENGL 257 Representative Shakespeare  
3 crs. • E Sp • GE-IVD  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
An examination of selected plays and sonnets of Shakespeare, emphasizing the development of his style and themes over the course of his career.  

ENGL 259 Perspectives on British Literature After 1790  
3 crs. • V • GE-IVD • May be repeated for a maximum of 6 credits  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
This course investigates a specific topic or group of British authors situated across a major shift of at least two literary periods (e.g., Romanticism to Victorianism) ranging from 1790 to the present.  

ENGL 266 Survey of American Ethnic Literature  
3 crs. • V • CD1; GE-IVD • May be repeated for a maximum of 6 credits  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Focuses on literary techniques/forms that represent experiences of at least one particular American ethnic group. Analyzes relationships between an ethnic culture and the dominant culture, emphasizing the intersection in literature of ethnic/dominant traditions, histories, cultural values.  

ENGL 272 Perspectives in Popular Texts  
3 crs. • V • GE-IVD • May be repeated for a maximum of 9 credits  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Perspectives on a theme, issue, topic, genre, major author, or movement in mass culture as presented in popular texts.  

ENGL/CJ 273 The Literature of Fact  
3 crs. • V  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Prerequisites: students must have taken ENGL 100 or ENGL 101 and ENGL 102.  
A study of the history and development of non-fiction writing, with a focus on the role of the writer in shaping public opinion.  

ENGL 274 The Short Story  
3 crs. • E Sp • GE-IVD  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Analysis and discussion of ideas and literary techniques found in the short story with attention to such writers as Chekhov, Dinesen, Borges, Welty.  

ENGL 275 The Novel  
3 crs. • V • GE-IVD  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Analysis and discussion of ideas and literary techniques found in the novel with attention to such writers as Austen, Hawthorne, Twain, Joyce, Dostoevsky, Woolf, Heller.  

ENGL 276 Poetry  
3 crs. • E Sp • GE-IVD  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Analysis and discussion of ideas and literary techniques found in poetry with attention to such writers as Shakespeare, Frost, Yeats, Dickinson, Whitman, Rich, Plath, Heaney.  

ENGL 277 Drama  
3 crs. • V • GE-IVD  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Analysis and discussion of ideas, literary techniques, and conventions found in drama. Selections will normally range from classical to contemporary and include examples from diverse cultures.  

ENGL 281 Critical Perspectives on Film  
3-4 crs. • V • GE-IVD • A-F Grades Only  
• Three (3) credit offerings will meet in class for four hours per week; four (4) credit offerings will meet in class for five hours per week. Additional screening time outside of class may be required.  
Introduction to critical perspectives on film, video, and moving image culture. Students will be analyzing films using a variety of critical methods.  

ENGL 284 Introduction to Theory and Criticism  
3 crs. • E Sp • P: ENGL 210 (formerly 160) or concurrent enrollment.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Introduction to a range of positions concerning what, how, and why we read within English Studies. Students will develop their ability to recognize, explain, and argue for their own positions in relation to these issues.  

ENGL/WMNS 296 Perspectives on Women's Literature  
3 crs. • V • CD1; GE-IVD • May be repeated for a maximum of 6 credits  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Credit may not be earned in both ENGL 296 and WMNS 296 unless topics differ. See current Class Schedule for specific theme or topic.  
Analyze representative texts by women. Attention given to historical and critical/theoretical questions relevant to understanding women’s achievements in such areas as writing for literary fame, artistic creation, religious expression, political resistance, and economic survival.  

ENGL 302/502 Teaching Writing in the Elementary and Middle School  
3 crs. • Sp • P: Limited to elementary education, middle/early adolescence majors. Completion of University Writing Requirement.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Writing intensive course focused on writing theory and pedagogy in the elementary and middle school. Students will develop their writing skills as well as learn to support writing development of children in a writing workshop.  

ENGL 305/505 Communicating Scientific Subjects to General Audiences  
3 crs. • V • GE-IA • No S/U Grade Option • P: Completion of University Writing Requirement. Minimum junior standing.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Principles and strategies for communicating scientific subjects to non-expert readers. Students explore science’s persuasive, ethical role in society, and produce documents that reflect an understanding of the benefits of a scientifically knowledgeable public.  

ENGL 307/507 Editing and Publications Management  
3 crs. • Sp • P: ENGL 305 or 308 or concurrent enrollment, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Copyediting and substantive editing of text and art. Addresses use of style guides and stylesheets, editor/author rapport, document design, indexing, and the publication process. Flexible strategies that consider conventions, cognition, and rhetorical situation.  

ENGL 308/508 Scientific Communication for Expert Audiences  
3 crs. • V • GE-IA • P: Completion of University Writing Requirement. Minimum junior standing. • Instructor Consent Required  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Introduces principles and strategies for communicating scientific material to expert audiences. Discusses ways that scientific texts and visuals support scientific reasoning and scientific discovery. Considers the ethics and social responsibility of scientists.  

ENGL 310 Intermediate Poetry Writing  
3 crs. • F, Sp • GE-IA • P: Grade of B or above in ENGL 220, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
The study, creation, and evaluation of poetry for the intermediate writing student.  

ENGL 311 Intermediate Fiction/Nonfiction Writing  
3 crs. • F, Sp • GE-IA • P: Grade of B or above in ENGL 220, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
The study, creation, and evaluation of fiction and nonfiction for the intermediate writing student.  

ENGL 312/512 Topics in Rhetoric and Science  
3 crs. • V • GE-IA • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Completion of University Writing Requirement.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Develop students’ abilities to respond to rhetorical situations informed by scientific evidence and create documents that respond effectively to these situations.  

ENGL 313/513 Topics in Rhetoric and Technology  
3 crs. • V • GE-IA • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Completion of University Writing Requirement.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Theoretical perspectives on computers and writing, documentation and interfaces, and the impact of computers and technology on writing and language.
ENGL 314/514 Topics in Rhetoric and Culture
3 crs. • V • GE-IA • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Completion of University Writing Requirement.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 315/515 Visual Rhetorics of Science, Technology, and Culture
3 crs. • V • GE-IA • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Completion of University Writing Requirement.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 321/521 Topics in the Structure of English
3 crs. • F • GE-IA • May be repeated for a maximum of 9 credits • P: ENGL 221 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 325/525 Topics in Language in Society
3 crs. • Sp • GE-IA • May be repeated for a maximum of 9 credits • P: ENGL 221 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 330 Topics in World/Postcolonial Literature
3 crs. • V • FC, GE-IVD • May be repeated for a maximum of 6 credits • P: ENGL 210 or three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 340 Topics in American Literature to 1865
3 crs. • F • GE-IVD • May be repeated for a maximum of 9 credits • P: ENGL 210 or three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL/AIS 345 American Indian Autobiography
3 crs. • V • CD3, GE-IVD • P: Three credits of English Literature (GE-IVD) or one of the following: AIS 101, 102, 111, 112, 480, AIS/HIST 240, AIS/POLS 250, AIS/ARTH 324, AIS/ANTH 325, AIS/HIST 368, AIS/HIST 369 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL/AIS 346 Major Works in American Indian Literature
3 crs. • V • CD3, GE-IVD • P: Three credits of English Literature (GE-IVD) or one of the following: AIS 101, 102, 111, 112, 480, AIS/HIST 240, AIS/POLS 250, AIS/ARTH 324, AIS/ANTH 325, AIS/HIST 368, AIS/HIST 369 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 348 Topics in American Literature: 1865 - Present
3 crs. • V • GE-IVD • May be repeated for a maximum of 9 credits • P: ENGL 210 or three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 351 Chaucer and His Age
3 crs. • V • GE-IVD • P: ENGL 125 or 221 or CSD 262 or foreign language competency at the 102 level, and either ENGL 210 or three credits of literature with either ENGL or FLTR prefix.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 352 Topics in British Literature Before 1790
3 crs. • V • GE-IVD • May be repeated for a maximum of 9 credits • P: ENGL 210 or three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 355 Topics in Scientific and Technical Writing
3 crs. • V • GE-IVD • May be repeated for a maximum of 6 credits • P: Grade of B or above in WRIT 114, 116, 118, or 120, or equivalent.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 357 Shakespearean Topics
3 crs. • V • GE-IVD • May be repeated for a maximum of 6 credits • P: Three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 359 Topics in British Literature After 1790
3 crs. • V • GE-IVD • May be repeated for a maximum of 9 credits • P: ENGL 210 or three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 362 Studies in Transatlantic Romanticism
3 crs. • V • GE-IVD • May be repeated for a maximum of 6 credits
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 368 Topics in American Ethnic Literature
3 crs. • V • CD3, GE-IVD • May be repeated for a maximum of 9 credits • P: ENGL 210 or three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 372 Topics in Popular Culture
3 crs. • V • GE-IVD • May be repeated for a maximum of 9 credits • P: ENGL 210 or three credits of literature at the 100 or 200 level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 375 Studies in Rhetorical Action of Cultural Groups
3 crs. • V • GE-IVD • May be repeated for a maximum of 6 credits • P: Three credits of literature at the 100- or 200-level.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ENGL 381 Critical Studies in Film and Culture
3-4 crs. • V • May be repeated for a maximum of 8 credits • Meets 5 hours per week in classroom. Additional screening time outside of class required for 4 credit offerings. See current Class Schedule for specific theme or topic.
Critical exploration of topics in film and culture. Variable focus and credits by offering. Recommended for English majors/minors and others with significant interest in film, video, and moving-image culture or in cinema and media history.
ENGLISH

ENGL 384 Studies in Theory and Criticism
3 crs. • V • May be repeated for a maximum of 9 credits • P: ENGL 284
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Study and analysis of selected theory and/or criticism. Specific offerings under this course title will vary, focusing on author, theme, period, genre.

ENGL 391/591 Travel Seminar
1-3 crs. • V • Course offered only when sufficient enrollment has been recruited, may be offered in cooperation with UW-Extension. May be used in English major or minor programs. See current Class Schedule for specific theme or topic.
Study in the region associated with a writer or writers, e.g., Thomas Hardy’s Wessex, The Lake Country of Wordsworth and Coleridge, Thoreau’s Walden, Faulkner’s Yoknapatawpha County. Emphasizes visits to libraries, museums, cities, countryside, and special sites associated with the literature.

ENGL 392 Major Themes in Literature
1-3 crs. • V • GE-IVD • May be repeated for a maximum of 9 credits
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
The study of fiction, poetry, drama, nonfiction, and film as it illustrates a specific major theme in literature, such as “Love in Western Literature.”

ENGL 394 Academic Apprenticeship in English
1-3 crs. • V • SP • SL-Variable • May be repeated for a maximum of 4 credits • S/U Only Grade Basis • P: Completion of University Writing Requirement
• Department Consent Required
Qualified students, supervised by English faculty, facilitate teaching and learning in a specific course. Students will enhance their knowledge of the discipline and their ability to communicate this understanding to their peers.

ENGL 395/595 Directed Studies
1-3 crs. • F, S • May be repeated • Department Consent Required
Study of a problem or special area in language or literature.

ENGL/WMNS 396 Studies in Women’s Literature
3 crs. • V • GE-IVD • May be repeated for a maximum of 9 credits
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ENGL 396 and WMNS 396 unless topics differ. See current Class Schedule for specific theme or topic.
Study of a particular problem, genre, or literary period within that literature written by or about women, such as “Our Literary Foremothers” or “Jane Eyre’s Literary Daughters.”

ENGL 397/597 Writing Center Theory & Practice
3 crs. • F • SL-Full • May be repeated for a maximum of 4 credits • P: Grade of B or above in WRIT 114, 116, 118, 120, or equivalent. Minimum sophomore standing. • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
Introduction to Writing Center Theory and its application to tutoring college writing in a variety of disciplines. Students tutor three to five hours per week in the University Writing Center. This course is open to non-majors.

ENGL 398 English Language Arts Festival Practicum
1-2 crs. • F, S • SP • SL-Optional • May be repeated for a maximum of 6 credits • S/U Only Grade Basis • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course gives students a structured, faculty-supervised opportunity to conceptualize, organize, and participate significantly in the annual university-wide English Language Arts Festival.

ENGL 399 Independent Study - Juniors
1-3 crs. • F, S • May be repeated • P: Minimum junior standing. • Department Consent Required

ENGL 409/609 Grant Proposal Writing
3 crs. • F each even year • P: Completion of University Writing Requirement.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students will gain knowledge of various grant proposal forms (government, corporate, foundation), with emphasis on conceptualizing, developing, and writing proposals for real clients. Each student will complete an individual and a collaborative proposal.

ENGL 410/610 Creative Writing Workshop - Poetry
3 crs. • F • May be repeated for a maximum of 6 credits • P: ENGL 210, ENGL 310 and six credits from ENGL 245, 273, 274, 275, or 276; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• May be repeated only with permission of the department.
Special emphasis on class discussion and personal conferences for advanced writers of poetry.

ENGL 411/611 Creative Writing Workshop - Fiction
3 crs. • F, Sp • May be repeated for a maximum of 6 credits • P: ENGL 210, ENGL 311, and six credits from ENGL 245, 273, 274, 275, or 276; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• May be repeated only with permission of the department.
Special emphasis on class discussion and personal conferences for advanced writers of fiction.

ENGL 412/612 Seminar in Nonfiction Writing
3 crs. • Sp • May be repeated for a maximum of 6 credits • P: ENGL 210, ENGL 311, and six credits from ENGL 245, 273, 274, 275, 276; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Writing and reading nonfiction, with an emphasis on producing an essay of publishable quality for a general, literate audience.

ENGL 413/613 Prose Writing Workshop-Topics
3 crs. • V • May be repeated for a maximum of 6 credits • P: ENGL 210; six credits from ENGL 245, 273, 274, 275, or 276; and ENGL 311; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Reading and writing in one or more prose genres. Topics may include: writing for children, historical fiction, mystery, young adult.

ENGL 415/615 Seminar in Science and Nature Writing
3 crs. • V • GE-IVD • ENGL 210; six credits of literature; and either ENGL 305, 310, or 311; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Explores literary science and nature writing; students create and workshop their own short essays, with an emphasis on producing a longer publishable piece on science, medicine, or natural history.

ENGL 419 Seminar in English Education Methods
3 crs. • F, Sp • SP • ENGL 319. Limited to English teaching majors and minors admitted to the College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Seminar focused on constructivist theories of literacy teaching and the application of those theories in middle and high school classrooms.

ENGL 420 Stylistics for Writers
3 crs. • V • GE-IVD • One course from ENGL 201, 211, 301 (or 310 or 311), 305, 402, or CI 222, or 235 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study and use of the stylistic potential of language; includes readings, analysis, and practical application in stylistic imitation, variation, and parody.

ENGL 421/621 Seminar in Linguistic Research
3 crs. • SP odd years • May be repeated for a maximum of 6 credits • P: ENGL 221 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Theory and practice of linguistic research, on a general theme designated by the instructor. Students design and carry out research projects, choosing language problems and research methodology suggested by the theme.

ENGL 430/630 Seminar in World/Postcolonial Literature
3 crs. • V • GE-FI • FC • May be repeated for a maximum of 9 credits • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
In-depth study of specialized topics in world/postcolonial literature such as Postcolonial Feminism or Magic Realism in the Latin American Novel.

ENGL 440/640 Seminar in American Literature Before 1865
3 crs. • V • May be repeated for a maximum of 9 credits • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Advanced study of specialized topics in American literature before 1865, including theoretical (e.g., Racial Pseudoscience in the American Novel), generic (e.g., The Antebellum Romance), and special themes (e.g., The Transcendentalists and Social Reform).

ENGL 448/648 Seminar in American Literature Since 1865
3 crs. • V • May be repeated for a maximum of 9 credits • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Advanced study of selected topics in American literature since 1865, including genres or subgenres, theoretical perspectives, ethnic emphases, special themes, and paired or individual authors.
ENGL 452/652 Seminar in Early British Literature
3 crs. • V • May be repeated for a maximum of 6 credits • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
In-depth exploration of selected topics in British literature before 1790, including theoretical (e.g., Feminism and Medieval Literature), generic (e.g., Medieval Drama, Early Modern Poetry, Romance), and special themes (e.g., Death in Early British Literature).

ENGL 455/655 Seminar in Rhetorics of Science, Technology, and Culture
3 crs. • Sp • P: ENGL 210 and at least six credits from the following: ENGL 305, 307, 308, 312, 313, 314, 315, 355, 409, 415, 496; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Course provides capstone experience in theory and praxis of rhetorics in science, technology, and/or culture. Content of individual course iterations will vary depending on instructor expertise/interests, but will balance rhetorical analysis with textual production.

ENGL 459/659 Seminar in British Literature After 1790
3 crs. • V • May be repeated for a maximum of 9 credits • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Advanced study of specialized topics in British literature after 1790, including theoretical (e.g., intersection of Feminism and British Modernism), generic (e.g., Romantic Poetry, Modern Drama, Postmodern Novel), special themes (e.g., Booker Novels), and author studies (e.g., Dickens and Collins).

ENGL 468/668 Seminar in American Ethnic Literature
3 crs. • V • CDS • May be repeated for a maximum of 9 credits • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Advanced study of topics and texts authored by American Ethnic writers. Topics may include theoretical, political, aesthetic, and cultural issues reflecting the historical and cultural forces that have shaped the literary production of authors from a particular American ethnic tradition.

ENGL 480 English Capstone
1-3 crs. • V • CP • P: Completion of 29 credits (including ENGL 210, 221, 284, and a 400-level seminar) toward the English major. For those electing the one-credit option, an ENGL 400-level seminar must be taken concurrently. • Department Consent Required.
Students elect either a one-credit Capstone course coincident with a 400-level seminar, completing a combined "senior thesis" project; or a three-credit Capstone course, completing the senior project independent of any specific seminar.

ENGL 481/681 Seminar in Film, Video, and Moving-Image Culture
3-4 crs. • V • May be repeated for a maximum of 8 credits • A-F Grades Only • P: ENGL 210, 221, 284 and a minimum of six credits of literature at the 200 level or above, or consent of instructor.
Meets 5 hours per week in classroom. Four credit offerings require additional screening time outside of class.
Advanced explorations in film, video, and moving-image culture studies. Variable focus and credits by offering. Seminar topics will often include significant engagement with work in various forms of critical theory.

ENGL 484/684 Seminar in Critical Theory
3 crs. • V • May be repeated for a maximum of 6 credits • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic. Others may enroll with the instructor's permission.
In-depth exploration of topics in Critical Theory, including schools (e.g., Feminist Theory), periods (e.g., 20th Century Theory), figures (e.g., Foucauldian Theory), and special themes (e.g., Theorizing Music).

ENGL 496/696 Seminar in Women's Literature
3 crs. • V • May be repeated for a maximum of 6 credits • No S/U Grade Option • P: ENGL 210, 221, 284; and six credits of literature.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific theme or topic.
Advanced study of specialized topics in literature authored by women—e.g., theory (Womanist Writings and Readings), period (Women's WWI Fiction), genre (Feminism in Science Fiction), or theme (Woman's Work: Gender and Class Before 1790).

ENGL 497 Honors Independent Study
1-3 crs. • V • May be repeated for a maximum of 3 credits • A-F Grades Only • P: ENGL 210, 221, 284. At least six credits of English coursework at the 400-level. Minimum senior standing. Minimum resident and total GPA of 3.50. Limited to English majors. • Department Consent Required
• Must be admitted and in good standing in the English Department Honors Program with an English GPA of 3.50 or higher.
Intensive study of a topic resulting in an honors quality scholarly, creative, or other type of project appropriate to English majors fulfilling the English Departmental Honors option.

ENGL 498 Internship in Writing
1-3 crs. • F • Sp • SL-Full; IN • May be repeated for a maximum of 6 credits • P: Open to English majors and minors only. • Instructor Consent Required
• Five hours of work experience per week per credit.
Experience in a professional organization working as a technical writer, editor, etc. Work will build on and relate to writing skills developed in other courses in writing.

ENGL 499 Independent Study - Seniors
1-3 crs. • F, Sp • May be repeated • P: Minimum senior standing. • Department Consent Required

WRIT

WRIT 99 Introduction to Critical Reading and Writing
3 crs. • F • A-F Grades Only • P: Concurrent enrollment with GEN 100. No credit if taken after ENGL 99; • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to college-level reading and writing skills to prepare students for the Blugold Seminar in Critical Reading and Writing. Course does not fulfill the University Writing Requirement. Writing Center appointments may be required.

WRIT 114 Intensive Blugold Seminar in Critical Reading and Writing
5 crs. • F, Sp • A-F Grades Only • P: Successful score on English Placement Test (UWENGL) or acceptable ESL placement/assessment exam; or suitable score on University Writing Program Portfolio. No credit if taken after ENGL 110 or ENGL 112. Credit can be earned in only one of WRIT 114, WRIT 116, WRIT 118, or WRIT 120.
Lecture/Discussion Hours: 5 | Lab/Studio Hours: 0
Development of college-level reading, writing, and research skills within a section-specific theme. Emphasis on rhetorical knowledge, information literacy, digital literacy, and writing craft. Course fulfills University Writing Requirement. Writing Center appointments may be required.

WRIT 116 Blugold Seminar in Critical Reading and Writing
5 crs. • F, Sp • A-F Grades Only • P: Suitable score on English Placement Test (UWENGL) or acceptable ESL placement/assessment exam; or suitable score on Advanced Placement English exam; or acceptable score on University Writing Program Portfolio; or current University Honors student. No credit if taken after ENGL 110 or ENGL 112. Credit can be earned in only one of WRIT 114, 116, 118, or 120.
Lecture/Discussion Hours: 5 | Lab/Studio Hours: 0
Development of college-level reading, writing, and research skills within a section-specific theme. Emphasis on rhetorical knowledge, information literacy, digital literacy, and writing craft. Course fulfills University Writing Requirement.

WRIT 118 Accelerated Blugold Seminar in Critical Reading and Writing
2 crs. • F, Wi, Sp, Su • A-F Grades Only • P: Suitable score on English Placement Test (UWENGL) or acceptable ESL placement/assessment exam; or suitable score on Advanced Placement English exam; or acceptable score on University Writing Program Portfolio; or current University Honors student. No credit if taken after ENGL 110 or ENGL 112. Credit can be earned in only one of WRIT 114, 116, 118, or 120.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Development of college-level reading, writing, and research skills within a section-specific theme. Emphasis on rhetorical knowledge, information literacy, digital literacy, and writing craft. Course fulfills University Writing Requirement.

WRIT 120 Blugold Seminar in Critical Reading and Writing for Transfer Students
2 crs. • F, Wi, Sp, Su • A-F Grades Only • P: Approved partial composition credit with a grade of C or above from another college or university. No credit if taken after ENGL 110 or ENGL 112. Credit can be earned in only one of WRIT 114, 116, 118, or 120.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Development of college-level reading, writing, and research skills within a section-specific theme. Emphasis on rhetorical knowledge, information literacy, digital literacy, and writing craft. Course fulfills University Writing Requirement.

Internship Coordinator: Christina Hupy, hupycm@uwec.edu

Geographers describe and explain the patterns and processes of natural environmental systems and the human habitation of the earth. They emphasize the importance of the location of people, places, and events; the physical and human characteristics of regions; and the relations between culture and environment.

With training in both the natural and social sciences, geographers have a wide range of career opportunities in public and private sectors. Geographers find work in urban and regional planning, marketing, real estate, tourism, transportation, teaching, environmental analysis, and natural resource management. Geographers are increasingly in demand for jobs that require expertise in geospatial techniques, such as geographic information systems (GIS), global positioning systems (GPS), remote sensing, and computer cartography.

The discipline of anthropology adopts an integrative, comprehensive approach to the study of humankind. Anthropologists seek to understand human conditions by examining the biological evolution of human beings, the human capacity to create culture, and the diverse ways of life developed by societies around the world.

COMPREHENSIVE MAJOR: GEOGRAPHY, Liberal Arts
A minimum of 60 semester credits, including completion of Geog 104, 111, 178, 200, 335, 370, and 401, and five additional courses to be selected from three of the five Advanced Geography Approaches. One of the additional courses must be Geog 368 - note that the Advanced Geography Approach to which it applies may vary by semester (see Chart).

Select from two comprehensive geography emphases: Environmental Geography or International Geography.

Environmental Geography (Code 140-007)
Geography major coursework plus 12 credits from environmental courses from other disciplines (selected with consent of adviser); Geography electives to complete 60 credits; at least one elective must be an upper level Physical Geography course and one elective must be an upper level Human-Environmental Geography course.

International Geography (Code 140-008)
Geography major coursework plus 12 credits from international courses from other disciplines (selected with consent of adviser); two semesters of foreign language by credit or examination, or six credits earned during an approved study abroad; Geography electives to complete 60 credits; at least one elective must be an upper level international Regional Geography or regional anthropology course.

MAJOR: GEOGRAPHY, Liberal Arts (Code 140-214)
A minimum of 36 semester credits consisting of required courses (Geog 104, 111, 178, 200, 335, 370, and 401) and five additional courses to be selected with consent of adviser from three of the five Advanced Geography Approaches. One of the additional courses must be Geog 368 - note that the Advanced Geography Approach to which it applies may vary by semester (see Chart).

MINOR: GEOGRAPHY, Liberal Arts (Code 140-410)
A minimum of 24 semester credits consisting of required courses (Geog 104, 111, 178, and 200) and four courses to be selected with consent of adviser from three of the five Advanced Geography Approaches (see Chart).

MINOR: GEOGRAPHY, Teaching (Code 140-413)
A minimum of 24 semester credits consisting of required courses (Geog 104, 111, 178, 200), and four courses to be selected with consent of adviser from three of the five Advanced Geography Approaches (see Chart). This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Geography in Early Adolescence through Adolescence classrooms.

FIVE ADVANCED GEOGRAPHY APPROACHES: Two semesters BEFORE graduation, students must meet with their Geography adviser to certify their selection of the courses needed for all Geography majors and minors.

REGIONAL GEOGRAPHY COURSES: Geog 301, 308, 319, 321, 325, 379.

OTHER GEOGRAPHY COURSES (can be applied to any of the five approaches with the consent of the adviser): Geog 351, 368, 395, 399, 491, 498, 499.

CERTIFICATE PROGRAM
The Department of Geography and Anthropology offers a Geospatial Certificate Program with Four Options: Geospatial Certificate, Geospatial Certificate in Geographic Information Systems, Geospatial Certificate in Remote Sensing, and Geospatial Certificate in Mapping. The goals of the Certificate are (1) to provide students with the fundamentals and a working knowledge of the core geospatial technology skills, specifically geographic information systems, remote sensing, field data collection (GPS and surveying) and spatial thinking, (2) to give students the option to specialize by choosing an emphasis in one of three different areas: Geographic Information Systems, Remote Sensing, or Computer Mapping, and (3) to expose students to ethical issues involved with the use of geospatial technology.

While the Certificate is targeted primarily at professionals in the workforce who want to further their education by adding this credential onto their already marketable liberal arts degree from UW-Eau Claire. Students can only receive one of the three specialized certificates due to the potential overlap between the electives. Also,
students cannot pursue the Geography Major and any of the Geospatial Certificates to meet graduation requirements for completing a first and second degree program.

All students will take these four core courses.

**Geospatial Certificate (Code 140-601)** – 12 credits
- Geog 335 Geographic Information Systems I, 3 crs
- Geog 336 Geospatial Field Methods, 3 crs
- Geog 337 Geographic Information Systems II, 3 crs
- Geog 338 Remote Sensing of the Environment, 3 crs

Students who wish to specialize can choose one of the following options.

**Geospatial Certificate in Geographic Information Systems (Code 140-602)** – 18 credits
In addition to the four core courses:
- Geog 435 Geographic Information Systems III, 3 crs
- Electives – choose one of the following:
  - Geog 370 Quantitative Methods in Geography, 3 crs
  - Geog 455 Web Geographic Information Systems, 3 crs

**Geospatial Certificate in Remote Sensing (Code 140-603)** – 18 credits
In addition to the four core courses:
- Geog 438 Advanced Remote Sensing, 3 crs
- Electives – choose one of the following:
  - Geog 435 Geographic Information Systems III, 3 crs
  - Geog 455 Web Geographic Information Systems, 3 crs

**Geospatial Certificate in Mapping (Code 140-604)** – 18 credits
In addition to the four core courses:
- Geog 339 Computer Mapping, 3 crs
- Electives – choose one of the following:
  - Geog 370 Quantitative Methods in Geography, 3 crs
  - Geog 455 Web Geographic Information Systems, 3 crs

For advising, see Professor C. Hupy (Geography and Anthropology).

**MINOR: ANTHROPOLOGY, Liberal Arts (Code 470-401)**
Twenty-four semester credits, including:

**DEPARTMENTAL HONORS IN GEOGRAPHY AND ANTHROPOLOGY**

The Department of Geography and Anthropology encourages and creates opportunities for all of its students to participate in research and creative learning activities with department faculty. Especially motivated and high-achieving students are invited to pursue Departmental Honors in Geography or Anthropology. The Departmental Honors Program enhances students’ undergraduate experience, recognizes outstanding work and achievement, and can open up exceptional educational and professional opportunities.

**Eligibility:**
Must be a declared major or minor, have completed the core introductory courses (Geog 104, 111, 178, and 200 or Anth 161, 165, 169, and an area course), and have resident and major/minor GPAs of at least 3.50.

**Application Procedures:**
Student applicants should submit an electronic application for Departmental Honors in Geography or Anthropology to the Department Chair – through the applicant’s advisor – for approval as soon as interested and eligible, but no later than prior to the start of the student’s final semester before graduation. Department faculty and staff may also identify qualified students and encourage them to apply. The e-form application should elaborate on professional activities, research interests, and aspirations; an unofficial copy of transcripts should be attached. Final approval and recommendation for Departmental Honors will be made following satisfactory completion of all requirements (see below). Please see the Department Chair for more information and application details.

**Requirements:**
1. Conduct research and disseminate results: Satisfactorily complete one substantial faculty-student research collaboration in Geography or Anthropology that results in (a) a presentation at a regional, national, or international professional conference; and (b) an oral presentation to be given to at least three members of the faculty in such forums as departmental capstone presentations, regional conferences, UW-Eau Claire’s annual Provost’s Honors Symposium or professionally comparable venues.
2. Satisfactorily complete Geog 401 Capstone: Honors Section or Anth 499, to include a thesis or substantial paper written under the supervision of a Geography or Anthropology faculty member, or publish collaborative research results (see Requirement #1) in a peer-reviewed journal.
3. Maintain a 3.5 cumulative resident GPA and a 3.5 GPA in Geography or Anthropology courses.
# Geography Curriculum

One year BEFORE graduation, Geography Majors must complete a form to certify their selected courses from the Advanced Geography Approaches. They must complete this form a second time one semester before graduation.

### Geography Techniques

- 280 Cartography
- 335 GIS I
- 336 Geospatial Field Methods
- 337 GIS II
- 338 Remote Sensing
- 339 Computer Mapping
- 370 Quantitative Methods
- 435 GIS III
- 438 Advanced Remote Sensing
- 455 Web GIS

### Regional Geography

- 301 Western Europe
- 308 Russia & Eastern Europe
- 319 Middle East & North Africa
- 321 Latin America
- 325 U.S. & Canada
- 379 Wisconsin

### Professional Geographers

- 401 Capstone Seminar

## Course Requirements

### Geography Major (min. 36 credits)

- **Required courses**: 13 credits
- **Advanced courses**: 5 courses from any 3 of the 5 Advanced Geography Approaches; one course must be GEOG 368
- **Total required credits**: 22 credits
- **Total advanced credits**: min. 14 credits

### Geography Minor (min. 24 credits)

- **Required courses**: 13 credits
- **Advanced courses**: 4 courses from any 3 of the 5 Advanced Geography Approaches
- **Total required credits**: 13 credits
- **Total advanced credits**: min. 11 credits

### Comprehensive Major, Environmental Geography:

- Geography Major coursework plus 12 credits from environmental courses from other disciplines (selected with the consent of the adviser) and Geography electives to complete 60 credits; at least one elective must be from upper-level Physical Geography and one from upper-level Human-Environmental Geography.

### Comprehensive Major, International Geography:

- Geography Major coursework plus 12 credits from international courses from other disciplines (selected with the consent of the adviser); two semesters of foreign language by credit or examination or 6 credits earned during an approved study abroad program; and Geography electives to complete 60 credits; at least one elective must be an upper-level international Regional Geography or regional anthropology course.

### Teaching Geography Minor:

- Required courses for the Geography Minor plus 4 courses from any 3 of the 5 Advanced Geography Approaches with the consent of adviser to complete at least 24 credits.
GEOG

GEOG 104 The Physical Environment
4 crs. • F • GE-HIC; LS; Special Course Fee Required • P: MATH 20, or two years of college-preparatory algebra, or a suitable mathematics placement test score.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Introduction to the spatial relations and interactions among the Earth’s dynamic systems—atmosphere, biosphere, lithosphere, and hydrosphere (weather, climate, landforms, soils, and ecosystems).

GEOG 111 Human Geography
3 crs. • F, Su • FC; CD1; GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The basic elements, processes, distributions, and problems associated with cultural groups: their principal ways of life, interrelationships with the natural environment, and socio-cultural diversity. Topics include: population, race, language, religion, political ideologies, and economic systems.

GEOG 155 Economic Geography
3 crs. • F • GE-HIC; FC; CD2
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Classical location models of production, exchange, consumption, and development with special emphasis on the space economy of the United States.

GEOG 178 Conservation of the Environment
3 crs. • F, Su • GE-HIC • P: No credit if taken after BIOL 180.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Satisfies requirement for Wisconsin teaching licensure in science and social science. The use and abuse of environmental resources and the problems involved in their management and conservation.

GEOG 188 Cultural Landscapes of North America
3 crs. • F, Su • CD2; GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Explores the cultural landscapes of North America, with attention to rural-urban differences, cross-national comparisons, and landscapes of the past, present, and future.

GEOG 200 Foundations of Geography
3 crs. • F • GE-HIC; FC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Basic concepts and philosophies of land use, including techniques and methodology of land use analysis.

GEOG 270 Land Use Issues and Problems
3 crs. • F • Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Elements of cartography. Emphasis on the graphic expression of geographical and statistical data for reproduction on maps.

GEOG 301 Geography of Western Europe
3 crs. • V • FC; GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Europe west of the former Soviet Bloc countries, with emphasis on physical, biotic, and cultural themes which unify the region. Includes the national level of regionalization. Utilizes aspects of history, politics, literature, and physical geography.

GEOG 304 Introduction to Geomorphology
4 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: GEOG 104 or GEOL 106 or GEOL 110 or GEOL 115.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
An introduction to physical processes that affect the Earth’s surface and the landforms that result. The techniques of investigating landforms (field/ laboratory) and the fundamentals of communicating the results will be covered.

GEOG 308 Geography of Russia and Eastern Europe
3 crs. • F • GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of natural and human resources, economic and political organization of Eastern Europe and the former Soviet Union. Special attention to ideological and institutional problems of population growth, nationalities, and regional development.

GEOG 319 Geography of the Middle East and North Africa
3 crs. • F • GE-HIC; Field Trip(s) Required; Special Course Fee Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of the physical, cultural, economic, and political geography of the Middle East and North Africa. Emphasis placed on understanding the region’s people, places, cultures, nature-society relationships, and the roots of conflict.

GEOG/LAS 321/521 Geography of Latin America
3 crs. • F, F • GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both GEOG 321 and LAS 321.
The physical and cultural landscapes of Latin America, including North, Central, and South America and the Caribbean Islands, with attention to the major cultural, economic, social, and political currents of each region.

GEOG/AIS 322/522 Native Geographies
3 crs. • F • GE-HIC; Field Trip(s) Required; Special Course Fee Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both GEOG 322 and AIS 322.
The historical and contemporary relationships of American Indians to place, including land use and environmental issues, indigenous mapping techniques, sacred sites, territorial nationhood, and legal rights to ceded and sovereign lands. The course also provides insight into the unique cultures of indigenous peoples around the world.

GEOG 325 Geography of the United States and Canada
3 crs. • F, F, F, F • GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduces geographic concepts of region, nature-society relationships and spatial organization to compare and contrast Canada, the United States, and places within them. Maps used to explore and understand spatial patterns in the human experience and physical environment.

GEOG 335/535 Geographic Information Systems I
3 crs. • F
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
• GEOG 200 is recommended prior to enrollment in this course. Introduces geographic concepts of region, nature-society relationships and spatial organization to compare and contrast Canada, the United States, and places within them. Maps used to explore and understand spatial patterns in the human experience and physical environment.

GEOG 336/536 Geospatial Field Methods
3 crs. • F • Field Trip(s) Required; Special Course Fee Required. • A-F Grades Only • P: GEOG 335 • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Project-based hands-on learning will teach students field data collection techniques/methods for those interested in a career involving geospatial issues. Traditional and advanced geospatial technology are implemented in the course.

GEOG 337/537 Geographic Information Systems II
3 crs. • F • GE-HIC
Lecture/Discussion Hours: 2 Lab/Studio Hours: 2
This course expands directly on knowledge gained in Geog 335, Geographic Information Systems I. Focus will be on gaining additional technical skills and applying them to answer more in-depth geospatial questions.

GEOG 338/538 Remote Sensing of the Environment
3 crs. • F
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• GEOG 200 is recommended prior to enrollment in this course. Descriptive interpretation of remote-sensing images from ground, aerial, and space platforms.

GEOG 339 Computer Mapping
3 crs. • F
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the uses of computers in the design and construction of maps. Topics include digitizing tasks, the organization and utilization of mapping software, and the production of computer-drawn maps.

GEOG 340 Climatology
3 crs. • V • Field Trip(s) Required; Special Course Fee Required • P: GEOG 104
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Comprehensive study of climatic phenomena with emphasis on global heat and water balances, daily weather analysis, climate classification, and climate change.
GEOGRAPHY AND ANTHROPOLOGY

GEOG 341 Weather and Society
3 crs.  • Sp  • GE-IIC  • P: GEOG 104 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This course provides the student with a theoretical and applied understanding of meteorological events and their subsequent impacts upon society.

GEOG 345 Quaternary Environments
3 crs.  • F  • Field Trip(s) Required; Special Course Fee Required  • P: GEOG 304
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Causes, history, and effects of the Ice Ages, including the study of climatic changes, related oceanic and biological disruptions, Ice Age landforms; also, the characteristics and world distribution of modern glaciers.

GEOG 350/550 Soils and the Environment
4 crs.  • F, V  • Field Trip(s) Required; Special Course Fee Required  • No Auditors  • P: GEOG 104 or GEOG 110 or GEOG 115; and GEOG 304 or GEOG 312.  • Instructor Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 4
Study of soil properties, formation processes, and classification with emphasis on fieldwork, application of soil information to resource management and land use, and technical report writing.

GEOG/ANTH 351 Cross-Cultural Dynamics
3 crs.  • V  • GE-IIIA
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Consent Required  • Credit may not be earned in both ANTH 301 and GEOG 351.
Preparation for study, work, or travel abroad. Study of cultural differences in values, customs, and communication styles. Consideration of the process of adjustment to a foreign culture and the problems of intercultural communication.

GEOG 352 Business Geographics
3 crs.  • V  • SL-Optional/Half  • P: GEOG 328, or MATH 245 or MATH 246.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Business applications of geographic analysis and Geographic Information Systems techniques. Emphasis on threshold analysis, target market research, market area analysis, and retail site location. Approximately 25 hours of field work will be conducted during the semester. Extensive use of GIS software, large spatial databases, and database manipulation required.

GEOG 355 Biogeography
4 crs.  • F, V  • Field Trip(s) Required  • P: GEOG 104
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 4
The study of the past and present geographic distributions of organisms, primarily plants, from historical, ecological, and regional perspectives. Emphasis is on principles and methods. Regional focus on the Great Lakes.

GEOG 361 Environmental Hazards
3 crs.  • F  • GE-IIC
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Consent Required  • The course focuses on environmental hazards and disasters (including geomorphic, atmospheric, and human); how the normal processes of the earth concentrate their energies and deal destructive blows to humans and their structures.

GEOG 363 Watershed Analysis
4 crs.  • F, V  • Field Trip(s) Required; Special Course Fee Required  • P: GEOG 104 or GEOG 110 or GEOG 115; and GEOG 304 or GEOG 312.  • Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 2
Watershed-based study of surface-water hydrologic processes and the factors (climate, soils, vegetation, land use) that affect them. Particular emphasis placed on investigations of watersheds in the Eau Claire area.

GEOG 364 Fluvial Processes and Landforms
4 crs.  • Sp, V  • Field Trip(s) Required; Special Course Fee Required  • P: GEOG 104 or GEOG 110 or GEOG 115; and GEOG 304 or GEOG 312.  • Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 2
Study of river processes and the landforms that result from them, including how processes and landforms respond to natural and anthropogenic environmental change. Investigations of streams in the Eau Claire area emphasized.

GEOG 365 Tourism Geographies
3 crs.  • V  • GE-IIIC; Field Trip(s) Required; Special Course Fee Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Exploration of outdoor recreation resources in the U.S. with emphasis on their diverse recreational amenities; societal and personal leisure values; related user problems; management solutions.

GEOG 366 Geography International Immersion Experience
1-3 crs.  • V  • FC; Field Trip(s) Required; Special Course Fee Required Varies by Term/Section  • May be repeated for a maximum of 6 credits  • A-F Grades Only  • Instructor Consent Required  • Preparatory prerequisite course may be required.
Place-based analysis using field and interdisciplinary methods to learn about the environments, society and culture of the immersion region. International field sites, experiences and special topics may vary by semester.

GEOG 367 Landscape Analysis: Cultural
3 crs.  • V  • GE-IIIC; Field Trip(s) Required  • May be repeated for a maximum of 6 credits  • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Geographic analysis of cultural landscapes by means of field experiences.

GEOG 368 Geography Field Seminar
3 crs.  • F, Sp  • Field Trip(s) Required; Special Course Fee Required Varies by Term/Section  • May be repeated for a maximum of 6 credits  • P: Limited to geography majors and minors or consent of instructor. Minimum junior standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Place-based analysis using geographic methods and field investigations. Field sites and research topics will vary from semester to semester.

GEOG 369 Geography of Food
3 crs.  • F  • FC; GE-IIIC; Field Trip(s) Required; Special Course Fee Required  • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A geography course is recommended prior to enrollment in this course. Explores the geography and spatial dimensions of food, with attention to the cultures and environments from which they emerged, changing nature/society relationships, and the implications of globalization, economic growth, and technological innovations.

GEOG 370 Quantitative Methods in Geography
3 crs.  • F, Sp  • P: GEOG 335. Limited to geography majors and minors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
An introduction to the quantitative methods commonly used to test hypotheses in geography with an emphasis on interpretation of results produced by statistical software rather than underlying mathematical structure. Topics include measures of central tendency, mean center, nearest neighbor, Chi-square tests, simple and multiple correlation and regression, and factor analysis.

GEOG 375 Environmental Quality
3 crs.  • V  • GE-IIIC; Special Course Fee Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• GEOG 178 or BIOL 180 is recommended prior to enrollment in this course.
• A geography course is recommended prior to enrollment in this course.
Students will study U.S. environmental and sustainability law and policy to assess the roles of science, key actors, and values in policymaking.

GEOG/ENV 377 U.S. Environmental and Sustainability Policy
3 crs.  • F  • GE-IIIG; Field Trip(s) Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both ENV 377 and GEOG 377.
Students will study U.S. environmental and sustainability law and policy to assess the roles of science, key actors, and values in policymaking.

GEOG/ENV 378 International Environmental Problems and Policy
3 crs.  • V  • FC; GE-IIIC
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both GEOG 378 and ENV 378.
Examination of the threats to the global environment and the response of the international community.

GEOG 379/579 Geography of Wisconsin
3 crs.  • F even years  • GE-IIIC; Field Trip(s) Required; Special Course Fee Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A geographic analysis of Wisconsin and its people, with emphasis on cultural and environmental characteristics, patterns of land use, and changing ways of life.

GEOG 388 Military Geography
3 crs.  • F  • Field Trip(s) Required; Special Course Fee Required  • Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Explores the diversity of military geography by linking military affairs to the human and physical landscape. Examines how the environment influences military activities, how military activities impact the environment, and how technology has influenced the changing geographic dimensions of conflict.
GEOG 395/595 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
Directed study of a geographic problem approved by the supervising
instructor and the Department Chair.

GEOG 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • P: Limited to geography majors and
minors. Minimum junior standing. • Department Consent Required
An intensive study of a geographic topic resulting in a quality paper or report
suitable for publication.

GEOG 401 Capstone Seminar
3 crs. • F • CP • May be repeated for a maximum of 6 credits • P: Core courses
(except capstone courses) required for all geography majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Designed to integrate theory and methodology, quantitative, and cartographic
techniques, and field work to serve as a “capstone experience” for geography
majors. Literature review, research design, data collection, and presentation
skills are stressed.

GEOG 435 Geographic Information Systems III
3 crs. • Sp • P: GEOG 335
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
No credit if taken after GEOG 401 when offered as Advanced Geographic Information
Systems. This course will advance students’ knowledge of theoretical concepts and
skills in geographic information systems in science. Emphasis will be placed
on application of these concepts and skills in geospatial analysis.

GEOG 438 Advanced Remote Sensing
3 crs. • Sp • Field Trip(s) Required • P: GEOG 338
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Explores the theory and methodology of applied remote sensing. Focus is
on the principles of electromagnetic radiation, interaction of solar radiation
with Earth’s atmosphere and various surface classes, remote sensing systems,
and digital image processing.

GEOG 445 Historical Geography
3 crs. • V • GE-IIIC; Field Trip(s) Required; Special Course Fee Required • P:
GEOG 178 or BIOL 180.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines how human activities have impacted the natural world, how
attitudes toward nature have shifted over time, and how human activities
and attitudes have altered our landscape. Emphasis is on United States
environmental history.

GEOG 446 Political Geography
3 crs. • F • GE-IIIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A systematic analysis of the distribution of political activity and the
relationship of that pattern to other spatial phenomena. Emphasis on
national states and international problems.

GEOG 455/655 Web Geographic Information Systems
3 crs. • F odd years • P: GEOG 335
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
An introduction to Web GIS, the programming concepts underpinning
construction and implementation of high quality web and mobile solutions.

GEOG 470 Urban Geography
3 crs. • Sp odd years • CD1; Field Trip(s) Required; Special Course Fee Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Consider (1) cities as systems of service, trade, and manufacturing centers; (2)
the internal structure of cities with emphasis on residential, commercial, and
industrial patterns. North American urban places and solutions are stressed.

GEOG 491 Special Topics
1-3 crs. • F, Sp • Special Course Fee Required Varies by Term/Section • May be
repeated • P: Limited to geography majors and minors, or consent of instructor.
No more than six credits may be applied to the geography major or minor. •
Instructor Consent Required
Topics will vary depending on interests of students and faculty. Topics
will include specific micro-regions and systematic approaches in geography.

GEOG 498 Community Internship - Geography
1-3 crs. • F, Sp, Su • SL-Full; CP; IN • May be repeated • Department Consent Required
The practical application of geographic knowledge and skills off-campus.
Student will hold a part-time assignment in a community organization and
receive credit toward a major or minor in geography.

GEOG 499 Independent Study - Seniors
1-3 crs. • F, Sp, Su • May be repeated • P: Limited to geography majors and
minors. Minimum senior standing. • Department Consent Required
Same as Geography 399, except for senior majors only.

ANTH

ANTH/AIDS 161 Introduction to Cultural Anthropology
3 crs. • F, Sp • GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Culture as the human means of environmental adaptation. Explores
cross-cultural regularities and the range of variation in human behavior.
Comparison of widely different economic, social, political, and religious
systems.

ANTH 165 Introduction to Physical Anthropology
3 crs. • F, Sp • GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Investigates human biocultural evolution, through comparative analysis of
fossils, contemporary primates, and genetics.

ANTH 169 Introduction to Archaeology
3 crs. • F, Sp • GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Human cultural prehistory as inferred from archaeological evidence, from
the earliest Pleistocene cultures to the development of urban life. Explores
archaeological methods and techniques.

ANTH 230 Archaeology of Northeast Woodlands
3 crs. • F • GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Detailed examination of prehistoric cultures of the Northeast Woodlands.
Emphasis on ecological adjustments, subsistence base, and technological
and cultural developments.

ANTH 265 Methods in Physical Anthropology
3 crs. • Sp • P: ANTH 165
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Supervised participation in physical anthropology research. Data collecting
and analytical methods, techniques and procedures discussed and practiced
in a laboratory setting.

ANTH 291 Special Topics
1-3 crs. • V
Topics will vary depending on interests of students and faculty.

ANTH 315/515 Language in Culture and Society
3 crs. • F • FC; CD1; GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of the rules and patterns for speech behavior in a variety of
cultures. Language as an expression of social status, gender, and group
membership. Study of multilingualism and language planning.

ANTH/AIDS 325 North American Indians
3 crs. • F • CD3; GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Comparative analysis, by culture area, of traditional American Indian
economies, social and political organization, religion and philosophy.
Impact of European colonization and control on traditional cultures.

ANTH 345/545 Japanese Culture and Society
3 crs. • V • FC; GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Contemporary Japanese culture and social organization including economy,
stratification, gender roles, marriage, religion, and popular culture.
Consideration of the effect of globalization on Japan and the influence of
Japan on the rest of the world.

ANTH/GEOG 351 Cross-Cultural Dynamics
3 crs. • V • FC; GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Preparation for study, work, or travel abroad. Study of cultural differences
in values, customs, and communication styles. Consideration of the
process of adjustment to a foreign culture and the problems of intercultural
communication.

ANTH 355 Peoples of Africa
3 crs. • V • FC; GE-IIIA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Comparative study of traditional sub-Saharan African forms of social groupings,
political organization, and religions and philosophies. Consideration of the
impact of economic development, neocolonialism, and globalization on
traditional cultures.
Students should maintain a satisfactory completion of one substantial study of an anthropological topic resulting in a quality paper or report. An intensive study of an anthropological topic including American Indian religion and philosophy. Topics will vary depending on interests of students and faculty. Proposed topics include methodological, field experience, and outstanding research examples.

ANTH 399 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • P: Six credits in Anthropology. Minimum resident GPA of 2.50 • Department Consent Required
Directed study of an anthropological problem approved by the supervising instructor and department chair.

ANTH 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing. • Department Consent Required
An intensive study of an anthropological topic resulting in a quality paper or report.

ANTH 422/622 Anthropology of Law
3 crs. • F • GE-IIIA • P: Minimum junior standing. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The scientific study of comparative law. Examines and analyzes a wide variety of legal systems, plus theories of law, legal change, change of legal systems, and justice.

ANTH 432/632 Anthropological Fieldwork Methods and Research Design
3 crs. • Sp • FC • A-F Grades Only • P: ANTH 161; 300-level cultural anthropology course or may be taken concurrently (ANTH 315, 325, 345, 351, 355 or 356). • Instructor Consent Required
Seminar Hours: 3 | Lab/Studio Hours: 0
This seminar offers a broad introduction to the subject of fieldwork in sociocultural anthropology, with the goal of training students to undertake independent research. Foci include methodology, field experience, and outstanding research examples.

ANTH 463 Religion and Culture
3 crs. • Sp • CDI; GE-IIIA • P: ANTH/AIS 161
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of the nature of human religious expression in cross-cultural contexts. Focus on the ways that people use myths, symbols, and rituals in both oral and written traditions.

ANTH 491 Special Topics
1-3 crs. • V • May be repeated for a maximum of 9 credits • P: Minimum junior standing.
Topics will vary depending on interests of students and faculty. Proposed topics include American Indian religion and philosophy.

ANTH 499 Independent Study - Seniors
1-3 crs. • F, Sp • May be repeated • P: Minimum senior standing. • Department Consent Required
An intensive study of an anthropological topic resulting in a quality paper or report.

Geology
PHILLIPS 157
715-836-3732
www.uwec.edu/geology
KENT SYVerson, CHAIR
Scott K. Clark, Katharine Grote, Karen Havholm, Robert Hooper, Phillip Iheying, Robert W.D. Lodge, J. Brian Mahoney, Geoffrey Pignotta, Lori Snyder.

Honor Societies and Student Organizations:
The Geology Department offers two student organizations. The Geology Club (which is open to all majors and minors) and Sigma Gamma Epsilon (which is only open to students who have completed at least 12 semester hours in Earth Science courses and have maintained an overall GPA of 3.00 in all Earth Science courses and an overall resident GPA of 2.67). Please visit the department office for more information.

Geology is the study of the earth and earth processes. Geologists work to solve environmental problems and supervise the exploration and development of earth resources. They are employed in industry, by governmental and regulatory agencies, and as educators. Although most professions in geology require graduate school training, a bachelor’s degree in geology allows options in other professional fields such as environmental geology and resource law and engineering. The Geology Department provides a rigorous but flexible program, and stresses the importance of a broad science curriculum. A curriculum balancing field and laboratory experience is tailored to meet the needs of each individual. The geology major is flexible enough to allow individual students to customize their program. Examples of customized programs (to be designed working with an adviser) include Marine Geology, Geochemistry, and Geophysics.

DEPARTMENTAL HONORS PROGRAM IN GEOLOGY
Entrance Requirements: Admission is by departmental invitation, usually upon completion of Geology 470. In order to be considered, Geology majors should carry a 3.5 cumulative GPA and a 3.5 GPA in Geology courses.
Requirements for Continued Participation: Students should maintain a minimum 3.5 cumulative GPA and a 3.5 GPA in Geology courses.
Graduation Requirements: (1) Satisfactorily complete one substantial faculty-student research collaboration in Geology that results in a presentation at a regional, national, or international professional conference. (2) Satisfactorily complete Geol 395, 399, 497 (Honors Independent Study), or Geol 499, which include an Honors capstone thesis or substantial paper written under the supervision of a Geology faculty member, or publish the collaborative research results in a peer-reviewed journal. (3) Maintain a 3.5 cumulative GPA and a 3.5 GPA in Geology courses.

CORE REQUIREMENTS FOR ALL LIBERAL ARTS AND TEACHING EMPHASIS IN THE COMPREHENSIVE GEOLOGY MAJOR
(23-25 credits)

*Capstone Experience 0-2
*Each major is required to complete a capstone experience.

For liberal arts majors, the capstone options may include: Geol 395 (for a minimum of two credits) or 471. The capstone will consist of student selection of one of the following options: faculty/student collaborative research, preparation and presentation of a department seminar, internship, field experiences, or other approved experiences. Students working with
their adviser will submit a proposal to the department faculty outlining their choice of the capstone experience and explicitly stating how the capstone experience fits into their personal career goals. The proposal for a capstone experience must be submitted to the chair of the department no later than the second week of the first semester of the senior year. For teaching majors, the capstone may be satisfied by successful completion of the professional semester in the College of Education and Human Sciences.

**COMPREHENSIVE MAJOR: GEOLOGY**

**Liberal Arts**

The objective of the comprehensive major in geology is to prepare students for graduate programs in geological sciences or for careers as professional geologists, hydrogeologists, or geological engineers. The liberal arts comprehensive major requires completion of the Core and one of the five Emphases listed below. NOTE: Engl 308, Scientific Communication for Expert Audiences, is strongly recommended to be taken as the GE-IA requirement for students in any of the following emphases.

**General Geology Emphasis (Code 160-010)**

Recommended for students planning careers in geology, especially those planning to attend graduate school in geology or engineering. This emphasis comprises the Core plus the required and elective credits as listed below.

**Required Courses**

<table>

**Electives:** at least two courses selected from: Geol 336, 345 or 420, 365, 416, 445; and additional elective credits to total at least 60 credits selected from: Biol 308, 330, 338, 345, 356, 375; Chem 213, 218, 433, 434, 442; Geol 338, 345, 350, 363, 364, 435; any geology course numbered 300 or above; Math 216, 246, 311, 324; Phys 212 or 223, 226, 229, 350, 375.

**Hydrogeology and Water Chemistry Emphasis (Code 160-013)**

Recommended for students planning careers in geology such as hydrogeology, geochemistry, and environmental geology. This program is designed to fulfill requirements for admission to graduate programs in hydrogeology, geochemistry, and environmental geology. This program also meets 1998 Wisconsin Department of Natural Resources' academic requirements for classification as a hydrogeologist. This emphasis includes the Core plus the required and elective credits as listed below.

**Required Courses**

<table>

<td>4</td>
</tr>
</tbody>
</table>

Plus electives to total at least 60 credits selected from any geology course numbered 291 or higher.

**Dual Degree Geological Engineering Emphasis (Code 160-014)**

This emphasis combines the benefits of a traditional geology degree with those of a formal engineering education. In this program students receive a UW-Eau Claire geology degree in conjunction with a bachelor's degree in engineering from the University of Minnesota. Students will typically complete most of the UW-Eau Claire University requirements and Dual Degree geology requirements while at UW-Eau Claire before transferring to the engineering school. Students must complete a minimum of 84 semester credits before transferring to the engineering school, 56 of which must be taken in residence at UW-Eau Claire.

This emphasis comprises the geology Core plus the required credits as listed below. Successful completion of Geol 470 with a grade of C or above will constitute completion of the capstone experience. Students should visit the department office for a sample course schedule that would allow them to complete three full years at UW-Eau Claire and be prepared to transfer to the University of Minnesota for an additional one to two years.

**Required Courses**

For students planning to practice as professional engineers, Geog 335; Geol 416 at UW-Eau Claire or equivalent courses at University of Minnesota are strongly recommended.
GEOLOGY

NOTE: Students should plan on taking Math 311 (UW-Eau Claire; Differential Equations) or Math 2243 (University of Minnesota; Differential Equations and Linear Algebra) prior to the first semester at University of Minnesota. Differential Equations is a prerequisite for the fluid mechanics course which is to be taken during the first semester at UM.

COMPREHENSIVE MAJOR: GEOLOGY, Teaching Earth and Space Science Emphasis (Code 160-015)

This emphasis is for students planning to teach Earth and Space Science at the middle or high school level. In addition to a focus on geology, oceanography, astronomy, and meteorology, this major also provides the breadth required to be well-rounded in science. This emphasis includes the Core plus required and elective credits as listed below.

Required Courses

</table>

Plus electives to total at least 60 credits selected from the following: Phys 212 or 232, 229, 315; Geog 280, 304, 338, 350, 363, 364, or any geology course numbered 300 or higher.

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Earth and Space Science in Early Adolescence through Adolescence classrooms. Note: Completion of the following requirements and ES 367 adds Broadfield Science licensure to the Teaching major.

A. At least 14 credits from one of the following areas: (1) Biol 151, 214, 221, 222, 223, 314; (2) Chem 213, 218, 304, 325; (3) Phys 212 or 232 and additional credits from 229 and above 232.

B. Eight credits in each of the two areas not selected in A above: (1) Biol 151, 214, 221; (2) Select from Chem 213, 218, 304, 325; (3) Phys 212 or 232 and additional credits from 229 and above 232.

MAJOR: GEOLOGY, Liberal Arts (Code 160-204)

The Liberal Arts major in geology emphasizes broad training in general science; the relationship between earth science and other sciences; and the flexibility and creativity in program design for meeting an individual student’s interest and employment needs. This major requires completion of the Core liberal arts program plus elective credits. This non-comprehensive major also requires completion of a minor or a second major in another department.

<td>0-2</td>
</tr>
</tbody>
</table>

Plus electives to total at least 36 credits selected from any geology course numbered 300 or higher.

*Each major is required to complete a capstone experience which may include: Geol 395 (for a minimum of two credits) or 471. The capstone will consist of student selection of one of the following options: faculty/student collaborative research, preparation and presentation of a department seminar, internship, field experiences, or other approved experiences. Students working with their adviser will submit a proposal to the department faculty outlining their choice of the capstone experience and explicitly stating how the capstone fits into their personal career goals. The proposal for a capstone experience must be submitted to the Chair of the Department no later than the second week of the first semester of the senior year.

NOTE: Engl 308, Scientific Communication for Expert Audiences, is strongly recommended to be taken as the GE-IA requirement for students in this major.

MINOR: GEOLOGY, Liberal Arts (Code 160-401)

Twenty-four semester credits in geology, including Geol 106, or 110, or 115, or 118, and 312, and a minimum of six semester credits earned from any of the following courses: Geol 291, 301, 303, 304, 308, 313, 315, 320, 330, 336, 337, 343, 345, 365, 390, 395, 416, 418, 420, 445, 468, 470, 471, 491. Recommended: Geol 470 and 471.

NOTE: Engl 308, Scientific Communication for Expert Audiences, is strongly recommended to be taken as the GE-IA requirement for students in this minor.

MINOR: GEOLOGY, Teaching (Code 160-402)

Twenty-four semester credits, including Geol 106, 110, 115 or 118; 312, 320, 418, 468, 470, and courses selected from any of the following: any geology course numbered 300 or higher; Phys 226, 229; Geog 304, 340, 350, 361, 363 or 364.

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Earth and Space Science in Early Adolescence through Adolescence classrooms. Students are advised to combine this minor with a Biology, Chemistry, Physics, or Physics/Math teaching major in order to be prepared for the Praxis II content test. Successful completion of this broad-based science test is required for certification to teach in this field. When combined with a Biology Teaching major, ES 359 is also required for EA-A licensure.

Satisfactory/Unsatisfactory Policy.

No degree credit may be earned under the Satisfactory / Unsatisfactory option in any required courses in a geology major or minor.

GEOL

GEOL 102 Oceanography
3 crs. • F, Sp • GE-IID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Survey of the world oceans with emphasis on geologic processes. Also includes chemical, physical, and biological aspects of the sea. Investigates human interaction with the marine environment.

GEOL 106 Earth Science
4 crs. • F, Sp • GE-IID; LS; SL-Optional/Half; Field Trip(s) Required; Special Course Fee Required • P: Limited to elementary education and special education majors. Credit may be earned in only one of the following: GEOL 106, or GEOL 110, or GEOL 115, or GEOL 118, or GEOL 130 and GEOL 131.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Introduction to basic earth science concepts. Includes study of earth interior and surface processes, earth materials, earth history, earth resources, atmospheric composition and processes, and aspects of the solar system.

GEOL 110 Physical Geography
4 crs. • F, Sp • GE-IID; LS; Field Trip(s) Required; Special Course Fee Required • P: Credit may be earned in only one of the following: GEOL 106, or GEOL 110, or GEOL 115, or GEOL 118, or GEOL 130 and GEOL 131.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
A study of earth structure, materials, processes, and history; includes discussion of plate tectonics, volcanism, weathering, glaciation, sedimentation, and metamorphism. The course emphasizes the methods of scientific investigation.
GEOL 115 Environmental Geology
4 crs. • F, Sp, Su • GE-HD; LS; Field Trip(s) Required; Special Course Fee Required • P: Credit may be earned in only one of the following: GEOL 106, or GEOL 110, or GEOL 115, or GEOL 118, or GEOL 130 and GEOL 131. No credit if taken after previous courses GEOL 101 or GEOL 103.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Study of the physical environment. Emphasis on earth processes which affect humans such as rivers, erosion, groundwater, landslides, and earthquakes. Methods are examined for reducing or eliminating the harmful effects of human interaction with the geologic environment.

GEOL 118 Societal Issues in Earth Science
4 crs. • F • GE-HD; LS; Field Trip(s) Required; Special Course Fee Required • A-F Grades Only • P: Credit may be earned in only one of the following: GEOL 106, or GEOL 110, or GEOL 115 or GEOL 118, or GEOL 130 and GEOL 131.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Examination of social and economic impact of geologic issues, including instantaneous, catastrophic events such as earthquakes, tsunami and volcanic eruptions, and more mundane, inexorable events such as global climatic change and resource depletion.

GEOL 122 The Future of Global Energy
3 crs. • F • GE-HD; Field Trip(s) Required; Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
• No credit if taken after IDS 152 when offered as Global Energy in Spring 2009.
Examination of traditional and alternative energy sources with respect to supply, recovery, distribution, environmental impact and sustainability and the relationship between energy and social, economic and public policy issues and local, regional and global politics.

GEOL 201 Geology of Our National Parks and Monuments
2 crs. • F, Sp • GE-HD
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• No credit toward majors or minors.
A survey of geologic processes and phenomena as exemplified by features of our national parks and monuments. Designed to develop greater appreciation and understanding of natural phenomena.

GEOL 291 Special Topics
1-3 crs. • V • May be repeated
Geologic topics of current, special interest; includes field excursions.

GEOL 301 Earth Resources
3 crs. • F, Sp • GE-HD; Field Trip(s) Required; Special Course Fee Required • P: GEOL 106, or GEOL 110, or GEOL 115, or GEOL 118 or GEOL 130 and GEOL 131; or GEOL 101, or GEOL 104.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Origins, distribution, use, misuse, and conservation of minerals, water, soil, and fuels. Alternative resources and lifestyles for the future are evaluated.

GEOL 303 Rocky Mountain Field Studies
3 crs. • Su • GE-HD; Special Course Fee Required • P: Previous course in GEOL.
• Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
Field study of geologic features and processes in the Rocky Mountains. One week lecture and laboratory on IU-El Emmer campus, 10 days in the field on Rocky Mountains. Camping equipment and extensive field work (hiking) is required.

GEOL 304 Global Environmental Change
3 crs. • F, V • GE-HD • P: GEOL 106, or GEOL 110, or GEOL 115, or GEOL 118 or GEOL 130 and GEOL 131, or GEOL 101, or GEOL 104.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
The composition, structure, and dynamics of the solid earth, oceans, and atmosphere are explored to understand the global geochemical and biochemical cycles that govern the natural response to environmental change on global scales.

GEOL 308 Water Resources
3 crs. • Sp, V • GE-HD; Field Trip(s) Required • P: GEOL 106 or 110 or 115; or GEOL 101 or 104 or 178 or 185.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Origins, nature, distribution, movement, exploitation, and conservation of surface and subsurface waters; problems associated with development of water resources in Wisconsin and the U.S.

GEOL 312 Mineralogy and Petrology I
5 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: GEOL 106, or GEOL 110, or GEOL 115 or GEOL 118, or GEOL 130 and GEOL 131; CHEM 101, or CHEM 103, or CHEM 115.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 4
Study of minerals and rocks with an emphasis on common rocks in field settings, hand sample identification, and description of common rocks and minerals. Origin of rocks and minerals and interpretation of processes is stressed.

GEOL 313 Mineralogy and Petrology II
4 crs. • Sp • P: GEOL 312
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
Study of igneous, sedimentary, and metamorphic rocks and minerals with an emphasis on laboratory and petrographic analysis.

GEOL 315/515 Hydrogeology I
4 crs. • F • Field Trip(s) Required • P: GEOL 106, or GEOL 110, or GEOL 115, or GEOL 118, or GEOL 130 and GEOL 131; MATH 112, or MATH 114, or MATH 215.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
The hydraulic cycle, runoff and streamflow, saturated groundwater flow, contaminant transport, geology of groundwater occurrence, aquifer characterization, groundwater flow to wells, hydrogeologic field techniques, groundwater flow and contaminant transport computer modeling, groundwater development and management.

GEOL 320 Sedimentology and Stratigraphy
4 crs. • Sp • Field Trip(s) Required; Special Course Fee Required • P: GEOL 312
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Origin and evolution of sedimentary rocks, with emphasis on sedimentary processes, stratigraphic principles, and basin evolution.

GEOL 330 Structural Geology
4 crs. • Sp • Field Trip(s) Required; Special Course Fee Required • P: GEOL 312
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
The description and classification of geological structures and the theoretical and physical analysis of rock deformation. Field and laboratory techniques emphasize mapping and the tectonic analysis of geological structures.

GEOL 336/536 Introduction to Geochemistry
3 crs. • Sp • P: GEOL 312; CHEM 104 or CHEM 115.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of chemistry to geologic problems. Principles of isotope geochemistry, thermodynamics, chemistry of natural waters, and computer modeling of geochemical systems.

GEOL 337/537 Analytical Geochemistry Laboratory
1 cr. • V • P: GEOL 336 or concurrent registration.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
Theory and application of geochemical instrumentation including x-ray diffraction, x-ray microanalysis, scanning electron microscopy, atomic absorption spectrometry, mass spectrometry, and neutron activation analysis.

GEOL 343 Geological Field Excursion
1-2 crs. • V • GE-HD; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 4 credits • A-F Grades Only • P: One GEOL course.
Extended travel to study field geology. Students record notes and data in the field and submit final written and/or oral reports. Special course fee to cover costs. Travel proposal must receive approval of department faculty.

GEOL 345 Geomorphology and Aerial Photography Interpretation
3 crs. • F, V • Field Trip(s) Required • P: GEOL 312 or GEOG 304.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A process-oriented analysis of landforms and applied geomorphology. Interpretation of landforms using topographic maps and aerial photographs will be emphasized. Communicating scientific material to expert audiences also will be stressed.

GEOL 350 Engineering Geology
3 crs. • Sp odd years • Field Trip(s) Required • P: GEOL 106, 110, 115, or 118; MATH 114. No credit if taken after GEOL 445/645.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Application of geologic principles to civil and environmental engineering, site analysis, and assessment and mitigation of natural hazards.

GEOL 365 Economic Mineral Deposits
3 crs. • F, V • Field Trip(s) Required; Special Course Fee Required • P: GEOL 312
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Origin, association, and exploitation of metallic and nonmetallic mineral deposits. Study of ore suites from selected mining districts and methods of evaluating ore deposits.

GEOL 390 Geologic Immersion Experience
1-4 crs. • V • FC; GE-HD; LS; SL-Optional/Half; Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 8 credits • A-F Grades Only • Instructor Consent Required
Project-based, field intensive geologic immersion experience focusing on the physical, biologic, geomorphic, and tectonic evolution of a geologic province and on societal interaction with the geologic setting.
GEOL 395 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
• Use of this course to fulfill department capstone experience requires department approval. See department office for Capstone Proposal form.
Individual research or study for the advanced geology major who seeks to develop specialized knowledge and skills. Course proposals are student-initiated.

GEOL 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing • Department Consent Required
Individual research or studies of distinctive nature.

GEOL 416/616 Hydrogeology II
4 crs. • Sp • Field Trip(s) Required • P: GEOL 315
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Review of principles of groundwater flow and contaminant transport, reactive groundwater contamination, groundwater remediation, chemical evolution of natural groundwater, flow in the unsaturated zone, advanced groundwater flow and contaminant transport computer modeling, water law.

GEOL 418 Earth History
4 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: GEOL 312 and 320.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Origin and evolution of the earth, with emphasis on the physical, biologic, and tectonic history of the planet. Analysis of the concepts of geologic time and biologic evolution. Concentration on geologic field relations and determination of relative geologic history.

GEOL 420 Glacial Geology
3 crs. • F, V • Field Trip(s) Required • P: GEOL 106, or GEOL 110, or GEOL 115, or GEOL 118, or GEOL 130 and GEOL 131; MATH 112, or MATH 114, or MATH 215.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A process-oriented analysis of glacial landforms and sediments. Topographic maps, aerial photographs, and field mapping projects will be used to interpret glacial landforms, sediments, and to solve glacial geologic problems.

GEOL 445/645 Engineering Geology and Geophysics
5 crs. • F, V • Field Trip(s) Required • P: GEOL 312; PHYS 211 or 231; MATH 114 or consent of instructor.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 2
Application of geological and geophysical principles to solve human problems. Discussion of soil and rock mechanics, slope stability, earthquake analysis and seismic planning, and geophysical techniques including seismic, gravity, magnetic, electrical, and electromagnetic surveying.

GEOL 461/661 Applied Geophysics
4 crs. • F odd years • Field Trip(s) Required • P: GEOL 106, 110, 115, or 118; MATH 114; PHYS 211 or 231. No credit if taken after GEOL 445/645.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Acquisition, processing, and interpretation of geophysical data including seismic, gravity, magnetic, GPR, resistivity, and electromagnetic methods.

GEOL 468 Computers in Geology
1 cr. • F • Field Trip(s) Required • A-F Grades Only • P: GEOL 320
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Introduction to digital techniques in geological sciences. Emphasis is on computer graphics and application of Geographic Information Systems to analysis and presentation of geologic data.

GEOL 470 Field Geology I
3 crs. • Sp • Special Course Fee Required • P: GEOL 312, GEOL 320, and GEOL 468. • Instructor Consent Required
• Three week field course in western Texas and New Mexico.
Introduction to geologic mapping techniques, with an emphasis on construction of geologic maps and cross-sections in mildly deformed sedimentary and volcanic rocks.

GEOL 471 Field Geology II
3 crs. • Su • Special Course Fee Required • P: GEOL 330 and 470. • Instructor Consent Required
• Use of this course to fulfill department capstone experience requires department approval. See department office for Capstone Proposal form. Three-week field course in southwestern Montana.
Introduction to advanced geologic field techniques, with an emphasis on construction of geologic maps and cross-sections in deformed plutonic, volcanic, metamorphic, and sedimentary rocks.

GEOL 491/691 Advanced Special Topics
1-4 crs. • V • May be repeated • P: Limited to geology majors and minors.
Topics of special interest and current relevance to the advanced geology student; includes field excursions. Topics vary.

GEOL 498 Geology Internship
1-6 crs. • V • IN • May be repeated for a maximum of 6 credits • No Auditors • P: GEOL312. Minimum grade point average of 2.5. Minimum sophomore standing. • Department Consent Required
Provides supervised on-the-job experience in a geologically-related area of interest.

GEOL 499 Independent Study - Seniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum senior standing • Department Consent Required

COURSES OFFERED AT THE GULF COAST RESEARCH LABORATORY, OCEAN SPRINGS, MISSISSIPPI

The University of Wisconsin-Eau Claire maintains a formal affiliation arrangement with the Gulf Coast Research Laboratory (GCRL) in Ocean Springs, Mississippi. Through this arrangement, students may take field courses in marine science at GCRL during the summer. Grades and completed coursework from the GCRL are initially awarded and transcribed by the University of Southern Mississippi, but will be considered resident credit for students pursuing a degree at UW-Eau Claire.

Students may obtain more information about GCRL and admission to the summer program by contacting Dr. David Lonzarich, On-Campus Affiliate Coordinator, UW-Eau Claire Department of Biology or by writing the Office of Student Services, Department of Coastal Sciences, Gulf Coast Research Laboratory, Ocean Springs, MS 35064. Phone: (228) 872-4200; or visit the website at www.usm.edu/gcrl.
The study of history examines how men and women throughout the world have lived in the past. It pays special attention to continuities and changes in human communities over time and to interactions among people from different cultures. The study of history enhances critical thinking and effective communication by teaching students how to evaluate different interpretations of the past. It teaches them to use evidence effectively to understand the meaning and impact of events and processes. Studying history increases students’ social responsibility as they come to understand their own life experiences as part of an historical process. History students master the essential skills of a liberal education by learning to read critically, to manage and analyze information, to build logical arguments, and to write persuasively.

Students can major and minor in history through the College of Arts and Sciences or through the College of Education and Human Sciences. History majors in the College of Education and Human Sciences prepare to teach history in secondary schools. History majors in the College of Arts and Sciences often pursue careers in fields such as law, government, journalism, business, and information management. The department also offers a public history emphasis within the major for students interested in working in museums, archives, historic preservation, and other public history career fields. Some students continue academic study and obtain graduate degrees so that they can further their public history careers or teach at the post-secondary level.

MAJOR: HISTORY

This major consists of 36 semester credits, including:

I. Foundational requirement
   6 credits
   (Hist 124 or Hist 125 and at least one of the following courses: Hist 114, Hist 115, Hist/Wmns 205, Hist 210, Hist/AIS 240)

II. Diversity requirement
    6 credits

III. Global requirement
     6 credits

IV. Capstone Sequence requirement
    6 credits
    (Hist 288, Hist 488, Hist 489)

V. Concentration requirement
   9 credits
   Students must complete nine credits from one of the following concentrations. Six of the nine credits must be taken at the 300- or 400-level.

A. The Americas

B. Global, Comparative and Pacific World (includes courses which are explicitly comparative and/or transnational [beyond Europe] or which focus on nations on the Pacific [beyond the United States])

C. Europe and the Mediterranean

D. Race, Gender and Society
HISTORY

VII. Remaining credits to total at least 36 to be selected from any History course.

Notes: 1) The same course may be taken to satisfy more than one requirement, when relevant.
2) Relevant history courses other than those listed above may be counted to fulfill requirements with department approval.
3) History 288 should be taken before any 300-level or 400-level course, if possible.
4) A maximum of 17 credits from 100- and 200-level courses, including History 288, can count toward the major.

MAJOR: HISTORY, Teaching (Code 380-206)

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach History in Early Adolescence through Adolescence classrooms.

This major consists of 36 semester credits, including

I. Foundational requirement 12 credits
   (Hist 114, Hist 124, Hist 125 and at least one of the following courses: Hist 115, Hist/Wmns 205, Hist 210, Hist/AIS 240)

II. Native American History requirement 3 credits
    (Choose from: Hist/AIS 240, Hist/AIS 368, Hist/AIS 369)

III. Global requirement 3 credits

IV. Capstone Sequence requirement 6 credits
   (Hist 288, Hist 488, Hist 489)

V. Concentration requirement 9 credits
   Students must complete nine credits from one of the following concentrations. Six of the nine credits must be taken at the 300- or 400-level.
   A. The Americas
   B. Global, Comparative and Pacific World
      (includes courses which are explicitly comparative and/or transnational [beyond Europe] or which focus on nations on the Pacific [beyond the United States])
   C. Europe and the Mediterranean
   D. Race, Gender and Society

VI. Remaining credits to total at least 36 to be selected from any History course.

Notes: 1) The same course may be taken to satisfy more than one requirement, when relevant.
2) Relevant history courses other than those listed above may be counted to fulfill requirements with department approval.
3) History 288 should be taken before any 300-level or 400-level course, if possible.
4) A maximum of 17 credits from 100- and 200-level courses, including History 288, can count toward the major.

MINOR: HISTORY, Liberal Arts (Code 380-401)
Twenty-four semester credits, including:
I. At least six credits of history courses at the 100-200 level.
II. At least 12 credits of history courses at the 300-400 level.

MINOR: HISTORY, Teaching (Code 380-404)
This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach History in Early Adolescence through Adolescence classrooms.

Twenty-four semester credits, including:

I. Hist 124 and 125, World History 6
II. Hist 114 3
Choose from 115, 210; Hist/AIS 240, or Hist/Wmns 205 3
III. History Methodology 2

DEPARTMENT HONORS IN HISTORY

Eligibility: Upper-class History and Broadfield Social Studies-History single-concentration majors with resident and total GPAs of 3.50 or higher; GPA of 3.50 or higher in History courses; and GPA of 3.75 or higher in History 288, History 488, and History 489 (combined).

Procedure: A written application for Departmental Honors in History should be submitted to the Department Honors Adviser for approval.

Requirements:
- a) One credit of History 396: Honors Directed Study taken concurrently with a 300-level History course as approved by the Department Honors Adviser.
- b) One credit of History 496: Honors Independent Study taken concurrently with a 400-level History course as approved by the Department Honors Adviser.
- c) One credit of History 496: Honors Independent Study taken concurrently with History 489: Research Seminar
- d) Public presentation on- or off-campus of capstone project completed in History 489: Research Seminar

For advising regarding Department Honors, see Professor P. Turner (HHH-721).

INFORMATION FOR MAJORS AND MINORS

NOTE 1: Majors who plan to prepare for college teaching are urged to attain a reading competency in at least one foreign language and preferably two.
NOTE 2: Majors or minors in history seeking licensure to teach are required by Wisconsin law to complete instruction in the conservation of natural resources and in consumer cooperatives/cooperative marketing. Take Econ 103 and either Geog 178 or Biol 180 to meet these requirements.
NOTE 3: Professor J. Oberly, the faculty adviser for history majors who are pre-law students, provides assistance in the selection of courses especially appropriate as preparation for law school.

HIST

HIST 102 Western Civilization Since 1660
3 crs.  • V  • FC; GE-IVC
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
“Modernization” of Western civilization. Special attention to development of modern states, advances in scientific thinking, industrialization, French Revolution, nationalism, two World Wars, Russian Revolution, fascism, and Europe’s relations with other areas of the world.

HIST 114 United States History to 1877
3 crs.  • F, Sp  • CD1; GE-IVC
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Survey from colonial settlement through the Civil War and Reconstruction. Provides a basis for better understanding of American political, institutional, economic, social, and intellectual development.
HIST 115 United States History Since 1877  
3 crs. • F, Sp • CD1; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Survey with emphasis on concepts and topics considered essential to an understanding of institutions and issues of public concern today.

HIST 124 World History to 1500  
3 crs. • F, Sp • FC; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
How global processes such as the spread of agriculture, the growth of long-distance commerce, the rise of cities, the establishment of empires, and the development of religions shaped the lives of men and women from 10,000 B.C.E. to 1500 C.E.

HIST 125 World History Since 1500  
3 crs. • F, Sp • FC; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
A global history of humankind. Emphasis on the growth of international commerce, the rise and fall of empires, industrialization and deindustrialization, and changes in types of governance, belief systems, gender structures, and the environment.

HIST 152 Modern East and Southeast Asia  
3 crs. • V • FC; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
A survey of modern Asian history from around 1600 to the present focusing on Chinese, Japanese, and Hmong people, with attention to cultural, social, and political history.

HIST/WMNS 205 American Women’s History  
3 crs. • V • CD3; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Credit may not be earned in both HIST 205 and WMNS 205. A survey of the history of women from pre columbian America to the present. Provides a basis for understanding the historical experience of women from diverse cultural origins including Native American, African American, Asian American, Latin American, and Euro American women.

HIST 210 African American History 1865 to Present  
3 crs. • V • CD3; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Course includes information on lynching, the Civil Rights Movement, and race relations.

HIST 212 Hmong and America  
3 crs. • F, Sp • CD3; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
This course will trace the history of Hmong peoples from China through the war in Laos to America and the newer diasporas.

HIST/AIL 240 African American History  
3 crs. • V • CD3; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Credit may not be earned in both HIST 240 and AIL 240. An introduction to the history of the native peoples of the United States with major emphasis upon European contact, the mutual interaction of American and African Indian cultures, and the resulting adaptations and conflicts.

HIST 280 History Travel Seminar  
1-6 crs. • V • GE-IVC  
May be repeated for a maximum of 6 credits  
No more than three credits may be applied to the liberal arts major. No credits may be applied to the teaching major. An opportunity for students to visit the locations of an historical event or period. Extensive reading and orientation sessions required prior to departure. Specific locales will change depending on student and faculty interest.

HIST 284 The Nazis and Germany, 1914-1945  
3 crs. • V • FC; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Background, emergence, and totalitarian practices of National Socialism in Germany.

HIST 286 History of World War II  
3 crs. • V • FC; GE-IVC  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Overview of the World War II era, ca. 1933-1945, examining root causes, conduct, and outcomes of the war from a world perspective.

HIST 288 Sophomore Seminar: Methods  
2 crs. • F, Sp • Field Trip(s) Required • A-F Grades Only • P: Limited to history majors and minors and broadfield social studies-history majors.  
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0  
Introduces students to the study of history as a scholarly discipline and as a foundation for careers. Identifies theories, concepts, methodologies, and historiographic traditions used by historians. Assignments will enhance research, writing, oral communications, bibliographic and statistical skills.

HIST 292 Origins of Current World Conflicts  
3 crs. • V • FC; GE-IVC; Field Trip(s) Required  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Topical course exploring historical origins of current world conflicts. Causes and forms of conflict include evolution of human rights, ethnic-racial and class divisions, imperialism and decolonization, nationalism, political ideologies, total war, terrorism and comparative revolutions. Film Night Required.

HIST 302/502 Ancient Near Eastern Civilizations  
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
In-depth survey of the political, social, and cultural history of ancient Mesopotamia, Egypt, Syro-Palestine, Anatolia, and Iran from the rise of cities to Alexander the Great.

HIST 304/504 Greek Civilization  
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
A history of the Greeks beginning with the Bronze Age and continuing through the Alexandrian or Hellenistic period. Stress on cultural contributions of each successive period.

HIST 306/506 Roman Civilization  
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
A history of the Romans beginning with the Etruscan civilization after 1000 B.C. and continuing through the Empire Age to the end of the third century.

HIST 308/508 Ancient Historiography  
3 crs. • V • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
In-depth examination of the works of selected ancient historians, their methodology, purpose, and place in the tradition.

HIST/LAS 309/509 Latin America Through Independence  
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Credit may not be earned in both HIST 309 and LAS 309. Pre-Columbian background, establishment of Spanish and Portuguese empires and institutions in the New World, and the struggle for independence.

HIST/LAS 311/511 Latin America Since Independence  
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Credit may not be earned in both HIST 311 and WMNS 311. Political, economic, and cultural development from independence to present. Primary emphasis on Mexico and Brazil.

HIST/WMNS 313/513 Gender, Sex, and Science in European History  
3 crs. • V • FC; GE-IVC • P: Six credits of history and/or women's studies, or junior standing, or consent of the instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Credit may not be earned in both HIST 313 and WMNS 313. This course examines recent scholarship in European history on gender, sexuality, science, and the body. It focuses on the historical construction of gender and sexuality, the gendering of science, inclusion/exclusion in academic and scientific work.

HIST 315/515 The Age of Reformation  
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Religious movements of sixteenth century; their relationship to medieval heresies and political, intellectual, social movements of sixteenth and seventeenth centuries.

HIST 317/517 Studies in the History of Race in the U.S.  
3 crs. • V • CD3; GE-IVC • May be repeated for a maximum of 9 credits • P: Six credits of history, or junior standing, or consent of instructor.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Departmental permission required after course is taken for three credits. Selected topics in the history of U.S. racial/ethnic minorities. Topics can include aspects of Asian American, African American, and/or Latino American history. Consult class schedule or department office for current offering.
HISTORY

HIST 318/518 Studies in the History of European and Mediterranean Worlds
3 crs. • V • FC; GE-IVC • May be repeated for a maximum of 9 credits • P: Six credits of history courses, or junior standing, or consent of the instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
• Department permission is required after course is taken for three credits. 
Selected topics in the history of European and Mediterranean worlds. Topics may focus on a particular time period, region/nation, or historical process. Consult class schedule or department office for current offering.

HIST 319/519 Studies in Comparative, Transnational and Pacific World History
3 crs. • V • FC; GE-IVC • May be repeated for a maximum of 9 credits • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
• Departmental permission required after course is taken for three credits. 
Selected topics in comparative and transnational history or the history of regions bordering the Pacific Ocean. Topics may focus on a particular time period, region, or historical process. Consult class schedule or department office for current offering.

HIST 320/520 Studies in the History of the Americas
3 crs. • V • CD1; GE-IVC • May be repeated for a maximum of 9 credits • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
• Departmental permission required after course is taken for three credits. 
Selected topics in the history of the Americas. Topics may focus on a particular time period, region/nation, or historical process. Consult class schedule or department office for current offering.

HIST 324/524 Nineteenth Century Europe, 1815-1914
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
The development of European civilization in the nineteenth century. Special attention is given to the social, economic, intellectual, and religious history of the period between 1815 and 1914.

HIST 325/525 History and Memory in Europe
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Introduction to the study of collective memory, with particular emphasis on Europe. Themes vary based on instructor, but may include collective memories and nationalism, imperialism, World War I & World War II, the Holocaust, Cold War, and Post-Communist experience.

HIST 326/526 Twentieth Century Europe, 1900 to Present
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Political, economic, intellectual, and social developments in major European states. Special attention to the two World Wars, Russian Revolution, fascism, Cold War, Europe’s loss of overseas power, World War II, and postwar integration.

HIST 327/527 Preparatory Study for Central European Travel Seminar
1-4 crs. • Sp • FC; GE-IVC; Field Trip(s) Required • A-F Grades Only • P: Minimum resident GPA of 2.30. Minimum sophomore standing. No credit if taken after INTA 316 or HIST 280. • Instructor Consent Required 
Prepares students for INTA 316, the Central European Travel Seminar held during summer session. Students will study the history of Central and Eastern Europe. Historical perspectives for allied disciplines include Art History, Historical Geography, and Music History.

HIST 330/530 Colonial America
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Colonial period, with emphasis upon origins and development of social, economic, and political institutions.

HIST 332/532 The Era of the American Revolution
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Conflicting forces which produced breakdown of Anglo-American political system, war years, social and political readjustment, and framing of new governments.

HIST 334/534 Early Nationalism and Jacksonian Democracy
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
The outer history of this period is dominated by the relentless spread of the American republic to the Pacific by 1848; the inner history is one of the spread of markets and capitalist relations. Andrew Jackson dominates this period. The course will attempt to make connections between the life of Jackson and the great social forces that permanently changed the country.

HIST 336/536 Sectionalism, Civil War, and Reconstruction
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
America’s most bitter and bloody war. Focus on three topics: why the war broke out when it did; how the Union won the war and destroyed a slave society; and why, after winning the war, the North lost the peace of Reconstruction.

HIST 338/538 America in Transition, 1877-1917
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 

HIST 342/542 Recent US History (1945-Present)
3 crs. • Sp, V • CD3; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
American civil rights movement activity focusing on organized and unorganized responses to discrimination in the twentieth century.

HIST 345/545 Civil Rights and American Memory
3 crs. • Sp, V • CD3; GE-IVC; Field Trip(s) Required; Special Course Fee Required Varies by Term/Section 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
This course explores the public memory of the civil rights movement through class lecture, discussion and participation in UW-Eau Claire’s Civil Rights Pilgrimage. Students will examine the importance of individual agency, historical contingency, and social change.

HIST 346/546 American Environmental History
3 crs. • Sp, V • GE-IVC; Field Trip(s) Required; Special Course Fee Required • P: Six credits of history, or junior standing, or consent of instructor. 
Seminar Hours: 3 | Lab/Studio Hours: 0 
• No credit if taken after HIST 491 when offered as American Environmental History. 
Examines interactions between human societies and the natural world in what is now the United States. Through readings and several field trips students will learn the essential elements of American Environmental History.

HIST 358/558 The American West
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Frontier movement, problems, procedures, and attitudes of frontier areas, and influence of the West.

HIST 360/560 Modern France
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Social, political, and cultural development of France from the French Revolution of 1789 to the present. Topics include industrialization, civil society, democratization, art and society, World War I and II, French imperialism, women and gender.

HIST 362/562 Modern Germany
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Since 1848, with emphasis on Bismarckian, Wilhelminian, Weimar, Nazi, and postwar period.
HIST 366/566 History of Middle East Since Muhammad
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The world in which Islam began, the spread of Islam out of the Arabian Peninsula, the emergence of Islamic Empires, European contact, colonialism, and the emergence of Modern Middle Eastern nations.

HIST/AIS 368/568 Studies in American Indian History
1-3 crs. • V • CDV; GE-IVC • May be repeated for a maximum of 9 credits • P: Six credits of history, or junior standing, or consent of instructor.
• Course may be repeated when topic differs for a maximum of nine credits. Consult Class Schedule or department office for current offering.
Selected topics depending on student and staff interests. Possible topics include the history of Wisconsin Indians and American Indians in the twentieth century.

HIST 369/569 Wisconsin Indian History
3 crs. • V • CD3; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of American Indian communities in Wisconsin with emphasis on the mix of continuity and change in response to outside forces.

HIST 370/570 History of the Family in America
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
No credit if taken after WMNS 470.
Evolution of the American family from colonial times to the present. Emphasis on changing ideals of womanhood; the demographic and sexual revolutions; the political, social, and economic developments including cultural and ethnic diversity and conflicts in the lands between West Europe and Russia; Poland, Czech Republic, Slovakia, Hungary, the Baltic States, and the Ukraine.

HIST/AIS 371/571 History of the Modern Balkans
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The political, social, and economic developments including cultural and ethnic diversity and conflicts in Albania, Bosnia, Bulgaria, Croatia, Greece, Macedonia, Moldova, Romania, Slovenia, and Yugoslavia.

HIST/WMNS 373/573 American Women’s History to 1870
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines the political, social, and economic developments including cultural and ethnic diversity and conflicts in America. Focuses on the lives and contributions of women from colonial times through the mid-nineteenth century, including enslavement, abolitionism, and women’s role in the Civil War. The study of women is a major part of the course.

HIST 375/575 Twentieth Century Russia
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The political, social, and economic developments including cultural and ethnic diversity and conflicts in Russia. The political and social developments in Russia from the end of the tsarist period in 1917 to the present. The transformation of Russia from an autochthonous empire with its own unique and complex traditions into a part of the Soviet Union and the world. The course focuses on the role of women in Russian history.

HIST 376/576 World War I and II Military
3 crs. • V • FC; GE-IVC; Field Trip(s) Required • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Explores World Wars I and II from the perspective of professional military history. Emphasizes strategy, tactics, decision-making, and battle history. The role of culture’s influence on strategy is discussed.

HIST 377/577 American War in the Post 1945 World
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American involvement in the Korean and Vietnam conflicts, military policy in between wars, Desert Shield/Desert Storm, and the home front impact of war. Emphasizes the daily lives of combatants.

HIST/WMNS 378/578 American Women’s History Since 1870
3 crs. • V • CD1; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Explores women’s relationship to the economy and to political movements; changing ideals of womanhood; the demographic and sexual revolutions; and class, race, ethnic, and regional variations in women’s experience.

HIST 379/579 History of Modern East Europe
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Political, social, and economic developments including cultural and ethnic diversity and conflicts in the lands between West Europe and Russia; Poland, Czech Republic, Slovakia, Hungary, the Baltic States, and the Ukraine.

HIST 380/580 Museums in the United States
3 crs. • V • GE-IVC; Field Trip(s) Required • P: Six credits of history, or junior standing, or consent of the instructor.
Seminar Hours: 3 | Lab/Studio Hours: 0
Examines the history of the museum in the United States, particularly in the evolution of the role and function of museums over time. The impact of past practices on contemporary institutions is emphasized.

HIST 381/581 Comparative Genocide
3 crs. • V • FC; GE-IVC • P: Six credits in history, or junior standing, or consent of the instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines the causes and implementation of genocide as well as strategies for preventing and combating genocidal hatred, especially through international law and institutions. Cases examined will be drawn from multiple time periods and global locations.

HIST 382/582 Imperialism Since 1800
3 crs. • V • FC; GE-IVC • P: Six credits in history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines the major components of Modern African history. Among topics for study are African civilizations, European contact, slavery, colonialism, independence movements, African nationalism as well as more recent political, social, cultural and economic change.

HIST 384/584 The Vietnam War
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
No credit if taken after WMNS 473.
Examines the history of Vietnam, 1945-1975. Topics include: Vietnam in history, French colonial rule, nationalism and communism in Vietnam, U.S. policies, the debates of the war, and the legacy of the war.

HIST/WMNS 385/585 The History of Middle Eastern Muslim Women
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines the history of Middle Eastern Muslim women, and the ways in which people have represented them, from the seventh through the twentieth centuries. Considers feminist, historicist, and post-modern interpretations.

HIST 386/586 Introduction to Public History
3 crs. • V • GE-IVC; SL-Half; Field Trip(s) Required • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course will introduce students to the theory and practice of a variety of public history pursued in many different settings. Topics include: professional organizations, government, museums, universities, community groups, and other such groups.

HIST 387/587 Marco Polo’s World, 1250-1350
3 crs. • V • GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examination of Marco Polo’s journey from Europe to China as a way of understanding the world between the Mongol Empire and the European Renaissance.

HIST 388/588 History of China
3 crs. • V • FC; GE-IVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Social, cultural, and political history of China, inclusive of women, ethnic minorities, and commoners, from the ancient period to the present.
HISTORY

HIST 389/589 History of Japan
3 crs. • V • FC; GE-JVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Social, economic, political, and intellectual development of Japan: emergence of Japanese civilization, the Heian period, the age of the samurai, the Meiji Restoration, and Japan in the twentieth century.

HIST 390 Local History, Global History
3 crs. • V • FC; GE-JVC; RPS Flat Rate Tuition • A-F Grades Only • P: Limited to organizational leadership and communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines the connection between the history of Wisconsin and the broad forces of global history. Topics include first peoples, expansion of world trade, colonization, long-distance immigration, the development of new societies, and globalization.

HIST 393/593 Roots of Selected Contemporary World Problems
1-5 crs. • V • GE-JVC • May be repeated • P: Six credits of history, or junior standing, or consent of instructor.
May be repeated when topic differs. Selected world problems depending on student interest and staff. Number of credits assigned will vary according to the nature of the topic. Consult Class Schedule or department office for current offering.

HIST/WMNS 394/594 Studies in the History of Women
1-3 crs. • V • GE-JVC • May be repeated
Selected aspects depending on student interest and staff. Possible topics include a survey of entire history of women in Western world or women in American history. Consult Class Schedule or department office for current offering.

HIST 395/595 Directed Studies
1-3 crs. • V • May be repeated • Department Consent Required
Study of historical problem or topic.

HIST 396 Research Apprenticeship in History
1-3 crs. • V • A-F Grades Only • May be repeated for a maximum of 3 credits • Department Consent Required
Qualified students, recruited and supervised by an instructor, engage in original research in collaboration with the instructor. Research methods and current status of historical knowledge are applied to create new knowledge.

HIST 397 Student Academic Apprenticeship in History
1-3 crs. • V • SL-Full • May be repeated for a maximum of 3 credits • P: Minimum junior standing. Minimum resident GPA of 3.30. • Department Consent Required
Qualified students work under the close supervision of faculty to tutor students. If students complete a content-based project related to a course in which they tutor, they can earn a letter grade. Otherwise, they will be graded on an S/U basis.

HIST 399 Independent Study - Juniors
1-3 crs. • V • SL-Optional • May be repeated • Department Consent Required
Intensive study of topic resulting in a quality research paper or report.

HIST 401/601 Public History in England
3 crs. • Su • FC; GE-JVC; Field Trip(s) Required; Special Course Fee Required
Varies by Term/Section • A-F Grades Only • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Open only to students participating in the Harlaxton Summer Study Abroad Program. In this course, students are introduced to historic preservation and interpretation as they are carried out in England. The course is conducted on site through a CIE Summer Program based at Harlaxton College.

HIST 480/680 History of Wisconsin
3 crs. • V • GE-JVC • P: Six credits of history, or junior standing, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Political, economic, and social development.

HIST 486/686 Seminar in Public History
3 crs. • Sp • SL-Full; Field Trip(s) Required • May be repeated for a maximum of 6 credits • P: HIST 386
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The seminar in public history is organized around completing a project in a particular field in the discipline. Students will conduct research and complete a written seminar paper that will serve as a part of a larger class product.

HIST 488 Proseminar in History
2 crs. • E, Sp • SL-Optional; CF • A-F Grades Only • P: 21 credits in history, including HIST 288. Limited to history and broadfield social studies-history majors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
First half of the capstone sequence. Expands knowledge of historical thinking and research methods. Students develop capstone topic and conduct research in preparation for writing capstone papers in History 489.

HIST 489 Research Seminar
2 crs. • E, Sp • SL-Optional; CP • A-F Grades Only • P: HIST 488. Limited to history and broadfield social studies-history majors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Capstone experience in which the students complete a major research project for presentation to the class and evaluation by the history faculty. The project will reflect the writing, reading, and analytical skills that the students have developed in the history major.

HIST 491/691 Special Topics
1-3 crs. • V • Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 9 credits
Topics will vary depending on interest of students and faculty. Topics may be specific themes or eras of history.

HIST 492 Honors Seminar in History
3 crs. • F, Sp, Su • May be repeated • P: Limited to history majors. Minimum resident and total GPA of 3.50. Minimum senior standing. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Intensive study of selected problems. Exact topics covered will vary according to particular interests of professor, degree of preparedness of students, and availability of materials.

HIST 496 Honors Independent Study
1-3 crs. • F, Sp, Su • SL-Full; IN • May be repeated • P: Limited to history majors. Minimum resident and total GPA of 3.50. Minimum senior standing. • Department Consent Required
Involves independent reading with regular conferences between student and faculty member, or a research paper with similar regular conferences.

HIST 498 Internship
1-3 crs. • E, Sp, Su • SL-Full, IN • May be repeated for a maximum of 6 credits • S/U Only Grade Basis • P: HIST 386 or consent of instructor. 24 credits in history. Limited to history majors. • Department Consent Required
• Only three credits may count towards major.
Supervised assignment to museum, archives, historical site, public agency, or private business for practical experience in the work of public historians. Work will build on and be related to research skills and historical knowledge developed in other history courses.

HIST 499 Independent Study - Seniors
1-3 crs. • E, Sp, Su • SL-Optional • May be repeated • Department Consent Required
Intensive study of topic resulting in a quality research paper or report.
The Department of Languages provides a vital component in the undergraduate liberal arts education offered at the University of Wisconsin-Eau Claire. The department promotes multilingualism as the key to intercultural understanding. It does so through courses in foreign language, culture, and literature, including English language for native speakers of other languages; major and minor programs in a number of world languages; study abroad opportunities and internships in many countries; and student/faculty collaborative research. Graduates from the Department of Languages serve at home and abroad as ambassadors for a diverse, peacefully interacting global society.

MAJOR AND MINOR PROGRAMS

The Department of Languages offers Liberal Arts and Teaching majors and minors in French, German, and Spanish, and a Liberal Arts minor in Japanese. In German and Spanish, students may opt for a Business/Professions emphasis within the Liberal Arts major. In addition, a Spanish for Health Professions minor and certificate are available as well as Certificate Programs in French Proficiency and German Proficiency. Language students may also be interested in the minor in Teaching of English to Speakers of Other Languages (TESOL), and a certificate minor in Teaching English as a Foreign Language (TEFL). Students of Spanish have the opportunity to pursue a major or minor in Latin American Studies (LAS).

OTHER LANGUAGES OFFERED

In addition to the major, minor and certificate programs, the Department of Languages provides, as resources permit, at least one year of instruction in Chinese, Danish (in Denmark only), English as a Second Language, Greek, Hmong, Japanese, Latin, and Russian. One year of any of the languages taught in the department fulfills the one-year foreign language requirement for a Bachelor of Arts Degree in the College of Arts and Sciences. To meet this requirement, however, the student must earn a grade of at least C or a mark of S in a Foreign Language course numbered 102 or higher.

MAJOR: FRENCH, Liberal Arts (Code 260-201)

A minimum of 36 semester credits beyond Fren 102, or 28 semester credits beyond Fren 202, including 315, 325, and either 335 or 340. Students may earn their remaining credits from any of the following, but must take a minimum of six credits at the 400 level: Fren 335 or 340 (whichever course is not counted as part of the above core requirements), 345, 354, 355, 361, 362, 401, 450, 463, or 491. Up to three credits may be applied to the major from Fren 395, 399, or 499 with adviser and department approval. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option A or C and leads to licensure to teach French in Early Childhood through Adolescence classrooms.

MINOR: FRENCH, Liberal Arts (Code 260-401)

A minimum of 24 semester credits beyond Fren 102, or 16 semester credits beyond Fren 202, including 315, 325, and either 335 or 340. Students may earn their remaining credits from any of the following: Fren 335 or 340 (whichever course is not counted as part of the above core requirements), 345, 354, 355, 361, 362, 401, 450, 463, or 491. Up to three credits may be applied to the minor from Fren 395, 399, or 499 with adviser and department approval.

CERTIFICATE PROGRAM

The Department of Languages offers a certificate program in French Proficiency (Code 260-601) for students in any major or minor other than French who would like to add proficiency in French to their skill set. The program provides students with practical written and oral language skills in French, thereby complementing majors in all other disciplines across the university and strengthening the prospects of students who intend to pursue careers or graduate study in the many areas in which proficiency in French is useful. To complete the certificate, 13 credits beyond Fren 201 are required, including Fren 202, 315, 325, and a choice between Fren 335 or Fren 340.

MINOR: FRENCH, Teaching

A minimum of 24 semester credits beyond Fren 102, or 16 semester credits beyond Fren 202, including 315, 325, 335 or 340; and Flg 378. Students may earn their remaining credits from any of the following, but must take a minimum of six credits at the 400 level: 335 or 340 (whichever course is not counted as part of the above core requirements), Fren 345, 354, 355, 361, 362, 401, 450, 463, or 491. Up to three credits may be applied to the minor from Fren 395, 399, or 499 with adviser and department approval.

Early Adolescence/Adolescence (Code 260-404)

ES 366 (two crs) required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach French in Early Adolescence through Adolescence classrooms.

Middle Childhood/Early Adolescence (Code 260-405)

ES 437 required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach French in Middle Childhood through Early Adolescence classrooms.

Early Childhood/Adolescence (Code 260-406)

ES 437 and 366 (three crs) required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option C and leads to licensure to teach French in Early Childhood through Adolescence classrooms when combined with a major in another foreign language at the Early Childhood through Adolescence level.
MAJOR: GERMAN, Liberal Arts
A minimum of 36 semester credits in German beyond Germ 102, or 28 semester credits beyond Germ 202.

Liberal Arts Emphasis (Code 280-201)
This emphasis requires Germ 313, 314, 315, 325, 363, and two 400-level German courses selected from 413, 480, 482, 491. Courses taken must include at least one from the following list: 480, 482 or equivalent 400-level German course approved by adviser. In addition, the student must take one course from the following list: ArtH 319, 321; Geog 301; Hist 204, 284, 315, 324, 326, 362; Hnrs 103; Phil 338; Pols 327; Rel 378, or an equivalent course approved by the adviser.

Business/Professions Emphasis (Code 280-203)
This emphasis requires Germ 313, 314, 315, 316, 325, 358, 413 and at least two credits of Flg 275 (Off-campus Experience) to be completed in a German-speaking country or in a German-speaking business environment in the U.S. In addition, the student must take one course from the following list: Germ 340, 363, 480, 482, or another German course focused on civilization, culture, and/or literature as approved by adviser.

MAJOR: GERMAN, Teaching (Code 280-204)
A minimum of 36 semester credits in German beyond Germ 102, or 28 semester credits beyond Germ 202, including Germ 313, 314, 315, 325, 363, 413; and one of the following: Germ 480, 482, 491. In addition, students must also take Flg 378, as well as at least one course from the following list: ArtH 319, 321; Geog 301; Hist 204, 284, 315, 324, 326, 362; Hnrs 103; Phil 338; Pols 327; Rel 378, or an equivalent course approved by the adviser. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option A or C and leads to licensure to teach German in Early Childhood through Adolescence classrooms.

MINOR: GERMAN, Liberal Arts (Code 280-401)
A minimum of 24 semester credits in German beyond Germ 102, or 16 semester credits beyond Germ 202, including Germ 313, 314, 315, 363.

CERTIFICATE PROGRAM
The Department of Languages offers a certificate program in German. Proficiency (Code 280-601) for students in any major or minor other than German who would like to add proficiency in German to their skill set. The program provides students with practical and professional language skills in German, thereby complementing majors in all other disciplines across the university and strengthening the prospects of students who intend to pursue careers or graduate study in the many areas in which proficiency in German is useful. To complete the certificate, 13 credits beyond Germ 201 are required, including Germ 202, 314, 315, 358, and one credit of Germ 395 during which students prepare and present a translation in their major field of study.

MINOR: GERMAN, Teaching
A minimum of 24 semester credits beyond Germ 102, or 16 semester credits beyond Germ 202, including Germ 313, 314, 315, 325, 363. In addition, students must take Flg 378.

Early Adolescence/Adolescence (Code 280-404)
ES 366 (two crs) required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach German in Early Adolescence through Adolescent classrooms.

Middle Childhood/Early Adolescence (Code 280-405)
ES 437 required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach German in Middle Childhood through Early Adolescence classrooms.

Early Childhood/Adolescence (Code 280-406)
ES 437 and 366 (three crs) required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option C and leads to licensure to teach German in Early Childhood through Adolescent classrooms when combined with a major in another foreign language at the Early Childhood through Adolescence level.

MINOR: JAPANESE, Liberal Arts (Code 270-401)
A minimum of 24 semester credits, including 16 credits in core courses: Japn 101, 102, 201, 202. Eight credits must be chosen from the following list, of which a minimum of six credits must be at the 300 or 400 level: Anth 345; Econ 353; Flg 150 (when focusing on Japan); Hist 252, 389; Japn 301, 302; Phil / Rels 326; Rels 312, 323. Additionally, up to three credits of Directed Studies or Independent Study for projects focusing on Japan may be applied to the minor with approval from the minor adviser. Other Special Topics courses focusing on Japan may be considered as elective courses with consultation and approval of the minor adviser. Students are strongly encouraged to participate in the study abroad program in Japan. Course credit gained at the study abroad site may be used to fulfill part of the Japanese minor with approval of the minor adviser.

INFORMATION FOR ALL SPANISH MAJORS AND MINORS
All Spanish majors and minors in any of the emphases offered must complete an appropriate period of language immersion in residence in a country in which the language is spoken, or participate in an alternative language immersion experience that must be approved by the Spanish section. The minimum time period for meeting the residence/immersion requirement is six weeks; however, the Spanish section recommends that students spend at least one semester abroad.

MAJOR: SPANISH, Liberal Arts
All Spanish, Liberal Arts Majors will take a minimum of 36 credits beyond Span 102, or 28 credits beyond Span 202, including Span 301, 302, and 325.

Liberal Arts Emphasis (Code 320-201)
In addition to the requirements above, this emphasis requires Span 355 or 356, 405, Span/LAS 352, one survey of Spanish literature (Span 363), one survey of Spanish American literature (Span/LAS 367), and three credits of advanced literature. In addition, the student must take one course from the following list: ArtH/AIS 335, 337; Econ/LAS 356; Fltr/LAS 350; Geog/LAS 321; Hist/LAS 309, 311; Hnrs 304 (when offered as Crossing Borders: Discourses from Latin America); LAS 150; Pols/LAS 319, 320; Rels/AIS 330.

Business/Professions Emphasis (Code 320-205)
In addition to the requirements above, this emphasis requires Span 306, 340, 356; Span/LAS 352 and three of the following: Span 409, 420, 421, or 440. Courses highly recommended as electives are Span 405 and 410.

Linguistics Emphasis (Code 320-206)
In addition to the requirements above, this emphasis requires Span 326, Span 352, Span 356, Span 360, Span 418, and Span 492. Also, the student must take one course from the following list: AIS/Anh 161; CSD 311; Engl 321; Geog /LAS 321; Hist/LAS 309, 311; Phil 322; Pols 319, 320.

MAJOR: SPANISH, Teaching (Code 320-203)
Identical with the Liberal Arts major with the addition of Span 410 and Flg 378. Also, the three credits of advanced coursework may be fulfilled by taking Spanish advanced literature or Spanish advanced linguistics. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option A or C and leads to licensure to teach Spanish in Early Childhood through Adolescent classrooms.
MINOR: SPANISH, Liberal Arts (Code 320-401)

A minimum of 24 semester credits beyond Span 102, or 16 credits beyond Span 202, including Span 301, 302, and nine credits to be selected from Span 325, 355, 356, 405; Span/LAS 352. Majors in social work desiring a minor in Spanish may substitute Span 353 for other courses in civilization.

MINOR: SPANISH FOR HEALTH PROFESSIONS, Liberal Arts (Code 320-408)

A minimum of 24 semester credits beyond Span 102, or 16 credits beyond Span 232 or 202, including Span 301, 302, 306, 320, 420, and Span/LAS 312. Span/LAS 352 is highly recommended.

CERTIFICATE PROGRAM

The Department of Languages offers a certificate program in Spanish for Health Professions (Code 320-601) for students or other health care-related professionals other than Spanish majors and minors interested in adding Spanish proficiency to their skills. To complete the certificate, 18 credits beyond Span 102 are required, including Span 231 or 201, 232 or 202, 306, 320, 420; Span/LAS 312.

MINOR: SPANISH, Teaching

A minimum of 24 semester credits beyond Span 102, or 16 credits beyond Span 202, including Span 301, 302, 325, 410 and one civilization course (Span 355, 356; Span/LAS 352); and Flg 378.

Early Adolescence/Adolescence (Code 320-405)

ES 366 (two crs) required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Spanish in Early Adolescence through Adolescence classrooms.

Middle Childhood/Early Adolescence (Code 320-406)

ES 437 required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach Spanish in Middle Childhood through Early Adolescence classrooms.

Early Childhood/Adolescence (Code 320-407)

ES 437 and 366 (three crs) required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option C and leads to licensure to teach Spanish in Early Childhood through Adolescence classrooms when combined with a major in another foreign language at the Early Childhood through Adolescence level.

SPANISH HONORS PROGRAM

Students who are majoring in Spanish may enter the Spanish Honors Program in two ways: (a) by an appropriate score on the Spanish Placement Test at the time of admission to the University; (b) by invitation of the Spanish faculty after a semester or more at UW-Eau Claire.

Procedure

A written application for the Spanish Honors Program must be approved by the department chair. Students admitted to the Program must gain approval of the instructor and department chair to enroll in courses as an honors option.

Requirements

1. Completion of at least nine credits from the following honors option courses: Span 355, 356, 385, 386, 410; Span/LAS 352, 476, 477. By the end of the second week of classes, the student will develop a description of the honors work to be done in the course, gain the instructor’s approval, and submit the description to the department chair for approval. As part of the honors work, a student paper/report must be written and filed with the department chair along with an indication by the instructor that the student has successfully performed honors work.

2. Completion of a project (usually in an honors option course) which is approved as honors work by the instructor and two other members of the department.

3. Maintain resident and total GPAs of 3.50 in the major and in all credits attempted to remain in the Program and to graduate with honors in Spanish. If the GPAs fall below 3.50, a decision by the Spanish faculty is required for reinstatement to the Program.

RESIDENCY REQUIREMENT FOR PROSPECTIVE LANGUAGE TEACHERS

All majors and minors who wish to be certified to teach a foreign language must complete an appropriate period of language immersion in residence in a country in which the language is spoken, or provide an alternative language immersion experience that must be approved by the Department. The minimum time period for meeting the residence/immersion requirement is six weeks. However, the Department of Languages recommends that students spend at least one semester abroad.

ORAL PROFICIENCY REQUIREMENT FOR PROSPECTIVE LANGUAGE TEACHERS

Wisconsin Department of Public Instruction content guidelines require that foreign language teachers demonstrate minimal oral proficiency at a level equivalent to Intermediate High according to the ACTFL Proficiency Guidelines. Prospective teachers at UW-Eau Claire must demonstrate such proficiency through an official ACTFL Oral Proficiency Interview (OPI). Information on the Oral Proficiency Interview and the ACTFL Proficiency Guidelines (Speaking) is available in the Department of Languages.

PLACEMENT TEST IN FOREIGN LANGUAGES

Students whose records indicate at least two units of French, German, Spanish, or Japanese study in Junior/Senior High School and who do not have college credit in the language are required to take a placement test in that language prior to registration in order to determine the level at which they should continue their foreign language instruction. At the time of the test, students will be advised as to the language course in which they should enroll.

Students who place into a 102-level foreign language class will be considered to have met the 101-level competency requirement and may not enroll in a 101-level class in the same language for credit without the permission of the Chair of the Department of Languages. Additionally, a student who places into a 201-level class or above will be considered to have met the 101- and 102-level requirements and may not enroll for credit in any course that is at a lower level than the one into which the student has placed without the permission of the Chair of the Department of Languages.

Placement tests in French, German, and Spanish are offered as part of Regional Placement Testing in March and April, during Summer Orientation, and during spring/fall registration. For information about these tests and the Japanese placement test, consult Academic Testing (Schofield 226).

ROMA HOFF INSTRUCTIONAL RESOURCE CENTER

Practice in the Roma Hoff Instructional Resource Center (RHIRC) is a required part of elementary, intermediate, conversation, and phonetics courses in modern foreign languages. The center provides access to foreign language sound and video programs, to foreign films, and to computer-assisted foreign language instruction. Four-credit courses at the beginning and intermediate levels include four hours of classroom instruction and at least one laboratory hour per week.

CREDIT FOR HIGH SCHOOL WORK OR OTHER FOREIGN LANGUAGE EXPERIENCE

Students with high school courses or other learning experiences in a foreign language may obtain college credit for their previous work by taking a confirming course under the following conditions: (1) The
confirming course must be the first college-level course completed in the language and must be taken by a regularly enrolled student at UW-Eau Claire. (However, students who have taken a college-level course while in high school are also eligible for credit for previous work by taking a confirming course.) (2) The confirming course must be 102, 201, 202, or in French 315; in German, 313, 314 or 315; in Spanish, 301. (3) The course must be passed with a letter grade of B (not B-) or above and may not be repeated for the purpose of requesting credits under this policy. (4) A maximum of 16 credits may be granted in any one language for previous work at a level lower than the confirming course. Further information is available from the Chair of the Department.

B.A. REQUIREMENT, COLLEGE OF ARTS AND SCIENCES

Students should note also the B.A. requirement in the College of Arts and Sciences, page 57.

FOREIGN LANGUAGE/FOREIGN CULTURE REQUIREMENT

Students should note also the foreign language/foreign culture requirement for the baccalaureate degree, page 42. Other courses that can be used to fulfill the foreign language requirement are AIS 112, Studies in American Indian Languages II and CSD 103, American Sign Language III. See pages 83 and 258, respectively, for course descriptions.

STUDY ABROAD

The department encourages study abroad in any of the programs sponsored by the Department of Languages, such as the semester programs in Costa Rica, Costa Rica/Nicaragua, Chile, Pau in France, Marburg in Germany, Japan, Valladolid in Spain, and Uruguay; the semester or year exchange programs in Graz (Austria) and year programs in different sites in the state of Hessen (Germany); summer program in Mexico or Costa Rica—nursing and health care professionals; and exchange semester or year-long programs at one of three ITESM campuses in Mexico. Credits for the major and minor can be earned in any of these programs. Participation in other university-sponsored study abroad programs in Australia, China, England, Greece, Ireland, Latvia, Scotland, South Africa, South Korea, Sweden, and Thailand is also recommended. A resident GPA requirement exists for acceptance in study abroad programs. For details, see the Center for International Education.

INTERNATIONAL EMPLOYMENT

Students interested in a career in international business should consider a major in French, German (Business/Professions Emphasis), or Spanish (Business/Professions Emphasis) combined with the major, minor or certificate in International Business available to students in the College of Business. For information about opportunities for international employment, consult Dr. Kristy Lauver, the adviser for students seeking the International Business major, minor or certificate in the College of Business.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES

Another important offering in the Department of Languages is English for the ever-growing number of non-native speakers of English on campus. The English Language Academy (ELA) offers English as a Second Language instruction during the regular academic year as well as during the summer months.

All international students either seeking a degree or on exchange from their home institutions, immigrants/refugees, and/or non-native speakers of English who are residents of the United States are welcome to take coursework to further develop their English speaking, listening, reading, writing, grammar, vocabulary, and pronunciation.

UW-Eau Claire offers different programs to assist non-native speakers of English to continue their language study. For information regarding these programs, contact the Department of Languages (Centennial Hall 4508).

English Language Requirement for Admission of International Students: TOEFL score of 550 (pbt), or 213 (cbt), or 79 (ibt).

- **Degree Seeking Students**
  Degree seeking students demonstrating English proficiency with a TOEFL score of 550pbt/213cbt/79ibt or higher may enroll directly in academic courses. If they choose, they may take an English Placement Exam and enroll in any ESL courses recommended to them.

- **Exchange Students**
  Exchange students are admitted according to the terms of specific inter-institutional agreements. Those who demonstrate a TOEFL score of 550pbt/213cbt/79ibt or higher are not required to take the English placement exam, and may enroll in academic courses. Those with a lower TOEFL score must take the placement exam, and follow the recommendations of the ESL program director.

- **English as a Second Language Students**
  Students with a TOEFL score below 550pbt/213cbt/79ibt may be admitted to the ESL program. These students must take an English Placement Exam and follow the recommendations of the ESL program director. Students may elect to take credit or non-credit courses in the ESL program.

The purpose of the English Placement Exam is to determine whether each non-native speaking student’s language proficiency is sufficient for active involvement in UWEC coursework. A non-native speaker of English must be linguistically prepared for the rigorous academic challenges at UW-Eau Claire in terms of in-class oral and aural interaction and out of class reading and writing.

The English Placement Exam is conducted the week prior to the beginning of courses. For information related to the English Placement Exam, contact the ESL Coordinator, Department of Languages.

CHINESE (CHIN)

CHIN 101 Beginning Chinese
4 crs. • F • GE-IA
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
An introduction to the language and culture of China. Includes basic grammar with practical application to all language skills: listening, speaking, reading, writing.

CHIN 102 Beginning Chinese
4 crs. • Sp • GE-IA • P: CHIN 101 or equivalent.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Chinese 101.

CHIN 110 Intensive Beginning Chinese (Mandarin)
16 crs. • F, Sp • GE-IA
Lecture/Discussion Hours: 16 | Lab/Studio Hours: 6
Taught only at Jinan University, Guangzhou, China.
Emphasis on basic vocabulary, grammar, speaking, listening, and writing.

CHIN 201 Intermediate Chinese
4 crs. • F • GE-IA • P: CHIN 201 or equivalent.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Chinese 201.

CHIN 202 Intermediate Chinese
4 crs. • F • GE-IA • P: CHIN 201 or equivalent.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Chinese 201.

CHIN 210 Intensive Intermediate Chinese (Mandarin)
16 crs. • F, Sp • GE-IA • P: CHIN 110
Lecture/Discussion Hours: 16 | Lab/Studio Hours: 6
Taught only at Jinan University, Guangzhou, China.
Development of fundamental skills in vocabulary, grammar, speaking, listening, and writing. Continuation of Chinese 110.
ENGLISH AS A SECOND LANGUAGE (ESL)

ESL 101 Integrated English Language Skills for Non-Native Speakers I
6 crs. • F, Sp, Su • Department Consent Required
Seminar Hours: 6
• Only open to non-native speakers of English.
This beginning level multi-skill ESL course is designed to cover the four skills of listening, speaking, reading, and writing, while giving systematic attention to grammar, pronunciation, and vocabulary.

ESL 125 Cross-Culture Talk for ESL Students
3 crs. • F, Sp, Su • May be repeated for a maximum of 6 credits
Seminar Hours: 3
• Only open to non-native speakers of English.
This course focuses on small group discussion with emphasis on social and academic situations applicable to the university environment.

ESL 135 Focus on Reading and Writing
6 crs. • F, Sp • May be repeated for a maximum of 12 credits
Seminar Hours: 6
• Only open to non-native speakers of English.
This course, which focuses on the processes of reading and writing, will develop the basic reading and writing skills of non-native speakers of English.

ESL 140 Beginning Pronunciation
3 crs. • F, Sp • May be repeated for a maximum of 6 credits
Seminar Hours: 3
• Only open to non-native speakers of English.
This course will improve students' ability to hear, identify and clearly articulate the most important sounds and basic stresses and rhythms of American English. Listening skills, oral skills and the ability to clearly communicate simple messages will be enhanced.

ESL 150 Exploring Regional Culture and History for ESL Learners
3 crs. • F, Sp, Su • Field Trip(s) Required • May be repeated for a maximum of 6 credits
Seminar Hours: 3
• Only open to non-native speakers of English.
This course is designed to use English language skills to introduce students to life in Wisconsin from yesterday to today.

ESL 191 Beginning Special Topics for ESL Learners
3 crs. • F, Sp • May be repeated for a maximum of 6 credits
Seminar Hours: 3
• Only open to non-native speakers of English.
In-depth study of a special area in the learning of English as a Second Language for high-beginner or intermediate level English language learners only. Topics are specified in the Class Schedule.

ESL 201 Integrated English Language Skills for Non-Native Speakers II
6 crs. • F, Sp, Su • Department Consent Required
Seminar Hours: 6
• Only open to non-native speakers of English.
This intermediate level multi-skill ESL course is designed to improve listening, speaking, reading, and writing skills as well as grammar, pronunciation, and vocabulary while preparing students for academic learning.

ESL 205 Introduction to Academic Reading and Writing
6 crs. • F, Sp • May be repeated for a maximum of 12 credits
Seminar Hours: 6
• Only open to non-native speakers of English.
This course, which focuses on the processes of reading and writing, will develop the academic reading and writing skills of non-native speakers of English.

ESL 215 The Pronunciation of American English
3 crs. • F, Sp • May be repeated for a maximum of 6 credits
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Only open to non-native speakers of English.
Designed for non-native speakers of English. To promote clear pronunciation for effective communication with a focus on comprehensibility to appropriate native-like target pronunciation. This course teaches ESL learners to hear, identify, and clearly articulate the sounds and patterns in spoken English.

ESL 260 Oral Presentation Skills for Non-Native Speakers of English
3 crs. • F, Sp, Su • May be repeated for a maximum of 6 credits
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Only open to non-native speakers of English. Field trip(s) optional.
This course is intended to equip ESL students with the pragmatic and linguistic tools necessary to communicate more effectively in English. The course is designed to provide them with meaningful oral communication practice and speaking solutions toward the improvement of interaction, presentation, and pronunciation skills.

ESL 275 Global Current Events Through News Media
2 crs. • F, Sp • May be repeated for a maximum of 4 credits
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Only open to non-native speakers of English.
This course is designed for ESL students to improve listening, speaking, reading, writing, and vocabulary skills. Using a variety of news media, students will be required to read, research, and write about global current events.

ESL 285 Advanced Listening and Notetaking Skills
2 crs. • May be repeated for a maximum of 4 credits
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Only open to non-native speakers of English.
Prepares advanced-level ESL students for the demands of academic lecture comprehension and notetaking. Students will develop the ability to understand lectures and to take organized and comprehensible notes in academic content lessons.

ESL 291 Special Topics for ESL Learners
1-3 crs. • F, W, Sp, Su • May be repeated for a maximum of 6 credits
• Only open to non-native speakers of English. Field trip(s) optional. See current Class Schedule for specific topic.
In-depth study of a special area in the learning of English as a Second Language.

ESL 301 Integrated English Language Skills for Non-Native Speakers III
6 crs. • F, Sp, Su • Department Consent Required
Seminar Hours: 6
• Only open to non-native speakers of English.
This advanced level multi-skill ESL course is designed to improve listening, speaking, reading, writing, and grammar skills while preparing students for further academic work or a career using English.

ESL 305 Advanced Academic Writing
6 crs. • F, Sp, Su • May be repeated for a maximum of 12 credits • A-F Grades Only
Seminar Hours: 6
• Only open to non-native speakers of English.
This advanced-level course which focuses on the processes of reading and writing will prepare non-native speakers of English for success in academic writing in University-level courses.

ESL 310 Multicultural Literature for Non-Native Speakers of English
3 crs. • F, Sp, Su • CD3
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Only open to non-native speakers of English.
Designed to develop analytical and critical thinking skills through the study of multicultural literature.

ESL 315 Advanced Pronunciation
3 crs. • F, Sp • May be repeated for a maximum of 6 credits
Seminar Hours: 3
• Only open to non-native speakers of English.
This course will improve students' ability to hear, identify and clearly articulate the sounds, stress patterns, intonation and rhythm of American English. Listening skills, oral skills, and clear communication with native speakers will be improved.

ESL 320 Business English for Non-Native Speakers
3 crs. • F, Sp, Su
Seminar Hours: 3 | Lab/Studio Hours: 0
• For advanced levels of English proficiency only. Field trip(s) optional.
Designed for non-native English speaking students. Intended to equip English language learners with the English writing, speaking, and listening skills necessary to communicate effectively on the job while building learners' English vocabulary for the business discourse domain.

ESL 360 US Culture and Institutions for ESL Students
3 crs. • F, Sp • GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Only open to non-native speakers of English.
This advanced-level language proficiency course is designed for ESL students to improve listening, speaking, reading, and writing skills while providing an introduction to the institutions and cultures of the U.S.A. and the implications these have on how Americans think and behave both nationally and internationally.

ESL 391 Professional English Advanced Special Topics for ESL Learners
1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only
• Only open to non-native English speakers only.
In-depth study of a special area in the learning of English as a Second Language. This special topics course is for advanced level English language learners only. Topics specified in the Class Schedule.
FLG 101 Beginning Foreign Language I
4 crs. • V • GE-IA
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Foundation in a foreign language not regularly offered at UWEC, including listening, speaking, reading, and cultural background.

FLG 102 Beginning Foreign Language II
4 crs. • V • GE-IA • P: FLG 101, Beginning Foreign Language I, (same language) or equivalent, as established by written documentation or placement test.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Foreign Language 101, Beginning Foreign Language I.

FLG 150 Foreign Civilization and Culture
3 crs. • V • FC; GE-IVD • May be repeated for a maximum of 6 credits
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the culture and civilization of a foreign people or society. Students will learn about the society’s historical background, its traditions and customs, and its main cultural expressions.

FLG 165 Amish in North America
3 crs. • Sp, Su • FC; GE-IVD
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the history, culture, religion, beliefs, customs, rituals, language, and society of the Old Order Amish in North America, with the goal of enhancing understanding of another and one’s own culture.

FLG 201 Intermediate Foreign Language I
4 crs. • V • GE-IA • A-F Grades Only • P: FLG 102 or equivalent (same language), as established by written documentation or placement test.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Review and expansion of grammar and vocabulary, with focus on the development of reading, writing, speaking, and listening skills, as well as on the culture represented by the language.

FLG 202 Intermediate Foreign Language II
4 crs. • V • GE-IA • A-F Grades Only • P: FLG 201 or equivalent (same language), as established by written documentation or placement test.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Continuation of Foreign Language 201 (review and expansion of grammar and vocabulary, with focus on the development of reading, writing, speaking, and listening skills, as well as on the culture represented by the language).

FLG 275 Off-campus Experience
1-3 crs. • F, Wi, Sp, Su • P: Minimum resident and total GPA of 2.80 • Instructor Consent Required
• Must be supervised by a faculty member in the Department of Foreign Languages.
This off-campus experience course enables students to take part, under UWEC faculty supervision, in entry-level internships and other guided or structured learning experiences in or centered on a foreign language, country, or culture.

FLG 365/565 Special Topics in Teaching English to Speakers of Other Languages
3 crs. • Wi, Su • May be repeated for a maximum of 6 credits • P: Limited to TESOL or TEFL Minor
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
In-depth study of various topics related to the field of Teaching English to Speakers of Other Languages (TESOL), which may include Pedagogical Grammar, Psycholinguistics, and ESL Literacy Instruction.

FLG 375 Internship Experience
3-6 crs. • F, Wi, Sp, Su • SL-Optional; IN • P: Minimum resident and total GPA of 2.50 • Instructor Consent Required
• Must be supervised by a faculty member in the Department of Foreign Languages.
This internship course allows students to design international and national field experiences under the supervision of a faculty member. The student may conduct field research or projects, teach a language, or other productive, academic, or professional activity pertinent to their designated focus area.

FLG 378 Second Language Acquisition Theory
3 crs. • F, Sp
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course will help practicing and prospective teachers to understand and apply current research in second language acquisition. Students will explore the many factors that affect school performance of second language learners.

FLG 395/595 Directed Studies
1-4 crs. • May be repeated • Department Consent Required
Study of a problem or special area in a foreign or second language, or introduction to an uncommonly offered foreign language with emphasis on oral proficiency, basic grammar, introduction to reading and writing.
FREN 315 Advanced Grammar in Context
3 crs. • P: FREN 202 or suitable placement score on French Placement Exam.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A comprehensive review of the whole of French grammar, with practical application in speech and writing.

FREN 325 Phonetics and Pronunciation
3 crs. • F • P: FREN 315 or concurrent enrollment.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theory of the French sound system, spelling rules, and intensive practice for improvement of pronunciation.

FREN 335 Written and Oral Expression
3 crs. • F, Sp • FC • P: FREN 315. No credit if taken after FREN 301 and 310.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Intensive practice in oral and written French.

FREN 340 French for Professional Communication
3 crs. • Sp • FC • P: FREN 315. No credit if taken after FREN 395 when offered as French for Business in the Spring of 2008.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This class, taught entirely in French, focuses on specialized language and cultural practices in the French-speaking professional world. This course also prepares students for the Certificat de Français Professionnel 1 (CFP 1), an internationally recognized diploma in French for business.

FREN 345 Introduction to Literary Analysis
3 crs. • V • GE-VID • May be repeated for a maximum of 6 credits • P: FREN 335 or FREN 340, or 300-level language proficiency, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Course may be taken once at UW-Eau Claire and once during study abroad.
Reading of selected poems, plays, and prose fiction; practice in writing critical analyses.

FREN 354 History of French Civilization
3 crs. • V • GE-VID • May be repeated for a maximum of 6 credits • P: FREN 335 or FREN 340, or 300-level language proficiency, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
French history and civilization from pre-history to the Third Republic; the course focuses on the links between political, social, intellectual, and artistic developments.

FREN 355/555 Contemporary French Civilization
3 crs. • V • GE-VID • May be repeated for a maximum of 6 credits • P: FREN 335 or FREN 340, or 300-level language proficiency, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
From 1870 to the present: the country, its people, institutions, art, and culture.

FREN 361/561 Survey of French Literature I
3 crs. • V • GE-VID • May be repeated for a maximum of 6 credits • P: FREN 345, or 300-level language proficiency, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Course may be taken once at UW-Eau Claire and once during study abroad.
A comprehensive review of the whole of French grammar, with practical application in speech and writing.

FREN 362/562 Survey of French Literature II
3 crs. • V • GE-VID • May be repeated for a maximum of 6 credits • P: FREN 345, or 300-level language proficiency, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Course may be taken once at UW-Eau Claire and once during study abroad.
Continued development and refinement of structural language skills through inventive discourse.

FREN 395/595 Directed Studies
1-3 crs. • May be repeated • Department Consent Required
Study of a problem or special area in French language, culture, or literature.

FREN 399 Independent Study - Juniors
1-3 crs. • May be repeated • P: Minimum junior standing • Department Consent Required

FREN 401/601 Advanced Conversation
3 crs. • V • May be repeated for a maximum of 6 credits • P: FREN 335 or FREN 340, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Course may be taken once at UW-Eau Claire and once during study abroad.
Intensive practice in conversation derived from assigned topics.

FREN 430/630 Environmental and Linguistic Diversity
3 crs. • V • FC • May be repeated for a maximum of 6 credits • P: FREN 315; FREN 325 or concurrent enrollment.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Exploration of linguistic and cultural diversity of the Francophone world in the context of those regions’ history and natural environment.

FREN 450/650 Francophone Literature
3 crs. • V • P: FREN 361 or 362.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course focuses on the advanced-level language functions of the ACTFL Proficiency Guidelines (American Council on the Teaching of Foreign Languages), including conversing, narrating, describing in paragraph-length discourse.

GERMAN (GERM)

GERM 101 Beginning German
4 crs. • E Sp • GE-IA • P: Placement test required.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
A foundation in listening, speaking, reading, writing, and culture.

GERM 102 Beginning German
4 crs. • E Sp • GE-IA • P: GERM 101 or suitable placement score on German Placement Exam.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of German 101. A foundation in listening, speaking, reading, writing, and culture.

GERM 201 Intermediate German I
4 crs. • E Sp • GE-IA • P: GERM 102 or suitable placement score on German Placement Exam.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of German 201.

GERM 250 Study Abroad Orientation
1 cr. • F • S/U Only Grade Basis • P: Acceptance into Study Abroad Program in Germany.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Preparation for study abroad in Germany.

GERM 313 Grammar Review and Composition
3 crs. • Sp • FC; GE-IA • May be repeated for a maximum of 6 credits • P: GERM 202 or equivalent.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course focuses on the advanced-level language functions of the ACTFL Proficiency Guidelines (American Council on the Teaching of Foreign Languages), including conversing, narrating, describing in paragraph-length discourse.

GERM 314 Oral Proficiency
3 crs. • Sp • FC; GE-IA • May be repeated for a maximum of 6 credits • P: GERM 202 or equivalent.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course focuses on the development of practical language skills and functional competence in a German-speaking professional environment. Course language is German. (In sequence with German 316 leading to examination for International Business German Certificate.)
GERM 316 German for Professional Communication II
3 crs. • Sp • FC • P: GERM 315
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study and practice of communication in a German business environment, both in speaking and writing. After this course a student may elect to take the internationally recognized exam, “Zertifikat Deutsch für den Beruf.”

GERM 325/525 The German Sound System
3 crs. • F • P: GERM 313 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theory of the German sound system and intensive practice of German pronunciation and intonation. Course language is German.

GERM 340 Introduction to Reading German Literature
3 crs. • Sp • FC; GE-IVD • P: Fluency at the 300 level or consent of instructor.
Lecture/Discussion Hours: 3 Lab/Studio Hours: 0
• To be taught only in the study abroad program in Germany.
Intensive practice in reading (and in speaking and writing about) progressively more challenging literary texts in prose. Introduction to literary forms and genres. Introduction to literary analysis and literary history.

GERM 358/558 Introduction to Translation
2 crs. • F • P: GERM 313 or GERM 315.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
A practically oriented introduction into the craft of translation, with intensive practice of text translation, mainly from German to English. Discussion of translation techniques and some readings of translation theory.

GERM 363/563 Modern Germany: Literature, History, Culture
3 crs. • F • FC; GE-IVD • May be repeated for a maximum of 6 credits • A-F Grades Only • P: One German course at the 300-level, or permission of the instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Combines German history survey 1889-1989, including work on contemporary images and documents, with close reading of literary/cultural texts and close attention to students’ professional development in reading, writing, listening, speaking, translating. Course language is German.

GERM 395/595 Directed Studies
1-3 crs. • F, Sp • May be repeated • Department Consent Required
• A total of no more than six credits of directed study courses may be counted toward graduation.
Study of a problem or special area in German language, culture, or literature.

GERM 399 Independent Study - Juniors
1-3 crs. • May be repeated • Department Consent Required

GERM 413/613 Structure of German in Contrast
3 crs. • Sp • P: GERM 313 or GERM 315.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The course aims to refine students’ proficiency in the German language as well as to further students’ “conscious” mastery of German through a comparative/contrastive analysis with English.

GERM 480/680 Seminar in German Culture and Civilization I, pre-1848
3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: GERM 363, or permission of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An umbrella seminar focusing in-depth on an aspect, topic, or theme of the literature, culture, history, language and/or civilization of German-speaking peoples before 1848. Course language is German.

GERM 482/682 Seminar in German Culture and Civilization II, post-1848
3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: GERM 363, or permission of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An umbrella seminar focusing in-depth on an aspect, topic, or theme of the literature, culture, history, language, and/or civilization of German-speaking countries after 1848.

GERM 491 Special Topics
1-3 crs. • V • May be repeated for a maximum of 9 credits • P: GERM 313 or 315 or consent of instructor.
In-depth study of a special area of language, culture, history, or literature. Topics and credits will vary depending on interests of students and faculty.

GERM 499 Independent Study - Seniors
1-3 crs. • May be repeated • Department Consent Required

GRK 101 Beginning Classical Greek
4 crs. • F • GE-IA
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Introduction to the Classical Greek language, with emphasis on grammar, analytic, and translation skills. The course will serve as an introduction to ancient Greek culture and its impacts on modern, western European and American civilizations.

GRK 102 Beginning Classical Greek
4 crs. • Sp • GE-IA • P: GRK 101
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Continuation of Greek 101.

GRK 201 Intermediate Classical Greek I
2-4 crs. • F even years • GE-IA • May be repeated for a maximum of 4 credits • P: GRK 102
Review of Classical Greek grammar and vocabulary with focus on translation skills. Students will gain a developed understanding of ancient Greek culture and its impact.

HMONG (HMNG)

HMNG 101 Beginning Hmong I
4 crs. • F even years • CD3; GE-IA; Field Trip(s) Required
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
An introduction to Hmong language and culture. Students will gain a basic understanding of the Hmong language structure in writing, reading, grammar, and vocabulary and be exposed to Hmong traditions and customs.

HMNG 102 Beginning Hmong II
4 crs. • Sp odd years • CD3; GE-IA; Field Trip(s) Required • P: HMNG 101
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Hmong Language I. Study of grammar and culture with emphasis on reading, writing, speaking, and listening skills. Students will have greater understanding and appreciation of Hmong culture, literature, and current events through a variety of topics.

JAPANESE (JAPN)

JAPN 101 Beginning Japanese I
4 crs. • F • GE-IA • P: Placement test required.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
A foundation in listening, speaking, reading, writing, and culture. Introduction to hiragana, katakana, and some kanji characters.

JAPN 102 Beginning Japanese II
4 crs. • Sp • GE-IA • P: JAPN 101 or suitable placement score on Japanese Placement Exam.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0

JAPN 201 Intermediate Japanese I
4 crs. • F • GE-IA • P: JAPN 102 or suitable placement score on Japanese Placement Exam.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Review of Japanese grammar and vocabulary with focus on the development of reading, writing, speaking, and listening skills. Students gain an understanding of Japanese culture through a variety of topics.

JAPN 202 Intermediate Japanese II
4 crs. • Sp • GE-IA • P: JAPN 201 or suitable placement score on Japanese Placement Exam.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Continuation of Japanese 201.

JAPN 301 Advanced Japanese Language and Culture I
4 crs. • F • GE-IA • P: JAPN 301 or equivalent.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Continuation of Japanese 301. Focuses on improving speaking, listening comprehension, reading, and writing modern Japanese. Extensive use of original spoken and written materials. Further knowledge of sociolinguistics/culture and additional kanji. Emphasis on accurate and appropriate communication.
LATIN (LAT)

LAT 101 Beginning Latin
4 crs. F • GE-IA
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Introduction to the Classical Latin language, with emphasis on grammar, analytic, and translation skills. The course will also serve as an introduction to ancient Roman culture and its impact on modern, western European, and American civilizations.

LAT 102 Beginning Latin
4 crs. Sp • GE-IA • P: LAT 101
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Continuation of Latin 101.

RUSSIAN (RUSS)

RUSS 101 Beginning Russian I
4 crs. F • GE-IA
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
A foundation in spoken and written Russian, listening and reading comprehension, grammatical usage, and cultural backgrounds.

RUSS 102 Beginning Russian II
4 crs. Sp • GE-IA • P: RUSS 101
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Russian 101.

SPANISH (SPAN)

SPAN 101 Beginning Spanish I
4 crs. F, Sp • GE-IA • P: Placement test required.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
A foundation in spoken and written Spanish, listening and reading comprehension, grammatical usage, and cultural backgrounds.

SPAN 102 Beginning Spanish II
4 crs. F, Sp • GE-IA • P: SPAN 101 or suitable placement score on Spanish Placement Exam.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Spanish 101.

SPAN 201 Intermediate Spanish I
4 crs. F, Sp • GE-IA • P: SPAN 102 or suitable placement score on Spanish Placement Exam. Credit may not be earned in both SPAN 201 and SPAN 231.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Review of Spanish grammar and vocabulary, with focus on the development of reading, writing, speaking, and listening skills. Students gain an understanding of the cultures of the Spanish-speaking world through a variety of topics.

SPAN 202 Intermediate Spanish II
4 crs. F, Sp • GE-IA • P: SPAN 201 or 231 or suitable placement score on Spanish Placement Exam. Credit may not be earned in both SPAN 202 and SPAN 232.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 1
Continuation of Spanish 201.

SPAN 222 Spanish Travel Seminar
1-3 crs. GE-IVD • Instructor Consent Required
Study trip in Spain. Historic sites, musical and artistic events, personal contact with Spanish people.

SPAN 231 Communication in the Professions I
4 crs. V • P: SPAN 102. Credit may not be earned in both SPAN 201 and SPAN 231.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Review of Spanish grammar and vocabulary will focus on the knowledge of reading, writing, speaking, and listening skills. In this course particular emphasis is placed on the practice of specialized, professions-oriented vocabulary in communicative situations.

SPAN 232 Communication in the Professions II
4 crs. V • P: SPAN 231. Credit may not be earned in both SPAN 202 and SPAN 232.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Reinforcement of Spanish grammar and vocabulary with focus on the knowledge of reading, writing, speaking, and listening skills. In this course particular emphasis is placed on the practice of specialized, professions-oriented vocabulary in communicative situations.

SPAN 250 Valladolid Orientation
1 cr. V • P: Acceptance in the Valladolid Study Abroad Program and two years college Spanish or equivalent.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Preparation for study at the Universidad de Valladolid (Spain). Presentations by faculty and "Valladolid veterans."

SPAN 301 Advanced Composition
3 crs. F, Sp • GE-IA • P: SPAN 202 or 232.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Grammar review with emphasis on sentence and paragraph structure. Students will review the use of all the tenses in the indicative and subjunctive and the proper use of pronouns, linkwords, and prepositions.

SPAN 302 Advanced Conversation and Composition
3 crs. F, Sp • GE-IA • P: SPAN 301
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Advanced conversation, reading and composition practice on current topics as present in Spanish written, broadcast, and internet media.

SPAN 306 Business Culture in the Spanish Speaking World
2 crs. F, Sp • SPAN 202 or 232.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Current business and culture events in the Spanish speaking world through reading, conversation, and writing. Topics in the global economy and culture will include Spanish and Latin American print, television, internet, and other media.

SPAN/LAS 312/512 Latinos in the U.S.
2 crs. F, Sp • CD2; GE-IVD • P: SPAN 301 or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 312 and LAS 312.
Issues relevant to the Latino population in the U.S. will be analyzed and discussed through readings, films, presentations, class discussions, and other activities. Readings and films will be primarily in English; discussions will be in Spanish.

SPAN 320/520 Spanish for the Health Professions I: Translation
3 crs. F, Sp • P: SPAN 202 or SPAN 232.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A course focusing on Spanish language skills for health care settings. Translation practice, medical terminology and readings related to health care issues and Hispanic cultures.

SPAN 325/525 Phonetics and Pronunciation
3 crs. F, Sp • P: SPAN 301
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Theory of the Spanish sound system and intensive practice of Spanish pronunciation and intonation.

SPAN 326 Survey of the Spanish Language: History and Dialects
3 crs. F, Sp • P: SPAN 302 and SPAN 325 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course explores the general history of the Spanish language; regional and social dialects of Spanish; and the concepts of language divergence and change.

SPAN 340 Spanish for Business
3 crs. F • P: SPAN 301 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the Spanish business environment, including grammar review and specialized vocabulary. Taught entirely in Spanish.

SPAN/LAS 352/552 Latin American Civilization
3 crs. F, Sp • FC; GE-IVD • P: SPAN 302 or consent of instructor. No credit if taken after SPAN 351, LAS 354, SPAN 354.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 352 and LAS 352.
Introduction to the historical background necessary for comprehending contemporary Latin America. Analysis of current social, political, and economic issues, with consideration of influential personalities in present-day Latin American society.

SPAN/LAS 354 Latin American Civilization: Regional Focus
3 crs. F, Sp • FC; GE-IVD • A-F Grades Only • P: SPAN 302 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 354 and LAS 354. Credit may not be earned in both SPAN/LAS 352 and SPAN/LAS 354. To be taught only in a study abroad program in Latin America. Restricted to semester-long regional civilization courses. Introduction to the historical background necessary for comprehending contemporary Latin America through a regional focus. Analysis of current social, political, and economic issues, with consideration of influential personalities in a region of present-day Latin American society.

LANGUAGES
LANGUAGES

SPAN 355 Spanish Civilization to 1900
3 crs. • V • GE-IHD • P: SPAN 302 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the country and its peoples from the cave paintings of Altamira to the Spanish American War. Emphasis on geography, history, religion, and the arts.

SPAN 356 Contemporary Spain
3 crs. • E: Sp • GE-IHD • P: SPAN 302 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Spanish history and civilization from Alfonso XIII through the Civil War and Franco years to democracy. Emphasis on life in contemporary Spain and Spain’s role in the world.

SPAN 360 Topics in Hispanic Linguistics
3 crs. • F • SPAN 302 and SPAN 325 or SPAN 326 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course explores the structure of the Spanish language. Specific offerings examine one or more areas of linguistic research about the Spanish language.

SPAN 363/563 Survey of Spanish Peninsular Literature
3 crs. • F • GE-IHD • P: SPAN 302
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course is recommended to be taken after study abroad. Reading, literary analysis, and discussion of works of Spanish Peninsular Literature, organized by genres (prose, poetry, theatre). Designed as introduction for advanced literature courses.

SPAN/LAS 367/567 Survey of Latin American Literature
3 crs. • E: Sp • FC; GE-IHD • P: SPAN 302 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 367 and LAS 367. This course is recommended to be taken after study abroad. Study and literary analysis of the work of the principal writers of Latin American Literature from indigenous to contemporary literature.

SPAN 385/585 Spanish Literature from Unamuno to Garcia Lorca
3 crs. • V • P: SPAN 363 or SPAN/LAS 367, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Peninsular Spanish literature beginning with the generation of 1898 and including writers up to and through the Spanish Civil War of 1936-39.

SPAN 386/586 Contemporary Spanish Literature
3 crs. • V • P: SPAN 363, or SPAN/LAS 367, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Continuation of Spanish 385. Spanish writers since 1940.

SPAN 395/595 Directed Studies
1-3 crs. • May be repeated • Department Consent Required
Study of a problem or special area in the culture, language, or literature of the Spanish-speaking world, approved by the supervising instructor and the department chair.

SPAN 399 Independent Study - Juniors
1-3 crs. • May be repeated • P: Minimum junior standing • Department Consent Required

SPAN 405 Advanced Conversation
3 crs. • F • GE-IA • P: SPAN 355, or 356, or 363; or SPAN/LAS 352/355, or 367.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Intensive practice in Spanish conversation to promote fluency and correctness.

SPAN 409/609 The Craft of Translation
3 crs. • Sp • P: SPAN 302
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A practical course designed to show that each language is more than the sum of its words. Intensive practice of translation from and into both Spanish and English. Some reading on translation techniques and practices.

SPAN 410/610 Advanced Grammar
3 crs. • E: Sp • P: SPAN 302
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Advanced study of vocabulary, idioms, and grammar based on selected model written texts.

SPAN/LAS 418 Spanish Sociolinguistics in Latin America/USA
3 crs. • Sp • P: SPAN 360 or consent of instructor. SPAN/LAS 352 highly recommended.
Seminar: 3 | Lab/Studio Hours: 0
Addresses theoretical foundations of sociolinguistic variation in Spanish-speaking communities, interplay of social and linguistic factors on dialectal variation of Latin American Spanish, and sociolinguistic methods for data collection.

SPAN 420/620 Spanish for Health Professions II: Interpretation
3 crs. • F • P: SPAN 320
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Discussions related to health care organizations in the Spanish speaking countries, and practice of specialized medical terminology. Techniques and problems of interpretation from Spanish to English and vice versa: meaning, use, and theories.

SPAN 421 Government, Business, and Media in Spain and Latin America
3 crs. • Sp • Field Trip(s) Required • P: SPAN 302
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Intended as a practical introduction to the national and international business scenarios in the Hispanic world. Global, regional, and national trends in the Spanish speaking countries are evaluated. Taught entirely in Spanish.

SPAN 440 Spanish Business Writing
3 crs. • F • P: SPAN 302
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The goal of the course is to prepare students for business writing according to the guidelines and usage of correspondence in Spanish.

SPAN/LAS 475/675 Topics in Latin American Literature
3 crs. • V • FC • May be repeated for a maximum of 6 credits • A-F Grades Only • P: SPAN 363 or LAS/SPAN 367 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 475 and LAS 475. In-depth study of a particular area in Latin American literature.

SPAN/LAS 476/676 The Novel in Latin America I: 1850-1950
3 crs. • V • FC • P: SPAN 363, or SPAN/LAS 367, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 476 and LAS 476. Study of the most important novelists of Latin America, from 1850 to 1950.

SPAN/LAS 477/677 The Novel in Latin America II: 1950-Present
3 crs. • V • FC • P: SPAN 363, or SPAN/LAS 367, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 477 and LAS 477. Continuation of Spanish/Latin American Studies 476. Covers period from 1950 to the present.

SPAN/LAS 480/680 Latin American Literature and Film
3 crs. • V • FC • P: SPAN 363 or SPAN/LAS 367.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course is an in-depth study of contemporary Latin American literature and the film versions of the literature in their historical and social contexts.

SPAN/WMNS 482/682 Women in Latin American Literature
3 crs. • V • FC • P: SPAN 363 or SPAN/LAS 367.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both SPAN 482 and WMNS 482. This course is an in-depth study of the representation of women in contemporary Spanish American literature in their historical, cultural, and social contexts. Taught entirely in Spanish.

SPAN 491/691 Special Topics
1-3 crs. • V • May be repeated for a maximum of 9 credits • P: SPAN 355, or 356, or 363; or SPAN/LAS 352 or 367, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• See current Class Schedule for specific topic
In-depth study of a special area in the language, cultures, or literatures of the Spanish-speaking world.

SPAN 492 Seminar in Hispanic Linguistics Research
3 crs. • Sp • P: SPAN 360 and SPAN/LAS 418 or consent of instructor.
Seminar Hours: 3 | Lab/Studio Hours: 0
This course covers theory and practice of linguistic research on a general theme. Students design and carry out research projects, choosing language problems and research methodology tied to the theme.

SPAN 499 Independent Study - Seniors
1-3 crs. • May be repeated • P: Minimum senior standing • Department Consent Required

• Credit may not be earned in both SPAN 367 and LAS 367. This course is recommended.
• Credit may not be earned in both SPAN 480 and LAS 480.
• Credit may not be earned in both SPAN 482 and WMNS 482.
The globally interdependent nature of today's world makes second language proficiency and cross-cultural understanding valuable assets for students in any field. Students in the Latin American Studies (LAS) Program can develop a high proficiency in Spanish through the LAS core language courses and language immersion requirements. Students also gain in-depth knowledge and understanding of Latin America and Latinos/Hispanics in the United States through an array of courses from multiple disciplines including economics, geography, political science, art history, religion, history, anthropology, women's studies, and public and environmental health.

The significant Latino/Hispanic population in the United States and the increasing social, cultural, and economic interconnectedness between the countries and peoples of the hemisphere will increase the demand for professionals who are both proficient in the Spanish language and prepared to work with Latinos/Hispanics and the people of Latin America. The major is well suited for students who plan to:

1. Pursue careers which require residence in or knowledge of Latin America (e.g., business, journalism, government, and NGOs);
2. Teach Spanish in Early Childhood through Adolescence classrooms; and/or
3. Pursue graduate work in Latin American studies or other disciplines where a Latin American specialization would be helpful (e.g., Latin American and Latino literature, political science, economics, history, art history).

**COMPREHENSIVE MAJOR: LATIN AMERICAN STUDIES, Liberal Arts (Code 340-002)**

**Minimum 60 semester credits including:**

**Required courses—18-21 credits:**

- LAS 150 Introduction to Latin American Studies
- LAS 222 Introduction to U.S. Latino History and Culture or LAS 312 Latinos in the U.S.
- LAS/Span 352 Latin American Civilization or LAS/Span 354 Latin American Civilization: Regional Focus
- LAS/Span 367 Survey of Latin American Literature
- LAS 450 Capstone for Latin American Studies (minimum one credit)
- Span 301 Advanced Composition
- Span 302 Advanced Conversation and Composition

**and a minimum of 5 credits and a maximum of 9 credits from the following:**

- LAS/Span 475 Topics in Latin American Literature
- LAS/Span 476 The Novel in Latin America I: 1880-1950
- LAS/Span 477 The Novel in Latin America II: 1950-present
- LAS/Span 480 Latin American Literature and Film
- Span 306 Business Culture in the Spanish Speaking World
- Span 320 Spanish for the Health Professions I: Translation
- Span 325 Phonetics and Pronunciation
- Span 340 Spanish for Business
- Span 405 Advanced Conversation
- Span 409 The Craft of Translation
- Span 410 Advanced Grammar
- Span 420 Spanish for Health Professions II: Interpretation
- Span 421 Government, Business, and Media in Spain and Latin America
- Span 440 Spanish Business Writing
- Span/Wmns 482 Women in Latin American Literature
- Span 491 Special Topics (Latin American or Phonetics topics only)

**Electives—a minimum of 30 credits:**

- Anth/Wmns 356 Women in Cross-Cultural Perspective
- ArtH/AIDS 335 Ancient Art and Architecture of Mexico and Central America
- ArtH/AIDS 337 Art of Tawantinsuyo
- Biol 182 Ecosystems of Latin America
- Hns 304 Honors Colloquium (when offered as Crossing Borders: Discourses from Latin America)
- LAS/Hist 309 Latin America Through Independence
- LAS/Hist 311 Latin America Since Independence
- LAS 314 Music and Dance of Latin America
- LAS/Pols 319 Politics of Latin America
- LAS/Pols 320 Caribbean Politics
- LAS/Geog 321 Geography of Latin America
- LAS/Fltr 350 Latin American Literature in Translation
- LAS/Econ 356 Economic Development of Latin America
- LAS 390 Latin American Studies Immersion Experience
- LAS 395 Directed Studies
- LAS 488 Internship**
- LAS 491 Special Topics
- LAS 498 Internship with Language Immersion**
- Math 107 Mathematics in Latin American Cultures
- RelS/AIS 330 Indigenous Religions of the Americas
- Soc 312 Race and Ethnicity in the U.S. or Soc 314 Social Class and Inequality
- Wmns 422 Women's Studies Advanced Travel Seminar (when offered as Women in Nicaragua)

*or equivalent courses offered in the study abroad programs

**Note:** Students may earn a total of six credits from LAS 488 and LAS 498, but only three credits can count for the major.

**Language Immersion Requirement:** Liberal Arts majors must complete an appropriate period of language immersion in residence in an approved academic program in a Latin American country. Students facing extenuating circumstances may participate in an alternative domestic language immersion experience pre-approved and determined in conjunction with the LAS Committee from the following options: National Student Exchange, internship, or volunteer work. The minimum time period for meeting the residence/immersion requirement is six weeks. However, the Latin American Studies Program recommends that students spend at least one semester abroad.

**COMPREHENSIVE MAJOR: LATIN AMERICAN STUDIES, Teaching (Code 340-003)**

**Minimum of 60 credits with at least 30 Spanish language credits (including courses cross-listed with Spanish) from:**

**Required courses—30-33 credits:**

- Flg 378 Second Language Acquisition Theory
- LAS 150 Introduction to Latin American Studies
- LAS 222 Introduction to U.S. Latino History and Culture or LAS/Span 312 Latinos in the U.S.
- LAS/Span 352 Latin American Civilization or LAS/Span 354 Latin American Civilization: Regional Focus
- LAS/Span 367 Survey of Latin American Literature
- LAS 450 Capstone for Latin American Studies (minimum one credit)
- Span 301 Advanced Composition
- Span 302 Advanced Conversation and Composition
- Span 325 Phonetics and Pronunciation
- Span 405 Advanced Conversation
- Span 410 Advanced Grammar

**And at least one of the following:**

- Span/LAS 475 Topics in Latin American Literature
- Span/LAS 476 The Novel in Latin America I: 1850-1950
- Span/LAS 477 The Novel in Latin America II: 1950-present
- Span/LAS 480 Latin American Literature and Film
- Span/Wmns 482 Women in Latin American Literature

149
And at least 6 additional credits in upper division Spanish courses.

Electives—a minimum of 21 credits:
- An/h/Wmns 356 Women in Cross-Cultural Perspective
- ArtH/AIS 335 Ancient Art and Architecture of Mexico and Central America
- ArtH/AIS 337 Art of Tawantinsuyo
- Biol 182 Ecosystems of Latin America

- Soc 312 Race and Ethnicity in the U.S. or Soc 314 Social Class and Inequality
- Wmns 422 Women’s Studies Advanced Travel Seminar (when offered as Women in Nicaragua)

*or equivalent courses offered in the study abroad programs

**Note: Students may earn a total of 6 credits from LAS 488 and LAS 498, but only 3 credits can count for the minor.

Language Immersion Requirement: All LAS minors must complete an appropriate period of language immersion in residence in an approved academic program in a Latin American country, or participate in an alternative intercultural experience pre-approved and determined in conjunction with the LAS Committee from the following options: National Student Exchange, internship, or volunteer work. The minimum time period for meeting the residence/immersion requirement is six weeks. However, the Latin American Studies Program recommends that students spend at least one semester abroad.

Application for Admission to Latin American Studies Internships

Applying for Admission to the Internship: Students planning to enroll in LAS 488/688, Internship, or LAS 498/698, Internship with Language Immersion, in the summer or fall must apply no later than February 1 of the year of internship for summer or fall enrollment. October 1 is the deadline for winterim or spring enrollment. Applications to the Latin American Studies Internships are available on the Latin American Studies website and in the LAS director’s office.

Criteria for admission into Internships: The Latin American Studies Steering Committee will determine eligibility for internships on the basis of the following criteria. A student must have (1) obtained the consent of a UW-Eau Claire instructor to serve as supervising instructor; (2) signed a UW System Liability Waiver Form (included in Internship Application); (3) submitted LAS Internship Application including (a) title of internship proposal; (b) a description of the agency/organization in which the internship is to take place; (c) a description of the intent of the internship; (d) a broad outline of the activities in which the student will be engaged; (e) the basis on which the student’s grade will be determined (internship/credit hours, a personal log of experiences [in target language for 498/698], exit paper [in target language for 498/698], and evaluations by the on-site supervisor and supervising instructor); (f) name of intern’s on-site supervisor and expression of support by on-site supervisor/supervising organization; (g) the number of hours per week and number of weeks and credits for internship (the minimum requirements include 135 hours/3 credits, 90 hours/2 credits, and 45 hours/1 credit in the setting); (h) for LAS 498/698, description of how internship will fulfill language immersion requirement and (i) plans for housing and transportation. After internship has been approved by LAS Steering Committee, student will need to (4) apply for passport and/or visa if internship is outside of the U.S.; (5) go to the Center for International Education to purchase international health insurance required by the UW System if internship is outside of the U.S.; (6) meet with supervising instructor and LAS Director to discuss LAS internship and expectations; (7) enroll in the appropriate and approved internship course. Upon return to campus, student will need to (8) send on-site supervisor a “Student Performance Evaluation” form and request that he/she e-mail the form as an attachment to student’s supervising instructor and the LAS Director; and (9) within one month of return, student will need to submit all papers or projects for grades to the UW-Eau Claire LAS internship supervisor.

Latin American Studies Courses

LAS

LAS 150 Introduction to Latin American Studies
3 crs. • F, Sp • FC: CD2; GE-HU
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An interdisciplinary course introducing students both to the culture and civilization of Latin America and to Latin American Studies at the University of Wisconsin-Eau Claire.

LAS 222 Introduction to U.S. Latino History and Culture
3 crs. • Sp • CD3; GE-IVE • A-F Grades Only
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
For LAS majors and minors credit can only be earned in either LAS 222 ("Introduction to U.S. Latino History and Culture") or LAS/SPAN 322/522 ("Latinos in the U.S."). An interdisciplinary introduction to the history and culture of Latinos in the United States with lectures and course materials in English.

LAS/HIST 309/509 Latin America Through Independence
3 crs. • V • FC: GE-IVC • P: Six credits of history, or junior standing, or consent of instructor
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• For LAS majors and minors credit can only be earned in either LAS 309 ("Introduction to U.S. Latino History and Culture") or LAS/SPAN 312/512 ("Latinos in the U.S."). Pre-Columbian background, establishment of Spanish and Portuguese empires and institutions in the New World, and the struggle for independence.

LAS/HIST 311/511 Latin America Since Independence
3 crs. • V • FC: GE-IVC • P: Six credits of history, or junior standing, or consent of instructor
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both HIST 311 and LAS 311.
Political, economic, and cultural development from independence to present. Primary emphasis on Mexico and Brazil.

LAS/SPAN 312/512 Latinos in the U.S.
2 crs. • E, Sp • CD2; GE-IVD • P: SPAN 301 or consent of instructor
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit may not be earned in both SPAN 312 and LAS 312.
Issues relevant to the Latino population in the U.S. will be analyzed and discussed through readings, films, presentations, class discussions, and other activities. Readings and films will be primarily in English; discussions will be in Spanish.
LAS 314 Music and Dance of Latin America 3 crs. • Sp • FC; CD1; GE-IVE Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
An interdisciplinary investigation of Latin American and U.S. Latino music and dance and their influence in the United States.

LAS/POLS 319 Politics of Latin America 3 crs. • Sp • FC; GE-HID Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both POLS 319 and LAS 319.  
An examination of major institutions, groups, and selected topics related to Latin American politics.

LAS/POLS 320 Caribbean Politics 3 crs. • F • FC; GE-HID • P: One course in POLS or consent of instructor. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both POLS 320 and LAS 320.  
The dynamics of Anglo-phone and Hispanic Caribbean politics from Colonial rule to the present. Major topics include: colonialism; patterns of decolonization; post-colonial state power; the status of women; and recent trends in structures of dependency and popular resistance.

LAS/GEOG 321/521 Geography of Latin America 3 crs. • F • FC; GE-HII Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both GEOG 321 and LAS 321.  
The physical and cultural landscapes of Latin America, including North, Central, and South America and the Caribbean Islands, with attention to the major cultural, economic, social, and political currents of each region.

LAS/FLTR 350/550 Latin American Literature in Translation 3 crs. • Sp • FC; GE-IVD Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both FLTR 350 and LAS 350.  
This course introduces students to Latin American authors and their writings in a historical and social context.

LAS/SPAN 352/552 Latin American Civilization 3 crs. • F; Sp • FC; CD1; GE-IVD • P: SPAN 302 or consent of instructor. No credit if taken after LAS 354 and SPAN 354. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both SPAN 352 and LAS 352. No credit if taken after SPAN 354.  
Introduction to the historical background necessary for comprehending contemporary Latin America. Analysis of current social, political, and economic issues, with consideration of influential personalities in present-day Latin American society.

LAS/SPAN 354 Latin American Civilization: Regional Focus 3 crs. • F; Sp • FC; GE-IVD • A-F Grades Only • P: SPAN 302 or consent of instructor. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both SPAN 354 and LAS 354. Credit may not be earned in both SPAN/LAS 352 and SPAN/LAS 354. To be taught only in a study abroad program in Latin America. Restricted to semester-long regional civilization courses.  
Introduction to the historical background necessary for comprehending contemporary Latin America through a regional focus. Analysis of current social, political, and economic issues, with consideration of influential personalities in a region of present-day Latin American society.

LAS/ECON 356 Economic Development of Latin America 3 crs. • Sp • FC; GE-HII Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both ECON 356 and LAS 356.  
Analysis of the process of the economic and social development of Latin America. Topics include: nature of economic development, obstacles to economic development, evaluation of economic policies, and the role of women in economic development.

LAS/SPAN 367/567 Survey of Latin American Literature 3 crs. • F; Sp • FC; GE-HIC • P: SPAN 302 or consent of instructor. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both SPAN 367 and LAS 367. This course is recommended to be taken after study abroad.  
Study and literary analysis of the work of the principal writers of Latin American Literature from indigenous to contemporary literature.

LAS 450 Capstone for Latin American Studies 1-3 crs. • F; Wi, Sp, Su • FC; CP • No Auditors • P: Limited to Latin American Studies majors. Minimum senior standing. • Instructor Consent Required Study of a topic or special area pertaining to any aspect of Latin America or Latinos in the U.S. as approved by the supervising instructor and the Latin American Studies program coordinator.

LAS/SPAN 475/675 Topics in Latin American Literature 3 crs. • V • FC • P: May be repeated for a maximum of 6 credits • A-F Grades Only • P: SPAN 363 or LAS/SPAN 367 or consent of instructor. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both SPAN 475 and SPAN 476.  
In-depth study of a particular area in Latin American literature.

LAS/SPAN 476/676 The Novel in Latin America I: 1850-1950 3 crs. • V • FC • P: SPAN 363 or SPAN/LAS 367, or consent of instructor. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both SPAN 476 and LAS 476.  
Study of the most important novelists of Latin America, from 1850 to 1950.

LAS/SPAN 477/677 The Novel in Latin America II: 1950-Present 3 crs. • V • FC • P: SPAN 363, or SPAN/LAS 367, or consent of instructor. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both SPAN 477 and LAS 477.  
Continuation of SPAN/LAS 476. Covers period from 1950 to the present.

LAS/SPAN 480/680 Latin American Literature and Film 3 crs. • V • FC • P: SPAN 363 or SPAN/LAS 367. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• Credit may not be earned in both SPAN 480 and LAS 480.  
This course is an in-depth study of contemporary Latin American literature and the film versions of the literature in their historical and social contexts.

LAS 488/688 Internship 1-3 crs. • F; Wi, Sp, Su • May be repeated for a maximum of 9 credits • A-F Grades Only • P: Limited to Latin American Studies majors or minors. • Instructor Consent Required • Permission required by supervising instructor and Latin American Studies Steering Committee. Acceptance as specified under criteria for admission into the internship (see internship admission requirements). Transportation to internship site and housing arranged by the student. A total of three credits for LAS 488 and LAS 498 will count toward LAS major or minor. Students engage in productive academic or professional activity while residing in a Latin American country or participating in an alternative intercultural experience.

LAS 491/691 Special Topics 3 crs. • V • May be repeated for a maximum of 9 credits • P: Completion of University Writing Requirement. SPAN 301 or consent of instructor. Lecture/Discussion Hours: 3  | Lab/Studio Hours: 0  
• See current Class Schedule for specific topic.  
In-depth study of a special topic in the area of literature, linguistics, or cultures of Latinos in the United States and/or the Spanish-speaking world.

LAS 498/698 Internship with Language Immersion 1-3 crs. • F; Wi, Sp, Su • May be repeated for a maximum of 9 credits • A-F Grades Only • P: Limited to Latin American Studies majors or minors. • Instructor Consent Required • Permission required by supervising instructor and Latin American Studies Steering Committee. Acceptance as specified under criteria for admission into the internship (see internship admission requirements). Transportation to internship site and housing arranged by the student. A total of three credits for LAS 498 and LAS 499 will count toward LAS major or minor. Students engage in productive academic or professional activity and enhance language proficiency while residing in a Latin American country or participating in an alternative intercultural experience for a minimum of six weeks. Fulfills LAS language immersion requirement.
The field of materials science and engineering is the study of "condensed matter" (that is, solids and liquids), and how an understanding of materials can be applied to fabricating devices and structures of utility. A relatively young discipline, materials science is an outgrowth of two traditional areas: the study of matter (and its structure-property relationship) that originated in chemistry and physics, and developments in various "materials" engineering fields (notably, microelectronics, metallurgy, ceramics, and plastics).

This major is designed to give students a strong foundation in fundamental sciences and mathematics. The absence of engineering courses in a materials science major is unusual, and integrating it into a liberal arts and sciences degree is unique. The structure of the major is deliberately interdisciplinary and broadly defined, consistent with a liberal education approach. Students specialize through a chosen emphasis. The major serves students who plan to enter the workforce after graduation as well as students interested in graduate education in areas such as Materials Science, Engineering, Chemistry, and Physics.

COMPREHENSIVE MAJOR: MATERIALS SCIENCE, Liberal Arts

A minimum of 64 credits, including completion of core courses and at least eight elective credits within the chosen emphasis.

Physics of Materials Emphasis (Code 250-001)
Core courses plus eight credits from Phys 255 and any physics course numbered 332 or higher.

Chemistry of Materials Emphasis (Code 250-002)
Core courses plus eight credits from Chem 213, 274, 304, 318, 325, 326.

Notes:
2. Emphases available upon completion of course development: Nanoscience and Biomaterials.
3. Math 312 is recommended for students planning on graduate school.
Materials Science Courses

MSCI 100 Introduction to Materials Science and Nanoscience
4 crs. • F, Sp • GE-HF, LS • P: High school chemistry and high school physics.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Students explore how atomic bonds and molecular structure explain the properties of materials, and why nanomaterials have different properties.

MSCI 234 Soft Materials
3 crs. • F • P: CHEM 115 (or CHEM 103 and 104).
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction covering fundamentals of chemistry, physics, and engineering of soft materials. Topics include synthesis and processing of polymers and other soft materials, structure-property relationships of amorphous materials, and advanced materials. A brief primer on organic chemistry is covered.

MSCI 291 Special Topics in Materials Science
1-3 crs. • V • May be repeated for a maximum of 9 credits • P: CHEM 104 or CHEM 115; PHYS 232; MSCI 100. • Instructor Consent Required
Field trips optional. A total of no more than nine credits from MSCI 291 and MSCI 491 may be applied toward major or graduation.

MSCI 300 Thermodynamics and Kinetics of Materials
4 crs. • F • No S/U Grade Option • P: CHEM 218; PHYS 232; MSCI 100.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Explanation of thermodynamics of materials, including Equilibrium concepts. Examines how interfaces and surfaces impact the kinetics of atom diffusion, as well as how defects influence bulk atom motion. Labs will model crystal and molecule behavior.

MSCI 310 Nanotechnology in Today's World
3 crs. • F, W, Sp • GE-HF • P: No credit toward the Materials Science comprehensive major.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Provides the fundamentals of nanoscience at an elementary level, i.e., how material behavior, properties, and function change due to small size. Addresses applications in science and industry and nanotechnology products, along with environmental, social, and ethical implications.

MSCI/PHYS 338 Physics of Solids
4 crs. • Sp • P: PHYS 332 or MSCI 300.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Crystallography, diffraction, electron and phonon transport. Semiconductors and optical properties of crystalline materials, interaction of light with crystalline and non-crystalline matter, including photovoltaics, LEDs, nonlinear optics, solid-state lasing, and fiberoptic materials.

MSCI 355 Materials Characterization
4 crs. • F • P: CHEM 104 or 115 and PHYS 211 or 231. No credit if more than one credit has been earned in MSCI/PHYS 301 through 307.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
A survey of commonly used materials characterization methods (XPS, SEM, AFM, XRD, XRF), including their theory of operation and hands-on experience. Includes a discussion of the measurement process and instrumental analysis of samples.

MSCI 362 Materials Processing
2 crs. • F • A-F Grades Only • P: MSCI 234; MSCI 300; MSCI 355.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
This course discusses many of the materials processing methods used in the fabrication of microelectronic devices, including deposition, etching, metallization, insulation, doping, ion implantation, and photolithography. MSCI 362 provides the associated lab experience for this course.

MSCI 363 Materials Processing Lab
2 crs. • F • A-F Grades Only • P: CHEM 115 or 104; MSCI 300 (or equivalent); MSCI 355.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 4
This course provides the lab component for MSCI 362, and focuses on hands-on experience in depositing thin films, patterning surfaces with photolithography, etching surfaces, and doping materials. A variety of materials processing methods will be explored, with some characterization of prepared materials using various instruments.

MSCI 382 Advanced Materials Science and Nanoscience
3 crs. • Sp • A-F Grades Only • P: MSCI 234; MSCI 300 or CHEM 433 or PHYS 445 (or equivalent).
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of materials science, including in-depth discussions of metals, ceramics, polymers, and semiconductors. Contrasting views of the “molecular” nature of matter and the “band” nature will be discussed. Includes in-depth discussion of Nanoscience and Materials Science.

MSCI 391 Materials Science Seminar
1 cr. • Sp • A-F Grades Only • P: MSCI 234 and MSCI 355.
Seminar Hours: 1 | Lab/Studio Hours: 0
Students will explore career pathways in Materials Science. The course will offer a mix of seminars by various speakers and discussions about issues relevant to Materials Science.

MSCI 395 Directed Studies
1-3 crs. • F, Sp • May be repeated • A-F Grades Only • P: Minimum 2.0 GPA in Materials Science. • Department Consent Required
This course is designed to allow a single student or a group of students to pursue their educational goals and interests under the direction of a faculty member.

MSCI 399 Independent Study - Juniors
1-3 crs. • F, Sp • May be repeated • A-F Grades Only • P: Minimum junior standing. • Department Consent Required
Limited to Materials Science majors. • Instructor Consent Required

MSCI 480 Advanced Materials Science Lab I
1 cr. • F • A-F Grades Only • P: MSCI 362, MSCI 363, MSCI 382, PHYS 338.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 3
First of a two-course capstone sequence. Focuses on hands-on, project-based, research-inspired labs that emphasize diverse areas of Materials Science.

MSCI 481 Advanced Materials Science Lab II - Scientific Writing
1 cr. • Sp • A-F Grades Only • P: MSCI 480, or consent of instructor. • Instructor Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 3
Second of a two-course capstone sequence. Focuses on preparation of a scientific paper, including a Materials Science literature review and developing a manuscript for publication. Students will use experimental processes and results obtained from MSCI 480 in developing the manuscript.

MSCI 491 Special Topics in Advanced Materials Science
1-3 crs. • V • May be repeated for a maximum of 9 credits • P: MSCI 300. Limited to Materials Science majors. • Instructor Consent Required
Field trips optional. A total of no more than nine credits from MSCI 291 and MSCI 491 may be applied toward major or graduation.
Lecture and possibly laboratory or field work in the study of current topics of Materials Science of special interest to advanced students and faculty.

MSCI 499 Independent Study - Seniors
1-3 crs. • F, Sp • May be repeated • A-F Grades Only • P: Minimum senior standing. • Department Consent Required
This course provides senior-level students with research opportunities in Materials Science.
Mathematics

VICKI WHITLEDGE, ZHIXIN YANG

Mathematics has formed an important part of our intellectual heritage for centuries. In addition to having its own aesthetic value, it pervades a growing number of human endeavors. Mathematics is applied in fields as diverse as business, engineering, the physical and life sciences, the social sciences, computer science, and the fine arts. Society therefore expects of its members ever increasing mathematical knowledge and skill.

The mathematics curriculum is designed to address these needs. It provides a core of fundamental mathematics as well as a variety of electives for individuals with specific interests. Students may select programs to prepare for careers in applied mathematics, science, actuarial science, research, mathematics education, or for graduate study. Regardless of emphasis, the programs prepare students for their immediate career objectives and provide a background that will enable them to cope with changing career needs and goals.

INFORMATION FOR ALL STUDENTS

NOTE 1: All entering freshmen and transfer students must take the mathematics placement test.

NOTE 2: A student may not register for credit in a course which is a prerequisite for any other course in which the student has credit.

NOTE 3: It is strongly recommended that the student have a grade of C or above in any mathematics course that is to be used as a prerequisite to another course.

NOTE 4: A graphing calculator may be required in any mathematics course.

B.A./B.S. Requirement, College of Arts and Sciences. Students who expect to earn a B.A. or a B.S. degree in the College of Arts and Sciences must demonstrate specified levels of competency in mathematics. For details, see Bachelor of Arts Degree or Bachelor of Science Degree in the College of Arts and Sciences. Further information is available from the Chair of the Department of Mathematics.

CORE REQUIREMENTS FOR ALL NON-COMPREHENSIVE LIBERAL ARTS MATHEMATICS EMPHASES

All liberal arts mathematics emphases require Math 114, 215, 216, 316, 324, 425, plus additional mathematics courses numbered above 305.

MAJOR: MATHEMATICS, Liberal Arts

A minimum of 36 credits must be earned in any of the emphases included under the standard mathematics major. In addition to the required and elective mathematics courses, students must complete at least three credits of courses to be selected from Phil 250, CS 145, CS 163, CS 170, or another computer science course approved by the Mathematics Department. Students selecting this major will select one of the following emphases.

Liberal Arts Emphasis (Code 180-201): This emphasis requires the core courses above and at least one of Math 317 or 426. The liberal arts emphasis is the traditional mathematics major, providing preparation for graduate school as well as a broad range of careers in business and industry. Because of the variety of courses available, students are strongly encouraged to consult a mathematics adviser early and frequently while pursuing this emphasis.

Applied Emphasis (Code 180-204): This emphasis requires the core courses listed previously and Math 312 and at least six credits from among the following courses: Math 307, 313, 318, 345, 347, 351, 352, 354, or 440 (or Phys 440). This emphasis is appropriate for students interested in either scientific or engineering applications of mathematics, careers in business or industry, or in graduate work in applied areas such as engineering, operations research, or optimization.

Statistics Emphasis (Code 180-205): This emphasis requires the core courses listed previously, Math 346, 347, and at least two of the following courses: Math 441, 443, 445, 447, and with the approval of the department chair, Math 491. This emphasis is intended to prepare students for careers in statistics or graduate study in statistics or related areas such as quality improvement.

COMPREHENSIVE MAJOR: MATHEMATICS, Liberal Arts

Actuarial Science Emphasis (Code 180-001)

Entry Requirements: To be admitted to this program students must: a) Complete at least 15 credits of courses required for the major with a GPA in those courses of at least 3.0. b) Complete Math 346 and Math 350 with a grade of B- or better, or earn a passing grade on the corresponding actuarial professional exam(s).

This emphasis requires a minimum of 60 semester credits including Math 114, 215, 216, 324, 346, 347, 350, 450; at least two courses selected from Math 316, 425, 460, 470; Econ 103 or 303, 104 or 304, and 316; Acct 201 and 202; IS 240; Fin 320 and 327. This emphasis prepares students for actuarial careers. Actuaries are business professionals who use mathematical models to evaluate the current financial impact of future contingent events. Actuaries work in a variety of settings including insurance companies, public accounting firms, government agencies, banks, and consulting firms.

MAJOR: MATHEMATICS, Teaching (Code 180-207)

Thirty-six semester credits, including Math 114, 215, 216, 324, 330, 345, 425; and additional credits to be chosen from mathematics courses numbered above 305. Math 346 and Math 347 may be substituted for Math 345. Technology requirement for licensure: Math 451 or CS 201 and 202; IS 240; Fin 320 and 327. This emphasis prepares students for teaching careers. Students graduating under this emphasis will have completed at least one additional semester credit in mathematics.

This program requires 60 semester credits including Math 114, 215, 216, 324, 330, 345, 425. Math 346 and Math 347 may be substituted for Math 345. Required mathematics courses: Math 373 (4 cr.) and Math 451 (3 cr.). Remaining 7 credits to be chosen from Math 297 (1 cr., at most one credit counts for major), and mathematics courses numbered above 305. Required pedagogy courses: ES 212 (2 cr.); Psy 261 (4 cr.); Professional sequence: ES 312, 317, 318, 328 (7 cr.); 357 (2 cr.); Elective pedagogy courses choose two: ES 384 Content Area ESL Instruction (2 cr.); ES 415 Assessment and Evaluation in Grades 1-12 (2 cr.); SPED 306 Behavior Management (3 cr.). This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Mathematics in Early Adolescence through Adolescence classrooms.

COMPREHENSIVE MAJOR: MATHEMATICS, Teaching (Code 180-002)

This program requires 60 semester credits including Math 114, 215, 216, 324, 330, 345, 425. Math 346 and Math 347 may be substituted for Math 345. Required mathematics courses: Math 373 (4 cr.) and Math 451 (3 cr.). Remaining 7 credits to be chosen from Math 297 (1 cr., at most one credit counts for major), and mathematics courses numbered above 305. Required pedagogy courses: ES 212 (2 cr.); Psy 261 (4 cr.); Professional sequence: ES 312, 317, 318, 328 (7 cr.); 357 (2 cr.); Elective pedagogy courses choose two: ES 384 Content Area ESL Instruction (2 cr.); ES 415 Assessment and Evaluation in Grades 1-12 (2 cr.); SPED 306 Behavior Management (3 cr.). This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Mathematics in Early Adolescence through Adolescence classrooms.

COMPREHENSIVE MAJOR: PHYSICS MATHEMATICS, Teaching

See Interdisciplinary Majors.

MINOR: MATHEMATICS, Liberal Arts (Code 180-401)

Twenty-four semester credits, including Math 114, 215, and 216. At least one course from Math 312 or 324 and remaining credits to be chosen
from mathematics courses numbered above 305. At least one course in a computer programming language is recommended.

MINOR: MATHEMATICS, Actuarial Science (Code 180-406)
Twenty-four semester credits, including Math 114, 215, 216, 346, 347, and 350. Math 450, 460, and 470, though not required, may be taken with department permission. This minor is intended to provide students with actuarial skills useful in business areas such as insurance and financial services. The coursework will prepare the student for at least two actuarial professional examinations.

MINOR: MATHEMATICS, Teaching (Code 180-407)
Twenty-four semester credits, including Math 114, 215, 324, 330, 345, 425, and at least three additional credits chosen from Math 216 or mathematics courses numbered above 310. Technology requirement for licensure: Math 451, or CS 170 or equivalent as approved by the Mathematics Department (CS 170 does not count toward the 24 credits required for the mathematics minor). This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Mathematics in Early Adolescence through Adolescence classrooms.

MINOR: MATHEMATICS, Middle Childhood/Early Adolescence, Teaching (Code 180-408)
A minimum of 24 semester credits, including Math 114, 204, 305, 314 or 365, 322 or 341, and 330 plus courses chosen from Math 215, 246, 314, 322, 341, 365, or 451. Math 345 may be substituted for Math 246 if 215 is chosen. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach Mathematics in Middle Childhood through Early Adolescence classrooms.

INFORMATION FOR MAJORS AND MINORS
NOTE 5: Suggested courses for mathematics majors who are planning to be secondary school teachers include Math 314, 341, 346, 347, 350, and courses in computer science and physics.
NOTE 6: Suggested courses for mathematics majors who are planning to pursue graduate study in mathematics include Math 312, 317, 318, 335, 426.

Department Honors in Mathematics
The Honors Program in mathematics is intended for mathematics majors—including actuarial science, mathematics education, and liberal arts majors—who have demonstrated excellence in their coursework, and who want to experience the mathematical community outside the classroom. The high impact practices required for department honors in mathematics align with such experiences.

• Eligibility: Mathematics majors who have a resident and total GPA of 3.50 or higher, and have completed at least 12 hours of mathematics courses with a GPA of 3.50 or higher.

• Application: An application (which is available in the mathematics department office) must be submitted to the department chair with a letter of support from a mathematics faculty member. The application should be submitted during the junior year.

• Requirements: Graduate with a 3.50 GPA or higher in the major, and submit evidence to the department chair that two of the following have been satisfactorily completed:
  1. A faculty/student collaborative mathematics research project
  2. ETS Recognition of Excellence in Mathematics Content Knowledge
  3. An off-campus mathematics presentation at a conference
  4. Participation in a state, regional or national competition in Actuarial Science
  5. Passing grade on a professional exam given by the Society of Actuaries or Casualty Actuarial Society
  6. A mathematics related internship
  7. Acceptance of a mathematics publication in a peer-reviewed journal.

MATH
MATH 10 Basic Mathematics and Elementary Algebra
4 crs. • F, Sp • No Auditors • P: For students with minimal high school mathematics or appropriate score on the mathematics placement test.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 4
• No credit if taken after credit is earned in any higher-numbered mathematics course. This course is graded on a letter grade basis. The grade received is used in calculating semester, resident, and total GPAs. See Note 1. Develops basic mathematics and elementary algebraic skills necessary for further study of algebra.

MATH 20 Intermediate Algebra
4 crs. • F, Sp, Su • No Auditors • P: A grade of C or above in MATH 10, or one year of college-preparatory algebra and an appropriate score on the mathematics placement test.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
• This course is graded on a letter grade basis. The grade received is used in calculating semester, resident, and total GPAs. See Note 1. No credit if taken after credit is earned in any higher-numbered mathematics course except MATH 108 or MATH 107. The real number system, linear equations and inequalities, operations on polynomials and rational expressions, factoring, solutions of quadratic equations, Cartesian coordinates, functions, and related applications.

MATH 104 Finite Mathematics with Applications
4 crs. • F, Sp, Su • GE-IB • P: Grade of C or above in MATH 20, or two years of college-preparatory algebra and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
This course will cover applications from Economics, Social and Biological Sciences. The topics include sets, functions, counting principles, probability, solutions of linear systems by graphical and algebraic methods, matrices, linear programming, problem formulation, and using graphs and trees.

MATH 106 Introduction to Mathematical Thinking
4 crs. • F, Sp • GE-IB • P: MATH 20, or two years of college-preparatory algebra and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
No credit if taken after credit is earned in any higher-numbered mathematics course except MATH 20, or two years of college-preparatory algebra and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
May not be counted for credit toward a major or minor in mathematics. See Note 1. An accessible introduction to some interesting mathematical topics that require analytical thinking and abstract reasoning skills.

MATH 107 Mathematics in Latin American Cultures
4 crs. • F, Sp • GE-IB • P: MATH 20, or two years of college-preparatory algebra and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
This course introduces important mathematical concepts and topics, such as number and arithmetic systems, symmetry, and data structure, using the cultural lenses of pre-Columbian Latin American indigenous cultures.

MATH 108 Earth Algebra
4 crs. • F, Sp • GE-IB • P: A grade of C or above in MATH 20, or two years of college-preparatory algebra and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
May not be counted for credit toward a major or minor in mathematics. See Note 1. Modeling real data drawn from biology, the environment, finance, and other physical systems. Topics include the development of linear, polynomial, exponential and logarithmic functions, and the rate of change in an applied setting.

MATH 109 Algebra for Calculus
4 crs. • F, Sp, Su • GE-IB • P: A grade of C or above in MATH 20, or two years of college-preparatory algebra and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
May not be counted for credit toward a major or minor in mathematics. See Note 1. Algebraic concepts, techniques, and applications including polynomial and rational expressions, linear and quadratic equations, complex numbers, inequalities, absolute value, functions and graphs, exponential and logarithmic functions, systems of equations and inequalities, and zeros of polynomials. This course is for students pursing degree programs that require calculus.

MATH 111 A Short Course in Calculus
4 crs. • F, Sp, Su • GE-IB • P: MATH 109, or a grade of B or above in MATH 108, or three years of above-average work in college-prep MATH and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
May not be counted for credit toward a major or minor in mathematics. See Note 1. Primarily for students in biology, business, economics, psychology, and sociology. Functions, limits, continuity, derivatives, integrals, and applications.
MATH 112 Precalculus Mathematics
4 crs. • E, F, Sp, Su • P: MATH 108, or MATH 109, or three years of above-average work in college-prep MATH and a suitable mathematics placement test score. Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
- May not be counted for credit toward a major or minor in mathematics. See Note 1.
Prepares students to enter the MATH 114, 215, 216 sequence. Includes absolute value; logarithmic, exponential, and trigonometric functions; inequalities; conic sections; complex numbers; and topics from theory of equations.

MATH 113 Trigonometry
2 crs. • E, F, Wi, Sp, Su • P: MATH 109, or a grade of B or above in MATH 108, or three years of above-average work in college-prep MATH and a suitable mathematics placement test score. Credit may not be earned in both MATH 113 and MATH 112.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
- May not be counted for credit toward a major or minor in mathematics. See Note 1.
Graphs, properties, and geometric significance of trigonometric functions of a real variable. Other topics include trigonometric equations and identities, inverse trigonometric functions and applications.

MATH 114 Calculus I
4 crs. • E, F, Sp, Su • GE-IB • P: MATH 112, or 113, or four years of above-average work in college-prep mathematics, including one semester of trigonometry and a suitable mathematics placement test score. Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
- May not be counted for credit toward a major or minor in mathematics. See Note 1.
Limits, theory, and application of the derivative; introduction to integration.

MATH 203 Mathematics for Elementary/Middle School Teachers I
3 crs. • E, F, Sp • GE-IB • P: A grade of C or above in MATH 20, or two years of college-preparatory algebra and a suitable math placement test score. Limited to elementary or special education majors and minors.
Lecture/Discussion Hours: 3 Lab/Studio Hours: 0
- May not be counted for credit toward a major or minor in mathematics.
An integrated study of mathematics content, methods, and curricula. Topics include problem solving, reasoning, whole numbers and numeration with an emphasis on cognitively guided instruction, elementary number theory, integers.

MATH 204 Mathematics for Elementary/Middle School Teachers II
3 crs. • E, F, Sp • GE-IB • P: MATH 203. Limited to elementary and special education majors and minors. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
- Counts only toward the elementary teaching minor in mathematics.
An integrated study of mathematics content, methods, and curricula. Topics include number theory, the rational numbers, ratio and proportion, the real number system and probability. Emphasis on communication and algebraic thinking. Practicum experience included.

MATH 211 Calculus and Business Mathematics
3 crs. • V • GE-IB • P: MATH 111 or 114.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
- May not be counted toward a major in mathematics.
Multivariate calculus, matrix algebra, linear programming, mathematics of finance, and business-oriented applications.

MATH 212 Calculus II
4 crs. • E, Sp, Su • GE-IB • P: MATH 114
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Applications and techniques of integration; improper integrals; sequences and series; power series and Taylor’s formula.

MATH 216 Calculus III
4 crs. • E, F, Sp, Su • P: MATH 215
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Introduction to functions of several variables, including partial derivatives, multiple integrals, the calculus of vector-valued functions, and Green’s Theorem, Stokes’ Theorem, and the Divergence Theorem.

MATH 245 Introduction to Statistics
3 crs. • GE-IB • P: One year of high school algebra. No credit if taken after MATH 245, MATH 347, or PSYC 265. Credit may not be earned in both MATH 245 and MATH 246.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Basic statistical analysis, including descriptive statistics, probability, confidence intervals, hypothesis testing, simple linear regression, and correlation.

MATH 246 Elementary Statistics
4 crs. • E, F, Wi, Sp, Su • GE-IB • P: A grade of C or above in MATH 20, or two years of college-preparatory algebra and a suitable mathematics placement test score.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
- May not be counted for credit toward a major or minor in mathematics with the exception of the Middle Childhood/Early Adolescence minor in mathematics.
Basic statistical analysis, including descriptive statistics, probability, confidence intervals, hypothesis testing, simple linear regression, correlation, Chi-Square, and Analysis of Variance.

MATH 291 Special Topics
1-3 crs. • V • May be repeated for a maximum of 9 credits
Topics will vary, depending on interest of students and faculty.

MATH 297 Developmental Tutoring Techniques
1 cr. • E, Sp Seminar Hours: 1
- May not be counted for credit toward a major or minor in mathematics except in the Comprehensive Major: Mathematics, Teaching emphasis.
Training and tutoring for developmental mathematics courses.

MATH 305 Mathematics for Elementary/Middle School Teachers III
3 crs. • F, Sp • GE-IB • P: MATH 214 or concurrent enrollment. Exceptions to the MATH 204 prerequisite may be made with the instructor’s approval. Limited to elementary and special education majors and minors. Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
- Counts only toward the elementary teaching minor in mathematics.
An integrated study of mathematics content, methods, and curricula. Topics include statistics, measurement, geometries, patterns, and functions. Emphasis on communication and algebraic thinking. Practicum experience included.

MATH 311/511 Differential Equations
3 crs. • V • P: MATH 216. Credit may not be earned in both MATH 311 and MATH 312.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

MATH 316/516 Introduction to Real Analysis
4 crs. • E, F, Sp, Su • P: MATH 215, or consent of instructor.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Fundamentals of real analysis. Proofs of basic properties of real numbers; sequences and series; limits, continuity, derivatives, integrals.

MATH 317/517 Number Theory
3 crs. • F • P: MATH 215 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Number theory. Properties of the integers, congruences, the theory of quadratic residues, Diophantine equations.

MATH 326 Advanced Calculus I
4 crs. • V • GE-IB • P: MATH 216 and 324.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Calculus in several variables. Vector calculus; line, surface, and space integrals including Green’s theorem, Divergence theorem, and Stokes’ theorem.

MATH 327 Advanced Calculus II
4 crs. • V • P: MATH 326.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Advanced topics in calculus, including complex numbers, Fourier series, and theorems of Cauchy and Weierstrass.

MATHEMATICS
MATH 317 Introduction to Real Analysis II
3 crs.  •  F  •  P: MATH 316
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Differentiation and integration in Rn, Riemann-Stieljes integrals, functions of bounded variation, implicit function theorem, introduction to metric spaces including Azela's Theorem and Tietze extension Theorem, and selected topics in analysis.

MATH 318/518 Introduction to Complex Variables
3 crs.  •  Sp  •  P: MATH 216
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Elementary functions of a complex variable, complex integrals, and residue theory.

MATH 322 Abstract Algebra for Elementary Teachers
3 crs.  •  Sp  •  P: 11 credits in mathematics to include MATH 111 or 114; MATH 204. Limited to elementary education majors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Includes sets, functions, and abstract algebraic structures such as groups, rings, and fields.

MATH 324/524 Linear Algebra and Matrix Theory
4 crs.  •  F  •  Sp  •  P: MATH 215
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
An introductory course in linear algebra including matrix algebra, systems of linear equations, vector spaces, linear transformations, eigenvalues, and applications. Also covers methods of proof and a survey of student-faculty research.

MATH 330/530 Modern Geometry
3 crs.  •  F  •  Sp  •  P: MATH 114
Lecture/Discussion Hours: 3.0  |  Lab/Studio Hours: 0
• Requires basic knowledge of Euclidean Geometry.
Contemporary and classical Euclidean geometry, with emphasis on constructions, transformations, and proofs. The Mira and geometry software will be used to illustrate these topics. Some non-Euclidean geometry included.

MATH 335/535 Introduction to Point-Set Topology
3 crs.  •  F  •  even years  •  P: MATH 324
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Theory of sets, continuity of functions, neighborhoods of points, topological and metric spaces, connectedness and compactness.

MATH 338 Introduction to Differential Geometry
3 crs.  •  F  •  Sp  •  P: MATH 216
Lecture/Discussion Hours: 2.5  |  Lab/Studio Hours: 0.5
An introduction to the study of curves and surfaces. Topics on curves include curvature, torsion, and the Frenet frames. Topics on surfaces include curvature, minimal surfaces, and Gauss' Remarkable Theorem.

MATH 341 Classical Number Theory
3 crs.  •  Sp  •  odd years  •  P: MATH 114
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Classical number theory including divisibility, primes and their properties, theory of congruences, Diophantine equations, number theoretic functions, primitive roots, and selected optional topics.

MATH 342 Mathematical Logic and Proof
3 crs.  •  V  •  P: MATH 215
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Introductory logic statements, inference, quantification, and methods of proof with applications in sets, number theory, relations, and algebra.

MATH 345/545 Introduction to Probability and Mathematical Statistics
4 crs.  •  F  •  P: MATH 215 or concurrent registration.
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
Credit may not be earned in both MATH 345 and MATH 346.
• MATH 246 may not be taken for credit after or concurrently with MATH 345.
Counting techniques, discrete and continuous random variables, probability distributions, sampling distributions, estimation, hypothesis testing, linear regression, correlation, nonparametric statistics. Students who desire more extensive probability and statistics should take Math 346/546, Math 347/547.

MATH 346/546 Introduction to Probability
4 crs.  •  F  •  Sp  •  P: MATH 216 or concurrent enrollment.
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
Probability in discrete and continuous sample spaces; conditional probability; counting techniques; probability functions; binomial, Poisson, normal distributions; and transformations of variables.
MATH 395 Directed Studies
1-3 crs.  •  F, Sp, Su  •  May be repeated  •  P: 2.00 GPA in mathematics.  •  Department Consent Required
For the student who wishes to pursue independent study of a topic in mathematics under the supervision of a member of the mathematics department.

MATH 399 Independent Study - Juniors
1-3 crs.  •  F, Sp  •  May be repeated  •  P: Minimum junior standing.  •  Department Consent Required

MATH 425/625 Abstract Algebra I
3 crs.  •  F, Sp  •  P: MATH 324
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
An introduction to the abstract concepts of algebra such as groups, rings, and fields. Topics such as direct products, group homomorphisms, factor groups, integral domains, and polynomial rings will be included.

MATH 426/626 Abstract Algebra II
3 crs.  •  Sp  •  P: MATH 425/625. No credit if taken after MATH 322.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A continuation of Math 425 including more advanced topics from groups, rings, and fields, such as the Sylow theorems, prime and maximal ideals, unique factorization domains, and finite fields.

MATH/PHYS 440 Digital Image Processing
3 crs.  •  Sp even years  •  P: MATH 215
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both MATH 440 and PHYS 440.
Applications of Fourier analysis and wavelets to optics and image processing. Topics include: diffraction, wave optical theory of lenses and imaging, wavelets, and image processing.

MATH 441 Linear Regression Analysis
3 crs.  •  F even years  •  P: MATH 345 or 347 or MATH 246 with consent of instructor and MATH 212 or 324.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Simple and multiple regression, transformation of variables, model checking, analysis of residuals, regression diagnostics, stepwise regression, index variables, confidence intervals, and computer software.

MATH 443 Experimental Design and Analysis
3 crs.  •  F odd years  •  P: MATH 345 or 347; or MATH 246 with consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Basic concepts of statistical design of experiments, linear models; randomized block, Latin square, factorial, fractional factorial, rotatable, and incomplete block designs and applications.

MATH 445 Survey Sampling
2 crs.  •  Sp odd years  •  P: MATH 345 or 347; or MATH 246 with consent of instructor.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
Survey sampling including random sampling, stratified sampling, cluster sampling, and design of surveys.

MATH 447 Nonparametric Statistics
2 crs.  •  Sp even years  •  P: MATH 345 or 347; or MATH 246 with consent of instructor.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0

MATH 450/650 Foundations of Actuarial Science
3 crs.  •  F  •  P: Admission to the Actuarial Science program (Code 180-001).
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Actuarial theory of financial mathematical models for contingent events as applied to insurance, annuities, pensions, and reserves. Together with Math 460, this course prepares students for the actuarial exam covering contingent payments.

MATH 451/651 Teaching Mathematics with Technology
3 crs.  •  F, Sp  •  P: ES 203 or ES 210/211 or ES 212; MATH 114. Credit may not be earned in both MATH 451/651 and MATH 453/653.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• May not be counted for credit toward a major or minor in mathematics except in mathematics teaching programs.
In this course students will investigate teaching mathematics effectively with technology. Technology used includes graphing calculators, spreadsheets, interactive software, and calculator based laboratories. Topics include functions, statistics, probability, geometry, and mathematical modeling.

MATH 456/656 Operations Research
2-3 crs.  •  Sp even years  •  P: MATH 215
• Students who have earned credit in an upper-division linear programming course may earn only two credits in this course. This two-credit option is available only to those who have taken such a course. For students earning two credits due to this restriction, attendance will be optional during the linear programming unit.
An introduction to the theory and application of operations research techniques. Several important topics including linear programming, inventory models, waiting time models, and replacement models will be discussed.

MATH 460/660 Contingent Payment Analysis
3 crs.  •  Sp  •  P: MATH 450 and Admission to the Actuarial Science Program (Code 180-001).
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Actuarial theory of reserves, multiple life models, multiple decrement models, Poisson processes, and multi-state transition models. Together with Math 450, this course prepares students for the actuarial exam covering contingent payments.

MATH 462/662 History of Mathematics
3 crs.  •  V  •  P: MATH 114
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A study of mathematics from a historical point of view beginning with the work of the early Greek mathematicians and including selected mathematicians and periods of mathematical development up to the present.

MATH 470/670 Mathematical Models for Financial Economics
3 crs.  •  F  •  P: Admission to the Actuarial Science Program (Code 180-001).
Lecture/Discussion Hours: 4  |  Lab/Studio Hours: 0
Mathematical theory of options including binomial and Black-Scholes pricing models, interest rate models, lognormal models and volatility measurement. This course is meant, in part, to prepare students for the actuarial exam covering financial economics.

MATH 491/691 Special Topics
1-3 crs.  •  V  •  May be repeated for a maximum of 9 credits
A variable content course designed to allow a breadth of study through investigation of mathematical topics not covered in other courses. Special interests of instructors will be utilized to provide topics.

MATH 493 Capstone Seminar
1 cr.  •  V  •  CP  •  May be repeated for a maximum of 3 credits  •  P: Minimum senior standing.  •  Department Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
An intensive study of selected topics including written and/or oral presentations by the students. The topics will connect ideas from across the mathematics major.

MATH 494/694 Mathematics Seminar
1 cr.  •  F  •  Sp  •  May be repeated for a maximum of 3 credits  •  P: Minimum junior standing.
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
An intensive study of selected topics in mathematics. The exact topics to be studied will vary according to the interests of the professor and the seminar participants.

MATH 497 Honors Seminar
1 cr.  •  V  •  May be repeated for a maximum of 3 credits  •  P: Grade of B+ or above in MATH 216.
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
• Admission to Department Honors Program.
An intensive study of selected topics in mathematics. The exact topics to be studied will vary according to the interests of the professor and the seminar participants.

MATH 498 Mathematics Internship
1-3 crs.  •  F • SL-Optional; IN • May be repeated for a maximum of 6 credits  •  P: MATH 216. Limited to mathematics majors and minors.
Provides supervised on-the-job experience in an area of interest with an approved sponsor.

MATH 499 Independent Study - Seniors
1-3 crs.  •  F, Sp • May be repeated • P: Minimum senior standing.  •  Department Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Department Consent Required
Music and Theatre Arts

HAAS FINE ARTS 156
715-836-4954
www.uwec.edu/mus-the

ALAN RIECK, CHAIR

MUSIC: ROBERT BACA, JEFFERY CROWELL, LORI CRUCIANI, RANDAL C. DICKERSON, GARY DON, LAURA DUNBAR, CHRISTA GARVEY, MOLLY GEBRIAN, CHA-YU HSU, RYAN JONES, NAMJI KIM, MELISSA KOPROWSKI, TIMOTHY LANE, OWEN LOVELL, ANDREW MACHAME, MARK MOWRY, VERLE ORMOSBY, PHILLIP OSTRANDER, KENNETH PEREIRA, GRETCHEL PETERS, NICHOLAS PHILLIPS, LEE ANNA RASA, TULLIO RONDON, JOSHUA SCHWALBACH, GARY SCHWARTZHOFF, MICHAEL SHULTS, PAULA SMITH, JOHN STEWART, FRANK WATKINS, NOBUYOSHI YASUDA, BARBARA YOUNG, JERRY YOUNG.

THEATRE ARTS AND DANCE: JENNIFER CHAPMAN, JULIE FOX, KEVIN GAWLEY, ARTHUR GROTHE, RICHARD NIMKE, AMANDA PROFIZER, JAMES ZWICKY.

Honor Societies and Student Organizations:
There are eight nationally-affiliated music student organizations at UW-Eau Claire, including student chapters of National Association for Music Education, American Choral Directors Association, American String Teachers Association, National Association of Teachers of Singing, National Band Association Collegiate Chapter, United States Institute for Technical Theatre, and American Music Therapy Association for Students; the professional fraternities Phi Mu Alpha-Sinfonia and Sigma Alpha Iota; and the honor society Pi Kappa Lambda.

The performing arts enjoy an enviable reputation at UW-Eau Claire. Outstanding student and faculty performances in music, theatre, and dance; innovative classroom experiences; and active outreach are hallmarks of the Department of Music and Theatre Arts.

The Department offers the Bachelor of Arts or Science degree in liberal arts—music; liberal arts—music history; liberal arts—theatre arts; and theatre arts—middle/secondary teaching; Bachelor of Music Education degrees leading to teacher licensure; and Bachelor of Music degrees in applied music, piano pedagogy, collaborative piano, theory, and composition. A liberal arts minor is offered in music, theatre arts, and dance; teaching minors also are offered in theatre arts.

The University of Wisconsin-Eau Claire is an accredited institutional member of the National Association of Schools of Music.

Music
Throughout history the study of music has been held to be one of the noblest pursuits of humanity. Music integrates and develops an understanding of our intellect, our emotions, and our senses. As such, it is both a personal and universal art.

All baccalaurate degrees in music emphasize the development of skills, concepts, and sensitivity essential to the professional life of the musician. Whether a professional performer, teacher, or composer, the musician must function as one who exhibits not only technical competence but also a broad knowledge of music and music literature, sensitivity in musical style, and an insight into the role and effect of music in society. Courses for the general university student provide an environment which promotes a broad intellectual and cultural appreciation of music.

General Requirements—Music Majors and Minors

ACADEMIC PREPARATION
Students planning to major in music should have some background playing an instrument in their high school band or orchestra, singing in a high school choral ensemble, or should have studied an instrument (e.g., piano) privately for a significant period of time. It is expected that prospective music majors be able to read music and sight-sing in at least one clef. Although not mandatory, private study in voice or an instrument will be very beneficial in preparation for college study in music; it offers significant advantages in terms of enhancing individual performance technique and provides exposure to standard music literature. Ability to play piano—even at a rudimentary level—and read both treble and bass clefs is a desirable attribute for any music major. In addition, it is helpful for students to have taken high school theory and/or music appreciation courses. Advanced keyboard ability is especially desirable for applicants to the composition and theory degree programs.

ADMISSION

Applicants must be admitted to the University before completing audition requirements.

All applicants for admission to degree programs in music must satisfactorily complete an audition in a performance area, take a placement examination in piano (when piano is not a major instrument), and take an aural skills exam. Applicants to the B.M.E. degree must audition in wind, string, percussion, piano, or voice. Minimum repertoire standards for all performance areas are available from the department’s Web site at www.uwec.edu/mus-the.

Scholarships are available to a limited number of applicants who demonstrate superior musical ability. An application for the audition and placement constitutes an application for a department scholarship, and no separate form is required. Applicants recommended for scholarship assistance will be notified after the audition.

The Department of Music and Theatre Arts adheres to the code of ethics of the National Association of Schools of Music (NASM). The acceptance of financial aid by an applicant is considered a declaration of intent to attend the institution; after May 1, the applicant may not consider any other offer from an NASM member institution without the written consent of the first institution. Similarly, a transfer from another college or university cannot be considered for a scholarship without the recommendation of the institution from which the transfer is being made.

GRADUATION REQUIREMENTS

Keyboard Placements. All entering freshmen and transfer students who do not have piano as a major instrument take a piano placement examination which determines the level of class piano (Musi 106 or 108) in which they will be enrolled to prepare for the piano proficiency examination. If the placement test indicates a sufficiently high level of ability, the student may be directed to applied piano (Musi 151). A keyboard placement resulting in a higher-numbered keyboard course, i.e., Musi 108 or 151, does not constitute credit by examination for a lower-numbered course. Credit by examination is not available for Musi 104, 106, 108, 278, or 378.

The Piano Proficiency Examination must be passed (1) one year prior to admission to the professional semester for students working toward teaching licensure (B.M.E. programs) and/or (2) prior to graduation in any music major/minor program. It is offered only during the Fall and Spring Semester final examination periods. The Piano Proficiency Examination tests performance in major and minor scales, arpeggi, sight-reading, harmonization, transposition, and memorization.

Performance Class and Recitals. All music majors are required to attend and/or participate in performance class and to attend ten approved concerts and recitals for each of seven semesters. For minors, the requirement is three semesters.

Satisfactory/Unsatisfactory Policy. No music course may be taken under the Satisfactory/Unsatisfactory option.

Audit Policy. Applied lessons may not be taken for audit.

Special Student Status. High school students may enroll with permission of the instructor for courses in the Department of Music and Theatre Arts during the Special Student Registration. Because of demand for some courses and limitations on enrollment, degree students will be given priority. Credits earned as high school special students will be reviewed for acceptance into degree programs after
MUSIC AND THEATRE ARTS

official admission to the university and department. Credit review procedure is the same as that for transfer students. Enrollment in graduate music courses under the special student admission status is not allowed except in workshops or by consent of the instructor.

NOTE: A student may not register for credit in a course which is a prerequisite for any other course in which the student has credit.

Bachelor of Music Education

General Education Requirements for the Bachelor of Music Education Programs

See University Requirements in the College of Education and Human Sciences page 242.

COMPREHENSIVE MAJOR: MUSIC—

Instrumental and General Music Teaching (Code 060-057)

Piano Proficiency—passed prior to enrollment in Mued 310. Students are required to complete two successful audits of Mued 135, Conducting Lab—one semester in a fall, one semester in a spring.

Other Requirements

Professional Education

University Requirements for Teacher Education Programs (see College of Education and Human Sciences). If Hnrs 101 is taken to fulfill the composition requirement, the total is 45 credits.

TOTAL 134-135

This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option C and leads to licensure to teach Choral Music and General Music in Early Childhood through Adolescence classrooms.

Bachelor of Music

Major applied lessons carry credits as follows: one 30-minute private lesson per week for one credit; one hour lesson per week for two, three, or four credits. The number of applied credits per semester indicates the minimum number of practice hours per day.

All applied B.M. students may present a half recital in the junior year and must present a full recital in the senior year. Recital requirements apply to the following comprehensive music majors:

Applied Instrumental (Code 060-041)
Applied Voice (Code 060-042)
Piano Performance (Code 060-045)
Piano Pedagogy (Code 060-049)
Collaborative Piano (Code 060-050)
Composition (Code 060-048)

Pedagogy—Musi 345 3
Ensembles—seven semesters, seven credits, including the two semesters immediately prior to the professional semester, from Musi 188/388, 190/390, 191/391, or 192/392; and one semester, one credit from Musi 262/462 or 265/465.
The two semesters immediately prior to the professional semester must be from Musi 388, 390, 391, or 392. A minimum of three credits must be from 188/388 and/or 190/390; and a minimum of two credits from 191/391 or 192/392.

Music Methods—Mued 211, 300, 310, 318, 410, 420 | 9 | (62-63)

Piano proficiency—passed prior to enrollment in Mued 310. Students are required to complete two successful audits of Mued 135, Conducting Lab—one semester in a fall, one semester in a spring.

Other Requirements

See College of Arts and Sciences degree requirements, Bachelor of Music.
COMPREHENSIVE MAJOR: MUSIC—

Applied Voice (Code 060-042)
Music Requirements Credits
Theory—Musi 141/142, 146/147, 246/247, 248, 249, 249 16
History / Literature—Musi 225, 227, 229, 303, 405, 470, 472 18
Applied Voice—Musi 153/353, eight semesters, four semesters at 300 level 21
Applied Piano—Two semesters, two credits Musi 151, followed by one semester, one credit Musi 378 3
Senior Recital—Musi 497 2
Singers’ Diction—Musi 347, 348 4
Conducting—Musi 350 2
Ensembles—Eight semesters, four credits from Musi 188/388, 190/390, 191/391, or 192/392; two credits Musi 280/480; and two credits from 262/462 and/or 461 8
Supporting Courses—At least two credits selected from the following: Dnce 110, Dnce 112, Musi 397, Musi 480, or Thea 130 2
Piano Proficiency—passed prior to graduation 79

Other Requirements
Language proficiency at the 102 level in either French, German, or Italian.
See College of Arts and Sciences degree requirements, Bachelor of Music.

COMPREHENSIVE MAJOR: MUSIC—

Piano Performance (Code 060-045)
Music Requirements Credits
Theory—Musi 141/142, 146/147, 246/247, 248, 249, 335 18
History / Literature—Musi 225, 227, 229, 303, 405 12
Applied Piano—Musi 151/351; eight semesters (two credits per semester, four semesters at 300 level) 16
Senior Recital—Musi 497 2
Sophomore / Junior Recital - Musi 297 / 397 1
Piano Literature I and II - Musi 481, 482 4
Piano Pedagogy—Musi 315 2
Conducting—Musi 350 2
Keyboard Accompanying - Musi 276 2
Ensemble—Eight semesters, including two from Musi 268/468, two from Chamber Music* 8
Electives in Music 8
Piano Proficiency—passed prior to graduation 75

Ensembles:
*Ensemble requirements for students in the Piano Performance emphasis to include four semesters of large ensemble to be selected from: Musi 180/380, 181/381, 184/384, 188/388, 190/390, 191/391, 192/392, 260/460, and two semesters of chamber music in consultation with their instructor

Other Requirements
See College of Arts and Sciences degree requirements, Bachelor of Music.

COMPREHENSIVE MAJOR: MUSIC—

Piano Pedagogy (Code 060-049)
Music Requirements Credits
Theory - Musi 141/142, 146/147, 246/247, 248, 249, 335 18
History / Literature - Musi 225, 227, 229, 303, 405 12
Applied Piano - Musi 151/351; eight semesters (two credits per semester, four semesters at 300 level) 16
Sophomore / Junior Recital - Musi 297 / 397 1
Piano Literature - Musi 481, 482 4
Piano Pedagogy I and II - Musi 315, 316 4
Capstone project – Musi 495 1
Educational Psychology - Psyc 260 3

Ensembles:
* Ensembles requirements for students in the Collaborative Piano emphasis to include, with input from ensemble directors, experience as the ensemble pianist in Musi 180/380, 181/381, 184/384, 188/388, 190/390, 191/391, 192/392, 260/460, and two semesters of chamber music in consultation with their instructor

Other Requirements
See College of Arts and Sciences degree requirements, Bachelor of Music.

COMPREHENSIVE MAJOR: MUSIC—

Composition (Code 060-048)
Music Requirements Credits
Theory—Musi 141/142, 146/147, 246/247, 248, 249, 335, 325, 335, 407, 437 26
History / Literature—Musi 225, 227, 229, 303, 405 12
Composition—Musi 150, 170/370, five semesters, three semesters at 370 level 12
Applied Music—minimum of six semesters, six credits, at least two credits at 300 level* 6
Keyboard (non-piano emphasis)—Musi 151, four semesters (piano emphasis students must substitute at least four additional credits of music electives or supporting electives from supporting course list below) 4
Conducting—Musi 350 2
Senior Recital—Musi 497 2
Ensemble—Eight semesters, four credits from Musi 180/380, 181/381, 184/384, 188/388, 190/390, 191/391, or 192/392, and four credits from 253/453-268/468 and/or 186/386, at least two of these credits from Musi 260/460 8
Electives in Music 2

MUSIC AND THEATRE ARTS

Other Requirements
See College of Arts and Sciences degree requirements, Bachelor of Music.

COMPREHENSIVE MAJOR: MUSIC—

Collaborative Piano (Code 060-050)
Music Requirements Credits
Theory - Musi 141/142, 146/147, 246/247, 248, 249, 335 18
History / Literature - Musi 225, 227, 229, 303, 405 12
Applied Piano - Musi 151/351; eight semesters (two credits per semester, four semesters at 300 level) 16
Senior Recital (Collaborative) - Musi 497 2
Sophomore / Junior Recital (Solo) – Musi 297 / 397 1
Piano Literature - Musi 481, 482 4
Voice Literature - Musi 472 3
Singer’s Diction - Musi 347, 348 4
Keyboard Accompanying – Musi 276 2
Conducting - Musi 350 2
Ensemble - eight semesters, including two from Musi 268/468** 8
Electives in Music 6
Piano Proficiency-passed prior to graduation 78

Ensembles:
**Ensemble requirements for students in the Collaborative Piano emphasis to include, with input from ensemble directors, experience as the ensemble pianist in Musi 180/380, 181/381, 184/384, 188/388, 190/390, 191/391, 192/392, 250/460, and two semesters of chamber music in consultation with their instructor

Other Requirements
See College of Arts and Sciences degree requirements, Bachelor of Music.

COMPREHENSIVE MAJOR: MUSIC—

All students majoring in composition must earn a grade of at least C in each theory and each composition course.

Other Requirements
See College of Arts and Sciences degree requirements, Bachelor of Music.
MUSIC AND THEATRE ARTS

Supporting Courses—Anth/AIS 161 or CS 163 or Phil 325 or Phys 308 or Pol 390 3
Piano Proficiency—passed prior to graduation. 77

*Students who wish to take a full eight semesters of applied lessons may do so, at the discretion of the studio teacher, by applying music elective credits toward applied study.

Other Requirements
See College of Arts and Sciences degree requirements, Bachelor of Music.

Freshman and transfer students interested in majoring in composition are strongly urged to present a composition portfolio to a member of the composition faculty before registering for any composition course. No possible credit for composition at another institution will be awarded before the end of the first semester of study at UW-Eau Claire.

COMPREHENSIVE MAJOR: MUSIC—
Theory (Code 060-047)
All students majoring in theory must earn a grade of at least C in each theory and each composition course.

Bachelor of Arts or Bachelor of Science

COMPREHENSIVE MAJOR: MUSIC—
Music History, Liberal Arts (Code 060-063)

This degree is intended for students planning to attend graduate school in musicology. Students will need to seek permission to declare this degree by musicology faculty. Musicology faculty will base their decision on grades in Musi 227 and 229, total GPA, and samples of writing. While there is no set GPA for admission into the major, a student requesting this major should have attained minimum GPAs of 3.25 in the following areas: (1) Musi 227 and 229, (2) other academic music courses, (3) total GPA.

MINOR: MUSIC, Liberal Arts
(Code 060-401)

Minimum course credit requirements include:

Theory—Musi 141/142, 146/147 (eight crs.)
History/Literature—Minimum of two credits from Musi 110, 111, 112, 114, 227, 307, Musi/Wmns 306, or IDIS 174 (when taught by a music faculty member); Musi 225 (two credits)

Applied Music—four credits, four semesters from one instrument, excluding Musi 170/370

Large Ensembles—three credits, three semesters from Musi 180/380, 181/381, 184/384, 188/388, 190/390, 191/391, or 192/392

Music Electives—minimum of four credits elected from any courses with a Musi prefix (Musi 182/382 and Musi 193/393 may be used only with approval), with a maximum of two credits from ensembles elected from Musi 180/380, 181/381, 184/384, 186/386, 188/388, 190/390, 191/391, 192/392, 253/453-268/468 or 280/480, and maximum of two credits from applied music for a minimum total of 24 credits

NOTE: Music minors are required to participate in Performance Class and attend ten approved concerts and recitals for a minimum of three semesters; passing the piano proficiency is also a requirement.

Theatre Arts and Dance

The arts of theatre—acting, directing, playwriting, design, literature, and costuming—enable us to explore the experiences of humans and the universe. Theatre Arts studies human ideas, values, relationships, obsessions, and accomplishments. Practical experimentation and practice of the arts of the theatre increases our ability to present human experiences to audiences for both entertainment and enlightenment.

Theatre Arts programs offer students training in various aspects of theatre including technical theatre, acting, directing, dance, dramatic literature, playwriting, and arts management.
COMPREHENSIVE MAJOR: THEATRE ARTS, Liberal Arts (Code 601-001)

Sixty semester credits, twenty-one core requirement credits, including:
Thea 121, 125, 130, 151, 152, 153, 221, 332, 425; either Thea 123 or 239; either Thea 321, 324, or 327; either Thea 220 or 224; one course from Dnce 110, 112, 114, or 116; five different credits from Thea 170-179, Thea 351-353 and 370-379; fifteen credits from any three-credit Thea class numbered 200 or above, Musi 118, or Dnce 110, 112, 114, or 116; and nine credits of adviser-approved electives.

MAJOR: THEATRE ARTS, Liberal Arts (Code 601-223)

Thirty-eight semester credits, twenty-one core requirement credits, including:
Thea 121, 125, 130, 151, 152, 153, 221, 332, 425; either Thea 123 or 239; either Thea 321, 324, or 327; either Thea 220 or 224; two different credits from Thea 170-179 and Thea 370-379; and six credits from any three-credit Thea course numbered 200 or above, Musi 118, and Dnce 110, 112, 114, 116.

MAJOR: THEATRE ARTS, Teaching (Code 601-204)

Thirty-six semester credits: Thea (ES) 361; Thea 121, 125, 130, 151, 152, 153, 221, 271, 332, 335, 425; Thea 123 or 239; one credit from Thea 170-179 or 370-379; and Thea 336 or 421. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option C and leads to licensure to teach Theatre in Early Childhood through Adolescence classrooms.

MINOR: THEATRE ARTS, Liberal Arts (Code 601-422)

Twenty-four semester credits, twenty-one core requirement credits, including:
Thea 121, 125, 130, 151, 152, 153, 221, 332, 425; and any three-credit Thea course numbered 200 or above.

MINOR: THEATRE ARTS, Middle Childhood/Early Adolescence Teaching (Code 601-425)

Twenty-four semester credits: Thea (ES) 361; Thea 121, 125, 130, 151, 152, 153, 332, 335; Thea 170-179 or 370-379; and Thea 336 or 421. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A and leads to licensure to teach Theatre in Middle Childhood through Early Adolescence classrooms.

MINOR: THEATRE ARTS, Early Adolescence/Adolescence Teaching (Code 601-424)

Twenty-four semester credits: Thea (ES) 361; Thea 121, 125, 130, 151, 152, 153, 332, 335; and one credit from Thea 170-179 or 370-379. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Theatre in Early Adolescence through Adolescence classrooms.

INFORMATION FOR THEATRE EDUCATION MAJORS AND MINORS

Theatre education majors and minors are required to take the following fine arts courses in their General Education/elective programs: one music course from Musi 100, 102, 110, or 340, Engl 181; Art 105 or 106; and one dance course from Dnce 101, 112, or 114.

MINOR: DANCE, Liberal Arts (Code 605-400)

Twenty-four credits, including:
Eight credits of Physical Practice courses selected from Dnce 110, Dnce 112, Dnce 310*, Dnce 312*
Six credits of Theoretical Inquiry courses: Dnce 101 and Dnce 420
Ten credits of Creative Activity/Interdisciplinary Studies including six credits from Kins 294 and Thea 121; and four credits selected from Dnce 370 (1-2 credits), Dnce 395, Dnce 499, additional credits of Physical practice courses (Dnce 110, Dnce 112, Dnce 310, or Dnce 312), Musi 110, Musi 225, Musi 307, Thea 130, or Thea 239.
*repeat credits of Dnce 310 or Dnce 312 may be used to fulfill the requirement

DEPARTMENTAL HONORS IN MUSIC AND THEATRE ARTS

Eligibility

Upper-class music and theatre arts majors with resident and transfer GPAs of 3.50 or higher and a 3.50 or higher in the major are eligible for participation in the departmental honors program. Participants whose cumulative and/or major GPA falls below 3.50 can still graduate with honors as long as his/her GPA increases to 3.50 before graduation.

Procedure for Admission

A written application, available in the department office, is submitted for approval by the Departmental Honors Committee no later than the third week of classes of the junior year. Transfer students entering UW-Eau Claire with junior status must apply no later than the end of the third week of classes.

Requirements for Graduation with Departmental Honors

1. Complete all degree requirements for the major in music or theatre arts with a cumulative and major program GPA of 3.50 or higher.
2. Complete three honors course projects attached to courses that represent three different honors course categories. Approval of the course instructor and Honors Committee is required and a description of the honors work to be done must be submitted to the committee by the end of the third week of classes. A report must be filed with the committee three weeks before final examination week.
3. Complete an honors paper supporting a senior project or performance under the direction of a department faculty member (e.g., historical, theoretical, pedagogical research; criticism; playwriting; composition; scenic or costume design; directing; solo recital; major acting/operatic role). The paper is defended orally to a faculty jury consisting of its faculty director and two members of the Honors Committee. A copy of the paper is filed with the committee.

CERTIFICATE PROGRAM

The Certificate in Fine Arts Administration (Code 060-601) provides students with a core body of knowledge and skills to effectively manage community or institutionally based arts organizations and provides a foundation for continued study in fine arts administration. Emphasis is placed on management and communication skills useful to administrators of fine arts enterprises. The 18-credit program includes elective courses, a capstone seminar, and a one-semester internship.

Admission—Students who document interest, motivation, and commitment to the field of fine arts administration are eligible for admission. Admission is by written application. Applications are available from the Department of Music and Theatre Arts.

Program requirements—18 credits, including:
 Eight credits: Thea 121, Bsad 305, IDIS 410.
 One credit from one of the following internship courses: Art 498, CJ 498, Musi 498, Thea 498, Mgmt 398, or Mktg 398. Internship must be tied to fine arts administration.
 Nine credits from at least two areas below with the following stipulations. Courses used to complete major requirements do not count toward completion of the certificate. Students with majors outside of Art, Art History, Music and Theatre are required to choose a minimum of six credits from the Art History, Dance, Music, or Theatre Areas. Students from the majors listed above are required to choose a minimum of six credits from Business or Communication/Journalism (CJ) and Public Relations areas.

Music area: Musi 110, 111, 112, 225, 227, 310, or CJ 311.
 Dance area: Dnce 101, 110, or 112.
 Art History area: ArtH 111, 112, 225, 227, 310, or CJ 311.
 Theatre area: Thea 125, 221, 321, 324, 327, 421, 422, or 434.

165
A minimum grade of B must be earned in IDS 410 and the internship course (Art 498, CJ 498, Musi 498, Thea 498, Mgmt 398, or Mktg 398).

General Education IVA Information
GE-IVA (Humanities-Fine Arts) credit for the following ensembles is granted if three credits are earned in any one, or a combination, of them. GE-IVA credit is limited to three credits; additional credit will count as elective credit (non-GE).
Musi 180, 182, 183, 184, 186, 188, 190, 191, 192, 193, 253, 380, 382, 384, 386, 388, 390, 391, 392, 393, and 453.

MUSI

MUSI 100 Performing Arts On Stage
3 crs. • GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit toward music major or minor programs. May not be repeated for credit.
Introduction to music listening and theatre appreciation. The course provides a working vocabulary for describing music and theatre while exploring the connection between performing arts and cultural context. In-class lectures/demonstrations are presented by performing arts faculty.

MUSI 102 Fundamentals of Music
2 crs. • F, Sp • GE-IVA • P: No credit if taken after or concurrently with MUSI 141.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• No credit toward music major or minor programs. May be waived by examination.
Introduction to musical skills and notation: reading and notating simple music; singing; playing melodies, chords, and scales on recorder and piano; basics of pitch, rhythm, timbre, form, and texture.

MUSI 103 Introduction to Electric Guitar
2 crs. • Su • GE-IVA
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
• No credit toward music major or minor program.
Introduction to electric guitar for the non-music major/minor. Music notational and tablature reading, basic music theory concepts, elementary playing technique mastery, and technical equipment overview emphasized. No prior guitar knowledge needed.

MUSI 104 Introduction to Piano
2 crs. • F, Sp • GE-IVA • No Auditors
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
• No credit toward music major or minor programs.
An introduction to the keyboard for the non-music major/minor. Music reading, harmonization, improvisation, and basic music theory concepts will be emphasized. For the student with no prior keyboard knowledge.

MUSI 106 Class Piano
2 crs. • F, Sp • GE-IVA • No Auditors • P: MUSI 104 or keyboard placement exam. • Department Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• No credit toward music major or minor programs.
Fundamental piano knowledge with an introduction to repertoire, technique, harmonization, and sight-reading.

MUSI 108 Advanced Class Piano
2 crs. • F, Sp • GE-IVA • No Auditors • P: MUSI 106 or keyboard placement exam. • Department Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• No credit toward music major or minor programs.
Designed for the student with some knowledge of piano. Sightreading, harmonization, transposition, technique, and repertoire are stressed in preparation for the proficiency examination given at course conclusion.

MUSI 110 Music Appreciation
3 crs. • F, Sp • GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Master works and historical era of Western music, nontechnical, offered for enjoyment and enrichment of cultural background.

MUSI 111 Global Roots of Music in the United States
3 crs. • F, Sp • CD2; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Forms and cultures represented in folk music in the United States with study of global roots of music and examination of perspectives and roles of music in culture.

MUSI 112 History of Rock and Pop
3 crs. • Su • CD1; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit toward music major or minor programs.
Non-technical stylistic development and history of popular music in the United States and United Kingdom from approximately 1955 through 1985. Emphasis placed on developing perceptive listening skills and analyzing cultural and social contexts.

MUSI 114 Evolution of Jazz
3 crs. • F • CD2; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit toward any music major or minor degree program.
Non-technical history and appreciation of jazz.

MUSI 116 Folk Guitar in Culture across Time
3 crs. • F, Sp • CD1; GE-IVA
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Beginning folk guitar course with diversity infused to represent diverse repertoire and roles and styles of guitar playing in the United States and global music scene.

MUSI 118 Introduction to Singing
2 crs. • GE-IVA • No Auditors • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
• No credit toward music major or minor programs.
Rudiments of singing for the general student, including breath management, tone production, and experience with classical and popular singing styles.

MUSI 141 Theory Written I
3 crs. • F • P: Limited to music/music therapy majors and minors. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Triads and their inversions, principles of voice leading, and first through fourth species counterpoint.

MUSI 142 Theory Aural I
1 cr. • F • P: Limited to music/music therapy majors and minors. • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Skills in aural recognition and sight-singing, including simple melodies and basic techniques related to melodic and harmonic dictation.

MUSI 146 Theory Written II
3 crs. • P: Grades of C- (C minus) or above in MUSI 141 and MUSI 142.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Continuation of Theory Written I, with addition of phrase structure, seventh chords, non-harmonic tones, secondary dominants, and modulation to closely related keys.

MUSI 147 Theory Aural II
1 cr. • P: Grades of C- (C minus) or above in MUSI 141 and 142.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Continuation of Theory Aural I, with addition of seventh chords, non-harmonic tones, secondary dominants, and modulation to closely related keys.

MUSI 150 Beginning Composition
2 crs. • P: MUSI 141 and 142.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Introduction to principles of music composition with an emphasis on recent art music. Composition and performance of student works for one to five players.

MUSI 151 Applied Music-Piano
1-4 crs. • F • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 152 Applied Music-Organ
1-4 crs. • F • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 153 Applied Music-Voice
1-4 crs. • F • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 154 Applied Music-Violin
1-4 crs. • F • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 155 Applied Music-Viola
1-4 crs. • F • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 156 Applied Music-Cello
1-4 crs. • F • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.
MUSIC AND THEATRE ARTS

MUSI 157 Applied Music—Double Bass
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 158 Applied Music—Flute
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 159 Applied Music—Oboe
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 160 Applied Music—Clarinet
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 161 Applied Music—Bassoon
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 162 Applied Music—Saxophone
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 163 Applied Music—Trumpet/Cornet
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 164 Applied Music—French Horn
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 165 Applied Music—Trombone
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 166 Applied Music—Euphonium
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 167 Applied Music—Tuba
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 168 Applied Music—Percussion
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 169 Applied Music—Composition
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 170 Applied Music—Harp
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 171 Applied Music—Harpischord
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Solo repertoire, techniques, and performance.

MUSI 180 Symphony Band
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
• Audition required.
Local concerts, annual concert tour and/or other out-of-town appearances may be part of this course.

MUSI 181 Wind Ensemble
1 cr. • F, Sp • May be repeated for a maximum of 7 credits • A-F Grades Only • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
• Audition required.
Local concerts, annual concert tour and/or out-of-town appearances may be part of this course. Includes study and performances of major wind ensemble literature.

MUSI 182 University Band
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Local concerts, an annual concert tour and/or other out-of-town appearances may be part of this course.

MUSI 183 Marching Band
1 cr. • F • AC • May be repeated for a maximum of 7 credits
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 1
• Audition required.
Perform at all home football games and the Homecoming Parade. Out-of-town performances may be part of this course.

MUSI 184 University Orchestra
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
• Audition required.
Local and out-of-town appearances may be a part of this course.

MUSI 185 Summer Band
1 cr. • Su • AC • May be repeated for a maximum of 7 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
• No audition required.
One performance is given during summer session.

MUSI 186 Jazz Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
• Audition required.
Techniques and literature. Local concerts and out-of-town appearances may be a part of this course.

MUSI 187 Women’s Chorus
1 cr. • Su • AC • May be repeated • No Auditors • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
• Audition required.
Local concerts, an annual concert tour, and/or other out-of-town appearances are required.

MUSI 188 Concert Choir
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
• Audition required.
Local concerts, an annual concert tour, and/or other out-of-town appearances are required.

MUSI 189 Summer Choir
1 cr. • Su • AC • May be repeated
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
• No audition required.
One performance given during summer session.

MUSI 190 Symphonic Choir
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
• Audition required.
A large choir which performs major choral works with orchestra. Off-campus performance may be required.

MUSI 191 Men’s Glee Club (The Statesmen)
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
• Audition required.
Local concerts, an annual tour, and/or other out-of-town performances are required.

MUSI 192 Women’s Concert Chorale
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
• Audition required.
Local concerts, an annual tour, and/or other out-of-town performances are required.

MUSI 193 Women’s Chorus
1 cr. • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
• Audition required—may not be taken by choral/vocal majors.
One performance is given at the end of the semester. Other local performances may be part of this course.

MUSI 194 String Techniques
1 cr. • F, Sp • No Auditors • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Materials, methods and techniques of playing and teaching violin, viola, cello, and bass through lecture and lab performance.

MUSI 195 Percussion Techniques
1 cr. • F, Sp • No Auditors • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Materials, methods, and techniques of playing and teaching percussion instruments through lecture and lab performance.
MUSIC AND THEATRE ARTS

MUSI 202 Brass Techniques
1 cr. • F, Sp • No Auditors • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Materials, methods, and techniques of playing and teaching trumpet, horn, trombone, euphonium, and tuba through lecture and lab performance.

MUSI 208 Woodwind Techniques
1 cr. • F, Sp • P: Minimum sophomore standing • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Materials, methods, and techniques of playing and teaching clarinet and saxophone through lecture and lab performance.

MUSI 210 Woodwind Techniques
1 cr. • F, Sp • P: Minimum sophomore standing • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Materials, methods, and techniques of playing and teaching flute, oboe, and bassoon through lecture and lab performance.

MUSI 225 World Music
2 crs. • F, Sp • FC; CD1; GE-IVA
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Comparisons of diverse cultures through an examination of their musical practices: Native American, Hmong, Asian, African, Japanese, and South American.

MUSI 227 Music History to 1600
2 crs. • F • P: MUSI 146
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Development of music in Western civilization to 1600.

MUSI 229 Music History 1600 to 1900
3 crs. • Sp • P: MUSI 227. Must be taken with MUSI 248.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Continuation of Music 227, covering 1600 to 1900.

MUSI 246 Theory Written III
3 crs. • F • P: Grades of C- (C minus) or above in MUSI 146 and MUSI 147.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Continuation of Theory Written II, with the addition of Neapolitan, augmented sixth, and chromatic mediant chords, modal mixture, advanced modulation, and binary, ternary, and sonata form.

MUSI 247 Theory Aural III
1 cr. • F • P: Grades of C- (C minus) or above in MUSI 146 and MUSI 147.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Continuation of Theory Aural II, with the addition of altered chords, chords of multiple thirds, Neapolitan sixth chord, augmented sixth chords, and advanced modulation.

MUSI 248 Theory Written IV
3 crs. • Sp • P: Grades of C- (C minus) or above in MUSI 246 and MUSI 247.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Continuation of Theory Written III, with the addition of late nineteenth-century chromaticism and form, and techniques of twentieth-century composers.

MUSI 249 Theory Aural IV
1 cr. • Sp • A-F Grades Only • P: Grades of C- (C minus) or above in MUSI 246 and MUSI 247.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Continuation of Theory Aural III, with the addition of material employed by composers of the mid-late nineteenth century and the twentieth century.

MUSI 253 University Chamber Orchestra
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2

MUSI 255 String Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 256 Brass Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 257 Woodwind Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 258 Percussion Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 3 credits • Instructor Consent Required

MUSI 259 Jazz Combo
1 cr. • F; Sp • May be repeated • No Auditors • Instructor Consent Required

MUSI 260 Contemporary Music Ensemble
1 cr. • F, Sp • Field Trip(s) Required • May be repeated for a maximum of 6 credits • P: Limited to music and music education majors or minors, or theatre majors or minors, or dance minors or consent of instructor. • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Includes study and performances of contemporary compositions as well as 20th- and 21st-century repertoire and styles.

MUSI 262 Chamber Choir
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 265 Vocal Jazz Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 268 Piano Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 276 Keyboard Accompanying
2 crs. • F, Sp • A-F Grades Only • P: Sophomore standing as a music major and two semesters of MUSI 151, or instructor consent.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
Focuses on development of accompanying/collaborative skills of pianists. Vocal and instrumental repertoire studied with a focus on efficient preparation, effective rehearsing, and sensitive and artistic collaboration.

MUSI 278 Beginning Functional Piano
1 cr. • F • P: MUSI 146, 147; completion of the Piano Proficiency Examination. • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Beginning melodic realization by ear, simple accompaniment patterns, harmonization using primary chords, transposition and modulation, song arrangements, improvisation, and lead-sheet realization.

MUSI 308 Introduction to Twentieth Century Techniques
2 crs. • F • P: Grade of C- (C minus) or above in MUSI 248.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Study of harmonic/contrapuntal materials employed by composers since 1900.
MUSI 309/509 Electronic Music
2 crs. • Odd years • No Auditors • P: MUSI 308 • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Discussion, exposure, and experimentation in synthesizer techniques (ARP 2600); patching between studio modules; tape composition.

MUSI 312 Eurhythmics
2 crs. • F, Sp • No Auditors • P: Limited to music/music therapy majors and minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Elements of music and musical expression through the medium of bodily movement.

MUSI 313/513 Music in Early Childhood
2 crs. • Sp • P: MUSI 102. Limited to SPED, ELED, and music teaching majors and minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Theories of early childhood development, strategies for structuring musical experiences, and uses of music to facilitate growth in other areas.

MUSI 315 Piano Pedagogy I
2 crs. • F even years • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Survey problems of individual and class instruction, piano method books and literature, the physiological basis of piano playing, instrument construction and care, and sound business practices for the studio teacher.

MUSI 316 Piano Pedagogy II
2 crs. • Sp odd years • A-F Grades Only • P: MUSI 315
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Focus on practical applications of theoretical concepts learned in MUSI 315, in-depth study of the teaching literature beyond beginning method books, learning methods, and a survey of historical schools of piano instruction and important pedagogues.

MUSI 318 Electronic Music for the Non-Professional
3 crs. • Su • GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Previous musical experience recommended.
An introduction to technology in music making from the late nineteenth century to the present. Topics including recording, sampling, editing, synthesis, MIDI, and computers as compositional and song-writing tools. Projects in GarageBand and Logic.

MUSI/AIS 319 North American Indian Music
3 crs. • F • CD3; GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both MUSI 319 and AIS 319.
A survey of North American Indian music in contemporary and historical contexts.

MUSI 325 Orchestration
2 crs. • P: MUSI 246
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Range, transposition, playing characteristics, and practical use of the instruments.

MUSI 335/535 Baroque Counterpoint
2 crs. • Even years • P: MUSI 246
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Instrumental counterpoint in two and three voices, based on eighteenth century techniques.

MUSI 338 Jazz History and Analysis
3 crs. • F • CD3 • P: MUSI 147. Limited to any music degree major or minor program.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Technical survey of jazz history with music analysis.

MUSI 339 Jazz Arranging
2 crs. • P: MUSI 246 and 247.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Arranging for small and large ensembles in the jazz idiom.

MUSI 340/540 Music and Related Arts in PK–8 Education
3 crs. • F, Sp • A-F Grades Only • P: ES 203. Limited to elementary education and special education majors. No credit if taken after MUSI 240.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Permission for graduate-level credit is via instructor approval.
Understanding and using content, function, and achievement of music and related arts (dance, theater, visual arts) as primary media for communication, inquiry, and engagement among students grades pre-K–8.

MUSI 341 Jazz Improvisation
2 crs. • GE-IVA • No Auditors • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Ability to read music, knowledge of major scales, ability to perform on a musical instrument.
• An introductory course in the art of jazz improvisation with emphasis on performance by the student.

MUSI 345/545 Voice Pedagogy
3 crs. • F, Sp • P: Four semesters of MUSI 153 and/or 353. Limited to music/voice majors and minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Development of skills for teaching singing through the study of the vocal mechanism, processes of respiration, resonance, and articulation. Application of these skills in lesson work with college, high school and middle school singers.

MUSI 247 Singers’ Diction: Italian and German
2 crs. • Odd years
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Study of Italian and German lyric diction. Designed primarily for singers.

MUSI 348 Singers’ Diction: English and French
2 crs. • Even years
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

MUSI 350 Conducting
2 crs. • F, Sp • No Auditors • P: MUSI 246, 247 and completion of the Piano Proficiency Examination.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
A basic course in fundamental, practical skills of baton and rehearsal techniques for both instrumental and choral music.

MUSI 351 Advanced Applied Music-Piano
1-4 crs. • F • Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 352 Advanced Applied Music-Organ
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 353 Advanced Applied Music-Voice
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 354 Advanced Applied Music-Violin
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 355 Advanced Applied Music-Viola
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 356 Advanced Applied Music-Cello
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 357 Advanced Applied Music-Double Bass
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 358 Advanced Applied Music-Flute
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 359 Advanced Applied Music-Oboe
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 360 Advanced Applied Music-Clarinet
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 361 Advanced Applied Music-Bassoon
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 362 Advanced Applied Music-Saxophone
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 363 Advanced Applied Music-Trumpet/Cornet
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 364 Advanced Applied Music-French Horn
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.
MUSIC AND THEATRE ARTS

MUSI 365 Advanced Applied Music-Trombone
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 367 Advanced Applied Music-Euphonium
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 368 Advanced Applied Music-Tuba
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 369 Advanced Applied Music-Percussion
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 370 Advanced Applied Music-Composition
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 371 Advanced Applied Music-Harp
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 372 Advanced Applied Music-Harpsichord
1-4 crs. • F, Sp • May be repeated • No Auditors • Instructor Consent Required
Advanced repertoire, techniques, and performance.

MUSI 378 Advanced Functional Piano
1 cr. • Sp • No Auditors • P: Two credits of MUSI 151. • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Advanced sight-reading, transposition, harmonization, modulation, improvisation, lead-sheet realization, and accompanying styles.

MUSI 380 Symphony Band
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • No Auditors • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
Audition required. Local concerts, annual concert tour and/or other out-of-town appearances may be part of this course.

MUSI 381 Wind Ensemble
1 cr. • F, Sp • May be repeated for a maximum of 7 credits • A-F Grades Only • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
Audition required. Local concerts, annual concert tour and/or other out-of-town appearances may be part of this course. Includes study and performances of major wind ensemble literature.

MUSI 382 University Band
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Local concerts, an annual concert tour and/or other out-of-town appearances may be part of this course.

MUSI 384 University Orchestra
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
Audition required. Local and out-of-town appearances may be a part of this course. Includes study and performance of major orchestral literature.

MUSI 385 Summer Band
1 cr. • Su • AC • May be repeated for a maximum of 7 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
No audition required. One performance is given during summer session.

MUSI 386 Jazz Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Audition required. Techniques and literature. Local concerts and out-of-town appearances may be a part of this course.

MUSI 388 Concert Choir
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 4
Audition required. Local concerts, an annual concert tour, and/or other out-of-town appearances are required.

MUSI 389 Summer Choir
1 cr. • Su • AC • May be repeated
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
No audition required. One performance is given during summer session.

MUSI 390 Symphonic Choir
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Audition required. A large choir which performs major choral works with orchestra. Off-campus performance may be required.

MUSI 391 Men’s Glee Club (The Statesmen)
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
Audition required. Local concerts, an annual tour, and/or other out-of-town performances are required.

MUSI 392 Women’s Concert Chorale
1 cr. • F, Sp • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Audition required. Local concerts, an annual tour, and/or other out-of-town performances are required.

MUSI 393 Women’s Chorus
1 cr. • AC • May be repeated for a maximum of 7 credits • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Audition required—may not be taken by choral/vocal majors.
One performance is given at the end of the semester. Other local performances may be part of this course.

MUSI 394/594 Choral Workshop Abroad
1-3 crs. • Su • AC
An international master class on Choral Conducting and Literature; will consist of in-depth lectures, discussions, and practicums on specific composers and their music. Designed for professional choral conductors, music teachers, instrumentalists, composers, and singers. Specific topics to be announced and published each summer.

MUSI 397 Junior Recital
1-2 crs. • May be repeated for a maximum of 2 credits • No Auditors • P: Minimum junior standing. • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Half recital = 1 cr. Whole recital = 2 crs. Concurrent registration in appropriate applied area (courses MUSI 351-372).
Preparation and performance of public recital.

MUSI 399 Independent Study - Juniors
1-3 crs. • May be repeated • P: Minimum junior standing. • Department Consent Required

MUSI 405 Music History Seminar
2 crs. • F, Sp • May be repeated for a maximum of 10 credits • P: MUSI 225, 303. Limited to music/music therapy majors and minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Topics will vary depending on interests of students and faculty. Topics may be specific themes, styles, composers, or eras in history. It will involve readings on the selected topic and preparation of a research project by each student.

MUSI 407 Music Theory Seminar
1-3 crs. • Sp odd years • May be repeated for a maximum of 4 credits • P: MUSI 248. Limited to music/music therapy majors and minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Topics will vary depending on the interests of students and faculty. Students will develop a focused research project based on their interests, present preliminary results to the class, and write a final paper.

MUSI 418/618 Alexander Technique
2 crs. • F, Sp • May be repeated for a maximum of 4 credits • P: Limited to music and theatre arts majors and minors. Minor credit standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
The Alexander Technique is a hands-on approach to movement re-education. This technique is used by actors, musicians, dancers and others to improve their talents, manage pain and stress, and enhance their creativity.
MUSI 421 Marching Band Procedures
2 crs. • Sp • P: MUSI 183. Limited to music education majors. Minimum junior standing. • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 1

A study of methods and techniques used in the administration and instruction of contemporary marching band. The course presents a specific system of conceiving, writing, and teaching marching band shows; and explores current technology.

MUSI 425/625 Jazz Ensemble Techniques
1-2 crs.
Organization and selection of literature, rehearsal and interpretation techniques, arranging, and improvisation. Overview of the relationship to present-day curriculum and music education goals.

MUSI 428/628 Music in the U.S.A.
3 crs. • P: MUSI 229
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A survey of music in the U.S.A. from colonial times to the present.

MUSI 437/637 Renaissance Counterpoint
2 crs. • Even years • P: MUSI 308
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
Vocal counterpoint in two and three voices, based on sixteenth century techniques.

MUSI 442 The Art of Musicianship
2 crs. • F even years • P: MUSI 248, 300-level course in the applied area. Limited to music majors and minors.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
Integrates historical evidence, analytical skills, and intuitive insights in the preparation of musical performance. Students will develop individual performance projects.

MUSI 450/650 Band Arranging
2 crs. • Odd years • May be repeated for a maximum of 4 credits • P: MUSI 325
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
Techniques of band scoring.

MUSI 453 University Chamber Orchestra
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor consent required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 2

MUSI 455 String Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 456 Brass Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 457 Woodwind Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 458 Percussion Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 459 Jazz Combo
1 cr. • F, Sp • AC • May be repeated • No Auditors • Instructor Consent Required

MUSI 460 Contemporary Music Ensemble
1 cr. • F, Sp • Field Trip(s) Required • May be repeated for a maximum of 6 credits • P: Limited to music, theater, or dance majors or minors only. • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Includes study and performances of contemporary composition as well as 20th- and 21st-century repertoire and styles.

MUSI 461 Voice Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 2 credits • A-F Grades Only • P: MUSI 353 or concurrent enrollment. • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Preparation, interpretation and performance of duets, trios, quartets, and other repertoire composed for solo voice per part; geared toward Bachelor of Music-Voice students.

MUSI 462 Chamber Choir
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 465 Vocal Jazz Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 468 Piano Ensemble
1 cr. • F, Sp • AC • May be repeated for a maximum of 4 credits • Instructor Consent Required

MUSI 470/670 Opera Literature
3 crs. • Sp even years • P: Minimum junior standing
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The historical and stylistic developments in opera from its beginnings to the present through examination of the operatic repertoire.

MUSI 472/672 Voice Literature
3 crs. • Sp odd years • P: Minimum junior standing
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The study of solo voice literature, its interpretation and stylistic development from the seventeenth century to the present.

MUSI 474/674 Basso Continuo Realization at the Keyboard
2 crs. • P: MUSI 227, 229, 248; MUSI 351 or 352 or 372 or consent of instructor.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
A course in the technique and practice of realizing basso continuo parts in Baroque music. Designed primarily for harpsichord, piano, organ, and music history majors.

MUSI 476/676 Advanced Instrumental Techniques
1-3 crs. • Su • May be repeated
Intensive study of performance techniques and pedagogy of a single instrument or family of instruments; includes the physical, psychological, and aesthetic aspects of performance, methodology and literature, equipment and maintenance.

MUSI 477/677 17th-18th Century Performance Practice
3 crs. • Sp even years • P: MUSI 227 and 229 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Examination of authentic Baroque and Classical performance, using recordings, class performance, original editions, theorists, and modern scholarly writings. Emphasis on the eighteenth century.

MUSI 478 Directing Practicum - Cabaret Productions
1 cr. • F • SL-Full • May be repeated for a maximum of 3 credits • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0.5
This course will include instruction in the areas of choral arranging, instrumental arranging, choreography, costuming, and rehearsal techniques in preparation for the annual music variety show.

MUSI 480 Opera/Music Theatre Workshop
1 cr. • F, Sp • May be repeated for a maximum of 9 credits • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 3
Development of performance abilities and technical skills necessary for production of opera and music theatre culminating in performance of operatic and/or music theatre repertoire.

MUSI 481 Piano Literature I
2 crs. • F odd years • No S/U Grade Option • P: Junior standing as a piano major or instructor consent. Credit may not be earned in both MUSI 475/675 and MUSI 481.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: A study of the literature for solo piano from the Baroque through early Romantic eras.

MUSI 482 Piano Literature II
2 crs. • Sp even years • No S/U Grade Option • P: Junior standing as a piano major or instructor consent. Credit may not be earned in both MUSI 475/675 and MUSI 482.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
A study of the literature for solo piano from the Romantic era to the present.

MUSI 490/690 Elementary Music Education Workshop
1-2 crs. • Su • May be repeated
For elementary classroom teachers and music specialists. Designed to meet individual needs of workshop participants. Lectures and demonstrations of classroom materials, procedures, techniques, and publications.

MUSI 491/691 Special Topics
1-3 crs. • May be repeated for a maximum of 9 credits • Instructor Consent Required
Topics will vary according to interests of students and faculty. Focus is on aspects of music and music education not extensively covered in regular courses.
MUSI 492/692 Choral Workshop
1-2 crs. • Su • May be repeated for a maximum of 9 credits
Develops an understanding of vocal and conducting problems through the study, rehearsal, and performance of choral literature representative of specific historical periods. Specific topics to be announced and published annually.

MUSI 493/693 Jazz Arranging Workshop
2 crs. • Su • P: MUSI 141, 142, 146, 147.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Instruction in techniques of arranging and scoring in jazz tradition and styles.

MUSI 494/694 Percussion Workshop
1-2 crs. • Su • P: MUSI 198
For instrumental music directors who need to improve their knowledge of percussion. Review and/or introduction of basic pedagogy and practical care of instruments.

MUSI 495 Directed Studies-Pedagogy (Major Instrument)
1-3 crs. • F, Sp, Su • May be repeated for a maximum of 6 credits • P: Two semesters applied 300-level courses. Minimum senior standing. • Department Consent Required
• Required of B.M. instrumental majors.
Survey of techniques, practices, teaching problems, tone production, and interpretation of various age levels; teaching experience under faculty supervision.

MUSI 496 Directed Studies-Literature (Major Instrument)
1–3 crs. • F, Sp, Su • May be repeated for a maximum of 6 credits • P: Two semesters applied 300-level courses. Minimum senior standing. • Department Consent Required
• Required of B.M. instrumental majors.
Survey of solo and ensemble literature; includes score analysis, research and critical listening.

MUSI 497 Senior Recital
1-2 crs. • CP • May be repeated for a maximum of 2 credits • No Auditors • P: Minimum senior standing. • Instructor Consent Required
• Half recital = 1 cr. Whole recital = 2 crs. Concurrent registration in appropriate applied area (courses MUSI 351-372).
Preparation and performance of public recital.

MUSI 498 Music Internship
3 crs. • F, Sp • SL-Fall, IN • May be repeated for a maximum of 6 credits • No Auditors • Instructor Consent Required
• Limited to music majors and minors and students enrolled in the Fine Arts Administration certificate program.
Practical experience in a professional or community-based music, cultural, or educational organization or business. Students will extend knowledge and skills gained in prior courses.

MUSI 499 Independent Study - Seniors
1-3 crs. • May be repeated • P: Minimum senior standing. • Department Consent Required

MUED 135 Conducting Laboratory
1 cr. • F, Sp • May be repeated for a maximum of 3 credits • No Auditors
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
• Required of all majors and minors, open to all students.
Provides a balanced band, orchestra, and choir for the junior and senior music students to conduct.

MUED 211 Introduction to Music Education
1 cr. • F, Sp • A-F Grades Only • P: Passing PPST scores. No credit if taken after MUSI 211. Minimum sophomore standing.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Introduces basic issues and principles of music teaching with an emphasis on observation in classrooms, reflective thinking, comprehensive musicianship, teaching standards, and music content standards.

MUED 300 Adaptive Music
1 cr. • F, Sp • A-F Grades Only • P: MUED 211
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Structuring activities, adapting environments for students with special needs (exceptionalities), using techniques, adaptive instruments, academic and technology resources. Lab day with focus on guitar applications and improvisational structures. Field experiences include observation and teacher assisting.

2 crs. • F, Sp • A-F Grades Only • P: Successful completion of MUED 211 or MUSI 211, and completion of the Piano Proficiency Examination. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Pedagogical focus on musical concepts, current and emerging instructional models, methods, materials, and strategies for designing and assessing developmentally appropriate learning experiences for pre-K–5 music classes. Includes observation and teaching in public schools with emphasis upon teacher standards and reflective practice.

MUED 318 Music as Content in Schools
2 crs. • F, Sp • A-F Grades Only • P: Limited to music education majors admitted to the College of Education and Human Sciences. Must be taken with ES 312.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Addresses philosophy of music education, curriculum development, lesson and unit planning, assessment, and management of music classrooms. Includes field experience in which student will experience teaching under the discretion of a cooperating teacher.

MUED 400 Choral Literature and Conducting
2 crs. • Sp • P: Grade of C or above in MUSI 350. Limited to music education majors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Explores choral literature, performance practice, and conducting techniques. Emphasis is placed on artistic interpretation of traditional, contemporary, and ethnic choral music and the communication of interpretation through gesture.

MUED 401 Instrumental Literature and Conducting
2 crs. • F • P: Grade of C or above in MUSI 350. Limited to music education majors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Explores instrumental literature, performance practice, and conducting techniques. Emphasis is placed on artistic interpretation of traditional and contemporary instrumental music and the communication of interpretation through gesture.

MUED 410 Secondary Choral Teaching Methods
2 crs. • F • A-F Grades Only • P: MUED 211 and MUSI 350.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Focuses on instructional models, methods, materials, and strategies for teaching and assessing musical concepts in school instrumental performance ensembles and classes. Emphasizes curricular development and classroom management based upon stages of development in students.

MUED 411 Secondary Instrumental Teaching Methods
2 crs. • Sp • A-F Grades Only • P: MUED 211 and MUSI 350.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
Focuses on instructional models, methods, materials, and strategies for teaching and assessing musical concepts in school instrumental performance ensembles and classes. Emphasizes curricular development and classroom management based upon stages of development in students.
MUED 420 Seminar in Teaching Choral Music
1 cr. • F • A-F Grades Only • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Special topics course that deals with the responsibilities generally associated with being a choral music instructor in the secondary schools. Topics will include the school musical, vocal jazz, show choir, madrigal choir, technology, touring, and other similar topics.

MUED 421 Seminar in Teaching Instrumental Music
1 cr. • F • A-F Grades Only • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Variable topics course that deals with the responsibilities generally associated with being an instrumental music instructor in the secondary schools. Topics will include the marching band, other athletic bands, jazz ensembles, jazz combos, chamber music, touring, and technology.

MUED 487 Student Teaching in Music
7-14 crs. • F, Sp • May be repeated for a maximum of 14 credits • S/U Only Grade Basis • P: Limited to music education majors admitted to the College of Education and Human Sciences. No credit if taken after ES 441, ES 445 or ES 470.
Practicum: 7 to 14 credits
• Admission to professional semester. Coordinated with ES 497 during professional semester, no other courses may be taken during this semester, attendance at orientation meetings required prior to enrollment.
Professional music teaching experience in the schools under the supervision of a cooperating teacher in the school and related University music personnel. Students should expect to be free of employment and other activities, live in community where assigned, and follow school calendar where assigned.

MUED 488 Internship Teaching in Music
7-14 crs. • F, Sp • Special Course Fee Required • May be repeated for a maximum of 14 credits • S/U Only Grade Basis • P: Limited to music education majors admitted to the College of Education and Human Sciences. No credit if taken after ES 441, ES 445 or ES 470. • Department Consent Required
• Admission to professional semester. Coordinated with ES 497 during professional semester, no other courses may be taken during this semester, attendance at orientation meetings required prior to enrollment.
Professional music teaching internship in the schools under the supervision of a cooperating teacher in the school and related University music personnel. Students should expect to be free of employment and other activities, live in community where assigned, and follow school calendar where assigned.

MUED 498/691 Special Topics
1-3 crs. • V • May be repeated for a maximum of 9 credits • Instructor Consent Required
Topics will vary according to interests of students and faculty. Focus is on aspects of music education not extensively covered in regular courses.

MUED 499 Independent Study - Seniors
1-3 crs. • V • May be repeated • Department Consent Required
An intensive study in music education of particular interest to the student.
THEA 176 Makeup Crew
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
Participation in theatrical productions.

THEA 177 Publicity Crew
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
Participation in theatrical productions.

THEA 178 Electrics Crew
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
Participation in theatrical productions.

THEA 179 Special Effects/Sound Facilitator
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
Participation in theatrical productions.

THEA 220 Stage Makeup
3 crs. • F even years
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A hands-on exploration of the materials, principles, and techniques used in makeup design/application for the stage to achieve a variety of character effects.

THEA 221 Introduction to Design
3 crs. • F • P: THEA 121
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to all elements of design culminating in a theoretical project across all major design disciplines. This course builds on the foundational knowledge established in Theatre 121.

THEA 224 Costume Technology
3 crs. • F • GE-JVA
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A lecture/laboratory course in costume construction and sewing for the stage. Principles of patterning, fabric dying, shop safety, and costume crafts addressed.

THEA 227 American Musical Theatre
3 crs. • GE-JVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The history and development of contemporary musical theatre, including the study of major productions and collaborators.

THEA 239 Stage Movement
3 crs. • Sp even years
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 4
Introduction to basics of stage movement aimed primarily at developing skill and expressiveness in acting. Follows an active, learning-through-participation approach.

THEA 271 Stage Management
3 crs. • Sp even years • P: THEA 121, THEA 130
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to the preparation and practice of stage and production management.

THEA 291 Special Topics
1-3 crs.
• See current Class Schedule for topic, prerequisites, and restrictions.
Topic and content to be determined by Theatre Arts faculty, based upon student interest and need. Possible topics include Dance for Theatre, Script Analysis, or study and analysis of plays representing a specific era or genre.

THEA 321 Scenic Design
3 crs. • Sp odd years • P: THEA 121 and 125 or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Analysis of scripts and elements of design. Development of creativity, understanding various design elements as related to production styles. Experience in construction of scenic models, drafting, and practical projects in computer design and imaging.

THEA 324 Costume Design
3 crs. • Sp odd years • P: THEA 221 and THEA 224.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Introduction to the theory and practice of costume design. Includes instruction of period research, rendering techniques, and the process of costume design for script analysis, leading to the design of a workable stage costume.

THEA 325 Theatre History and Literature
3 crs. • F odd years • GE-JVA • P: THEA 125
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study and discussion of major dramatic works and their production from early plays to the mid-nineteenth century, with special focus on the Greeks, Elizabethans, and Restoration drama.

THEA 327 Lighting Design
3 crs. • Sp even years • P: THEA 121 and 125 or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Analysis of light and the written word; development of creativity; understanding use of light in art; and relationship of light to acting and design. Practical projects and work in computer design and imaging.

THEA 330 Advanced Acting
3 crs. • P: THEA 130
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Continuation of acting skills. Emphasis on student projects which require advanced techniques in performance: rhythms and musical comedy; Makeup labs.

THEA 331 Styles in Acting
3 crs. • P: THEA 130
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 4
Continuation of acting skills. Emphasis on in-class scene work, script and character analysis, externalization.

THEA 332 Directing
3 crs. • F • P: THEA 121 and 130.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Principles and fundamentals of stage directing including analysis, staging and rehearsal techniques with emphasis on laboratory scene work.

THEA 335 Drama in Education
3 crs. • F • GE-JVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to the theory and practice of a variety of Drama-in-Education techniques for use in elementary and secondary classrooms, as well as community contexts.

THEA 336 Theatre for Youth
3 crs. • Sp • GE-JVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A critical and historical survey of dramatic literature for children and youth.

THEA 351 Advanced Costume Shop Practicum
1 cr. • F, Sp • May be repeated for a maximum of 8 credits • P: THEA 151 • Instructor Consent Required
Advanced practical learning experience of a theatrical shop. Students will be expected to use shop skills learned in Theatre 151 to work in a specific shop area or special project.

THEA 352 Advanced Scenic Shop Practicum
1 cr. • F, Sp • May be repeated for a maximum of 8 credits • P: THEA 152 • Instructor Consent Required
Advanced practical learning experience of a theatrical shop. Students will be expected to use shop skills learned in Theatre 152 to work in a specific shop area or special project.

THEA 353 Advanced Light/Sound Shop Practicum
1 cr. • F, Sp • May be repeated for a maximum of 8 credits • P: THEA 153 • Instructor Consent Required
Advanced practical learning experience of a theatrical shop. Students will be expected to use shop skills learned in Theatre 153 to work in a specific shop area or special project.

THEA 361 Teaching Theatre Arts
2 crs. • F • P: Completion of or concurrent enrollment in ES 312, 318 and 328. Limited to teaching majors admitted to COEHS. Minimum resident and total GPA of 2.75.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit may be earned in only one of the following: ES 361, THEA 361, ES 360, THEA 360.
A study and analysis of current materials including textbooks, assessment tools, and teaching styles. Preparation for play production, classroom units, and advocacy tools.

THEA 370 Acting-Major Roles
1 cr. • F • Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3
Participation in theatrical productions.
THEA 371 Stage Manager/Assistant Director/Assistant Choreographer
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 372 Assistant Scenic Design/Assistant Technical Direction
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 373 Assistant Lighting Design
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 374 Assistant Costume Design/Shop Supervisor
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 375 Properties Design
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 376 Makeup Design
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 377 Publicity/Program Design
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 378 Master Electrician
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 379 House Manager
1 cr. • F, Sp • AC • May be repeated for a maximum of 8 credits • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3 Participation in theatrical productions.

THEA 395 Directed Studies
1-3 crs. • May be repeated • Department Consent Required
Studies of topics in problems in Theatre Arts or Interpretation. Focus of course is different each time it is offered.

THEA 399 Independent Study - Juniors
1-3 crs. • May be repeated • P: Minimum junior standing • Department Consent Required

THEA 414/614 Playwriting
3 crs. • F odd years • P: Six credits in theatre at the 300 level or higher.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Practical experience in dramatic writing. Emphasis on creating characters, building plots, and constructing dialogue.

THEA 421 Touring Theatre
3 crs. • May be repeated for a maximum of 6 credits • P: THEA 121 and 130. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 5 The rehearsal, production, and tour of a theatre for youth production for area elementary or secondary schools.

THEA 422 Play Production: Technical
3 crs. • May be repeated for a maximum of 12 credits • P: THEA 121 and 125 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2 Contemporary trends in staging and the production problems arising from new types of stages and plays written for conventional stage.

THEA 425/625 Modern Drama and Theatre
3 crs. • Sp • GE-IVA • P: THEA 125
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Development of the modern theatre from Ibsen to the present. Includes treatment of drama and theatre architecture of the period.

THEA 432/632 Advanced Directing
3 crs. • Sp • P: Grade of at least B- in THEA 332 or consent of instructor.
Lecture/Discussion Hours: 4.5 | Lab/Studio Hours: 0 The director’s role in the production process and in creating a style for the production is examined. Exploration of the director’s role in communication with designers and staff culminates in the production of a play.

THEA 434/634 Theatre Arts Management
3 crs. • P: THEA 125 or junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 The management of theatre in school and community including developing skills for creating demand for the product, budgeting time and facilities, marketing, promotion, funding, and career expectations.

THEA 490/690 Theatre Arts Seminar
1-3 crs. • May be repeated for a maximum of 12 credits
• See current Class Schedule for topic and prerequisites.
Exploration of advanced topic for majors and minors in Theatre Arts. Possible topics include “Auditioning,” “Contemporary Drama,” “Costume Design,” and “Playwriting.”

THEA 498/698 Theatre Arts Internship
3 crs. • SL-Full; IN • May be repeated for a maximum of 6 credits • P: Minimum of 18 theatre credits completed, including THEA 121, THEA 125 and THEA 130. Limited to theater arts majors and minors. Minimum junior standing. Minimum resident and total GPA of 3.00. • Instructor Consent Required Opportunity for active involvement and learning in an off-campus producing theatre. Internship opportunities in management, costing, and other theatre-oriented areas, subject to availability and in cooperation with faculty supervisor.

THEA 499 Independent Study - Seniors
1-3 crs. • May be repeated • P: Minimum senior standing • Department Consent Required

DNCE

DNCE 101 Dance Appreciation
3 crs. • F • GE-IVA • P: No credit if taken after KINS 195.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 An introduction to dance history, theory, and culture. Involving dance viewing, literature, discussion and experiential exercises, this course discovers dance as an academic discipline, an art form, and a site for cultural communication and knowledge.

DNCE 110 Ballet I
2 crs. • Sp • GE-IVA • May be repeated for a maximum of 4 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2 Beginning level ballet technique course, emphasizing skeletal alignment and muscular engagement in the classical ballet form, terminology and theory of classical ballet technique, and studies in ballet history and aesthetics.

DNCE 112 Modern Dance I
2 crs. • F • GE-IVA • May be repeated for a maximum of 4 credits • P: No credit if taken after KINS 200.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2 A beginning level Modern Dance technique course that explores Bartenieff Fundamentals, floor work, bodily mapping, core support and skeletal alignment, and fundamental movement concepts of weight, space, time, and energy.

DNCE 114 Jazz Dance I
1 cr. • May be repeated for a maximum of 2 credits • P: No credit if taken after KINS 202.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2 A course in beginning jazz technique with an emphasis on classical Afro-European forms. A survey of early jazz choreographers and their choreographic styles.

DNCE 116 Tap Dance I
1 cr. • May be repeated for a maximum of 2 credits • P: No credit if taken after KINS 203.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2 A course in beginning tap technique with an emphasis on buck tap. A survey of the history of tap dance and the contributions of early tap masters.
Philosophy and Religious Studies

HIBBARD HUMANITIES HALL 632

STEVEN FINK, ROBERT GREENE, MANUEL LOPEZ-ZAFRA, SCOTT LOWE, SEAN MCALEER, MATTHEW MEYER, JONATHAN PARADISE, KRISTIN SCHAUFI, MARTIN WEBB.

Student Organizations:
Thea Alpha Kappa (Honor Society in Religious Studies)

Philosophy is the disciplined and critical inquiry into fundamental questions of human existence: What is the nature of reality? What is knowledge? Does God exist? Is my will free? What is the difference between right and wrong? What is the relation between the mind and the body? What is the meaning of life?, etc. Philosophers use reason and argument in the attempt to answer these questions. Philosophy is at the very heart of a liberal education. Students of philosophy learn to think critically and clearly, argue forcefully, and read carefully. They also learn how the history of philosophy has shaped modern thought and culture. A major in philosophy is excellent preparation for advanced study in a wide range of fields, including law. A minor in philosophy will enrich and complement any major field of study.

Religious Studies is the multi-disciplinary exploration of the phenomena of human experience commonly called “religious.” This includes study of the genesis and interpretation of religious texts; the formation, history, beliefs, and practices of religious communities and traditions; the role of religion in society and culture; issues in religion and science, including the psychology of religious experience; religion in literature and the arts; religious morality; philosophy of religion. The academic study of religion provides an excellent “window” into other cultures, while enhancing students’ understanding of their own society and its history. A degree in Religious Studies provides an excellent foundation for a wide range of careers as well as preparing students for demanding graduate programs.

Honors Program in Philosophy and Religious Studies
The Honors Program in Philosophy and Religious Studies enables outstanding students to engage in challenging Honors coursework and creative Honors research experiences.

Eligibility: Admission is by departmental invitation to students who have demonstrated excellent intellectual potential. To be considered, students must have a minimum 3.5 GPA in the major and in all university coursework.

Requirements: 1) Complete with distinction two courses at the 300 level or above as Honors Options courses or complete comparable honors option experiences. An Honors Option course can be any upper-level offering—including a directed studies or independent studies course—in which a student chooses to do honors work. Substantial student-faculty research collaboration will also meet this requirement.
2) Complete an Honors Capstone Thesis as the outcome of the departmental seminar — either Phil 485 (Seminar in Problems in Philosophy) or Rel 490 (Seminar in Religious Studies) — or an appropriately crafted Independent Study project as an Honors Option course.
3) Present the thesis research at a suitable local, regional, or national venue.

CERTIFICATE PROGRAMS
The Department of Philosophy and Religious Studies offers two certificates, one in Ethics and one in World Religions.
The Ethics Certificate (Code 400-601) is for students in a variety of majors and minors, especially pre-professional programs with existing ethics requirements, and students interested in graduate study and careers in health care ethics, legal ethics, business and corporate ethics and compliance. The Ethics Certificate is a natural complement to the Leadership Certificate currently offered through the College of Business’s Department of Management and Marketing. Note: Students cannot pursue the Philosophy Major and Ethics Certificate to meet graduation requirements for completing a first and second degree program.

Students are required to complete a minimum of 12 credits.

Six of these credits are from required courses: Phil 120 Ethical Reasoning and Phil 331 Philosophical Ethics.

The remaining six credits are from ethics-relevant electives:
Phil 301 Ethics in the Professions and the Community
Phil 305 Ethics and Business
Phil 306 Ethics of Health Care
Phil 308 Ethics in Computing and Engineering
Phil 320 Environmental Ethics
Phil 333 History of Ethics
Rel 210 Religion and Morality

With adviser approval, the following may be applied to the certificate program:
Phil 395 Directed Studies;
Phil 399/499 Independent Study;
Up to three credits from ethics courses from the student’s major or minor field of study (e.g., CJ 412 Mass Media Ethics, Psyc 357 Ethics in Psychology, Acct 425 Ethics in Accounting).

For advising, see Professor S. McAleer (Philosophy and Religious Studies).

The World Religions Certificate (Code 411-601) is intended for undergraduates outside of the Religious Studies major/minor who desire to enhance their marketability as potential graduate students and employees, whether their career goal is education, business, health care, psychology, music and the arts, the sciences, or the humanities. The World Religions certificate program offers students a foundational understanding of the beliefs, practices, and cultural impact of the world’s major religious traditions that will enable them to negotiate the complex challenges of life in an increasingly interconnected and globalized world. The impact of religions on world events is undeniable, and students pursuing any disciplinary major can benefit greatly from the learning opportunities offered by this certificate program.

Students are required to complete a minimum of 15 credits, including:

Three credits from:
Rel 100 Introduction to the Religions of the World
Rel 110 Basic Issues in Religion
Rel 210 Religion and Morality

Six credits from Non-Western Concentration courses:
Rel 312 Buddhism: Past and Present
Rel 314 Hinduism
Rel 323 Chinese and Japanese Religions
Rel / AIS 330 Indigenous Religions of the Americas

Six credits from Western Concentration courses:
Rel 303 Early Christianity
Rel 304 Modern Christianity
Rel 307 Judaism
Rel 309 Islam

For advising, see Professor Steven Fink (Philosophy and Religious Studies).

Eighteen elective credits to be selected from philosophy courses with the following restraints and exceptions:

1. Phil 101 and Phil 120 are disallowed for major credit if taken after the student has earned nine credits in philosophy.
2. No more than three credits of Phil 397 and Phil 498 are allowed toward the minor.
3. Upon approval of the department, up to six credits from courses other than philosophy may be applied to the minor.

Capstone: All philosophy majors shall complete a capstone experience, comprising three components: a capstone essay, a colloquium presentation, and a reflection paper, usually during the senior year. The capstone essay component of this requirement will be fulfilled by the satisfactory completion of a research project, usually in the seminar course. The student and faculty supervisor together will determine what steps are necessary to bring the capstone essay to successful completion. The presentation component will be fulfilled by presenting the completed work at a colloquium open to the university community and public. The reflection component will be fulfilled by writing a short paper in which the student analyzes and reflects on his or her learning experiences as a philosophy major in light of the baccalaureate goals.

MINOR: PHILOSOPHY,

Liberal Arts (Code 400-400)

Twenty-four semester credits, including:
At least three credits from each of the following three categories, for a total of nine credits:

Logic:
Phil 150 Logic and Critical Thinking
Phil 250 Symbolic Logic

History of Philosophy:
Phil 235 Ancient Philosophy
Phil 236 Medieval and Renaissance Philosophy
Phil 335 Seventeenth and Eighteenth Century Philosophy
Phil 336 Kant
Phil 338 Modern European Philosophy I
Phil 339 Modern European Philosophy II
Phil 340 Contemporary Anglo-American Philosophy

Core Areas:
Phil 316 Metaphysics
Phil 317 Epistemology
Phil 331 Philosophical Ethics

The remaining fifteen credits will be selected from philosophy courses with the following restraints and exceptions:

1. Phil 101 and Phil 120 are disallowed for minor credit if taken after the student has earned nine credits in philosophy.
2. No more than three credits of Phil 397 and Phil 498 are allowed toward the minor.
3. Upon approval of the department, up to six credits from courses other than philosophy may be applied to the minor.
PHILOSOPHY AND RELIGIOUS STUDIES

MAJOR: RELIGIOUS STUDIES,
Liberal Arts (Code 411-201)
Thirty-six semester credits, including:
Three credits from core courses (to be taken by all majors before the completion of six credits of Religious Studies coursework). Select from:
Rels 100 Introduction to the Religions of the World
Rels 110 Basic Issues in Religion
Rels 210 Religion and Morality

Capstone: All Religious Studies majors must complete the following capstone requirements. Three credits to be taken in junior or senior year of Rels 470, 490, 491, or 499 plus completion of the capstone essay for that course. The essay must be approved for capstone credit by the faculty teaching the course. Other upper-level courses also may be considered (prior approval by faculty required). Students must submit a major research paper produced for the course in order to fulfill the capstone requirement.

Monotheistic Religions
A minimum of nine credits from:
Rels 303 Early Christianity
Rels 304 Modern Christianity
Rels 307 Judaism
Rels 309 Islam

Asian Religions
A minimum of nine credits from:
Rels 312 Buddhism: Past and Present
Rels 314 Hinduism
Rels 323 Chinese and Japanese Religions
Rels 326 Asian Religious Philosophies

Methodological Approaches
A minimum of three credits from:
Rels 230 Old Testament/Hebrew Bible
Rels 240 New Testament
Rels 315 Psychology of Religion
Rels/Phil 345 Philosophy of Religion
Anth 463 Religion and Culture

The remaining coursework may be taken from the three previous categories and any of the courses listed below:

Topical and Historical Approaches
Rels/Wmns 203 Women and World Religions
Rels 210 Religion and Morality
Rels 290 Sacred Earth: Religion and Nature
Rels/AIS 330 Indigenous Religions of the Americas
Rels 333 New Religious Movements
Rels 334 Music in Judaism, Christianity, and Islam
Rels 342 African American Religion
Rels 348 Religious Themes in Literature
Rels 350 Modern Religious Thought
Rels 378 The Holocaust, 1933-1945
Rels 390 Religion in America
Rels 470 The Problem of Evil
Rels 490 Seminar in Religious Studies

Other
Rels 291 Special Topics
Rels 395* Directed Studies
Rels 396* Research Apprenticeship in Religious Studies
Rels 397* Student Academic Apprenticeship in Religious Studies
Rels 399* Independent Study – Juniors
Rels 491 Special Topics
Rels 498* Internship in Religious Studies
Rels 499* Independent Study – Seniors

* A maximum of three credits may be counted toward the major from any combination of Rels 395, 399, 498, and 499, and a maximum of three credits may be counted toward the major from the combination of Rels 396 and 397.

MINOR: RELIGIOUS STUDIES,
Liberal Arts (Code 411-401)
Twenty-four semester credits, including:
Three credits from core courses (to be taken by all minors before the completion of six credits of Religious Studies coursework):
Rels 100 Introduction to the Religions of the World
Rels 110 Basic Issues in Religion
Rels 210 Religion and Morality

Seminar course: Three credits taken in junior or senior year. Select from Rels 470, 490, 491, or 499.

Monotheistic Religions
A minimum of six credits from:
Rels 303 Early Christianity
Rels 304 Modern Christianity
Rels 307 Judaism
Rels 309 Islam

Asian Religions
A minimum of six credits from:
Rels 312 Buddhism: Past and Present
Rels 314 Hinduism
Rels 323 Chinese and Japanese Religions
Rels 326 Asian Religious Philosophies

The remaining coursework may be taken from the two previous categories and any of the courses listed below.

Methodological Approaches
A minimum of three credits from:
Rels 230 Old Testament/Hebrew Bible
Rels 240 New Testament
Rels 315 Psychology of Religion
Rels/Phil 345 Philosophy of Religion
Anth 463 Religion and Culture

Topical and Historical Approaches
Rels/Wmns 203 Women and World Religions
Rels 210 Religion and Morality
Rels 290 Sacred Earth: Religion and Nature
Rels/AIS 330 Indigenous Religions of the Americas
Rels 333 New Religious Movements
Rels 334 Music in Judaism, Christianity, and Islam
Rels 342 African American Religion
Rels 348 Religious Themes in Literature
Rels 350 Modern Religious Thought
Rels 378 The Holocaust
Rels 390 Religion in America
Rels 470 The Problem of Evil
Rels 490 Seminar in Religious Studies

Other
Rels 291 Special Topics
Rels 395* Directed Studies
Rels 396* Research Apprenticeship in Religious Studies
Rels 397* Student Academic Apprenticeship in Religious Studies
Rels 399* Independent Study – Juniors
Rels 491 Special Topics
Rels 498* Internship in Religious Studies
Rels 499* Independent Study – Seniors
A maximum of three credits may be counted toward the minor from any combination of Rel 395, 399, 498, and 499, and a maximum of three credits may be counted toward the minor from the combination of Rel 396 and 397.

PHIL 101 Basic Philosophical Issues
3 crs. • F, Sp • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of fundamental problems of philosophy, such as free will, mind and body, knowledge and skepticism, the self, reason and faith, the origin and purpose of government, and the nature of morality.

PHIL 120 Ethical Reasoning
3 crs. • F, Sp • GE-IVB • P: No credit if taken after PHIL 220.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Prepares students to reason coherently, critically, and creatively about ethical issues by analyzing arguments and positions on contemporary moral problems in light of relevant concepts, distinctions, values, and theories.

PHIL 150 Logic and Critical Thinking
3 crs. • GE-IB • P: No credit if taken after PHIL 250.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to principles and methods of critical thinking, sound reasoning, and argument evaluation. A combination of formal and informal techniques will be used. Moral, legal, and scientific reasoning may be considered.

PHIL 235 Ancient Philosophy
3 crs. • F even years • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
History of philosophy from the early Greeks through Plotinus, stressing the contributions of Socrates, Plato, and Aristotle.

PHIL 236 Medieval and Renaissance Philosophy
3 crs. • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of the development of western philosophical thought from the fourth century A.D. through the sixteenth century, with particular emphasis on the writings of Augustine, Bonaventure, Aquinas, and Duns Scotus.

PHIL 250 Symbolic Logic
3 crs. • F even years • GE-IB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to formal logic. Sentential logic, quantificational logic, and other selected topics. Slightly more formal and covers more areas than Philosophy 150.

PHIL 291 Special Topics
1-3 crs.
Content to be determined by department on initiative of students and faculty, on topics such as persons and movements in philosophy, ethnic and comparative themes and interdisciplinary syntheses.

PHIL 301 Ethics in the Professions and the Community
3 crs. • V • GE-IVB; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to organizational leadership and communication comprehensive major, Bachelor of Professional Studies degree.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A survey of major ethical theories and their applications in the professions and in community affairs, including key ethical issues in medicine, law, business, computing, and government.

PHIL 305 Ethics and Business
3 crs. • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Major theories of corporate responsibility and their relationships to the personal and social dimensions of business life.

PHIL 306/506 Ethics of Health Care
3 crs. • Sp • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Major ethical theories and their applications to personal and professional dimensions of health care functions. Survey of ethical problems that arise in health care situations through case studies.

PHIL 308 Ethics in Computing and Engineering
3 crs. • F, Sp • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A topical introduction to ethical issues raised by computer technology and engineering, with special attention to the professional ethics of software engineering and computer organization and design. Combines theoretical frameworks with case studies to develop competence in informed ethical decision-making.

PHIL 310 Philosophy of Law
3 crs. • F • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A philosophical investigation into the law’s nature and limits, with a focus on criminal law. Topics include legal liberalism, legal moralism, legal paternalism, self-defense, blackmail, legal positivism, natural law theory, punishment, rights, law and economics, and the duty to obey the law.

PHIL 316 Metaphysics
3 crs. • GE-IVB • P: One course in philosophy or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Explores major topics in metaphysics. Topics include universals and particulars, identity and change, necessity and essence, causation, free will and determinism, space and time, and mind and body.

PHIL 317 Epistemology
3 crs. • GE-IVB • P: One course in philosophy or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Epistemology, or the theory of knowledge, explores major theories concerning the nature of knowledge, belief, and justification. Topics include skepticism, induction, a priori knowledge, foundationalism and coherentism, and internalism and externalism.

PHIL 320 Environmental Ethics
3 crs. • GE-IVB • P: BIOL 180, or GEOG 178, or GEOL 115, or ECON 268; or one course in philosophy or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduces major theoretical approaches to ethical and policy questions concerning environmental issues such as population growth, famine, nonhuman animals, atmospheric conditions, hazardous waste, preservation of species, pollution, pesticides, and nuclear power.

PHIL 321 Philosophy of Logic
3 crs. • P: PHIL 250 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examination of the foundations of logical systems. Topics include the relationship between artificial and natural languages; the Formalists’ notion of logical system; the attempts to define “validity,” “deductive completeness,” and “consistency,” and the legitimacy of nonstandard logics.

PHIL 322 Philosophy of Language
3 crs. • GE-IVB • P: At least one course in philosophy or ENGL 221 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Philosophic investigation into the structure and function of language, with emphasis on discursive meaning.

PHIL 325 Aesthetics
3 crs. • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Acquaints students with some of the more fruitful philosophic investigations concerning the creative process, the work of art, the relationship between art and society.

PHIL 328 Philosophy and Film
3 crs. • GE-IVB • P: One course in philosophy or consent of instructor.
Lecture/Discussion Hours: 2.5 | Lab/Studio Hours: 2
An examination of ethical, aesthetic and existential issues involved in both popular and documentary films. The perspectives examined will include feminist and multicultural approaches.

PHIL 331 Philosophical Ethics
3 crs. • GE-IVB • P: One course in philosophy or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An advanced introduction to ethical theory addressing the nature of moral language, objectivity, relativism, theories of value and right action, and feminist critiques of traditional ethics. Emphasizes twentieth century ethics, with some historical coverage.

PHIL 332 Philosophical Perspectives on Friendship
3 crs. • GE-IVB • P: One course in philosophy or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examination of philosophical thinking on the nature and value of friendship. Authors read include Plato, Aristotle, Seneca, Cicero, Aquinas, Montaigne, Bacon, Kierkegaard, Kant, and contemporary philosophical authors.
PHILOSOPHY AND RELIGIOUS STUDIES

PHIL 333 History of Ethics 3 crs. • V • GE-IVB • May be repeated for a maximum of 6 credits • P: At least one course in philosophy or consent of the instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 A study of ethical thoughts and theories in historical context, typically either ancient or modern. Authors studied include Plato, Aristotle, Seneca, Epicurus, Cicero, Hume, Shaftesbury, Hutcheson, Butler, Bentham, Price.

PHIL 334 Philosophical Perspectives on Forgiveness 3 crs. • V • GE-IVB • P: At least one course in philosophy or consent of the instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 A philosophical investigation of the nature of forgiveness. Is forgiveness a virtue? Is forgiveness always good, or conditionally good? Are third-party and self-forgiveness coherent? Are certain acts unforgivable? Both classical, modern, and contemporary authors will be read.

PHIL 335 Early Modern Philosophy 3 crs. • F odd years • GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 The history of philosophy from Descartes to Hume. Examines proposals by leading philosophers regarding the foundations of science, moral, religious, and political beliefs.

PHIL 336 Kant 3 crs. • GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 An introduction to the philosophy of Immanuel Kant, focusing on his arguments and philosophical influences. Topics include Kant’s metaphysics, epistemology, ethics, and aesthetics.

PHIL 338 Modern European Philosophy I 3 crs. • GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Explores a pivotal era in European thought, starting with Kant’s revolutionary inversion of the subject-object relation. The development of the dialectical systems by his successors set the tone for the next two centuries of Continental philosophy.

PHIL 339 Modern European Philosophy II 3 crs. • GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Explores contemporary Continental European philosophy, especially that of Germany and France, from Husserl and Heidegger through Gadamer and Derrida. The movements of phenomenology, hermeneutics, deconstruction, and postmodernism will be emphasized.

PHIL 340 Contemporary Anglo-American Philosophy 3 crs. • GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Explores the philosophy of the English-speaking world during the past century, from Frege and Wittgenstein through Davidson and Putnam. Emphasizes the movements of logical positivism, ordinary language analysis, and American pragmatism.

PHIL 342 Philosophy of Mind 3 crs. • GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 The relation between the mind and the brain; the nature of consciousness; the philosophy of psychology and mental illness; artificial and animal intelligence; the nature of the emotions; free will and determinism.

PHIL/RELS 345/545 Philosophy of Religion 3 crs. • GE-IVB • P: One course in philosophy or consent of instructor or RELS 210, 315, 350, 470; or RELS/WMNS 353; or RELS PHIL 450. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • Credit may not be earned in both PHIL 345 and RELS 345. Critical study of the subject of religion, including the nature, grounds, and limits of religious claims.

PHIL 355 Philosophy of Science 3 crs. • GE-IVB • P: One course in biology, chemistry, geology, physics, physical geography; or one course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 The nature of scientific knowledge and progress; the structure of fundamental theories in physics and biology; the demarcation between science and pseudo-science; science and religion; science and gender; social and ethical implications of modern science.

PHIL 365 Existentialism 3 crs. • FC, GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Central ideas in existential thought. Leading existentialist thinkers including Nietzsche, Heidegger, Sartre, Camus, de Beauvoir, and the phenomenologist Husserl.

PHIL 371 Postmodernism 3 crs. • FC, GE-IVB • P: One course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Introduction to diverse philosophical attempts to define and/or diagnose the “postmodern condition” as a characterization of contemporary culture. Topics include the status of subjectivity, the question of technology, literature, art and the avant-garde, media/image culture, the politics of postmodernism, and postfeminism.

PHIL/WMNS 377 Philosophy and Feminism 3 crs. • GE-IVB • P: One course in philosophy or women’s studies. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • Credit may not be earned in both PHIL 377 and WMNS 377. A study of recent trends in feminist philosophy with emphasis upon feminist thinking in the areas of ethics, social philosophy, and theory of knowledge.

PHIL 386 Philosophical Classics 1-3 crs. • V • GE-IVB • May be repeated for a maximum of 6 credits • P: One course in philosophy or consent of instructor. A close reading of one or more philosophical classics, chosen by theme or author. Texts vary from offering to offering.

PHIL 395/595 Directed Studies 1-3 crs. • May be repeated • P: Minimum sophomore standing. • Department Consent Required • Recommended for non-majors. Work with instructor on a specific philosophical issue, problem, or activity. Content of the course to be determined by the student and the instructor.

PHIL 396 Research Apprenticeship in Philosophy 1-3 crs. • SL-Optional/Half • May be repeated for a maximum of 6 credits • P: One course in philosophy or consent of instructor. • Department Consent Required Qualified students, recruited and closely supervised by an instructor, engage in a research project with the faculty member.

PHIL 397 Student Academic Apprenticeship in Philosophy 1-3 crs. • SL-Optional/Half • May be repeated for a maximum of 6 credits • P: Limited to philosophy majors and minors. Minimum junior standing. • Department Consent Required Qualified students, selected and supervised by an instructor, assist teaching and learning in a course within the department while working closely with a faculty member.

PHIL 399 Independent Study - Juniors 1-3 crs. • May be repeated • P: Minimum junior standing. • Department Consent Required

PHIL 485 Seminar in Problems of Philosophy 3 crs. • F • May be repeated • P: Limited to philosophy majors and minors. Minimum junior standing. Other majors and minors will be permitted with consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Advanced study of problems in philosophy of mind, meta-ethics, theory of knowledge, political and social philosophy, philosophy of logic, or history of philosophy. Content is variable and is determined by the instructor.

PHIL 498 Internship in Philosophy 1-3 crs. • SL-Half; IN • May be repeated for a maximum of 3 credits • S/J Only Grade Basis • P: Limited to philosophy majors and minors. Minimum sophomore standing. • Department Consent Required Assignment in an area of philosophy emphasizing practical experience in the applied professional aspects of the discipline. Students will work closely with an internship supervisor or faculty member engaged in professional or occupational projects in the field.

PHIL 499 Independent Study - Seniors 1-3 crs. • May be repeated • P: Minimum senior standing. • Department Consent Required

RELS

RELS 100 Introduction to the Religions of the World 3 crs. • F, Sp • FC, GE-IVB • P: At least one course in philosophy or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 Basic teachings of the world’s major religions including tribal traditions, Western religions (Judaism, Christianity, and Islam), Indian religions (Hinduism and Buddhism), and Far Eastern religions (Confucianism, Taoism, and Shinto).
RELS 110 Basic Issues in Religion
3 crs. • F • Sp • FC; GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the meaning of religion, the nature of religious thought, and an examination of such issues as God, salvation, evil, and selected topics in the relation between religion and the secular world.

RELS/WMNS 203 Women and World Religions
3 crs. • FC; CD1; GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both RELS 203 and WMNS 203. No credit if taken after ANTH 394 or RELS 394.
Survey women's religious lives historically and cross-culturally, focusing on pre-patriarchal religions and non-Western traditions. Attention will be given to goddesses in world religions. The course will end with feminist issues in world religions.

RELS 210 Religion and Morality
3 crs. • FC; GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Relations between religious meanings and moral values among majority and minority religions of Eastern and Western cultures.

RELS 230 Old Testament/Hebrew Bible
3 crs. • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Scriptural heritage from ancient Israel which has profoundly influenced Western civilization; the resources of recent Biblical studies are utilized.

RELS 240 New Testament
3 crs. • GE-IVB • P: One course in religious studies.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

RELS 290 Sacred Earth: Religion and Nature
3 crs. • FC; CD1; GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Sacred Earth explores the historical, cultural, religious, and spiritual concerns of humanity's relationship with "Nature" and environments, converging varieties or cultural expressions of the "sacred earth" in religious traditions, contemporary society, environmentalism, and science.

RELS 291 Special Topics
1-3 crs.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Topics, issues, literature, or movements not typically covered in regular religious study courses and of special interest to students and faculty.

RELS 303 Early Christianity
3 crs. • GE-IVB • P: One course in religious studies or philosophy.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Principal ideas, movements, and persons in the development of Christianity from the New Testament Church to the Reformation.

RELS 304 Modern Christianity
3 crs. • GE-IVB • P: One course in religious studies or philosophy.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Principal ideas, movements, and persons in the development of Christianity from the Reformation to the twenty-first century.

RELS 307/507 Judaism
3 crs. • GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Judaism from its earliest times to the twenty-first century, including its history, literature, and lifestyles.

RELS 309 Islam
3 crs. • FC; GE-IVB • P: One course in religious studies.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the main elements of Islam, through study of its history, the role of Muhammad, the Qur'an, basic beliefs and observances, the dynamics of the movement, and its current world status and influence.

RELS 312 Buddhism: Past and Present
3 crs. • FC; GE-IVB • P: One course in religious studies or philosophy.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of central teachings, practices, and institutions of major sects of Buddhism, both past and present. Emphasis on development of Buddhist thought in India and on Buddhism as practiced by several contemporary forms of Buddhism.

RELS 314 Hinduism
3 crs. • FC; GE-IVB • P: One course in religious studies or philosophy.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

RELS 315 Psychology of Religion
3 crs. • GE-IVB • P: One course in religious studies or philosophy.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examination of the human experience, using languages of psychology and religion to understand what religion means.

RELS 323 Chinese and Japanese Religions
3 crs. • FC; GE-IVB • P: One course in religious studies or philosophy. No credit if taken after RELS 317, RELS 319 and/or RELS 320.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines the formative religions of China and Japan, including Chinese and Japanese folk religions, the Religion of the I Ching (Yin/Yang), Confucianism, Taoism, Neo-Confucianism, and Shinto.

RELS 326 Asian Religious Philosophies
3 crs. • GE-IVB • P: RELS 312, 314, or 323; or one course in philosophy or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Philosophical approaches to major religious traditions of India, China, and Japan. Included will be Hindu, Buddhist, Yin-Yang, Taoist, and Neo-Confucian thinkers. The course will conclude with a consideration of the Kyoto School's attempted synthesis of Western and Eastern thought.

RELS/AIS 330 Indigenous Religions of the Americas
3 crs. • FC; CD2; GE-IVB • P: One course in RELS, PHIL, AIS, LAS, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An exploration of New Religious Movements in the United States and internationally.

RELS 334 Music in Judaism, Christianity and Islam
3 crs. • Sp • GE-IVB • P: One course in religious studies.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
No credit if taken after IDIS 354 when offered as Music of Devotion. This course addresses music in Judaism, Christianity, and Islam. A variety of traditional and contemporary musical styles will be considered, with emphasis on how these styles have shaped Jewish, Christian, and Muslim devotion.

RELS 342 African American Religion
3 crs. • F • CD3; GE-IVB • P: One RELS course or permission of the instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
No credit if taken after RELS 490 when offered as African American Religious Experience. An examination of African American religion in the past and present. In addition to a substantial focus on the Christian tradition, significant attention is given to other perspectives including Vodou and the Nation of Islam.

RELS/PHIL 345/545 Philosophy of Religion
3 crs. • GE-IVB • P: One course in philosophy or consent of instructor; or RELS 210, 315, 350, 470; or RELS/WMNS 353; or RELS/PHIL 450.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both RELS 345 and RELS 353.
Critical study of the subject of religion, including the nature, grounds, and limits of religious claims.

RELS 348 Religious Themes in Literature
3 crs. • CD1; GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An exploration of religious beliefs and practices of diverse people through literature. A portion of the course will focus on works of African American, Native American, Hispanic American, and Southeast Asian American authors.
PHILOSOPHY AND RELIGIOUS STUDIES

RELS 350 Modern Religious Thought
3 crs. • EC; GE-JVB • P: One course in religious studies or philosophy.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Major thinkers and ideas that have influenced modern religious thought, both Eastern and Western, from the nineteenth century to the present time.

RELS 378 The Holocaust, 1933-1945
3 crs. • GE-JVB
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The destruction by the Nazis of Jewish life in Europe, with reference to its sociological and political dimensions.

RELS 390 Religion in America
3 crs. • CD1; GE-JVB • P: One course in religious studies.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
America’s many religious traditions from the colonial period to the present, emphasizing diversity of religious expressions, development and transformation on American soil, commonalities and conflicts, and challenges to a pluralistic United States.

RELS 395 Directed Studies
1-3 crs. • May be repeated • P: Minimum sophomore standing. • Department Consent Required
Study of a particular problem or special area in the field of comparative religion studies.

RELS 396 Research Apprenticeship in Religious Studies
1-3 crs. • May be repeated for a maximum of 3 credits • P: One course in religious studies. • Department Consent Required
Qualified students, recruited and closely supervised by an instructor, engage in a research project with the faculty member.

RELS 397 Student Academic Apprenticeship in Religious Studies
1-3 crs. • SL-Optional/Half • May be repeated for a maximum of 3 credits • P: One course in religious studies. • Department Consent Required
Qualified students, selected and supervised by an instructor, assist teaching and learning in a course within the department while working closely with a faculty member.

RELS 399 Independent Study - Juniors
1-3 crs. • May be repeated • P: Minimum junior standing. • Department Consent Required

RELS 470 The Problem of Evil
3 crs. • P: Two courses in religious studies. Limited to religious studies majors and minors, or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Exploration of the problem of evil for Eastern and Western religious thought. Theological, philosophical, psychological, and popular cultural explanations will be examined.

RELS 490 Seminar in Religious Studies
3 crs. • May be repeated • P: Limited to religious studies majors and minors. Minimum junior standing, or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The content of the seminar is determined by the department in designating the instructor.

RELS 491 Special Topics
1-3 crs. • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
May be repeated if topics differ with permission of adviser or department chair. Content will be determined by initiative of students and department, such as topics in comparative religions, scriptural research, historical and systematic theology, sects, and movements.

RELS 498 Internship in Religious Studies
1-3 crs. • SL-Optional/Half; IN • May be repeated for a maximum of 3 credits • P: Limited to religious studies majors and minors. • Department Consent Required
Assignment in an area of religious studies emphasizing practical experience in the technical or professional aspects of the discipline. Interns will work closely with a professional in the field.

RELS 499 Independent Study - Seniors
1-3 crs. • May be repeated • P: Minimum senior standing. • Department Consent Required

Physics and Astronomy

PHILLIPS 230
715-836-3148
www.uwec.edu/physics

LYLE FORD, CHAIR

DOUGLAS DUNHAM, MATTHEW EVANS, J. ERICK HENDRICKSON, LAUREN LIKKEL, NATHAN MILLER, KIM PIERSON, JAMES RYBICKI, GEORGE STECHER, PAUL THOMAS, SCOTT WHITFIELD.

Physics, the science of matter and energy, is the study of the deepest mysteries of our universe, ranging from subatomic particles to cosmology. Exploring ideas of space, time, matter, energy, and radiation, it serves as the basis for the physical sciences. Modern society is influenced by physics in countless ways, including recent developments in such fields as laser optics, miniaturized electronics, nuclear energy, and medical instrumentation.

Beyond the earth, astronomy applies the ideas of physics to the study of planets, stars, galaxies and all celestial phenomena within reach of our telescopes. Since the two areas share a vast array of common ideas and knowledge, new discoveries in physics often aid progress in astronomy and vice versa.

Special learning opportunities associated with the department include the Materials Science Center (www.uwec.edu/matsci), the L.E. Phillips Planetarium (www.uwec.edu/planetarium), and Hobbs Observatory at the Beaver Creek Reserve (www.beavercreekreserve.org).

MAJOR: PHYSICS, Liberal Arts

Liberal Arts Emphasis (Code 230-201)

The Liberal Arts emphasis is the traditional physics major, providing preparation for graduate school as well as a broad range of careers in business and industry following completion of the baccalaureate degree. The Liberal Arts Emphasis requires 36 credits of physics coursework including Phys 186, 231, 232, 332, 333, 350, either 340 or 360, 365, 486; Math 312; and CS 163 or 170 (it is strongly recommended that CS 163 or 170 be completed within the first three semesters). The remaining Physics credits are to be selected from any physics course above 325 (including Phys/Msci 338) and Msci 355. Chemistry (Chem 115 or 103 and 104) is strongly recommended.

NOTE 1: An approved research project must be completed prior to Phys 486 (see Phys 486 course description for details).

NOTE 2: A maximum of six credits of any combination of Phys 392, 399, 491, and 499 can be counted toward the major.

Applied Physics Emphasis (Code 230-203)

This emphasis focuses on physics applications of relevance to industrial and engineering employment environments following completion of the baccalaureate degree. The Applied Physics Emphasis requires 36 credits of physics coursework including Phys 186, 231, 232, 332, 340, 350, 360, either 255 and 356 or 365 or 375, 430, 486; Math 312, 345; CS 163 or 170 (it is strongly recommended that CS 163 be completed within the first three semesters); and Chem 115 (or both 103 and 104) is strongly recommended.

The remaining Physics credits are to be selected from any physics course above 325 (including Phys/Msci 338) and Msci 355. Chemistry (Chem 115 or 103 and 104) is strongly recommended.

NOTE 1: An approved research project must be completed prior to Phys 486 (see Phys 486 course description for details).

NOTE 2: A maximum of six credits of any combination of Phys 392, 399, 491, and 499 can be counted toward the major.

Dual Degree Engineering Emphasis (Code 230-206)

This emphasis combines the benefits of a traditional physics degree with those of a formal engineering education. In this program students receive a UW-Eau Claire physics degree in conjunction with a bachelor’s degree in engineering from either UW-Madison or the University of Minnesota-Twin Cities. The Dual Degree Engineering Emphasis requires 36 credits of physics coursework including Phys 186, 231, 232, 332, 340, 350, and either 365 or both Phys 255 and 356 (option depends on engineering
program). The remaining Physics credits are to be selected from any physics course above 325 (including Phys/Msci 338) and Msci 355. Math 312 and one computer science course (CS 163, 170, or an adviser-approved course appropriate for the engineering program) are also required. To receive the UW-Eau Claire Dual Degree Engineering Emphasis physics degree, the student must complete an engineering degree from one of the above schools. Students will typically complete most of the UW-Eau Claire General Education and Dual Degree physics requirements while at UW-Eau Claire before transferring to the engineering school. Students must complete 84 semester credits before transferring to the engineering school, 56 of which must be taken in residency at UW-Eau Claire, with a minimum of 12 upper-division credits of physics and a minimum of six credits of mathematics taken at UW-Eau Claire.

NOTE 1: The UW-Eau Claire physics degree will not be awarded until an official copy of the student’s engineering degree has been sent to UW-Eau Claire’s Registrar’s Office. If the engineering degree is not completed, then students must satisfy all of the requirements for another degree program at UW-Eau Claire.

NOTE 2: A maximum of six credits of any combination of Phys 392, 399, 491, and 499 can be counted toward the major.

MAJOR: PHYSICS, Teaching (Code 230-205)

Thirty-six semester credits of Physics, including Phys 231, 232, 332, 340, 350, and at least 15 credits selected from Phys 226, 229, or any physics course numbered above 325. Chem 103, 104, and Math 114, 215, 216 are also required. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Physics in Early Adolescence through Adolescence classrooms. It is often combined with a mathematics or chemistry teaching minor.

NOTE 1: Completion of the following requirements and ES 367 may be used in lieu of a minor and adds Broadfield Science licensure to the teaching major:

A. At least 14 credits from one of the following areas: (1) Biol 151, 214, 221, 222, 223, 314; (2) Chem 103 and 104, or 115; additional courses selected from 213, 218, 325; (3) one of Geol 106, 110, 115, or 118; Geog 104 or 340 or 361; Phys 226; additional courses from Geol 102, 301, 303, 308; Phys 229; Geog 200, 304, 340, 361.

B. Eight credits in each of the two areas not selected in A above: (1) Biol 151, 214, 221; (2) Chem 103 or 115, plus 104 or 150; (3) one of Geol 106, 110, 115, 118, or Geog 104; and Phys 226 or 229.

Note 2: A maximum of six credits of any combination of Phys 392, 399, 491, and 499 can be counted toward the major.

COMPREHENSIVE MAJOR: PHYSICAL SCIENCE, Teaching (Code 240-004)

See Interdisciplinary Majors.

COMPREHENSIVE MAJOR: PHYSICS-MATHEMATICS, Teaching

See Interdisciplinary Majors.

MINOR: PHYSICS, Liberal Arts (Code 230-401)

Twenty-four semester credits of Physics including Phys 231, 232, and 332 and 11 or more credits selected from any Physics courses except 100, 211, and 212. Math 215 is also required. It is recommended that students minoring in physics consult the chair of the Department of Physics and Astronomy while planning a program.

MINOR: PHYSICS, Teaching (Code 230-403)

Twenty-four semester credits of Physics, including Phys 231, 232, 332, 350, and at least seven credits selected from Phys 226, 229, or any physics course numbered above 325. Math 114, 215 and eight credits from one of the following fields—Biology, Chemistry, or Geology—are also required. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Physics in Early Adolescence through Adolescence classrooms.

DEPARTMENTAL HONORS IN PHYSICS

Departmental Honors is a way for a student to experience the thrill of innovative research and discovery in an area of interest within Physics and Astronomy. One of the most significant benefits of Departmental Honors is that it fosters one-on-one interaction between students and professors, which substantially enhances a student’s educational experience and serves as a springboard for excellence in graduate studies or professional employment after graduation.

Eligibility: Complete Phys 332 and maintain both a resident GPA and a major GPA of at least 3.50.

Procedure: A written application for Departmental Honors in Physics and Astronomy must be approved by the student’s academic adviser, the student’s project adviser, and the chair of the Physics and Astronomy Department.

Requirements:

1. Complete the required courses for one of the three emphases for the Liberal Arts major in Physics.

2. Complete two courses selected from among Phys 367, 375, 430, 445, 465, and 475.

3. Complete a significant scholarly activity and disseminate the results of the activity by completing a written research paper and presenting at an appropriate on-campus or off-campus venue (Physics Thursday, Research Day, Provost’s Honors Symposium, etc.) or making a presentation at a professional meeting or publishing an article in a professional journal.

The quality of the activity and dissemination will be evaluated by a three-member faculty panel. Upon approval by the panel, the student will receive the designation of Departmental Honors in Physics and Astronomy on his/her official transcript and a special notation in the graduation ceremony program.

CERTIFICATE PROGRAM

The LabVIEW Certificate Program (Code 230-601) provides UW-Eau Claire students and engineers in local and regional industry with an in-depth understanding of the computer interfacing and data acquisition software package called LabVIEW. LabVIEW has become an industry standard in this technical area. LabVIEW provides an extensive environment in which a scientist or engineer can accomplish a variety of instrument control, data collection and data processing tasks. The UW-Eau Claire LabVIEW Certificate program has also been designed to provide students with the skills and experiences required to pass the first two levels of professional LabVIEW programming certification offered by National Instruments, which is required for many industry positions that involve LabVIEW programming.

To be admitted to the program, UW-Eau Claire students must have completed Phys 232 with a grade of C or better and be currently enrolled in Phys 350. Special students must have completed at least 8 credits of electrical engineering coursework equivalent to that in Phys 350 and Phys 360.

Thirteen credits are required for certificate program completion and are drawn from the following course work:

- Phys 350 Electric and Electronic Circuits
- Phys 360 Electronics
- Phys 361 / 561 LabVIEW Basics
- Phys 362 / 562 LabVIEW Applications
- Phys 363 / 563 LabVIEW cRIO

The academic goals of the LabVIEW Certificate Program are: (1) to provide students with a working knowledge of electronics which they will get from Phys 350 and Phys 360; (2) an understanding of the basics of computer interfacing principles which they get from Phys 360 and the three LabVIEW courses; (3) an in-depth knowledge of the LabVIEW programming environment which they get from the three LabVIEW courses; (4) an introduction to Field Programmable Gate Arrays (a revolutionary new technology) which they get from the last LabVIEW cRIO course.

Note: Students cannot pursue the Physics Major and LabVIEW Certificate to meet graduation requirements for completing a first and second degree program.

For advising, see Professor K. Pierson (Physics and Astronomy).
PHYSICS AND ASTRONOMY

PHYS

PHYS 100 Physical Science
4 crs. • F, Sp, Su • GE-H; LS • P: No credit if taken after PHYS 110, 111, 211 or 231.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
A conceptual study of physics using ideas of force and energy to understand motion, properties of matter, sound, light, and electricity and magnetism.

PHYS 115 Survey of Astronomy
3 crs. • F, Wi, Sp, Su • GE-H; LS • P: No credit if taken after PHYS 226 or PHYS 229.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A one-semester presentation of our current understanding of the universe, including the solar system, birth and death of stars, unusual phenomena such as black holes and quasars, evolution of galaxies and the universe, and our link with the cosmos.

PHYS 186 Introductory Seminar
.5 cr. • F • A-F Grades Only • P: Limited to physics liberal arts majors.
Lecture/Discussion Hours: .5 | Lab/Studio Hours: 0
Students will explore avenues for obtaining an internship, discuss plans for participating in the required research project, attend the weekly Physics Seminar, develop academic plans, and participate in postgraduate planning.

PHYS 205 Physics of Renewable Energy
4 crs. • F, Sp • GE-H; LS • A-F Grades Only
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Explores the basic physics principles behind various types of renewable energy sources. Discusses impact renewable energy sources have on mitigating global warming and climate change.

PHYS 211 General Physics
5 crs. • F, Sp, Su • GE-H; LS • P: No credit if taken after PHYS 231.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 2
Fundamental principles of mechanics, heat, wave motion, and sound. Designed for students who desire a one-year non-calculus course in physics. Proficiency with algebraic and trigonometric operations is expected.

PHYS 212 General Physics
4 crs. • F, Sp • GE-H; LS • P: PHYS 211. No credit if taken after PHYS 232.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
A continuation of Physics 211 including topics in optics, electricity, magnetism, and modern physics.

PHYS 226 Astronomy-Solar System
4 crs. • F • GE-H; LS
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
• Three years high school mathematics assumed prior to enrollment in this course. Some night observing required.
The physical nature of the solar system, including earth motions, celestial coordinates, time, telescopes, moon, planets, sun, and origin of solar system.

PHYS 229 Astronomy-Stars and Galaxies
4 crs. • Sp • GE-H; LS
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
• Three years of high school mathematics assumed prior to enrollment in this course. PHYS 226 is not a prerequisite. Some night observing required.
The physical nature of the universe, including stellar evolution, multiple and variable stars, the Milky Way galaxy, other galaxies, and origin of the universe.

PHYS 231 University Physics I
5 crs. • F, Sp • GE-H; LS • P: MATH 114 or concurrent enrollment.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 2
Physics for science and engineering students, including the study of mechanics, simple harmonic motion, and wave motion.

PHYS 232 University Physics II
5 crs. • F, Sp • GE-H; LS • P: PHYS 231; MATH 215 or concurrent enrollment
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 2
A continuation of Physics 231, including the study of electricity, magnetism, and optics.

PHYS 255 Statics
3 crs. • F • PHYS 231; MATH 215 or concurrent registration.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Designed primarily for pre-engineering students. Includes static equilibrium of rigid bodies, centroids, analysis of structures, friction, and moments of inertia.

PHYS 291 Special Topics
1-3 crs. • V
Content will be determined by the interests of students and faculty. May contain lecture or lab.

PHYS 308 Science of Musical Sound
3 crs. • Sp • GE-H
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Physical concepts related to production of tones and speech. Application to musical instruments and auditorium acoustics, with experimental demonstrations of vibrational phenomena and electronic sound analysis and synthesis. No prior physics or university mathematics assumed.

PHYS 315 The Mysterious Universe
3 crs. • F, Wi, Sp, Su • GE-H
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A view of the world as revealed by contemporary physical thought. Topics include size and origin of universe, ultimate nature of matter; modern ideas of space, time and energy; possibilities of extraterrestrial life; and values and limitations of science.

PHYS 322 University Physics III
3 crs. • F, Sp • P: PHYS 232 and MATH 215.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Physics for science and engineering students, including the study of fluids, heat, thermodynamics, relativity, and an introduction to modern physics.

PHYS 333 Quantum Physics
5 crs. • F, Sp • P: PHYS 332 and MATH 216.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the experimental and theoretical basis of quantum physics, including particle aspects of radiation, matter waves, Bohr model of the atom, Schrodinger wave mechanics and its application to the hydrogen atom and multi-electron atoms.

PHYS/MSCI 338 Physics of Solids
4 crs. • Sp • P: PHYS 332 or MSCI 300.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
• Credit may not be earned in both MSCI 338 and PHYS 338.
Crystallography, diffraction, electron and phonon transport. Semiconductors and optical properties of crystalline materials, interaction of light with crystalline and non-crystalline matter, including photovoltaics, LEDs, nonlinear optics, solid-state lasing, and fiberoptic materials.

PHYS 340 Optics
4 crs. • Sp • P: PHYS 232 and MATH 215.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Lecture and laboratory work cover geometrical and physical optics, image formation, optical instruments, interference, diffraction, polarization, and modern topics including lasers.

PHYS 350 Electric and Electronic Circuits
4 crs. • F • MATH 215 and grade of C or above in PHYS 232.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
General introduction to electrical circuits and electronics including analysis of DC and AC circuits, simple passive filters, diodes, transistors, operational amplifiers, simple digital electronics, and circuit design and construction.

PHYS 356 Dynamics
3 crs. • Sp • A-F Grades Only • P: MATH 215 and PHYS 255 (or MATH 255).
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
No credit if taken after MATH 256. Credit may not be earned in both PHYS 356 and PHYS 365.

PHYS 360 Electronics
4 crs. • Sp • P: PHYS 350 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3
Description, analysis, and laboratory measurements of digital and analog devices including transistor amplifiers, operational amplifiers, oscillators, gates, flip-flops, analog-digital converters, and microprocessors.

PHYS 361/561 LabVIEW Basics
2 crs. • F • A-F Grades Only • P: PHYS 350 or concurrent enrollment. • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Field trip(s) optional.
Lecture and laboratory work cover an introduction to the graphical programming language LabVIEW. LabVIEW has been widely adopted as the industry standard for computerized data acquisition, analysis and instrument control.
PHYS 362/562 LabVIEW Applications
2 crs. • Sp • P: PHYS 361 LabVIEW Basics • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Field trip(s) optional.
Lecture and laboratory exercises cover applications using the graphical programming language LabVIEW. Topics include advanced programming structures, CompactDAQ hardware, digital signal processing, motor control, encoders, PID process control, RS-232 instrument control, component testing, sensor monitoring.

PHYS 363/563 LabVIEW cRIO
1 cr. • Sp • P: PHYS 362 LabVIEW Applications • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Lecture and laboratory exercises cover the theory and application of the cRIO automation controller using the graphical programming language LabVIEW. Topics include Real-Time operating system, field programmable gate array (FPGA) and network shared variables.

PHYS 365 Theoretical Mechanics
4 crs. • F • P: MATH 216, and a grade of C or above in PHYS 231. Credit may not be earned in both PHYS 356 and PHYS 365.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Newton’s laws, accelerated frames, central-force orbits, angular momentum of systems, coupled oscillations, generalized coordinates, and Lagrange’s equations.

PHYS 367 Astrophysics
3 crs. • F odd years • P: PHYS 332
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Physics applied to astronomical objects. The birth, structure, and evolution of stars are studied in detail. Nebulae, the interstellar medium, and stellar remnants are also investigated.

PHYS 375 Electromagnetic Fields
4 crs. • Sp • P: PHYS 332, MATH 216, and MATH 311 or MATH 312.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Electric and magnetic fields, dielectric and magnetic properties of materials, and electromagnetic phenomena. Field theory leading to the development of Maxwell’s equations and the plane electromagnetic wave.

PHYS 392 Current Topics in the Physics Literature
1 cr. • F; Sp • A-F Grades Only • P: PHYS 332. Limited to physics liberal arts majors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Each student will choose a topic for investigation using articles in the physics literature. The class will discuss and critique each individual’s project during class meetings. All students will write final summary papers.

PHYS 399 Independent Study - Juniors
1-3 crs. • V • May be repeated • P: Minimum junior standing • Department Consent Required

PHYS 400 Advanced Laboratory Techniques
2 crs. • F • P: Two courses from PHYS 340, 350, 360, 430
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 4
Laboratory course for students with special interests in experimental physics. The emphasis is on widely applicable modern experimental methods.

PHYS/MATH 440 Digital Image Processing
3 crs. • Sp even years • P: MATH 215
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both MATH 440 and PHYS 440.
Applications of Fourier analysis and wavelets to optics and image processing. Topics include: diffraction, wave optical theory of lenses and imaging, wavelets, and image processing.

PHYS 445 Thermal Physics
4 crs. • F even years • P: PHYS 332, PHYS 333, and MATH 216. No credit if taken after PHYS 334 and PHYS 435.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Statistical mechanics and thermodynamics including the laws of classical thermodynamics, equations of state, thermodynamical processes, and applications to classical and quantum mechanical systems.

PHYS 465 Quantum Mechanics
3 crs. • Sp • P: PHYS 333, PHYS 365, and MATH 311 or MATH 312.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A continuation of Physics 333, including Dirac notation, operator methods, one dimensional potentials, spin and angular momentum, and the philosophical interpretation of quantum mechanics.

PHYS 475 Mathematical Methods in Physics
3 crs. • V • P: PHYS 365 and MATH 311 or 312; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to the mathematical methods in physics with emphasis on applications in classical mechanics, quantum mechanics, and electrodynamics.

PHYS 486 Senior Seminar
.5 cr. • F • P: PHYS 386. Limited to physics liberal arts majors, liberal arts emphasis; and physics liberal arts majors, applied physics emphasis. • Department Consent Required
Lecture/Discussion Hours: 5 | Lab/Studio Hours: 0
• Students need to have completed an adviser-approved capstone project before entering this class. This can be accomplished through various means: PHYS 392, PHYS 399, PHYS 430, PHYS 495, PHYS 499, through an academic or industrial internship, or through another approved means.
Students will present a capstone project seminar, develop presentation skills (oral and poster), take a nationally normed test covering undergraduate physics, discuss their post-graduate plans, and assist the department in assessing the major.

PHYS 491 Special Topics
1-3 crs. • V • May be repeated for a maximum of 6 credits • P: PHYS 333 and 365.
Content will be determined by the interests of students and faculty. Possible topics include astrophysics and solid state physics.

PHYS 495 Directed Study
1-3 crs. • V • May be repeated for a maximum of 6 credits • P: PHYS 332; 2.75 GPA in physics. Limited to physics majors and minors. • Department Consent Required
• Limit of three credits counted toward major.
Special project or research activity, primarily on campus, and directed by a faculty member. Projects and topics available will be determined by the activities and interests of the faculty.

PHYS 499 Independent Study - Seniors
1-3 crs. • V • May be repeated • P: Minimum senior standing • Department Consent Required
Political Science

GEORGE PETTERSON, CHAIR

Ali AboTalebi, RANDALL BEGER, JOHN EVANS, MICHAEL FINE, RODD FREITAG, MARGARET GILKSON, OBIKA GRAY, STEPHEN HILL, EUNSOOK JUNG, ERIC KASPER, STEVEN MAJSERTORVIC, PETER MYERS, JUSTIN PATCHIN, JASON SPRATZ.

Honor Societies and Student Organizations:
Pi Sigma Alpha, the national honor society, promotes student interest in political science and sponsors forums on current political topics and workshops on applying to and attending graduate school and law school. The honor society accepts qualified students each fall and spring semester for membership based on political science coursework and academic standing. Contact the faculty advisor in the department for further details.

Model United Nations Club (MUNC) is a student organization whose primary purpose is to educate its members and the student body about the United Nations and its activities. The organization is open to all students interested in global affairs and the UN. MUNC members attend two United Nations mock conferences each year and participate in a number of other group activities.

Pre-Law Club is a student organization whose primary purpose is to inform its members of the various aspects of the legal profession. The organization is open to all students from various academic majors who are considering attending law school and share an interest in the legal profession. The organization sponsors speakers from various law-related occupations, organizes trips to law schools and law school fairs, and provides practice tests for the Law School Admission Test.

The Society of Politics is open to all students with an interest in politics and political science. The Society functions as both a social and professional organization for students to help them make connections and broaden the scope of their political knowledge. The Society hosts several events during the year, including a fall picnic, roundtables, and forums for the students and political science faculty to meet and discuss important issues.

Political Science examines various systems of government within and among nation-states and the principles on which they are based. It familiarizes the student with political concepts and issues, their historical backgrounds, and their relevance to the cultural systems in which they arise. The study of political science provides methods for analyzing political issues and the policies designed to address them.

Information for Political Science Majors and Minors:

Political Science courses at the 200 level and above are classified into the following four course groupings:

4. Political Theory: (a) Traditional Thought: Pols 309, 310, 311; (b) Other: Pols 312, 314.

NOTE: All majors should take Pols 290 before taking any 300 level courses.

COMPREHENSIVE MAJOR: POLITICAL SCIENCE, Liberal Arts

A comprehensive major in Political Science combines political science with courses in other disciplines. Students choose either the Legal Studies emphasis or the World Politics emphasis.

Legal Studies Emphasis (Code 420-001)

The Legal Studies emphasis provides an emphasis in legal studies for those students interested in law school, paralegal studies, and law and society.

Sixty semester credits, including:

- Required political science credits: 27
- Pols 110, 122, 290, 338, 403, 404, 405, 406, 480
- Elective political science credits, including: 21
- One course in International Relations.
- Two courses in Comparative Government (one must be at the 300 level or higher).
- Two courses in Political Theory from the following: Pols 310, 311, 312.
- Two additional courses in political science from the four course groupings (200 level or higher).
- Elective courses from other disciplines selected from the following list: 12 Acct 201, 202; Anth 422; CJ 202, 414; Crmj 319, 342; Econ 103, 104, 303, 304, 311, 316, 321; Engl 201; Hist 114, 115; Phil 120, 150, 310.

World Politics Emphasis (Code 420-002)

The World Politics emphasis provides an emphasis for students interested in graduate work or employment in world affairs, international relations, and comparative government.

Sixty semester credits, including political science courses (18 required credits) Pols 110, 122, 290, 334, 335, 480.
- Elective political science courses (27 credits): (1) one 300-level or higher course in American Politics, (2) in addition to Pols 334 and 335, two courses in International Relations, (3) four courses in Comparative Government, (4) two courses, at least one from Traditional Thought, in Political Theory.
- Elective courses from other disciplines (15 credits), with no more than six credits from any one prefix: (1) Anth 315, 345, 351, 355, 356; (2) CJ 319; (3) Econ 341, 351, 353, 355; Econ/LAS 356; (4) Engl 130, 230, 330; (5) Foreign Language courses at the 201 level or higher; (6) Geog 301, 308, 319, 321, 378, 446; (7) Hist/LAS 309, 311; Hist 324, 326, 360, 362, 366, 371, 375, 379, 383, 387, 388, 389; (8) Musi 225; (9) Rel 307, 309, 312, 314, 323, 326, 378.

MAJOR: POLITICAL SCIENCE, Liberal Arts (Code 420-201)

Thirty-six semester credits, including Pols 110, 122, 290, 480, and at least two courses in each of the four course groupings defined above. At least one theory course must be selected from Traditional Thought (4a of Information for Political Science Majors and Minors), and one comparative course must be taken at the 300 level.

MAJOR: POLITICAL SCIENCE, Teaching (Code 420-203)

Thirty-six semester credits, including Pols 110, 122, 260, 290, 301, 305, 312, 480; in addition to Pols 301 and 305, two courses at the 300 level or above in American politics, one course at the 200 level or higher in international relations, and, in addition to Pols 260, one course at the 200 level or higher in comparative government. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option B and leads to licensure to teach Political Science in Early Adolescence through Adolescence classrooms.

MINOR: POLITICAL SCIENCE, Liberal Arts (Code 420-401)

Twenty-four semester credits including Pols 110, 122, and at least one course at the 300-400 level in each of the four course groupings defined above. At least 18 credits must be taken at the 200 level or above.

MINOR: POLITICAL SCIENCE, Teaching (Code 420-403)

Twenty-four semester credits including Pols 110, 122, 260, 301, 305, 312; in addition to Pols 301 and 305, one course at the 300 level or above in American politics; in addition to Pols 260, one course at the 200 level or above in the International Relations or Comparative Government. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Political Science in Early Adolescence through Adolescence classrooms.
DEPARTMENTAL HONORS PROGRAM IN POLITICAL SCIENCE  
Eligibility: Majors with resident and total GPAs of 3.50 or higher overall and in Political Science, and the consent of the department. Senior standing is required. By the end of the second semester of the junior year, students must notify the department of their intent to seek departmental honors.  
Requirements: Comprehensive written examination taken at the end of the first semester of the senior year; senior thesis written during the second semester of the senior year. Students must register for Pols 496, Honors Independent Reading (3 crs), during the semester that they write the thesis.

CERTIFICATE PROGRAMS  
The Certificate in Campaign Consulting (Code 420-601) is designed for the student seeking an opportunity to learn the skills of campaign organization and management. Students develop campaigning skills including organization of workers, marketing of candidates, issue development, use of media, and campaign finance. The certificate in Campaign Consulting is the only university course of study providing training and experience in local elections.  
Currently enrolled degree-seeking students who have applied to the department for the certificate and are in good standing in the University are eligible to complete a certificate in Campaign Consulting. Note: Students cannot pursue the Political Science Major and Campaign Consulting Certificate to meet graduation requirements for completing a first and second degree program.

Students are required to earn a total of 18 credits toward the certificate. Required courses (12 credits) include:
- Pols 110 American National Politics
- Pols 341 Political Parties, Elections, and Voting
- Pols 342 Public Opinion and Political Behavior
- Pols 498 Internship (campaign related) (3 crs)

The remaining six credits are to be selected from:
- Pols 301 State and Local Politics
- Pols 339 Legislative Politics
- Pols 343 Public Administration
- Pols 344 Media and Politics
- Pols 348 The Presidency
- Pols 350 Group and Minority Politics
- Pols 498 Internship (campaign related) (additional 3 crs)

All of these courses are regularly offered in the department. Students seeking a certificate in Campaign Consulting must meet with the department chair and will be assigned a certificate adviser within the Department of Political Science.

The Certificate in International Affairs (Code 420-602) is designed for those students interested in global awareness, cultural and political diversity, and economic globalization. A certificate in International Affairs will indicate that a student has undergraduate level awareness of global concepts, basic issues, terminology, structures, and perspectives. The certificate in International Affairs provides knowledge and skills that will help prepare students for employment in a global political economy as well as familiarize them with specializations, concepts, jargon, and methods for graduate concentrations in various aspects of world politics.

Currently enrolled degree-seeking students are eligible to complete a certificate in International Affairs. Students in the comprehensive political science major with a World Politics emphasis are NOT eligible for this certificate. Note: Students cannot pursue the Political Science Major and International Affairs Certificate to meet graduation requirements for completing a first and second degree program.

Students are required to earn a total of 18 credits toward the certificate. Required courses (12 crs) include:
- Pols 110 American National Politics
- Pols 341 Political Parties, Elections, and Voting
- Pols 342 Public Opinion and Political Behavior
- Pols 498 Internship (campaign related) (3 crs)

The remaining six credits are to be selected from:
- Pols/LAS 319 Politics of Latin America
- Pols/LAS 320 Caribbean Politics
- Pols 321 Politics of the Middle East
- Pols 322 Politics of Russia
- Pols 323 Politics of Eastern Europe
- Pols 324 Politics of Asia
- Pols 327 Politics of Continental Europe
- Pols 330 U.S. Foreign Policy
- Pols 332 International Conflict
- Pols 336 Arab-Israeli Conflict
- Pols 390 Culture and Politics

Students are strongly encouraged to take only one course from a geographic or cultural region. All of these courses are regularly offered in the department.

Students seeking a certificate in International Affairs must meet with the department chair and will be assigned an adviser within the Department of Political Science.

The Certificate in Legal Studies (Code 420-603) is designed for those students interested in law school or paralegal work who have a strong interest in providing evidence of coursework in law. Students will be given the opportunity to concentrate coursework in legal studies, develop skill in preparing legal briefs, and develop skill in participating in Socratic dialogue as practiced in law schools and other arenas that teach law. The certificate in Legal Studies provides a liberal arts approach to the study of law and is not intended to provide the kind of clerical training associated with some paralegal training.

Currently enrolled degree-seeking students are eligible to complete a certificate in Legal Studies. Students in the comprehensive political science major with a Legal Studies emphasis are NOT eligible for this certificate. Note: Students cannot pursue the Political Science Major and Legal Studies Certificate to meet graduation requirements for completing a first and second degree program.

Students are required to earn a total of 18 credits toward the certificate. Required courses (12 crs) include:
- Pols 110 American National Politics
- Pols 338 Judicial Politics
- Pols 403 Powers of Government
- Pols 404 Civil Liberties and Equal Protection

The remaining six credits are to be selected from:
- Pols 305 U.S. Constitutional Principles (take before Pols 403, 404)
- Pols 331 International Organization and Law
- Pols 339 Legislative Politics
- Pols 405 Due Process and Criminal Law
- Pols 498 Internship (provided it is with a law firm or local government office)

Junior standing and Pols 110, American National Politics, are prerequisites for 400 level classes. All of these courses are regularly offered in the department.

Students seeking a certificate in Legal Studies must meet with the department chair and will be assigned a pre-law adviser within the Department of Political Science.

POLICY STUDY PROGRAMS  

POLITICAL SCIENCE  
POLS 102 Introduction to Politics  
3 crs. • F, Sp • GE-IIID  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

A general introduction to basic concepts and approaches to the study of politics and contemporary political issues and problems.
POLITICAL SCIENCE

POLS 110 American National Politics
3 crs. • F, Sp • GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis of major components of American national politics. Includes examination of the individual's ability to affect politics, and the impact of politics on individual lives.

POLS 121 The Politics of Global Cultural Relations
3 crs. • F, FC; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introductory course on the impact of clashing cultural orientations and competing belief systems on international affairs. Examines how cultural forces transform power and social interaction, and influence and shape world politics.

POLS 122 Introduction to World Politics
3 crs. • F, Sp • GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introductory course for the study of world politics. Focus includes states, international organizations (private and public), and other global interaction influencing and shaping world politics.

POLS/AIS 250 American Indian Politics
3 crs. • V • CD3; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both POLS 250 and AIS 250.
The course will examine the recent trends in American Indian politics beginning with the American Indian Movement through the present. The course will include topics on tribal sovereignty, legalized gambling, and tribal government.

POLS 260 Introduction to Comparative Politics
3 crs. • F, FC; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A comparative analysis of political systems of Great Britain, France, Germany, Russia, Japan, China, India, Iran, Brazil, and Nigeria.

POLS 265 Problems of the Developing Nations
3 crs. • F, Sp • FC, GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A critical examination of developmental concepts, socioeconomic and political problems of the Third World; elite groups, political ideologies, cohesive and divisive forces influencing development.

POLS 290 Introduction to Political Analysis
3 crs. • F, FC; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines the nature and design of scientific research; raises philosophical and methodological issues regarding the logic, theory, and empirical analysis of political research; explores reasoning, causality, and data analysis in scientific research.

POLS 291 Special Topics - Political Problems
1-3 crs. • V
Selected political problems and issues affecting our political system. Examples: racism, poverty, radicalism, pluralism. Completion of a semester's work in fewer weeks is possible with extra classes per week.

POLS 301/501 State and Local Politics
3 crs. • F, Sp • GE-IIID; P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A critical examination of federalism, localism, intergovernmental finance, intergovernmental relations, state and local institutions, and state and local elections.

POLS 305 Survey of U.S. Constitutional Principles
3 crs. • F, Sp • GE-IIID; P: No credit if taken after POLS 403 or 404.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis of the powers of governments in the U.S. and the rights of individuals.

POLS 309/509 Classical Political Thought
3 crs. • F, GE-IIID; P: Minimum sophomore standing
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of major political thinkers from the ancient and medieval periods, with emphasis on Plato and Aristotle.

POLS 310 Modern Political Thought
3 crs. • F, GE-IIID; P: Minimum sophomore standing
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of major political thinkers from the Renaissance to the French Revolution.

POLS 311 Contemporary Political Thought
3 crs. • F, GE-IIID; P: Minimum sophomore standing
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of major political thinkers from the French Revolution to the present day, with emphasis on the philosophical roots of twentieth century ideologies.

POLS 312 American Political Thought
3 crs. • F, Sp; CD1; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The intellectual roots of American Politics, with emphasis on the Revolutionaries, particularly Jefferson; The Federalist; Tocqueville's Democracy in America; and Lincoln.

POLS 314/514 The Idea of Tolerance in the Western Political Tradition
3 crs. • V • GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Historical and philosophical consideration of the development of the idea of tolerance in the western political tradition, with emphasis on major philosophical defenders and critics of the idea of an open, tolerant society, and on the American experiment in political, religious, and cultural tolerance.

POLS/LAS 319 Politics of Latin America
3 crs. • Sp • FC; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examination of major institutions, groups, and selected topics related to Latin American politics.

POLS/LAS 320 Caribbean Politics
3 crs. • F, Sp • FC; GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The dynamics of Anglo-phone and Hispanic Caribbean politics from Colonial rule to the present. Major topics include: colonialism; patterns of decolonization; post-colonial state power; the status of women; and recent trends in structures of dependency and popular resistance.

POLS 321/521 Politics of the Middle East
3 crs. • F, FC; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduces students to social, economic, political, and cultural aspects of life in the Middle East by focusing on specific topics such as Religion and Politics, Nationalism, Peace and Conflict, Western Influence.

POLS 322/522 Politics of Russia
3 crs. • F even years • FC, GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the transitions taking place in Russia covering subjects such as the Soviet past, nationalism, leadership, political institutions, and relations with the other former Soviet republics.

POLS 323/523 Politics of Eastern Europe
3 crs. • V • FC; GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examination of political, economic, and cultural transitions in Eastern Europe. Topics covered include political-historical context, democratic institution building, market economic development, political cultural orientation, international organizations, and ethnonational conflict and conflict resolution.

POLS 324/524 Politics of Asia
3 crs. • F odd years • FC; GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course addresses the institutional, historical, economic, international, and cultural dimensions of Asian politics. The political systems examined from a comparative perspective are China, Japan, India, and Malaysia with democratic development as the organizing theme.

POLS 325/525 Model United Nations
3 crs. • F • GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the institutional foundation and the contemporary role of the United Nations as a global intergovernmental organization in pursuit of a peaceful resolution to global conflicts and the promotion of cooperation among global actors.

POLS 326 Politics of Southeast Asia
3 crs. • Sp • FC; GE-IIID
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course offers a comparative examination of Southeast Asian countries, including the Hmong diaspora, Indonesia, Thailand, Philippines, and Vietnam, on thematic issues.

POLS 327 Politics of Continental Europe
3 crs. • Sp • FC; GE-IIID • P: POLS 102 or 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examinations of European parliamentary systems, their societies and cultures, the European Union, and the development of European identity.
POLS 328 Islam and Politics
3 crs. • Sp • FC, GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This course examines the multi-faceted nature of the relationship between Islam and politics in the contemporary world.

POLS 329 Political Violence
3 crs. • Sp • FC, GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This course offers a comparative study of political violence in the contemporary world, reviewing a variety of theoretical and empirical approaches to violence.

POLS 330/530 U.S. Foreign Policy
3 crs. • Sp • GE-IIID • P: POLS 122 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A study of the principal theoretical approaches to the conduct of U.S. foreign policy and the major foreign policy issues facing the United States.

POLS 331 International Organization and Law
3 crs. • Sp • GE-IIID • P: POLS 122 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
An analysis of the historical and current patterns and theoretical concepts and theories relevant to the organization of global affairs.

POLS 332/532 International Conflict
3 crs. • Sp • GE-IIID • P: POLS 122 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Examines the main theories and concepts used to understand and explain international and civil conflict. The course will also provide an analysis of the principle techniques and practices of conflict resolution.

POLS 334/534 International Political Economy
3 crs. • Sp • GE-IIID • P: POLS 122 or ECON 103 or ECON 104 or ECON 201 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
International political economy is the simultaneous study of power and wealth at the international level, or it is the study of political foundations of international economic interactions and vice versa.

POLS 335 International Relations Theory
3 crs. • F • GE-IIID • P: POLS 122 or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Explores various theoretical approaches on world political order: Realism; Liberalism; Socialism; Critical Theory; Postmodern, Feminist; and Ecological perspectives. Within each framework, key concepts such as the state, power, globalization, regimes, etc., are explored.

POLS 336/536 Arab-Israeli Conflict
3 crs. • V • FC, GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This course examines the political, socioeconomic, cultural, and historical roots of the conflict between Arab States/Palestinian Arabs and the state of Israel. Both regional and international aspects of the conflict are fully discussed.

POLS 338 Judicial Politics
3 crs. • F • Sp • GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A study of the judicial system and judicial policy-making, emphasizing the U.S. Supreme Court and lower federal judiciary.

POLS 339 Legislative Politics
3 crs. • F • GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Examines representation and lawmaking in the U.S. Congress and state legislatures. Topics include the role of constituents, interest groups, money, campaigns and elections, committees, parties, leadership, the legislative process, and legislative reform.

POLS 341 Political Parties, Elections, and Voting
3 crs. • F even years • GE-IIID; SL-Optional • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Emphasizes electoral politics in America, including the organization and functions of American political parties, the dynamics of campaigns and elections, and voting behavior in the U.S.

POLS 342 Public Opinion and Political Behavior
3 crs. • Sp odd years • CDI; GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Development, nature and impact of political attitudes and opinions; white and minority opinion compared; political role of the mass media; personality and opinions; political participation; behavioral techniques of analysis; all in an American politics context.

POLS 343 Public Administration
3 crs. • Sp odd years • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Analyzes organizational structure and administrative behavior in governmental agencies. Topics include leadership, control, decision-making, recruitment, communication, adaptation, and others.

POLS 344/544 Media and Politics
3 crs. • Sp even years • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The course examines the symbiotic relationship between the media and political actors. The course will look at how the media influences the political agenda, how politicians manipulate the media, and the impact of political advertising.

POLS 345/545 Film and Politics
3 crs. • V • GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
An examination of how film delivers both implicit and explicit political themes and messages, with a focus on the areas of plot, characterization, symbolism, and cinematic techniques.

POLS 346 Public Policy in the United States
3 crs. • F • GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Emphasizes policy analysis, the policymaking process, and the content of American domestic policy; includes coverage of a wide range of policy areas such as economics, environment, energy, business, labor, poverty, welfare, health, education, and agriculture.

POLS 348 The Presidency
3 crs. • Sp even years • GE-IIID • P: One course in POLS or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The nature and extent of presidential power; the President's roles, functions and relations to various institutions, including the media, the bureaucracy, Congress, the courts, the public, interest groups, and elections.

POLS 350 Group and Minority Politics
3 crs. • Sp • CD3; GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Examines the role, status, and experiences of minority groups within the American political system. Emphasis placed on an interest group perspective.

POLS/WMNS 351/551 Women and Politics
3 crs. • Sp • GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both POLS 351 and WMNS 351.
Analysis of women's roles and participation in politics: as citizens, voters, candidates, and officeholders. The impact of feminism and the women's movement on issues and policymaking.

POLS/WMNS 352 Gender and Politics in Global Perspective
3 crs. • F • FC, GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Credit may not be earned in both POLS 352 and WMNS 352.
This course surveys important topics in the study of gender and politics in global perspective.

POLS 353 Afro-American Politics
3 crs. • Sp • CD3; GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The dynamics of Black American politics from the mid-twentieth century to the present. Using a cultural studies and political economy approach, the course examines the social, economic, cultural, and political determinants of Afro-American politics after 1945.

POLS 357 The Psychology of Public Opinion
3 crs. • V • GE-IIID; BPS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies degree
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This course will look at ways in which individuals and groups form opinions on issues of relevance to themselves and their communities as well as examining the ways in which opinion can be measured and misrepresented.

POLS 390 Culture and Politics
3 crs. • Sp • FC; GE-IIID
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Explores cultural and societal context of contemporary politics through various literary media and selected political studies. A cross-cultural approach examines national character, class, race, ethnic and religious differences, socialization, and cultural conflict.
PSYCHOLOGY

POLS 395/595 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
Study of a political problem or topic.

POLS 397 Student Academic Apprenticeship in Political Science
1-6 crs. • F, Sp • SL-Full • May be repeated for a maximum of 6 credits • P: Grade of B+ or above in the assigned course. Minimum total GPA of 3.30. • Department Consent Required
• Cannot apprentice in the same course twice.
Qualified students work under close supervision of faculty exploring methods to teach political science and assisting in the teaching of a course or courses. Students enhance their understanding of the discipline and their communication skills.

POLS 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing. • Department Consent Required

POLS 403/603 U.S. Constitutional Principles - Powers of Government
3 crs. • F, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American constitutional principles as interpreted by the Supreme Court; the constitutional structure of the U.S. government. Emphasizes powers of Congress, President, Judiciary; principles of federalism and separation of power. Focus on study of Supreme Court cases.

POLS 404/604 U.S. Constitutional Principles - Civil Liberties
3 crs. • F, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American constitutional principles concerning the relations between individual and government. Emphasizes freedom of speech, press, religion; separation of church and state; and equality. Focus on study of Supreme Court cases.

POLS 405/605 U.S. Constitutional Principles - Due Process and Criminal Law
3 crs. • F, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American constitutional principles concerning the criminal process and criminal law. Emphasizes the rights found in the Fourth, Fifth, Sixth, and Eighth Amendments and theories of due process and incorporation from the Fourteenth Amendment.

POLS 406 U.S. Constitutional Principles - Equality and Privacy
3 crs. • F or S, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the U.S. Constitution’s 14th and 15th Amendments as explicated by the U.S. Supreme Court in cases concerning issues of racial and gender equality and sexual privacy.

POLS 480 Political Science Capstone
3 crs. • F, Sp • GE-IIID • P: POLS 290. Limited to political science majors. Minimum senior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Student must have successfully completed at least one course in each of the four areas of the discipline.
Graduating seniors apply their acquired knowledge and skills to selected topics for research. Students work under the direction of an assigned faculty to produce a major research paper and oral presentation to the class.

POLS 491/691 Special Topics - Advanced Political Problems
1-3 crs. • V • May be repeated
Selected political problems and issues affecting our political system. Examples: racism, poverty, radicalism, pluralism. Completion of a semester’s work in fewer weeks is possible with extra classes per week.

POLS 496 Honors Independent Reading
2-3 crs. • F, Sp • May be repeated for a maximum of 8 credits • P: 3.50 GPA in political science courses or consent of instructor.
Independent reading and research in selected areas of political science.

POLS 498 Internship
1-6 crs. • F, Sp, Su • SL-Full; IN • May be repeated for a maximum of 6 credits • P: POLS 110 or consent of instructor. Limited to political science majors and minors and criminal justice majors. • Department Consent Required
Assignment to a political or administrative situation for practical experience. The work experience will be related to the fundamental theories of the discipline.

POLS 499 Independent Study - Seniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum senior standing. • Department Consent Required

POLITICAL SCIENCE

POLS 395/595 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
Study of a political problem or topic.

POLS 397 Student Academic Apprenticeship in Political Science
1-6 crs. • F, Sp • SL-Full • May be repeated for a maximum of 6 credits • P: Grade of B+ or above in the assigned course. Minimum total GPA of 3.30. • Department Consent Required
• Cannot apprentice in the same course twice.
Qualified students work under close supervision of faculty exploring methods to teach political science and assisting in the teaching of a course or courses. Students enhance their understanding of the discipline and their communication skills.

POLS 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing. • Department Consent Required

POLS 403/603 U.S. Constitutional Principles - Powers of Government
3 crs. • F, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American constitutional principles as interpreted by the Supreme Court; the constitutional structure of the U.S. government. Emphasizes powers of Congress, President, Judiciary; principles of federalism and separation of power. Focus on study of Supreme Court cases.

POLS 404/604 U.S. Constitutional Principles - Civil Liberties
3 crs. • F, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American constitutional principles concerning the relations between individual and government. Emphasizes freedom of speech, press, religion; separation of church and state; and equality. Focus on study of Supreme Court cases.

POLS 405/605 U.S. Constitutional Principles - Due Process and Criminal Law
3 crs. • F, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
American constitutional principles concerning the criminal process and criminal law. Emphasizes the rights found in the Fourth, Fifth, Sixth, and Eighth Amendments and theories of due process and incorporation from the Fourteenth Amendment.

POLS 406 U.S. Constitutional Principles - Equality and Privacy
3 crs. • F or S, Sp, Su • GE-IIID • P: POLS 110 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the U.S. Constitution’s 14th and 15th Amendments as explicated by the U.S. Supreme Court in cases concerning issues of racial and gender equality and sexual privacy.

POLS 480 Political Science Capstone
3 crs. • F, Sp • GE-IIID • P: POLS 290. Limited to political science majors. Minimum senior standing.

DOUGLAS MATTHEWS, CHAIR

MICHAEL AXELROD, TAMMY BIEDnar, LORI BICA, APRIL BLEsKE-RECHk, MELISSA COOLONG-CHAFFIN, MICKey CRoTHERS, JEFFREy GOODMAN, GORCE GUNGOR-MUNoz, JABROD HINES, DAVID JEWett, KEVIN KLATT, CARLA LAGORIO, MARY BETH LEHBIAM, DAVID LELAND, JENNIFER MueHLIKAmP, JENNIFER PARKer, BLaINE PEDEn, ANGELA PIRLOTT, MARY BETH TUSING, CATYA VON KAROYl.

Psychology is the scientific investigation of mental processes (thinking, remembering, feeling, etc.) and behavior. Psychology lies in the center of the academic pursuits of the university because of its strong connections with other scholarly areas. Psychology is not only an academic discipline, but also a profession. There are both academic psychologists, who engage in teaching and research, and practicing psychologists, who apply psychological knowledge in clinics, businesses, and other settings.

Learning goals of the major and minor include:

Knowledge, Skills and Values Consistent with the Science and Application of Psychology

1. Knowledge Base of Psychology
2. Research Methods in Psychology
3. Critical Thinking Skills in Psychology
4. Application of Psychology
5. Values in Psychology

Knowledge, Skills and Values Consistent with Liberal Arts Education that are Further Developed in Psychology

6. Information and Technological Literacy
7. Communication Skills
8. Sociocultural and International Awareness
9. Personal Development
10. Career Planning and Development

Credit for Psyc 100, 230, and 260 can be awarded through CLEP examinations. Credit for Psyc 100 and 265 can be awarded through AP examinations.

MAJOR: PSYCHOLOGY, Liberal Arts
(Code 440-201)
The psychology major develops knowledge, skills, and values consistent with a liberal arts education. Recommended for students who are interested in pursuing advanced degrees in psychology or other related disciplines. Students who complete the major are also well prepared to pursue a variety of careers immediately following graduation.

Thirty-six semester credits, including:

Psyc 100 Introduction to Psychology
Psyc 265 Statistical Methods in Psychology I
Psyc 271 Methods of Research in Psychology
Psyc 400 History and Systems of Psychology, or
Psyc 401 Big Issues in Psychology

At least one course in each of four core domains; at least two core domains must include an upper-division course for this requirement:

Biological

Psyc 372 Individual Differences and Behavior Genetics, or
Psyc 373 Evolutionary Psychology, or
Psyc 374 Cognitive Neuroscience, or
Psyc 375 Physiological Psychology, or
Psyc 376 Psychology of Perception, or
Psyc 377 Psychopharmacology
Developmental
Psyc 230 Human Development, or
331 Child Psychology, or
332 Psychology of Adolescence, or
333 Psychology of Adulthood and Aging, or
435 Theories and Research in Developmental Psychology

Learning and Cognition
Psyc 260 Educational Psychology, or
281 Introduction to Behavior Analysis and Therapy, or
302 Principles of Learning, or
379 Cognitive Psychology, or
380 Introduction to Behavior Modification, or
390 Advanced Applied Behavior Analysis, or
412 Experimental Analysis of Behavior

Sociocultural
Psyc 245 Social Psychology, or
251 Abnormal Psychology, or
334 Psychology of the Exceptional Child, or
Psyc/Wmns 336 Psychology of Women

Remaining credits to total 24 selected from any Psychology courses.

NOTE 1: At least 6 credits from 300- and 400-level courses are required for the minor.
NOTE 2: A maximum of 3 credits from Psyc 395, 396, 397, 399, and 499 may count toward the minor.
NOTE 3: No credit may be earned under the Satisfactory/Unsatisfactory option for any of the requirements listed above.

MAJOR: PSYCHOLOGY, Behavior Analysis, Liberal Arts (Code 440-202)
Recommended for students who are interested in becoming a behavioral services provider for individuals afflicted with autism, developmental disabilities, head injuries, and substance-abuse disorders. Students who complete the major are eligible to take a national certification examination to acquire the credential Associate Behavior Analyst. This major also provides essential preparation for students who are interested in attending graduate school for more advanced training and a higher level of certification. Thirty-six semester credits, including:

Psyc 100 Introduction to Psychology
101 Psychology as a Discipline and a Profession
265 Statistical Methods in Psychology I
271 Methods of Research in Psychology
281 Introduction to Behavior Analysis and Therapy
390 Advanced Applied Behavior Analysis
400 History and Systems of Psychology, or
401 Big Issues in Psychology
412 Experimental Analysis of Behavior
480 Internship in Applied Behavior Analysis I
481 Internship in Applied Behavior Analysis II (3 credits)

Remaining credits to total 36 selected from any Psychology courses.

NOTE: No credit may be earned toward completion of the major under the Satisfactory/Unsatisfactory option.

MINOR: PSYCHOLOGY, Liberal Arts (Code 440-401)
Twenty-four semester credits, including:
Psyc 100 Introduction to Psychology
265 Statistical Methods in Psychology I
271 Methods of Research in Psychology

Remaining credits to total 24 selected from any Psychology courses.

NOTE 1: At least 6 credits from 300- and 400-level courses are required for the minor.
NOTE 2: A maximum of 3 credits from Psyc 395, 396, 397, 399, and 499 may count toward the minor.
NOTE 3: No credit may be earned under the Satisfactory/Unsatisfactory option for any of the requirements listed above.

PSYC

PSYC 100 Introduction to Psychology
3 crs. • F, Sp • GE-IIIE
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Human behavior, learning, thinking, motivation, perception, emotion, behavior disorders, personality, psychological tests, social behavior, and selected applications of psychology.

PSYC 101 Psychology as a Discipline and a Profession
1 cr. • F, Sp • P: Limited to psychology majors and minors.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
• Concurrent enrollment with PSYC 100 is recommended.
A laboratory course introducing students to bibliographic, reasoning, writing, and research skills in psychology. Discussion of specialties and careers in psychology. Students begin to develop their educational programs and portfolios.

PSYC 230 Human Development
3 crs. • F, Sp • GE-IIIE • P: PSYC 100, 260 or 261.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Broad overview of theories and research on cognitive, social/emotional, and physical development from conception to death; environmental factors, such as family, school, peers, work, and cultural context; and biological factors that shape development.

PSYC 245 Social Psychology
3 crs. • F • GE-IIIE • P: PSYC 100
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Exploration of psychological disorders with primary emphasis on their symptoms and the biological, psychological and socio-cultural factors that contribute to their development. Brief discussion of treatments for selected disorders.

PSYC 260 Educational Psychology
3 crs. • F • GE-IIIE • P: No credit if taken after or concurrently with PSYC 251 and PSYC 350 or 351.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The study of social and cultural influence. How others affect our thoughts, feelings, and actions. Core topics: social and self-perception, interpersonal attraction, helping behavior, attitudes, prejudice, persuasion, aggression, and group behavior.

PSYC 261 Psychological Development and Classroom Processes
4 crs. • F • GE-IIIE • P: Completion of University Writing Requirement. No credit if taken after or concurrently with PSYC 231 or 260. Minimum sophomore standing.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Educational implications and applications of psychological research and theories of development, learning, and teaching of school-age children.

PSYC 265 Statistical Methods in Psychology I
3 crs. • F • P: Limited to psychology majors/minors. PSYC 100 or concurrent enrollment. C or above in MATH 104, MATH 106, MATH 107, MATH 108, MATH 109, MATH 111, MATH 112, or MATH 246, or suitable math placement test score.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1

PSYC 271 Methods of Research in Psychology
4 crs. • F, Sp • P: PSYC 101 or concurrent enrollment, and PSYC 265.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Experimental, correlational, longitudinal and cross-sectional, naturalistic/observational, quasi-experimental, qualitative, and case study/clinical methods of research in psychology. Analysis of published research. Data collection, analysis, and presentation of research reports in APA style.

PSYC 281 Introduction to Behavior Analysis and Therapy
3 crs. • F, Sp • GE-IIIE • P: PSYC 100. No credit if taken after PSYC 302 or PSYC 380.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Students acquire introductory skills in analyzing, understanding, and solving human and animal behavior problems. Methods for teaching, increasing, and decreasing behaviors are summarized.
PSYCHOLOGY

PSYC 302 Principles of Learning
3 crs. • F • Sp • P: PSYC 271 for psychology majors and minors; PSYC 100 or 260 for non-psychology majors and minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
An introduction to the methods and findings within the study of classical (respondent) and instrumental (operator) conditioning, including appetitive and aversive conditioning, stimulus and cognitive control of behavior and remembering.

PSYC 325/525 Theories of Counseling
3 crs. • F • Sp • P: PSYC 100 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Established and developing perspectives on counseling theory and practice. Trait-factor, Psychoanalytic, Adlerian, Existential, Person-centered, Gestalt, Transactional Analysis, Behavioral, Rational-Emotive, Reality and Psychophysical approaches are presented and considered in depth.

PSYC 331 Child Psychology
3 crs. • F • Sp • GE-HIE • P: PSYC 100 or PSYC 260 or PSYC 261.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The developing child from conception to puberty. Emphasizes biological influences on development, intelligence and thought, language, personality, social development.

PSYC 332 Psychology of Adolescence
3 crs. • F • Sp • GE-HIE • P: PSYC 100 or PSYC 260 or PSYC 261.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Biological, cognitive, and social transitions of adolescence and contexts (families, peer groups, schools, and work/leisure) in which these are experienced. Psychosocial developments of adolescence, including identity, autonomy, intimacy, sexuality, and achievement, are discussed in depth.

PSYC 333/533 Psychology of Adulthood and Aging
3 crs. • F • Sp • GE-HIE • P: PSYC 100 or PSYC 260 or PSYC 261.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Intellectual, personality and social development from young adulthood through old age. Influence of biological factors and social context on psychological processes. Discussion of adult role demands: work, marriage, family, retirement, etc.

PSYC 334/534 Psychology of the Exceptional Child
3 crs. • F • Sp • P: PSYC 100.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A study of the psychological, sociological, historical, and educational factors influencing the development and adjustment of children with significant emotional, behavioral, social, or cognitive differences from the general population.

PSYC/WMSN 336/536 Psychology of Women
3 crs. • F • Sp • CDI, GE-HIE • P: PSYC 100. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both PSYC 336 and WMSN 336.
Advanced undergraduate/graduate seminar designed to examine how both traditional and feminist psychological theories and research apply to women’s lives. Topics include sexuality, violence, gender roles, work, relationships, body image, reproduction, motherhood, and sexual orientation.

PSYC 340/540 Personality Psychology
3 crs. • V • P: PSYC 271 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An overview of various perspectives on the structure and development of personality, including biological, trait, psychoanalytic, phenomenological, and social-learning. Theory and major lines of research are discussed within each perspective.

PSYC 346/546 Positive Psychology
3 crs. • F • Sp • P: PSYC 271 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The study of positive aspects of well-being, health, and strength rather than negative aspects of disease, distress, and weakness. Individual qualities, activities/experiences, and institutions/communities that contribute to happiness and satisfaction.

PSYC 349/549 Psychology of Stigma, Prejudice and Intergroup Relations
3 crs. • F • Sp • P: PSYC 271 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Individual, interpersonal and intergroup aspects of prejudice, discrimination and stigma. Research based strategies for identifying and reducing bias.

PSYC 353 Health Psychology
3 crs. • Sp • SL-Half • P: PSYC 271 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Health factors, research issues, and applications from the biopsychosocial perspective. Examines role of history, theory, science in contemporary health care practices. Research based focus upon mind/body stress link, treatment application, roles of health psychologists.

PSYC 354 Clinical Psychology
3 crs. • Sp • P: PSYC 251 and PSYC 271, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the profession of clinical psychology including the history and current state of the field, clinical assessment, diagnosis, psychotherapy, multicultural and ethical issues, and research. Specializations of health, forensic, and clinical-child psychology are reviewed.

PSYC 357/575 Ethics in Psychology
3 crs. • Sp • P: PSYC 271 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students will learn about ethical dilemmas of helping professionals and social scientists and how to apply ethical principles and standards when making ethical decisions in practice, research, and educational settings.

PSYC 360/560 Foundations of Psychological Measurement
3 crs. • V • P: PSYC 100.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Basic concepts and principles of measurement, including reliability and validity of intelligence, special aptitudes, achievement, psychological traits and characteristics.

PSYC 366/566 Statistical Methods in Psychology II
3 crs. • F • P: PSYC 265.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Frequently used inferential statistical techniques for the analysis of data in psychology.

PSYC 372/572 Individual Differences and Behavior Genetics
3 crs. • V • P: PSYC 271 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit if taken after PSYC 491 with the same topic.
Course introduces students to the structure of various individual differences (abilities, personality, interests). Introduces behavioral, genetic research designs that unravel the causal structure of individual differences and reviews exemplary findings from this research.

PSYC 373/573 Evolutionary Psychology
3 crs. • F • Sp: P: IDIS 125 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit if taken after PSYC 491 with the same topic.
Fundamentals of evolutionary psychology, grounded in natural and sexual selection. Review research and theory on human mating, friendship, parental investment, infants’ knowledge of the physical world, aggression and warfare, status and dominance, emotion, rape, and jealousy.

PSYC 374/574 Cognitive Neuroscience
3 crs. • V • P: IDIS 125 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Explores mind and behavior from a brain-based, information-processing perspective. Examines how neuroimaging (e.g., EEG and functional MRI) and lesion studies reveal mechanisms underlying perception, attention, movement, language, memory, decision-making, emotion, motivation, and social cognition.

PSYC 375/575 Behavioral and Clinical Neuroscience
3 crs. • V • P: IDIS 125 or consent of the instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Applications of neuroscience to understanding typical and atypical behaviors. In-depth discussion of neurological, psychological, and other disorders.

PSYC 376/576 Psychology of Perception
3 crs. • F • P: PSYC 271 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Basic perceptual phenomena in the visual, auditory, olfactory, gustatory, tactile and proprioceptive senses, and related research methodology and physiology.

PSYC 377/577 Psychopharmacology
3 crs. • F • Sp • P: PSYC 271 for psychology majors and minors; PSYC 100 for non-psychology majors and minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines drug and behavior relations from biological (e.g., pharmacological and physiological effects of drugs), behavioral, social, and historical perspectives. Topics include drug classification and scheduling, therapeutic effects of drugs, substance abuse prevention and treatment programs.
PSYC 379/579 Cognitive Psychology
3 crs. • F, Sp • P: PSYC 271 or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Human perception, attention, memory, knowledge, reasoning, and decision-making are examined. Major theories and research methods of the field are presented, and a critical understanding of both established and emerging elements of the discipline is promoted.

PSYC 380/580 Introduction to Behavior Modification
3 crs. • F, Sp • P: PSYC 271 or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Provides students thorough knowledge of the principles of behavior analysis as applied to human problems, the ethics of their use, and methods for evaluating their effectiveness.

PSYC 385 Practicum in Applied Behavior Analysis
3 crs. • V • SL-Full • P: PSYC 380 • Instructor Consent Required Lecture/Discussion Hours: 3 | Lab/Studio Hours: 8
The practicum is designed to provide an opportunity to apply the principles and methods of behavior analysis in various human service settings under close field supervision.

PSYC 390/590 Advanced Applied Behavior Analysis
3 crs. • F, Sp • A-F Grades Only • P: PSYC 271 and PSYC 281, with a grade of B or above in PSYC 281, or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students will learn skills needed to plan, implement, and evaluate behavioral interventions in a variety of human services settings. Content will focus on functional assessment, ethics, and primary research in applied behavior analysis.

PSYC 395 Directed Studies
1-3 crs. • May be repeated • Department Consent Required
Students, with assistance of instructors, define a topic to study or develop a field placement in a setting related to psychology. Selected readings, weekly meetings with the instructor, and other assignments may also be required.

PSYC 396 Research Apprentice in Psychology
1-3 crs. • May be repeated • P: PSYC 100 • Department Consent Required
Qualified students, recruited and supervised by an instructor, engage in original research in collaboration with the instructor. Research methods and current status of psychological knowledge are applied to create new knowledge.

PSYC 397 Student Academic Apprenticeship in Psychology
1-3 crs. • May be repeated • Department Consent Required
Completion of the course (or equivalent) in which assisting with a minimum grade of B; at least nine semester credits and a 3.00 GPA in psychology. Qualified students, selected and supervised by faculty members, facilitate teaching and learning in a specific course or courses. Apprentices enhance their knowledge of psychology and their ability to communicate that knowledge.

PSYC 399 Independent Study - Juniors
1-3 crs. • May be repeated • P: Minimum junior standing. • Department Consent Required
Student proposes an independent study project to an instructor. Projects may include library research, original empirical research, or placement in a setting related to psychology. Student works independently, with instructor providing oversight and limited guidance and assistance.

PSYC 400 History and Systems of Psychology
3 crs. • F, Sp • CP • P: PSYC 100 or consent of instructor. Minimum senior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course traces the philosophical and scientific foundations of modern psychology, then delineates the strands of thought that define the field. Great persons in historical contexts are studied to understand psychology as it exists today.

PSYC 401 Big Issues in Psychology
3 crs. • V • CP • P: PSYC 100 or consent of instructor. Minimum senior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
In this course students read and discuss primary literature—old and new—that revolves around enduring issues in psychological science.

PSYC 412/612 Experimental Analysis of Behavior
3 crs. • F, Sp • P: Grade of B or above in PSYC 390.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Methods, assumptions, basic principles, and recent developments in the psychology of learning primarily from a behavioral perspective. Survey of laboratory research with humans and animals providing a theoretical framework for describing these behavior-change concepts.
Sociology

PAMELA FORMAN, CHAIR

MELISSA BONSTEAD-BRUNS, MARGARET L. CASSIDY, VICKY CRANE, JEFF S. ERGER,
PETER HART-BRUNSON, JEREMY HEIN, MELISSA KONG, JANUN JR, TARIQUE NAZAR,
KATHLEEN NYBROTEN.

Sociology searches in disciplined ways for answers to questions about human social behavior; questions regarding human identity, social interaction, human relations, and group dynamics. It studies the behavior and interaction of social groups and institutions, traces their origin and growth, and analyzes the influence of group activities on both group members and larger social units.

MAJOR: SOCIOLOGY, Liberal Arts (Code 480-201)

Thirty-six semester credits, including:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Soc 101 Introduction to Sociology</td>
<td>3</td>
</tr>
<tr>
<td>Soc 328 Sociological Data Analysis</td>

<td>3</td>
</tr>
<tr>
<td>Soc 490 Sociology Capstone</td>
<td>3</td>
</tr>
<tr>
<td>Sociology electives</td>
<td>21</td>
</tr>
</tbody>
</table>

NOTE 1: Majors are strongly encouraged to enroll in Soc 330 no later than the first semester of their junior year.

NOTE 2: A maximum of nine credits earned in Soc 395, 399, 496, 497, 498, and/or 499 may count toward major.

NOTE 3: A sum total of nine credits in Soc 291 and Soc 491 courses may be counted toward the major.

NOTE 4: Sociology electives may include Crmj 103 and/or Crmj 302.

MINOR: SOCIOLOGY, Liberal Arts (Code 480-401)

Twenty-four semester credits, including:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Soc 101 Introduction to Sociology</td>
<td>3</td>
</tr>
<tr>

<tr>
<td>Soc 164, 312, 316, 351</td>
<td>9</td>
</tr>
</tbody>
</table>

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option B or C and leads to licensure to teach Sociology in Early Adolescence through Adolescence classrooms.

NOTE: A minimum of nine credits must be taken in courses numbered 300 or higher.

Satisfactory/Unsatisfactory Policy. No credit may be earned under the Satisfactory/Unsatisfactory option for any course counted toward a departmental major or minor.

Credit by Examination. Credit may be obtained by examination in Soc 101, Introduction to Sociology. A student may earn a maximum of six credits in Sociology through credit by examination.

DEPARTMENTAL HONORS PROGRAM

I. Goals and Objectives

A. To provide an enriched educational experience for subsequent graduate study, professional activities, or public life.

B. To allow concentrated and individualized study in selected areas of interest in the field of sociology.

C. To stimulate, encourage, and challenge students to gain a better understanding of sociological research and theory in addition to usual instruction.

D. To develop capabilities for independent thought and constructive criticism.

II. Entrance Requirements for Honors in Sociology

A. Eligibility: Upper-class majors with resident and total GPAs of 3.50 and a GPA of 3.50 in sociology courses.

B. Applications for the Honors Program should be made in writing to the department during the junior year.

III. Satisfactory Completion of Requirements for Graduation with Honors in Sociology

A. Minimum of 36 semester credit hours in the sociology department.

B. An Honors examination in two areas chosen by the student in consultation with an honors committee.

C. A three credit independent study.

D. An Honors Seminar.

E. An Honors research paper.

F. Resident and total GPAs of 3.50 and resident total GPAs of 3.50 in the major program at time of graduation.

SOC

SOC 101 Introduction to Sociology

3 crs. • F, Sp • GE-IIIF

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Introduces students to sociological perspectives of human social behavior, social structures, interaction, socialization, culture, institutions, and social change.

SOC 164 Family and Intimate Relationships

3 crs. • F, Sp • GE-IIIF

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both SOC 164 and WMNS 164.

An introduction to dating, cohabitation, family formation, and marriage.

Addresses the family as a social institution as well as changes in families.

Attention to current issues in relationships and families.

SOC/WMNS 202 Women and Men in Society: The Sociology of Gender

3 crs. • F • GE-IIIF

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both SOC 202 and WMNS 202.

An examination of women’s and men’s relationships and roles in the United States and in other societies; the development and consequences of gender identity and gender roles for individuals, relationships, and society.

SOC 242 Contemporary Social Problems

3 crs. • Sp • GE-IIIF

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Sociological perspectives are applied to the identification, analysis, explanations, and solutions to social problems of contemporary American society.

SOC 291 Special Topics—Issues in Sociology

3 crs. • V • May be repeated for a maximum of 6 credits

Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• A sum total of nine credits of SOC 291 and SOC 491 may be counted toward the major and six credits toward the minor. Topic must differ to repeat.

A close examination of a topic selected because of special interest on the part of students or faculty. Sample topics include: Sociology of Sport, Environmental Sociology, and Sociology of Youth.
SOC 310 Principles of Demography
3 crs. • Sp • GE-IIIF
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Size, composition, and spatial distribution of human populations; changes resulting from demographic and other social processes; consequences for human welfare; implications for population policies.

SOC 312 Race and Ethnicity in the U.S.
3 crs. • F: Sp • CD3; GE-IIIF • P: SOC 101
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Causes and consequences of prejudice, racism, and discrimination. Examination of minority status of African Americans, Native Americans, Hispanic Americans, and Asian Americans. Contrast to European ancestry groups.

SOC 314/514 Social Class and Inequality
3 crs. • Sp • CD1; GE-IIIF • P. SOC 101
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Examination of the extent, causes, impact, and theoretical explanations for social inequality with an emphasis on social class; includes examinations of power relations, social mobility, poverty, race, and gender.

SOC 316 Sociology of Family
3 crs. • Sp • GE-IIIF • P. SOC 101.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Credit may not be earned in both SOC 316 and WMNS 316. Examine research and theory on families in the U.S. Emphasis on variations in families, recent changes, and prospects for the future.

SOC 321 The Individual in Society
3 crs. • F • GE-IIIF • P. SOC 101.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Ethnomethodological, symbolic interactionist, and other microsociological approaches to the social psychological study of the individual in interaction and society. Topics covered include identity, reasoning, emotion, gender differences, and face-to-face interaction.

SOC 328 Sociological Data Analysis
3 crs. • F: P. Fulfillment of Arts & Sciences B.A. Mathematics Competency Requirement; SOC 101. Limited to sociology majors and minors, and criminal justice majors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
An introduction to widely used techniques of analyzing sociological data. Attention is given to statistical description, statistical inference, graphic presentation, and interpretation of results.

SOC 330 Sociological Theory
3 crs. • F: P. SOC 101. Limited to sociology majors and minors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Part I of the theory-methods sequence. Reviews sociological theory from classical through contemporary times. Examples of modern research are used to serve as a foundation for student work developing theoretically grounded research questions.

SOC 332 Sociological Research Methods
3 crs. • Sp • P. SOC 330. Limited to sociology majors and minors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Credit may be earned in both SOC 316 and WMNS 316. An introduction to qualitative research methods in sociology such as participant observation, unstructured interviews, postmodern and deconstructionist analysis, text analysis, participatory action research, feminist approaches, visual sociology, and conversation analysis.

SOC 351 Sociology of Deviance
3 crs. • Sp even years • GE-IIIF • P. SOC 101
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Sociological perspectives are used to enhance the understanding of deviance as human behavior in the social context. The causes and consequences of the various forms of deviance are examined. Social action programs to control, manage and prevent deviance are presented, analyzed, and evaluated.

SOC 360 Sociology of Culture
3 crs. • Sp odd years • P. SOC 101
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Analysis of the symbolic dimension of social life, focusing on the arts, music, media, language, religion, cognition, subcultures, and inequality.

SOC 364/564 Social Gerontology
3 crs. • V • GE-IIIF • P. SOC 101
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Focuses on the social aspects of aging. Examines research and theories in the field, social structural influences on the aging process, and the social experiences and relationships of older people.

SOC 366 Society in Contemporary China
3 crs. • F • FC • P. SOC 101
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This course provides an in-depth perspective on contemporary Chinese society including its governmental hierarchy, modernization drive, regionalism and social issues, as well as the social context in terms of history, culture, religion, and ecological and demographic constraints.

SOC 385 Social Foundations of Work and Occupations
3 crs. • F: GE-IIIF; BFS Flat Rate Tuition • A-F Grades Only • P: Limited to Organizational Leadership and Communication comprehensive major, Bachelor of Professional Studies degree. Credit may not be earned in both SOC 385 and SOC 405.
Seminar Hours: 3  |  Lab/Studio Hours: 0
Examines the nature of work and occupations; trends in employment, unemployment, and the impact of technology on work in the global economy; the experience of paid and unpaid work across gender, race, and class; and questions surrounding work/life balance.

SOC 395 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • P: Six credits in sociology. Minimum resident GPA of 2.50. • Department Consent Required
Directed study of a sociological problem approved by the supervising instructor and department chair.

SOC 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
An intensive study of a sociological topic resulting in a quality paper or report.

SOC 405 Sociology of Work and Occupations
3 crs. • F: A-F Grades Only • P. SOC 101. Credit may not be earned in both SOC 385 and SOC 405.
Seminar Hours: 3  |  Lab/Studio Hours: 0
The course will provide an in-depth look at the nature of work and occupations including the general history of work, the basic types of work and structure of occupations, current employment trends, issues of inequality and work, problems of work/life balance, and policy issues associated with work.

SOC 410 Sociology of Education
3 crs. • V • No Auditors • P. SOC 101
Seminar Hours: 3  |  Lab/Studio Hours: 0
Education as a social process and institution. Examines key theoretical and research contributions, social inequality, and public policy.

SOC 415 Social Movements
3 crs. • Sp • P. SOC 101. No credit if taken after SOC 491 with the same topic.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
The course examines past and contemporary efforts by people to bring about or resist social change. Topics include the origins of social movements, their members, resources, and tactics, and causes of success or failure.

SOC/WMNS 419 Sociology of Women
3 crs. • Sp • CD1 • P: SOC 101
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Credit may not be earned in both SOC 419 and WMNS 419. Sociological analysis of women's statuses and roles in American society, focusing on socialization experiences, family, work, and sexual roles. Attention is also focused on contemporary issues and the experiences of American women.

SOC 426 Sociology of Sexualities
3 crs. • F • P. SOC 101. Limited to sociology majors and minors or family studies minors.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Credit may not be earned in both SOC 426 and WMNS 426. Using a sociological framework this course critically examines how society influences sexual behaviors, beliefs, and identities. The relationship between sexuality and the social institutions of family, education, government, medicine, religion, and media is studied.
Watershed Institute for Collaborative Environmental Studies

HIBBARD HUMANITIES HALL 384
715-836-2628
www.uwec.edu/watershed

JAMES BOUTIER, PROGRAM DIRECTOR
CHRISTINE GABEL, KAREN MUMFORD, CRISPIN PIERCE, DAVID SOLL, LAURA SUPPES.

Students interested in gaining understanding and expertise in Environmental Studies, Environmental Public Health, or Sustainability are encouraged to enroll in the Environmental Public Health Comprehensive Major (Code 640-001) or one of two interdisciplinary minors: Environmental Science (Code 155-400) or Environment, Society, and Culture (Code 489-401). Environmentally themed comprehensive majors are also available in other departments, including Ecology and Environmental Biology Emphasis (Code 080-001), Environmental Geography (Code 140-007), and Geology Environmental Science Emphasis (Code 160-010). Students wishing for a broader understanding of Environmental Studies can also seek to develop a program of study in the Liberal Studies Comprehensive Major (Code 370-001). Students in these programs take advantage of Service Learning opportunities, engage with activities and organizations on campus and in the community, and participate in faculty/student collaborative research. Watershed Institute faculty and affiliates can help inform and arrange related opportunities for interested students.

Mission
We work collaboratively to build healthy, just, and sustainable human and ecological communities.

Values
We accomplish this mission through the application of the following principles in all we do:

- We collaborate across the campus and within the community, involving a broad range of interdisciplinary perspectives.
- Our efforts are centered on our students and their development.
- Both students and faculty are encouraged to be bold in how we teach and learn.
- We focus on imparting skills for life and career.
- Our program is distinctive—accomplishing our mission in innovative ways.
- We seek to be engaged in the world with our studies.
- At the same time, we are place centered, recognizing the value of learning from and positively influencing our surroundings.
- We remain ecologically aware at all times.
- And we are ethically intentional in all these efforts.

The Watershed Institute consists of the faculty members listed above and affiliate members found in other home departments, programs, and units (including Art & Design, Biology, Blugold Dining Services, Chemistry, Communication and Journalism, Economics, English, Environmental Adventure Center, Geography and Anthropology, Geology, Liberal Studies, Music and Theatre Arts, Philosophy and Religious Studies, Social Work, Sociology, and Women’s Studies).

COMPREHENSIVE MAJOR: Environmental Public Health (Code 640-001)
Advisers: C. Gabel, C. Pierce, L. Suppes.

The field of environmental public health is composed of individuals whose professional efforts are directed toward controlling environmental health hazards, and preserving and improving environmental factors...
for the achievement of optimum health, safety, comfort, and well-being. An appreciation for cultural values that impact human environmental health complements courses that provide students with the educational background necessary for employment in regulatory agencies and industries concerned with environmental quality and the public’s health. This comprehensive major includes both foundation classes in biology, chemistry, physics, and mathematics, and specialized courses in environmental and public health, such as food and water sanitation, industrial hygiene, and environmental toxicology.

**Mission**

The Environmental Public Health (ENPH) major provides undergraduate students with a comprehensive understanding of the science and its application to protect human environmental health. The degree prepares students for careers as Environmental Health Professionals and safety specialists, synthesizing a scientific background, technical skills, and professional ethics.

**Goals**

The ENPH major strives to prepare graduates with the knowledge, awareness, and skills to:

1. Understand the natural world through applied chemistry, biology, physics, and mathematics;
2. Identify short- and long-term hazards to human and environmental health through critical thinking;
3. Serve the public by addressing human health risks through research, communication and intervention;
4. Identify and address cross-cultural, economic, and technological barriers to serving public health interests; and
5. Demonstrate professional ethics, values, and responsibility in all areas of practice.

**Scholarships**

Several scholarships are available to students in the ENPH major. Additional information may be obtained from the faculty or by visiting the Financial Aid Website. Students are invited to participate in the Student National Environmental Health Association, the goal of which is to improve the health and well-being of people by focusing on environmental public health issues and to provide students an introduction to professional organizations.

**Bachelor of Science in Environmental Public Health (B.S.E.P.H.)**

The B.S.E.P.H. degree is accredited by the National Environmental Health Science and Protection Accreditation Council. The degree prepares the recipient to take the National Environmental Health Association exam for the Registered Environmental Health Specialist/Registered Sanitarian credential.

**Satisfactory/Unsatisfactory Policy**

The only credits that may be earned under the Satisfactory/Unsatisfactory option are for Independent Study. S/U credits may not total more than three.

**Internship**

Some type of internship or clinical experience is an integral part of Environmental Public Health. Between the junior and senior year, each student will be required to enroll in the summer practicum (ENPH 435) and pay fees to the University. The off-campus practicum will be a full-time work experience with a health-related agency or industry. Students anticipating enrollment in the practicum should notify the Environmental Public Health faculty no later than February 1, and enroll in ENPH 432 (Preparation for Practicum) the spring semester prior to their summer practicum (ENPH 435).

**MINOR: ENVIRONMENT, SOCIETY, AND CULTURE, Liberal Arts (Code 489-401)**

The Environment, Society, and Culture minor is designed to enable students to probe the human dimensions of environmental issues through a variety of courses across many disciplines. Built around a core science requirement, the program is rounded out with courses in ethics, philosophy/religion, economics—courses that look at social conflict and the policy that engenders and addresses conflict. This minor is open to all students; while perhaps best suited to students majoring in the humanities and social sciences, it is designed to be flexible so that students can tailor it to meet their particular needs and interests.

In this minor, students gain the ability to answer critical environmental challenges ranging from air quality, food production safety and distribution, loss of critical habitats, issues related to urban growth, climate change, water pollution, and the spread and prevalence of disease, while applying principles or environmental justice, civic engagement and strategic policy approaches. These solutions require students to integrate and apply concepts and tools of multiple disciplines from across the university and into the community.

Contemplation of the environment raises many questions, some of them clearly scientific in nature: “What chemical is polluting the river? What are that chemical’s toxicological properties, and how will they affect the ecosystem?” Some of the questions raised transcend the purely scientific perspective: “Who is dumping that chemical in the river? Why
did they make that choice—was profit involved? Mere carelessness?” Or “Do any societal needs drive demands for this chemical? Can those needs be met in alternative ways?” And “Who lives by the river, what socio-economic conditions brought them there and how are they affected by this chemical’s presence?” Or again—“What laws pertain to the river? To whom does the river ‘belong?’ ” Such questions, equally important and as intellectually challenging as the purely scientific inquiries, in fact provide a larger context for the science. To ask this full range of questions is to think ecologically—that is, with an awareness of the entire mechanism—about environmental issues.

This minor requires a minimum of 24 credits, of which at least 12 credits must be from courses numbered 300 and higher.

i) At least one gateway course: Biol 180, Chem 127, Geog 178, or Enph 110

ii) At least one course from the “Ethics and Spirituality” category: Rels 290, Phil 320, or Wmns 375

iii) At least two courses from the “Socioeconomic Perspectives” category: Econ 268; Enph 480; Geog 369, 445; Pols 346; Soc 310

iv) Natural Science Focus Area: A two-course sequence in a natural science chosen from the following options:
   • Biol 328* (Note: must take either Geog 178 or Biol 180 as the gateway course as a prerequisite to Biol 328.)
   • Chem 115* and 304** (NOTE: Chem 103 and 104 may be used in lieu of Chem 115 but only six credits may be counted toward the minor from these courses.)
   • Geol 115, and 301 or 308
   • Geog 104, and 304 or 340 or 361

v) Additional courses selected from those listed above or from the options below to reach a total of 24 credits.

Biol 329; Engl 415; Enph 441, 445, 450; Geog 270, 350, 365, 368, Geog/ AIS 322; Math 108; Soc 314

NOTE: Credits from other courses may be applied as electives, pending adviser and college approval, when they focus specifically on environmental topics. Examples of such courses include: Chem 100, Hnrs courses, Idis 151-155, Idis 351-355, Nrsq 255, and WRIT 114, 116, 118, 120. Also, various departments may offer special topics courses, directed studies courses, independent study courses, and/or internships that may also apply.

MINOR: ENVIRONMENTAL SCIENCE, Liberal Arts (Code 155-400)

Advisers: P. Ihinger (Geology), P. Kleintjes Neff (Biology), K. Mumford, G. Running (Geography and Anthropology), E. Weiher (Biology).

This multidisciplinary liberal arts minor is created primarily for Arts and Sciences students with interests in the environmental sciences and conservation of biological diversity. The minor emphasizes the study of environmental issues and techniques, ecology and conservation, and water and earth resources, and is designed to complement a 36-credit standard major, e.g., Biology Major, Liberal Arts or Political Science, Liberal Arts. Comprehensive major environmental science programs include the Geography and Anthropology Department Resource Management Comprehensive Major, the Geology Department Environmental Science Comprehensive Major, the Biology Department Ecology and Environmental Biology Comprehensive Major, and the Environmental Public Health Comprehensive Major.

The minor consists of a minimum of 24 credits from the list of courses in categories I-VI below with at least 11 credits at the 300 level and higher. Credits from other courses may also be applied as electives, pending adviser and college approval, when they focus specifically on environmental topics. This includes special topics, directed studies, and independent study courses, and/or internships. Applicable environmental courses offered through International Study Abroad or National Student Exchange may also be taken with consent of an adviser.

I. Biol 180 or Geog 178 Conservation of the Environment, 3 crs

II. One or more of the following life sciences (min. 3 crs)
   Biol 328 Conservation Biology, 4 crs
   Biol 330 Population Ecology, 4 crs
   Biol 338 Vegetation Ecology, 3 crs
   Biol 361 Biology of Microorganisms, 5 crs
   Biol 375 Limnology and Aquatic Ecology, 4 crs or
   Biol 376 Aquatic Ecology, 3-4 crs

III. Two or more of the following physical sciences (min. 6 crs)
   Chem 304 Environmental Chemistry, 3 crs
   Geog 304 Introduction to Geomorphology, 4 crs
   Geog 361 Environmental Hazards, 3 crs
   Geol 115 Environmental Geology, 4 crs or
   Geog 104 Physical Geography, 4 crs
   Geol 308 Water Resources, 3 crs
   Geol 315 Hydrogeology I, 4 crs
   Geol 336 Geochemistry, 3 crs

IV. One or more of the following health, humanities or social science courses (min. 3 crs)
   Econ 268 Environmental Economics, 3 crs
   Enph 110 Introduction to Environmental Health, 3 crs
   Enph 480 Environmental Law, 3 crs
   Geog 270 Land Use Issues and Problems, 3 crs
   Geog 375 Environmental Quality, 3 crs
   Geog 378 International Environmental Problems and Policy, 3 crs
   Phil 320 Environmental Ethics, 3 crs

V. Two or more of the following techniques courses (min. 5 crs)
   Biol 383 Statistical Analysis of Biological Data, 3 crs
   Enph 441 Water and Wastewater, 3 crs
   Geog 200 Computer Techniques in Geography, 3 crs
   Geog 328 Quantitative Methods in Geography, 3 crs
   Geog 335 Geographic Information Systems, 3 crs
   Geog 338 Remote Sensing of the Environment, 3 crs
   Geog 350 Soils and the Environment, 4 crs
   Geog 363 Watershed Analysis, 4 crs
   Geog 364 Fluvial Processes and Landforms, 4 crs

VI. A field capstone (minimum 1 cr)
   Biol 320 Studies in Tropical Environments, 3 crs
   Biol 329 Biological Field Experiences and Service Learning Capstone, 1-2 crs.
   Biol 490 Biological Field Studies, 1-3 crs
   Geog 368 Landscape Analysis: Physical, 1-3 crs
   Geog 401 Capstone Seminar, 3 crs
   Geol 303 Rocky Mountain Field Studies, 3 crs
   Geol 343 Geological Field Excursion, 1-2 crs
   Geol 470 Field Geology I, 3 crs

Environmental Public Health Courses

ENPH

ENPH 110 Introduction to Environmental Health
3 crs. • F, Sp • W; GE-IIF
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• A basic understanding and interest in science is recommended prior to enrollment in this course. Wellness for one credit.

Health-oriented problems in the environment with attention directed to air and water pollution, solid waste, housing, occupational health and safety, food sanitation, animal zoonoses, ecology of health and disease, radiological health, energy, and global environmental health.

ENPH 115 Global Environmental and Public Health
3 crs. • Sp • GE-IIIG
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Explores endemic and emerging health issues affecting global populations. Aims to familiarize students with adverse health outcomes associated with global socio-economic disparities.
ENPH 150 Disease Detectives: Epidemics and Data
3 crs. • Sp • GE-IIIC • P: MATH 20 or Placement in MATH 104 or above. No credit if taken after ENPH 450. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to disease outbreak investigation. Epidemiology as a scientific way of thinking using non-intensive mathematics including examples from current events.

ENPH 215 Public Health Programs
3 crs. • V • P: ENPH 110
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Voluntary and involuntary health programs on the local, state, federal, and world level. Emphasis given to environmental health programs and their incorporation into the total health system.

ENPH/NURS 225 Introduction to Public Health
3 crs. • V • W; CDJ1; GE-V • A-F Grades Only
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Wellness for one credit. Credit may not be earned in both ENPH 225 and NURS 225.
Examines population health and disease considering historical and current public health practice. Focus areas include cultural, political, environmental, and socio-economic influences that increase population vulnerability and risk. Effectiveness of public health interventions is analyzed.

ENPH 291 Special Topics
1-3 crs. • V • May be repeated for a maximum of 6 credits • Instructor Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
A variable content course consisting of topics of special interest to students and faculty that are not covered in other environmental health courses.

ENPH 322 Radiological Health
3 crs. • F • P: PHYS 201 and 212
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Provides an overview of the types of radiation, sources, measurement and control of ionizing and nonionizing radiation, medical uses, protection from exposure, and current topics such as food irradiation, and nuclear power and weapons.

ENPH 399 Independent Study
1-3 crs. • F; Sp, Su • May be repeated • S/U Only Grade Basis • P: Minimum junior standing • Department Consent Required
An opportunity for junior students to peruse an environmental topic of their choice. A detailed project report will be required.

ENPH 432 Preparation for Practicum
2 crs. • Sp • A-F Grades Only • P: Limited to environmental public health majors. Minimum junior standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
An interactive course covering expectations during practicum, presentations on various areas of environmental health practice, opportunities for shadowing, preparation of resumes, practice interviewing.

ENPH 435 Practicum in Environmental Public Health
2-4 crs. • Su • SL-Full • May be repeated for a maximum of 8 credits • P: ENPH 432. Minimum junior standing • Instructor Consent Required
Lecture/Discussion Hours: 2-4 | Lab/Studio Hours: 0
A full-time supervised 10-week internship experience in an approved governmental agency, industry, or consulting company.

ENPH 441 Water and Wastewater
3 crs. • P: ENPH 110; BIOL 111 or 151; and CHEM 104 or 115 or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Investigative procedures, sampling techniques, analysis and treatment of water and wastewater. Emphasis on water pollution, aquatic nuisances, drinking water quality, on-site waste disposal, municipal and industrial wastewater treatment, private wells, and groundwater contamination.

ENPH 443 Microbial Safety of Food
4 crs. • Sp • Field Trip(s) Required • A-F Grades Only • P: BIOL 250, 306, or 361 or concurrent registration in any of these three courses. No credit if taken after ENPH 442.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
Principles of food microbiology including common foodborne pathogens, strategies to protect the food supply, environmental sanitation, regulations, and HACCP. Environmental sampling of food and milk, common laboratory tests.

ENPH 445 Hazardous and Solid Waste Management
3 crs. • Sp • Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of the generation, use, handling, and storage of solid waste, and of materials posing significant chemical, biological, and radiological risks to health. Several field trips will supplement in-class learning.

ENPH 450 Epidemiology
3 crs. • F • GE-V • P: MATH 245 or MATH 246 or PSYC 265
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Fundamentals of epidemiology including measures of morbidity and mortality, descriptive epidemiology, and principles of epidemiologic study design. Selected topics related to infectious disease, chronic disease, and environmental epidemiology are included.

ENPH 460 Fundamentals of Industrial Hygiene
3 crs. • Sp • P: ENPH 110 and MATH 246
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The recognition, evaluation, and control of chemical, physical, biological and ergonomic stresses that may cause sickness or impaired health to employees or residents of the community.

ENPH 464 Occupational Safety Management
3 crs. • F
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Access to computer with Internet access, some familiarity with Internet use, some familiarity with workplace safety issues. No credit if taken after ENPH 495 the spring of 2001.

ENPH 475 Pest Control Management
3 crs. • Sp • Field Trip(s) Required • P: BIOL 111 or 151, or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
The biology and control of rodents, household and stored food insects, insect vectors, birds, and other vertebrates of concern to public health and industry. Special emphasis placed on pesticides and their proper use in control techniques.

ENPH 480 Environmental Law
3 crs. • Sp
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to the system of laws associated with environmental protection in light of human health, technological, and ecological concerns. Federal regulations including CAA, CWA, RCRA, SDWA, and TSCA are discussed.

ENPH 490 Environmental Toxicology and Risk Assessment
3 crs. • F • P: BIOL 111, ENPH 110, CHEM 325 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of the principles, theories, and applications of human environmental toxicology through investigation of chemical, cellular, physiological, environmental, and ecological levels. Introduction to contemporary health risk assessment methods.

ENPH 491 Special Topics
1-3 crs. • V • May be repeated for a maximum of 6 credits • Instructor Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
A variable content course consisting of advanced topics of special interest to students and faculty that are not covered in other environmental health courses.

ENPH 495 Directed Studies
1-3 crs. • F; Sp, Su • May be repeated • Department Consent Required
Permits the student to pursue a defined organized study of a problem in an intensive way under the direction of a department of public health professions staff member.

ENPH 499 Independent Study
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
An opportunity for senior students to pursue an environmental topic of their choice. A detailed project report will be required.

Environmental Studies Courses

ENV

ENV 140 Water Problems, Water Solutions
3 crs. • Sp • GE-IIIC; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course introduces students to the political, social, and environmental challenges of water use and management in the United States and worldwide.

ENV 291 Special Topics - Environmental Studies
1-3 crs. • V • May be repeated for a maximum of 6 credits
A variable content course designed to allow a breadth of exposure to topics in environmental and/or sustainability studies selected because of special interest on the part of students or faculty. May include field trips.
ENV 310 Sustainable Cities
3 crs. • Sp • GE-IIIC, SL-Half; Field Trip(s) Required • A-F Grades Only
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Using Portland, Oregon, as a case study, the course will explore sustainable cities from the perspective of health, the environment, and social cohesion.

ENV 320 Waste & Society: Energy, Food, and Efficiency
3 crs. • Sp • GE-IIIC, SL-Half; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines a feature of the environment often overlooked: waste. Students will draw on literature, sociology, history, and political science to understand the place of waste in the contemporary world.

ENV/GEOG 377 U.S. Environmental and Sustainability Policy
3 crs. • F • GE-IIIC; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both ENV 377 and GEOG 377.
Students will study U.S. environmental and sustainability law and policy to assess the roles of science, key actors, and values in policymaking.

ENV/GEOG 378 International Environmental Problems and Policy
3 crs. • V • FC, GE-IIIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both GEOG 378 and ENV 378.
Examination of the threats to the global environment and the response of the international community.

ENV 395 Directed Studies - Juniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • Department Consent Required
For the student who wishes to pursue a defined, organized study of an interdisciplinary environmental studies topic under the direction of a faculty member.

ENV 399 Independent Study - Juniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Minimum senior standing • Department Consent Required
An opportunity for students to pursue an interdisciplinary environmental studies topic in collaboration with a faculty mentor. A detailed project plan and report will be required.

ENV 491 Special Topics - Advanced Environmental Studies
1-3 crs. • V • May be repeated for a maximum of 6 credits
A variable content course designed to allow a breadth of study through intensive investigation of a topic in environmental and/or sustainability studies selected because of special interest on the part of students or faculty. May include field trips.

ENV 495 Directed Studies - Seniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Minimum senior standing • Department Consent Required
For the senior student who wishes to pursue a defined, organized study of an interdisciplinary environmental studies topic under the direction of a faculty member.

ENV 498 Environmental Studies Internship
1-6 crs. • V • IN • May be repeated for a maximum of 6 credits • No Auditors • P: Minimum residence GPA of 3.0 • Department Consent Required
Appointment to a professional experience in an area of interest related to a student’s theme of study, applying the student’s understanding of environmental studies.

ENV 499 Independent Study - Seniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Minimum senior standing • Department Consent Required
An opportunity for senior students to pursue interdisciplinary environmental studies topic in collaboration with a faculty mentor. A detailed project plan and report will be required.

Women’s Studies Program

The Women’s Studies program coordinates teaching, research and scholarship in the field of Women’s Studies. It is a discipline in its own right that also draws from many other fields of study. Enacted as a discipline, the Women’s Studies program is a site of both scholarly inquiry and social change and activism. A unique academic program, Women’s Studies incorporates praxis—practice that is informed by feminist theory and gendered analyses. Courses in Women’s Studies are taught with feminist pedagogical techniques and from feminist theoretical perspectives, and they integrate theory with activism whenever possible.

Women’s Studies students learn to think critically about the intersections of sex, gender, and sexualities with other hierarchies of power and privilege such as ability, age, class, ethnicity, nationality, and race. Students also learn to make important connections between their learning, their own lives, and the globally interconnected world. As engaged citizens, Women’s Studies students advocate for gender and other forms of social justice both on campus and in the larger community.

All majors and minors participate in a final capstone experience, the “Social Justice Practicum” (Wmns 496), where they work closely with a community partner to develop and implement a plan of action or research. There are also internship and volunteer opportunities for Women’s Studies students on campus (e.g. Women’s and LGBTQ Resource Center, Center for Awareness of Sexual Assault, and the Vagina Monologues) and in the local community (e.g. Bolton Refuge House, Wisconsin AIDS Resource Center, the Eau Claire County DA’s Office Victims Assistant programs, and local women’s magazines). In addition, Women’s Studies offers several courses conducted as domestic and international cultural immersion experiences.

Upon graduating, Women’s Studies majors pursue a range of careers, including health, social, and human services, public policy, community education, and the non-profit sector. They are also well prepared for graduate studies in Women’s Studies and other fields.

MAJOR: WOMEN’S STUDIES, Liberal Arts (Code 486-201)

The major consists of 36 semester credits, including:

Required Core: 19 credits

Wmns 100 U.S. Women’s Experience: Gender, Race and Class
or Wmns 301 Examining Women’s Studies (3)
Wmns 101 Engaging Women’s Studies (1)
Wmns 200 Introduction to Feminist Theories (3)
Wmns 250 Feminist Research Methodologies (3)
Wmns 335 Transnational / Global Feminisms
or Wmns 422 Women’s Studies Advanced Travel Seminar (only if an International Experience and with the consent of the Women’s Studies Program Director) (3)
Wmns 490 Feminist Analysis and Practices: Interdisciplinary Themes (3)
Wmns 496 Capstone: Social Justice Practicum (3)

Wmns Electives: 6 credits from the following:

Wmns 206 Perspectives in LGBTQ Studies
Wmns 210 Culture of Third Wave Feminism
Wmns 215 African-American Feminism in the Humanities
Wmns 222 Women’s Studies Introductory Travel Seminar
Wmns 260 Masculinity Studies and Feminist Theories
Wmns 301 Examining Women’s Studies (if taken after Wmns 101)

ASHA SEN, PROGRAM DIRECTOR

AUDREY FESSLER.
Women’s Studies offers two certificate programs:

The Certificate in Women’s Studies (Code 486-601) is designed for students who have a strong interest in studying women through a feminist analysis but are not able to complete the requirements for a major or minor in Women’s Studies. The certificate might appeal to those students who have limited opportunity to explore academic areas beyond their major discipline.

Currently enrolled degree-seeking students in good standing in the University or University Special Students are eligible to complete a Certificate in Women’s Studies. Note: Courses cannot be counted in both the major and the certificate program.

Students are required to take a minimum of 12 credits, including:

- Wmns 101 Engaging Women’s Studies (1)
- Wmns 200 Introduction to Feminist Theories (3)
- Wmns 301 Examining Women’s Studies (3)

The remaining five credits are to be selected from either Wmns courses or courses cross-listed with Wmns.

NOTE: Though there are no prerequisites for the Certificate in Women’s Studies, there may be prerequisites for some of the courses that are a part of the Certificate.

For advising, or to record completion of the certificate, see Professor A. Sen, Women’s Studies Program Director.

The Certificate in LGBTQ Studies (Code 486-602) provides students with a flexible option for completing a concentration in LGBTQ issues, and for formally denoting on their transcript this area of expertise in their academic training.

Currently enrolled degree-seeking students in good standing in the university and University Special Students will be eligible to complete the certificate in LGBTQ Studies. Note: Courses cannot be counted in both the major and the certificate program.

For students pursuing the Women’s Studies Major and the LGBTQ Certificate as their first and second degree programs to meet graduation requirements, no course may be counted in both the major and the certificate.

Students are required to take a minimum of 12 credits, including:

- Wmns 206 Perspectives in LGBTQ Studies (3)
- Wmns 406 Queer Theories and Sexual Politics (3)

The remaining 6 credits are to be selected from:

- Wmns 308 Topics in LGBTQ Studies
- Wmns/Hist 313 Gender, Sex, and Science in European History
- Wmns/Psyc 336 Psychology of Women
- Wmns 422 and Wmns 431, only when offered as “LGBTQ Studies San Francisco Travel Seminar”
- Soc 426 Sociology of Sexualities
- Special topics, internships, and umbrella courses with a focus on LGBTQ and/or sexualities issues with approval of the Women’s Studies Program Director.

NOTE: Though there are no prerequisites for the Certificate in LGBTQ Studies, there may be prerequisites for some of the courses that are a part of the Certificate.

For advising, see Professor A. Sen, Women’s Studies Program Director.

Women’s Studies Courses

**WMNS**

**WMNS 100 U.S. Women’s Experience: Gender, Race and Class**

3 crs. • F, Sp • CD1; GE-F; SL-Optional • P: Not available for juniors or seniors. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Interdisciplinary introduction examining how issues of identity, body image, sexuality, relationships, work, welfare, health, crime, the military, the environment, and global corporate economy are affected by the lived experience of gender, race, and class in the United States.

**WMNS 101 Engaging Women’s Studies**

1 cr. • F, Sp • Only Grade Basis • P: WMNS 100 or WMNS 301, or concurrent enrollment in WMNS 100 or WMNS 301. No credit if taken after WMNS 311. Limited to Women’s studies majors and minors and certificate students.

Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

- Students working on the women's studies certificate program requirements should see instructor for permission to enroll in this course.

Majors, minors, and certificate students in Women’s Studies will begin to strategize ways of engaging feminist principles, knowledge, and skills in personal, academic, and professional settings.
WMNS/CJ 111 Gender, Race, Class, and Communication: The Social Construction of Identity

3 crs. • V • CD1; GE-IA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• This course may not be taken in both CJ 111 and WMNS 111.

Students investigate ways in which perceptions of, and experiences with, gender, race, and class are communicatively constructed. Focus on communication theories and methods and how gender, race, and class influence personal, group, and organizational communication.

WMNS 200 Introduction to Feminist Theories

3 crs. • F • CD1; GE-HIC • No S/U Grade Option • P: WMNS 100 or 301 or consent of instructor. No credit if taken after WMNS 305/WMNS 305.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Explore a range of feminist intellectual traditions in their original contexts and develop theoretical analyses of contemporary issues.

WMNS/SOC 202 Women and Men in Society: The Sociology of Gender

3 crs. • F • GE-HII
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both SOC 202 and WMNS 202.

An examination of women’s and men’s relationships and roles in the United States and in other societies; the development and consequences of gender identity and gender roles for individuals, relationships, and society.

WMNS/RELS 203 Women and World Religions

3 crs. • FC; CD1; GE-IVB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both RELS 203 and WMNS 203. No credit if taken after ANTH 354 or RELS 355.

Surveys women’s religious lives historically and cross-culturally, focusing on pre-patriarchal religious and non-Western traditions. Attention will be given to goddesses in world religions. The course will end with feminist issues in world religions.

WMNS/HIST 205 American Women’s History

3 crs. • V • CD3; GE-IVC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both HIST 205 and WMNS 205.

A survey of the history of women from pre-Columbian America to the present. Provides a basis for understanding the historical experience of women from diverse cultural origins including Native American, African American, Asian American, Latin American, and Euro American women.

WMNS 206 Perspectives in LGBTQ Studies

3 crs. • F • CD1; GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both HIST 206 and WMNS 206.

Interdisciplinary and cross-cultural examination of heterosexism, LGBTQ social movements, and policies that affect LGBTQ rights through the lenses of feminist and queer theories. Exposure to LGBTQ representations in literature, media, film, and popular culture.

WMNS 210 Culture of Third Wave Feminism

3 crs. • V • CD1; GE-IVE
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned if taken after WMNS 280 when offered as Culture of Third Wave.

Explores third wave feminist culture which is defined by age—born 1964-1973—or by ideology: untrammeled feminist heroine who is assertive, exuberantly pro-sex, yet determined to hold her own in the world.

WMNS 215 African-American Feminism in the Humanities

3 crs. • V • CD3; GE-IVE
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Materials from several academic disciplines (women’s studies, English language and literature, history, and cultural studies) will examine feminist perspectives on various topics from an African-American standpoint.

WMNS 222 Women’s Studies Introductory Travel Seminar

1-3 crs. • V • GE-HIC; Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 6 credits • P: One course in women’s studies or its equivalent as approved by the instructor. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 3

Introductory study of topics and issues in women’s studies with domestic or international travel to locations that relate specifically to the selected topic or issues. Topics, issues, locales, and other academic experiences vary by offering.

WMNS 250 Feminist Research Methodologies

3 crs. • F • No S/U Grade Option • P: WMNS 100 or WMNS 301; and WMNS 200; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Students explore the social construction of knowledge, compare feminist and adocentric research methods; examine feminist scholarship across disciplines; and integrate scholarly and applied research with social justice work by identifying community needs.

WMNS 260 Masculinity Studies and Feminist Theories

1-3 crs. • V • GE-IVE • May be repeated for a maximum of 6 credits
Explores various topics associated with masculinity or manhood within a pro-feminist framework from several academic disciplines, such as women’s studies, English, history, philosophy, religious studies, psychology, and/or sociology.

WMNS/NURS 265 Women’s Health Issues

3 crs. • V • CD1; GE-V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both NRS 265 and WMNS 265. Open to all majors.

Explores a wide range of women’s health issues within the context of developmental changes, environmental influences, normal health processes, wellness, and health concerns. Examines health promotion, cultural diversity, and social relations of gender related to women’s health.

WMNS/ENGL 296 Perspectives on Women’s Literature

3 crs. • V • CD1; GE-JVD • May be repeated for a maximum of 6 credits
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both ENGL 296 and WMNS 296 unless topics different. See current Class Schedule for specific theme or topic.

Analyzes representative texts by women. Attention given to historical and critical/theoretical questions relevant to understanding women’s achievements in such areas as writing for literary fame, artistic creation, religious expression, political resistance, and economic survival.

WMNS 301 Examining Women’s Studies

3 crs. • F, Sp • FC; CD1; GE-IVE; SL-Optional
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Interdisciplinary overview focusing on women’s lives in the United States and globally, as influenced by gender, ethnicity, class, sexuality, cultural institutions, social practices, and representations. Familiarizes students with fundamental concepts and analysis tools in women’s studies.

WMNS/MUSI 306 Women in Music

3 crs. • GE-IVA
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both MUSI 306 and WMNS 306.

History of women composers, performers, and scholars from the middle ages to the present, exploring how gender has affected the educational opportunities, professional endeavors, and critical assessment of women in music.

WMNS 308/508 Topics in LGBTQ Studies

3 crs. • V • May be repeated for a maximum of 6 credits • A-F Grades Only • P: WMNS 206 or WMNS 406 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

This course provides students with an opportunity to investigate a specific topic in LGBTQ Studies. Topics studied vary from semester to semester.

WMNS/BIOL 309 Women in the Life Sciences

2 crs. • F • GE-HHA • P: Minimum junior standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

• Credit may not be earned in both BIOL 309 and WMNS 309.

Reading, discussion, and student presentations about women and their contributions to the biological sciences within a personal, cultural, and historical context.

WMNS 310 Women and Violence

3 crs. • V • GE-HIC • P: No credit if taken after WMNS 480, Women and Violence.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

The class explores the pattern of women and violence in the United States. It will examine how social, religious, and government systems may perpetuate violence against women, yet also intervene to end it.

WMNS/HIST 313/513 Gender, Sex, and Science in European History

3 crs. • V • FC; GE-JVC • P: Six credits of history and/or women’s studies, or junior standing, or consent of the instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both HIST 313 and WMNS 313.

This course examines recent scholarship in European history on gender, sexuality, science, and the body. It focuses on the historical construction of gender and sexuality, the gendering of science, inclusion/exclusion in academic and scientific work.

WMNS 320 Women in American History

3 crs. • V • GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned if taken after WMNS 390.

Examines women in American history from pre-Columbian America to the present. Provides a basis for understanding the historical experience of women from diverse cultural origins including Native American, African American, Asian American, Latin American, and Euro American women.

WMNS 324 American Women’s History

3 crs. • V • GE-HIC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both WMNS 324 and WMNS 324.

A survey of the history of women from pre-Columbian America to the present. Provides a basis for understanding the historical experience of women from diverse cultural origins including Native American, African American, Asian American, Latin American, and Euro American women.

WMNS 350 Women’s Studies and Sociology

3 crs. • V • CD3; GE-IVC
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both WMNS 350 and WMNS 350.

Interdisciplinary overview focusing on women’s lives in the United States and globally, as influenced by gender, ethnicity, class, sexuality, cultural institutions, social practices, and representations. Familiarizes students with fundamental concepts and analysis tools in women’s studies.

WMNS/HIST 351 Gender, Sex, and Science in European History

3 crs. • V • FC; GE-JVC • P: Six credits of history and/or women’s studies, or junior standing, or consent of the instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

• Credit may not be earned in both HIST 351 and WMNS 351.

This course examines recent scholarship in European history on gender, sexuality, science, and the body. It focuses on the historical construction of gender and sexuality, the gendering of science, inclusion/exclusion in academic and scientific work.
WMNS/CJ 317 Diversity and Communication: Organizational and Media Contexts
3 crs. • V • GE-JA • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both CJ 317 and WMNS 317.
Reading, writing, and discussion about how gender, race, class, sexual-orientation, (dis)ability, and psychographics intersect in organizational and media contexts. Emphasizes collaborative learning, research, and activism to analyze perceptions, language choices, and behaviors surrounding diversity.

WMNS/ENGL 332 Women in African Literature
3 crs. • Sp • FC; GE-IVD
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ENGL 332 and WMNS 332.
Using cultural and historical perspectives, the course interprets images of women in African literature, emphasizing how the experiences of phases of colonialism have continued to transform women’s images, roles, and prospects in society.

WMNS 335/535 Transnational/Global Feminisms
3 crs. • Sp • FC; GE-IIG • May be repeated for a maximum of 6 credits • A-F Grades Only • P: Minimum junior standing and one previous women's studies course, or consent of instructor.
Seminar Hours: 3 | Lab/Studio Hours: 0
Provides frameworks for understanding the complexity of women’s lives outside the USA. Includes theories for local as well as global/transnational understandings of the factors enabling women to mobilize and enact changes to improve their lives.

WMNS/PSYC 336/536 Psychology of Women
3 crs. • F, Sp • CD1; GE-IIG • P: PSYC 100 and minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both PSYC 336 and WMNS 336.
Advanced undergraduate/graduate seminar designed to examine how both traditional and feminist psychological theories and research apply to women’s lives. Topics include sexuality, violence, gender roles, work, relationships, body image, reproduction, motherhood, and sexual orientation.

WMNS/ECON 337 Women and the Labor Market
3 crs. • F • CD1; GE-IIB
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both ECON 337 and WMNS 337.
Examination of theories of economic discrimination, recent experiences of women in labor markets in various countries, effects of governments and international agencies on earnings and employment, and the future role of women in modern economies.

WMNS 344/544 Women, Work and Family
3 crs. • V • GE-IIG • A-F Grades Only • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit if taken after WMNS 433 when offered as Women & Work-Family Issues.
Feminist analysis of work-family issues with emphasis on women’s experiences. Contemporary and/or historical perspectives on intersections of work and family, potentially including multicultural, social, psychological, economic, queer, and/or additional perspectives will be explored.

WMNS/POLS 351/551 Women and Politics
3 crs. • Sp • GE-IIG
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Credit may not be earned in both POLS 351 and WMNS 351.
Analysis of women’s roles and participation in politics: as citizens, voters, candidates, and officeholders. The impact of feminism and the women’s movement on issues and policymaking.

WMNS/POLS 352 Gender and Politics in Global Perspective
3 crs. • F • FC; GE-IIG
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both POLS 352 and WMNS 352.
This course surveys important topics in the study of gender and politics in global perspective.

WMNS/ANTH 356/556 Women in Cross-Cultural Perspective
3 crs. • F • FC; GE-IIG
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ANTH 356 and WMNS 356.
Study of women’s domestic, social, economic, political, and religious roles in a broad range of the world’s societies. Examination of the historical development of women’s roles and contemporary changes.
WMNS/HIST 394/594 Studies in the History of Women
3 crs. • V • GE-IIV • May be repeated
Selected aspects depending on student interest and staff. Number of credits assigned will vary according to nature of topic. Possible topics include a survey of entire history of women in Western world or women in American history. Consult schedule or department office for current offering.

WMNS 395/595 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing. • Department Consent Required
• Students may apply a maximum of six credits from WMNS 395 and 498 toward fulfillment of the requirements for the Women’s Studies minor.
Study of a women’s studies problem or topic approved by supervising instructor and women’s studies coordinator. May be applied to the Critical Research Project requirement for the Women’s Studies minor. May also address individual or group projects for exploration of topical issues or questions confronted in other courses. Ordinarily, this course will involve only students who have completed some Women’s Studies coursework.

WMNS/ENGL 396 Studies in Women’s Literature
3 crs. • V • GE-IIV • May be repeated for a maximum of 9 credits
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both ENGL 396 and WMNS 396 unless topics differ. See current Class Schedule for specific theme or topic.
Study of a particular problem, genre, or literary period within that literature written by or about women, such as “Our Literary Foremothers” or “Jane Eyre’s Literary Daughters”.

WMNS 406/606 Queer Theories and Sexual Politics
3 crs. • Sp • CD1 • P: WMNS 200 or WMNS 206 or WMNS 305 or three credits of women’s studies courses, or consent of instructor.
Seminar Hours: 3 | Lab/Studio Hours: 0
• With permission of the instructor, a feminist theory course in another discipline may fulfill the prerequisite.
Seminar addresses theoretical and political debates that confront the institution of heterosexuality. Queer theorists contextualize gender and sexualities within LGBTQ social movements for civil rights. Explores intersectionality of LGBTQ oppression (heterosexism) with other social forces.

WMNS/SOC 419 Sociology of Women
3 crs. • Sp • CD1 • P: SOC 101
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Sociological analysis of women’s statuses and roles in American society, focusing on socialization experiences, family, work, and sexual roles. Attention is also focused on contemporary issues and the experiences of American women.

WMNS 422 Women’s Studies Advanced Travel Seminar
1-6 crs. • V • GE-IIV; Field Trip(s) Required; Special Course Fee Required
Varies by Term/Section • May be repeated for a maximum of 6 credits • P: One course in women’s studies and minimum junior standing. • Instructor Consent Required
In-depth study of topics and issues in women’s studies with domestic or international travel to locations that relate specifically to the selected topic or issue. Topics, issues, locales, and other academic experiences vary by course offering.

WMNS 431/631 Women and Communication
1-3 crs. • V • GE-IC • May be repeated for a maximum of 3 credits • P: Minimum junior standing.
Addresses issues related to communication, women, and/or gender.

WMNS 432/623 Women and Science
1-3 crs. • V • GE-IIF • May be repeated for a maximum of 3 credits • P: Minimum junior standing.
Explores gender issues in science. Examines questions of gender-related bias in scientific content, methodologies, project execution and analysis. Consideration of the role of women in science.

WMNS 433/633 Women and Social Science
1-3 crs. • V • GE-IIG • May be repeated for a maximum of 3 credits • P: Minimum junior standing.
Addresses issues related to the social sciences, women, and/or gender.

WMNS 434/634 Women and the Humanities
1-3 crs. • V • GE-IVE • May be repeated for a maximum of 3 credits • P: Minimum junior standing.
Addresses issues related to the humanities, women, and/or gender.

WMNS/ES 436/636 Education of Girls and Women in the United States
2 crs. • V • CD1; GE-V • P: Minimum junior standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit may not be earned in both ES 436 and WMNS 436. No credit if taken after special topics or directed study with the same title.
This course will focus on both informal and formal definitions of schooling and explore a wide array of influences and choices that contribute to the preparation of resilient women who grow and change through their lifetime.

WMNS 440/640 Lesbian Lives and Cultures
3 crs. • V • CD1; GE-IIG • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An interdisciplinary overview of lesbian lives and cultures, including historical, cultural, and political understandings of lesbian life in the U.S. Includes examination of intersections of sexual, racial, ethnic, and class identities.

WMNS 447/647 Design and Domesticity
3 crs. • V • CD1; GE-IIV; Field Trip(s) Required • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit if taken after WMNS 434: Women and the Humanities, when offered as Design and Domesticity.
An interdisciplinary study of factors which contributed to stereotypes of Perfect Wife and Mother. Visits to local 19th-century homes reveal Domestic Spheres designed to reinforce class lines, impose morality, and gender space.

WMNS/SPAN 482/682 Women in Latin American Literature
3 crs. • V • FC • P: SPAN 363 or SPAN/LAS 367.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both SPAN 482 and WMNS 482.
This course is an in-depth study of the representation of women in contemporary Spanish American literature in their historical, cultural, and social contexts. Taught entirely in Spanish.

WMNS 490/690 Feminist Analysis and Practices: Interdisciplinary Themes
3 crs. • Sp • CD1; SL-Optional/Half • P: WMNS 100 or WMNS 301, and WMNS 200 or WMNS 305, and WMNS 250; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Comparative study of the theories and methods of feminism, from historical, multidisciplinary, and cross-cultural perspectives. Examines theoretical foundations, current debates and advances in feminist scholarship.

WMNS 496/696 Capstone: Social Justice Practicum
3 crs. • Sp • SL-Optional/Full • P: WMNS 100 or WMNS 301, and WMNS 200 or WMNS 305, and WMNS 250; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Department Consent Required
Seminar Hours: 3
As a culminating experience, students work collectively to understand and address community needs. Collaborating with a community organization and guided by feminist approaches to social justice, students strategize, implement and assess a plan of action.

WMNS 498/698 Women’s Studies Internship
1-3 crs. • F, Sp, Su • SL-Variable • May be repeated for a maximum of 6 credits • P: Three credits from WMNS courses. Minimum junior standing. • Department Consent Required
• Students may apply a maximum of six credits from WMNS 395 and 498 toward fulfillment of the requirements for the Women’s Studies minor.
Supervised application and examination of Women’s Studies theory in a professional setting related to the student’s area of interest.
College of Business
DIANE Hoadley, Dean (SCHNEIDER 110)
TIMOTHY S. VAUGHAN, ASSOCIATE DEAN (SCHNEIDER 117A)
GRETCHEN A. HUTTERT, ASSISTANT DEAN—DEVELOPMENT AND MARKETING (SCHNEIDER 123B)
ROBERT C. ERFMEYER, DIRECTOR, MBA PROGRAM AND UNDERGRADUATE DISTANCE LEARNING PROGRAM (SCHNEIDER 215)
DOUGLAS OLSON, DIRECTOR, CENTER FOR HEALTH AND AGING SERVICES EXCELLENCE (SCHNEIDER 463)
ALYSSA SLABY, CAREER AND EMPLOYMENT ADVISER, CAREER SERVICES (SCHOFIELD 230)

The College of Business provides lifelong learning experiences through undergraduate and graduate degree programs as well as noncredit offerings for business people desiring continuing education.

The business college consists of four academic departments: Accounting and Finance, Business Communication, Information Systems, and Management and Marketing. The College of Business offers 15 undergraduate degree programs, nine minors, and five certificate programs. Approximately 2,100 students are enrolled in the college’s undergraduate programs. Today, approximately 150 students are enrolled in various stages of the MBA program. Undergraduate and graduate programs are accredited by the Association to Advance Collegiate Schools of Business (AACSB International).

Additional information about the College of Business can be found on the college’s website at: www.uwec.edu/cob.

COLLEGE OF BUSINESS VISION AND MISSION

Our Vision
To be a leading regional College of Business recognized for our innovative teaching, distinctive academic programs and value-added educational experiences.

Our Mission
“The College of Business prepares students for success.”

Students completing a degree program are prepared to achieve success, whether their next step is employment in their chosen field, graduate study, not-for-profit work, a new career or a new direction for their current career. Our undergraduate and graduate curricula are designed to provide students with the content knowledge and skills needed to achieve success throughout their careers and lives.

Undergraduate Learning Goals
The College of Business curriculum builds on and enhances the campus liberal education core curriculum. The curriculum provides a broad-based exposure to the functional areas of business through the 31 credit Business Core (BUSCORE). The various majors provide depth of study within a specific business function. Additionally, the curriculum is designed to provide repeated exposure and mastery of three focused learning goals which are critical to student success:
- Oral and written communication skills
- Teamwork
- Problem solving skills

DEGREES AND CURRICULA

Bachelor of Business Administration (BBA) Comprehensive Majors:
- Accounting
- Business Economics
- Business Finance
- Health Care Administration
- Information Systems
- Business Analysis
- Systems Development
- International Business
- Management
  - Entrepreneur Program
  - General Management
  - Human Resource Management
  - Operations and Supply Chain Management
- Marketing
  - General Marketing
  - Marketing Analytics
  - Professional Sales

Standard Major:
- Business Administration

Undergraduate Business Minors
- Accounting
- Audit and Control
- Business Administration
- Business Finance
- Entrepreneurship
- Information Systems
- International Business
- Management
- Marketing

All of the above minors are available to students outside of the College of Business.

Approved Double Major and Major/Minor Combinations Within a Single Department in the College of Business

Double Major Combinations
- Accounting with Business Finance
- Health Care Administration with any Management or Marketing emphasis
- Any Management emphasis with any Marketing emphasis

Major/Minor Combinations
- Accounting major with Audit and Control minor
- Accounting major with Business Finance minor
- Business Administration major with Entrepreneurship minor
- Business Administration major with Management minor
- Business Administration major with Marketing minor
- Business Finance major with Accounting minor
- Health Care Administration major with Entrepreneurship minor
- Health Care Administration major with Management minor
- Health Care Administration major with Marketing minor
- Any Management emphasis major with Marketing minor
- Any Management emphasis major (with the exception of the Entrepreneurship emphasis) with Entrepreneurship minor
- Any Marketing emphasis major with Management minor
- Any Marketing emphasis major with Entrepreneurship minor

NOTE: Students who select the Business Administration standard major may not minor in Business Administration. If a second major is selected, it must be from a department other than Management and Marketing.

If a student elects either a major/minor combination or a double major, both of which reside in the College of Business, the student must complete all requirements beyond the BUSCORE for each program,
all candidates for the BBA degree need a course schedule. A list of courses requiring a laptop computer is available at www.uwec.edu/COB/undergraduate/laptopCourses.htm for the minimum configuration of a Windows-based laptop required for college course work.

The laptop requirement is indicated in the course catalog as well as on the course schedule. A list of courses requiring a laptop computer is available at www.uwec.edu/COB/undergraduate/laptopCourses.htm

College of Business Laptop Computer Requirement

The College of Business has designated a number of courses as “laptop required”. Students enrolled in these courses must have access to a laptop computer that can be brought to class when required. See www.uwec.edu/COB/undergraduate/laptopCourses.htm for the minimum configuration of a Windows-based laptop required for college course work.

The laptop requirement is indicated in the course catalog as well as on the course schedule. A list of courses requiring a laptop computer is available at www.uwec.edu/COB/undergraduate/laptopCourses.htm

BACHELOR OF BUSINESS ADMINISTRATION DEGREE REQUIREMENTS

Candidates for the Bachelor of Business Administration (BBA) degree must meet all general graduation requirements of the University and all specific requirements of both the College of Business and their major programs.

Credits for Graduation. All candidates for the BBA degree need a minimum of 120 credits to graduate, to include the following:

- A minimum of 50 semester credits in the College of Business and the Department of Economics.
- A minimum of 60 semester credits in courses other than those offered by the College of Business and the Department of Economics. The Health Care Administration major is exempt from this requirement.

NOTE 1: Econ 103 and 104 may be counted as either Bus/Econ credits or non-Bus/Econ credits. These courses will be counted as non-Bus/Econ credits. Students should contact the Registrar’s Office, Schofield 128, to change how these courses are counted, if needed, on their degree audit.

Exception: For Business Administration majors, Econ 103 and 104, along with Math 246, are counted as Bus/Econ credits. Students should contact the Registrar’s Office, Schofield 128, to change how these courses are counted, if needed, on their degree audit.

NOTE 2: College of Business courses approved as GE-V will not be counted toward the second requirement.

Foreign Language/Foreign Culture Requirement. All candidates for the BBA degree must complete the Foreign Language/Foreign Culture requirement. Information about this requirement can be found in this Catalog (see Foreign Language/Foreign Culture Requirement).

NOTE: Most courses used to satisfy the Foreign Language/Foreign Culture Requirement may also be applied to the University’s General Education Requirements.

Cultural Diversity Requirement. The University Cultural Diversity Requirement must be satisfied by all students receiving the BBA degree. Students satisfy the requirement by satisfactorily completing the following courses: Bsad 300, Diversity in the Workplace; CJ 202, Fundamentals of Speech (if completed at UW-Eau Claire); and a third course. Courses which fulfill the remainder of the requirement are listed in this catalog (see Cultural Diversity Courses).

NOTE: Most courses used to satisfy the Cultural Diversity Requirement may also be applied to the University’s General Education Requirements.

Student Professional Development Program. All students pursuing a major in the College of Business must complete the Student Professional Development Workshops prior to being admitted to the college. The program is designed to equip students with the skills needed to present themselves in a professional manner during their job search and to other professionals once they enter their chosen careers.

The program consists of four workshops: Becoming a Business Professional, Professional Appearance, Developing your Professional Profile, and Professional Etiquette. All workshops must be completed before admission to the College of Business. For more information, visit www.uwec.edu/cob/undergraduate/spdp.

Residency Requirements for College of Business Majors:

See page 49 for University Residency Requirements.

Residency Requirements for College of Business Minors:

At least 12 credits used to fulfill the requirements of a minor from the College of Business must be earned in residence. Resident credits do include credits earned through the National Student Exchange Program, study abroad opportunities, and Internet courses taught by UW-Eau Claire College of Business professors.

General Education Requirements. All candidates for the BBA degree must meet the University’s General Education requirements.
Students seeking a BBA degree must work. Candidates for the BBA degree must take courses related to administration. It consists of the following 12 courses:

**The BUSCORE**

The BUSCORE is the 31-credit common body of courses taken by all BBA students with the exception of the Health Care Administration major. (See page 222 for the Health Care Administration major “Core courses related to administration.”) It consists of the following 12 courses:

**GENERAL EDUCATION AND BBA DEGREE* PROFICIENCY REQUIREMENTS**

<table>
<thead>
<tr>
<th>General Education Requirements</th>
<th>BBA Degree Proficiency Requirements Which May Be Applied to the G.E. Requirements</th>
</tr>
</thead>
</table>
| Category I: Communications and Analytical Skills (A minimum of six credits including at least one course from subcategory A and one course from subcategory B.) | A. CJ 202
B. Math 246
NOTE: BBA majors, with the exception of the Health Care Administration major, must also take Math 111, Math 114, or equivalent |
| Category II: Natural Sciences (Nine to 12 credits from at least two subcategories including two laboratory science courses from List A OR one laboratory science course from List A and one non-laboratory course from List B.) | List A—Business majors must select from the following list of laboratory science courses: Biol 100, 151, 195; Chem 100, 103, 104, 115; Geol 102, 201, 208; Geog 111, 155; Math 112, 246; Phys 205, 211, 212, 226, 229, 231, 232; 243, 246 |
| Category III: Social Sciences (Nine to 12 credits from at least two of the seven subcategories.) | Econ 103 and 104; and one course from the following list: AIS/Anth 161; Geog 111, 155; Geol 102, 201, 208; Mktg 301; Soc 101; Idls 201 |
| Category IV: Humanities (Nine to 12 credits from at least two of the five subcategories.) | No specific courses are required. |
| Category V: University Wide General Education | Students may include up to six credits from this category in General Education. |

NOTE: Students transferring to UW-Eau Claire from a UW College with an Associate Degree are considered to have fulfilled the general education requirements EXCEPT the proficiencies for CJ 202, Math 246, Econ 103, Econ 104, and one of the following courses must still be met: AIS/Anth 161; Geog 111, 155; Pols 122, 265, 346; Psyc 100; Soc 101; Idls 201. However, specific Associate Degree course work may be considered to have satisfied these requirements.

*See more specific requirements for Categories II and III for the Health Care Administration major in the Department of Management and Marketing.

**Major/Minor Requirements.** Students seeking a BBA degree must complete either a standard or a comprehensive major (see College of Business department listings for major requirements).

**Grade Point Requirements.** Candidates for the BBA degree must earn a minimum GPA of 2.00 in their major and in courses taken in residence. (See the special requirements for the Comprehensive Major in Accounting and Health Care Administration.) If a minor is required, or is to be listed as an official minor, the candidate must earn a minimum GPA of 2.00 in the minor.

- No course may be taken on a Satisfactory/Unsatisfactory basis as part of a major, minor, or certificate described by one of the departments in the College of Business.
- Business courses may be taken on a Satisfactory/Unsatisfactory basis only concurrent with or following completion of the student’s major or business minor.

**SPECIAL COURSE OPTIONS**

**Access to Business Courses for Non-Business Majors.** Students in non-business major and minor programs that do not require course work in the College of Business may be allowed to enroll in a maximum of six upper-division business credits without having to meet College of Business admission requirements. To do this, a student must satisfy the following requirements:

- a resident GPA of at least 2.50;
- junior or senior standing;
- completion of course prerequisites;
- written approval from the student’s major/minor department chair;
- approval of the appropriate College of Business chair in which the course resides and the Assistant Dean of the College of Business.

The Management and Marketing Department (College of Business) and the Communication and Journalism Department (College of Arts and Sciences) have identified specific business courses which are appropriate for students pursuing a Communication major. For additional information about this arrangement or other opportunities for students pursuing a non-business degree, contact the Assistant Dean of the College of Business (Schneider 119).

**Credit by Examination.** Each department within the College of Business has established its own policy with respect to credit by examination. Contact the appropriate department chair for additional information.

**Distance Learning.** The College of Business offers selected course sections in online as well as traditional face to face, on-campus formats. These course sections are indicated on the semester course schedule.
Independent Study. Students who wish to undertake an independent study project must demonstrate academic capability and must secure, prior to registering, the consent of the chair of the department offering the independent study and the faculty member directing the study. For further information, contact the appropriate College of Business department chair.

ADMISSION INFORMATION

High School Preparation. Students considering a major in the College of Business are encouraged to take courses in high school which will provide them with appropriate background for their collegiate studies. Where available, high school preparation should include:

- four years of college-preparatory English courses
- four years of college-preparatory mathematics courses
- four years of natural science courses
- competency in using a personal computer. Skills needed include keyboarding; computer access and usage; and the ability to use word processing, spreadsheets, electronic presentations, and data management applications.

Admission to the College of Business. Distinct from admission to the university, separate application for admission to the College of Business must be filed by all students who wish to complete a Business major or minor. To be eligible for admission, the student must meet the following criteria:

<table>
<thead>
<tr>
<th>College of Business Admission Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Complete the following five courses with at least a 2.20 GPA: Acct 201, Acct 202, Econ 103, Econ 104, IS 240.</td>
</tr>
<tr>
<td>• Present a 2.60 or higher GPA in all undergraduate work completed prior to admission. (In addition, transfer students must have at least a 2.00 GPA on all UW-Eau Claire course work they have completed.)</td>
</tr>
<tr>
<td>• Complete 54 credits.</td>
</tr>
<tr>
<td>• Complete the Student Professional Development Program Workshops. (Required only for students declaring a College of Business major, but encouraged for non-business majors earning a business minor or certificate.)</td>
</tr>
</tbody>
</table>

See Department of Management and Marketing for Health Care Administration admission requirements and admission process.

Application Procedure. Application for admission to the College of Business should be made during the semester in which the last of the above criteria are satisfactorily completed (ordinarily the second semester of the sophomore year). Applications are to be completed online on the College of Business website at: www.uwec.edu/cob.

Transfer Students. Students transferring to UW-Eau Claire intending to major in the College of Business program may be expected to validate certain business courses taken at their former institution. These courses will be identified appropriately on the student’s transfer credit report. This information directs the student to the office of the appropriate department chair to complete the validation process which may include syllabus review, an examination, course requirement, or other appropriate validation technique.

Readmission to the College of Business. A student who has been away from the University for a period of one semester or more (except those who have applied for a Leave of Absence) must apply for readmission to the University. The student should contact the Assistant Dean of the College of Business, Schneider 119, regarding his/her status in the College of Business. This may be done as soon as the student has been readmitted to the University.

STUDENT CLASSIFICATION

Students may declare a major in the College of Business upon admission to the university. Declared majors are classified as pre-business until they meet College of Business admission requirements and have completed the online application form. For most students, this occurs at the end of their sophomore year. Students cannot take advanced-level courses (300-400 level) in their major until they are admitted to the college.

Advising. All pre-business and admitted business students are assigned an adviser. Ordinarily, adviser assignments are made during freshman or transfer orientation.

Catalog Base for Degree Planning. Students follow the curricular requirements of the catalog under which they entered UW-Eau Claire. Students may follow a newer catalog upon notification to their department. Students who are absent from the University for two or more consecutive semesters must follow the catalog in effect at the time of their re-entry. Transfer students starting at UW-Eau Claire within two semesters of leaving their former accredited institution may use the UW-Eau Claire catalog in effect at the time they entered their former institution. Any deviation from published degree requirements must be authorized by the College of Business Assistant Dean, Schneider 119. Students who wish to appeal an institutional decision or response relating to their request for academic substitutions or waivers may do so by using the Student Academic Grievance Procedures published in the Student Services and Standards handbook available in the Student Affairs and Dean of Students Office, Schofield 240.

Preparation for Graduation. College of Business students must apply for graduation via MyBlugold CampS by the end of the first week of priority registration for the semester in which the student expects to graduate. Failure to file an application on time may result in the postponement of graduation.

DEAN’S LIST

Students in the College of Business who have an outstanding record of academic accomplishment are eligible for the Dean’s List. In order to earn Dean’s List standing during a given semester, students must have the following:

- Earned a minimum of 12 credits during the semester, not including incompletes, courses below the 100 level, repeats, and Satisfactory/ Unsatisfactory registrations (except in courses that are offered only on the S/U grading system in which a grade of S has been earned).
- Earned a minimum semester GPA of 3.60.

Dean’s List students will receive a letter of notification and congratulations from the Dean. Go to www.uwec.edu/cob/undergraduate/honors/deans.htm for a complete listing of students on the Dean’s List.

CAREER SERVICES

Early in their college careers students are encouraged to become familiar with the resources available through Career Services. These include:

- Career Exploration and Development: Individual career counseling, career assessments and information within the Career Discovery Center are available for students to learn more about their major and how it relates to a future career. It is recommended that a student visit Career Services during the first year at UW-Eau Claire to discover, explore, and plan for their career.
- Career Discovery Center: Includes extensive materials in many formats to help students research all of their career development needs. The CDC includes information on occupational options; internship information; employer directories; company literature; graduate school information; and resume, portfolio, and interview preparation resources.
- Blugold CareerLink: An online database used by UW-Eau Claire students and alumni to search for and apply for on-campus interviews, internships, and full-time positions. Employers utilize this as a tool to recruit UW-Eau Claire students by posting positions, scheduling on-campus interviews, information sessions and registering for career fairs. The database includes company profiles, websites, and contact information for local, regional, and national employers that choose UW-Eau Claire as a primary institution to assist in meeting their workforce needs. Students
pay a one-time fee to register and have lifetime access to use this database. Blugold CareerLink can be purchased in Career Services, Schofield 230, 715-836-5358.

- **Career Events:** Each year Career Services sponsors a variety of career events designed to allow students to explore internship and career options. Over 500 professionals representing a wide variety of organizations attend these events to meet with UW-Eau Claire students and alumni.

- **Career Conference:** Fall and spring semester
- **Explore Your Possibilities:** Fall semester
- **Graduate and Professional School Fair:** Fall semester
- **Nursing and Health Care Professional Career Fair:** Fall semester
- **Job Search Bootcamp:** Spring semester

- **On-campus recruitment program:** Interviews are often conducted on-campus each year by various local, regional, and national employers. Students can apply for positions, and once selected, manage their interview schedule via Blugold CareerLink.

More information can be obtained from the Career and Employment Adviser, Career Services, Schofield 230, 715-836-5358, or online at: www.uwec.edu/career. Information is also available on the College of Business website at: www.uwec.edu/cob.

**EXPERIENCE-BASED LEARNING**

Business students can broaden their education and gain additional skills and competencies through participation in learning experiences outside of the traditional classroom. The College of Business encourages students to participate in one or more of the following experience-based learning opportunities.

**College of Business Internships**

All College of Business undergraduate students are encouraged to participate in an internship during their course of studies. College-approved internships may be taken for credit, or as a transcripted non-credit activity. Credit internships generally involve a greater degree of faculty/staff oversight, and/or peer interaction during the internship experience. This may take the form of internship site visits, online internship class discussions, faculty feedback on student journals, etc.

**General Internship Requirements**

To be approved as a for-credit or transcripted non-credit internship in the College of Business, the following minimum criteria must be satisfied:

- Students are expected to have relevant work assignments that provide value to the hosting organization, while engaged in college-level learning experiences.
- Accordingly, and in compliance with the Fair Labor Standards Act, internships at “for profit” private sector organizations must offer at least the minimum wage, and overtime compensation for hours worked over 40 in a workweek. Department of Labor interpretation of FLSA currently permits unpaid internships in public sector and non-profit charitable organizations, where the intern volunteers without expectation of compensation.
- The employer must designate and provide contact information for an internship supervisor. The supervisor will provide mentoring and guidance during the internship, and will submit an evaluation of student performance at the end of the internship.
- A transcripted, non-credit internship must provide (at a minimum) hours worked satisfying the requirements for one credit internship. See “Credit-Bearing Internships” below.

Students should contact their respective major department offices in the College of Business for additional, department-specific requirements and procedures regarding internship credit and transcripting.

**Internship Procedures**

- Students are encouraged to utilize campus resources such as Career Services, fall and spring Career Conferences, student organizations, and other sources to secure internship employment opportunities.
- The internship must be approved by the student’s major department chair or chair’s designee prior to the work experience.

- If the internship is to be completed for university credit (see below), the student must register for the appropriate internship course prior to the work experience.

**Credit-Bearing Internships**

Note: Credit internship registration is required for the internship to qualify as “Full Time Equivalent Enrollment Status.” See page 33 for details. The number of credits a student may earn in a for-credit internship depends on the number of hours worked during the semester in which the internship course registration occurs:

- **Full time employment:** For an internship that employs a student 36 to 40 hours per week,
  - Employment for 10 or more weeks within the semester qualifies for at most 3 internship credits
  - Employment for 7-9 weeks within the semester qualifies for at most 2 internship credits
  - Employment for 4-6 weeks within a semester qualifies for at most 1 internship credit

- **Part-time employment:** For an internship that employs a student 10-35 hours per week, the internship typically qualifies for at most one credit per 150 hours worked.

Students who are interested in the Business Internship Program should contact their department chair within the College of Business or the Career and Employment Adviser, Schofield 230, 715-836-5358. Additional information is available on the College of Business website at: www.uwec.edu/cob.

**International Education.** The College of Business faculty strongly encourage all business students to study abroad and/or complete an international internship. In today’s business world there are no longer hundreds of isolated markets but rather many very interconnected markets within a global economy. Chances are high that a student majoring in business will end up in a career which will require knowledge and skills needed for operating effectively in the international markets. Employers are looking for individuals who demonstrate self-confidence, independence, global awareness, and knowledge of a multicultural world. To help students gain these skills and competencies, many opportunities exist for them to study outside of the United States. The international programs listed below offer a full or limited complement of business and economics courses:

- **Australia:** Murdoch University, Perth. Offers a major in business.
- **Australia:** Southern Cross University, Lismore. Offers a major in business.
- **Austria:** Karl-Franzens-University, Graz. * Four semesters of German are required.
- **England:** University of Winchester, Winchester. * Offers a major in business.
- **Germany:** Frankfurt University of Applied Sciences (part of Hessen-Wisconsin Exchange). * Offers business courses in English.
- **Greece:** American College of Thessaloniki. Offers a major in business. All business courses taught in English.
- **Ireland:** University of Limerick, Limerick. Offers a major in business.
- **Japan:** Kansai Gaidai University, Asian Studies Program, Hirakata City. * International business courses taught in English.
- **Mexico:** Instituto Tecnologico, Monterrey. * Some Spanish helpful. Many business courses are taught in English.
- **Scotland:** University of Aberdeen. Offers a major in business.
- **Scotland:** University of Glasgow. Offers a major in business.
- **Scotland:** University of Stirling. Offers a major in business.
- **South Korea:** Ajou University, International Summer School, Suwon City. * Summer only. Offers business courses in English.
- **Sweden:** Linnaeus University, Växjö. * International business program. Courses are taught in English by Swedish faculty members.

*Denotes an exchange program, meaning that students pay approximately the same tuition they would if attending UW-Eau Claire. Cost of living varies greatly. Additional information about these programs may be obtained from the College of Business website at www.uwec.edu/cob and the International Business Programs Coordinator (Schofield 400E) or Center for International Education (Schofield 3).
Service-Learning Experience. Business students can apply the functional knowledge and communication skills gained in the classroom through service in the community. Service-learning is an academic experience that combines community services with intentional learning goals, reflection, and critical analysis. It offers students the opportunity to apply knowledge gained in the classroom through service to others. All UW-Eau Claire undergraduates are required to complete 30 or more clock hours of curricular, extracurricular, or co-curricular service-learning. Acceptable activities can take many forms. Service-learning activities may be integrated into a course or may involve participation in a community service program or internship. Service-learning projects are typically unpaid. Information regarding the completion of the service-learning requirement can be obtained from the College of Business website at: www.uwec.edu/cob, department chairpersons, or the University’s Service-Learning website at: www.uwec.edu/SL/ or the Service-Learning Coordinator (Career Services, Schofield 228C).

Faculty/Student Collaborative Research. Business students can gain functional knowledge and practice communication and teamwork skills by working with a faculty member on an academic research project. Research projects are presented at the University’s annual Student Research Day. Students may gain independent study credit for the experience. This opportunity is particularly beneficial for students considering graduate school. Additional information about faculty/student collaborative research experiences is available from the College of Business website at: www.uwec.edu/cob, department chairpersons or the Office of Research and Sponsored Programs.

Student Business Organizations. Pre-business and business students can apply the knowledge and skills learned in the classroom through active participation in student business organizations. Members network with professionals, go on field trips to businesses, plan meetings, organize fund-raising events, participate in social occasions, attend regional and national conferences, and build lasting friendships with other business students. Active student business organizations include:

AIESEC (1976), an international organization for students interested in international business, with opportunities for internship experiences in foreign countries.

American College of Health Care Administrators (ACHCA) (1978), the student chapter of a national organization that provides Health Care Administration students opportunities for leadership, community service, networking, and professional development.

American Marketing Association (AMA) (1980), a national professional organization for individuals with an interest in marketing.

Association of Information Technology Professionals (AITP) (formerly SIM - Society of Information Management) (1980), a departmental organization designed to promote association with professionals in the information systems field and to keep students current with industry trends.

The Association for Operations Management (APICS) (1986), student chapter of the national association of professional men and women who practice the art and science of production and inventory management.

Beta Alpha Psi (1982), a national scholastic honor society in the field of accounting, recognized by AACSB International—The Association to Advance Collegiate Schools of Business (AACSB International).

Beta Upsilon Sigma (BUS) (1957), a professional fraternity for students in the College of Business and the Department of Economics.

Collegiate Entrepreneurs’ Organization (CEO) (2009), the premier North American student entrepreneurship organization informs, supports and inspires student members to be entrepreneurial and seek opportunity through enterprise creation.

Distributive Education Clubs of America (DECA) (2004), is a national student organization that prepares students for careers by integrating skills learned in the classroom into real world experiences.

Leadership Education and Development Society (LEADS) (2009), a student organization committed to the education, development, and promotion of effective leadership practices in ourselves and others within the university and community.

Pi Sigma Epsilon (PSE) (2008), a national professional fraternity whose mission is to develop sales and marketing skills of its members through lifelong experiences. The Eau Claire chapter is the Zeta Epsilon chapter.

Student Accounting Society (SAS) (1976), a departmental organization to assist members in acquiring contact with professionals in the accounting field and to broaden the members’ practical knowledge in the accounting field.

Students in Free Enterprise (SIFE) (2003), an international organization for college and university students interested in developing leadership, teamwork, and communication skills through learning, practicing, and teaching the principles of free enterprise.

COLLEGE OF BUSINESS SCHOLARSHIPS
Refer to the College of Business website at: www.uwec.edu/cob/undergraduate/honors/scholarships_awards.htm for an up-to-date listing of College of Business scholarships or contact the Assistant Dean—Development and Marketing of the College of Business, Schneider 123B.

SPECIAL CURRICULAR OPTIONS

INTERDISCIPLINARY MAJOR

COMPREHENSIVE MAJOR: ECONOMICS, Business (Code 360-002)
A Bachelor of Business Administration degree with a comprehensive major in economics consists of the Basic Business Core in the College of Business, completion of Econ 103, 104, 303, 304, and 321; Math 246, and electives from the following courses, bringing the total to 60 semester credits: Econ 308, 311, 315, 316, 318, 322, 325, 331, 335, 351, 353, 355, 366, 371, 375, 399, 491, 492, 494, 495, 496, 498, 499, Fin 322, 327; and no more than one course from the following: Econ 268, 280, 329, 330, 390; Econ/LAS 356; Econ/Wmns 337, 357.

Math 347 may be substituted in place of Math 246.

All students with a major in economics must complete a capstone paper during the year prior to graduation. Contact the department office for information on capstone requirements and options.

NOTE 1: Math 111 or Math 114, or their equivalent must be completed as part of the General Education requirements.

NOTE 2: Students in this major must meet College of Business admission standards before they may register for upper-division (300- to 400-level) courses offered by the College of Business (see College of Business, Admission).

NOTE 3: A maximum of six credits earned in Econ 399, 494, 495, 496, 498, and/or 499 may count toward the major.

MASTER OF BUSINESS ADMINISTRATION GRADUATE DEGREE PROGRAM
The College of Business offers a Master of Business Administration degree for those seeking a graduate degree in business. The program is designed to give students a broad practical understanding of business and the dynamic global environment in which it operates. Students in the program develop the skills and entrepreneurial spirit needed to manage change and recognize the opportunities it creates. In addition, students learn guidelines for evaluating situations in an ethical and socially responsible manner.

Additional information can be found in the Graduate Catalog, as well as www.uwec.edu/cob
Accounting and Finance

SCHNEIDER SOCIAL SCIENCE 400A

RAJARSHI ABOSKAR, CHAIR

MARK ALFRITH, QING BAI, D’arcy BECKER, Dawna DRUM, Matthew FISH, Sheril GILBERSTADT, Jay HOLMEN, raymond Hughes, Dennis KNUTSON, Ling LII, Thomas MHRDJLOV, William MILLER, William ODEN, Aimee PERNSTEINER, DeAnne PETERSON, Roger SELIN, pedro SOTTOILE, Brenda THALACKER, ingrid ULLSTAD, Lu ZHU.

Accounting is the field of study which focuses on developing and providing financial information about businesses, including information about the cost of products manufactured or services provided, and about governmental and not-for-profit organizations. This information is used by internal and external decision makers and other stakeholders of the organization. The accounting program is designed to provide the student depth of knowledge in accounting and business, and to help develop communication, interpersonal, and critical thinking skills. These skills are highly valued by organizations seeking to employ accountants. Careers in accounting include public accounting, financial accounting, managerial accounting, internal auditing, and tax accounting.

Finance is the field of study which focuses on managing the finances of firms, financial institutions, and individuals. Careers in finance include corporate financial officer, banker, stockbroker, financial analyst, portfolio manager, investment banker, financial consultant, and personal financial planner.

The Department of Accounting and Finance offers a 60-credit comprehensive major in Accounting. The Department also offers a comprehensive major in Finance. Minors in Accounting, Audit and Control, and Finance are also available.

CREDIT BY EXAMINATION
Credit may also be obtained for courses offered by the Department of Accounting and Finance (after completion of a similar course elsewhere) by successfully passing a comprehensive examination with a grade of C or above.

SATISFACTORY/UNSATISFACTORY OPTION
Courses may not be taken under the Satisfactory/ Unsatisfactory option except as noted under Special Course Options in the College of Business section of this catalog.

Department of Accounting and Finance Scholarships
Refer to the College of Business website at: www.uwec.edu/cob/undergraduate/honors/scholarships_awards.htm for an up-to-date listing of Department of Accounting and Finance scholarships, or contact the department chairperson, Schneider 400A.

NOTICE: ALL STUDENTS GRADUATING WITH A MAJOR FROM THE DEPARTMENT OF ACCOUNTING AND FINANCE MUST COMPLETE MATH 111, A SHORT COURSE IN CALCULUS, OR ITS EQUIVALENT.

COMPREHENSIVE MAJOR: ACCOUNTING (Code 720-006)
This major provides an all-inclusive program which will enable the graduate to pursue entry-level accounting positions. Graduates with this major are eligible to take the examinations for the Certified Management Accountant (CMA) and Certified Internal Auditor (CIA) designations.

Many employers of entry-level accountants require 150 credits of accounting course work, including an accounting major. Students should work closely with their faculty advisers to determine the best course of study to reach their educational and career goals.

NOTE 1: In order to graduate with a degree in accounting, majors must achieve a grade of C- or above in all accounting courses, and a minimum 2.50 overall GPA in all courses applicable to the major.

NOTE 2: Acct 312 CANNOT be taken by accounting or finance majors.

NOTE 3: It is recommended that students obtain the Advanced Business Communication Certificate. See this catalog or your adviser for details.

NOTE 4: All candidates for the baccalaureate degree must satisfactorily complete 30 or more hours of curricular, extracurricular, or co-curricular service-learning. At least one-half of this can be achieved through participation in the Volunteer Income Tax Assistance program administered by the Student Accounting Society / Beta Alpha Psi. Other opportunities exist to receive service-learning credits through the Student Accounting Society / Beta Alpha Psi and some accounting classes. Students may earn credit for service-learning projects through Acct 210. Consult an adviser for details.

Sixty semester credits, including the BUSCORE (31 credits), plus:

150-HOUR REQUIREMENT
All licensing jurisdictions, including Wisconsin, have adopted legislation that will require 150 semester hours of university credit in order to sit for the CPA examination. The law states 150 credits of college or university courses which include an accounting major or its equivalent are required in order to take the exam.

To meet the 150 semester hour requirement, students have options at the undergraduate level including a second major, adding a minor, or completing one of the undergraduate certificates.

MINOR: ACCOUNTING
(Code 720-403)
Twenty-four semester credits including Acct 201, 202, 301, 314, 321. The remaining credits selected from Acct 302, 313, 415, 417, 425, 442, 444. The minor has been designed to provide a general understanding of accounting and its role in society.

NOTE 1: A 2.00 or higher GPA in courses counting toward a minor is required.

NOTE 2: Students selecting this minor must satisfy the College of Business admission requirements prior to enrollment in 300-400 numbered courses in the College of Business.

NOTE 3: A student also completing a major in the College of Business must complete 12 credits that are unique to this minor; Econ 103, 104, and Math 246 will not count as unique credits for this minor.

MINOR: AUDIT AND CONTROL (Code 720-405)
Twenty-seven semester credits including: Acct 301, 302, 313, 430; either Acct 420 or Acct 435; IS 304, 310 and either IS 290 or IS 344; either CS 145 or CS 163.

NOTE 1: A 2.00 or higher GPA in courses counting toward a minor is required.

NOTE 2: Students selecting this minor must satisfy the College of Business admission requirements prior to enrollment in 300-400 numbered courses in the College of Business.

NOTE 3: Students must earn 12 credits unique to this minor.

NOTE 4: We recommend students complete IS 304 prior to taking either CS programming course.

MINOR: BUSINESS FINANCE (Code 800-401)

Twenty-seven semester credits, including Acct 201, 202; Econ 103, 104; Fin 320; IS 240; Math 246; and additional credits from Fin 321, 322, 325, 326, 328, 424, 425.

NOTE 1: Students selecting this minor must satisfy the College of Business admission requirements prior to enrollment in 300-400 numbered courses in the College of Business.

NOTE 2: A student also completing a major in the College of Business must complete 12 credits that are unique to this minor; Econ 103, 104 and Math 246 will not count as unique credits for this minor.

Departmental Honors Program in Accounting

Objectives:
1. To provide outstanding students in accounting with opportunities for academic enrichment and challenge beyond usual course coverage and requirements.
2. To encourage more faculty-student scholarly interaction, including research collaboration.
3. To encourage and allow outstanding students to pursue projects that require an understanding of relationships between different areas of accounting.

Eligibility:
Upper-class accounting majors with resident, overall, and major GPAs of 3.50 or higher. Completion of Accounting 302 and admission to the College of Business.

Procedure:
Students will be invited to apply for participation in the Departmental Honors Program by instructors during a student’s enrollment in Accounting 302 or by a faculty adviser after completion of Accounting 302. Students may apply without an invitation from a faculty member, but must obtain a letter of support from a faculty member. An application must be submitted to the department chair. The application should be submitted prior to the student’s last two semesters of study. The application form should outline the student’s plan to complete department honors.

Requirements:
At graduation, the student must have resident, overall, and major GPAs of 3.50 or higher. In addition, the student must submit evidence that two of the following have been satisfactorily completed:
1. Participation in a faculty/student collaborative accounting research project,
2. Presentation of a research project off campus (at a conference),
3. Completion of an accounting project designed and executed under the guidance of an accounting faculty member (may include projects for community members or local companies),
4. Completion of an internship in accounting, or
5. Acceptance of an accounting paper in a peer-reviewed journal.

Departmental Honors Program in Finance

Objectives:
1. To provide outstanding students in finance with opportunities for academic enrichment and challenge beyond usual course coverage and requirements.
2. To encourage more faculty-student scholarly interaction, including research collaboration.
3. To encourage and allow outstanding students to pursue projects that require an understanding of relationships between different areas of finance.

Eligibility:
Upper-class finance majors with resident, overall, and major GPAs of 3.50 or higher. Completion of Fin 320 and admission to the College of Business.

Procedure:
Students will be invited to apply for participation in the Departmental Honors Program by instructors during a student’s enrollment in Finance 321 and/or 322 or by a faculty adviser after completion of Finance 321 and/or 322. Students may apply without an invitation from a faculty member, but must have a letter of support from a faculty member. An application must be submitted to the department chair. The application should be submitted prior to the student’s last two semesters of study. The application form should outline the student’s plan to complete department honors.

Requirements:
At graduation, the student must have resident, overall, and major GPAs of 3.50 or higher. In addition, the student must submit evidence that two of the following have been satisfactorily completed:
1. Participation in a faculty/student collaborative accounting research project,
2. Presentation of a research project off campus (at a conference),
3. Completion of an accounting project designed and executed under the guidance of an accounting faculty member (may include projects for community members or local companies),
4. Completion of an internship in accounting, or
5. Acceptance of an accounting paper in a peer-reviewed journal.

ACCT

ACCT 201 Principles of Accounting I
3 crs. • F, Sp, Su • P: Eligible for MATH 104 or above (MATH 104, 106, 108, 109, 111, 112, 113, 114, 184, 246).
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Not recommended for freshmen. Recommended completion of MATH 109 prior to enrollment in ACCT 201.
An introduction to the principles and practices of accountancy applied to business organizations. Emphasis is on the uses of accounting information in decision-making by internal and external users.

ACCT 202 Principles of Accounting II
3 crs. • F, Sp, Su • P: Completion of ACCT 201 with a grade of C- or higher.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• May not be taken concurrently with ACCT 201.
Accounting 202 is a continuation of Accounting 201. Additional principles and practices of accountancy are introduced. Emphasis will continue to be placed on the uses of accounting information in decision-making by internal and external users.
ACCT 210 Service-Learning in Accounting
1 cr. • F, Sp, Su • SL-Half • May be repeated for a maximum of 2 credits • S/U Only Grade Basis • Instructor Consent Required
• No credit toward accounting major.
Students must complete a minimum of 15 hours of volunteer service. Service must be approved by faculty supervisor. A journal must be kept throughout project documenting service-learning project. The service-learning project must be completed within one calendar year (preferably one semester). Assignments outstanding longer than this will be graded unsatisfactory.

ACCT 301/501 Intermediate Accounting I
3 crs. • F, Sp • P: ACCT 202. Limited to accounting majors and minors, and finance majors. Admission to the College of Business is required or consent of instructor. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Development and implementation of the conceptual and practical aspects of valuation and income determination, time value of money, accounting changes, inventory valuation, and current and noncurrent assets. Special emphasis on GAAP as it relates to topics being covered.

ACCT 302/502 Intermediate Accounting II
3 crs. • F, Sp • P: ACCT 301/501. Admission to the College of Business is required or consent of instructor. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Development and implementation of the conceptual and practical aspects of valuation and income determination, with emphasis on intangible assets, retained earnings and contributed capital, earnings per share, pensions, leases, tax allocation, current and long-term liabilities, statement of cash flows, statement analysis, interim and segment reporting. Special emphasis on GAAP as it relates to topics being covered.

ACCT 305/505 Environmental and Sustainability Accounting
3 crs. • V • P: ACCT 202. Minimum junior standing. Admission to College of Business is required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to environmental accounting and its role in financial/managerial accounting. Topics include environmental liabilities, sustainability reporting, external agencies, and the attest function, socially responsible investing, emissions trading, tax considerations, and eco-efficiency indicators.

ACCT 312 Managerial Accounting
3 crs. • F, Wi, Sp, Su • P: ACCT 202, IS 240. Credit may only be earned in either ACCT 312 or ACCT 314. Not open to accounting and finance majors. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit toward accounting majors. This course requires access to a laptop computer which can be brought to class when required.
Analysis and interpretation of accounting data approached from the managerial viewpoint, with emphasis on planning and control, and decision-making.

ACCT 313/513 Auditing
3 crs. • F, Sp • Special Course Fee Required Varies by Term/Section • P: ACCT 302/502. Open only to accounting majors and minors. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Basic coverage of all steps in creating audit programs according to the audit risk model, and current issues in auditing. Specific coverage includes company risk evaluation, internal control, company analysis, and audit reporting.

ACCT 314/514 Cost Accounting
3 crs. • F, Sp • P: ACCT 202, IS 240. Credit may only be earned in either ACCT 312 or ACCT 314. Limited to accounting majors, minors, and finance majors, minors. Minimum junior standing. Admission to College of Business required. See current catalog for COB admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Principles of cost accounting, emphasizing analysis of materials, labor, and factory overhead; application of standard costing to job order and process cost systems; analysis of cost behavior in the manufacturing firm with exposure to cost-profit-volume relationships, break-even analysis, and direct costing.

ACCT 320 Individual Income Tax
3 crs. • V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Should not be taken by those required to complete ACCT 321 and ACCT 322.
Introduction to the determination of taxable income of individuals, with emphasis on the reporting of tax data.
ACCOUNTING AND FINANCE

ACCT 415/615 Advanced Auditing and Consulting
3 crs. • V • P: ACCT 313/513, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
In-depth analysis of current audit topics and research, including legal liability, operational audits, audit effectiveness, environmental costs, and statistical sampling. Concentration includes EDP auditing.

ACCT 417/617 Governmental and Nonprofit Organization Accounting
3 crs. • V • P: ACCT 302/502, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to accounting principles for governmental units; educational institutions; hospitals; voluntary health and welfare organizations; and other nonprofit organizations. Includes budgetary and financial reporting requirements of these organizations.

ACCT 419/619 Financial Accounting Theory
3 crs. • V • P: ACCT 302/502. Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSAD 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Minimum senior standing. Admission to COB required. See current catalog for COB admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
In-depth analysis of several selected problems of contemporary interest in the areas of valuation and income determination as related to the broader topics of concepts of income and formulation of accounting theory, with extensive readings of the Financial Accounting Standards and professional journal articles.

ACCT 420/620 Fraud Investigation and Prevention
3 crs. • F • P: ACCT 302/502, ACCT 313/513, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Coverage of fraud methods, fraud investigation, and fraud prevention through internal controls. Emphasis on financial and asset misappropriation frauds.

ACCT 423/623 Advanced Tax Accounting
3 crs. • F • P: ACCT 321/521, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

ACCT 425/625 Ethics in Accounting
3 crs. • F • P: ACCT 313/513, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An introduction to ethics and professional responsibility in accounting. Coverage includes models of ethical reasoning, ethical dilemmas in accounting, and creating solutions to those ethical dilemmas.

ACCT 430/630 Accounting Systems
3 crs. • F; Sp • P: ACCT 302/502, BCOM 206, BCOM 207. Limited to accounting majors and minors. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This class requires access to a laptop computer which can be brought to class when required.
Analysis, design, and documentation of accounting systems; includes transaction processing, internal accounting controls, data management, flowcharting, financial reporting, various types of technology, and ethical issues.

ACCT 435/635 Advanced Accounting Systems and IT Auditing
3 crs. • F; Sp • P: ACCT 430/630, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This class requires access to a laptop computer which can be brought to class when required.
This course provides an integrated accounting and information systems experience by using information systems knowledge to address accounting issues of internal control and computer auditing.

ACCT 444/644 Profit Management and Budgetary Control
3 crs. • V • P: ACCT 302/502, ACCT 314/514, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Theory and procedures for profit planning; financial and operating budgets as managerial devices in coordination and control; program and operational budgeting and cost analysis.

ACCT 449/649 Accounting Theory and Research
3 crs. • V • A-F Grades Only • P: ACCT 313/513, ACCT 314/514, ACCT 321/521, ACCT 401/601, BCOM 206, BCOM 207. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
In-depth study of accounting theory (and research) including the conceptual framework and principles underlying all Accounting Standards. Students will use the accounting literature to research contemporary issues in accounting.

ACCT 450/650 Financial Statement Analysis
3 crs. • F; Sp • P: ACCT 302/502, ACCT 321/521, BCOM 206, BCOM 207. Open only to accounting majors and minors. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An in-depth study of the techniques of financial statement analysis. Topics will include ratio analysis, liquidity analysis, capital structure analysis, and profitability analysis.

ACCT 460/660 Accounting Technology and Applications
3 crs. • F; Sp • P: ACCT 302/502, 314/514, and 321/521. Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSAD 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Open only to accounting majors and minors. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This class requires access to a laptop computer which can be brought to class when required.
Overview of technology as it relates to the practice of accounting. Possible topics include enterprise accounting systems, small business accounting packages, tax preparation packages, cost analysis packages, and spreadsheet and database applications in accounting.

ACCT 490 Accounting Honors Seminar
1 cr. • V • P: Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
An in-depth analysis of relevant accounting topics adapted to student needs with emphasis on understanding relationships between different areas of accounting.

ACCT 495 Accounting Internship II
1-3 crs. • F, Wi, Sp • Su IN; Special Course Fee Required • May be repeated for a maximum of 3 credits • A-F Grades Only • P: ACCT 302/502. Limited to accounting majors admitted to the College of Business. Minimum junior standing. • Department Consent Required
• A maximum of three credits is allowed per semester of internship. Internship experience in business situations relevant to the accounting major under supervision of a faculty member.

ACCT 499 Independent Study
1-3 crs. • V • May be repeated • P: ACCT 302/502. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
FIN 135 Personal Finance 3 crs. • V
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Not open to juniors and seniors in the College of Business. No credit toward the finance major.
Concepts inherent in personal finance. Units presented include career planning, budgeting, banking, saving, credit, insurance, annuities, investments, taxes, and estate planning.

FIN 210 Service-Learning in Finance 1 cr. • F, Sp, Su • SL-Half • May be repeated for a maximum of 2 credits • S/I Only Grade Basis • Instructor Consent Required • No credit toward finance major.
Students must complete a minimum of 15 hours of volunteer service. Service must be approved by faculty supervisor. A journal must be kept throughout project documenting service-learning project. The service-learning project must be completed within one calendar year (preferably one semester). Assignments outstanding longer than this will be graded unsatisfactory.

FIN 310 Financial Literacy Program 1 cr. • F, Sp • SL-Half • May be repeated for a maximum of 2 credits • A-F Grades Only • P: FIN 320. Admission to the College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Course provides students with instruction in basic financial literacy. Students will mentor clients in financial literacy. Students provide workshops and one-on-one mentoring.

FIN 320 Principles of Finance 3 crs. • F, WI, Sp, Su • P: ECON 103 and 104, ACCT 202, and BSAD 202 or MATH 246 or MATH 346. Minimum junior standing. Admission to College of Business required or math-actuarial major. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Study of the techniques used to make investment, financing, and dividend decisions in order to maximize the value of the firm to its owners. Topics include financial planning and control, working capital management, capital budgeting, capital structure, cost of capital, dividend policy, and international finance.

FIN 321/521 Financial Markets and Institutions 3 crs. • F, Sp • P: FIN 320. Limited to finance majors and minors only. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
A study of the U.S. financial system. Topics include the Federal Reserve System, term structure of interest rates, financial markets, instruments and financial institutions including regulation of commercial banks.

FIN 322/522 Investments 3 crs. • F, Sp • P: FIN 320. Limited to finance majors and minors only. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
Overview of security markets. Analysis of stocks, bonds, and other securities. Evaluation of risk and return characteristics and market efficiency.

FIN 325/525 International Financial Management 3 crs. • F, Sp • P: FIN 320. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
An introduction to the international elements of a business's operating environment. Topics include global economic factors, risk management, cost of capital, capital budgeting, and financing in a global environment.

FIN 326/526 Short Term Financial Management 3 crs. • F • P: FIN 320. Limited to finance majors and minors only. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0 • This course requires access to a laptop computer which can be brought to class when required.
Short term financial management includes the management of working capital accounts. Banking relations and performance analysis will complete the tools required for a financial manager.

FIN 327/527 Long Term Financial Management 3 crs. • F, Sp • P: FIN 320. Limited to finance majors/minors and math-actuarial majors only. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0 • This course requires access to a laptop computer which can be brought to class when required.
Long term financing and investment issues include capital budgeting methods, cash flow determination, risk analysis, long term debt, preferred and common stock financing, and leasing.

FIN 328/528 Introduction to Derivative Securities 3 crs. • F, Sp • A-F Grades Only • P: FIN 320. Limited to finance majors and minors. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0 • Introduction to options, futures, and forward contracts as financial instruments used to control various types of business risk.

FIN 371 Introduction to Insurance 3 crs. • Sp • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0 • Emphasis on the individual consumer’s and risk manager’s viewpoint in dealing with risk through insurance and other techniques.

FIN 395 Finance Internship 1-3 crs. • F, WI, Sp, Su • IN: Special Course Fee Required • A-F Grades Only • P: FIN 320. Limited to finance majors. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required • No credit toward finance major.
Internship experience in business situations relevant to the finance major under supervision of a faculty member.

FIN 399 Independent Study Projects 1-4 crs. • F, Sp, Su • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required

FIN 410 Advanced Financial Literacy Program 1 cr. • F, Sp • SL-Half • May be repeated for a maximum of 2 credits • A-F Grades Only • P: FIN 310. Admission to the College of Business required. See current catalog for College of Business admission criteria. • Instructor Consent Required Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
Students will assist with financial literacy training, financial literacy program development, and client recruitment. Students will mentor clients in financial literacy. Students provide workshops and one-on-one mentoring.

FIN 420/620 Corporate Valuation 3 crs. • F • P: FIN 327/527, BCOM 206, BCOM 207. Limited to finance majors and minors. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0 • This course requires access to a laptop computer which can be brought to class when required.
Applications of financial management theories and tools to decisions in capital budgeting, financial structure, current asset management, etc. Application is done through use of case and computer analysis.

FIN 424/624 Portfolio Management 3 crs. • F • P: FIN 322/522, BCOM 206, BCOM 207. Limited to finance majors and minors. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0 • Students will create and manage mock portfolios to learn asset allocation, portfolio construction, and management methods. Other topics include developing investment policies, the psychology of portfolio choices, ethics, and standards of practice in portfolio management.

FIN 425/625 Commercial Bank Management 3 crs. • V • P: FIN 321/521 or ECON 321, BCOM 206, BCOM 207. Limited to finance majors and minors. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
This introduction to commercial bank management includes topics on the structure of banks and issues in banking. Develops a theoretical and case-oriented analysis of asset and liability management techniques.

FIN 426/626 Topics in Finance 1-3 crs. • V • May be repeated • P: BCOM 206, BCOM 207. Limited to finance majors and minors. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Covers a variety of advanced topics to be determined by faculty interest and student demand.
ACCOUNTING AND FINANCE

FIN 428/628 Advanced Derivative Securities
3 crs. • Sp • A-F Grades Only • P: FIN 328/528, BCOM 206, BCOM 207. Limited to finance majors and minors. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business criteria. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Quantitative analysis and pricing of derivative instruments and contracts.

FIN 429/629 Wealth Management
3 crs. • V • P: FIN 322/522, BCOM 206, BCOM 207. Limited to finance majors and minors. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Understand the individual wealth management process including investment policy statements, asset allocation, implementation and performance evaluation; understand alternative asset classes; understand wealth preservation and protection; understand individual investor behavior.

FIN 434/634 Portfolio Theory
3 crs. • V • A-F Grades Only • P: FIN 424/624, BCOM 206, BCOM 207. Limited to finance majors and minors. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to portfolio theories and asset pricing models. Includes mathematical methods of asset pricing, portfolio optimization, and performance measurement and evaluation.

FIN 439 Investment Strategy
3 crs. • F • A-F Grades Only • P: FIN 424/624, BCOM 206, BCOM 207. Limited to finance majors and minors, actuarial science majors and minors. Minimum junior standing. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of security selection and portfolio construction. Involvement in the management of an actual portfolio.

FIN 490 Finance Honors Seminar
1 cr. • V • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
An in-depth analysis of relevant finance topics adapted to student needs with emphasis on understanding relationships between different areas of finance.

FIN 495 Finance Internship II
1-3 crs. • F, W, Sp, Su • IN: Special Course Fee Required • May be repeated for a maximum of 3 credits • A-F Grades Only • P: FIN 320. Limited to finance majors admitted to the College of Business. Minimum junior standing. • Department Consent Required
A maximum of three credits is allowed per semester of internship.
Internship experience in business situations relevant to the finance major under supervision of a faculty member.

FIN 499 Independent Study Projects
1-4 crs. • F, S • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Business Communication

SCHNEIDER SOCIAL SCIENCE 404
715-836-4320
WWW.UWEC.EDU/BCOM

PAULA LENTZ, PROGRAM DIRECTOR

JANICE BEDNAR, EMILY ELSNER TWESME, CYNTHIA HOFACKER, MARCY LEASUM ORWIG, KEITH STREARS.

The Business Communication Department offers a series of courses designed to develop written and oral communication skills. These courses are structured to give students communication experience in a variety of business settings.

Business Writing (Bcom 206) and Business Presentations (Bcom 207) are the introductory business communication courses and are part of the BUSSCORE. These courses provide the foundation for the advanced courses, which offer students an opportunity to further strengthen, refine, and apply their business communication skills. Students need to earn a B- or above in Bcom 206 and 207 to meet College of Business requirements. Students who do not earn a B- in Bcom 206 must take Business Writing II (Bcom 216) and earn a grade of C or better. Students who do not earn a B- or better in Bcom 207 must take Business Presentations II (Bcom 217) and earn a grade of C or better.

BUSINESS WRITING FUNDAMENTALS PROGRAM

The Business Writing Fundamentals Program is designed to ensure that students have the basic writing skills needed to successfully complete BCOM 206 (Business Writing) as well as other COB courses. Completing this program is a requirement within the BCOM 206 course.

CERTIFICATE: ADVANCED BUSINESS COMMUNICATION

(Code 765-601)
The Advanced Business Communication Certificate program is a special recognition awarded to students who have completed additional course work in business communications and meet specific grade requirements. Students who earn the certificate will have the accomplishment noted on their official transcript. Students can earn the certificate by completing 12 credits in the following courses with a grade of B- or above:

Bcom 206 - Business Writing (or Bcom 216)
Bcom 207 - Business Presentations, (or Bcom 217)
Bcom 306 - Advanced Business Writing
Bcom 307 - Advanced Business Presentations
Bcom 308 - Technology for Business Communication
Bcom 405 - Advanced Business Communication
Bcom 490 - Internship in Business Communication
Bcom 491 - Selected Topics in Business Communication
Bcom 495 - Directed Studies
Bcom 499 - Independent Study - Seniors

College of Business students may count up to 3 credits of a communication-intensive course in the College of Business toward the 12 credits earned for the certificate. Students need to earn a grade of B- or better for the course to count toward the certificate. To count toward the certificate, the communication-intensive course must be approved by the Business Communication Department.

Students who are not in the College of Business must complete all 12 credits in courses from the list above.

Contact the Business Communication Department (Schneider 404) for more information.

Department of Business Communication Scholarships

Refer to the College of Business website at: www.uwec.edu/cob/undergraduate/honors/scholarships_awards.htm for an up-to-date listing of Business Communication scholarships, or contact the department program director, Schneider 400F.
BCOM 206 Business Writing
2 crs. • F, Wi, Sp, Su • P: Minimum sophomore standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Business Writing Fundamentals Program or concurrent enrollment. Students who earn less than a B- (B minus) in BCOM 206 must complete BCOM 216 with a grade of C or above.
• Learn to write emails, memos, letters, reports, and employment documents. Adapt messages to existing and emerging technologies. Analyze audiences and use effective techniques to communicate using standard grammar, mechanics, punctuation, and document format.

BCOM 207 Business Presentations
2 crs. • F, Wi, Sp, Su • P: Minimum sophomore standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Students who earn less than a B- (B minus) in BCOM 206 must complete BCOM 217 with a grade of C or above.
Students will learn to communicate professionally in meetings, roundtables, project teams, and individual presentations using appropriate psychology, sensitivity, and technology.

BCOM 216 Business Writing II
2 crs. • F, Sp • A-F Grades Only • P: BCOM 206 with a grade of C+ (C plus) or below.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Students who earn less than a B- (B minus) in BCOM 206 must complete BCOM 216 with a grade of C or above.
The creation and enhancement of business documents through the application and study of problem solving strategies, analytical skills, and the principles of grammar, mechanics, and punctuation.

BCOM 217 Business Presentations II
2 crs. • F, Sp • A-F Grades Only • P: BCOM 207 with a grade of C+ or below. 
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Students who earn less than a B- (B minus) in BCOM 207 must complete BCOM 217 with a grade of C or above.
Develop your nonverbal, oral, and interpersonal communication skills and learn ways to minimize anxiety, develop organizational skills, and create a professional image for the business world.

BCOM 306/506 Advanced Business Writing
2 crs. • F, Sp • P: B- (B minus) or above in BCOM 206 or grade of C or above in BCOM 216.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Further develop your writing skills by creating formal business reports, news releases, instructions, and brochures. Explore writing for print vs. electronic environments. Develop a professional employment portfolio.

BCOM 307/507 Advanced Business Presentations
2 crs. • F, Sp • P: C+ (C plus) or above in BCOM 207 or grade of C or above in BCOM 217. Minimum junior standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Theory and practice in making presentations in a variety of professional settings using a variety of support media. Student presentations are evaluated.

BCOM 308 Technology for Business Communication
2 crs. • F, Sp • P: BCOM 206 or BCOM 216 and BCOM 207 or BCOM 217.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Apply written, oral, and nonverbal communication skills for business purposes through a variety of technologies. Discuss emerging technologies and their effect on communication. Learn to manage information and engage in distance collaboration.

BCOM 317/517 Administrative Management
3 crs. • V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The role of the first-line supervisor in the organization is examined. Units with projects covering planning tools, employee selection, orientation and training, office productivity, and job analysis are covered.

BCOM 365 Executive Profile Development
2 crs.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Designed to develop personal and social finesse in students preparing for professional careers. Emphasis on self-image, professionalism, and social etiquette. Units relate to development of the student’s job campaign.

BCOM 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing. Minimum resident and total GPA of 2.75. • Department Consent Required
Information Systems

The IS program is based on the Model Curriculum and Guidelines for Undergraduate Degree Programs in Information Systems developed jointly by the Association of Information Technology Professionals, the Association for Computing Machinery, and the Association for Information Systems. Input to the curriculum is regularly provided by employers, the IS Industry Advisory Committee, current students, alumni, and other stakeholders.

Business Analysis Emphasis (Code 832-001)

The business analysis emphasis serves students desiring to concentrate on managerial aspects of the IS field such as system design, project management, information assurance, and user relations.

Requirements for the Business Analysis Emphasis:
Sixty semester credits, including the BUSCORE (31 credits); the IS CORE (IS 304, 310, 344, 345, 411, 460); IS 365, 455, one course from Acct 430, Art 312, Bcom 405, CJ 407, CS 318, Mgmt 443, Phil 308; and 2-3 additional elective credits from Acct 435, CS 145, 163, 319, 320, IS 314, 320, 375, 420, 450, Mgmt 442, Mktg 338, 434, and other as approved by the IS department chair.

Systems Development Emphasis (Code 832-002)

The systems development emphasis serves students desiring a relatively technical IS education aiming toward such professional activities as software engineering, network management, database administration, and Web development.

Requirements for the Systems Development Emphasis:
Sixty semester credits, including the BUSCORE (31 credits); the IS CORE (IS 304, 310, 344, 345, 411, 460); IS 314, 450, one course from CS 145, 163, 319, 320, IS 375; and 1-2 additional elective credits from Acct 430, 435, Art 312, Bcom 405, CJ 407, CS 318, IS 320, 420, 365, 375, 455, Mgmt 442, 443, Mktg 338, 434, Phil 308, and other as approved by the IS department chair.

Econ 103 and 104; Math 111 and 246 must be completed as part of General Education requirements. Math 114 or any course with Math 114 as a prerequisite will substitute for Math 111. No more than three internship credits can count toward this major.

MINOR: INFORMATION SYSTEMS (Code 832-401)

The Minor in Information Systems (IS) is available to all students at UW-Eau Claire except IS majors, for whom it would be redundant. Students need not gain admission to the College of Business to complete this minor, consistent with the “Access to Business Courses for Non-Business Majors” policy in this catalog. Students who minor in IS augment their major with organizational computing skills and knowledge that make them more proficient in their field, more attractive to potential employers, and more capable as citizens.

Requirements:
The IS minor requires 24 semester credits: Acct 201 or 202; IS 240, 290, 304, 310, 345; and six credits from the following courses or other as approved by the IS department chair: Acct 430; CS 145, 163, 319, 320, 321; Econ 103 or 104; IS 314, 365, 375, 384, 411, 455, 491, 495; Mgmt 443; and Phil 308.

CERTIFICATE: INFORMATION SYSTEMS (Code 832-601)

The Certificate in Information Systems is available to all students at UW-Eau Claire except IS majors and minors, for whom it would be redundant. It is designed to complement majors in every area of study without the investment required for a minor. The certificate documents a student’s completion of course work relating to IS issues in organizations. This recognition is noted on a student’s official University transcript.

Students complete four courses to obtain the Certificate. Non-business students complete all courses from the IS Department; business students can opt to complete three courses from IS and one from selected non-IS courses. All courses must be completed with a grade of C or above.

Requirements:
All students complete IS 240 and 310. All non-business students complete any two of IS 290, 304, or 345.

Business students complete any one or two of IS 290, 304, 345, 365, or 455; if they completed only one of the prior list, they complete one of Acct 430 or Acct 460; Mgmt 443, or Mktg 338.

To apply for the IS Certificate, students obtain an application form from the IS department office, Schneider 406, and return the completed application to that office by October 30 or March 30 of the semester in which they expect to complete the requirements. Shortly after final grades have been submitted to the Registrar, official certificates are mailed to successful applicants in January and June.

For more information on the IS Certificate program, contact the IS department.
IS 220 Service-Learning in Information Systems
1 cr. • F, Sp, Su • S/U Only Grade Basis • Instructor Consent Required
Lecture/Discussion Hours: 0  |  Lab/Studio Hours: 2
• No credit toward IS major.
Provides opportunity to obtain practical experience in analysis, design, and implementation of information systems. All assignments must be completed within one calendar year (preferably one semester). Assignments outstanding longer than one year will be graded unsatisfactory.

IS 240 Information Systems in Business
3 crs. • F, Sp, Su • P: Minimum sophomore standing, or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
A study of information systems in business to include management decision support systems, concepts of systems analysis and design, and information processing. Students will learn to use and apply various software programs as productivity tools.

IS 290 Introduction to Database Applications
3 crs. • F, Sp • P: No credit if taken after IS 344.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
An introduction to database applications created by end users. Students will learn to construct a database, user interface, and reports to summarize data.

IS 304/504 Fundamentals of Business Programming
3 crs. • F, Sp • P: IS 240 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Fundamental skills and knowledge for programming business applications including interface design, writing documentation, and using debugging tools. Procedural programming structures and design considerations and interface object use are presented in a state-of-the-art integrated development environment.

IS 310/510 Systems Analysis and Design
3 crs. • F, Sp • P: IS 240
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Introduces theory and practice of systems analysis and design. Topics include determining business requirements, documenting organizational processes, analyzing information flows, reengineering/designing information systems, and managing projects. Team project required.

IS 314/514 Business Software Engineering
3 crs. • F, Sp, Su • P: IS 304/504 or concurrent enrollment; or consent of instructor. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Develops object-oriented programming skills at the intermediate level. Develops techniques of data access, input, output, and processing in a business environment using programming tools. Utilizes beginning SQL programming techniques and a state-of-the-art integrated development environment.

IS 320 Internship in Information Systems I
1-3 crs. • F, Sp, Su • IN: Special Course Fee Required • May be repeated for a maximum of 6 credits • P: IS 240. No credit if taken after IS 420. Limited to IS Majors. Minimum sophomore standing. • Department Consent Required
Lecture/Discussion Hours: 1-3  |  Lab/Studio Hours: 0
• Internship enrollment form available in IS department office.
Initial coordinated on-the-job business experience in information systems. Gives students an opportunity to participate actively in daily business activities related to the IS major.

IS 344/544 Database Management Systems
3 crs. • F, Sp • P: IS 304/504 and 310/510. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Study of physical and logical design and structure of relational databases; overview of SQL hands-on experience with client/server database management software. Group project required.

IS 345/545 Networking with Client Operating Systems
3 crs. • F, Sp • P: IS 240. Minimum junior standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Study of enterprise networking from a client operating system perspective. Theory and practice of topics such as networking models, domains, Active Directory, domain client, desktop/user profiles, resource sharing, authentication, and network security.

IS 365/565 Information Assurance
3 crs. • F, Sp • P: IS 310 or ACCT 430. Minimum junior standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Conceptual frameworks for information assurance: asset valuation, security threats, risk assessment, policy development, policy implementation, controls, business continuity planning, and disaster recovery. Communication and analytical skills are enhanced through a case-based approach.

IS 375/575 Server-based Networking & Security
3 crs. • V • P: IS 345. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Study of theory and practice of enterprise networking from a server operating system perspective. Topics include domain creation, Active Directory management and delegation, scripting, security policies, roaming profiles, access permissions, and security auditing.

IS 384 Advanced Design and Development
3 crs. • V • P: IS 344. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Real-world information systems design and development cases. Includes project management in real organizational contexts. Requires understanding of design and development but not expertise. Leadership development via participation in multi-skilled teams.

IS 391 Selected Topics in Information Systems
1-3 crs. • V • May be repeated for a maximum of 6 credits
Lecture/Discussion Hours: 1-3  |  Lab/Studio Hours: 0
• Admission to College of Business not required. Available to non-business students. Selected topics in information systems. Small groups will study topics selected because of a special interest in them on the part of students or faculty.

IS 399 Independent Study - Juniors
1-3 crs. • F, Sp, Su • May be repeated • P: Admission to College of Business required.
Lecture/Discussion Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Addresses hardware and software fundamentals of network security including access control security, information security, and security planning and development. Develops students’ working knowledge of available methods and tools for enhancing enterprise data and network security.

IS 410/610 Network and Data Security
3 crs. • V • P: IS 304/504 and 345/545. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Provides opportunity to obtain practical experience in analysis, design and development of systems for enhancing enterprise data and network security.

IS 411/611 Object-Oriented Systems
3 crs. • F, Sp, Su • P: IS 304 and IS 310. Admission to College of Business required.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• This course requires access to a laptop computer which can be brought to class when required.
Use the object-oriented approach to design complex information systems with UML and the Unified Process for improved quality and reusability. Covers OO techniques, design patterns, multi-tier systems, OO CASE tools, and OO development.
INFORMATION SYSTEMS

IS 420/620 Internship in Information Systems II
1-3 crs. • F, Sp, Su • IN; Special Course Fee Required • May be repeated for a maximum of 6 credits • P: Limited to IS majors admitted to College of Business. • Department Consent Required. • IS 310/510, 344/544, and 345/545 are recommended prior to enrollment in this course. Internship enrollment form available in IS department office.

IS 450/650 Distributed Systems Development
3 crs. • F, Sp • P: IS 314/514 or equivalent; IS 344/544 and 345/545; or consent of instructor. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • This course requires access to a laptop computer which can be brought to class when required. A study of the content, theory, and methodology of distributed systems application development. Specifically, the course covers n-tier and web-based development.

IS 455/655 Project Management
3 crs. • F, Sp • Special Course Fee Required • P: IS 304, IS 310 and MGMT 340. Minimum junior standing. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • This course requires access to a laptop computer which can be brought to class when required. Focus on information systems projects: methodology selection, initiating, planning, executing, control and closing. Issues of time, scope, cost, quality and risk are investigated. Writing and software development skills are enhanced.

IS 460/660 Seminar in Information Systems
3 crs. • F, Sp • P: IS 344 and IS 345. Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSA 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Limited to IS majors admitted to College of Business. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • This course requires access to a laptop computer which can be brought to class when required. Limited to graduating seniors. In-depth study of current IS topics and discussion of current IS issues and trends. Includes integrated communication component and team-based information systems development project. 

IS 475/675 Electronic Business
3 crs. • V • P: IS 310/510. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • This course requires access to a laptop computer which can be brought to class when required. Basics of electronic commerce, on the Internet, electronic data interchange, electronic funds transfer, etc. Students will address current applications for a wide range of businesses.

IS 491 Selected Topics
1-3 crs. • V • May be repeated for a maximum of 6 credits • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0 Selected topics in information systems. Small groups will study topics selected because of a special interest in them on the part of students or faculty.

IS 495 Directed Studies
1-3 crs. • F, Sp, Su • P: Limited to IS majors admitted to College of Business. Minimum junior standing. • Department Consent Required. Internship-type experiences in business situations relevant to the student’s major field of study, under supervision of a faculty member.

IS 499 Independent Study - Seniors
1-3 crs. • F, Sp, Su • May be repeated • P: Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required. • Enrollment form available in IS department office.

Management and Marketing

SCHNEIDER SOCIAL SCIENCE 400E
715-836-3677
WWW.UWEC.EDU/ MGMTMXTG

KRISTY LAUVER, CHAIR

CAROL AZAB, JOSEPH BONNER, LAUREN BREWER, SYDNEY CHINCHANACHOKCHAI, GABI ESSA, ROBERT ERFMeyer, LANeTTE FlUNKER, KEVIN HANSEN, NANCY HANSON-RASMUSSEN, ROBERT HEINTZ, TODD HOSTAGER, JENNIFER JONs-ARTISENS, JIAN-YU (FISher) KE, JERRY KOLLODOS, SCOTT LESTER, ABRAHAm NAIMA, DOUGLAS OLSON, RIVETTA STANDIFER, ERWIN STEINER, SCOTT SWANSON, TIMOTHY VAUGHAN, THEREZA WELLS, REBECCA WYLAND.

The Department of Management and Marketing offers comprehensive majors (no minor required) in Management, Marketing, International Business, and Health Care Administration, as well as a standard major in Business Administration. Within the Management major, specialized emphases are available in Human Resource Management, Operations and Supply Chain Management, and Entrepreneurship, in addition to the general Management option. The Marketing major offers emphases in Professional Sales and Marketing Analytics in addition to the general Marketing option. The Health Care Administration major is targeted toward students preparing for careers in managing post-acute health care institutions.

The standard major in Business Administration is offered for those interested in the flexibility of a major/minor program of study. Additional concentration may be developed through planned selection of elective business courses.

The department also offers five minors. The Business Administration minor provides a broad survey of business principles for non-business majors. Minors in Management, Marketing, and Entrepreneurship provide an opportunity for students to gain more focused study and are available to all students, including those with a major in the College of Business. The International Business minor is also available to students in the College of Business and to students not in the College of Business who meet prerequisite requirements.

Department of Management and Marketing Scholarships
Refer to the College of Business website at: www.uwec.edu/cob/undergraduate/honors/scholarships_awards.htm for an up-to-date listing of Department of Management and Marketing scholarships, or contact the department chairperson, Schneider 400E.

NOTICE: MATH REQUIREMENT—ALL STUDENTS MAJORING IN MANAGEMENT, MARKETING, INTERNATIONAL BUSINESS, OR BUSINESS ADMINISTRATION MUST COMPLETE MATH 111, A SHORT COURSE IN CALCULUS, OR THE EQUIVALENT.

All students earning the BBA degree with a major in Business Administration, Health Care Administration, International Business, Management (all emphases) or Marketing (all emphases) must complete the High Impact Practices (HIP) assessment during their last semester. The HIP assessment is administered electronically during the fall, spring, and summer terms.

Additional Recommendations (to be used in partial fulfillment of General Education requirements): The Department of Management and Marketing strongly encourages all majors to pursue additional work in such courses as Advanced Public Speaking, Technical Writing, and Business Report Writing. Majors are also encouraged to participate in an international exchange/study program; participate in an internship (See Bsd 398, Mgmt 398, Mktg 398), and seek leadership roles in organizations on and off campus. The Leadership Certificate is also highly encouraged.
CERTIFICATE: LEADERSHIP STUDIES (Code 820-601)
The Leadership Studies Certificate program is a special recognition awarded to students who have completed the following requirements:

1. Leadership Certificate course work. The following course work must be completed with a B- or above GPA:

   Required courses:
   - Mgmt 200 Developing the Leader Within You (3 crs)
   - Mgmt 340 Organizational Behavior (3 crs)

   Elective courses. Complete a minimum of six credits from the following (with at most 3 credits from MSL 101, 102, 201, 202):
   - Mgmt 446 Organizational Change and Development (3 crs)
   - Mgmt 494 Topics in Leadership (1-3 crs)
   - CJ 407 Leadership Communication (3 crs)
   - MSL 101 Leadership and Personal Development
   - MSL 102 Introduction to Tactical Leadership
   - MSL 201 Innovative Team Leadership
   - MSL 202 Foundations of Tactical Leadership
   - HCAD 302 Leadership and Management Practices in Health Services
   - MGMT 345 Managing Global Organizations (counts as 1 elective credit toward the Leadership certificate)

2. Leadership Experience. Students must provide evidence of bona fide leadership experience while completing the BBA degree. This is done by (a) submitting a resume that outlines the student’s leadership positions and experiences, briefly explaining responsibilities and accomplishments in each case, and (b) submitting a letter of recommendation from an organization advisor, board member (non-student), or other supervisor. The letter of recommendation must specifically attest to the leadership requirements of the position held and give specific examples of the leadership skills demonstrated by the student. Generic, employment-related letters of reference will not be accepted. Students are encouraged to obtain prior verification from the Management and Marketing department chair that their intended leadership experience will fulfill the requirements of the certificate.

3. Leadership Reflection Paper. Candidates for the Leadership Studies Certificate must submit a paper that reflects on the leadership experience documented by the resume and letter of recommendation described above. The paper should be five to seven pages in length, double-spaced in 12 point font. The suggested outline for the paper is as follows:
   • A description of the leadership experience
   • Self-evaluation of your strengths and weaknesses as a leader during these experiences.
   • Strategies and tactics for improving on your weaknesses and capitalizing on your strengths as a leader.
   • Evaluation of how your leadership course work relates to your leadership experiences.

   The application form for the Leadership Studies Certificate is available in the Management and Marketing department office, SSS 400D. The resume, letter of recommendation, and reflection paper should be submitted with the completed application form.

Major/Minor Combinations are allowed in the Department of Management and Marketing. See Major/Minor Combinations, page 205.

DEPARTMENT HONORS – MANAGEMENT AND MARKETING
The Management and Marketing Honors Program provides students within the Management and Marketing Department with opportunities for academic enrichment and challenge beyond usual course coverage and requirements. The program encourages and enables outstanding students to pursue high-level internships, collaborative research projects, and other high-impact projects. The program enhances students’ capacity for critical inquiry and independent learning, and develops their potential for leadership in the management, marketing, and health care administration professions. (Academic credit earned doing honors work in the Management and Marketing Honors program may also potentially count for students currently in the University Honors Program).

Participation in the Management and Marketing Honors Program is documented on the student’s university record. For more information, please get in touch with Dr. Kristy Lauver, department chair of Management and Marketing.

Eligibility. Upper-class business administration, management, marketing, and health-care administration majors with resident, overall GPAs of 3.50 or higher and major GPAs of 3.6 or higher. Admitted to the College of Business.

Procedure. Students will be invited into the honors program during the student’s first semester in the College of Business. Advisors will receive a report on the grade point eligibility of all students applying for admittance to the College of Business. Any student who has a 3.5 cumulative GPA will receive information about the department Honors program from their academic advisor. The information will include an information sheet and application form.

Requirements. To graduate with Departmental Honors in Management and Marketing, students must achieve resident and overall GPAs of 3.50 or higher and major GPAs of 3.6 or higher, pass the final review by the Management and Marketing Honors committee indicating appropriate rigor in their Honors work, and successfully complete at least two of the following Honors experiences:
   • Participate in substantial faculty/student collaborative research project
   • Present the results of a research project at a regional, national, or international conference
   • Design and execute, under the guidance of a department faculty member, a substantial professional project (e.g. for community members or agencies, or local companies), with substantial written report
   • Undertake an approved management and marketing internship or health-care practicum and write an in-depth professional reflection paper
   • Publication of a paper in a peer-reviewed journal
   • Study abroad or participation in the National Student Exchange with completion of a related Honors project
   • Other Honors projects approved by the department chair and the department Honors committee.

MAJOR: BUSINESS ADMINISTRATION (Code 740-200) (Code 740-201 online)
Requirements of the Business Administration Major
Forty semester credits, including the BUSCORE (31 credits) plus:

Required Courses (three credits)
- Acct 312 Managerial Accounting

Select a minimum of six credits of Bsd electives from the following:
- Bcom 306 Advanced Business Writing
- Bcom 307 Advanced Business Presentations
- Bcom 405 Advanced Business Communication
- Fin 325 International Financial Management
- Hcad 101 Introduction to Health Services Administration
- IS 455 Project Management
- Mgmt 200 Developing the Leader within You
- Mgmt 343 Supply Chain Management
- Mgmt 344 Quantitative Methods for Management and Operations
- Mgmt 347 Risk Management and Insurance
- Mgmt 345 Managing Global Organizations
- Mgmt 349 Human Resource Management
Management and Marketing

Mgmt 371 Introduction to Entrepreneurship
Mgmt 441 Service Operations Management
Mgmt 442 Production Planning and Control
Mgmt 445 Compensation Theory and Administration
Mgmt 446 Organizational Change and Development
Mgmt 455 Industrial Relations
Mgmt 494 Topics in Leadership
Mktg 332 Marketing Communications and Promotion Analysis
Mktg 334 Marketing Research
Mktg 335 International Marketing
Mktg 336 Business Logistics Management
Mktg 337 Professional Selling
Mktg 338 Marketing Analytics and Technology
Mktg 425 Marketing in Service Organizations
Mktg 432 Retail Management
Mktg 433 Sales Management
Mktg 490 Advanced Sales Topics

Students should note that the requirements of one or more certificates available within the College of Business can be partially satisfied by selecting Business Administration electives from the following. (See the requirements for each certificate for additional information.) Note there are no unique credit requirements (discussed below) if the certificate is not intended to satisfy the university requirement for a secondary area of concentration.

<table>
<thead>
<tr>
<th>Certificate</th>
<th>Relevant Bsad Electives</th>
</tr>
</thead>
<tbody>
<tr>
<td>Information Systems Certificate</td>
<td>IS 455; Mktg 338</td>
</tr>
<tr>
<td>Entrepreneurship Certificate</td>
<td>Mgmt 371</td>
</tr>
<tr>
<td>Leadership Certificate</td>
<td>Mgmt 200, 446, 494</td>
</tr>
<tr>
<td>International Business Certificate</td>
<td>Fin 325; Mgmt 345; Mktg 335</td>
</tr>
</tbody>
</table>

Business Administration majors using a College of Business certificate to satisfy the university requirement for a secondary area of concentration must have 12 credits that are unique to the certificate. To the extent that the certificate requirements overlap required or elective courses applied toward the Business Administration major, the student must take additional electives (from either the certificate or the BSAD major) to meet the 12 unique credit requirement.

Business Administration majors using the Certificate in Organizational Leadership and Communication (OLC Certificate) to satisfy the university requirement for a secondary area of concentration must have 12 credits unique to the certificate, and the following courses may not be counted as part of the unique credits: PSB 321, PSB 350, PSB 360, PSB 370, PSB 380.

Business Administration majors must complete the High Impact Practices (HIP) assessment during their last semester.

Minor: Business Administration (Code 740-405)
Thirty semester credits, including the Minor Core (Acct 201, 202; Econ 103, 104; IS 240) plus Math 246, Bsad 305, Fin 320, Mktg 330, Mgmt 340. This minor is not available to College of Business majors.

NOTE: Students selecting this minor must satisfy the College of Business admission requirements prior to enrollment in 300- or 400-level courses in the College of Business.

Comprehensive Major: Health Care Administration
(Code 660-054)
Today is a time of change and challenge in health care. New leaders are needed to guide development of new ways to provide high quality health care at costs to individuals and society that are affordable. The Health Care Administration program at UW-Eau Claire offers bright and committed students the opportunity to work with faculty who are dedicated to preparing leaders in a wide variety of health care organizations and to the individual development of each student. The goal is to prepare students to make a positive difference in the lives of others by joining efficient management practices with dedication to service.

This program focuses on the post-acute care continuum of health care institutions and services. This expansion of services from hospital through a range of intermediate alternatives to home care provides new and expanding opportunities for qualified health care administrators with baccalaureate education. The UW-Eau Claire program provides excellent preparation for graduates to serve in new administrative roles. For students who want to enter the acute care sector (hospitals), this program has proven an excellent preparation for the graduate education required.

All Health Care Administration students complete a 12-month practicum experience at one of the many affiliated health care facilities in Wisconsin, Minnesota, Illinois, and Iowa. The practicum provides students the opportunity to practice their skills and classroom knowledge as part of a leadership team. Graduates are thereby ready upon graduation to begin performing as leaders and managers in health care. The Health Care Administration program is accredited by the National Board of Examiners for Long Term Care Administration. Graduates of the Health Care Administration Program are eligible to take the Wisconsin, Minnesota, and 14 other states’ licensure examinations for Nursing Home Administrators (NHA). Most other states accept graduates from this program for licensure on an individual review basis.

Students who earn lower than a B- (B Minor) in Bcom 206 must complete Bcom 216 with a grade of C or above. Students who earn lower than a B- in Bcom 206 must complete Bcom 217 with a grade of C or above. Students must complete all other required courses for the major with a grade of C or above. Overall GPA must be at least 2.75. The program also has an enrollment management requirement, which utilizes an application process every semester to admit qualified students. See “Admission to the Health Care Administration Program” later in this section for application information.

Cultural Diversity Requirement. Health Care Administration majors will satisfy a portion their Cultural Diversity requirement by taking CJ 202, and Bsad 300. (CJ 202 must be taken at UW-Eau Claire to qualify for Cultural Diversity credit.)

Service-Learning. This University requirement is met through the required practicum experience.

Scholastic Requirements. Students who earn lower than a B- (B Minor) in Bcom 206 must complete Bcom 216 with a grade of C or above. Students who earn lower than a B- in Bcom 206 must complete Bcom 217 with a grade of C or above. Students must complete all other required courses for the major with a grade of C or above. Overall GPA must be at least 2.75. The program also has an enrollment management program, which utilizes an application process every semester to admit qualified students. See “Admission to the Health Care Administration Program” later in this section for application information.

Practicum Cohort. At the time of admission to the program, students are assigned to the practicum cohort for a specific year. Application to specific practicum sites occurs the year prior to placement, and there is a competitive application process for practicum sites among admitted students. More information about this process may be found on the Health Care Administration program Web site. Even if placed at a practicum site, students must meet academic standing requirements and have completed all non-practicum course work before being allowed to move forward. If the student’s degree plan changes such that more time is required to complete non-practicum course requirements, students may be reassigned to a future cohort.

Student Background Check and Health Requirements

State law requires background checks on all students placed at the clinical practicum sites. All students accepted into the program must complete the Wisconsin Department of Health and Family Services Background Information Disclosure, as well as a release for a Wisconsin Department of Justice Criminal Background Check. Non-resident students must also have background checks completed in their state of residence. Additional information regarding the Wisconsin Caregiver Law can be obtained from DHFS’s Web site: www.dhfs.state.wi.us.

Within 90 days prior to beginning the practicum experience, the student must have a physical exam to provide evidence that the student is free from infectious disease and evidence of a TB skin test. A chest X-ray is required if the TB skin test is positive. It is also recommended that students be vaccinated annually against influenza. Students are not permitted to participate in clinical course work unless all immunizations, TB tests, and background checks are current.

All expenses associated with background checks and health requirements are borne by the student unless the Student Health Service specifically indicates otherwise. Students are not covered by health or accident insurance by UW-Eau Claire, the practicum facility, or the practicum institution. In addition, workers’ compensation insurance does not cover students while engaged in clinical practice. For example, if a student suffers a needle stick or is hurt while in practicum, they will need personal health insurance to cover medical bills.

Transferring Students

Any student anticipating transfer to UW-Eau Claire for the Health Care Administration Program is urged to consult the university Admissions Office as early as possible for information about GPA and course requirements for admission and for the degree requirements (see Admission to the Health Care Administration Program). Official review of the student’s academic record is made by the Admissions Office. Transfer students may declare Pre-Health Care Administration when transferring.

Spring Semester
Hcad 402 Fundamental Field Experience Skills III 6
Hcad 406 Information Use and Systems 1
Hcad 407 Financial Management 1
Hcad 408 Marketing and Public Relations 1
Hcad 422 Strategic Health Services Leadership Practices 3
Total 31

Health Care Administration majors must complete the High Impact Practices (HIP) assessment during their last semester.

Health Care Administration majors need to meet the overall University General Education requirements. Specific to the Health Care Administration program are those courses listed by GE category in the table below.

<table>
<thead>
<tr>
<th>HEALTH CARE ADMINISTRATION MAJOR PROFICIENCY REQUIREMENTS</th>

Within 90 days prior to beginning the practicum experience, the student must have a physical exam to provide evidence that the student is free from infectious disease and evidence of a TB skin test. A chest X-ray is required if the TB skin test is positive. It is also recommended that students be vaccinated annually against influenza. Students are not permitted to participate in clinical course work unless all immunizations, TB tests, and background checks are current.

All expenses associated with background checks and health requirements are borne by the student unless the Student Health Service specifically indicates otherwise. Students are not covered by health or accident insurance by UW-Eau Claire, the practicum facility, or the practicum institution. In addition, workers’ compensation insurance does not cover students while engaged in clinical practice. For example, if a student suffers a needle stick or is hurt while in practicum, they will need personal health insurance to cover medical bills.

Transferring Students

Any student anticipating transfer to UW-Eau Claire for the Health Care Administration Program is urged to consult the university Admissions Office as early as possible for information about GPA and course requirements for admission and for the degree requirements (see Admission to the Health Care Administration Program). Official review of the student’s academic record is made by the Admissions Office. Transfer students may declare Pre-Health Care Administration when transferring.
or may apply for acceptance into the Health Care Administration program as described above prior to transferring to the university.

Readmission to the Health Care Administration Program
Students who withdraw from the program and wish to return for completion must send a letter requesting readmission to the Management and Marketing department at least three months in advance of the desired readmission date.

Applicants must meet the current admission requirements of the Health Care Administration program. Consideration will be given to the length of absence, the student’s ability to achieve, and availability of space in the student’s desired practicum cohort. If readmission to the program is granted, the remaining program will be planned as considered best for the student and according to the current curriculum.

Costs. Health Care Administration is a professional discipline, and students enrolled in the program must anticipate some additional costs that are directly related to the Health Care Administration program. These include textbooks, health requirements, technology costs (e.g., laptop and internet access), and transportation and lodging associated with the practicum experience and learning modules.

Termination from Program
A student may be terminated from the Health Care Administration program for any of the following reasons:
1. Failure to maintain good academic standing within the university.
2. Failure to demonstrate the potential for consistently safe, responsible, and ethical professional practice.
3. Likelihood that a student’s condition, presentation, or prior experience will adversely affect the student, other persons, the University, an agency or site used for practicum, or the patients or residents served.

If a student demonstrates deficiencies during the practicum experience that the faculty or practicum supervisor determine to be clearly unsafe or unprofessional behavior, the student will be immediately removed from the practicum situation.

A student who has been notified of termination from the program may appeal for reinstatement. This policy applies to termination from the Health Care Administration program only. A student’s status within the University remains subject to University academic standing policies.

Minors or Certificates. Students majoring in Health Care Administration are not required to declare a minor area of study. However, many minors and/or certificates such as leadership, business communication, Spanish for health care, etc. make excellent complementary programs to the major. Students who have room in their schedule before beginning practicum are encouraged to discuss these options with their advisers.

Scholarships. Several scholarships are available to students in the Health Care Administration major. Additional information may be obtained from the Department of Management and Marketing or by visiting the Financial Aid Web site at www.uwec.edu/finaid.

Satisfactory/Unsatisfactory Policy. No course required for the degree in health care administration may be taken on a Satisfactory/Unsatisfactory basis.

COMPREHENSIVE MAJOR: MANAGEMENT
The Management major prepares students to assume managerial roles in a variety of organizations, and provides a foundation of knowledge for addressing managerial issues and challenges at all organizational levels. The Entrepreneur Program, Human Resource Management, and Operations and Supply Chain Management emphases provide more focused study for the student with specific goals. Students may also select the general management emphasis.

Entrepreneur Program Emphasis (Code 820-002)
The program offers a unique learning experience for students who aspire to either start their own business or secure employment in a growth-oriented business. The program helps students to identify viable career options in entrepreneur/entrepreneur environments, to expand conceptual and creative approaches to the entrepreneurial process, and to develop a repertoire of venture management skills. “Hands on” experiences with many guest speakers, field trips, and special projects are emphasized. The students expand their creativity into a viable business plan that is the major project for the program. The program combines formal education with practical applications to develop skills in leadership, needs assessment, opportunity identification, resource development, strategic thinking, and risk taking. The ultimate goal of the program is to give the student an in-depth broad-based and practical education on the foundation of entrepreneurship.

Requirements for the Entrepreneur Emphasis
At least sixty semester credits, including the 31 credit BUSCORE plus 29 additional credits as listed below:

Required Courses (18 credits)
- Acct 312 Managerial Accounting 3 crs
- Bsad 306 Business Law 3 crs
- Mgmt 371 Introduction to Entrepreneurship 3 crs
- Mgmt 373 New Venture Feasibility 3 crs
- Mgmt 374 New Venture Start-up and Growth 3 crs
- Mgmt 471 Business Plan Considerations and Drafting 3 crs

Electives (11 credits) Select from:
- Mgmt 342 Quality Management 3 crs
- Mgmt 343 Purchasing and Supply Chain Management 3 crs
- Mgmt 344 Quantitative Methods for Management and Operations 3 crs
- Mgmt 347 Risk Management and Insurance 3 crs
- Mgmt 349 Human Resource Management 3 crs
- Mgmt 398 Internship Program I 3 crs
- Mgmt 414 Small Business Consulting 3 crs
- Mgmt 461 Lean Manufacturing Systems and Concepts 3 crs
- Mktg 334 Marketing Research 3 crs
- Mktg 337 Professional Selling 3 crs
- Mktg 372 Advanced Marketing for Entrepreneurs 3 crs
- Mktg 425 Marketing in Service Organizations 3 crs

MINOR: ENTREPRENEURSHIP (Code 820-402)
Minimum 32 semester credits, including the Minor Core (Acct 201, 202; Econ 103, 104; IS 240), plus 17-18 additional credits as described below:

Required Courses (17/18 credits)
- Bsad 305 Legal and Regulatory Environment or 2 crs
- Bsad 306 Business Law 3 crs
- Mktg 330 Principles of Marketing 3 crs
- Mgmt 371 Introduction to Entrepreneurship 3 crs
- Mgmt 373 New Venture Feasibility 3 crs
- Mgmt 374 New Venture Start-up and Growth 3 crs
- Mgmt 471 Business Plan Considerations and Drafting 3 crs

NOTE 1: Students selecting this minor must satisfy College of Business admission requirements prior to enrollment in 300- or 400-level courses in the College of Business.

NOTE 2: If your major is in the College of Business, a minimum of 12 credits in each program must be unique to the program (not overlap the companion programs), and Econ 103 and 104 may not be counted toward these unique credits.

Management majors with Entrepreneur program emphasis must complete the High Impact Practices (HIP) assessment during their last semester.
CERTIFICATE: ENTREPRENEURSHIP (Code 820-603)
12 Semester Credits as follows
Required Courses (9 credits)
Mgmt 371 Introduction to Entrepreneurship 3 crs
Mgmt 373 New Venture Feasibility 3 crs
Mgmt 374 New Venture Start-up and Growth 3 crs
Electives (3 credits)
Electives may be selected from the courses listed above in the Entrepreneurship major or minor, or other pre-approved business course. (Mgmt 471 may be used as the certificate elective with instructor permission. Non-business majors should consult with the chair of the department offering other elective courses for a prerequisite waiver.)

Human Resource Management (HRM) Emphasis (Code 820-003)
This emphasis is structured to prepare students for careers in HRM immediately upon graduation or shortly thereafter. Historically, “personnel departments” were primarily administrative in scope. Today, there is tremendous complexity, diversity, and sophistication confronting managers of human resources. Most corporations require highly skilled professionals who have been academically trained in the areas of HRM. Corporations now are looking to the “human resource function” as a strategic partner in executive decision making. The HRM emphasis will prepare students in the following areas: staffing (recruitment and selection), training and development, labor relations, compensation and benefits, employee relations, organizational change, and relevant legal concerns. Special focus will be directed at the changing demographic composition of employees and Workforce 2000 issues. Students are encouraged to take additional written and oral communication courses. Students will be required to study for and take the Society for Human Resource Management Certification Test.

Requirements for the Human Resource Management Emphasis
Sixty semester credits, including the BUSCORE plus 29 required and elective credits as listed below:

Required Courses (20 credits)
Mgmt 349 Human Resource Management
Mgmt 445 Compensation Theory and Administration
Mgmt 446 Organizational Change and Development
Mgmt 455 Industrial Relations
Mgmt 459 Advanced Human Resource Management
Acct 312 Managerial Accounting
CJ 350 Training and Human Resource Development
Pass the Society for Human Resource Management (SHRM) Certification Examination.*
Plus nine elective credits from Mgmt 200, 342, 343, 344, 345, 347, 398, 399, 414, 441, 442, 443, 492, 494, 499 (with one course at most from Mgmt 441, 442; and three credits at most from Mgmt 399, 499); Bcom 405; IS 330.
*Students who meet all requirements for this emphasis except the certification requirement are considered to have satisfied requirements for the Management emphasis.

Management majors with Human Resource Management emphasis must complete the High Impact Practices (HIP) assessment during their last semester.

Operations and Supply Chain Management Emphasis (Code 820-004)
Students may select this emphasis which is designed to prepare them for careers in operations and supply chain management. Students are required to pursue professional certification as a CPIM (Certified in Production and Inventory Management). Information on certification is available from the department office.

Requirements for the Operations and Supply Chain Management Emphasis
Sixty semester credits, including the BUSCORE and 29 required and elective credits as listed below:

Required Courses (21 credits)
Acct 312 Managerial Accounting
Mgmt 342 Quality Management
Mgmt 343 Supply Chain Management
Mgmt 344 Quantitative Methods for Management and Operations
Mgmt 349 Human Resource Management
Mgmt 442 Production Planning and Control
Mgmt 461 Lean Manufacturing Systems and Concepts
Plus eight elective credits from Mgmt 345, 347, 354, 398, 414, 441, 443, 446, 452, 455, 493, 499 (with three credits at most from Mgmt 399, 499); Bcom 405; IS 455; Mkmg 336.

In addition, students must pass one of the following APICS Certified in Production and Inventory Management (CPIM) examinations: Master Planning of Resources, Detailed Scheduling and Planning, Execution and Control, or Strategic Management of Resources. Students who meet all requirements for this emphasis except the certification requirement are considered to have satisfied requirements for the Management emphasis.

Management majors with Operations and Supply Chain Management emphasis must complete the High Impact Practices (HIP) assessment during their last semester.

Management Emphasis (Code 820-000)
The general management emphasis provides a broad background focusing on the effective management and development of employees within the firm.

Requirements for the General Management Emphasis
Sixty semester credits, including the BUSCORE and 29 additional credits as listed below:

Required Courses (12 credits)
Acct 312 Managerial Accounting
Mgmt 349 Human Resource Management
Mgmt 200 Developing the Leader Within You or
Mgmt 446 Organizational Change and Development;
Mgmt 342 Quality Management or
Mgmt 343 Supply Chain Management or
Mgmt 441 Service Operations Management or
Mgmt 442 Production Planning and Control
Plus 17 elective credits from Mgmt 200, 342, 343, 344, 345, 347, 354, 398, 399, 414, 441, 442, 443, 445, 452, 455, 459, 461, 492, 493, 494, 499 (with three credits at most from Mgmt 399, 499); Bcom 306, 307, 305 (with one course at most from Bcom 306, 307, 305); Mkmg 432, 433 (with one course at most from Mkmg 432, 433).

General management majors must complete the High Impact Practices (HIP) assessment during their last semester.

MINOR: MANAGEMENT (Code 820-401)
Twenty-seven semester credits, including the Minor Core (Acct 201, 202; Econ 103, 104; IS 240); Mgmt 340; and nine credits from Mgmt 341, 342, 343, 344, 345, 347, 349, 441, 442, 443, 445, 446, 455.
NOTE 1: Students selecting this minor must satisfy the College of Business admission requirements prior to enrollment in 300- or 400-level courses in the College of Business.
NOTE 2: If your major is in the College of Business, a minimum of 12 credits in each program must be unique to the program (not overlap the companion programs) and Econ 103 and 104 may not be counted towards these unique credits.
MANAGEMENT AND MARKETING

COMPREHENSIVE MAJOR: MARKETING (Code 840-000)
Marketing involves the performance of activities that facilitate exchange, such as buying, selling, pricing, and transporting. Marketing is done by businesses and for-profit organizations, even individuals like political candidates, using strategies appealing to final consumers, organizational buyers, and other publics. Careers in marketing typically begin with sales jobs and retail store management training, and progress (often with graduate study) to the management of functions like sales, advertising, distribution, market research, and purchasing.

Requirements for the Marketing Major
Sixty semester credits, including the BUSCORE and 29 additional credits as listed below:

Required Courses (15 credits)
Acct 312  Managerial Accounting
Mktg 331  Buyer Behavior
Mktg 334  Marketing Research
Mktg 338  Marketing Analytics and Technology
Mktg 438  Marketing Management

Students may select any combination of at least 14 credits from Mktg 332, 333, 336, 337, 398, 425, 432, 433, 434, 437, 491; Mgmt 343, 441 (with one course at most from Mgmt 343, 441); Bcom 306, 307, 405 (with two courses at most from Bcom 306, 307, 405). The Marketing faculty recommends the Advanced Business Communication Certificate for Marketing majors.

General Marketing majors must complete the High Impact Practices (HIP) assessment during their last semester.

Professional Sales Emphasis (Code 840-001)
Students may select the Professional Sales emphasis designed to prepare them for competence in oral persuasion skills, proposal preparation, negotiating, relationship management, and sales force management.

Requirements for the Professional Sales Emphasis
Sixty semester credits, including the BUSCORE and 29 additional credits as listed below:

Required Courses (21 credits)
Acct 312  Managerial Accounting
Mktg 334  Marketing Research
Mktg 337  Professional Selling
Mktg 338  Marketing Analytics and Technology
Mktg 433  Sales Management
Mktg 438  Marketing Management

Plus 8 credits from Mktg 331, 335, 337, 398, 425, 432, 433, 490, 491; Bcom 306, 307, 405 (with one course at most from Bcom 306, 307, 405). Mktg 337 or 432 are strongly recommended.

Marketing majors with Marketing Analytics emphasis must complete the High Impact Practices (HIP) assessment during their last semester.

MINOR: MARKETING (Code 840-001)
Twenty-seven semester credits, including the Minor Core (Acct 201, 202; Econ 103, 104; IS 240) plus Mktg 330; nine credits from Mktg 331, 332, 334, 335, 336, 337, 425, 432, 433, 434, 437.

NOTE 1: Students selecting this minor must satisfy the College of Business admission requirements prior to enrollment in 300- or 400-level courses in the College of Business.

NOTE 2: If your major is in the College of Business, a minimum of 12 credits in each program must be unique to the program (not overlap the companion programs) and Econ 103 and 104 may not be counted towards these unique credits.

COMPREHENSIVE MAJOR: INTERNATIONAL BUSINESS (Code 850-001)
The International Business major is an interdisciplinary program. The major provides an understanding of the business world and the global economy in a manner that will enrich the business degree program. The economic and business decisions made by businesses and governments around the world have a profound impact on us. The International Business major provides students with the knowledge and skills they need to effectively compete in a global workplace. The major includes an international experience requirement that may be a study abroad, international internship, or an internationally-oriented internship with a company located in the United States. In addition to the required courses, students will also take several elective courses in general education disciplines such as art history, anthropology, geography, history and religious studies. For many college graduates, an international business career represents images of a fast paced life filled with glamour and intrigue associated with living outside of the United States. Entry-level positions in international business for new college graduates are often in locations within the United States; mid-level positions often involve travel to other countries. Employees with the most experience or skills receive the overseas assignments, having the academic background and knowledge in international business is a criterion for selection of expatriates. Typically, four types of organizations seek individuals to work internationally: multinational corporations, international trade and economic development organizations, non-profit and humanitarian organizations, and government agencies. Students in the College of Business are also strongly encouraged to combine the international business major with a second major and consider a double major in a functional business area such as management, marketing, accounting or finance. The College of Business currently offers major programs in accounting, finance, management, marketing and information systems in addition to international business.
Requirements for the International Business Major
Sixty semester credits, including the BUSCORE (students will be required to test out of or complete the Business Writing Fundamentals program prior to or concurrently with Bcom 206) and 29 additional credits as listed below:

Required International Business Courses (15 credits)
- Fin 325 International Financial Management 3 cr
- Intb/Mgmt 345 Managing Global Organizations 3 cr
- Intb/Mktg 335 International Marketing 3 cr
- Flg 300/400 Upper Division Foreign Language Course 3 cr

One of the following courses:
- Econ 351 International Economics or 3 cr
- Econ 353 Economics of Pacific Asia or 3 cr
- Econ 355 Economic Development of the Third World or 3 cr
- Econ/Las 356 Economic Development of Latin America

Selected International Business Requirements
(Choose any combination of at least 14 additional credits [major must total 60 credits], maximum one course per discipline; two from Business may be included if one of these is Bsad 398) with at least six Upper Division credits)
- Acct 405, International Accounting 3 cr
- Anth 315, 351, 355, 422, 463, Anth/Wmns 356 3 cr
- ArtH 112, 201 3 cr
- Bsad 315, International Business Law 3 cr
- Bsad 398 Internship Program I 3 cr
- Bsad 491, Selected Topics in International Business 3 cr
- CJ 301, 319 3 cr
- Econ 351, 353, 355 or Econ/LAS 356 3 cr
- Flg for Business Professions Upper Division Course (Fren 340, Germ 315, 316, Span 306, 320, 421, 440) 2-3 cr
- Geog 301, 308, 319, 321, 366 3 cr
- Mgmt 343 3 cr
- Pols 122, 260, 265, 321, 322, 323, 324, 327, 390, Pols/LAS 319 3 cr
- Rel 100, 304, 307, 309, 312, 314, 323 3 cr

1 A student cannot count the same course for both required and elective credits.

IBE Requirement
Students must complete an international business experience (IBE) in order to graduate with the International Business major. This requirement may be met by completing one of the following:

1. Complete a three-credit International Business Internship at an overseas location or domestically with a small or large business engaged in international operations that allows the content of the internship to be international. The completion of an internship will include a written report as specified by the International Business adviser. Students must complete the internship application form for their internship in order to have the experience approved.

2. Complete a three-credit Upper Division Business course at a study abroad site.

International business majors must complete the High Impact Practices (HIP) assessment during their last semester.

Students double majoring in one of the functional majors will, in addition, have to complete the following courses as listed for each functional major:

Accounting:
- Required Accounting Major Courses (22 credits)
  - Acct 301 Intermediate Accounting I 3 cr
  - Acct 302 Intermediate Accounting II 3 cr
  - Acct 313 Auditing 3 cr
  - Acct 314 Cost Accounting 3 cr
  - Acct 321 Introduction to Income Tax 3 cr
  - Acct 401 Advanced Financial Accounting 3 cr
  - Acct 404 Income Tax Assistance 1 cr
  - Acct 460 Accounting Technology and Applications 3 cr

Electives in the Accounting Major
Choose any combination of at least seven additional credits (three courses) from the following:
- Acct 305 Environmental Accounting 3 cr
- Acct 405 International Accounting 3 cr
- Acct 410 Investment and Retirement Plan Accounting 3 cr
- Acct 415 Advanced Auditing 3 cr
- Acct 417 Government and Nonprofit Accounting 3 cr
- Acct 420 Fraud Investigation 3 cr
- Acct 423 Advanced Tax Accounting 3 cr
- Acct 425 Ethics in Accounting 3 cr
- Acct 430 Accounting Systems 3 cr
- Acct 444 Profit Management and Budget 3 cr
- Acct 450 Financial Statement Analysis 3 cr
- Acct 495 Accounting Internship 1-3 cr
- Bsad 315 International Business Law 3 cr
- Bsad 491 Selected Topics in International Business 1-3 cr
- Econ 351 International Economics 3 cr
- Econ 353 Economics of Pacific Asia 3 cr
- Econ 355 Economic Development of the Third World 3 cr
- Econ/Las 356 Economic Development of Latin America

Required Finance Major Courses (21 credits)
- Finance Foundation Courses (12 credits)
  - Fin 321 Financial Markets and Institutions 3 cr
  - Fin 322 Investments 3 cr
  - Fin 325 International Financial Management 3 cr
  - Fin 327 Long Term Financial Management 3 cr

- Required Accounting Courses (minimum of six credits from)
  - Acct 301 Intermediate Accounting I 3 cr
  - Acct 302 Intermediate Accounting II 3 cr
  - Acct 314 Cost Accounting 3 cr
  - Acct 321 Income Tax Accounting 3 cr

- Required Finance Electives (choose one course, three credits)
  - Fin 326 Short Term Financial Management 3 cr
  - Fin 371 Introduction to Insurance 3 cr
  - Fin 420 Cases in Financial Management 3 cr
  - Fin 424 Portfolio Management 3 cr
  - Fin 425 Commercial Bank Management 3 cr
  - Fin 429 Personal Financial Planning 3 cr

Finance:
- Required Finance Major Courses (21 credits)

NOTE: Students who are double majoring in International Business and Accounting will be allowed to count either Mgmt 345 or Mktg 335 (but not both) toward the elective credits required for the Accounting major.
**Electives in the Finance Major**

Choose any combination of at least eight additional credits (three courses) from the following:

1. Only students who are double majoring in International Business and Management will be allowed to count either Fin 325 or Mktg 335 (but not both) toward the elective credits required for the Management major.

2. With at most one course from Bcom 306, 307, 405

3. With at most one course from Mktg 432, 433

4. If a Mgmt course is selected as a "required" option (see above) it may be considered an elective as well. (e.g., Mgmt 200, Mgmt 343)

5. If a selected Mgmt course is selected as a "required" option (see above) it may be considered an elective as well. (e.g., Mgmt 200, Mgmt 343)
MANAGEMENT AND MARKETING

2. With at most one course from Mgmt 343, 441.
3. Only students who are double majoring in International Business and Marketing will be allowed to count either Fin 325 or Mgmt 345 (but not both) toward the elective credits required for the Marketing major.

International Business Minor

The International Business Minor is designed to enable students to enhance their perspective of the business environment as a global, rather than local, enterprise. Completion of the minor adds value to any major at UW-Eau Claire.

The minor requires foreign language competence at the 201 level. Advanced business courses taken during a study abroad semester will replace the directed study or independent study options listed below.

This minor was designed to complement the UW-Eau Claire Global Studies Minor and to enhance all majors at UW-Eau Claire. Contact the CADE office (SSS 119) for advising related to the International Business minor. The minor requires students to meet College of Business admission requirements.

MINOR: International Business (Code 740-411)

Required Courses: (12 credits of the following):

- Fin 325 International Financial Management
- Mgmt 345 Managing Global Organizations
- Mktg 33 International Marketing
- Econ 351 or 353 or 355 or Econ/LAS 356
- Foreign language competence at the 201 level is required for completion of the minor. Students may choose to either take 201 as an elective or test out of foreign language at the 201 level.

Elective Courses: Twelve credits from the following (maximum one course per discipline with at least six of the twelve credits being from the 300-400 level):

- Acct 405 International Accounting
- Anth 315, 355, 422, 463, Anth/Wmns 356
- ArtH 112, 201
- Bsad 315 International Business Law
- Bsad 491 Selected Topics in International Business
- CJ 301, 319
- Econ 351, 353, 355; Econ/LAS 356
- Up to four credits of Foreign Language
- Geog 301, 308, 319, 321, 366
- Hist 124, 125, 204, 252, 284, 286, 292, 304, 306, 315, 326, 360, 362, 366, 371, 375, 376, 379, 381, 382, 383, 384, 387, 388, 389, 393 (1-5 crs); Hist/LAS 311; Hist/Wmns 385
- Mgmt 343 Supply Chain Management
- Pols 122, 260, 265, 321, 322, 323, 324, 327, 390; Pols/LAS 319
- Rels 100, 304, 307, 309, 312, 314, 323

Total: 24 credits

CERTIFICATE: INTERNATIONAL BUSINESS (Code 740-610)

The Certificate in International Business is designed to enhance the bachelor’s degree for any student at UW-Eau Claire. Students for whom studying abroad or an international internship are not options can complete the 12 credit certificate and add valuable insights into the global business environment.

The Certificate was designed by participating faculty in the UW-Eau Claire College of Business, the Business Advisory Council, and the International Business Advisory Council. It is designed to complement the UW-Eau Claire Global Studies minor, and to enhance all majors at UW-Eau Claire.

Students should contact the CADE center (Schneider 119) for additional information regarding the International Business certificate. The Certificate requires students to meet College of Business admission requirements.

International Business Certificate Requirements

Required Courses: (Nine credits of the following):

- Fin 325 International Financial Management
- Mgmt 345 Managing Global Organizations
- Mktg 335 International Marketing

Elective Courses: Three-four credits from the following (maximum one course per discipline):

- Acct 405 International Accounting
- Anth 315, 355, 355, 422, 463, Anth/Wmns 356
- ArtH 112, 201
- Bsad 315 International Business Law
- Bsad 491 Selected Topics in International Business
- CJ 301, 319
- Econ 351, 353, 355, Econ/LAS 356
- Up to four credits of Foreign Language
- Geog 301, 308, 319, 321, 366
- Hist 124, 125, 204, 252, 284, 286, 292, 304, 306, 315, 326, 360, 362, 366, 371, 375, 376, 379, 381, 382, 383, 384, 387, 388, 389, 393 (1-5 crs); Hist/LAS 311; Hist/Wmns 385
- Mgmt 343 Supply Chain Management
- Pols 122, 260, 265, 321, 322, 323, 324, 327, 390; Pols/LAS 319
- Rels 100, 304, 307, 309, 312, 314, 323

Total 12 credits
MILITARY SCIENCE AND LEADERSHIP
Schneider Social Science 209  |  715-836-3617  |  rotc@uwec.edu
www.uwec.edu/cob/centerforleadership/rotc

The Military Science and Leadership courses are part of the Army Reserve Officer Training Corps (ROTC). These courses prepare a student, along with earning a bachelor’s degree, to receive a commission as an Army officer for either active duty, the Army National Guard, or the Army Reserve.

MSL classes include three components: lecture, leadership lab, and physical training sessions:

- **Lecture** – Lecture content focuses on leadership development, leadership theories, Army fundamentals, written and oral communication skills, cultural awareness, mentoring, and emphasize practical leadership application.

- **Leadership Lab** – Students will continue to develop proficiency in planning and executing complex operations and mentoring subordinates in the ROTC program. Explore training management, staff collaboration, and developmental counseling techniques. Attendance is required at a two hour session, 1 day per week as indicated on the class schedule.

- **Physical Training** – Includes techniques to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Required for all students, one to three days per week depending on course level. See individual course descriptions for physical training hours required per week. Note: Students may select their physical training days, subject to the required number of sessions per week. Physical training sessions are typically scheduled at the same time of day as the leadership lab on those weekdays when leadership lab is not scheduled.

Students also participate in off-campus training exercises and competitions. Cadets can compete to attend training nationwide and overseas. Cadets who sign a contract to complete ROTC receive a monthly stipend while in school. Experienced Army cadre instruct and mentor as a team in class, leadership lab, and physical training, thus providing leadership feedback and mentoring to the students from several perspectives.

**Basic Courses.** 100- and 200-level MSL courses are open to any UW-Eau Claire undergraduate student regardless of major. Students may start the classes in either the fall or spring semester. Taking these classes requires no obligation to the Army. The basic courses can be fulfilled in three ways: taking all four courses, completing military basic training, or attending the four-week summer ROTC Leader Training Course in Kentucky. Students with six semesters remaining until graduation may take the 100- and 200-level courses concurrently. These classes can be taken during study abroad.

**Advanced Courses.** 300- and 400-level MSL courses are open to any UW-Eau Claire undergraduate student regardless of major. Graduate students may enroll in the corresponding 500- and 600-level dual-numbered courses. Taking these classes requires that the student make a commitment to contract as a Cadet which requires service to the active Army, Army Reserve or Army National Guard after graduation. Enrollment requires receiving credit for the basic courses and meeting Army prerequisites. Students must have four semesters remaining in full-time status to complete the MSL 301/302/401/402 course series. Students hold leadership positions throughout the semester and have significant responsibilities in planning and leading training during leadership lab and physical training. All advanced cadets attend the capstone Leadership Development and Assessment Course at Fort Knox, KY. MSL 301 and MSL 302 must be taken in sequence followed by the capstone summer training. Students are required to take an upper level U.S. military history course, which can be fulfilled by taking Hist 384, Hist 376, or Hist 377. Students must maintain a 2.0 GPA to receive a commission.

**ROTC Scholarships.** Cadets may be eligible for tuition scholarship, room and board scholarship, study abroad scholarship, or federal tuition benefits. For more information, visit www.goarmy.com/rotc/scholarships.jsp or contact the ROTC cadre, Schneider 113. Interested students must contact the ROTC Office to determine the correct course in which to enroll, to get enrollment permissions, and to complete required paperwork.

**BSAD**

**BSAD 100 Introduction to the World of Business**
1 cr.  •  F, Sp  •  Special Course Fee Required  •  P: Credit cannot be earned if taken after BSAD 101.
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 0
• Credit cannot be counted toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
An introduction to the business organization, and the roles and functions performed by those who work within the business.

**BSAD 101 Business Concepts for Technical Professionals**
3 crs.  •  V  •  P: Limited to CS majors. Minimum sophomore standing.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 0
• Not open to College of Business juniors and seniors.
Business concepts for computer science majors or minors. Vocabulary of accounting, finance, management, marketing, and business communication. Emphasizes project management, team participation, business process reengineering, business systems analysis, professionalism, career planning, and business ethics.

**BSAD 105 Essentials of Accounting**
2 crs.  •  V  •  Special Course Fee Required  •  P: Credit cannot be earned if taken after ACCT 201.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• Credit cannot be counted toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course teaches students how to interpret basic financial statements. Students learn the parts of annual reports issued by companies, the differences between balance sheets and income statements, and basic accounting terminology.

**BSAD 110 Business Leadership Institute**
1-2 crs.  •  F  •  P: New Freshmen Only
Lecture/Discussion Hours: 1-2  |  Lab/Studio Hours: 0
This course helps students develop the knowledge and competencies necessary to reach their educational potential. Topics include leadership, teamwork, goal setting, time management, communication skills (interpersonal, oral, and written), social responsibility, globalization, and diversity.

**BSAD 115 Essentials of Human Resource Management**
2 crs.  •  V  •  Special Course Fee Required  •  P: Credit cannot be earned if taken after MGMT 349.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course examines policies and practices relating to recruitment, selection, training and development, performance appraisal, reward systems, and employee relations. This course is for non-business students seeking a business elective or the business administration certificate.

**BSAD 120 Essentials of Personal Finance**
2 crs.  •  V  •  Special Course Fee Required  •  P: Credit cannot be earned if taken after FIN 135.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course teaches how to manage your finances. You learn how to track spending, set up a budget, avoid hidden costs in transactions, and invest. You learn personal finance terminology used in the financial press.

**BSAD 125 Essentials of Marketing**
2 crs.  •  V  •  Special Course Fee Required  •  P: Credit cannot be earned if taken after MKTG 330.
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course provides students with a basic understanding of marketing. Students learn the role of product, price, promotion, and distribution in the marketing process and explore how marketing impacts their chosen field.
BSAD 130 Essentials of Management
2 crs. • V • Special Course Fee Required • P: Credit cannot be earned if taken after MGMT 340.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course explores basic managerial functions such as planning, organizing, staffing, directing, and controlling. Topics include the application of management principles to include aspects of authority, departmentalization, line and staff relations, and comparative management.

BSAD 135 Essentials of Business Communication
2 crs. • F: Wi, Sp, Su • Special Course Fee Required • P: Credit cannot be earned if taken after both BCOM 206 and BCOM 207.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit cannot be earned toward College of Business major or minor programs. No credit if taken after admission to College of Business.
This course introduces students to the basics of business communication. Students learn to determine the most effective means to communicate the plan, revise, and polish communication for business.

BSAD 140 Essentials of Information Systems
2 crs. • V • Special Course Fee Required • P: Credit cannot be earned if taken after IS 240.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course offers a focus on personal information systems to enhance your productivity in today's digital environment. It emphasizes computer use, tool integration, and support of business processes.

BSAD 145 Essentials of Business Law
2 crs. • V • Special Course Fee Required • P: Credit cannot be earned if taken after BSAD 305 or BSAD 306.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course examines the business legal environment, including sources of law and forms of business ownership. You will learn basic principles of agency, contract law, warranty and commercial paper.

BSAD 150 Essentials of Investing
2 crs. • V • Special Course Fee Required • P: Credit cannot be earned if taken after FIN 320.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course teaches the basics of financial investments. You will learn to identify investments and when and how much to invest. Topics include real estate, financial instruments, and insurance annuities. You will learn basic investment terminology.

BSAD 155 Essentials of Leadership
2 crs. • Sp • Special Course Fee Required • P: Credit cannot be earned if taken after MGMT 200 OR MGMT 340.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Credit cannot be earned toward any College of Business major or minor programs. No credit if taken after admission to College of Business.
This course will examine how “good” leadership has evolved, delve into theories that describe the process of leadership, and explore the various roles 21st century leaders must embrace to be effective.

BSAD 191 Special Topics
1-3 crs. • F; Sp, Su • May be repeated for a maximum of 6 credits
Selected topics of special interest to students and faculty, not normally covered in regular classes.

BSAD 202 Business Statistics
3 crs. • V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Probability and statistics applied to business problems; frequency and probability distributions, mean and variance, normal distribution, hypothesis testing, linear regression and correlation.

BSAD 210 Service-Learning in Business Administration
1 cr. • V • SL-Full • S/U Only Grade Basis
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
Students must complete 30 hours of volunteer service. Type of service must be approved by your faculty supervisor. A journal must be kept throughout the service-learning project documenting when, how long, and the type of activity. The service-learning project must be completed within one calendar year (preferably one semester). Assignments outstanding longer than this will be graded unsatisfactory.

BSAD 300 Diversity in the Workplace
1 cr. • F; Wi, Sp, Su • CDI • No S/U Grade Option • P: Completion of 45 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Develops the awareness and sensitivity of students to issues of race, religion, culture, age, gender, sexual orientation, and disabilities in the workplace.

BSAD 305 Legal and Regulatory Environment
2 crs. • F; Wi, Sp, Su • P: Completion of 54 credits
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Legal environment affecting business decision making, including sources of law, court systems, civil procedure, negligence, intellectual property, criminal law, standards, agency, partnerships, corporations and securities regulation, trade regulation, administrative law, and insurance law.

BSAD 306/506 Business Law
3 crs. • F, Sp • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• BSAD 306 is recommended prior to enrolment in this course.
• This class requires access to a laptop computer which can be brought to class when required.
• Quantitative aspects of business decision-making, including regression, time-series, ANOVA, queuing, simulation, decision analysis, and other statistical and management science techniques.

BSAD 380 Applied Quantitative Methods
3 crs. • V • P: MATH 111 or 114; BSAD 202 or MATH 246 or equivalent; IS 240.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• This class requires access to a laptop computer which can be brought to class when required.
• Students must have the service-learning option approved prior to starting the Internship.

BSAD 395/595 Directed Studies
1-4 crs. • Department Consent Required

BSAD 398 Internship Program I
1-3 crs. • F, Sp, Su • SL-Optional; IN; Special Course Fee Required • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
• This class requires access to a laptop computer which can be brought to class when required.
• Students must have the service-learning option approved prior to starting the Internship.

BSAD 399 Independent Study Projects
1-4 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Lecture/Discussion Hours: 1-4 | Lab/Studio Hours: 0
• This class requires access to a laptop computer which can be brought to class when required.

BSAD 491 Selected Topics in Business
1-3 crs. • V • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Instructor Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
Small groups will study topics selected because of a special interest on the part of students or faculty.

BSAD 495 Directed Projects
3 crs. • V • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0

BSAD 498 Internship Program II
1-3 crs. • F, Sp, Su • SL-Optional, IN; Special Course Fee Required • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
• This class requires access to a laptop computer which can be brought to class when required.

MANAGEMENT AND MARKETING

BSAD 300 Diversity in the Workplace
1 cr. • F, Wi, Sp, Su • CDI • No S/U Grade Option • P: Completion of 45 credits
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Develops the awareness and sensitivity of students to issues of race, religion, culture, age, gender, sexual orientation, and disabilities in the workplace.

BSAD 305 Legal and Regulatory Environment
2 crs. • F; Wi, Sp, Su • P: Completion of 54 credits
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Legal environment affecting business decision making, including sources of law, court systems, civil procedure, negligence, intellectual property, criminal law, standards, agency, partnerships, corporations and securities regulation, trade regulation, administrative law, and insurance law.

BSAD 306/506 Business Law
3 crs. • F, Sp • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.

HCAD

Note: HCAD in the course description (and just before the Prerequisite bullet point) refers to the HCAD Program Fee.

HCAD 101 Introduction to Health Services Administration
1 cr. • F, Sp • Field Trip(s) Required • P: Maximum class juniors. Not available for seniors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Survey of the field of health and aging services and the functions of various administrative roles. Provides experiences upon which to base decisions about health services administration as a career.

HCAD 222 Multidisciplinary Perspectives on Aging
3 crs. • F • GE-V; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course presents a multidisciplinary overview of critical issues related to aging. Research and theory supplement an exploration of issues and career opportunities in gerontology, from both research and service provider orientations.

HCAD 291 Special Topics
1-3 crs. • V • May be repeated for a maximum of 6 credits • Instructor Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
A variable content course consisting of topics of special interest to students and faculty that are not covered in other health care administration courses.

HCAD 299 Independent Study
1-3 crs. • F • GE-V; Field Trip(s) Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
Independent study projects under the direction of a faculty member.

HCAD 301/501 Foundations of Quality Management Systems in Health Services
3 crs. • F • Field Trip(s) Required; Special Course Fee Required • P: HCAD 101, IDS 201. Limited to health care administration majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An exploration of the technical, managerial and organizational issues that are important in understanding and implementing quality management systems in health service organizations.

HCAD 302/502 Leadership and Management Practices in Health Services
3 crs. • F • Field Trip(s) Required • P: HCAD 101. Limited to health care administration or environmental public health majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
HCAD undergraduate students in their last spring on campus or ENPH junior status or above undergraduate and graduate students are eligible to enroll. Special course fee for criminal background check required of all HCAD practicum students.

HCAD 375 Fundamentals of Health Care Finance
3 crs. • F, Sp • P: ACCT 202; ECON 103 and 104; IS 240. Limited to health care administration majors. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students will learn financial decision making techniques: i.e., planning, control, budgeting, time value of money, etc., used to meet a health care organization’s goals and objectives to provide ongoing and quality services for its clientele.

HCAD 400 Fundamental Field Experience Skills I
3 crs. • Su • SL-Full; IN; Special Course Fee Required • SU Only Grade Basis • P: HCAD 301 and HCAD 302. HCAD 420 concurrent enrollment. Limited to HCAD majors.
Practicum Hours: 3 credit hours; approximately 40 hours per week in the field
• This course has a special course fee for practice certification and assessment exams.
The student undertakes prescribed activities and rotations with defined experiences and learning goals to develop a basic understanding of operational, regulatory, and environmental stands of resident service departments and functions.

HCAD 401 Fundamental Field Experience Skills II
6 crs. • F • SL-Full; IN • SU Only Grade Basis • P: HCAD 400. HCAD 403, HCAD 404, HCAD 405 and HCAD 421 concurrent enrollment. Limited to HCAD majors.
Practicum Hours: 6 credit hours; approximately 40 hours per week in the field
• Limited to HCAD majors in the practicum year.
Building on previous skills, the student continues participation in prescribed activities and rotations with defined experiences and learning goals to further understanding of operational, regulatory, and environmental standards of resident service departments and functions.

HCAD 402 Fundamental Field Experience Skills III
6 crs. • Sp • SL-Full, IN • A-F Grades Only • P: HCAD 401. HCAD 406, HCAD 407, HCAD 408, HCAD 422 concurrent enrollment. Limited to HCAD majors.
Practicum Hours: 6 credit hours; approximately 40 hours per week in the field
• Limited to HCAD majors in the practicum year.
Building on previous skills, the student continues participation in prescribed activities and rotations with defined experiences and learning goals to achieve competency in required operational, regulatory, and environmental standards of resident service departments and functions.

HCAD 403 Resident Service Management
1 cr. • F • SL-Full; HCAD • P: HCAD 401 concurrent enrollment. Limited to HCAD majors.
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Exposes the student to the responsibility of administration to translate concepts of patient care into policies and procedures, which ultimately impacts the quality of care and service.

HCAD 404 Quality Management in Health Care
1 cr. • F • SL-Full; HCAD • P: HCAD 401 concurrent enrollment. Limited to HCAD majors.
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students gain an awareness of quality management principles and practices in health care settings and learn how to use various quality tools for effective problem identification and solving.

HCAD 405 Health Services Human Resources Management
1 cr. • F • SL-Full; HCAD • P: HCAD 401 concurrent enrollment. Limited to HCAD majors.
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students learn the basic goals and principles of human resources, understand the driving forces of human resource outcomes, and gain an awareness for the application of human resources practices in health care today.

HCAD 406 Information Use and Systems
1 cr. • Sp • SL-Full; HCAD • P: HCAD 402 concurrent enrollment. Limited to HCAD majors.
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students develop an understanding of how to identify, prioritize, and use data and information to help them strategically manage a health and aging services organization.

HCAD 407 Financial Management in Health Care
1 cr. • Sp • SL-Full; HCAD • P: HCAD 402 concurrent enrollment. Limited to HCAD majors.
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students apply the basic and overall principles of financial management to the operation of a health and aging services organization, and learn the key areas of budgeting and reimbursement.

HCAD 408 Marketing and Public Relations in Health Services
1 cr. • Sp • SL-Full; HCAD • P: HCAD 402 concurrent enrollment. Limited to HCAD majors.
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students are exposed to the basic goals and principles of an effective marketing and public relations program in health care and participate in the application of a variety of marketing strategies.
HCAD 411 Cultural Competency and Globalization
1 cr. • V • CD1; HCAD • P: HCAD 301 and HCAD 302. Limited to HCAD majors. Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students develop cultural competency in providing health services to people of diverse backgrounds and effectively managing a diverse workforce, as well as gain an understanding of immigration issues and the globalization of healthcare.

HCAD 412 Professional Ethics and Advocacy
1 cr. • V • HCAD • P: HCAD 301 and HCAD 302. Limited to HCAD majors. Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students will develop an understanding of professional standards for health care administrators. They will also learn how to use political advocacy to affect policy change so they can better serve the population's health care needs.

HCAD 413 Health Care Rules and Regulations
1 cr. • Wi • HCAD • P: HCAD 301 and HCAD 302. Limited to HCAD majors. Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Students develop an understanding of the current laws, rules and regulations that impact long-term care organizations. Students will learn strategies for proactively managing an organization within the context of a regulatory environment.

HCAD 420 Health Care Administration Professional Development
3 crs. • Su • HCAD • P: HCAD 301 and HCAD 302. HCAD 400 concurrent enrollment. Limited to HCAD majors. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
The initial focus is on the practice of personal self examination, including the development of strengths and the awareness of limitations. Students will also gain an understanding of the necessary professional functions and skills to successfully serve in an administrative role in a health care organization.

HCAD 421 Fundamental Health Care Management Competencies
3 crs. • F • HCAD • P: HCAD 420. HCAD 401 concurrent enrollment. Limited to HCAD majors. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
This course will examine in-depth the management competencies necessary to successfully operate a health care organization. Students will explore their own level of ability in each of these critical areas of management and begin to focus on their own enhanced management proficiency.

HCAD 422 Strategic Health Care Leadership Practices
3 crs. • Sp • HCAD • P: HCAD 421. HCAD 402 concurrent enrollment. Limited to HCAD majors. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Limited to HCAD majors in the practicum year. This is an online course and requires access to a computer and the internet while completing the practicum.
Emphasis is on the development and execution of the key strategic leadership practices required of organizational leaders. Students will practice their leadership expertise with selected projects. Additionally, they will learn from their shared experiences with their practicum cohort.

HCAD 491/691 Special Topics
1-3 crs. • V • May be repeated for a maximum of 6 credits • Instructor Consent Required
A variable content course consisting of advanced topics of special interest to students and faculty that are not covered in other health care administration courses.

HCAD 495 Directed Studies
1-3 crs. • V • May be repeated • Instructor Consent Required
Permits groups of students to pursue a defined, organized study of a topic under the direction of a department of public health professions staff member.

HCAD 499 Independent Study
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
Independent study projects under the direction of a faculty member.

INTB

INTB/MKTG 335/535 International Marketing
3 crs. • F, Sp • FC • P: MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Cross-listed with MKTG 335. Credit may not be earned in both MKTG 335 and INTB 335. Principles, policies, and problems on marketing goods in international markets. Concepts, strategies, and polices of world trade and multinational firms.

INTB/MGMT 345/545 Managing Global Organizations
3 crs. • F, Sp, Su • FC • P: MGMT 340. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Cross-listed with MGMT 345. Credit may not be earned in both MGMT 345 and INTB 345. BCOM 234 and BCOM 235 are recommended prior to enrollment in this course.
Examines issues in managing international operations including strategies, joint ventures/strategic alliances, organizational design, culture, human resources, and labor issues in addition to political and legal constraints operating across regional trading areas.

INTB 361/561 International Experience in India
3 crs. • Wi • FC; GE-IIIC; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Fifteen (15) hours of on-campus instruction required during the Fall semester prior to the Winterim study abroad. Students interested in taking this course need to contact the Management and Marketing Department and the Center for International Education before Sept. 15 in the Fall semester prior to the Winterim study abroad.
An interdisciplinary introduction to contemporary Indian business, culture, politics, history, religion and society that includes a three-week in-country experience.

INTB 362/562 International Experience in China
3 crs. • Su • FC; GE-IIIC; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Fifteen (15) hours of on-campus instruction required during the Spring semester prior to the Summer interim term study abroad. Students interested in taking this course should contact the Management and Marketing Department and the Center for International Education before Feb. 1 in the Spring semester prior to the Summer interim study abroad.
An interdisciplinary introduction to contemporary Chinese business, culture, politics, history, religion and society that includes a three-week in-country experience.

MGMT

MGMT 200 Developing the Leader Within You
3 crs. • F • Sp • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A proactive approach to developing future leaders. Primary focus is aiding participants in gaining a better understanding and awareness of themselves through the enhancement of their self-worth and self-esteem.

MGMT 210 Service-Learning in Management
1 cr. • V • SL-Full • S/U Only Grade Basis
Students must complete 30 hours of volunteer service. Type of service must be approved by your faculty supervisor. A journal must be kept throughout the service-learning project documenting when, how long, and the type of activity. The service-learning project must be completed within one calendar year (preferably one semester). Assignments outstanding longer than this will be graded unsatisfactory.

MGMT 271 Introduction to the Entrepreneur Process and Mindset
2 crs. • V • P: Not available for seniors. Minimum sophomore standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Registration preference provided to College of Business majors.
Students learn about the entrepreneurial process and how ideas are examined for market, operational, and financial feasibility. Entrepreneurial characteristics of successful entrepreneurs will also be evaluated.

MGMT 340 Organizational Behavior
3 crs. • F, Sp, Su • P: ECON 103 and 104, ACCT 202, IS 240, and completion of 54 credits. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Cross-listed with MGMT 340. Credit may not be earned in both MGMT 340 and INTB 340. Principles, policies, and problems on marketing goods in international markets. Concepts, strategies, and polices of world trade and multinational firms.

MGMT 356/556 Integration of Leadership
3 crs. • V • FC; GE-IIIC; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Cross-listed with MGMT 356. Credit may not be earned in both MGMT 356 and INTB 356. BCOM 234 and BCOM 235 are recommended prior to enrollment in this course.
Examines issues in managing international operations including strategies, joint ventures/strategic alliances, organizational design, culture, human resources, and labor issues in addition to political and legal constraints operating across regional trading areas.

INTB 361/561 International Experience in India
3 crs. • Wi • FC; GE-IIIC; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Fifteen (15) hours of on-campus instruction required during the Fall semester prior to the Winterim study abroad. Students interested in taking this course need to contact the Management and Marketing Department and the Center for International Education before Sept. 15 in the Fall semester prior to the Winterim study abroad.
An interdisciplinary introduction to contemporary Indian business, culture, politics, history, religion and society that includes a three-week in-country experience.

INTB 362/562 International Experience in China
3 crs. • Su • FC; GE-IIIC; Field Trip(s) Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Fifteen (15) hours of on-campus instruction required during the Spring semester prior to the Summer interim term study abroad. Students interested in taking this course should contact the Management and Marketing Department and the Center for International Education before Feb. 1 in the Spring semester prior to the Summer interim study abroad.
An interdisciplinary introduction to contemporary Chinese business, culture, politics, history, religion and society that includes a three-week in-country experience.
MGMT 341 Operations Management
3 crs. • F, Sp, Su • P: ECON 103 and 104, ACCT 202, IS 240, BSAD 202 or MATH 246. MATH 249 and completion of 54 credits. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Processing of inputs into outputs consisting of goods and services; includes plant and machine location and layout, materials handling, work methods and simplification, manpower planning, inventory control, quality control, maintenance, and operational control.

MGMT 342/542 Quality Management
3 crs. • F • P: MGMT 341. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
An examination of the technical and managerial issues that are important in understanding and implementing quality assurance in manufacturing and service organizations.

MGMT 343/543 Supply Chain Management
3 crs. • F, Sp • Special Course Fee Required • A-F Grades Only • P: MGMT 341. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This class requires access to a laptop computer which can be brought to class when required.
Design and operation of effective purchasing processes. Supplier and supply chain management, with emphasis on globalization, and the role of information technology in enabling contemporary supply chain strategy.

MGMT 344 Quantitative Methods for Management and Operations
3 crs. • Sp • A-F Grades Only • P: MATH 246, IS 240, ACCT 202, ACCT 202, ECON 103, ECON 104, MGMT 341. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This class requires access to a laptop computer that can be brought to class when required.
Tools and methods for data analysis and decision making in management and operations. Graphical analysis, regression modeling, time series forecasting, Decision modeling and simulation. Extensive hands-on analysis using spreadsheet and statistical software.

MGMT 345/545 Managing Global Organizations
3 crs. • F, Sp, Su • FC • P: MGMT 340. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course introduces fundamentals of risk management and insurance. It addresses personal/commercial insurance and risk management alternatives. Students acquire basic knowledge on protecting the assets of companies they work for and handling personal insurance.

MGMT 347 Risk Management and Insurance
3 crs. • Sp • A-F Grades Only • P: MATH 103, ECON 103, ECON 104, IS 240, ACCT 202, ACCT 202, ACCT 202, ECON 104. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course introduces fundamentals of risk management and insurance. It addresses personal/commercial insurance and risk management alternatives. Students acquire basic knowledge on protecting the assets of companies they work for and handling personal insurance.

MGMT 348/548 Human Resource Management
3 crs. • F, Sp, Su • P: MGMT 310, ECON 103 and 104, ACCT 202, BSAD 202 or MATH 246. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
MGMT 348 and ECON 202 are recommended prior to enrollment in this course.
Examines policies and practices relating to recruitment, selection, training and development, performance appraisal, reward systems, and employee relations. Strategic human resource planning, equal employment opportunity laws, and international human resource management issues are also addressed.

MGMT 354/554 Materials Management Simulation
1 cr. • V • P: MGMT 310. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Simulation and analysis of different types of factory production and distribution systems using Goldratt simulation and constraint theory.

MGMT 371 Introduction to Entrepreneurship
3 crs. • F • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of characteristics of successful entrepreneurs and successful entrepreneurial ventures. Development of creative thinking skills. Examination of techniques for generating new business ideas. Examination of market, operational, and financial feasibility.

MGMT 373 New Venture Feasibility
3 crs. • Sp • A-F Grades Only • P: MGMT 371
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students apply market research techniques to explore business ideas and evaluate market feasibility. Students learn how to conduct operational and financial analyses in the design of a feasible business model.

MGMT 374 New Venture Start-Up and Growth
3 crs. • F • A-F Grades Only • P: MGMT 371, MGMT 373.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students learn how to launch a new product and explore the range of functional details involved in a new venture start-up. Strategies for growing the business and challenges in management growth are addressed.

MGMT 398 Internship Program I
1-3 crs. • F, Sp, Su • SL-Optional; IN; Special Course Fee Required • May be repeated for a maximum of 6 credits • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
• Acceptance in Internship Program. See description under College of Business. A maximum of six credits of BSAD, MGMT, and MKTG 398 may be applied to the 120-credit graduation requirement. Students must have the service-learning option approved prior to starting the Internship.
Students will participate in work experiences related to their area of interest.

MGMT 399 Independent Study Projects
1-4 crs. • F, Sp, Su • May be repeated • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required

MGMT 414/614 Small Business Consulting
3 crs. • Sp • SL-Optional; IN; Special Course Fee Required • May be repeated for a maximum of 3 credits • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Involves the thorough analysis and review of actual small business clients submitted by the Small Business Administration under the Small Business Institute Program and making recommendations that will be beneficial to the client in operating the business.

MGMT 441/641 Service Operations Management
3 crs. • V • P: Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSAD 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Minimum senior standing. Admission to COB required. See current catalog for COB admission criteria. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Design of service systems; management techniques and issues in ongoing service operations.

MGMT 442/642 Production Planning and Control
3 crs. • F, Sp • P: MGMT 341. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The design and use of procedures for managing production systems; includes process planning and routing, scheduling, dispatching, and progress control.

MGMT 443/643 Process Simulation and Analysis
3 crs. • V • P: MATH 245 or 246. Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSAD 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for COB admission criteria. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This class requires access to a laptop computer which can be brought to class when required.
Simulation modeling and analysis using spreadsheets and discrete-event simulation software. Through a series of modeling exercises, students will examine a number of process design and scheduling issues relevant to manufacturing and service operations.

MGMT 445/645 Compensation Theory and Administration
3 crs. • F • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of theories, methods, and practices of compensation in organizations.
MGMT 446/646 Organizational Change and Development  
3 crs. • F, Sp • P: Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSAD 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Minimum junior standing. Admission to COB required. See current catalog for COB admission criteria. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Examines the phenomenon of organizational change at the strategic, structural, and employee level. Specific emphasis on how companies adjust and develop to the changing global marketplace is provided.

MGMT 449 Strategic Management in a Global Business Environment  
3 crs. • F, Wi, Sp, Su • P: See Special Course Fee Required Varies by Term/Section • P: All other courses in the BUSCORE. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Covers the formulation and implementation of business strategy in a global environment. Case studies and simulations provide a integrative view of international business operations from a total enterprise perspective. This course contains an integrated communication component.

MGMT 452/652 Master Planning of Resources  
1 cr. • V • A-F Grades Only • P: MGMT 442 or concurrent enrollment. • Department Consent Required 
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0 
Principles and processes of master planning of resources. Demand management, sales and operations planning, and master scheduling. Development of operations plans, validating and evaluating performance at all levels of master planning.

MGMT 453 Detailed Planning and Scheduling  
1 cr. • V • A-F Grades Only • P: MGMT 442 or concurrent enrollment. Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSAD 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Admission to COB required. See current catalog for COB admission criteria. 
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0 
Provides students the opportunity to study in-depth human resource topics of the nature of work, recruitment, selection, training and development, compensation, benefits, labor relations, and health and safety.

MGMT 461/661 Lean Manufacturing Systems and Concepts  
3 crs. • F, Sp • P: Completion of these BUSCORE requirements: BCOM 206, BCOM 207, BSAD 305, FIN 320, MGMT 340, MGMT 341, MKTG 330. Minimum junior standing. Admission to COB required. See current catalog for COB admission criteria. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
A focused presentation of the plan to a panel of professionals.

MGMT 471 Business Plan Considerations and Drafting  
3 crs. • F, Sp • P: MGMT 371, MGMT 373, and MGMT 374. Minimum senior standing. Admission to the College of Business or consent of instructor. See current catalog for College of Business admission criteria. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Students learn to refine and communicate business ideas in an entrepreneurial environment and present market, operational, and financial feasibility in a structured written business plan. Students will make a formal presentation of the plan to a panel of professionals.

MGMT 492/692 Topics in Human Resource Management  
1-3 crs. • V • May be repeated • P: MGMT 349. Additional prerequisites may be required depending on the topic. (See current Class Schedule.) Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. 
• Additional prerequisites may be required depending on the topic. (See current Class Schedule.) 
Current issues in human resource management will be the focus of attention. Topic selection will be made by the instructor. Issues will be those facing contemporary HRM professionals.

MGMT 493/693 Topics in Operations Management  
1-3 crs. • V • May be repeated • P: MGMT 341. Additional prerequisites may be required depending on the topic. (See current Class Schedule.) Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. 
• Additional prerequisites may be required depending on the topic. (See current Class Schedule.) 
Current issues in operations management will be the focus of attention. Topic selection will be made by the instructor. Issues will be those facing contemporary operations professionals.

MGMT 494 Topics in Leadership  
1-4 crs. • F, Sp • May be repeated for a maximum of 4 credits • P: Minimum junior standing. 
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0 
Current issues in leadership will be the focus of attention. Topic selection will be made by the instructor. Issues will be those facing contemporary leaders.

MGMT 495 Directed Projects  
3 crs. • F, Sp • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required 
Internship experiences in business situations relevant to student’s major field of study; under supervision of faculty member.

MGMT 498 Internship Program II  
1-3 crs. • F, Sp, Su • SL-Optional; IN; Special Course Fee Required • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required 
Acceptance in Internship Program. See description under College of Business. Additive credit only. Not be applied to the 120-credit graduation requirement. Students must have the service-learning option approved prior to starting the Internship. Students will participate in work experiences related to their area of interest.

MGMT 499 Independent Study Projects  
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required 
May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required 
Department Consent Required

MKTG 210 Service-Learning in Marketing  
1 cr. • V • SL-Full • S/U Only Grade Basis 
Students must complete 30 hours of volunteer service. Type of service must be approved by your faculty supervisor. A journal must be kept throughout the service-learning project documenting when, how long, and the type of activity. The service-learning project must be approved by your faculty supervisor. A journal must be kept throughout the service-learning project documenting when, how long, and the type of activity. The service-learning project must be approved by your faculty supervisor. A journal must be kept throughout the service-learning project documenting when, how long, and the type of activity. The service-learning project must be completed within one calendar year (preferably one semester). Assignments outstanding longer than this will be graded unsatisfactory.

MKTG 330 Principles of Marketing  
3 crs. • F, Wi, Sp, Su • P: ECON 103 and 104, ACCT 202, IS 240, and completion of 54 crs or consent of instructor. Admission to College of Business required. See current catalog for College of Business admission criteria. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
This course examines how profit and nonprofit organizations identify and evaluate customer needs; select target markets; and create, price, promote, and distribute need-satisfying products/services to individuals, organizations, and society.

MKTG 331 Buyer Behavior  
3 crs. • F, Sp • CD1 • P: MGMT 330 or concurrent enrollment. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. 
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 
Examines the personal characteristics and external forces influencing the buyer’s purchase behavior. Includes an emphasis on implications for marketing strategy development.
MANAGEMENT AND MARKETING

MKTG 332/532 Marketing Communications and Promotion Analysis
3 crs. • F • Sp • SL-Optional • P: MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Integrated marketing communications and its applications in advertising, direct marketing, sales promotion, personal selling, internet marketing, and public relations. Emphasis on promotional campaign strategies, implementation and evaluation, including category management assessment, marketing databases, media selection, and campaign effectiveness.

MKTG 334/534 Marketing Research
3 crs. • F • Sp • SL-Optional • P: BSAD 202 or MATH 246; MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Application of research techniques in the marketplace, and role of marketing information within the firm as a management tool in decision making.

MKTG/INTB 335/535 International Marketing
3 crs. • F • Sp • PC • P: MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Cross-listed with INTB 335. Credit may not be earned in both MKTG 335 and INTB 335. Principles, policies, and problems of marketing goods in international markets. Concepts, strategies, and policies of world trade and multinational firms.

MKTG 336 Business Logistics Management
3 crs. • V • P: MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Examines the flow of materials and information through the logistics pipeline from a systems perspective. The strategic management of areas such as supply chain relationships, LIS, distribution, materials movement and storage, inventory levels, and transnational tactics are stressed.

MKTG 337 Professional Selling
3 crs. • F • Sp • P: MKTG 330 or concurrent enrollment. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
A behavioral, pragmatic study of the process of personally persuading prospects to buy products, services, or ideas, leading to the mutual satisfaction of the goals of both buyer and seller.

MKTG 338 Marketing Analytics and Technology
3 crs. • F • Sp • P: IS 240, MKTG 330 or concurrent enrollment. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
This class requires access to a laptop computer which can be brought to class when required. Analytical approaches to marketing decision-making using software and database (e.g., Nielsen retail databases, among others). Emphasis will be placed on Internet marketing, customer relationship management, retail and survey/statistical analyses.

MKTG 372 Advanced Marketing for Entrepreneurs
3 crs. • F • P: MGMT 371; MKTG 330; Admission to the College of Business. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Students learn to identify and examine successful strategies in an entrepreneurial environment, and how opportunities are pursued in a global business environment.

MKTG 398 Internship Program I
1-3 crs. • F • Sp • SU-Optional; IN; Special Course Fee Required • May be repeated for a maximum of 3 credits • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Acceptance in Internship Program = See description under College of Business. A maximum of three credits of BSAD, MGMT, and MKTG 398 may be applied to the 120-credit graduation requirement. Students must have the service-learning option approved prior to starting the internship.
Students will participate in work experiences related to their area of interest.

MKTG 399 Independent Study Projects
1-4 crs. • F • Sp • SU • May be repeated • P: Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required

MKTG 425 Marketing in Service Organizations
3 crs. • F • P: MKTG 330
Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
A reconsideration of traditional marketing topics in the context of a variety of service organizations. Emphasis is placed on discussion of how product-oriented marketing activities need to be adjusted or even reinvented to accommodate “non-products.”

MKTG 432 Retail Management
3 crs. • V • P: MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
The study of the retail function and its role in the exchange process. Topics include consumer behavior, retail pricing, store location, merchandising, vendor relationships, and human resource management.

MKTG 433/633 Sales Management
3 crs. • Sp • P: MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Positions in sales management are among the first managerial assignments many business students receive. This course focuses on defining the strategic role of the sales function and sales organization, developing and directing a sales force, and evaluating sales force performance. Role playing will be used to help students experience realistic management scenarios.

MKTG 434/634 Advanced Marketing Analytics
3 crs. • Sp • A-F Grades Only • P: MKTG 338; BSAD 380. Admission to the College of Business required or consent of instructor. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
This course builds on MKG 338 including web analysis and data mining techniques to extract information from large marketing databases. Application of quantitative analysis to uncover insights for marketing decisions in internet and retail settings.

MKTG 437/637 Business-to-Business Marketing
3 crs. • V • P: MKTG 330. Minimum junior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Studies the marketing strategies characteristic of institutions, government, industrial, and other marketing environments which do not directly target the final consumer. The unique characteristics of these markets and the implications for strategic marketing management provide the focus for this course.

MKTG 438/638 Marketing Management
3 crs. • F • Sp • CP; Special Course Fee Required Varies by Term/Section • P: MKTG 330 and completion of at least two Marketing courses beyond MKTG 330. Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Designed as the capstone course in marketing. All the ideas and concepts presented in other marketing courses are integrated and brought together via the application of marketing tools, principles, and theories, as experienced through case studies and problem solving. The role of the marketing executive in business is emphasized.

MKTG 490 Advanced Sales Topics
3 crs. • Sp • P: MKTG 337. Admission to College of Business required. See current catalog for College of Business admission criteria. Lecture/Discussion Hours: 3 | Lab/Study Hours: 0
Application of research skills to develop an in-depth analysis of one company’s sales structure and its position relative to its competitors. A semester-long project will incorporate field study and database research identifying different sales structures and advantages.

MKTG 491 Selected Topics
1-3 crs. • Sp • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Small groups will study topics selected because of a special interest on the part of students or faculty.

MKTG 495 Directed Projects
3 crs. • V • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
Internship experiences in business situations relevant to student’s major field of study; under supervision of faculty member.
MKTG 498 Internship Program II
1-3 crs. • F, Sp, Su • SL-Optional; IN; Special Course Fee Required • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required
• Acceptance in Internship Program. See description under College of Business. Additive credit only. May not be applied to the 120-credit graduation requirement. Students must have the service-learning option approved prior to starting the internship. Students will participate in work experiences related to their area of interest.

MKTG 499 Independent Study Projects
1-4 crs. • F, Sp, Su • May be repeated • P: Minimum senior standing. Admission to College of Business required. See current catalog for College of Business admission criteria. • Department Consent Required

MSL

MSL 101 Leadership and Personal Development
1 cr. • F • Field Trip(s) Required • A-F Grades Only • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 2
Physical Training Hours: 1
• One off-campus training event required. Lab and Physical Training required (see Schedule).
Introduction to the Army profession and military leadership. Personal development includes goal setting, time management, physical fitness and stress management. Lab includes squad movement, map reading, first aid and formations. Physical Training is composed of techniques to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Physical Training attendance required one day per week. Open to all students.

MSL 102 Introduction to Tactical Leadership
1 cr. • Sp • Field Trip(s) Required • A-F Grades Only • Instructor Consent Required
Lecture/Discussion Hours: 1  |  Lab/Studio Hours: 2
Physical Training Hours: 1
• One off-campus training event required. Lab and Physical Training required (see Schedule).
Basic leadership fundamentals such as problem solving, oral and written communication, goal setting and tactical knowledge. Exploration of leadership theories, attributes and traits. Lab includes team tactics, map reading, marksmanship and marching techniques. Physical Training consists of techniques to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Physical Training attendance required one day per week. Open to all students.

MSL 201 Innovative Team Leadership
2 crs. • F • Field Trip(s) Required • A-F Grades Only • P: MSL 102 or consent of instructor. • Instructor Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 2
Physical Training Hours: 2
• One off-campus training event required. Lab and Physical Training required (see Schedule).
Explores innovative tactical leadership strategies and styles by examining team dynamics and leadership theories. Students broaden their knowledge of communications, land navigation and tactics, which are practiced in lab. Physical Training attendance required two days per week. Open to all students.

MSL 202 Foundations of Tactical Leadership
2 crs. • Sp • Field Trip(s) Required • A-F Grades Only • P: MSL 201 or consent of instructor. • Instructor Consent Required
Lecture/Discussion Hours: 2  |  Lab/Studio Hours: 2
Physical Training Hours: 2
• One off-campus training event required. Lab and Physical Training required (see Schedule).
Continues study of leadership principles emphasizing leadership analysis and leadership self-assessment. Students integrate map reading with tactical planning and develop operations orders. Lab applies basic team leadership during practical exercises in a field environment. Physical Training consists of techniques to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Physical Training attendance required two days per week. Open to all students.

MSL 301/501 Adaptive Team Leadership
3 crs. • F • Field Trip(s) Required • A-F Grades Only • P: MSL 101, 102, 201, 202 or consent of instructor. • Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 2
Physical Training Hours: 3
• Required off-campus training weekends. Lab and Physical Training required (see Schedule).
Students conduct leadership self-assessment, receiving direct and peer feedback. Apply advanced tactical skills and leadership in planning small-unit tactical training applying problem-solving techniques. Lab reinforces squad-level tactics, employing the troop-leading procedures. Physical Training consists of developing and leading programs to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Physical Training attendance required three days per week. Open to all students.

MSL 302/502 Applied Team Leadership
3 crs. • Sp • Field Trip(s) Required • A-F Grades Only • P: MSL 301 or consent of instructor. • Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 2
Physical Training Hours: 3
• Required off-campus training weekends. Lab and Physical Training required (see Schedule).
Emphasis on writing operation orders, improving oral/written communications, and leadership analysis. Receive direct and peer feedback on leadership performance. Lab applies advanced tactics and leadership during patrol-size tactical training. Physical Training consists of developing and leading programs to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Physical Training attendance required three days per week. Open to all students.

MSL 399 Military Science and Leadership Independent Study
1-3 crs. • F, Sp • May be repeated for a maximum of 6 credits • P: Minimum junior standing. • Instructor Consent Required
Lecture/Discussion Hours: 1-3  |  Lab/Studio Hours: 2
Physical Training Hours: 1
• Required off-campus training weekends. Lab and Physical Training required (see Schedule).
Students propose an independent study project on a topic in military history, military tactics or political/military leadership to the Assistant Professor of Military Science. Projects may include library research or original empirical research. Students work independently, with supervising instructor providing oversight and assistance. Physical Training attendance required three days a week. Open to juniors and seniors.

MSL 401/601 Developing Adaptive Leaders
3 crs. • F • Field Trip(s) Required • A-F Grades Only • P: MSL 302 or consent of instructor.
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 2
Physical Training Hours: 3
• Required off-campus training weekends. Lab and Physical Training required (see Schedule).
Develop proficiency in planning and executing complex operations, functioning as a staff member and mentoring subordinates. Explore training management, staff collaboration and developmental counseling techniques. Lab instruction is designed to increase students’ organizational-level, mentoring and assessment skills. Physical Training requires mentoring junior Cadets in techniques to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Physical Training attendance required three days per week. Open to all students.

MSL 402/602 Leadership in a Complex World
3 crs. • Sp • Field Trip(s) Required • A-F Grades Only • P: MSL 401 or consent of instructor. • Instructor Consent Required
Lecture/Discussion Hours: 3  |  Lab/Studio Hours: 2
Physical Training Hours: 3
• Required off-campus training weekends. Lab and Physical Training required (see Schedule).
Examine officerhip, study Army programs, and complete a battle analysis. Examine civilian, governmental, legal, and cultural factors of conducting military operations in an international environment. Lab instruction is designed to increase students’ organizational level, mentoring and assessment skills. Physical Training requires mentoring junior Cadets in techniques to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, distance running, military drills and team sports. Physical Training attendance required three days per week. Open to all students.

CERTIFICATE PROGRAMS
Communication Sciences and Disorders-American Sign Language (ASL) Certificate (Code 622-601)
Social Work-Gerontology Certificate (Code 460-601)

Dean’s List
At the end of each semester, the College of Education and Human Sciences recognizes excellence in scholastic achievement by publishing the Dean’s List. For teacher education majors, eligibility for this recognition requires admission to a teacher education program or pre-education status, but excludes the professional semester.

To be eligible, a student must:
1) be in good academic standing;
2) have a minimum semester GPA of 3.70;
3) have completed at least 12 credits during the semester, with no incompletes, no courses below the 100 level, no repeats, and no Satisfactory/Unsatisfactory registrations (except in degree credit-bearing courses that are offered only on the S/U grading system in which a grade of S has been earned).

Students who meet this standard of achievement receive personal letters of notification and congratulations from the Dean.

Criminal History and/or Caregiver Background Checks
Wisconsin law requires that persons responsible for the care, safety, and security of children and adults will be required to have background checks. In some cases, placement into an externship, professional semester, internship, or practicum will be dependent on the background check results. In some cases, students may be unable to complete field experiences required of their programs because of background check results. In such cases, students should work closely with their advisers and the associate dean to determine the impact these results will have on their academic program. Course fees will be assessed to cover the cost of the background check and results may be shared with the practicum, professional semester, externship, or internship site.

The College of Education and Human Sciences requires applicants to complete a Background Information Disclosure and a release for a criminal background check. Falsification or omission of information relevant to the questions may constitute grounds for denial of admission to the course(s) or for termination of admission if the falsification or omission is discovered after admission. Further, after submission of the questionnaire, while an application is being considered or while a student in the program, if circumstances occur that would change any response(s), students must inform the College of the changed response(s). For further information, contact the College of Education and Human Sciences Associate Dean’s office (Centennial 3015).

Liability for Health Care Expenses
All expenses associated with health surveillance and care are borne by the student unless the Student Health Service specifically indicates otherwise. Students are not covered by health or accident insurance by UW-Eau Claire, the practicum facility, or the practicum institution. In addition, workers’ compensation insurance does not cover students. For example, if students suffer a needle stick or are hurt while in practicum, they will need personal health insurance to cover medical bills.

College Vision, Mission and Core Values
The vision of the College of Education and Human Sciences (CoEHS) is to be a regional leader in the development of highly competent, critically engaged professionals who enhance the lives of others in an increasingly diverse society.

Committed to the highest standards of academic excellence, our mission is to prepare students to become engaged professionals who are creative thinkers, evidence-informed practitioners, and culturally responsive individuals.

Integrity, collaboration, and social justice are the core values that enable us to fulfill our mission and move toward achieving our vision.

Teacher Education
The programs in teacher education offered in the College of Education and Human Sciences are fully approved by the Wisconsin Department of Public Instruction.

Bachelor’s Degree Programs
The University offers bachelor’s degrees to teacher education candidates in Middle Childhood through Early Adolescence (MC-EA), Early Adolescence through Adolescence/Early Childhood through Adolescence (EA-A/EC-A), and Special Education.

Middle Childhood through Early Adolescence (Ages 6-13)
The Bachelor of Science degree in Elementary Education is designed to provide candidates with sufficient breadth and depth in the disciplines taught in middle childhood through early adolescence classrooms to prepare them to work in self-contained classrooms or in multiunit schools. The preparation focuses on an understanding of children and the learning processes as well as on effective methods of presentation. A certifiable minor also is required.

Early Adolescence through Adolescence (Ages 10-21)
Degree programs in Secondary Education provide specialized preparation through academic majors and minors which have been approved for teacher certification. Students preparing to teach in middle, secondary, or continuing education programs must complete certifiable specializations according to one of the following options:
1. a standard major of 36 credits and a standard minor of 24 credits; or
2. two standard majors of 36 credits each; or
3. a comprehensive major of 60 or more credits.

Graduate Programs
Teacher and other school personnel programs are offered at the graduate level in professional development, special education, reading, communication sciences and disorders, school psychology, library science, and social work (Madison-Eau Claire program). See the current graduate catalog.

Non-degree Programs and Additional Certification Programs
Non-degree programs leading to teacher certification in any of the fields of study offered in baccalaureate and graduate programs can be arranged for candidates who hold a bachelor’s or advanced degree. Due to enrollment limitations, a small number of students are accepted in non-degree and second degree programs.

Directed and Independent Studies
Many opportunities are available for students to study, independently or in small groups, problems and topics in education which may not be included or explored in depth in regular course offerings.
Degree Planning

A degree plan indicates how a student expects to meet the curricular requirements for a degree. Degree plan forms for the various programs offered in the College may be obtained in department offices. These plans are for students’ use in planning programs with their advisers. The plans are supplemented by the Registrar’s Office Degree Audits used for official evaluation of academic progress.

Human Relations/Cultural Diversity/Service-Learning Requirements

Students in teacher education majors shall meet the Wisconsin Department of Public Instruction’s Human Relations Requirement and the UW-Eau Claire Cultural Diversity Requirement by completing ES 385/585, Social Foundations: Human Relations, which includes completion of 30 hours of direct contact fieldwork with racial/ethnic/cultural minorities different from themselves, people from low-income backgrounds, and people with disabilities. This fieldwork satisfies the University Service-Learning Requirement. Students are expected to accrue 15 of the 30 hours of volunteer/fieldwork prior to the semester they are enrolled in ES 385/585.

Admission to Professional Education Programs

Criteria for Admission

Formal application to the professional education program must be made by October 1 for spring admission or March 1 for fall admission. Only students who meet all criteria listed below should apply.

1. Approval by the appropriate department in the College of Education and Human Sciences. See Education Studies and Special Education sections of this catalog for criteria to be considered in making these recommendations.
2. Pre-education status.
3. Minimum resident and total GPAs of 2.75 on a minimum of 30 credits of degree work exclusive of courses with education (ES, Lmed, Mued, Sped, UEC) prefixes. Admission is competitive; thus the minimum GPAs do not assure admission to a professional program in education.
4. Completion of University Writing Requirement with a grade of C or above.
5. Good academic standing.
6. Passing scores on Praxis I Pre-Professional Skills Tests of mathematics, reading, and writing or passing scores on ACT Test. Passing scores on Praxis I in Wisconsin are: Mathematics 173, Reading 175, and Writing 174. Passing scores on ACT are an overall score of 23 and 20 on reading, math, and English. ACT scores are only good for a period of five years prior to student teaching. Beginning September 1, 2014 the requirement will be passing scores on Praxis I Pre-Professional Skills Test or passing scores on Praxis Core Academic Skills Test for Educators (CORE) or passing scores on ACT Test. Passing scores in Wisconsin for the CORE are Math 150, Reading 156, and Writing 162. Students who have not met the minimum GPA requirement or passed all three sections of the Pre-Professional Skills Test or all three sections of the CORE Test or who do not have qualifying scores on the ACT for admission could seek to be admitted through a waiver/exceptions policy. Please see your adviser for details. Information on the PPST is available through Academic Testing, Schofield 226.

Application Procedure

Formal application to the professional education program must be made. The number of students admitted to a program is limited by resources available. Not everyone who applies can be guaranteed admission. See the appropriate section of this catalog for criteria upon which the departmental recommendation will be based. Note that minimum criteria for a department may exceed the minimum criteria listed above.

Students who do not meet all the criteria listed above or who do not receive a favorable departmental recommendation may reapply during a later application period.

Special or Transfer Students

Special students and transfer students who desire to be admitted to the Teacher Education Program in the College of Education and Human Sciences should inform the Admissions Office upon application for admission to the University. They should indicate their area of interest. These students are expected to have a minimum GPA of 2.75.

Retention in Professional Education Programs

Students who are in good standing in the University but are having difficulty meeting the College of Education and Human Sciences criteria for professional education programs are strongly advised to seek the counsel of their adviser and/or the Associate Dean of the College of Education and Human Sciences regarding their continuation in the program. A student may continue in the program while in good standing or after receiving an Academic Warning. (See Academic Standing and Progress.) However, if placed on probation or if readmitted after a first suspension, the student may continue in the program only upon recommendation of the department concerned (Education Studies or Special Education). After a second suspension, the student may not continue in the professional education program.

Admission to the Professional Education Semester

The “professional semester” is defined as the senior semester in which a student is enrolled in the field experience of student teaching or internship.

Filing Applications

Students who plan to enter the professional semester during the fall semester of the next academic year must file an application available at an education “professional semester” meeting held each November. Students who plan to enter the professional semester during the spring semester of the next academic year must file an application at an education “professional semester” meeting held in April. Dates for these meetings will be posted across campus.

Students are encouraged to submit their applications as soon as possible after the meeting. Considerable time is required to process each application—that is, to determine eligibility, to make arrangements with schools for an appropriate field experience assignment, and to allow for introductions, orientations, and, in some cases, interviews. Students who file early will benefit by the careful consideration that can be given to their requests; the later an application is received, the fewer the placement assignments and choices still available. Failure to file an application on time may result in a delay of the professional semester.

Transfer and Special Students

No transfer or special student can enter the professional semester until after a full semester of residence and after earning a minimum of 15 credits at UW-Eau Claire. Senior transfer students enrolling in September must file an application for admission to the professional semester by December 1 for the following fall.

Criteria for Admission

No application for admission to the professional semester will be processed in the case of transfer and special students unless a full semester of residence and a minimum of 15 credits have been earned at UW-Eau Claire.

Factors to be considered in the application for admission to the professional semester are:

1. Criteria for admission to a professional program have been met.
2. Good academic standing, as defined in the catalog section on Academic Standing and Progress.
3. A minimum of 90 credits completed prior to the professional semester.
4. Completion of courses which are prerequisite to field experience.

For each program, a list of prerequisite courses is available in the Field Experience, Licensing and Certification Office, Centennial 3102.
5. Approval of the major and minor department(s).
6. Resident and total GPAs of at least 2.75; GPAs of at least 2.75 in the major(s) and minor(s) intended for certification; and a 2.75 or higher GPA based on a combination of all course work in the major, minor (where certifiable), and professional education courses, including Psyc 260 or 261. All college-level courses attempted by the student are included when major, minor, and total GPAs are determined for admission to the professional semester and for graduation.
7. Passing score(s) on appropriate Praxis II content test(s) and if applicable the Foundations of Reading Test (FORT). Foreign language majors must earn passing scores on the ACTFL. Information on Praxis II and the ACTFL is available through Academic Testing, Schofield 226, and at www.ets.org/praxis. FORT testing information is available at http://www.wi.nesinc.com/. For placements in the fall semester, the last test date for the Praxis II Content Exam is the preceding January date. For placements in the spring semester, the last test date for the Praxis II Content Exam is the preceding August date. For placements in the summer session, the last test date for the Praxis II Content Exam is the preceding November date.
8. Completion of the 30 hour Human Relations Fieldwork requirement.
9. Evidence of freedom from tuberculosis. Tests are provided by Student Health Services or must be provided by the student when filing for the professional semester.
10. Approval by the appropriate departments in the Colleges of Education and Human Sciences and Arts and Sciences.
11. Proficiency in speaking and listening demonstrated in CJ 201 or 202, or 203, or 205 or a public speaking/communication course.

Deadline for Meeting Criteria
For placements in the fall semester, criteria for which the student is responsible (GPA, TB test, FORT, Praxis II Content Test[s], ACTFL and Psyc 260 or 261) must be met by March 1 of the preceding semester. For placements in the spring semester, these criteria must be met by October 1 of the preceding semester. For placements in the summer session, these criteria must be met by February 1 of the preceding semester. Failure to meet criteria on time may result in a delay of the professional semester.

Licensure to Teach
Criteria for Recommendation for Licensure:
1. Completion of a baccalaureate degree.
2. Completion of an approved teacher education major, including Gate 3 portfolio approval. (needed for areas with no edTPA)
3. A 2.75 or higher GPA in the major and minor (where certifiable) and in the combination of all course work in the major, minor (where certifiable), and professional education courses exclusive of student teaching. All college-level courses attempted by the student except student teaching are included when major, minor, and professional education GPAs are determined for recommendation for licensure.
4. Completion of student teaching courses with a mark of S, or grade of B- or above in departments where a letter grade is assigned.
5. A passing score on a Praxis II content examination in each certification major, minor, and concentration, unless the field is exempted by the State Superintendent. Foreign language majors and minors must earn passing scores on the ACTFL. The standardized examination and passing score shall be determined by the State Superintendent. All MCEA, SPED majors and minors, Early Childhood and Reading Teacher (316) and Reading Specialists (317) must earn a passing score on the FORT. In addition, a completed edTPA must be submitted for national scoring. Passing scores are required for licensure in Fall 2015 and thereafter.
6. In addition to student teaching requirements, a Gate 3 portfolio must be submitted and approved before licensure is recommended.

Wisconsin Application
College of Education graduates who desire to teach in Wisconsin, will apply for licensure using the WI Department of Public Instruction’s (DPI), ELO (Electronic Licensing Online) http://tepdl.dpi.wi.gov/licensing/elo following all steps listed on the site including fingerprinting if applicable.
Upon completion of all program, University and WI Department of Public Instruction teaching requirements, information will be forwarded to WI DPI verifying this completion (including the completion of all required tests), a degree and any add-on certifications have been awarded, and certifications the teaching candidates are eligible for licensure. Candidates will then apply for their 5 year Initial License, using a credit card (debit cards are not accepted) and after processing, will access their account and print their own license.

Out-of-state Applications
It is recommended that graduates seeking licensure to teach in states other than Wisconsin request application forms and instructions from the Department of Education of the state in which licensure is desired. Inquiry early in the period of professional preparation is advisable. In most cases, an official transcript of credits must accompany the completed application form; additional tests or course work may be required. Therefore, it is imperative to check requirements of other states. A helpful Web site to obtain requirements of other states is www.uky.edu/education/tep/usacert.html. Wisconsin and most other states require institutional endorsement. In general, candidates will be able to obtain licenses in other states; however, these licenses may be issued with stipulations. It is the student’s responsibility to find out licensing requirements of other states. The university prepares teachers for certification in Wisconsin.
Candidates for baccalaureate degrees or certification in teacher education must meet General Education requirements as follows:

ROSEMARY BATTALIO, CHAIR

JANET AMANN, MELISSA BRUCE, ARAM DEKOVEN, JENNIFER FAGER, JANINE FISK, MANJULA JOSHI, PATRICIA KLEINE, MICHAEL KOLS, CAROL KOROGHILUAN, INCHO LEE, DEBORAH PATTEE, JILL PRUSHEIER, ROBERT REID, VICTORIA ROSIN, ERIC TORRES, ANJELA WONG, JERRY WORLEY, and ASSOCIATED TEACHER EDUCATION FACULTY.

Purposes and Goals
The Department of Education Studies prepares teachers for elementary, middle level, and high school classrooms through several programs. Through a series of courses and experiences emphasizing reflection, decision-making, and collaborative leadership, students develop knowledge, skills, and dispositions necessary for effective teaching. Students also acquire skill in (1) planning and using various teaching methods and resources, (2) creating and maintaining a positive learning environment, and (3) evaluating learning and instruction. The Department of Education Studies also provides leadership, vision, and service for the core elements of all teacher education and library science programs. Core professional studies which are common to all programs include field experiences; the social, cultural, historical, legal, and philosophical foundations of education; pedagogy for diverse learners; instructional, informational, and media technology; educational research; assessment; and leadership studies. At the completion of a program, students are ready to assume responsibilities for classroom teaching and are prepared to continue developing as a professional.

Degrees Awarded
The following majors lead to the Bachelor of Arts Degree: Art, Economics, English, French, German, History, Latin American Studies, Political Science, Social Studies, Sociology, Spanish, and Theatre Arts.

The following majors lead to the Bachelor of Science Degree: Biology, Chemistry, Elementary/Middle Level Education, Geology, Kinesiology, (Physical Education), Mathematics, Physical Science, Physics, and Physics-Mathematics.

All majors in Music lead to the Bachelor of Music Education.

Student Transportation
All programs that lead to teacher licensure require multiple field experiences. Students in teacher education programs must provide their own transportation to and from field experiences. Some field experiences may require travel to other communities. All costs associated with transportation to and from field experiences are the responsibility of the student.

Program Options
Programs in the Department of Education Studies are designed to lead to licensure by the state of Wisconsin. UW-Eau Claire provides these three program options:

A. Middle Childhood through Early Adolescence (MC-EA) (Elementary Education)

B. Early Adolescence through Adolescence (EA-A) (Secondary Education)

C. Early Childhood through Adolescence (EC-A) (PK-12 Education)

Students should select the program option they wish to pursue and follow the requirements for that program. In addition to the program requirements, all students must complete the appropriate General Education requirements (see General Education: College of Education and Human Sciences) and other University requirements for graduation.

Satisfactory/Unsatisfactory Policy
No degree credit may be earned under the Satisfactory/Unsatisfactory option in required education studies, library science and media education, unified early childhood or special education courses unless Satisfactory/Unsatisfactory is the only grading option available for the course.

Pre-program. Before seeking admission to a program, students must complete the appropriate pre-program course(s): ES 203 (Exploring Schooling in Grades 1-8) for Option A, ES 212 (Initial Teaching Experience in Elementary, Middle and High School) for Options B and C.

To enroll in ES 203, a student must meet the following criteria: (1) pre-education status, (2) completed at least 14 credits, (3) Minimum GPA of 2.75 or higher, (4) completion of University Writing Requirement. To enroll in ES 212 a student must meet the following criteria: (1) pre-education status, (2) completed at least 14 credits, (3) resident and total GPAs of 2.75 or higher, (4) completion of University Writing Requirement, (5) passing scores on the Praxis I: Pre-Professional Skills Test (PPST) in reading, writing, and mathematics or passing scores on Praxis Core Academic Skills Test for Educators (CORE) Tests in mathematics, reading, and writing or passing scores on the ACT. Space available for these courses will be limited to resources available.

Program Admission Information
The programs in the Department of Education Studies are designed to continually assess the knowledge, skills, and dispositions of the best candidates to be recommended for endorsement to the Wisconsin Department of Public Instruction for certification to teach in the state of Wisconsin. Students are admitted to program on a selective and limited basis from a pool of candidates who meet minimum criteria. Students who enter the University and who plan to pursue one of the program options A, B, or C should understand that not all who seek admission to the College of Education and Human Sciences, and to the program, will be admitted, even if minimum criteria are met. Detailed descriptions of program admission criteria and procedures are available from the department office, given that changes occur in an attempt to use admission results and information to improve curricula.

Admission to Program (Gate #1)
Students who wish to pursue any of the three program options [A: Middle Childhood through Early Adolescence (MC-EA), B: Early Adolescence through Adolescence (EA-A), and C: Early Childhood through Adolescence (EC-A)], must file a formal application by October 1 for spring admission or March 1 for fall admission. Admissions committees are convened and decisions are made in time for students to register for program courses for the ensuing semester. When students are admitted to any of these three programs, they are also admitted to the College of Education and Human Sciences Teacher Education Program.

Admission to the Option A Program (MC-EA): (Block)
Students should obtain the MC-EA Advising Handbook which provides information on process and procedures, as well as rubrics, for scoring the 10 Wisconsin Teaching Standards, and auxiliary information (e.g., certifiable minor choices, resume format, etc.). Students wishing consideration for admission to the program should apply one year prior to the semester in which they want to be in the “block” (methods) courses.

Students may not apply for program while enrolled in ES 203, Exploring Schools in Grades 1-8. Candidates for admission to program prepare a “portfolio” based on four of the 10 teaching standards (#s 1, 2, 4, 9). Additional criteria for admission include: overall GPA, performance in ES 203, Exploring Schools in Grades 1-8, a degree plan, dispositions toward teaching, and overall writing and quality of the application materials. The MC-EA Admissions Committee is comprised of two faculty members from the Education Studies department, two secondary education teachers or principals, and two faculty or academic staff members from the teacher associated faculty from the College of Education and Human Sciences. Each portfolio is reviewed by two raters and average scores are determined by the MC-EA program coordinator. Rank-ordered total scores on the portfolio are provided to the chairperson who notifies the applicants of their admission status. Students are admitted based on the total portfolio score. Students who are not admitted may apply one additional time.

243
EDUCATION STUDIES

Admission to the Option B (EA-A) and C (EC-A) Programs: (Block)

Students who want to be considered for admission to these programs and the College of Education and Human Sciences Teacher Education Program should apply the semester before they want to enroll in the methods sequence of courses, also known as the “block” (e.g., ES 312, 318, 328, etc.). Students may not apply for program while enrolled in ES 212, the pre-program course. Candidates prepare a portfolio based on the ten Wisconsin Teaching Standards for the Department of Education Studies (see the EA-A/EC-A program coordinator for education program-related questions and rubrics used for scoring portfolios). Additionally, content departments have requirements for admission which focus predominantly on content knowledge (e.g., Foreign Language and Latin American Studies requires passing an oral competency exam in the target language). Students should see their content area advisor for information or direction to the education advisor in that department. The EA-A/EC-A Admissions Committee is comprised of EA-A/EC-A faculty from the Department of Education Studies and at least one member from each of the certifying areas: Art, Music, English, Kinesiology, Mathematics, Social Studies, History, Science, Foreign Language, and Theatre Arts. The portfolios are scored by EA-A/EC-A faculty in the Department of Education Studies, and a list of applicants with rank-ordered total portfolio scores is compiled. The EA-A/EC-A program coordinator convenes a meeting of the EA-A/EC-A admissions membership where final decisions are made for admission to the program, College, and the block semester. The list of admitted and declined applicants is provided to the chairperson who notifies the applicants of their admission status. Students who are admitted to program must take ES 312 and 318 the subsequent semester. Unsuccessful candidates may re-apply once. For current information see: www.uwec.edu/ES/programs/secondary-eaa-eca.htm.

Admission to the Professional Semester (Gate #2):
Professional Semester

Applicants in program option A below must earn a minimum grade of B in the Block practicum field experience for three of the five areas: language arts, mathematics, reading, science, and social studies and earn a minimum GPA of 2.75 across the block courses with no less than a C in the following courses: ES 304, 305, 306, 307, 308, 309 to gain departmental approval for admission to student teach or intern.

Applicants in options B and C below must earn a minimum grade of B in each of the professional education courses (212, 312, 317, 318*, 328, content methods) to be considered for admission to student teach or intern. *Music Education majors take Mued 318 instead of ES 318.

Recommendation for Licensure (Gate #3)

All students seeking licensure through programs in the department of Education Studies must complete a full semester of student teaching or internship. A full semester of student teaching or internship is defined as completing a full semester, full days following the school district calendar. All applicants for student teaching or internships must have resident, total, and professional education course GPAs of 2.75 or higher and have departmental approval. Grades for student teaching courses (ES 440, 441, 445, 446, 470, and 475) are reported and recorded on a satisfactory/unsatisfactory basis.

In addition to student teaching requirements, a Gate 3 portfolio must be submitted and approved before licensure is recommended. Students graduating in Fall 2015 or after will be required to participate in and earn passing scores on the EdTPA. Finally, students who have an elementary education major or special education major, or minor will need to complete the WI Foundations of Reading Test (FORT) with a passing score of 240 or higher.

PROGRAM OPTION A

This program option offers pedagogical studies in the basic areas of reading, language arts, social studies, science, and mathematics, and in special subjects such as art, music, children’s literature, health, speech, physical education, and special education. The major is designed to provide students with strong preparation in all the subjects taught in elementary and middle schools.

OPTION A: MC-EA
Middle Childhood through Early Adolescence Licensure
MAJOR: Eled, Middle Childhood/Early Adolescence (Code 940-206)
ES 203, 285, 304, 305, 306, 307, 308, 309, 380, 385, 415, 435, and 441 and 445, or 440 or 446; and 457, 490, 497; Art 300; Kins 361; Lmed 305; Musi 340; and Sped 400. This major leads to Middle Childhood through Early Adolescence: Regular Education licensure. Students are required to select a second major or minor from list below. PROGRAM OPTIONS B and C

These program options are organized around content majors and education courses and are designed to prepare teachers for early adolescence through adolescence (EA-A) teaching or for early childhood through adolescence (EC-A) teaching in selected areas. Each program requires the student to complete: (1) a major and minor, double major, or comprehensive major, each of which has been approved for teaching (see lists below) and (2) a professional sequence consisting of teaching methods and related courses. Advising is done through the content major department. Upon admission to program, candidates are assigned an adviser in education as well.
OPTION B: EA-A  
Early Adolescence through Adolescence Licensure

Approved teaching major and minor, double major, or comprehensive major; and ES 212, 312, 317, 318, 328, 385, prescribed special methods course(s) (see approved majors and minors below); ES 445 and 470, or 446, or 475; 490, 497; Sped 300.

NOTE: Although majors must be from the approved list below, the minor may be from the approved list. Students pursuing EA-A licensure are not required to elect a minor that leads to a teaching license.

*Broadfield Science add-on certification is available with these majors and requires ES 359 (fall only) and ES 367 (spring only). Students should contact the Registrar’s Office to declare their intention to add the Broadfield Science certification.

OPTION C: EC-A  
Early Childhood through Adolescence Licensure

Approved major and minor, double major, or comprehensive major; and ES 212, 312, 317, 318, 328, 385, prescribed special methods course (see approved majors and minors below); ES 441 and one of 445 or 470, or 446, or 444, or 475; 490, 497; Sped 300 (not required of Kinesiology or Music majors).

NOTE 1: ES 441 is not required for Foreign Language majors and minors in the student teaching semester as an earlier elementary level field placement (required by DPI) occurs in ES 437.

NOTE 2: Music Education majors take Mued 318 instead of ES 318 and Mued 487 or 488 instead of ES 441 and one of 445 or 470, or 446, or 444, or 475.

NOTE: Students completing an EC-A comprehensive major or standard major may complete an additional major or minor with licensure at the EA-A level from the list under Option B above.

Library Science and Media Education (Lmed)

Library Science and Media Education courses prepare students for positions in libraries and media centers. This preparation is offered as a minor to accompany any undergraduate major which accommodates a minor; however, it may be completed after the baccalaureate degree as a sequence of courses leading to state licensure as a library media specialist.

A sequence of graduate-level courses for both school and public librarianship prepares students for positions in schools as Master’s-level Instructional Library Media and Technology Specialists.

The department also participates in the University of Wisconsin System Library Education Consortium (UWSLECC) through which students can gain initial and advanced (902 Initial and 902 Professional) licensure as school library specialists through web-based graduate programs. For information about the program, contact the department or go to www.uwsslec.org.

NOTE: Students considering a Library Science and Media Education minor should consult with faculty in the department for further information and assistance in planning their program.

MINOR: LIBRARY SCIENCE, Liberal Arts (Code 960-401)

Twenty-four semester credits, including Lmed 305, 306, 310, 312, 316, 382, 430, and 463 or 456. Prepares students for beginning public library positions, with some opportunities also available in academic and special libraries.

MINOR: LIBRARY SCIENCE, Teaching (Code 960-403)

Twenty-four semester credits, including Lmed 305, 306, 310, 312, 316, 382, 432; and three credits from relevant course work in media production and technology (ES 285 and 380 recommended), principles of design, legal foundations, and literature, which enhances the minor studies and is approved by the library science minor adviser and the department chair. In addition to the 24-credit minor, Lmed 461/461 or 466/666 and 462/662 or 467/667 are required for field experience. If the grade requirement of B- or above in field experience courses is not met, the undergraduate student may repeat the field experience course or may graduate without the recommendation for teaching endorsement. This grade requirement applies to certification only students as well. This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A, B, or C and leads to Early Childhood through Adolescence licensure as Library Media Specialist. This is a five-year (902 Initial Educator) license with stipulations to complete additional requirements for (902 Professional) continued licensure.

ES

ES 149 Introduction to Education
1 cr. • V
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Provides experiences on which to base decisions about teaching as a career. Investigates purposes and goals of university education in preparation for a teaching career and presents strategies for having success in the university.

ES 203 Exploring Schooling in Grades 1-8
2 crs. • F, Sp • Special Course Fee Required • No S/U Grade Option • P: Limited to teaching majors. Minimum 14 credits. Completion of University Writing Requirement. Minimum GPA of 2.75.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 8
Examination of elementary and middle schooling, instructional planning, and effective teaching practices. The course combines field experiences with reading and discussion to provide an introduction to the roles and responsibilities of a professional educator at the elementary and middle school level.

ES 212 Initial Teaching Experience in Elementary, Middle, and High School Settings
2 crs. • F, Wi, Sp • Special Course Fee Required • No S/U Grade Option • P: Minimum of 14 credits. Completion of University Writing Requirement. Passing ACT or PPST scores. Minimum resident and total GPA of 2.75.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 4
This initial field experience provides opportunities to study and teach students in grades 1-12. School level placements made in accordance to certification requirements for ECA or EAA licensure. Student completes approximately 50 hours of observation/teaching.

ES 285 Computers in Education: Introduction
1 cr. • F, Sp • P: ES 203, or ES 210/211, or ES 212, or SPED 205 or concurrent enrollment; or consent of instructor.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
An introduction to computer applications useful for teachers including graphics, desktop publishing, spreadsheets, and Web page editing. Hands-on work is stressed.

ES 286 Technology & Special Education
1 cr. • F, Sp • A-F Grades Only • P: SPED 205 or concurrent enrollment or consent of instructor. Limited to SPED Early Childhood or SPED Learning Disabilities and Cognitive Disabilities majors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
An introduction to applications and technologies useful for special education educators including desktop publishing, visual literacy and assistive technologies. Hands-on work is stressed. All of the projects are suitable for inclusion in a portfolio.

ES 295 Contemporary Critical Issues in Education
1-3 crs. • F, Sp • Department Consent Required
Lecture/Discussion Hours: 1-3 | Lab/Studio Hours: 0
Problems of education relating to funding, teacher quality, and the status of the teaching profession, student academic performance, racial imbalances, and unequal educational opportunity. This course is designed to discuss these concerns and viable solutions.

ES 301/501 General Education Literacy Instruction PK-8
3 crs. • F, Sp • P: Limited to Special Education majors admitted to College of Education and Human Sciences. SPED 301 must be taken concurrently with ES 301 and provides field experience in general education classrooms.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• SPED 301 must be taken concurrently with ES 301 and provides field experience in general education classrooms.

This course examines theories and strategies prevalent in general education practices designed to support children in all aspects of literacy development.
ES 304 Classroom Practices
1 cr. • F, Sp • P: ES 203. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with ES 306.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Development of skills needed to function effectively in the elementary/middle level classroom. Topics include interpersonal relationships, parental involvement, cooperative learning strategies, school restructuring, and classroom management.

ES 305 Reading Curriculum and Instruction in Grades 1-8
3 crs. • F, Sp • P: ES 203 or concurrent enrollment in SPED 301. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with ES 306.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the teaching methods, instructional materials, and evaluation techniques employed in elementary/middle level reading. Includes a directed practicum.

ES 306 Mathematics Curriculum and Instruction in Grades 1-8
3 crs. • F, Sp • P: ES 203; MATH 203, 204 and 305. Limited to teaching majors admitted to College of Education and Human Sciences. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of teaching methods, instructional materials, evaluation techniques, and trends in mathematics. Includes a directed practicum.

ES 307 Language Arts Curriculum and Instruction in Grades 1-8
3 crs. • F, Sp • P: ES 203. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with ES 306.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Teaching language arts in the elementary and middle school; writing, listening, and speaking skills are included. Methods, materials, and trends in language arts. Includes a directed practicum.

ES 308 Science Curriculum and Instruction in Grades 1-8
3 crs. • F, Sp • P: ES 203; BIOL 100; PHYS 100; G slew 106. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with ES 306.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the teaching methods, instructional materials, evaluation techniques, and trends in science. An environmental education component is included as well as a directed practicum.

ES 309 Social Studies Curriculum and Instruction in Grades 1-8
3 crs. • F, Sp • P: ES 203. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with ES 306.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of teaching methods, instructional materials, and techniques in elementary and middle level social studies. Explores trends in social studies and looks at education for employment. Includes a directed practicum.

ES 312/512 General Methods of Teaching
2 crs. • F, Sp • P: Concurrent enrollment in ES 317, ES 318, ES 328, and a prescribed special methods course. Limited to teaching majors admitted to College of Education and Human Sciences. • Department Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Introduces models of teaching; lesson and unit planning; direct and indirect methods of instruction; audiovisual, computer, and other educational technologies; managing classrooms; and evaluating and grading student learning.

ES 316/518 Teaching Multicultural Literature in Grades K-12
3 crs. • F, Sp • P: Limited to teaching majors admitted to College of Education and Human Sciences. Teaching certification students may also enroll. Completion of University Writing Requirement.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course examines what it means to have a multicultural perspective on the use of children’s literature in the classroom and to use those understandings to design rigorous curricula for all grade levels.

ES 317/517 Middle Level Methods and Curriculum
2 crs. • F, Sp • P: Special Course Fee Required • P: Concurrent enrollment in ES 312, ES 318 or MAUED 318, ES 328, and a prescribed methods course. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Examination of teaching methods appropriate for middle level students and an analysis of philosophies and organizational schemes of the middle level curriculum.

ES 318 Teacher Assisting
1 cr. • F, Sp • P: Concurrent enrollment in ES 312, ES 317, ES 328, and a prescribed special methods course. Limited to teaching majors admitted to College of Education and Human Sciences. • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
Field experience in which student will experience certain aspects of teaching under the discretion of a cooperating teacher.

ES 321/521 Contemporary Issues in Education
3 crs. • V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students will view issues from a systems lens to determine if issues are situational or systemic. Students will engage in discourse, debate, reflection, and research as they investigate contemporary issues in P-12 education.

ES 328/528 Content Area Reading and Study Strategies
2 crs. • F, Sp • P: PSYC 261, or ES 370, or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences and school psychology students.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Provides rationale and methods for determining the abilities of middle level and secondary students to read text in content areas and provides strategies for teaching effectively from text in a content area classroom.

ES 333/533 Literacy Learning in Culturally and Linguistically Diverse Classrooms
1 cr. • V • P: ES 210/211 or ES 212 or permission of instructor. Limited to teaching majors admitted to College of Education and Human Sciences. No credit if taken after ES 753.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Designed for K-12 teachers, this course discusses literacy learning for diverse learners as well as a repertoire of literacy strategies to accomplish academic success.

ES 335 Reading Assessment, Diagnosis and Remediation
2 crs. • F, Sp • P: Concurrent enrollment in ES 312, ES 317, ES 318, ES 328, and a prescribed special methods course. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 1 | Field Practicum Hours: 1
Examines reading process, models of diagnosis, formal and informal assessment instruments, instructional planning, intervention and issues of literacy assessment. Practicum experience with students is required.

ES 338/538 Reading, Language, and Thinking
3 crs. • V • P: ES 328, or ES 370, or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences and school psychology students.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of the interrelationships of critical thinking, reading, writing, speaking, and listening across content areas; practice in research-based procedures to use language to promote learning. Study of the interdisciplinary team approach and group process.

ES 350 Art in Grades 1-8
3 crs. • F, Sp • P: Limited to art teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 6
Prepares art education students for planning and teaching art in grades 1-8. Students will have a comprehensive understanding of elementary and middle school art curriculum.

ES 354 Teaching Middle Level and Secondary Art
2 crs. • F, Sp • P: Completion of or concurrent enrollment in ES 312, ES 318, ES 328, and a prescribed special methods course. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Prepares students for planning and teaching art at the middle and secondary levels. Students will develop middle school and high school curriculum units. Required of Art-Middle Level and Secondary Teaching and Art-Comprehensive Teaching majors.

ES 356 Teaching Social Studies in Grades 5-12
2 crs. • F, Sp • P: Completion of or concurrent enrollment in ES 312, ES 318, ES 328, Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Study of the curriculum, resources, teaching skills, and evaluation procedures for middle level and high school Social Studies. Required of the following teaching majors and/or minors: Latin American Studies, Social Studies, Economics, Geography, History, Political Science, Sociology.

ES 357 Teaching Mathematics in Grades 5-12
2 crs. • F, Sp • P: Completion of or concurrent enrollment in ES 312, ES 318, ES 328. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Students construct an instructional framework based on research, theory, current practice, technology, and practical experience. Required of teaching majors and minors in mathematics.
EDUCATION STUDIES

ES 359 Teaching Physical Science
2 crs. • F • P: Completion of or concurrent enrollment in ES 312, ES 318, and ES 328. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

This course focuses on methods of science instruction that help students learn to teach science. Several teaching models will be examined to organize instruction. Required of teaching majors and minors in chemistry and physics.

ES 361 Teaching Theatre Arts
2 crs. • F • P: Completion of or concurrent enrollment in ES 312, ES 318, and ES 328. Limited to teaching majors admitted to College of Education and Human Sciences. Minimum resident and total GPA of 2.75.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

A study and analysis of current materials including textbooks, assessment tools, and teaching materials. Preparation for play production, classroom units, and advocacy tools.

ES 366 Teaching Foreign Languages Grades 5-12
2-3 crs. • F • P: Completion of or concurrent enrollment in ES 312, ES 318 and ES 328. Passing the ACTFL OPI or OPIc and WPT or consent of instructor.
Lecture/Discussion Hours: 2-3 | Lab/Studio Hours: 0

Students majoring/minoring in more than one language or students who are MCEA regular education majors with a foreign language second major should enroll in this course for three credits.

Theories of language acquisition and learning, methodological trends, review of current research, guidelines for teaching the skills and culture.

ES 367 Teaching Biology
2 crs. • Sp • P: Completion of or concurrent enrollment in ES 312, ES 318 and ES 328. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 3

Required of biology teaching majors and minors.

ES 380 Educational Media
2 crs. • F, Sp • P: ES 285 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences and library science minors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2

Principles of selection and classroom utilization of educational media, basic media production skills, and operation of electronic and projection equipment.

ES 384/584 Content Area ESL Instruction
2 crs. • F, Sp • P: A-F Grades Only • P: ES 203 or ES 212 or SPED 205 or consent of instructor. Limited to non-TESOL minors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

Non-TESOL minors only; open to in-service teachers.

Focuses on various instructional strategies to make content knowledge comprehensive for English Learners (ELs). Emphasizes given to instructional and assessment strategies, various ESL and bilingual education models, and language acquisition theories.

ES 385/585 Social Foundations: Human Relations
3 crs. • F, Wi, Sp, Su • CD3; GE-V; SL-Full; Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 1

Students are expected to accrue 15 of the 30 hours of volunteer/work prior to the semester they are enrolled in ES 385/585.

Students will examine cultural contributions of racial, ethnic, cultural, gender, and economic groups. They will also examine forces of discrimination and racism on individuals, society, and education and analyze practices that promote dignity, social justice, and equality.

ES 405/605 Teaching English to Speakers of Other Languages
3 crs. • F, Sp • P: FLG 378 or concurrent enrollment, and one year college level foreign language study or equivalent, or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Designed to help school teachers and others recognize the language difficulties of non-native speakers and teach effectively the sounds, basic structures, and vocabulary of English. Stresses development and use of practical techniques and materials based on second-language acquisition principles.

ES 408/608 Methods of Teaching Content-Based ESL
3 crs. • Sp • P: ES 405 or concurrent enrollment. Limited to TESOL minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Future and current English as a Second Language (ESL), bilingual education, and content-area teachers learn how to modify mainstream course materials and instructional strategies so that English language learning students can engage in course content while simultaneously developing their new language.

ES 410/610 Current Trends and Practices in Teaching Reading
1 cr. • Su • May be repeated for a maximum of 3 credits • P: ES 305 or equivalent. Limited to teaching non-degree students.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Current issues and innovations in teaching reading. May be taken during three different summer sessions for a total of three credits applied toward certification and/or degree.

ES 411/611 Methods of Bilingual/Bicultural Content-Based Instruction and Curriculum Design
3 crs. • Sp, Su • CD2; Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • P: ES 405. Limited to TESOL minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Students will learn about bilingual language acquisition, appropriate instruction of bilingual children through grade-level subject matter, various program models, and methods of assessing bilingual students. Students will develop curricula to teach bilingually in content areas.

ES 413/613 Computers in Education: Multimedia Presentations
1 cr. • V • P: ES 285 • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

Develops skills in the design and production of computer based multimedia presentations that include animation, sound, hypermedia links, and digital images. Students produce and demonstrate the proper utilization of a multimedia material.

ES 415/615 Assessment and Evaluation in Grades 1-12
2 crs. • F, Sp • P: ES 304 or ES 312. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

Includes observational techniques, teacher-made devices, familiarity with standardized instruments and relative statistical concepts, alternative and performance-based assessments, and current national and state evaluation trends.

ES 435 Classroom Management in Grades 1-12
3 crs. • F, Sp • P: ES 304. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Introduction to the knowledge, skills, and dispositions necessary to create, organize, and maintain an enriched and positive 1-12 classroom environment and set high standards for all students through curriculum and instructional design.

ES 436/636 Education of Girls and Women in the United States
2 crs. • V • CD1; GE-V • P: Minimum junior standing
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

• Credit may not be earned in both ES 436 and WMNS 436. No credit if taken after special topics or directed study with the same title.

This course will focus on both informal and formal definitions of schooling and explore a wide array of influences and choices that contribute to the preparation of resilient women who grow and change through their lifetime.

ES 437 Teaching Foreign Languages in Grades 1-8
2 crs. • Sp • P: Completion of or concurrent enrollment in ES 312, 318 and 328. Passing the ACTFL OPI or OPIc and WPT or consent of instructor.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0

• Admission to professional semester.

Principles and practices in teaching foreign languages in grades 1-8. Preparation for teaching in bilingual education programs.

ES 440 Internship Teaching in Elementary Education
7-14 crs. • F, Sp • IN; Special Course Fee Required • S/U Only Grade Basis • Department Consent Required

• Admission to the professional semester and recommendation of the Department of Education Studies. Offered on satisfactory/unsatisfactory grade basis only.

The intern is a paid contractual member of public school staff, spending the three different summer sessions for a total of three credits applied toward certification and/or degree.

ES 441 Student Teaching in Elementary Education
7 crs. • F • May be repeated for a maximum of 14 credits • S/U Only Grade Basis

• Admission to the professional semester and recommendation of the Department of Education Studies. Offered on satisfactory/unsatisfactory grade basis only.

The student teaches full time for one quarter in the elementary grades. The calendar of the school to which the student is assigned is followed for beginning, ending, and vacation dates.
ES 445 Student Teaching in Middle Level Education
7 crs. • F, Sp • May be repeated for a maximum of 14 credits • S/U Only Grade Basis
• Admission to the professional semester and recommendation of the Department of Education Studies. Offered on satisfactory/unsatisfactory grade basis only.
Students teach full time for one quarter in a middle level school. Students typically teach in their approved major/minor area. The calendar of the school to which students are assigned is followed for beginning, ending, and vacation dates.

ES 466 Internship Teaching in Middle Level Education
7-14 crs. • F, Sp • IN: Special Course Fee Required • May be repeated for a maximum of 14 credits • S/U Only Grade Basis • Department Consent Required
• Admission to the professional semester and recommendation of the Department of Education Studies. Offered on satisfactory/unsatisfactory grade basis only.
The intern is a paid contractual member of the public school staff, spending the entire semester in the school system in a middle level setting. The public school calendar is followed.

ES 456/656 Understanding the Early Adolescent
3 crs. • V • P: ES 203 or ES 210 or ES 212 and admission to program or professional teaching experience. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examination of changing attitudes and behaviors of early adolescent youth as related to teaching-learning situations.

ES 457/657 Integrating Literacies into the Middle Grades Curriculum
3 crs. • F, Sp • P: ES 304. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Designed to provide means to develop understanding of early adolescent learning and to explore, research, analyze, and acquire knowledge and skills necessary to plan and deliver sound educational experiences pertaining to literacy in middle schools.

ES 460/660 Reading and the Young Child
3 crs. • Sp
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course examines curriculum, methods, assessments, materials, and trends in teaching oral language, reading, and writing to children from birth through grade 3.

ES 463/663 Practicum in Elementary/Developmental Literacy
Grades 1-5
1 cr. • V • A-F Grades Only • Department Consent Required
Lecture/Discussion Hours: 0.5 | Lab/Studio Hours: 1.5
Provides a field experience to acquire proficiency in the teaching of reading in the primary grades 1–5. Students will observe, plan, teach and assess reading in an elementary school over the course of a semester.

ES 464/664 Practicum in Content Area Reading
1 cr. • F • CP
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 1
Must be taken concurrently or after a course in content area reading.
Application of strategies for assessing the difficulty of text in content areas; focuses on classroom difficulties due to differing reading abilities of students, with recommended strategies for teaching reading. Supervised practicum for reading teacher and specialist only.

ES 470 Student Teaching in Secondary Education
7 crs. • F, Sp • May be repeated for a maximum of 14 credits • S/U Only Grade Basis
• Admission to professional semester and recommendation of the Department of Education Studies. Offered on satisfactory/unsatisfactory grade basis only.
The student teaches full time for one quarter in a high school setting. The calendar of the school to which the student is assigned is followed for beginning, ending, and vacation dates.

ES 471 Student Teaching in Special Subjects
3 crs. • F, Sp • S/U Only Grade Basis
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Intended for teachers already certified who are seeking additional licensure; limited student teaching experience specially arranged with student.

ES 473/673 Legal Aspects of Teaching
3 crs. • V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Recent developments in the definition of legal rights of students and teachers are explored. Rights of students which are considered include student discipline, admission and attendance, injury, and tests and records. Rights of teachers which are considered include tenure, due process, contracts, negotiations, and liability for student injury.

ES 474 Computers in Education: Instructional Design and Development
3 crs. • V • Field Trip(s) Required • May be repeated • P: ES 285 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
The instructional design and creation of computer-based curricular materials for group and individual instruction within established learning principles.

ES 475 Internship Teaching in Secondary Education
7-14 crs. • F, Sp • IN: Special Course Fee Required • S/U Only Grade Basis • Department Consent Required
• Admission to professional semester and recommendation of the Department of Education Studies. Offered on satisfactory/unsatisfactory grade basis only.
The intern is a paid contractual member of the public school staff, spending the entire semester in the school system in a high school setting. The public school calendar is followed.

ES 476/676 Developing Programs and Curriculum Materials for the Gifted Student in Grades 1-12
3 crs. • V • P: Limited to teaching majors admitted to College of Education and Human Sciences. Teaching certification students may also enroll. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Reviews characteristics of gifted student. Suggests program modifications to meet their needs. Stresses stimulation of creative and productive thinking. Participants will identify materials and/or develop a program for selected students in their own school.

ES 477/677 Computers in Education: Instructional Applications
3 crs. • V • Field Trip(s) Required • P: ES 285 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences. • Instructor Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
An introduction to current thinking and research related to computers in education. Students will formulate a plan for use of computers, evaluate existing programs, and develop a hypertext/media application.

ES 485/685 Field Studies of Minority Groups
3 crs. • V • SL-Full • P: ES 385 or consent of instructor. Lecture/Discussion Hours: 1 | Lab/Studio Hours: 6
A study of the culture, lifestyles, values, and contributions of African American, Indian, Latino, and Hmong minority groups. Students live and work in minority communities, meeting their leaders, interviewing their members, visiting schools, and assisting in playground and youth activities. The group will attend cultural events and a pow-wow, as available.

ES 490/690 Historical, Legal, and Philosophical Foundations of Education
3 crs. • F, Wi, Sp, Su • P: ES 385/385
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Graduate students may also enroll.
The application of historical, legal, and philosophical principles to classroom operations. Includes the development of a personal philosophy of education.

ES 493/693 International Experience in Education
1-8 crs. • F, Sp, Su • Department Consent Required
Lecture/Discussion Hours: 1
Completion of junior methods practicum or teaching license. Allows students to study some aspects of education in another country. Experience may involve teaching, survey of curriculum, methodology, trends and/or study tour of education facilities. Experience must be approved by department chair.

ES 495/695 Directed Studies in Education
1-3 crs. • F, Sp, Su • May be repeated • P: ES 285 or consent of instructor.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Arranged by department in response to need.
Group study, under the immediate direction of departmental faculty, of a problem not covered in existing courses.

ES 497/697 Field Experience Seminar
1 cr. • F, Sp • CP; Special Course Fee Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Admission to professional semester and recommendation of Department of Education Studies. Required for elementary education MCEA (Middle Childhood through Early Adolescence), secondary education ECA (Early Childhood through Adolescence), and secondary education EAA (Early Adolescence through Adolescence) education majors.
A capstone seminar designed to provide experiences in which students refine and demonstrate competence in instructional planning, instructional delivery, and other collaborative and professional practices while meeting the needs of a diverse student population. Taken in conjunction with student teaching/internship. Preparation for the materials and competencies required for the job search is highlighted.

EDUCATION STUDIES
EDUCATION STUDIES

ES 499 Independent Study
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
Study of an education issue under the supervision of Education Studies faculty.

LMED

LMED 100 How to Use the Library
1 cr. • V • P: Credit cannot be earned in both LMED 100 and LMED 110. Not available for juniors or seniors.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Not applicable to the minor.
Locating materials and services of the McIntyre Library, with emphasis on search procedures.

LMED 110 Developing Library Skills
2 crs. • F, Sp, Su • P: Not available for juniors or seniors. Credit may not be earned in both LMED 100 and LMED 110. • Department Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Not applicable to the minor.
Locating materials and services in the McIntyre Library, with emphasis on search procedures.

LMED 305/505 Children’s Literature
3 crs. • F, Sp, Su • P: Limited to teaching majors or library science minors. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Survey of literature for children in both print and nonprint formats.

LMED 306/506 Literature For Adolescents
3 crs. • F, Sp • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study of literature for young people—middle and high school ages—with emphasis on trends and issues, development of the adolescent novel, genres, author profiles, and reading promotional tools.

LMED 310/510 Developing Media Collections
3 crs. • F • P: No S/U Grade Option • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Selecting and evaluating library and audiovisual materials.

LMED 312/512 Reference: Information Services for Public and Community
3 crs. • F • P: Field Trip(s) Required • No S/U Grade Option • P: Limited to LMED minors. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theory, application, and practice of library reference with emphasis on providing information and related services to individuals and communities.

LMED 316/516 Organizing Media
3 crs. • Sp • P: Field Trip(s) Required • No S/U Grade Option • P: Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The study of publishing, cataloging and classifying print and non-print information resources.

LMED 382/582 Producing Instructional Media
3 crs. • Sp • P: ES 380 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences and library science minors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 1
Planning and producing audio, computer, graphic, photographic, and video instructional materials.

LMED 408 Computers in Education: Online Communications and Information Retrieval
3 crs. • V • P: ES 285 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of computer-mediated communications (e.g., electronic mail, discussion lists, Usenet news, chats, and groupware) and computer-based information retrieval resources (e.g., online databases, CD-ROM databases, and Internet resources) to classroom environments. Includes online resource creation and evaluation.

LMED 430/630 Public Library Administration
3 crs. • Sp • Field Trip(s) Required • No S/U Grade Option • P: LMED 310 or 312 or 316 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Operation and management principles for public libraries.

LMED 432/632 Administering School Media Programs
3 crs. • Sp • Field Trip(s) Required • No S/U Grade Option • P: LMED 310 or 312 or 316 or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Operation and management principles of school library media programs.

LMED 450 Computers in Libraries/IMCs
1-3 crs. • V • Field Trip(s) Required • May be repeated
An introduction to the use of computers for instruction, record-keeping, and information retrieval.

LMED 461/661 Field Experience: Elementary Media Center
3 crs. • F, Sp • No S/U Grade Option • P: 21 credit LMED certification sequence; ES 304, 305, 306, 307, 308, 309; or ES 312, 317, 318, 328; Minimum sophomore standing. Limited to teaching majors admitted to College of Education and Human Sciences. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Observation and practice in an elementary school library or media center.

LMED 462/662 Field Experience: Secondary Media Center
3 crs. • F, Sp • No S/U Grade Option • P: 21 credit LMED certification sequence; ES 304, 305, 306, 307, 308, 309; or ES 312, 317, 318, 328. Minimum sophomore standing. Limited to teaching majors admitted to College of Education and Human Sciences. • Instructor Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Observation and practice in a secondary school library or media center.

LMED 463 Field Experience: Advanced Public Library Administration or Special Library
3 crs. • F, Sp • Field Trip(s) Required • No S/U Grade Option • P: Limited to LMED minors. Fifteen credits in LMED minor with a minimum GPA of 2.50. Minimum sophomore standing. • Department Consent Required
A paid supervised practicum that is contingent upon the availability of a position.

LMED 467/667 Internship: Elementary Media Center
3 crs. • F, Sp • IN; Special Course Fee Required • No S/U Grade Option • P: 21 credit LMED certification sequence; ES 304, 305, 306, 307, 308, 309; or ES 312, 317, 318, 328. Minimum sophomore standing. Limited to teaching majors admitted to College of Education and Human Sciences. • Department Consent Required
A paid supervised practicum that is contingent upon the availability of a position.

LMED 468 Internship: Public and Special Libraries
3 crs. • F, Sp, Su • IN • No S/U Grade Option • P: Minimum of 18 credits in LMED minor. Minimum 2.50 GPA in LMED courses. Minimum sophomore standing. A paid supervised practicum that is contingent upon the availability of a position.

LMED 495/695 Directed Study
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum senior standing.
• Arranged by department in response to need.
Group study, under the immediate direction of a Library Science and Media Education faculty member, of a defined problem not covered in existing courses.

LMED 499 Independent Study
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum senior standing.
• Department Consent Required
Study of a library media issue under the supervision of a Library Media faculty.
Special Education

CENTENNIAL HALL 3715
715-836-5511
www.uwec.edu/sped

ROSEMARY BATTALIO, CHAIR

ARTHUR BRANDT, ANGELA DALHOE, MINKOWAN GOO, BARBARA MEIER, ANNE PAPALIA, TODD STEPHENS, CATHY THOREN.

Honor Societies and Student Organizations:
Student Council for Exceptional Children (SCEC)
A pre-professional organization open to those interested in working with people who have disabilities.

Best Buddies
College students are matched with adults with disabilities in the community to share leisure activities.

Goals and Purposes
The special education programs are designed to provide students with experiences that develop skills in assessing students as well as planning, implementing, and evaluating interventions. Special education graduates are prepared for a variety of specialized jobs. Those who prefer to teach may be employed in public or private schools, institutions, or agencies. Those seeking other careers may work as house parents or home trainers or directors of service agencies. Some graduates will continue their study in other areas of special education. Others will engage in research, develop curricular and instructional materials, or lead in-service teacher training.

Programs
The Department of Special Education offers undergraduate and graduate programs. Bachelor’s degree programs are offered in the areas of cognitive disabilities, emotional/behavioral disabilities, learning disabilities, and unified early childhood. These programs lead to the following teacher licensure:

- Cross-categorical Special Education
- Special Education: Early Childhood and Regular Education: Early Childhood
- Emotional/Behavioral Disabilities and Regular Education
- Learning Disabilities and Cognitive Disabilities
- Learning Disabilities and Regular Education

A minor in Learning Disabilities is also offered for Middle Childhood / Early Adolescence and Early Adolescence / Adolescence majors. This program leads to teacher licensure in Learning Disabilities.

Adaptive education: special fields programs are available in the areas of art, music, and physical education and lead to licensure to teach learners with disabilities in those areas.

Portfolio Review
As part of the Teacher Education Program, students in the Department of Special Education are expected to develop a portfolio for three distinct gates or admission points. Further information may be obtained from the student’s adviser.

Admission to Program
Minimal criteria for admission to professional programs (Gate 1) are outlined in the College of Education and Human Sciences section under “Admission to Professional Education Programs” (see items 1-6 under “Criteria for Admission”). In addition to meeting these minimum requirements, a separate Special Education application must be completed and submitted to the Department of Special Education. These applications (available in the Special Education office) are due October 1 and March 1.

Admission to any major or minor program in Special Education will be determined by a review committee which will rank applicants based on quality and quantity of service related to the helping professions, quality of formal application (resume, academic success, and recommendations), and documentation of successful completion of Sped 200 and 205. Guidelines for application are available in Centennial Hall 3715, or on the department’s website at www.uwec.edu/sped.

Department Requirements
Students must earn a grade of B- in their special education courses. Students can only repeat a special education course one time for program purposes. Permission to repeat is required.

Admission to Professional Semester
Applicants for student teaching/internship experience must: (1) complete an application with the College of Education and Human Sciences office; (2) have the recommendation of the Department of Special Education; (3) submit a Gate 2 portfolio; (4) earn a minimum grade of B- in special education courses; (5) earn a GPA of 2.67 in specialization courses including CSD 311; (6) earn a passing score on the appropriate Praxis II content exam. All special education majors require the Middle Level content exam, ETS 5146, with the exception of the Special Education: Early Childhood major which requires the Elementary Education content exam, ETS 5014. Even though a B- is required in special education courses, a student must earn a 2.75 cumulative GPA and a 2.75 GPA in the major in order to be eligible for teaching certification.

Student Teaching Requirements
Completion of student teaching courses requires undergraduates to earn at least a grade of B- in Sped 470 or 472 or 475. If the grade requirement is not met, the undergraduate student may repeat the student teaching course or may graduate without the recommendation for teaching licensure. In addition to student teaching requirements, a Gate 3 portfolio must be submitted and approved before licensure is recommended.

Student Transportation
Students in the teacher education program must provide their own transportation to and from field experiences. Some field experiences may require travel to other communities. All costs associated with transportation to and from field experiences are the responsibility of the student.

Satisfactory/Unsatisfactory Policy
No degree credit may be earned under the Satisfactory/Unsatisfactory option in required special education courses except Sped 205 and Sped 301.

Bachelor of Science Degree
COMPREHENSIVE MAJOR: SPECIAL EDUCATION,
Unified Early Childhood (Code 950-098)
This program is designed for the student who wants teacher licensure in Early Childhood: Special Education and Early Childhood: Regular Education (birth through Grade 3).

Requirements for Licensure: CSD 257, 411; ES 286, 301, 385; LMED 305; Sped 200, 205, 301, 306, 331, 401, 404, 423, 431, 472 (LEAP), 476; UEC 220, 321, 322, 324, 325, 421, 422, 424, 425, 426, 470 (ECSE), 470 (Pre-pri), 470 (primary); one of the following electives: Sped 210, Sped 330, Sped 350, Sped 402; CSD 101, CSD 378; ES 490; or UEC 493; current community first aid and CPR certification; and birth-to-three observation hours.

COMPREHENSIVE MAJOR: SPECIAL EDUCATION,
Emotional/Behavioral Disabilities and Middle Childhood through Early Adolescence Regular Education (Code 950-068)
This program is designed for the student who wants teacher licensure in Emotional/Behavioral Disabilities: Middle Childhood through Early Adolescence and Early Adolescence through Adolescence; and Regular Education: Middle Childhood through Early Adolescence.

SPECIAL EDUCATION

COMPREHENSIVE MAJOR: SPECIAL EDUCATION,
Learning Disabilities and Cognitive Disabilities (Code 950-009)

This program is designed for the student who wants teacher licensure in Learning Disabilities and Cognitive Disabilities: Middle Childhood through Early Adolescence and Early Adolescence through Adolescence.

Requirements for Licensure: CSD 419; ES 286, 301, 385; Lmed 305; Sped 200, 205, 210, 301, 306, 330, 331, 401, 402, 404, 416, 417, 431, 434, 436, 470 (LD), 470 (CD), 476; Sped 432 or CSD 311.

COMPREHENSIVE MAJOR: SPECIAL EDUCATION,
Learning Disabilities and Middle Childhood through Early Adolescence Regular Education (Code 950-067)

This program is designed for the student who wants teacher licensure in Learning Disabilities: Middle Childhood through Early Adolescence and Early Adolescence through Adolescence; and Regular Education: Middle Childhood through Early Adolescence.

MINOR: LEARNING DISABILITIES
Middle Childhood/Early Adolescence (Code 950-470)

This program is designed for the student who wants teacher licensure in Learning Disabilities: Middle Childhood through Early Adolescence.

Requirements for Licensure (30 credits): CSD 311; Sped 200, 205, 306, 330, 331, 335 or 404, 401, 402, 431, 436. In addition, one of the two quarters of student teaching must be in Special Education.

Sped 400 is not required of students completing this minor. This minor is restricted to students in the College of Education and Human Sciences: Education Studies, Option A and leads to licensure in Learning Disabilities: Middle Childhood through Early Adolescence. Students who have graduated from UW-Eau Claire in the MC-EA program within the past two years are also eligible to complete this minor.

Early Adolescence/Adolescence (Code 950-471)

This program is designed for the student who wants teacher licensure in Learning Disabilities: Early Adolescence through Adolescence.

Requirements for Licensure (27 credits): CSD 311; Sped 200, 205, 306, 330, 331, 401, 402, 416, 434. In addition, one of the two quarters of student teaching must be in Special Education.

If students want to add licensure in Learning Disabilities: Middle Childhood through Early Adolescence, they need to take Sped 335 and 431. Sped 300 is not required of students completing this minor. This minor is restricted to students in the College of Education and Human Sciences: Education Studies, Option B or C and leads to licensure in Learning Disabilities: Early Adolescence through Adolescence. Students who have graduated from UW-Eau Claire in an EA-A or EC-A program within the past two years are also eligible to complete this minor.

ADAPTIVE EDUCATION: SPECIAL FIELDS PROGRAMS FOR ART, MUSIC, AND PHYSICAL EDUCATION EDUCATORS

Admission requirements include bachelor’s degree, eligibility for art, music, or physical education licensure, and any additional courses deemed necessary. Course requirements for these programs are as follows:

ART
Sped 200 or 300 or 400; Sped 210 or 220 or 330 or 350; Art 300; and Sped 472. Completion of this sequence leads to Early Childhood through Adolescence Adaptive Art licensure for art teachers.

MUSIC
Sped 200 or 300 or 400; Sped 210 or 220 or 330 or 350; SPED 306, and Sped 472. Completion of this sequence leads to Early Childhood through Adolescence Adaptive Music licensure for music teachers.

PHYSICAL EDUCATION
Fifteen semester credits, including Kins 484, 487, 493; Sped 200, and 210, or 220, or 306. Completion of this sequence leads to Early Childhood through Adolescence Adaptive Physical Education licensure for physical education teachers.

SPED

SPED 200 Introduction to Diverse Learners
3 crs. • F, Sp
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Survey of the education of children with communication disorders, cognitive disabilities, sensory and physical disabilities, learning disabilities, and emotional disturbance.

SPED 205 School and Community Experience in Special Education
3 crs. • F, Wl, Sp • Special Course Fee Required • S/U Only Grade Basis • P: Grade of B- (B minus) or above in SPED 200
Lecture/Discussion Hours: 0.5 | Lab/Studio Hours: 2.5
The student will observe, participate, and reflect on experiences with pre-elementary or elementary/secondary students. Lectures, discussion, and school experiences will facilitate career decision. Student completes approximately 50 hours of observation.

SPED 210 Introduction to Cognitive Disabilities
3 crs. • F, Su • P: SPED 200
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course studies the causes and characteristics of cognitive disabilities. Social, educational, and vocational issues are also discussed.

SPED 300/500 Inclusive Practices for Secondary Educators
2 crs. • F, Sp, Su • P: Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Limited to secondary education majors. NOTE: Upper division courses required of special education majors carry the prerequisite of admission to the student’s professional program. Surveys characteristics of diverse learners including students with disabilities, cultural differences, gifts/talents, and at-risk concerns. Provides knowledge and practice regarding the secondary educator’s role related to special education processes, professional collaboration, and curricular adaptations/modifications.

SPED 301/501 Observation and Participation with Students without Disabilities in Educational Programs
2 crs. • F, Sp, Su • P: Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Fieldwork with children without disabilities in order to acquire a more complete understanding of typical and atypical child growth/development, and general education curriculum. Experience is required by Wisconsin DPI. Student completes approximately 70 hours.

SPED 306/506 Behavior Management
3 crs. • F, Sp, Su • P: SPED 200, or 300, or 400 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Behavioral approaches to managing student behaviors. Includes classroom management techniques, contingency contracting, behavior counting and charting, reinforcement systems, behavior therapy, and uses of punishment.

SPED 330/530 Introduction to Learning Disabilities
3 crs. • F, Sp • P: SPED 200 or 300 or 400; or junior standing for CSD majors, or consent of instructor. Limited to teaching majors admitted to the College of Education and Human Sciences; CSD and school psychology students may also enroll.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Survey course of causes, educational problems, and intervention programs associated with learning disabilities.

SPED 331/531 Special Education Procedures and General Methods
2 crs. • F, Sp, Su • P: SPED 210 or 220 or 330/530 or 350/550; or consent of instructor. May be taken concurrently with SPED 330/530. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
This course is designed to provide a basic knowledge of special education procedures as outlined by current federal legislation. General methods related to planning, managing, delivering, and evaluating instruction in a special education classroom are presented.
SPED 335 Assessment and Intervention for Students with Mild Disabilities
3 crs. • Su • SL-Full • P: SPED 306/506 and 331/531. Limited to teaching majors admitted to College of Education and Human Sciences. • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 5
A structured clinical experience in which candidates assess and teach academics to children who are struggling or have mild disabilities. Candidates conduct multiple assessments, identify student needs, plan and inform instruction, and summarize student progress.

SPED 350/550 Introduction to Emotional/Behavioral Disabilities
3 crs. • Su • P: SPED 200 or 300/500 or 400/600 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Survey course of characteristics, causes, and intervention in relation to the education of students with emotional disturbance. Focus is on historical, theoretical, and current issues impacting school-based practice.

SPED 400/600 Inclusive Practices for Elementary Educators
3 crs. • F; Wi, Sp • P: Limited to elementary education majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Admission to elementary education (Middle Childhood through Early Adolescence or MCEA) program or consent of instructor.

Designs to help elementary educators in observing, identifying, and teaching diverse learners including children with disabilities, cultural differences, gifts/talents and/or at-risk concerns. Provides knowledge and practice related to special education processes, professional collaboration, and curricular adaptations/modifications.

SPED 401/601 Assessment of Students with Disabilities
3 crs. • F; Sp • Special Course Fee Required • P: SPED 210 or 220 or 330/530 or 350/550, and 331/531; or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Application of assessment terminology and statistical concepts. Selection, administration of tests, and interpretation of scores from teacher-made, norm-referenced, and criterion-referenced assessments.

SPED 402/602 Collaboration and Consultation
2 crs. • F; Sp • P: SPED 200 and 331/531 and 210 or 220 or 330/530 or 350/550. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Provides students with knowledge and skills related to collaboration and consultation with parents, school personnel, and agencies. Family relations, conflict resolution, co-teaching practices, Special Education law and ethical behavior will also be covered.

SPED 404/604 Pre-Student Teaching Experience with Individuals with Mild Disabilities
3 crs. • F; Sp, Su • SL-Full • May be repeated for a maximum of 6 credits • P: SPED 306/506 and SPED 331/531. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with SPED 431/631.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Pre-student teaching experience with children and adolescents with disabilities in K-8 environments. Assignments are in conjunction with SPED 431. Student completes approximately 90 hours of observation/teaching.

SPED 414/614 Special Vocational Support Strategies
3 crs. • Su • P: SPED 416/616. Limited to teaching majors admitted to College of Education and Human Sciences. Teaching certification students may also enroll.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Vocational support strategies used with high school students with disabilities. Emphasis is placed on active involvement in vocational laboratory experiences.

SPED 416/616 Career Education and Transition
2 crs. • F; Sp • P: SPED 335 or 404/604 and 431/631 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with SPED 434.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 1
This course will introduce the basic concepts of career and vocational education. This course includes a clinical experience with adolescents with disabilities for approximately 35 hours.

SPED 417/617 Curriculum and Methods for Students with Moderate or Severe Disabilities
3 crs. • Sp • P: SPED 210 or 331/531 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Study, selection, and preparation of suitable curriculum and methods used in teaching students with moderate/severe cognitive disabilities.

SPED 423/623 Characteristics and Interventions for Young Children with Low Incidence Disabilities
3 crs. • V • A-F Grades Only • P: Grade of B- or above in SPED 200, grade of B- or above in SPED 210 or UEC 220. Limited to teaching majors admitted to the College of Education and Human Sciences. Limited to SPED, UEC majors admitted to the College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course will emphasize medical/instructional needs for the care of young children with health conditions, orthopedic impairments, as well as characteristics/interventions for teaching young children with Autism, multiple disabilities, and children with challenging behavior.

SPED 431/631 Reading/Writing Remediation, Assessment, and Diagnosis for Students with Mild Disabilities
3 crs. • F; Sp • P: SPED 331 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with SPED 404.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• SPED 335 substitutes for SPED 404.
This course focuses on research-based methods for assessment, instruction, and remediation of reading and written expression for elementary-age students with mild disabilities. The course includes applied activities and occurs concurrently with a field experience.

SPED 432/632 Language Development and Intervention for Students with Disabilities
3 crs. • P: SPED 401. Limited to teaching majors admitted to College of Education and Human Sciences. Teaching certification students may also enroll.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theoretical models and strategies for assessing and teaching language skills to students with disabilities.

SPED 434/634 Secondary Methods for Students with Mild Disabilities
2 crs. • F; Sp • P: SPED 335 or 404, and 431. Limited to teaching majors admitted to College of Education and Human Sciences. Must be taken with SPED 416.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
This course will provide the student with knowledge about secondary methods used in reading, written expression, study skills, and self-advocacy. Behavioral methods, IEP development, and post-secondary planning will also be presented.

SPED 436 Mathematics Methods for Students with Mild Disabilities
2 crs. • F; Sp • A-F Grades Only • P: SPED 331 or consent of instructor. Limited to teaching majors admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
This mathematics course addresses methods for teaching students with mild disabilities. Topics such as, number sense, concrete representation for mathematical concepts, understanding basic operations, and applying assessments to remediate mathematical difficulties will be covered.

SPED 453/653 Behavioral Assessment and Planning
1 cr. • Su • P: SPED 306/506 and 401/601; or consent of instructor.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
This course will focus on the development of knowledge and skills in the areas of implementing a functional behavior assessment (FBA) and creating a behavior intervention plan (BIP) based on FBA results.

SPED 455/655 Advanced Behavioral Intervention for Students with Emotional Behavioral Disabilities
3 crs. • Su • P: SPED 306/506, 350/550, and 401/601; or consent of instructor.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course will assist in the development of knowledge and skills in the areas of social skills training, behavioral techniques, instructional strategies, and collaboration for delivery of intensive behavioral techniques for students with emotional/behavioral disabilities.

SPED 465/665 Child Abuse and Neglect: Educational Implications
3 crs.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Provides professionals with basic information relative to identifying and reporting suspected cases of child abuse and neglect, effects of abuse and neglect upon the child's total school performance, the role of community agencies, and the school's role in prevention.

SPED 470 Student Teaching in Special Education
7 crs. • F; Sp • May be repeated for a maximum of 14 credits
• Admission to professional semester and department approval.
Student teaching in special education class all day for one-half semester or half days for one semester.
SPECIAL EDUCATION

SPED 471 Student Teaching in Special Education
3-6 crs. • F, Sp, Su • May be repeated for a maximum of 18 credits • P: Limited to special education majors admitted to College of Education and Human Sciences • Department Consent Required
• Admission to professional semester.
Student teaching in special education for students seeking to extend a certification.

SPED 472 Student Teaching in Special Education
3 crs. • May be repeated for a maximum of 6 credits • Department Consent Required
• Admission to professional semester.
Student teaching in special education for students seeking to extend a certification.

SPED 474 Student Teaching with Students with Disabilities
1-3 crs. • F, Sp, Su • May be repeated for a maximum of 4 credits • Department Consent Required
Supervised student teaching for post baccalaureate students seeking additional certification.

SPED 475 Internship Teaching
7-14 crs. • F, Sp • IN; Special Course Fee Required • Department Consent Required
• Admission to the professional semester and departmental approval is required. Students with a major in special education with dual certification in elementary education may register for an internship of seven credits in special education (SPED 475) and seven credits in elementary education (ES 440).
The intern is a paid contractual member of a public school staff who spends an entire semester in a school system, including the opening and closing periods.

SPED 476 Professional Practices in Special Education
2 crs. • F, Sp • CP; Special Course Fee Required • P: Must be taken with appropriate student teaching course(s). Admission to professional semester and recommendation of SPED department. Limited to teaching majors admitted to the College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Must be taken with appropriate student teaching course(s). Admission to professional semester and recommendation of Special Education department.
Provides a capstone experience in special education. Students organize and synthesize information from professional coursework, maintain and utilize a professional portfolio, and design curricular and behavioral interventions consistent with federal law and state regulations.

SPED 477 Reading Assessment and Intervention in Practicum
1 cr. • F, Sp • A-F Grades Only • P: SPED 476
Field Practicum Hours: 1
Capstone experience requiring the use of assessment tools and practices for planning and evaluating reading needs. Students will systematically evaluate reading progress through the use of lesson planning and progress monitoring focused on PK-8 environments.

SPED 495/695 Directed Studies in Special Education
1-3 crs. • May be repeated • Department Consent Required
• Arranged by department in response to need.
Group study, under the immediate direction of a Special Education faculty member, of a defined problem not covered in existing courses.

SPED 499 Independent Study
1-3 crs. • May be repeated • P: Limited to teaching majors admitted to College of Education and Human Sciences. Minimum junior standing. • Department Consent Required
Permits a student to study a special problem or issue.

UEC

UEC 220 Introduction to Inclusive Early Childhood Education
3 crs. • F • A-F Grades Only • P: SPED 200
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2

UEC 321/521 Observation and Informal Assessment of Young Children
2 crs. • V • A-F Grades Only • P: Grade of B- or above in UEC 220 (formerly SPED 220). Limited to Special Education, Unified Early Childhood majors, admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Survey of observational and informal assessment strategies for documenting the developmental changes in young children. Developmental screening and eligibility determination, and planning and monitoring instruction/intervention are included.

UEC 322/522 Inclusive Play and Sensory Exploration in Early Childhood Education
3 crs. • V • Special Course Fee Required • A-F Grades Only • P: Grade of B- or above in UEC 220 (formerly SPED 220). Limited to Special Education, Unified Early Childhood majors, admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course emphasizes connections between play/sensory exploration and development in all five domains and pre-academic skills. Theory is integrated into embedding IEP/IFSP goals into the routines, planning environments, and facilitating/extending engagement and social interactions.

UEC 324/524 Language and Cultural Diversity in Inclusive Early Childhood Education
3 crs. • V • A-F Grades Only • P: Grade of B- or above in UEC 220 (formerly SPED 220). Limited to SPED, Unified Early Childhood majors admitted to the College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Exploration of language/cultural diversity in ECE. Topics include literacy, social and instructional language development in young dual language learners. Strategies for involving families/caregivers in the early literacy process and supporting their language and culture.

UEC 325/525 Inclusion and Collaboration in Early Childhood
3 crs. • V • A-F Grades Only • P: Grade of B- or above in UEC 220 (formerly SPED 220). Limited to Special Education, Unified Early Childhood majors, admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Exploration of communication skills, collaboration, co-teaching, itinerant, coaching and consultation models of ECSE and EI services. Working with paraprofessionals, therapists, families, and caregivers to adapt/modify curriculum and participation, as a team will be emphasized.

UEC 421/621 Early Childhood Pre-Primary Methods
3 crs. • V • A-F Grades Only • P: Grade of B- or above in SPED 200, UEC 220 (formerly SPED 220). Grade of B- or above in UEC 422 or concurrent enrollment. Limited to Special Education, Unified Early Childhood majors, admitted to College of Education and Human Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Instructional and intervention methods for children three-to-six in inclusive settings. Developing/ maintaining healthy, safe, and engaging stands-based learning environments as well as nutrition, program administration, parent involvement, and supervision of classroom staff will be covered.
Human Sciences Departments

Specific Degree Requirements

Candidates for the degree of Bachelor of Science from a human sciences department must meet all general graduation requirements of the University (see University Graduation Requirements) and all department requirements for major/minor emphases and GPAs.

1. Mathematics. Demonstrate competency at the level of Math 104 or higher. This requirement may be met in one of three ways:
   a. Achieve a score on the mathematics placement test that qualifies the student to enter Math 112 as determined by the Department of Mathematics.
   b. Earn a grade of at least C (not C- or above), or an A in Math 104 or higher.
   c. Achieve a satisfactory score on the Math 109 Competency Test. This test may be attempted no more than twice and must be passed prior to attaining junior standing. (Exception: Upper division transfer students must pass the test before completing their first semester at UW-Eau Claire.)
2. General Education Requirements. Fulfill the University requirements for General Education by earning at least 39 credits in courses designated as applicable to General Education distributed as follows:
   I. Communications. A minimum of six credits, including at least one course from Subcategory A and one course from Subcategory B:
      Subcategory A: Communication/Journalism; English (language and composition courses, excluding Engl 110 and 112; Writ 114, 116, 118, and 120); Foreign Languages (language and composition courses; Interdisciplinary Studies—Communications (including Wmns 431).
      Subcategory B: Computer Science; Mathematics (Math 104 or above); Philosophy (only logic courses); Interdisciplinary Studies—Communications.
   II. Natural Sciences. Nine to 12 semester credits (including one laboratory course) of course work from at least two of the six Subcategories: A. Biology; B. Chemistry; C. Geography (physical); D. Geology; E. Physics; F. Interdisciplinary Studies—Natural Sciences (including Materials Science; Wmns 432).
   III. Social Sciences. Nine to 12 semester credits from at least two of the seven Subcategories: A. Anthropology; B. Economics; C. Geography (cultural); D. Political Science; E. Psychology; F. Sociology; G. Interdisciplinary Studies—Social Sciences (including AIS 101; Criminal Justice; LAS 150; Wmns 310, 375, 433, 440).
   IV. Humanities. Nine to 12 semester credits, including one course from two of the five Subcategories: A. Fine Arts—Art, Art History, Dance, Music, Theatre Arts; B. Philosophy (excluding logic courses); Religious Studies; C. History; D. English (literature courses); Foreign Languages (literature and civilization courses); E. Interdisciplinary Studies—Humanities (including Humanities, Interdisciplinary Studies, International Studies, Latin American Studies, Women’s Studies).
   V. University-Wide General Education. Up to six credits. Includes courses that cross General Education categories I-IV as well as selected courses from the Colleges of Business, Education and Human Sciences, and Nursing and Health Sciences.
GENERAL INFORMATION

Placement Tests. The mathematics/foreign language placement tests are given during the orientation periods for new freshmen and transfers. Further information about the foreign language or the mathematics tests is available from the chair of the appropriate department.

Laboratory Science Courses. The following have been designated as fulfilling the requirements for laboratory science courses in the human sciences departments:

- Biol 100, 110, 111, 151, 181, 195, 214, 320, 356, 392; Chem 100, 103, 104, 115, 325; Geog 104; Geol 106, 110, 115; Msci 100; Phys 100, 211, 212, 226, 229, 231, 232.

Degree Requirements

University Graduation Requirements. All candidates for degrees must fulfill the requirements for credits, curriculum, GPA, and University residency as specified in the section of this catalog titled University Graduation Requirements.

Human Sciences Graduation Requirements: Grade Point Averages. All degree candidates must earn minimum resident and total GPAs of 2.00 or higher in both the major and the minor. The resident and total GPAs for the major are computed using all attempted credits applicable to the major including those offered by departments other than the major department. The resident and total GPAs for the minor are computed similarly.

Human Sciences Graduation Requirements: Cultural Diversity. The University Cultural Diversity Requirement must be satisfied by all students receiving degrees in the human sciences departments. To meet the cultural diversity requirement, students must take a minimum of three credits of approved course work. Courses which fulfill the requirement are listed in this catalog (see Cultural Diversity Courses). Several degree programs in the human sciences departments require courses that will fulfill or partially fulfill this requirement. This information can be found in this catalog describing the degree requirements for each program. Students should consult their advisers for details.

Human Sciences Graduation Requirements: Foreign Language/Foreign Culture. The University Foreign Language/Foreign Culture Requirement must be satisfied by all students receiving degrees in the human sciences departments. Consult this catalog (Foreign Language/Foreign Culture Requirement) for details of the requirement.

Major-Minor Requirements. A standard major (a minimum of 36 credits) must be supplemented by a minor (a minimum of 24 credits). No minor is required with a Comprehensive Major (at least 59 credits) must be supplemented by a minor (a minimum of 24 credits). A comprehensive major does not necessitate a minor.

Planning a Degree Program

Declaring a Major/Minor Program

To officially declare or change to a new major or minor, a student must go to the office of the department of the intended major or minor. Specific instructions can be found at www.uwec.edu/registrar/student/chgofmajor.htm.

All students are encouraged to obtain a new degree audit during this process. A new adviser will be assigned in the department of the new major or minor. Any approved petitions/waivers for the old major or minor will not be carried over to the new major or minor. Students must resubmit and have these petitions approved again by the new major or minor department.

Special Curricular Offerings

Special Topics Courses

The Departments of Kinesiology and Social Work offer courses in which the topic for study may vary from semester to semester, often focusing on a contemporary issue or taking an innovative approach to a traditional subject. Students and faculty members are invited to recommend topics to the department. Final approval of each semester’s offerings rests with the Academic Curriculum Committee of the College of Education and Human Sciences. Topics are announced in the Class Schedule for the semester.

Restrictions: A total of no more than nine credits in Special Topics courses may be applied toward graduation. Special Topics courses may not be applied toward completion of the General Education requirements. The Department of Social Work may further restrict the application of such credits to their majors.

Directed Study Courses

Courses numbered 395 or 495, offered by several departments under various titles, are designed to permit individual students or groups of students to undertake special projects related to their educational interests and goals.

Eligibility: Registration for a Directed Study course requires the permission of the faculty member who agrees to supervise the project and of the department offering the course. Any further conditions of eligibility are established by the department and published as part of the course description.

Restrictions: A total of no more than six credits of Directed Study courses may be counted toward graduation. Directed Study courses may not be applied toward completion of the General Education requirements. Departments also may restrict the application of such credits to their majors and minors.

Procedures: Permits to register may be obtained from department offices. When registration has been completed, the department will file a copy of each project with the Associate Dean of the College, Centennial Hall 3015.

Independent Studies

Under the course numbers 399 and 499, each department in the human sciences department provides advanced students with opportunities for independent study in fields where they have already demonstrated their competence.

Eligibility: Independent Study courses are open only to juniors and seniors. A student with a departmental major and/or minor may elect an Independent Study in the department of the major or of the minor, provided the student has at least 3.00 resident and total GPAs in that department. A student with a multidisciplinary major may elect an Independent Study in any department which has courses required in the major, provided the student has at least 3.00 resident and total GPAs in the major and has earned a minimum of six credits with resident and total GPAs of at least 3.00 in the department in which the Independent Study is elected.

Restrictions: Only three credits of Independent Study (399 or 499) may be elected during any semester. A total of no more than six independent study credits may be counted toward graduation. Independent Study courses may not be applied toward completion of the General Education requirements.

Procedures: The student shall outline an Independent Study proposal to a professor willing to direct the study. The department chair and the professor directing the study must give permission in order for the student to register for a 399 or 499 course. A course description form is to be filed by the end of the fourth week of the semester (second week of Summer Session). Forms are available on the College of Education and Human Sciences website, under “For Students” and then “College Forms.”
Internships and Field Practicum Courses
Some type of internship or clinical experience is an integral part of programs in Athletic Training, Communication Sciences and Disorders, Kinesiology: Human Performance, and Social Work.

Departmental Honors Programs
The Department of Social Work has established a Departmental Honors Program for its major. See the departmental listings for requirements.

MINOR: TOPICAL MINOR (Code 610-453)
A Topical Minor is composed of 24 semester credits selected by the student to meet the student’s own interests and scholarly objectives. Courses for the minor may be chosen on the basis of a coherent theme, an historical period, a definable professional need, or a complementary relation to the student’s major.

The Topical Minor is not intended to be used to duplicate any major or minor offered as a regular program within the UW System. The student should find a faculty member willing to direct the topical minor and work closely with that adviser to design the minor.

The Topical Minor must include courses from at least two departments, with no more than 15 credits from any one department and no more than six credits from the department of the student’s major. Courses included in the major cannot be applied to the minor. At least 12 of the 24 credits must be earned in courses numbered 300 or higher, and at least 12 of the 24 credits must be earned in College of Education and Human Sciences courses. The remaining credits can be earned from any College within the University. To propose a topical minor students should complete an e-form located on the College of Education and Human Sciences website, under “For Students” and then “College Forms.”

Communication Sciences and Disorders
HUMAN SCIENCES AND SERVICES 112
715-836-4186
WWW.UWEC.EDU/CSD
MARI STAEDLER, CHAIR
SHANNON COLLINS, DEBORAH ELDREDGE, KAY HAGEDORN, ABBY HEMMERICH, JERRY HOEFNER, VICKI SAMELSON, TOM SATHER, GAIL SUCANEC, ANGELA STERLING-ORTHI, JENNIFER THISTLE.

Off-Campus Adjunct Faculty: A current listing is available from the Chair of the Department.

Communication is one of the most important human attributes. The child or adult unable to speak or hear normally can be isolated. Communication Sciences and Disorders (Speech-Language Pathology and Audiology) is the profession devoted to helping people overcome disabilities in speech, language, swallowing, and/or hearing, and to increasing our knowledge of the human communication processes.

The first step toward a career in this field is the earning of an undergraduate degree with a major in Communication Sciences and Disorders. The undergraduate degree program, which involves a comprehensive major of an interdisciplinary nature or a standard major, includes a strong liberal arts and sciences component. A master’s degree is required to complete the professional education prior to initial employment. For a description of the UW-Eau Claire master’s degree program in speech-language pathology, contact the Department. The master’s degree program is accredited in speech-language pathology by the Council on Academic Accreditation of the American Speech-Language-Hearing Association and is approved by the Wisconsin Department of Public Instruction.

DEPARTMENT HONORS PROGRAM
Eligibility: Acceptance into the program is limited to upper-class majors with resident and total GPAs of 3.50 or higher, an average of 3.50 or higher in CSD courses, and the consent of the department. Successful completion at time of application of CSD 256, CSD 257, and CSD 353, with a grade of B or above. Students invited to join the CSD Departmental Honors program will not have taken any courses for a grade of Satisfactory or Unsatisfactory.

Requirements: Completion of a two-credit Research Seminar; two upper division CSD courses offering an Honors Contract; a Scholarship project selected from four options; presentation of project or research results at CSD Pro-Sem during spring of senior year; presentation of project or research at UW-Eau Claire Student Research Day and for other campus, state, or national research conferences; and graduating with a total GPA of 3.5 or higher and a GPA of 3.5 or higher in CSD course work.

MAJOR: COMMUNICATION SCIENCES AND DISORDERS,
Liberal Arts (Code 622-252)

For students pursuing this degree, the General Education program will include:

- **GE-IA:** CJ 202, Fundamentals of Speech.
- **GE-IB:** Math 246, Elementary Statistics, or a statistics course.
- **GE-II:** At least one biology course from the following: Biol 100, 151, or 214 AND at least one Physics or Chemistry course from the following: CHEM 100, 103, 115, 127 or PHYS 100, 205, 211, 308.
- **GE-III:** Psyc 230

COMMUNICATIVE MAJOR:

One of the following courses:

- Exceptional Child, Psyc 334 or Sped 200
- Behavior Management, Sped 306; Psyc 281 or 302
- Sped 210, 220, 330; Psyc 333, 379; ES 457

For students pursuing this degree, the General Education program will include:

- **GE-IA:** CJ 202, Fundamentals of Speech.
- **GE-IB:** Math 246, Elementary Statistics, or a statistics course.
- **GE-II:** At least one biology course from the following: Biol 100, 151, or 214 AND at least one Physics or Chemistry course from the following: CHEM 100, 103, 104, 115, 127 or PHYS 100, 211, 231, 308.
- **GE-III:** Psyc 230 and 260.

### Scholastic Requirements:
A minimum total GPA of 2.50 is required to take 300- and 400-level major courses, with the exception of CSD 353, Speech and Hearing Science. A minimum CSD GPA of 3.50 and total GPAs of 3.0 are required to enroll in CSD 370 and CSD 470.

### Satisfactory/Unsatisfactory Policy:
No degree credit may be earned under the Satisfactory/Unsatisfactory option in any course presented for completion of a major in Communication Sciences and Disorders unless Satisfactory/Unsatisfactory is the only grading option available for a course.

### CERTIFICATE PROGRAM

The Communication Sciences and Disorders program offers a certificate program for interested students in American Sign Language (ASL). The goals of this program are for students to develop a depth of knowledge and skill in the use of ASL; students will appreciate the distinct culture of the Deaf community and behave according to the social norms of the culture; and students will apply semantic and/or linguistic elements of ASL in their use of the language. This certificate will not satisfy external standards. Interpreters must complete a minimum of an Associate’s degree; teachers of ASL must be licensed to teach ASL or hold Deaf and Hard of Hearing teacher licensure.

#### Requirements:
- Completion of the following required courses:
  - CSD 101 American Sign Language I
  - CSD 102 American Sign Language II
  - CSD 103 American Sign Language III
  - CSD 210 Perspectives of Deaf Culture

- And 2 of the following 3 courses:
  - CSD 201 American Sign Language IV
  - CSD 301 ASL Semantics
  - CSD 302 ASL Linguistics

Upon completion of the requirements for the certificate, the student will contact the Office of Continuing Education for final verification of completion of requirements. The Office of Continuing Education will then notify the Registrar that the student has completed all requirements.

### CSD

#### CSD 101 American Sign Language I
3 crs. • F, Sp, Su
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

- No credit if taken after CDIS 495/695, American Sign Language I.
- Introduction to American Sign Language (ASL), a visual/gestural language used by the deaf community. Aspects of deaf culture are covered.

#### CSD 102 American Sign Language II
3 crs. • F, Sp • P: CSD 101
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

- No credit if taken after CDIS 495/695, American Sign Language II.
- A continuation of American Sign Language I. Introduces students to new functions that expand their conversational range from talking about themselves to talking about other people and activities. Aspects of deaf culture are covered.

#### CSD 103 American Sign Language III
3 crs. • F, Sp • P: CSD 102
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

- No credit if taken after CDIS 495/695, American Sign Language III.
- A continuation of American Sign Language II. Further expansion of students' conversational range for talking about other people and activities. Aspects of deaf culture are covered.

#### CSD 150 Introduction to Communication Sciences and Disorders
3 crs. • F • P: GE-V: Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0

Survey of basic human communication sciences and disorders, including related professions. Development and characteristics of normal communication behavior; nature, causes, signs, symptoms, and interventions for communication disorders of speech, hearing, and language.
CSD 201 American Sign Language IV
3 crs. • F, Sp • A-F Grades Only • P: CSD 101, CSD 102, and CSD 103.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Continuation of American Sign Language III with more complex grammar, dialogue, and narrative including advanced receptive and expressive skills. Aspects of semantics, literature and culture.

CSD 210 Cultural Perspectives of the Deaf
3 crs. • F • A-F Grades Only
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the American Deaf Culture. The Deaf community as a linguistic-cultural minority. Historical influences of and effects on Deaf in political activism, laws, information access, educational philosophies, communication systems and others.

CSD 235 Undergraduate Research in Communication Sciences and Disorders
2 crs. • F, Sp • A-F Grades Only • P: Completion of University Writing Requirement. Limited to Communication Science and Disorders (CSD) majors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
This course explores the scientific method as it applies to social science research. Topics include ethics, evidence-based practice, literature searches, developing hypotheses and research questions, and research designs. Students will also be summarizing and evaluating research in the field of Communication Disorders.

CSD 256 Anatomy and Physiology of Speech and Hearing
3 crs. • F, Sp, Su • Special Course Fee Required Varies by Term/Section • P: Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Anatomy and physiology of the speech mechanism (respiration, phonation, resonance, articulation) and of hearing, including the related neaurlogy.

CSD 257 Normal Communication Development
3 crs. • F, Sp, Su • Special Course Fee Required Varies by Term/Section • P: Minimum of 12 earned prior credits.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Theoretical foundation for normal communication development, including prerequisites, extra-linguistic variables, processes/constraints, and the major language system components. Language variables presented by select populations and a profile perspective are presented.

CSD 262 Phonetics: Theory and Application
2 crs. • F, Sp, Su • Special Course Fee Required Varies by Term/Section • P: Minimum of 12 earned prior credits.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Study of the phonological system of language. Emphasis on phonemic and phonetic analysis and transcription of standard, nonstandard, and deviant speech.

CSD 301 American Sign Language Semantics
3 crs. • F • A-F Grades Only • P: CSD 101, CSD 102, and CSD 103. CSD 103 may be taken as a corequisite.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Analysis of ASL through the linguistic principle of Semantics, with a primary focus on colloquial sign. An approach to understanding the meaning in ASL. Communciation, the process of ASL interpretation, and improving expressive abilities in ASL. All content and communication conducted using ASL.

CSD 302 American Sign Language Linguistics
3 crs. • Sp • A-F Grades Only • P: CSD 101, CSD 102, and CSD 103. CSD 103 may be taken as a corequisite.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Syntax, grammatical rules beyond basic ASL. Introductory concepts and terminology of linguistics. ASL sociolinguistics: variation, historical linguistics, bilingualism and language contact. Relevant for students interested in studying elsewhere in the future for interpreter certification.

CSD 311/511 Language Development and Disorders: Related Disciplines
3 crs. • F, Su
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
No credit for communication sciences and disorders majors.
Biological, cognitive, perceptual, and social bases of language development. Developmental skills and processes related to components of the language system. Language interaction with learning and teaching including identification of deficits and language enhancing strategies.

CSD 321/521 Aural Rehabilitation
3 crs. • F, Sp, Su • Special Course Fee Required Varies by Term/Section • P: No credit if taken after CDIS 376/576. Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Effects of hearing loss on perceptual, cognitive, communicative, educational, occupational, social, and emotional aspects of life, for all age ranges, are studied. Common intervention techniques associated with hearing loss are presented.

CSD 326/526 Voice and Resonance Disorders
3 crs. • F • A-F Grades Only • P: Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Normal aspects of respiration, phonation, and resonance. Causes and characteristics of various voice and resonance disorders. Introduction to the prevention, evaluation, and treatment of voice and resonance disorders. Introduction to speech/voice instrumentation.

CSD 331 Developmental Language Disorders
4 crs. • F, Sp, Su • Special Course Fee Required Varies by Term/Section • P: CSD 257, 258, and 262. Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
Characteristics of language disorders in children from birth through adolescence as well as assessment and intervention strategies appropriate for that population.

CSD 352/552 Fluency Disorders
3 crs. • Sp, Su • Special Course Fee Required Varies by Term/Section • P: Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The nature and theories of stuttering and other fluency disorders. Clinical intervention for people who stutter and understanding how theories can be clinically useful.

CSD 353 Speech and Hearing Science
3 crs. • F, Sp • Special Course Fee Required Varies by Term/Section • P: No credit if taken after CDIS 253. Minimum resident standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 1
This course will introduce students to basic acoustics, psychoacoustics, and acoustics of voice and speech production. Lecture, discussion and labs will be used in instruction.

CSD 358/558 Phonological Disorders
3 crs. • F, Sp • Special Course Fee Required Varies by Term/Section • P: CSD 257 and CSD 262. Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course addresses the nature, assessment, and treatment of phonological disorders in children and dialect variations of phonology in adults.

CSD 370 Clinical Procedures in Communication Disorders
3 crs. • F, Sp, Su • Special Course Fee Required Varies by Term/Section • P: Minimum resident and total GPA of 3.50. Minimum total GPA of 3.00. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Basic information and skills necessary for functioning in clinical situations. Topics include: preparation of goals and objectives, report writing, counseling, clinical equipment and materials, professional organizations and behavior, and observation. Twenty-five clinical observation hours accrued.

CSD 373 Basic Audiology
3 crs. • F, Sp, Su • Special Course Fee Required Varies by Term/Section • P: Minimum resident and total GPA of 2.50.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Basic information and skills necessary for functioning in clinical situations. Topics include: preparation of goals and objectives, report writing, counseling, clinical equipment and materials, professional organizations and behavior, and observation. Twenty-five clinical observation hours accrued.

CSD 378/578 Introduction to Sign Language
3 crs. • F, Sp
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Open to all undergraduate students.
An introduction to various systems of manual communication with a strong emphasis on developing beginning skills in Signing Exact English and finger spelling.

CSD 399 Independent Study - Juniors
1-3 crs. • F, Sp • May be repeated • P: Minimum junior standing. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Open to all undergraduate students.
An introduction to various systems of manual communication with a strong emphasis on developing beginning skills in Signing Exact English and finger spelling.

CSD 410/610 Communication Changes and Disorders of the Older Adult
3 crs. • Sp • GE-V • P: Minimum junior standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Open to all undergraduate students.
Normal aging and its effects on speech, voice, oral motor skills, language, and hearing. Overview of the nature and treatment of communication disorders of the older adult. Physiological, psychological, and sociological aspects will be considered.
COMMUNICATION SCIENCES AND DISORDERS

CSD 411/611 Facilitating Communication in Preschool Children
2 crs. • Sp • P: CSD 257 or equivalent course is required prior to enrollment in this course.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Open to all undergraduate students.
Foundations for the evaluation of preschool children, program planning, and program implementation in early childhood/special needs classrooms. Focus includes contexts for communication, content and sequence of communication programs, and techniques for facilitating communication.

CSD 415 Instructional Internship in Communication Disorders
1-3 crs. • F, Sp • IN • May be repeated for a maximum of 6 credits • P: 3.00 GPA or higher in CSD coursework. Limited to CSD majors. • Department Consent Required
Selected student develops professional skills by providing assistance to faculty member, enhancing teaching and learning of students in a course. Plan based on student-faculty contract. Three hours of participation per week per credit.

CSD 419/619 Assistive Technology and Augmentative and Alternative Communication: Related Disciplines
2 crs. • F, Sp • P: CSD 257 or 311/311.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• No credit for communication sciences and disorders comprehensive majors.
Augmentative and alternative communication, plus assistive technologies for adapted play, environmental control, mobility, and work site modifications are explored across disabilities and lifespan. Current research, public policy issues, and effective clinical practices will be emphasized.

CSD 435 Research Seminar in Communication Sciences and Disorders
2 crs. • Sp • A-F Grades Only • P: Grade of B or above in MATH 246 or PSYC 210, or 220, or 306; and Psyc 261. Additional requirements include: Biol 210, or 293, or 308; Phys Ed 294; and Kins 290.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Required course for students enrolled in CSD Department Honors Program. CSD Department Honors students must register for this course as an Honors Contract.
An advanced-level research seminar to explore the scientific method as it applies to clinical, educational, and social science research. Topics include evidence-based practice, literature searches, developing scientific questions and hypotheses, and evaluating research.

CSD 440/640 Neurological Aspects of Communication
2 crs. • E, Su • Special Course Fee Required Varies by Term/Section • P: CSD 256. Minimum 2.50 resident and total GPA of 3.5. Minimum junior standing.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Neuroanatomical and neurophysiological bases of communication with an emphasis on normal aspects.

CSD 440/640 Aphasia and Related Disorders
2 crs. • P • P: CSD 440/640
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Differential diagnosis and treatment of the aphasias and related language disorders.

CSD 470/670 Clinical Practicum in Communication Disorders I
2 crs. • F, Sp • SL-Full, CF • May be repeated for a maximum of 4 credits • P: CSD 370, and CSD 331 or CSD 358. Minimum 3.0 resident and total GPA of 3.0. • Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Capstone course in treatment of speech and language disorders. With supervisory guidance, students earn hours conducting assessment and treatment activities in the Center for Communication Disorders.

CSD 473/673 Applications in Audiology
2 crs. • P • P: CSD 373
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• No credit if taken after CSD 485/685 (Fall 2022) as Audiology Practicum.
Practical application of audiology practices for Speech Language Pathology and Audiology students are presented. There is a special emphasis on screening for hearing loss, middle ear disorder screening, auditory processing disorder, auditory training, and amplification.

CSD 485/685 Serving Diverse Populations
2 crs. • Sp • CD2 • No S/U Grade Option • P: CSD 370 or concurrent enrollment.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
This course will heighten students’ awareness of issues in diversity and will also introduce students to knowledge and skills relevant to serving diverse populations across diversity dimensions, lifespan, and service settings.

CSD 495/695 Directed Studies
1-3 crs. • F, Sp • Special Course Fee Required Varies by Term/Section • May be repeated • Department Consent Required
Permits groups of students to study topics of mutual interest in the field of communication disorders.

CSD 499 Independent Study - Seniors
1-3 crs. • F, Sp • May be repeated • P: Minimum senior standing. • Department Consent Required

Kinesiology

McPhie 219

STEVEN FLECK, CHAIR

SAOIR BRAUN, DON BRIEDEL, MIKE COLLINS, TONJA ENGLUND, GARRY GRANT, LISA HERB, ERIN JOHNSON, MARQUELL JOHNSON, PEG JOHNSON, MARY LA RUE, MICHELLE MATTES, JAMIE O’CONNOR, YOON SIH OH, ROBERT STOW, TADD TURNQUIST, MATT WIGGINS, SEAN YENGO, TRACY YENGO

Kinesiology is the study of the art and science of human movement. The mission of the Department of Kinesiology at the University of Wisconsin-Eau Claire is to foster purposeful learning in the science, application, and principles of kinesiology to understand the full nature of human movement across the lifespan. We live and promote this mission by developing and preparing transformative learners to lead others in the achievement of a healthy, physically active lifestyle, and an enhanced quality of life.

Toward this end, the department offers majors in Athletic Training and Kinesiology. The Kinesiology major has four emphases to choose from including Human Performance, Teaching Early Childhood through Adolescence Physical Education, Sport Pedagogy, and Movement Studies. Minors are offered in the Science of Coaching, Adaptive Physical Education, and Kinesiology.

The department also offers a wide array of courses to meet the University Wellness requirement.

All the programs in the department are designed to stimulate intellectual development, instill leadership qualities, and promote service to others.

University Wellness Requirement. The University Wellness requirement is described in this catalog under University Graduation Requirements, page 47.

INFORMATION FOR ALL STUDENTS

A number of required courses within the majors and minors may undergo revision. Course information is therefore subject to change. See your academic adviser for additional information on how these changes may affect your individual plan of study.

Some courses require a special fee because of the nature of the activity. Current special course fees are shown in the Class Schedule.

Program departments may be limited by resources available. All new students are strongly encouraged to make contact with their assigned academic adviser early in the semester.

Satisfactory/Unsatisfactory Policy.

No degree credit may be earned under the Satisfactory / Unsatisfactory option in any course presented for completion of a major or minor in Athletic Training or Kinesiology unless Satisfactory / Unsatisfactory is the only grading option available for a course.

Core Requirements for All Kinesiology Majors (Except Athletic Training—Code 995-060)

COMPREHENSIVE MAJOR: Kinesiology,

Physical Education Teaching Emphasis (Code 991-065)

Fifty-nine semester credits, including the Core plus Kins 290, 293, 300, 301, 302, 303, 305, 327, 328, 474, 484, 487, 493, 496; Sped 200 and 210, or 220, or 306; and Psy 261. Additional requirements include: Biol 130 (GE-II), Biol 151 (GE-II); Math 246 (GE-1B); and Phys 100 (GE-II)
which is a prerequisite for Kins 304. See chart on page 242 for College of Education and Human Sciences GE requirements. This major is restricted to students in the College of Education and Human Sciences: Education Studies: Option C and leads to licensure to teach Physical Education and Adaptive Physical Education in Early Childhood through Adolescence classrooms.

The University Physical Activity and Service-Learning requirements are met by the completion of required coursework within this major.

Admission to the College of Education and Human Sciences Teacher Educational Program

See additional requirements for admission to EA-A and EC-A programs on page 244 as well as additional requirements for licensure. The Physical Education Teaching Program Committee will screen students for admission to the program and make recommendations to the EA-A/EC-A Admissions Committee based on:
1. A completed resumé outlining:
   a. experiences with children and adolescents.
   b. involvement in professional organizations.
2. A formal interview.
3. A completed course of study form.
4. Performance evaluations from Kins courses.
5. Resident and total GPA of 2.75 or higher.

Resources available limit the number of students admitted to the program. Not everyone who applies can be guaranteed admission.

Human Performance Emphasis

Sixty semester credits including the Core plus Kins 309, 355, 357, 358, 440, 464, 466, 474, and 498. Students must also select an option specialization in one of the following areas: Sport Performance, Fitness Management, Health Promotion, or Pre-Professional.

Required courses in the Sport Performance option (Code 991-066) include Kins 262, 275, 277, 292, and 312, and eight credits of electives from: Boom 206, 207; Kins 200, 274, 313, 330, 348, 420, 450; Psyac 230, 380.

Required courses in the Fitness Management option (Code 991-067) include Acct 201, 202; Boom 206, 207; IS 240; Mgmt 340, and three credits of electives from: Kins 200, 348; Mgmt 349; Mkrg 330; Nrsg 333.

Required courses in the Health Promotion option (Code 991-068) include Kins 262, 275, 277; Nrsg 220, 375 and nine credits of electives selected from: Enph 450; Kins 200, 312, 330, 445, 450; Nrsg 333, 389; Nrsg/SW 360; Phil 306; Psyac 230, 333, 353, 380; Soc 364; and SW 315.

Required courses in the Pre-Professional option (Code 991-069) include Biol 314; Chem 103, and 104 or 150 or 325; and five to seven credits of electives selected from: Chem 326, 352; Kins 200, 275, 277, 310, 330, 375, 376, 420, 445; Math 111, 112, 114; Nrsg 220, 375; Phil 306; Phys 212; and Psyac 230, 333.

The following GE courses are required for all Human Performance students: Biol 196; Biol 151 or 214 (Biol 214 is required for the pre-professional option); Math 246; and Phys 100 or 211. The University Wellness, Physical Activity, and Service-Learning graduation requirements are met by the completion of required course work within this major.

Admission to Human Performance Emphasis

The Human Performance Emphasis is intended to prepare students to work in clinical, commercial, corporate, and community health fitness settings. Formal application to the Human Performance Emphasis should be made during the second year (either fall or spring) of attendance while enrolled in Kins 309, Introduction to Human Performance. This will allow students to begin taking courses in their area of option (Sport Performance, Fitness Management, Health Promotion, or Pre-Professional) the next semester and begin the professional phase courses the following semester (e.g., Kins 355 and 358). The number of students admitted to the program each year is limited by available resources. Not everyone who applies can be guaranteed admission (currently up to 30 new students are admitted each semester). Program admission will be stratified based on primary interest in one of the four options (Sport Performance, Fitness Management, Health Promotion, or Pre-Professional), with up to five candidates being admitted in each area. Additional candidates will then be admitted based on merit regardless of specialization area.

The Human Performance Program Committee will screen students for admission to the program. At the time of application, students must:
1. Submit a completed program application form and intended plan of study.
2. Be enrolled in or completed Kins 304, 308, and 309.

Student admission will be based on the following criteria:
1. Total GPAs—40%
2. Overall performance in Kins 304, 308, and 309—36%
3. Evaluation of student cover letter, resumé, and application self reflective essays—24%

Students who are not accepted in the Human Performance program may apply again the following semester. Those students who choose to re-apply are reminded that the program is a two-year course of study once accepted and that reapplying could delay their graduation up to one year.

Admission requirements: Kinesiology: Human Performance Emphasis
Application deadline: Fall, spring semester while enrolled in Kins 309
Credits required prior to program admission: Completion of 30 credits or more
Minimum GPA: 2.75 resident, major, and total GPA
Special grade/course requirement: Completion of Kins 304, 308, and 309
Other requirements: Submission of application, resumé, and cover letter
Enrollment limitations: Maximum of 30 students admitted per semester
Admission to internship: Completion of Kins 309, 355, and 358; maintenance of current American Red Cross First Aid and CPR certification or equivalent; completion of background information disclosure check prior to the start of internship; and submission of intern position description.

Retention

Once admitted into the Human Performance program, the student must meet the following criteria to remain in the program:
1. Maintain a 3.00 GPA in all Kinesiology major courses.
2. Continue to display appropriate dispositions regarding professional development, as outlined in the Policy for Disposition Intervention, Department of Kinesiology, Human Performance Emphasis.
3. Satisfactorily complete all course, lab, and practicum experiences within the Human Performance Emphasis core with a C+ or above.
   Human Performance core courses with a grade lower than C+ must be repeated.
4. Students must maintain a 2.75 or higher total GPA to remain in the Human Performance emphasis.

Transfer Students

Transfer students must meet all application requirements prior to application to the program. Kins 309 must be taken on campus. Transfer students who are interested in the Human Performance Emphasis should inform the Admissions Office upon application for admission to the University and contact the Human Performance program director.
KINESIOLOGY

Sport Pedagogy Emphasis (Code 991-052)

This major WILL NOT lead to licensure in physical education upon graduation.

Sixty semester credits, including the Core plus Kins 290, 293, 300, 301, 302, 303, 305, 327, 328, 476, and 484; Sped 200 and 210, or 220, or 306; Psyc 261; and eight credits from Kins 200, 274, 275, 277, 292, 312, 313, 335, 487, 493; Sped 330, 350. Additional requirements include: CJ 202 (GE-I); Biol 130, 151 (GE-II); Phys 100 (GE-II) which is a prerequisite for Kins 304. The College of Education and Human Sciences GE requirements should be met if the student desires to pursue licensure in the future. See chart on page 242 for College of Education and Human Sciences GE requirements. In order to be eligible for future licensure, a student must achieve a 2.75 or higher total GPA upon graduation. Students must maintain a 2.75 or higher total GPA to remain in the Sport Pedagogy emphasis. Students will need to pursue additional course work and program requirements to receive licensure and should meet with their adviser to discuss career options. Students wanting to graduate with a licensure in teaching should pursue the Physical Education Teaching emphasis. The University Physical Activity and the Service-Learning requirements are met by completion of required coursework in this emphasis.

Admission requirements: Sport Pedagogy
Minimum GPA: At least 2.75 total

Movement Studies Emphasis (Code 991-261)

Thirty-six semester credits, including the Core plus Kins 312, 313, 357, and 476. Twelve elective credits from the following: Biol 196; Enph 101; Kins 200, 262, 275, 277, 292, and 450; Nrsng 375. The following GE courses are required: Biol 151; Math 104 or higher; Phys 100 or 211.
Note: The Movement studies emphasis does require a minor.

Admission to Movement Studies Emphasis

Upon completing 30 credits and earning a minimum total GPA of 2.75, students may declare the Movement Studies emphasis through a Kinesiology adviser. To remain in and graduate from this program, students must maintain a 2.75 total GPA. Students falling below the total GPA of 2.75 will be dropped from the program and will need to meet with the program director for readmission.

COMPREHENSIVE MAJOR: ATHLETIC TRAINING (Code 995-060)

Sixty-one semester credits including the following courses: Core courses: Kins 294, 304, 308; Biol 314; Enph 450; Kins 204, 275, 277, 280, 284, 310, 315, 316, 330, 357, 375, 376, 415, 416, 420, 430, 450, 460, 474, Nrsng 375. Required GE or Wellness courses include: Biol 214; CJ 202; Chem 103; Kins 186 or 262; Math 246; Phys 100 or 211; and Psyc 100. The University Wellness, Physical Activity, and the Service-Learning graduation requirements are met by the completion of required course work within this major.

Admission to Athletic Training Major

This major prepares students to become entry-level certified athletic trainers who are highly educated health care professionals who specialize in educating patients, preventing, recognizing, managing, and rehabilitating injuries that result from physical activity. Certified athletic trainers are part of a complete health care team that works under the direction of a licensed physician and in cooperation with other health care professionals and may work in high schools, colleges/universities, clinics/hospitals, corporations/industries, or for professional sports teams. Clinical/field experience is a valuable educational tool and an area of emphasis in the athletic training education program through clinical site rotations. All students majoring in athletic training are required to complete clinical/field experiences arranged by the athletic training educational program.

The Athletic Training major is accredited through the Commission on Accreditation of Athletic Training Education (CAATE). Successful completion of this major allows students to sit for the Board of Certification (BOC) examination to become a certified athletic trainer.

All freshmen/transfer students who declare athletic training as their major on admittance to the University must meet with the Program Director in an advising group meeting before the start of the first semester. Students who declare athletic training as their major after the beginning of the spring semester will be advised to start candidacy in the fall semester. As part of the candidacy period, all students are required to complete 50 hours of observation with a certified athletic trainer prior to the application deadline of April 1.

Formal application may be made to the Athletic Training Major during the second semester of the first year of attendance. This will allow selected students to start the three-year course of study during the fall semester of the following year. The number of students admitted to the program is limited by resources available. Not everyone who applies can be guaranteed admission (currently 12-15 new students are admitted each year).

The Athletic Training Education Program Committee will screen students for admission to the program and make recommendations to the department chair. At the time of application, students must submit:
1. A completed program application form.
2. Transcripts indicating a total GPA of 2.75 or higher on a minimum of 25 credits of degree work.
3. Proof of the completion of 50 hours of observation under the direct supervision of a certified athletic trainer.
4. Evidence of completing and passing a background check.
5. Transcripts indicating completion of Kins 274 or hold a current American Red Cross Lay Responder CPR/AED and First Aid card (or equivalent).
6. Evidence of being tuberculosis free (Student Health Service offers TB tests).
7. Evidence of receiving at least two of the three required immunizations in the Hepatitis B vaccine series (or a signed Hepatitis B immunization declination) and verification of immunization history for measles, mumps, rubella, tetanus, and diphtheria.
8. Completion of Kins 204, Introduction to Athletic Training, with a grade of “B” (3.00) or above.
9. Documentation of compliance with the Athletic Training Education Program Technical Standards for Admission, which are based on the physical, cognitive, and attitudinal abilities that an entry-level athletic trainer must possess (see Athletic Training Education Program director for more information or copies of the technical standards).

Student admission will be based on the following criteria:
1. Performance by clinical supervisors—30%
2. Interview—30%
3. Cumulative University GPA—40%

Each student will be given a numerical score for each of the above categories. The totals for each student will be ranked, and the top 18-20 students will be recommended to the department chair for admission to the program. Letters of acceptance status will be sent by June 15 each year. Students who are not accepted are encouraged to select another major at the University. Those students who choose to reapply the following year are reminded that the major is a three-year course of study once accepted and that reapplying will delay their graduation by at least one year.

Students accepted into the program will have to have a physical examination completed during the summer. Students will begin their athletic training course work and clinical education/field experiences in the fall.

Any costs incurred with application and acceptance into the program are the athletic training student’s responsibility. These costs may include, but are not limited to: fees for CPR and First Aid certification, Hepatitis B vaccinations, updates of other immunizations, physical examination, membership in the NATA, athletic training specific clothing, travel to and from clinical sites, and other items needed for didactic and/or clinical study.
Retention

Once admitted into the Athletic Training major, the student must meet the following criteria to remain in the major:

1. Maintain a 3.00 GPA total in all athletic training core courses.
2. Earn a grade of B- or above in all ATEP core courses. ATEP courses with a letter grade below B- must be repeated.
3. Continue to be in compliance with the Athletic Training Education Program Technical Standards for Admission and the National Athletic Trainers’ Association (NATA) Code of Ethics, policies and guidelines established by the program’s accrediting agency (CAATE), and the policy and procedures manual established by the ATEP (see the Athletic Training Education Program director for a copy of the manual).
4. Satisfactorily complete all clinical experiences and other required program criteria.

To graduate from this program a student must achieve a 2.75 or higher total GPA.

Transfer Students

Transfer students must meet all application requirements prior to application to the program. Kins 204, Introduction to Athletic Training, must be taken on campus. Those students who are transferring from another institution with an accredited (CAATE) athletic training program and have taken an equivalent course, may petition the selection committee to accept the course. Transfer students who are interested in the Athletic Training major should inform the Admissions Office upon application for admission to the university and contact the Athletic Training Education Program director.

Special Fall Admission Policy

First-time applicants, who meet all of the stated admission criteria, may apply by November 1 for admission to the athletic training major. This application period is intended for students who enroll during the spring semester or transfer from another accredited athletic training program. Enrollment will be limited to the number of clinical positions available. Applicants who are considered during the special fall admission period and are not accepted at that time will be considered again during the spring application period.

Student Transportation

Students in the athletic training education program must provide their own transportation to and from clinical experiences. Some clinical experiences may require travel to other communities.

MINOR: ADAPTIVE PHYSICAL EDUCATION, Teaching (Code 991-459)

Twenty-four semester credits, including Sped 200, 306; Kins 484, 487, 493; plus nine credits selected from CSD 378; Sped 210, 324, 330, 350, 403, 421. This minor is restricted to students in the College of Education and Human Sciences: Education Studies; Option C and leads to licensure to teach Adaptive Physical Education in Early Childhood through Adolescence classrooms when combined with the Kinesiology teaching major at the Early Childhood through Adolescence level.

ADDITIONAL LICENSURE AND CERTIFICATION

Adaptive Physical Education

Physical Education majors and licensed physical education teachers who wish to add licensure in Adaptive Physical Education must complete either the minor or 15 semester credits including: Sped 200 and 210, or 220, or 306; Kins 484, 487, 493.

Health Education

Physical Education majors and licensed physical education teachers who wish to add licensure in Health Education must complete 26 semester credits (Biol 130, 151, 196 or Kins 450; Kins 274, 294, 308, 335, 336, 337). In addition, students must pass the appropriate Praxis II Content Exam.

MINOR: KINESIOLOGY, Liberal Arts (Code 991-457)

Twenty-four semester credits, including the Core plus Kins 312, 313, 357, and 476.

MINOR: SCIENCE OF COACHING, Liberal Arts (Code 971-452) or Teaching (Code 971-403)

Twenty-four semester credits, including Kins 275, 277, 292, 294, 304, 308, 492; and six credits from the following: 312, 313, and 357. This minor leads to Early Childhood through Adolescence coaching licensure.

NOTE: For dance classes required for the dance minor, see DNCE courses in the Department of Music and Theatre Arts.

KINS

KINS 101 Specialty
0.5-3 crs. • F, Sp • PA • May be repeated
• Special course fee may apply
Special class activity to be offered as expertise is available.

KINS 108 Intercollegiate Athletics
1 cr. • PA • SU Only Grade Basis • P: Eligible to practice as defined by the Wisconsin Intercollegiate Athletic Conference. • Department Consent Required
The student will participate in the physical activity and lectures pertaining to the preparation of a varsity athletic team for a season and the contests included in that season.

KINS 110 Power Walking
1 cr. • V • PA
• No credit if taken after KINS 101 with the same topic.
Introduction to basic techniques and fitness principles used in power walking. Students will develop an individual power walking program to meet their individual physical activity goals.

KINS 112 Fitness
1 cr. • F, Sp • PA; Special Course Fee Required
Includes aerobics activity, flexibility, and resistance exercises to expose students to methods of becoming physically fit or maintaining a degree of fitness.

KINS 114 Lacrosse
1 cr. • F, Sp • PA
• No credit if taken after KINS 101 with the same topic.
Introduction of basic skills of lacrosse (ball pickup, stick handling, passing, shooting). Also the rules, strategies, history, and safety of the game. Provides individual and team play.

KINS 115 Ultimate Frisbee
1 cr. • V • PA
• No credit if taken after KINS 101 with the same topic.
Introduction of basic skills of ultimate Frisbee (catching, throwing, terminology). Also the rules, strategies, history, and safety of the game. Provides individual and team play.

KINS 116 Racquetball
1 cr. • F, Sp • PA
Introduction of basic skills of racquetball including forehand, backhand, serves, and shots. Rules and strategies for singles and doubles. Provides experience in tournament play.

KINS 117 Weight Training
1 cr. • F, Wi, Sp, Su • PA; Special Course Fee Required
Emphasis on techniques of basic lifts. Knowledge in the area of weight training for the development of strength and muscular endurance through progressive resistance. Individual programs for strength development.

KINS 121 Basketball
1 cr. • F, Sp • PA
Development of the fundamental skills of basketball (including dribbling, passing, shooting, defensive sliding, and rebounding). Provides individual instruction and team play.

KINS 125 Soccer
1 cr. • F, Sp • PA
Fundamental skills: dribbling, passing, shooting, heading, trapping, tackling, and goal keeping. Techniques, conditioning, and strategy of play.

KINS 129 Badminton
1 cr. • F, Sp • PA
Introduction to badminton skills, strategies, and rules.

KINS 134 Golf
1 cr. • V • PA
Introduction to golf skills and acquaintance with golf equipment, proper grip, stance, pendulum swing, full swing, chipping, pitching, and putting; rules and etiquette.
KINS 136 Jogging  
1 cr. • F, Sp • PA  
Acquaintance with the physiological effects of jogging, and a method of measuring physical fitness through aerobics.

KINS 148 Beginning Swimming  
1 cr. • F • PA • P: No credit if taken after KINS 167 or KINS 293  
Lecture/Discussion Hours: 5 | Lab/Studio Hours: .5  
Beginning level swim class designed to teach students the basic mechanics of six swim strokes, entry into water, treading water and personal safety, and cardiovascular principles related to swimming.

KINS 159 Tennis  
1 cr. • F, Sp • PA  
Basic skills of forehand, backhand, serve, and volley, including grip, stance, and footwork. Singles and doubles rules and strategy.

KINS 172 Volleyball  
1 cr. • V • PA  
Fundamental skills of passing, set, spike, block, serve, and basic offensive and defensive strategies.

KINS 184 Flag Football  
1 cr. • V • PA  
Fundamental skills of centering, passing, catching, running pass patterns, hand offs, pitches, blocking, kicking, punting, and other offensive and defensive techniques and strategies of play.

KINS 186 Wellness Concepts and Health Related Fitness  
2 crs. • Wi, Su • PA; W  
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2  
Students will work to develop health-related fitness and will learn the importance of wellness concepts such as health-related fitness, stress management, nutrition, and consumer responsibility in health and fitness.

KINS 196 Wellness Concepts  
1 cr. • V • W • P: No credit if taken after KINS 186.  
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0  
Students will learn about the seven dimensions of wellness and the importance of the following concepts: health-related fitness, cardiovascular disease, nutrition, stress management, sexual health, and managing common conditions.

KINS 200 Orientation to Kinesiology  
1 cr. • F • S/AU Only Grade Basis • P: No credit if taken after KINS 191.  
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0  
• First year Kinesiology students only.  
Introduction to disciplines and professions in Kinesiology. Students will become familiar with the possible options available for majors and minors as well as potential careers compatible with a Kinesiology degree.

KINS 204 Introduction to Athletic Training  
1 cr. • V • Special Course Fee Required • P: Limited to pre-athletic training majors.  
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0  
Introduction to the basic knowledge of the athletic training profession and the concepts in the prevention of athletic injuries. For those students seeking admission to the athletic training education program.

KINS 262 Personal Health in a Global Society  
3 crs. • F, Sp • W; CD1  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
An investigation of inequality, racism, poverty, and economic deprivation that is adversely affecting the health of the American people. Students will access their personal health, examine local and national health concerns, and research global health issues.

KINS 274 First Aid and Community CPR  
1 cr. • F; Sp • Special Course Fee Required  
American Red Cross First Aid and community CPR training, certification issued on satisfactory completion of course.

KINS 275 Prevention and Care of Athletic/Exercise Injuries  
2 crs. • F; Sp • P: KINS 274 and 294. Must be taken with KINS 277.  
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0  
Introduction to the basic concepts and fundamentals of the prevention, recognition, treatment, and rehabilitation of exercise injuries.

KINS 277 Prevention and Care of Athletic Injuries Lab  
1 cr. • F; Sp • Special Course Fee Required Varies by Term/Section • P: KINS 274 and 294; KINS 204 for athletic training majors. Must be taken with KINS 275.  
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2  
A lab course designed to develop an understanding and proficiency in taping and wrapping techniques, and the fitting and use of protective sports equipment in the prevention and care of athletic injuries.

KINS 280 Acute Care of Athletic Injuries/Illness  
3 crs. • Sp • Special Course Fee Required • P: Limited to admitted athletic training majors.  
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2  
A theory and lab course focused on providing care for acute and emergency injuries/illnesses in the physical activity setting. Successful completion of the course will result in certification as a First Responder.

KINS 284 Palpatory Anatomy in Kinesiology  
1 cr. • F, Wi, Sp • A-F Grades Only • P: KINS 294 or concurrently.  
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2  
This course is designed to focus on the concepts and principles of palpatory anatomy and kinesiology. An understanding of how muscles and joints interact and function will be created and enhanced through a laboratory environment.

KINS 290 Introduction to Physical Education  
3 crs. • F • P: Limited to kinesiology teaching and sport pedagogy majors.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Introduction to physical education including understanding the teaching/learning process, effective teaching skills, and context and reflection.

KINS 292 Management and Coaching Theory  
2 crs. • Sp  
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0  
The course follows American Sports Education Program (ASEP) guidelines, and students have the option to take the ASEP certification exam for a fee. An introduction to the coaching profession including current management principles and practices.

KINS 293 Water Safety Instructor Certification  
1 cr. • Sp • Special Course Fee Required • Department Consent Required  
Lecture/Discussion Hours: 5 | Lab/Studio Hours: 1.0  
• Purchase of course materials will be required for this course. American Red Cross Level IV or KINS 148 is recommended prior to enrollment in this course.  
Covers all American Red Cross (ARC) basic swimming skills and teaching techniques used to present these skills to students. ARC Water Safety Instructors certification awarded upon completion of ARC standards.

KINS 294 Anatomical Kinesiology  
3 crs. • F, Sp  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Introduction to human anatomy and the basic structure of the body’s major systems. An emphasis will be placed on the musculoskeletal system and an understanding of its relationship to human movement.

KINS 296 Lifeguard Training  
1 cr. • Sp • Special Course Fee Required • A-F Grades Only • Instructor Consent Required  
Lecture/Discussion Hours: 5 | Lab/Studio Hours: 1.0  
The course prepares candidates to recognize and respond quickly and effectively to emergencies, and prevent drownings and injuries. Students are eligible for American Red Cross certification for Lifeguard training. First Aid/ CPR and AED for professional rescuer.

KINS 300 Planning, Implementation, and Assessment: Invasion Games  
3 crs. • F • P: KINS 290. Limited to kinesiology teaching and sport pedagogy majors.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Prospective physical education teachers enrolled in this course will design comprehensive and coherent units of instruction utilizing a combination of instructional models including but not limited to sport education, peer teaching, and tactical games models.

KINS 301 Planning, Implementation, and Assessment: Adventure Activities  
3 crs. • Sp • Special Course Fee Required • P: KINS 290  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
Observation and participation in selected adventure activities led by master teachers; lesson planning and peer teaching.

KINS 302 Planning, Implementation, and Assessment: Rhythms and Dance  
3 crs. • Sp • P: KINS 290. Limited to kinesiology teaching and sport pedagogy majors.  
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0  
In this theory and activity course students will develop the skills required to teach and lead rhythmic and dance related movements, activities, and games for school aged children.
KINS 303 Planning, Implementation, and Assessment: Fitness Concepts
3 crs. • F • SL-Half • P: KINS 290. Limited to kinesiology teaching and sport pedagogy majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Prospective teachers completing this course will acquire the dispositions, knowledge, and performance competencies related to appropriate health-related fitness of school-aged children in K-12 physical education.

KINS 304 Biomechanical Kinesiology
3 crs. • F: Sp • P: Grade of C or above in KINS 294, and PHYS 100 or 211. Minimum total GPA of 2.35.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The relationship of motion, kinematics, kinetics, and fluid mechanics to human movement.

KINS 305 Planning, Implementation, and Assessment: Net, Wall, Field, Run, Score, and Target Activities
3 crs. • Sp • P: KINS 290. Limited to kinesiology teaching and sport pedagogy majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Prospective physical education teachers completing this course will acquire the dispositions, knowledge, and performance competencies to teach children and adolescents net, wall, field, run, score, and target activities in physical education.

KINS 308 Exercise Physiology
3 crs. • F: Sp • Special Course Fee Required • P: Grade of C or above in KINS 294. Minimum total GPA of 2.35.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The physiological basis of human movement and the functional changes in body systems as a result of exercise.

KINS 309 Introduction to Exercise Science
3 crs. • F: Sp • P: Completion of or concurrent enrollment in KINS 304 and 308. Minimum resident and total GPA of 2.75. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• 2.75 GPA required in major degree program.
Introduction to the foundational concepts associated with physical activity, fitness, and health that underlie the advanced study of exercise prescription and programming.

KINS 310 Therapeutic Modalities in Athletic Training
3 crs. • F: P • KINS 280 with a grade of B- or above; or consent of instructor. Limited to athletic training majors. Minimum sophomore standing. Must be taken with KINS 315.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A theory course designed to develop an understanding and competency in the use of therapeutic modalities in the care of athletic injuries.

KINS 312/512 Psychology of Sport and Physical Activity
3 crs. • F: Sp, Su • P: Minimum total and resident GPA of 2.75. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
The course will examine psychological aspects which affect peak performance in sport, along with exploring the effect that sport and physical activity have on individuals.

KINS 313/513 Sociology of Sport and Physical Activity
3 crs. • F: Sp, Wi, Su • CDH • P: Minimum resident and total GPA of 2.75.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the social influences on sport and physical activity as well as the influence sport has on society.

KINS 315 Athletic Training Lab and Practicum I
1 cr. • F • Special Course Fee Required • P: KINS 277, 280, and 375 with a grade of B- or above. Limited to admitted athletic training majors.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
A lab and practicum course designed to develop proficiency in the practical skills and techniques of lower body evaluation and protective support/bracing as well as inclusion of athletic training competencies assigned and supervised clinical experiences.

KINS 316 Athletic Training Lab and Practicum II
1 cr. • Sp • P: KINS 310, 315, and 376 with a grade of B- or above. Limited to admitted athletic training majors. Must be taken with KINS 330.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
A lab and practicum course designed to develop proficiency, practical skills and techniques of therapeutic modalities, upper-body evaluation, general medical conditions as well as inclusion of athletic training competencies assigned and supervised clinical experiences.

KINS 320 Foundations of Rehabilitation Science
3 crs. • F: Sp • A-F Grades Only • P: KINS 304 and KINS 308 or concurrent enrollment. Minimum resident and total GPA of 2.75.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Introduction to the historical, philosophical, and theoretical foundations of rehabilitation science. The course also provides information on current trends and issues in rehabilitation science research.

KINS 327 Movement Education for Elementary Grades
3 crs. • Sp • P: KINS 290. Limited to kinesiology teaching and sport pedagogy majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A theory and methods course in elementary physical education teaching. Prospective teachers completing this course will acquire the dispositions, knowledge, and performance competencies to teach children in K-5 physical education.

KINS 328 Elementary Physical Education Lab
2 crs. • Sp • SL-Full • P: KINS 327
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 6
• Must be certified in First Aid and CPR.
Experience for physical education students supervised by faculty members to facilitate teaching and learning in a lab setting. Students enhance their ability to teach movement concepts, skill themes, and plan appropriate lessons.

KINS 330 Therapeutic Exercise in Athletic Training
3 crs. • Sp • P: KINS 310 with a grade of B- or above. Limited to admitted athletic training majors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A theory course designed to develop an understanding of the use of therapeutic exercise and the development of rehabilitation programs for athletic injuries.

KINS 335/535 Introduction to School Health Education and Current Health Issues
3 crs. • Sp • W
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
A theory-and activity-based course in which students will discover the importance of health education in the schools and explore current health issues surrounding our nation’s youth.

KINS 336/536 Strategies and Assessment in School Health Education
3 crs. • F: Sp • P: KINS 335/535
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course will focus on using experiential learning techniques and developing authentic assessments to be used in school health education classes.

KINS 337/537 Health Education Curriculum Design
3 crs. • Sp • P: KINS 336/KINS 536
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Students will design and evaluate the effectiveness of School Health Education Curricula. Students will plan effective comprehensive health instruction with special emphasis on making curricular connections to effectively integrate health content into multiple disciplines.

KINS 346/546 First Responder Apprenticeship
1-3 crs. • F: Wi, Sp, Su • May be repeated for a maximum of 6 credits • P: KINS 204 or consent of instructor. • Instructor Consent Required
Experience for qualified students, selected and supervised by faculty members, to facilitate teaching and learning in an athletic training setting. Students enhance their knowledge and their ability to communicate that knowledge to other students.

KINS 347/547 Coaching Apprenticeship
1-3 crs. • F: Wi, Sp, Su • May be repeated for a maximum of 6 credits • P: KINS 292 or consent of instructor. • Instructor Consent Required
Experience for qualified students, selected and supervised by faculty members, to facilitate coaching and learning in a coaching setting. Students enhance their knowledge and their ability to communicate that knowledge to other students.

KINS 348/548 Exercise Science Apprenticeship
1-3 crs. • F: Wi, Sp, Su • May be repeated for a maximum of 6 credits • P: KINS 309 or consent of instructor. • Instructor Consent Required
Experience for qualified students, selected and supervised by faculty members, to facilitate teaching and learning in an exercise science setting. Students enhance their knowledge and their ability to communicate that knowledge to other students.

KINS 350/550 Apprentice in Teaching Physical Education
1-3 crs. • F: Wi, Sp, Su • May be repeated for a maximum of 6 credits • P: KINS 290 or consent of instructor. • Instructor Consent Required
Experience for qualified students, selected and supervised by faculty members, to facilitate teaching and learning in a specific course. Students enhance their knowledge and their ability to communicate that knowledge to other students.
KINESIOLOGY

KINS 351 Cancer Recovery and Fitness Apprenticeship
1 cr. • F, Sp, Su • May be repeated for a maximum of 2 credits • P: KINS 357. Limited to kinesiology majors. Minimum GPA of 2.75. • Instructor Consent Required
Lecture/ Discussion Hours: 0 | Lab/Studio Hours: 2
Experience for qualified students, selected and supervised by faculty members, to facilitate applied experiential learning in the field of exercise and cancer recovery. Students enhance their knowledge and ability to communicate that knowledge to others.

KINS 355 Exercise Science Lab Assessment
3 crs. • F, Sp • Special Course Fee Required • P: KINS 304, 308, and 309. Limited to admitted human performance majors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A theory and lab course of the measurement and analysis of the physiology tests for health and performance commonly used in a human performance lab.

KINS 357/557 Essentials of Strength and Conditioning
3 crs. • F, Sp • Special Course Fee Required • P: Minimum resident and total GPA of 2.75. KINS 304 and 308.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Completion of KINS 117 is strongly recommended prior to enrollment in this course for students who do not possess a basic knowledge of strength training techniques.
This course provides an introduction to strength and conditioning program design, implementation, and evaluation.

KINS 358 Health Fitness Instruction
3 crs. • F, Sp • P: KINS 355 or concurrent enrollment. Limited to admitted human performance majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course provides students with the theoretical knowledge and practical skills required of the entry-level exercise specialist.

KINS 361 Physical Education and Health Education for Teachers of Grades K-8
3 crs. • F, Sp • W+ • P: Admission to SPED program or ES pre-program required, and ES 203, or SPED 210, or SPED 306.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
Provides prospective K-8 teachers with theory, practicum, and technique of elementary/middle physical and health education.

KINS 375 Evaluation Techniques-Lower Body
3 crs. • Sp • P: KINS 277 with a grade of B- or above or consent of instructor. Limited to admitted athletic training majors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A theory course that examines the athletic injury/illness evaluation techniques that are essential for the entry-level athletic trainer. Emphasis will be on the lower extremities, abdomen, and low back.

KINS 376 Evaluation Techniques-Upper Body
3 crs. • F+ • P: KINS 375 with a grade of B- or above. Limited to admitted athletic training majors.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A theory course that examines the athletic injury/illness evaluation techniques that are essential for the entry-level athletic trainer. Emphasis will be on the chest, upper extremities, head, and neck.

KINS 391/591 Special Topics
1-3 crs. • V • P: Limited to kinesiology or athletic training majors, or consent of instructor.
Special topic in kinesiology.

KINS 415 Athletic Training Lab and Practicum III
1 cr. • P: Special Course Fee Required • P: KINS 316 and 330 with a grade of B- or above and KINS 357. Limited to admitted athletic training majors.
Lecture/ Discussion Hours: 0 | Lab/Studio Hours: 2
A lab and practicum course designed to develop proficiency in the practical skills and techniques of therapeutic exercise and academic competencies assigned to this course as well as provide supervised clinical experience in athletic training.

KINS 416 Athletic Training Lab and Practicum IV
1 cr. • Sp • SL-Full • P: KINS 415 and 430 with a grade of B- or above. Limited to admitted athletic training majors.
Lecture/ Discussion Hours: 0 | Lab/Studio Hours: 2
A lab and practicum course designed to further develop and refine the proficiency skills of athletic training, as well as provide a supervised clinical experience in athletic training.

KINS 417 Soft Tissue Manipulation in Clinical Practice
1 cr. • F, Sp • A-F Graded Only • P: BIOL 314 or equivalent; KINS 415 or concurrent enrollment; limited to admitted athletic training majors.
Lecture/ Discussion Hours: 0 | Lab/Studio Hours: 2
This course is designed to provide an understanding of soft tissue manipulation and how it is integrated into the full spectrum of patient management, via the use of manual and instrument assisted techniques.

KINS 420 Medical Aspects of Athletic Training
3 crs. • V • P: KINS 280 with a grade of B- or above. Limited to admitted athletic training majors.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
A theory course that examines various medical specialties, surgical techniques, and clinical evaluations and treatments of athletic-related injuries and illnesses.

KINS 426 Motor Development Across the Lifespan
3 crs. • F, Sp • P: Grade of C or above in KINS 294, KINS 304, and KINS 308 for KINS majors and minors. Limited to KINS majors and minors. Other majors/ minors by consent of instructor. Minimum total GPA of 2.35.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• KINS 304 and KINS 308 are recommended prior to enrollment in this course.
A study of changes in motor behavior across the lifespan, the processes that underlie these changes, and factors that affect them.

KINS 430 Administration and Organization in Athletic Training
3 crs. • V • P: KINS 315 with a grade of B- or above. Limited to athletic training majors. Minimum junior standing.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
A theory course that reviews the administrative and organizational concepts in the profession of athletic training.

KINS 440 Human Performance Seminar
3 crs. • F, Sp • P: KINS 309, 355, 358, 464, 498, or consent of instructor. Limited to human performance majors.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
• Must be taken with KINS 474.
The primary purpose of this course is to provide students with an opportunity to review the critical knowledge, skills, and abilities developed throughout the curriculum and to reflect on their undergraduate experience.

KINS 445/645 Basic Electrocardiography
3 crs. • Wi • P: BIOL 151 or BIOL 214; KINS 308; or consent of instructor.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
This course is designed to fill the needs of students who desire the ability to interpret the resting, normal, and abnormal ECG, as well as provide an overview of cardiac anatomy, function, and neurophysiology.

KINS 450/650 Applied Nutrition in Kinesiology
3 crs. • Sp, Su • P: BIOL 151 or BIOL 214, or other equivalent course.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
The purpose of this course is to gain insight into nutritional issues related to various populations. Students will assess dietary, physical, and performance standards related to these populations and develop alternative plans for healthy lifestyles.

KINS 460/660 Psychosocial Aspects of Injury and Illness
3 crs. • V • P: PSYC 100; BIOL 151 or 214. Minimum junior standing.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
This course is designed to explore the psychosocial aspects of injury and illness, the psychosocial impact that injury/illness can have on a patient/client, and to develop skills in assisting patients/clients to respond effectively to injury/illness.

KINS 464 Programming in Gerontology and Special Populations
3 crs. • F, Sp • P: KINS 309, 355, and 358 or consent of instructor.
Lecture/ Discussion Hours: 3 | Lab/Studio Hours: 0
The interaction of aging and special conditions (disease/accident/genetic) with exercise testing and programming.

KINS 465 Community Fitness Programming
3 crs. • F, Sp • SL-Full; Special Course Fee Required • P: KINS 464 or concurrent enrollment.
Lecture/ Discussion Hours: 0 | Lab/Studio Hours: 6
Prescribing and leading exercise in the early morning fitness program which includes community members with a wide variety of physical capabilities.

KINS 474 Research Methods in Kinesiology
4 crs. • F, Sp • P: MATH 246. Limited to kinesiology and athletic training majors. If an athletic training major, KINS 316 is required prior to enrolling in this course. Minimum total GPA of 2.75.
Lecture/ Discussion Hours: 4 | Lab/Studio Hours: 0
• Must be taken with KINS 440 for human performance students.
KINESIOLOGY

KINS 476 Senior Seminar
3 crs. • F • Sp • CP • No S/U Grade Option • P: Minimum 2.75 total GPA. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This is the capstone experience for students in movement studies and sport pedagogy majors and kinesiology minors. Students will develop a portfolio, lead and participate in professional discussions and present a project.

KINS 484 Adapted Physical Education
3 crs. • F • SL-Full • P: KINS 290
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A theory and lab course examining exceptionalities as they apply to the physical education environment. Study includes legal implications, IEPs, individual differences, assessment principles, modification of tasks and learning environments, and field experiences (30 hours).

KINS 487/687 Assessment in Adapted Physical Education
3 crs. • Sp • P: KINS 484 and SPED 200.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
A theory and lab course examining the appropriate assessment tools and procedures for special populations in physical education.

KINS 491 Practicum in Rehabilitation Science
3 crs. • V • SL-Full; Special Course Fee Required • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 0
A lab course applying knowledge and practical skills in a full-time rehabilitation work environment.

KINS 492/692 Coaching Practicum and Seminar
4 crs. • F • SL-Full; CP: Special Course Fee Required • P: KINS 292. Minimum senior standing. • Department Consent Required
Seminar Hours: 2 | Practicum Hours: 4
A capstone experience where the student develops a coaching portfolio. Seminar focuses on special topics in sport. Field experience of a minimum of 60 hours will apply teaching, administrative, and management skills in coaching.

KINS 493/693 Practicum in Adapted Physical Education
3 crs. • Sp • SL-Full; Special Course Fee Required • P: SPED 210 or 306; KINS 484, 487 or concurrent enrollment in KINS 487. • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 3
A lab course applying principles of programming and assessment in the special physical education environment.

KINS 494 Practicum in Exercise Science
3 crs. • V • SL-Full; Special Course Fee Required • P: Minimum resident and total GPA of 2.75. • Department Consent Required
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 3
A laboratory course applying administrative and leadership skills in a full-time exercise work environment.

KINS 495/695 Directed Studies in Physical Education
1-3 crs. • F, Sp, Su • May be repeated • Department Consent Required
Group study, under the immediate direction of a physical education faculty member, of a defined problem not covered in existing courses.

KINS 496 Capstone-Teaching Physical Education
1 cr. • F • CP • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
Students will integrate and apply their knowledge, skills, and dispositions to case studies and issues in physical education teaching.

KINS 498 Human Performance Internship
6 crs. • F, Sp, Su • SL-Full; IN • S/U Only Grade Basis • P: KINS 309, KINS 355, KINS 357, and KINS 474. Minimum resident and total GPA of 2.75. • Instructor Consent Required
• (1) Maintenance of current American Red Cross First Aid and CPR certification or equivalent and, (2) satisfactory completion of a background information disclosure check prior to the start of the internship is required. Students are provided with an opportunity to integrate and apply the knowledge, skills, and abilities developed through their undergraduate education in a professional setting.

KINS 499 Independent Study
1-3 crs. • F, Sp, Su • May be repeated • P: Minimum resident and total GPA of 3.00. Minimum junior standing. • Department Consent Required
Individual research project under the direction of a faculty member.

DONALD MOWRY, CHAIR
ELENA IZAKSONAS, LEAH OLSON-MCBRIDE, THOMAS PETTA, LISA QUINN-LEE, JEFFREY WRIGHT.

The mission of the baccalaureate social work program at the University of Wisconsin-Eau Claire is to prepare students to engage in ethical, competent, evidence-informed generalist practice. Graduates will be committed to diversity, social and economic justice, the promotion of community well-being, and the interdependence of local and global issues. The goals of the Social Work Program are (1) to prepare entry-level generalist social workers grounded in liberal arts educations and the person in the environment construct; (2) to prepare entry-level generalist social workers for practice in a multicultural society within the context of professional values and ethics in public and private social service agencies, especially in those services which meet the needs of diverse individuals, families, groups, organizations and communities; (3) to prepare students to integrate research-informed practice and practice-informed research and to think critically and apply ethical principles in practice; (4) to prepare students for and instill in them a commitment to lifelong learning and the recognition, support and advancement of the profession; and (5) to prepare students for practice with diverse populations and for effective participation in community affairs in a global society through the promotion of social and economic justice.

The bachelor’s degree in social work (B.S.W.) is accredited by the Council on Social Work Education. Graduates of the program are eligible for examination for certification or licensure at the baccalaureate level. Graduates receive advanced standing in many Master of Social Work (MSW) programs.

Honor Societies and Student Organizations:

As members of the university community, social work students have an opportunity to participate in many student organizations, including the Association of Student Social Workers (ASSW). In addition to providing important chances for identification and socialization with the profession of social work, ASSW selects student representatives to participate actively in faculty committees. Other professional organizations open to students are the Council on Social Work Education, the National Association of Social Workers, and the Wisconsin Social Service Association. The Eta Upsilon Chapter of Phi Alpha, a National Social Work Honor Society, offers recognition for scholarship to eligible upper-class members who maintain total GPAs of 3.00 or higher on a 4.00 scale and have achieved a 3.25 or higher average in required Social Work classes. Visit the department office for further information.

II. Other Required Courses (to be used in partial fulfillment of General Education requirements)

GE-IB—Analytical Skills:
Math 246 (review prerequisites) 4
NOTE: Students who have taken Math 104 or higher or have met the Math Competency may take Psyc 265 instead of Math 246.

GE-II—Natural Sciences:
Biol 151 Biology of Humans 4

GE-III—Social Sciences:
Econ 103 and 104 Principles of Micro/Macroeconomics or Econ 201 Introduction to Political Economy 3
Pols 110 American National Politics 3
Pols 301 State and Local Politics 3
Psyc 100 General Psychology 3
Psyc 230 Human Development 3

Soc 101 Introduction to Sociology 3

GE-IV—Humanities:
At least six credits from the following:
AIS 102
Arth/AIS 324, 335
Engl 268
Engl/AIS 142, 242, 345, 346
Engl/Wmns 296, 332, 396
Hist 210, 344
Hist/AIS 240, 368, 369
Hist/Wmns 394, 373, 378
Hum 110, 210
Mus 306
Phil/Wmns 377
Rel/AIS 330
Rel/Wmns 203, 353
Span/LAS 352
Wmns 100, 301

Other courses may apply. Students should consult an adviser to determine applicability of courses being considered.

NOTE 1: Social Work majors will still be required to complete their Service-Learning Requirement prior to admission to the program and SW290 has Service-Learning embedded for all students. Some social work positions require fluency in a foreign language, and students are encouraged to consider a minor in Spanish.

Satisfactory/Unsatisfactory Policy. No degree credit may be earned under the Satisfactory/Unsatisfactory option in Idis 100 or any Social Work Department course numbered 200 or higher which is required for the major. Students must meet all course prerequisites.

CERTIFICATE PROGRAMS

The Social Work Program offers social work majors two certificates within the program, the Social Work—Child Welfare Certificate and the Social Work—Gerontology Certificate. These certificates require a concentration of courses and learning experiences (e.g., workshops, conferences) and a portfolio of academic products related to the certificate, meeting the standards for the certificate as defined by the University and the Department of Social Work. A notation of the certificate, meeting the standards for the certificate as defined by the University and the Department of Social Work, will appear on the student's official transcript. Only social work majors who have completed the B.S.W. degree and have met requirements for the certificate will be awarded the certificate.

Requirements:
1. An approved learning contract which incorporates a plan to meet all of the requirements below must be drawn up by the student and the academic adviser and placed in the student’s file in the Department of Social Work.
2. The student must complete, at a grade level of B- or above, the required Social Work course within the selected certificate program and three other electives from the list of electives for the certificate program (see the following).
3. The student must attend at least one external workshop or one conference (two- or three-day), in the area of the certificate, and provide documentation of attendance.
4. The student’s internship placement must be in the field of the certificate.
5. The student must create and maintain a portfolio which documents the completion of the basic requirements for the certificate outlined above, plus:
   a. at least one research paper from one of the following courses, on the topic of the certificate: SW 290, 323, 383, 472;
   b. internship documentation which verifies that the student’s internship is in the area of the certificate program;
   c. copies of documents related to the certificate, e.g., statutes, regulations, etc., indicating the student’s knowledge of policy and procedure;
   d. evidence of membership in a professional organization in the area of the certificate.
6. Upon completion of the B.S.W. degree and the requirements for the certificate, the student must submit to the department a verification of completion of all items on the checklist, signed by the student’s academic adviser. The Department will then notify the Registrar that the student has completed all requirements.

(Code: 460-605)

Required Courses:

Directed Study: Child Welfare II
Youth Crime and Juvenile Justice
History of the Family America
Child Psychology
Psychology of Adolescence
Psychology of the Exceptional Child
Sociology of the Family
Introduction to Diverse Learners
Child Abuse and Neglect—Educational Implications

Other courses as approved by the student’s adviser and department chair.

All certificate courses must be completed with a C (or S) or better.

Social Work—Gerontology Certificate
(Code: 460-601)

Required Courses:

Aging and the Aged
Human Nutrition
Communication Changes and Disorders of the Older Adult
Death and Bereavement
Psychology of Adulthood and Aging
Social Gerontology

Other electives from list in the gerontology minor

CAREGIVER LAW

All individuals involved in experiential education courses for credit in the Social Work Department must complete the background check process and be responsible for the associated processing fees. Students must complete these forms at registration or the beginning of the course or show evidence of a recently completed (within one year) criminal history report. This applies to the following courses: SW 315 and 395 (Building Bridges section). Fees for criminal background checks are attached to SW 471 to assure that students entering internship (SW 481) have met this requirement.

Students are also advised that past or future serious crimes that are substantially related to the duties of the position may limit or inhibit the student from securing service-learning opportunities, or internship placements, or both. In addition, the student may become ineligible to receive certification as a social worker in the state of Wisconsin.
ADMISSION TO THE SOCIAL WORK PROGRAM

The Social Work Program operates under a selective admissions policy. The policy is based on the need to maintain a program of excellence in the classroom and to assure availability of quality internship placements. The Department of Social Work reserves the right to admit a limited number of students each semester. Meeting the minimum standards does not guarantee a student will be admitted to the major.

Social Work is a professional discipline on the baccalaureate level, and, thus, admissions and retention processes are implemented and strictly followed. Students are evaluated on a regular basis. Students interested in earning a Bachelor of Social Work Degree must first be admitted to the Social Work major. Enrollment in selected upper division social work courses is restricted to students who have been formally admitted to the major. This formal application to the major is the first step in meeting requirements for graduation with a B.S.W. degree. A second review of continued eligibility occurs with application for admission to internship (SW 481). Students with any concerns regarding eligibility are urged to consult their academic adviser. Students will be asked to sign a statement that they have read and agreed to abide by the National Association of Social Workers’ Code of Ethics. Students may appeal a denial of admission to the major or internship by following procedures outlined in the Social Work Student Handbook or the Social Work Internship Manual, as applicable.

Application Process and Procedures

1. Students seeking admission are required to complete an application form available from the department office. At the point of admission:
   a. Students must have accumulated 60 credits.
   b. The university service learning requirement must have been completed.
   c. A minimum GPA of 2.5 is required in the following courses: Idis 100, SW 220, 290, Psy 100, 230, Biol 151, Soc 101, and Pols 110. Each course must be completed with a grade of C or above.
   d. A minimum total GPA of 2.5 is required, which includes courses transferred from other colleges and universities.
   e. Additionally:
      i. Students will have demonstrated acceptable skill in writing and speaking.
      ii. Students will show knowledge of social work and a commitment to social work values.
      iii. Achievement of the above criteria (i and ii) will be demonstrated through submission of a required essay demonstrating motivation and potential as a student and a future social work professional and through class participation in the courses.
   2. Students must be in good academic standing in the semester in which they apply.
   3. Any student who withdraws from the social work major at UW-Eau Claire or who does not take classes at UW-Eau Claire for two or more sequential semesters must reapply for admission into the program.
   4. Application materials must be submitted by 4:30 p.m. on the Friday of the second week of classes of the semester prior to admission.
   5. A completed application will contain: (1) the Social Work Admissions Application, (2) the one-page essay, and (3) one copy of the most recent UW-Eau Claire degree audit.
   6. Students may repeat a grade below C in Idis 100 and/or SW 220 and/or SW 290 according to University guidelines. Repeat of course(s) must be completed (not current) for any such courses before application for admission will be processed.
   7. Students will apply for admission to the social work program while they are in SW 335, except under special circumstances as approved by the admissions committee chair.

ADMISSION TO SOCIAL WORK INTERNSHIP

Applying for Admission to the Internship: Students planning to enroll in SW 481 or 482 in the summer, fall, or spring must apply no later than February 1 of the year preceding internship for summer and fall enrollment or February 1 of the year preceding internship for spring enrollment. Applications for admission to Social Work Internship are available in the department office after December 1. Notification of internship orientation meetings will be posted in the Social Work department office and announced in Social Work classes.

Criteria for admission into Internship: The Social Work Field Director will determine eligibility for internships on the basis of the following criteria. A student must have (1) obtained an adviser from the Department of Social Work; (2) completed Idis 100; SW 220, 290, 320, 323, 335, 383, 405, and 471 with a grade of C or above. This includes courses that are transferred in as equivalent to any of these courses; (3) earned a minimum GPA of 2.50 in Idis 100 and all courses with an SW prefix; (4) earned a total GPA of 2.50; (5) completed a criminal background application in SW 471 or another course within one year of the planned internship which typically take place between March 15 and April 15 of the spring semester; and (6) (a) participated in the Internship Orientation Sessions prior to registration; (b) been accepted by a social agency approved for field instruction by the Department of Social Work; (c) provided for transportation; SW 472 must be completed or taken concurrently with the first semester of Internship.

GRADUATION REQUIREMENTS

To graduate with the Bachelor of Social Work (B.S.W.) degree, students must have (1) a GPA of 2.50 in Idis 100 and in all courses with the SW prefix; (2) achieved completion of Idis 100 and all required SW courses, including transfer courses, with a grade of C or above; (3) demonstrated competencies suitable for the profession; and (4) completed all program requirements.

APPEALS

A student whose GPA in Social Work courses is less than 2.50 is ineligible to register in SW 481 but may enroll in other Social Work classes while attempting to improve the GPA. A student who does not meet requirements for enrollment in SW 481 may appeal for permission to participate in the Internship Orientation Sessions and/or placement in a social agency. This appeal must be discussed with the student’s Social Work adviser prior to submission to the Social Work Internship Committee.

Appeals of denial of an application for admission to internship or for removal from the internship must follow policies and procedures as published in the most recent edition of the Social Work Student Handbook.

DEPARTMENTAL HONORS PROGRAM

Eligibility: Acceptance into the program is limited to upper-class majors with resident and total GPAs of 3.50 or higher, an average of 3.50 or higher in Social Work courses, and the consent of the department.

Requirements: Completion of at least six credits in a Seminar and/or Independent Study; completion of an honors examination demonstrating superior performance in Social Work research, Social Work methodology, and an area of the student’s choice; and graduation with a total GPA of 3.50 or higher and a GPA of 3.50 or higher in Social Work pre-fixed courses.

SW

SW 220 Interpersonal Skills
3 crs. • F, Sp • No Auditors • P: IDIS 100. Limited to pre-social work majors. • Department Consent Required Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Knowledge about self and interaction with others. Impact of culture on communications. Development of sensitivity to cultural diversity. Integration of knowledge, values, ethics, and skills with a professional sense of self.

SW 290 Human Rights and Global Justice
3 crs. • F, Sp • SL-Full; Field Trip(s) Required • A-F Grades Only • P: IDIS 100 Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Human Rights and Global Justice provides a basic understanding of universal human rights and global justice. Social issues will be explored from a variety of perspectives, and field visits to local agencies/programs are required.
SW 291 Special Topics
1-3 crs. • V
Issues of current interest in the field of social work.

SW 309 Community-based Corrections
3 crs. • V • Field Trip(s) Required; Special Course Fee Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Social work in prevention and treatment of crime and delinquency. Traditional and emerging community-based programs considered.

SW 315 Aging and the Aged
3 crs. • F • SL-Full; Special Course Fee Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Criminal background check required.
The process of aging, its problems, effects on society, needs of the aged, and social services to the aged. The 30-hour service-learning requirement is in addition to other class assignments.

SW 320 Generalist Social Work Practice with Individuals
3 crs. • F, Sp • No Auditors • P: SW 335. Admission to Social Work program required.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Introduction to basic theories and methods of social work practice. Applied laboratory dimension focuses on professional communication skills with individuals (interviewing and writing). Linkages made to practice with families, groups, and communities.

SW 323 Methods of Social Work Research
3 crs. • F, Sp • P: IDS 100; SW 285 or SW 290, PSYC 265 or MATH 246. Admission to social work program required.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Critical reading, evaluation of practice, and conducting basic social work research.

SW 335 Human Behavior and the Social Environment
3 crs. • F, Sp • P: IDS 100; SW 220, SW 285 or SW 290; PSYC 100, PSYC 230; SOC 101; BIO 151. Limited to social work majors. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Interactions between persons and their social environments. Impact of functioning of communities, groups, families, and individuals on each other. Emphasis on dynamics of discrimination and oppression, and effects of race and racism, poverty, gender, sexual orientation.

SW/NRSG 360/560 Death and Bereavement
3 crs. • F, Sp • GE-V; Field Trip(s) Required • P: SOC 101 or PSYC 100 or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both SW 360/560 and NRSG 360/560. No credit if taken after SOC 318, PSYC 339 or SW 350.
Through the study of current theory and research, this interdisciplinary course is designed to facilitate student understanding of death and bereavement from a lifespan, family, and cultural perspective.

SW 383 Social Welfare Policies and Programs
3 crs. • F, Sp • P: IDS 100, SW 285 or SW 290, POLS 301; ECON 201, or ECON 103 and ECON 104, or consent of instructor. Admission to social work program required.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Structure and content of social welfare policies; models of policy analysis; policy development; ethics. Emphasis on oppression, discrimination, and the social values of adequacy, equity, and social and economic justice, especially for oppressed and at-risk populations.

SW 385 Child Welfare
3 crs. • F, Sp
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Service systems for dependent, neglected, abused, or delinquent children.

SW 395 Directed Studies
1-3 crs. • F, Sp, Su • May be repeated for a maximum of 6 credits • No Auditors • Department Consent Required
• A maximum of nine credits earned in Directed Studies, Independent Studies and Instructional Assistant may count toward the major. Section 10 —Building Bridges—special course fee required for criminal background check.
Social work study approved by supervising instructor and department chair.

SW 399 Independent Study - Juniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • No Auditors • P: Limited to social work majors. Minimum resident and total GPA of 3.00. • Department Consent Required
• A maximum of nine credits earned in Directed Studies, Independent Studies and Instructional Assistant may count toward the major.
Intensive study culminating in a paper suitable for publication.

SW 402 Instructional Assistant in Social Work
1-3 crs. • F, Sp • May be repeated for a maximum of 6 credits • Department Consent Required
• Completion of the course in which assisting with a minimum grade of B, admission to the social work major, a 3.00 or higher GPA in social work prefix courses, approval of faculty instructional assistant supervisor and department chair. A maximum of nine credits earned in Directed Studies, Independent Studies and Instructional Assistant may count toward the major.
Qualified students, selected and supervised by faculty members, facilitate teaching and learning in a specific course. Instructional assistants enhance their knowledge of social work, and their ability to communicate that knowledge and facilitate group process.

SW 405/605 Ethnic-Sensitive Social Work Practice
3 crs. • F, Sp • CD3 • P: SW 320. Admission to social work program required.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Understanding different minority groups of color with special focus on social services, programs, and ethnic-sensitive practice issues.

SW 424/624 Alcohol and Other Drug Abuse
3 crs. • V • W
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Diagnosis, causal theories, current treatment methods, prognosis, and prevention related to the field of alcohol and other drug abuse.

SW 471 Generalist Social Work Practice with Families/Groups
3 crs. • F, Sp • P: Special Course Fee Required • P: SW 320. Admission to social work program required.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Knowledge, skills, values, and ethics related to social work practice with diverse, oppressed, and at-risk families and treatment groups. Applied laboratory dimension focuses on professional communication and assessment skills with families and groups.

SW 472 Generalist Social Work Practice with Communities/Organizations
3 crs. • F, Sp • P: SW 323 and 471. Admission to social work program required.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Knowledge, skills, values, and ethics related to social work practice in task groups, communities, organizations, and society. Emphasis on diversity, social and economic justice, and empowerment, especially for oppressed and at-risk groups, organizations, and communities.

SW 481 Social Work Internship
6-12 crs. • F, Sp, Su • SL-Full; IN • May be repeated for a maximum of 12 credits • Department Consent Required
• Course may be taken for 6 or 12 credits (six credit maximum during the summer). Six credit sections must be sequential. Acceptance as specified under criteria for admission into the internship (see internship admission requirements), criminal background check required. Transportation required at some placements.
Placement in social work agency for professional social work practice experience for one or two semesters. This course is the capstone experience wherein students integrate and apply learning to the work setting.

SW 482 Social Work Internship - International
12 crs. • F • SL-Full; CP; IN; Special Course Fee Required • P: SW 323, SW 383, SW 405, and SW 471, and SW GPA of 2.50 or higher. • Department Consent Required
• Acceptance as specified under criteria for admission into the internship (see internship admission requirements), criminal background check required. Transportation to the internship site arranged by the student.
Placement in an international social welfare agency for professional social work practice experience for one semester. This course is the capstone experience where students integrate and apply learning to the work setting.

SW 489 Social Work in Mental Health Settings
3 crs. • F, Sp, Su • May be repeated for a maximum of 6 credits • A-F Grades Only
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course will provide basic knowledge and skills necessary to practice effective and competent bachelor level social work in a variety of settings with people challenged by a mental illness.

SW 491/691 Special Topics
1-3 crs. • V • May be repeated
Selected social work issues of current interest that affect practice.

SW 499 Independent Study - Seniors
1-3 crs. • V • May be repeated for a maximum of 6 credits • P: Limited to social work majors. Minimum resident and total GPA of 3.00. • Department Consent Required
• A maximum of nine credits earned in Directed Studies, Independent Studies and Instructional Assistant may count toward the major.
Intensive study culminating in a paper suitable for publication.

Mission Statement of the College of Nursing and Health Sciences

The College of Nursing and Health Sciences provides undergraduate and graduate programs for Nursing. Building on a foundation of excellence, the College prepares liberal arts educated individuals for professional practice. Creative educational experiences, scholarship, and service to our communities enhance the personal and professional growth of students and faculty and promote life-long learning. As a College, we value a caring spirit, ethical practice, and advocacy for policies and actions that contribute to the improvement of the human condition.

Mission Statement of the Nursing Program

The purpose of the University of Wisconsin-Eau Claire Department of Nursing is to provide a scholarly environment in which faculty and students gain and extend knowledge of health, health care, and professional nursing. Nursing offers on-campus and distance baccalaureate, graduate, and continuing education for the practice of professional nursing. The select mission of Nursing is to:
1. Educate nurses to lead within diverse, complex environments
2. Promote health and the public good through ethical leadership, collaboration, and practice
3. Contribute to knowledge development for health and nursing
4. Serve the broader missions of the College and University

Accreditation

The nursing programs are approved by the Wisconsin State Board of Nursing. The baccalaureate and master’s programs are accredited by the Commission on Collegiate Nursing Education (CCNE), One Dupont Circle, NW, Suite 530, Washington, DC 20036, (202) 887-6791, through December 31, 2021. The Doctor of Nursing Practice (DNP) program is accredited by CCNE through December 31, 2016.

Baccalaureate Program

The nursing programs are oriented toward the belief that a broad general education is an essential foundation for the preparation of professionals. Through the biological and social sciences, the humanities, and the nursing science courses, the concepts of humanity, health, environment, and nursing are interwoven in a curriculum that clinically addresses nursing across the lifespan of health-care recipients.

Marshfield Site

In addition to the Eau Claire campus, the nursing program of study is available in Marshfield, Wisconsin, in cooperation with Ministry Saint Joseph’s Hospital. Persons interested in further information about the Marshfield site should contact the College of Nursing and Health Sciences Assistant Dean, Marshfield Site.

Program/Student Learning Outcomes

Students graduating from UW-Eau Claire with the Bachelor of Science in Nursing degree demonstrate accomplishment of the AACN Baccalaureate Essentials* through:
1. Integration of liberal and nursing education, with particular distinction in:
   • leading change in complex health care environments.
2. Organizational and systems leadership for patient safety and quality care, with particular distinction in:
   • developing effective working relationships for quality improvement and optimizing patient care outcomes.
3. Scholarship for evidence-based practice, with particular distinction in:
   • providing leadership in the synthesis and application of evidence with integration into changing standards of care.
4. Information management and application of patient care technology.
5. Understanding of health care policy, finance and regulatory environments, with particular distinction in:
   • advocacy for individuals, families, and communities.
6. Interprofessional communication and collaboration for improving patient health outcomes, with particular distinction in:
   • delivery of evidence-based, patient-centered care;
   • coordination of care across settings and through the health-illness trajectory.
7. Clinical prevention and population health for optimizing health, with particular distinction in:
   • analysis of population health needs, determinants, and resources, and development of action strategies.
8. Professionalism and professional values, with particular distinction in:
   • ethical practice, social responsibility, a commitment to social justice, and global citizenship;
   • delivery of culturally competent care within diverse settings and/or populations.
9. Beginning competence in baccalaureate generalist nursing practice, with particular distinction in:
   • holistic, relationship-based care incorporating therapeutic use of self;
   • integration of nursing concepts, human responses, and safe and competent nursing care;
   • use of nursing process to effect highest quality health outcomes.

(*The Essentials of Baccalaureate Education for Professional Nursing Practice, AAN 2008)
Admission

TO THE UNIVERSITY

All students applying for admission to the University follow the regular procedure. Those who are admitted to the University as pre-nursing students are assigned to nursing faculty for advising.

The College of Nursing and Health Sciences welcomes the opportunity to give guidance in program planning to students in high school who have chosen nursing or are considering it as a career. These students are encouraged to include courses in high school which provide the best foundation for study at the University and in the major field. Recommended are:

- English: 4 units
- Chemistry: 1-2 units
- Physics: 1 unit
- Biology: 1-2 units
- Foreign Language*: 2 units
- Algebra: 2 units
- Geometry: 1 unit
- History: 1-2 units
- Social Studies: 3 units
- Speech: 1 unit

*Two units of one language, e.g., French, German, Spanish.

TO THE PROFESSIONAL NURSING PROGRAM

 Formal application to the professional nursing program must be made. A student must be admitted to UW-Eau Claire as a pre-nursing student before applying to the nursing program. Students are encouraged to apply during the semester in which 30 credits will be completed. The deadlines for filing applications to the College of Nursing and Health Sciences are May 1 and December 1 for the Eau Claire campus; May 1 and December 1 for the Marshfield site. In order to be considered for admission to the nursing program, one must have:

1. been accepted as a pre-nursing student in the University in good standing
2. completed at least 30 semester credits, not including courses for nursing assistant certification, with a total cumulative GPA of at least 3.00.
3. completed at least three required natural science courses, two of which are laboratory science courses, with a GPA of at least 2.50.
4. earned a grade of C or above in all courses required for nursing.
5. completed all application materials, essay, and submitted a nonrefundable application fee.
6. completed health record, CPR certification, and background check at the time of admission to the program.

Note: Evidence of certification as a Nursing Assistant must be submitted prior to registration for sophomore nursing clinical courses (NRSG 267) following admission to the Nursing Program.

Other data utilized by the Admissions Committee are derived from a variety of sources that include applications for admission to the University and the nursing program, high school transcript showing rank in class, previous collegiate records, and standardized tests such as ACT or SAT. International, non-native speakers of English applying to an undergraduate nursing program must have a TOEFL score as follows: TOEFL Written >50 (or IELTS score of 6.5); or TOEFL (CBT) >220; or TOEFL (iBT) >83.

The College may find it necessary to deny admission to a qualified applicant because of enrollment limits in the professional program. Depending on the number of qualified applicants, it is likely that the GPA required to be competitive for admission may be well above the 3.00 minimum cumulative GPA.

The Nurse Scholars Program provides conditional admission to the nursing program for those high achieving pre-nursing students who have been invited to enter the Nurse Scholars and University Honors programs (see University Honors) at the time of admission to the University. Students eligible for the Nurse Scholars Program are identified at the time of admission to the University and must accept the offer when invited. The Nursing Dean’s office contacts the students who are eligible for the program. Eligibility is determined by identified major, high school class rank, ACT score, and admission to University Honors. To maintain Nurse Scholar eligibility for admission to the nursing program, the student must meet specific credit, GPA, and Honors course criteria, as well as additional admission requirements as applicable to all pre-nursing students. Further information is available from the Associate Dean for the College. Pre-nursing students participating in University Honors who believe they mistakenly may not have received a Nurse Scholar invitation must contact the Associate Dean no later than mid-August, prior to starting courses at UW-Eau Claire.

HEALTH REQUIREMENTS

Admitted students must present evidence of having met current health requirements, such as immunity against diphtheria, pertussis, tetanus, varicella, rubella (measles), mumps, rubella, and hepatitis B, annual influenza vaccination, and tuberculin skin testing (evidence of two-step TB skin test is required if the student has never been tested for TB). Please refer to the specific health requirement information delineated on the College website (available www.uwec.edu/cons). To secure admission acceptance, all health requirements, evidence of CPR certification, background check information, etc. must be submitted, along with the appropriate submission fee(s).

Admitted students must maintain their immune status against infectious diseases. Tuberculin skin tests are offered at the Student Health Service. Any student whose skin test converts from negative to positive while enrolled in the program must have a chest X-ray and a medical evaluation, and provide a statement of the clinician’s findings and recommendations. Students at the Marshfield site must follow the health requirements of Ministry Saint Joseph’s Hospital, Marshfield, to participate in clinical rotations. Annual interferon-gamma release assays (IGRAs) including QFT-Gold and T-Spot results are acceptable in lieu of TB skin test results. Students are not permitted to participate in clinical course work unless all immunizations, TB tests, CPR certification, and background checks are current. Clinical facilities may have additional requirements.

All expenses associated with health surveillance and care are borne by the student unless the Student Health Service specifically indicates otherwise. Students are not covered by health or accident insurance by UW-Eau Claire, the practicum facility, or the practicum institution. In addition, workers’ compensation insurance does not cover students while engaged in clinical practice. If a student suffers a needle stick or is hurt while in practicum, they will need personal health insurance to cover medical bills.

CPR CERTIFICATION

All applicants must hold Cardiopulmonary Resuscitation (CPR) Certification at the health provider level (American Heart Association level C or American Red Cross Health Care Professional). Evidence of CPR certification must be submitted at the time of admission. Admitted students must keep their certification current.

STUDENT BACKGROUND CHECK REQUIREMENTS

Based on Wisconsin State law, clinical agencies require completed background checks. The College of Nursing and Health Sciences requires students admitted to the nursing programs to complete background check materials which are submitted by the students to CertifiedBackground.com. CertifiedBackground.com conducts Wisconsin and out of state criminal record and healthcare fraud and abuse searches, and includes the Wisconsin Department of Health and Family Services (DHFS) Background Information Disclosure (BID), a release for a Wisconsin Department of Justice Criminal Background Check. Further information regarding the Wisconsin Caregiver Law can be obtained from DHFS’s Web site: www.dhfs.state.wi.us. Students participating in clinicals
Minnesota may be required to complete additional background checks (with associated fees). Additional, including out of state, background checks (with associated fees) may be required by the College and by the clinical agencies. Final admission status to the nursing program is contingent upon return of criminal background check(s) with no findings that would prevent participation in the program. Because of background check or BID findings, clinical agencies may refuse placement of students. This may prevent progression in or completion of the program. The findings also may affect licensure good standing and employment. A criminal history is not an automatic bar to clinical agency placement, program progression, licensure/certification and/or future employment. Admitted students are under a continuing obligation to notify the Dean’s Office at the College of Nursing and Health Sciences of any pending charges or violations of federal, state, and local laws or the campus student conduct code that occur at any future date and during their tenure as College of Nursing and Health Sciences students.

**TRANSFERRING STUDENTS**

Any student anticipating transfer to the University for the nursing degree is urged to consult the university Admissions Office as early as possible for information about GPA and course requirements for admission and for the degree requirements (see Admission to the Professional Program). Official review of the student’s academic record is made by the University Office of Admissions.

Applicants to the professional program who have completed nursing courses in an accredited baccalaureate nursing program at another college or university will be considered on an individual basis. Acceptance will be determined by overall quality of academic record, space availability, and the articulation of courses with those offered by the College of Nursing and Health Sciences.

**READMISSION TO THE NURSING PROGRAM**

Students who withdraw from the program and wish to return for completion must send a letter requesting readmission to the nursing program to the Dean at least three months in advance of the desired readmission date. Applicants must meet the current admission requirements of the nursing program.

Consideration will be given to the length of absence, the student’s ability to achieve, and the available spaces in the clinical courses in which the student will enroll. If readmission is granted, the remaining program will be planned as considered best for the student and according to the current curriculum.

**Costs**

Nursing is a professional discipline, and students enrolled in the nursing program must anticipate some additional costs that are directly related to the nursing program. These include, for example, uniforms, nursing textbooks, health requirements, background checks, application and course fees, some clinical equipment (e.g., stethoscope), and transportation associated with clinical experiences. Note that textbook costs can be high, particularly in the early nursing courses; however, many of the books continue to be utilized in subsequent semesters. Additionally, admitted students should have wireless laptop access. Courses at the Marshfield Site are charged fees in addition to the typical undergraduate tuition. Contact the Assistant/Associate Deans for details.

**Counseling and Academic Advising**

Faculty in the College of Nursing and Health Sciences serve as academic advisers. Students in nursing are encouraged to make full utilization of services offered by the University. Counseling for educational, vocational, and personal problems is available.

**Financial Assistance**

Nursing students applying for financial assistance will be considered by the Financial Aid Office on the same basis as other University students. Information regarding scholarships available to students after admission to the nursing program is available on the College of Nursing and Health Sciences website (www.uwec.edu/conhs), in the Eau Claire Nursing Learning Resource Center (Room 154), in the Marshfield Site program office, and on the UW-Eau Claire Financial Aid website.

**Clinical Experiences**

Various health and social agencies and institutions are utilized for student learning experiences. Experiences are provided through facilities such as hospitals, schools, nursing homes, public health agencies, child day-care centers, and other community health agencies. Students are responsible for transportation to and from clinical experiences. Some clinical experiences are in other communities.

**Service-Learning**

This University requirement is met through the completion of Nrs 428.

**Organizations and Activities**

Membership in the National Student Nurses’ Association and the Wisconsin Student Nurses’ Association is achieved through joining the Eau Claire Student Nurses’ Association. The organization meets regularly to promote the aims of nursing education and provide students experience with respect to the issues and operations of the professional nursing organizations.

Sigma Theta Tau International is the Nursing Honor Society. Membership is by invitation to juniors, seniors, and graduate students who demonstrate outstanding scholarship and leadership potential.

**Foreign Language/Foreign Culture Requirement**

Refer to page 42 for current requirement.

**Cultural Diversity Requirement**

All nursing students must satisfactorily complete the equivalent of at least three course credits of content in a course or courses dealing with one or more of the following groups: African American, American Indian, Hispanic, or Asian American (Southeast Asian). Courses which fulfill this requirement are listed in this catalog (see Cultural Diversity Courses). Advisers will assist students with course selection. Additional content dealing with cultural diversity is infused in nursing courses.
NURSING

Study Abroad Program
Inta 329/529, Study Abroad: Health care in Costa Rica, is a program of special interest to students in nursing and other majors with an interest in health care. Students expecting to take first semester senior nursing courses during a fall term may consider a nursing study abroad opportunity available through the University of Evansville at Harlaxton, England.

Academic Regulations
Students who are enrolled in nursing courses are expected to arrange for make-up of all class and laboratory work missed, regardless of the reason for the absence. If the absence is anticipated, arrangements for make-up should be made prior to the absence. Students who have missed an excessive portion of the course may be advised to withdraw.

Scholastic Requirements
Academic Standards
The following scholastic standards must be maintained by students after admission to the nursing program if they are to be considered in good standing:
1. Achieve a semester GPA of at least 2.25;
2. Maintain a resident GPA of at least 2.50;
3. Achieve a grade of at least C in each specific course required by nursing.

Incompletes
A grade of “incomplete” is allowed only when illness or other extenuating circumstances beyond the student’s control have interfered with completion of the course, and the plan for completion is a clearly viable alternative for meeting the course objectives. Students may not progress to courses that have a prerequisite course in which a mark of “incomplete” has been received.

Unsatisfactory Grades in Nursing Courses (Grade of less than C)
Any of the following may result in an unsatisfactory grade in a nursing course:
Clearly unsatisfactory achievement in either the theoretical or the practicum component of a nursing course.
Failure to meet clinical behavior expectations.
Failure to submit course assignments or projects.
Failure to meet make-up requirements in relation to course work missed.
Failure to appear for the final examination, unless prevented by illness or other emergency from taking the examination at the scheduled time.
Offenses as defined by the University of Wisconsin Board of Regents in chapter UWS 17 and published on the Dean of Students web site. Failure to comply with attendance policy as stated in writing by the instructor.

Incompletes
A grade of “incomplete” is allowed only when illness or other extenuating circumstances beyond the student’s control have interfered with completion of the course, and the plan for completion is a clearly viable alternative for meeting the course objectives. Students may not progress to courses that have a prerequisite course in which a mark of “incomplete” has been received.

Student Progression
1. Students must receive a satisfactory clinical evaluation in each of the critical areas on a summative clinical evaluation of a course. These areas are: a) Effective noticing (focused observation, recognizing deviations from expected patterns, and information seeking); b) effective interpreting (prioritizing data and making sense of data); c) effective responding (calm, confident manner, clear communication, well-planned intervention/flexibility, and being safe and skillful); d) effective reflecting (evaluation/self-analysis and commitment to improvement); e) respectful and professional behavior; f) professional attire; g) professional values; and h) accountability and responsibility for own professional behavior.

Termination from Program
A student may be terminated from the nursing program for any of the following reasons:
1. Failure to regain good standing.
2. A second instance of probation.
3. Failure to demonstrate the potential for consistently safe and responsible nursing practice.
4. Likelihood that a student’s condition or prior experience will adversely affect the student, other persons, the University, an agency or unit used for clinical practice, or the patients or clients served.
A student who has been notified of termination may appeal for reinstatement. Termination from the program constitutes dismissal from the nursing program only. A student’s status within the University is not affected provided the University standards for good standing are met.

Dean’s List
At the end of each semester, the College of Nursing and Health Sciences recognizes excellence in scholastic achievement by publishing the Dean’s List. To be eligible, a student must:
1. be in good academic standing;
2. have a minimum semester GPA of 3.70;
3. have completed at least 12 credits during the semester, with no incompletes, no courses below the 100 level, no repeats, and no Satisfactory/Unsatisfactory registrations (except in degree credit-bearing courses that are offered only on the S/U grading system in which a grade of S has been earned).

Credit by Examination Policy
Selected undergraduate nursing courses are available to eligible students for credit by examination. Credit for a maximum of two clinical nursing courses may be earned by examination. No more than 20 credits in nursing may be earned through credit by examination. Prerequisite courses must be completed prior to pursuing credit by examination. Each clinical nursing course examination will include instructor observation of student clinical performance, along with other examinations, check-offs, or portfolio reviews, as needed. Objective and/or essay components of the examination must be completed successfully before assignment, clinical examination, and/or portfolio evaluation are attempted.

Students interested in receiving credit by examination for nursing courses should see their faculty adviser or the associate dean of nursing faculty and curriculum for more information.

NURSING

Comprehensive Major: Nursing
(Code 700-004) Eau Claire Program
(Code 700-008) Marshfield Program

One-hundred-twenty semester credits are required for the B.S.N. degree. Students taking a comprehensive major are not required to take a minor in another area. However, students who are interested in a minor are encouraged to discuss options with their adviser. Students must also seek an adviser in the area of the minor.

Degree Requirements
To qualify for the degree of Bachelor of Science in Nursing, the candidate must present at least 120 semester credits with a total GPA of at least 2.50; must meet all University requirements for graduation; and must meet all nursing program requirements for the degree.

Satisfactory/Unsatisfactory Policy. No course required for the degree in nursing may be taken on a Satisfactory/Unsatisfactory basis. Audit enrollment is not allowed.

Minors/Second Majors
Students may select a minor or second major in a non-nursing field. The Spanish for Health Professionals minor (Code 320-408) is designed for students in nursing or other health-care related professions who desire a proficiency in the Spanish language. (See Department of Languages for program requirements.) Completion of a minor or second major will require credits beyond the minimum necessary for graduation from the University. Scheduling difficulties may be encountered when attempting to complete a minor. See the major/minor concentration policies in the section on University Graduation Requirements. Students who select a minor or second major must obtain an academic adviser in that area.

TOPICAL MINOR (Code 610-432)
A topical minor is composed of 24 semester credits selected by the student to meet the student’s own interests and scholarly objectives. Courses for the minor may be chosen on the basis of a coherent theme, a definable professional need, or complementary relation to the student’s major.

The topical minor is not intended to duplicate any major or minor offered as a regular program.

Nursing Comprehensive Major. The topical minor must include 12 credits from the College of Nursing and Health Sciences and 12 credits from at least one department in any other College within the University. No more than six credits in the comprehensive major may be applied to the minor. At least 12 of the 24 credits must be earned in courses numbered 300 or above.

Standard Major. The topical minor must include courses from at least two departments, with no more than 12 credits from any one department and no more than six credits from the department of the student’s major. Courses included in the major cannot be applied to the minor. At least 12 of the 24 credits must be earned in courses numbered 300 or above and 12 of the 24 credits must be earned in the College of Nursing and Health Sciences courses. The remaining credits may be earned from any College in the University.

Procedure. The student interested in obtaining a topical minor through the College of Nursing and Health Sciences shall obtain a topical minor application form from the College of Nursing and Health Sciences Dean’s office and identify a topical minor adviser. The completed form will be forwarded to the adviser for approval.

INDEPENDENT STUDY

Under the course numbers 399 and 499, the Department of Nursing in the College of Nursing and Health Sciences provides students with opportunities for student-initiated independent study in areas of special interest with guidance of a faculty member.

Eligibility. Independent Study courses are open only to juniors and seniors. A student with a nursing major may elect an Independent Study, provided the student has at least 3.00 resident and total GPAs.

Restrictions. One to three credits of Independent Study (399 or 499) may be elected during any semester. A total of no more than six independent study credits in nursing may be counted toward graduation. Independent Study courses may not be applied toward completion of the General Education requirements.

Procedure. The student shall obtain Independent Study forms from the academic department associate for the department. Initial approval by the associate dean of nursing faculty and curriculum is required prior to enrollment.

DIRECTED STUDY

Courses numbered 295, 395, and 495 offered by the Nursing Department in the College of Nursing and Health Sciences are designed to permit individual students or groups of students to undertake special projects related to their educational interests and goals.

Eligibility. Registration for a Directed Study course requires the permission of the faculty member who agrees to supervise the project and of the department offering the course. Any further conditions of eligibility may be established by the department or published as part of the course description.

Restrictions. One to three credits of Directed Study (295, 395, or 495) may be elected during any semester. A total of no more than six directed study credits in nursing may be counted toward graduation. Directed Study courses may not be applied toward completion of the General Education requirements.

Procedure. The student shall obtain Directed Study forms from the academic department associate for the department. Initial approval by the associate dean of nursing faculty and curriculum is required prior to enrollment.

UNDERGRADUATE NURSING HONORS PROGRAM

The nursing honors program is designed to complement and extend the learning experiences generally available to students majoring in nursing by (1) requiring the student to engage in independent thought that culminates in a specific scholarly paper or project; (2) allowing the student to select options within courses and to pursue independent study in a specific area or focus; (3) enhancing the student’s ability to analyze, synthesize, and critically appraise knowledge from nursing and other disciplines in
a specific area; and (4) facilitating the student’s ability to adopt suitable leadership and scholarly behaviors as he or she assumes the responsibilities incumbent in the professional role as a member of the discipline of nursing.

The objectives of the Nursing Honors Program are consistent with the objectives of the basic undergraduate program of nursing. Nursing Honors students, however, will have an opportunity to meet the program’s objectives in a more individualized, rigorous, and challenging manner. In addition, nursing honors students will complete a significant piece of independent work (paper or project) that is evaluated and approved by a faculty committee.

**Eligibility.** Nursing students with resident and total GPAs of 3.50 or higher may be admitted.

**Application.** A written application shall be approved by the Dean and the Nursing Honors Committee after receiving the recommendation of the academic adviser.

**Requirements for Completion.** A student must earn a minimum of eight nursing honors credits. At least three of the credits must be taken as honors option courses. The remaining credits may be earned either through independent study or honors option courses. The student is required to pass an oral evaluation in a format agreed upon by the student and the student’s honors committee. The evaluation will focus on a paper or project which reflects work taken throughout the program. Note: The requirements may be changing—see College website for most up-to-date requirements and guidelines.

**Accelerated B.S.N. Option (Code 700-007) – Currently on hold.**

UW-Eau Claire offers, when resources allow, an accelerated B.S.N. degree option for individuals with a bachelor’s degree in another field who wish to earn a second bachelor’s degree in nursing. Admission into this option currently is on hold. In order to be considered for the Accelerated B.S.N. program, students must hold a bachelor’s degree, have been accepted to the University, have completed required prerequisite courses, have earned a minimum overall GPA of 3.00 in most recent bachelor’s or higher degree and a GPA of 2.50 in required science courses, satisfy the University Cultural Diversity requirement, be certified as a nursing assistant, and be certified in CPR. The Accelerated B.S.N. program includes 60 credits of nursing courses over a shortened time frame.

**Required Prerequisite Courses (or equivalents):**

- Chem 103, General Chemistry I ...................................................... 4
- Chem 150, Survey of Biochemistry .................................................... 3
- Biol 214, Human Anatomy and Physiology I ..................................... 4
- Biol 314, Human Anatomy and Physiology II .................................... 4
- Biol 250, Microbiology............................................................................. 3
- Psyc 230, Human Development (Psyc 100 is a prerequisite) ................. 3
- Math 246, Introduction to Statistics ..................................................... 3-4

**R.N./B.S.N. Option**

**B.S.N. Completion Program (Collaborative Nursing Degree) (Code 700-005)**

UW-Eau Claire, together with other UW institutions offering nursing programs, has developed a collaborative degree completion program for registered nurses. This collaborative endeavor is possible due to developing technology in the electronic transmission of courses. Students naming UW-Eau Claire as their home institution in the BSN Completion Program receive student services from this University. General education requirements can be taken at any institution where equivalent transfer credit can be obtained. This general education must meet the overall UW-Eau Claire General Education requirements if the degree is to be obtained from UW-Eau Claire. Formal application to the BSN Completion Program must be made in the semester prior to enrolling in nursing courses. In order to be considered, students must have been accepted to the University in good standing; have completed at least 30 credits of general education courses, including three of the required sciences; have earned a minimum overall and science GPA of 2.50; have an associate degree in nursing with a minimum GPA of 2.50 from a nationally accredited program; and have a current Wisconsin nursing license. The majority of nursing courses in the program are taught through a variety of distance technology methods. The foundational course and a capstone course with a clinical component are offered on campus (see nursing courses with CND prefix). Further information may be obtained from the Student Services Coordinator for the BSN Completion Program.

To qualify for the B.S.N. degree a candidate must meet the 120-credit University graduation requirement, with a GPA of 2.50 or higher, and must meet all University and College of Nursing and Health Sciences graduation requirements (statistics and biochemistry).

*First CND core course completed with a grade of B or above. **Nursing electives must be at the upper division (300 or higher) level.

**R.N./B.S.N. OPTION—WTCS Associate Degree in Nursing/May 1996 or later BSN Completion Program (Collaborative Nursing Degree) (Code 700-006)**

UW-Eau Claire, together with other UW institutions offering nursing programs, has developed a collaborative degree completion program for registered nurses. This collaborative endeavor is possible due to developing technology in the electronic transmission of courses. Students naming UW-Eau Claire as their home institution in the BSN Completion Program receive student services from this University. General education requirements can be taken at any institution where equivalent transfer credit can be obtained. This general education must meet the overall UW-Eau Claire General Education requirements if the degree is to be obtained from UW-Eau Claire. Formal application to the BSN Completion Program must be made in the semester prior to enrolling in nursing courses. In order to be considered, students must have been accepted to the University in good standing; have completed at least 30 credits of general education courses, including three of the required sciences; have earned a minimum overall and science GPA of 2.50; have an associate degree in nursing with a minimum GPA of 2.50 from a nationally accredited program; and have a current Wisconsin nursing license. The majority of nursing courses in the program are taught through a variety of distance technology methods. The foundational course and a capstone course with a clinical component are offered on campus (see nursing courses with CND prefix). Further information may be obtained from the Student Services Coordinator for the BSN Completion Program.

Students in this option are eligible for the benefits of the articulation agreement between UW System and WTCS non-college associate degree programs in nursing.

To qualify for the B.S.N. degree a candidate must meet the 120-credit University graduation requirement, with a GPA of 2.50 or higher, and must meet all University and nursing program graduation requirements (statistics and biochemistry).
NURSING

SUMMARY OF NURSING COURSES/CREDITS
FOR B.S.N. COMPLETION PROGRAM

*First CND core course completed with a grade of B or above
**Nursing electives must be at the upper division (300 or higher) level.

R.N./B.S.N./M.S.N. Option

The R.N./B.S.N./M.S.N. option is a program that facilitates the progression of qualified Registered Nurse students, enrolled in the BSN Completion Program (Collaborative Nursing Program), to progress in the Master of Science in Nursing Program at UW-Eau Claire. This Option provides the opportunity for the qualified nurse to earn credits toward the M.S.N. while completing the baccalaureate degree in nursing. This is accomplished by enrolling as a senior undergraduate student in selected graduate courses. A grade of B or better must be earned in a graduate course in order to be eligible to register for additional graduate courses. The graduate courses serve as confirming courses for up to nine credits in the undergraduate BSN completion curriculum; a grade of C or better is needed to earn the confirming credits. Permission must be obtained from the Graduate Programs Director of the College of Nursing and Health Sciences prior to enrollment in this option.

Students approved for this option may enroll in:

Requirements for eligibility:

- Senior status in nursing; 90 semester credits completed, including two courses in upper division nursing and an undergraduate statistics course (grade of C or higher).
- If a second degree student, prerequisites for nursing, University requirements for a second degree, and two courses in upper division nursing and an undergraduate statistics course (grade of C or higher) must have been completed.
- Cumulative GPA of 3.00 or higher in course work accepted toward the B.S.N.
- Recommendation of the Graduate Programs Director of the College of Nursing and Health Sciences.

Master of Science in Nursing (MSN)

The graduate program leading to the Master of Science in Nursing degree is designed to prepare nurses to assume leadership and scholarship roles in professional nursing in the areas of nursing education or nursing administration/leadership & management. Students choose an adult-gerontologic or family population focus and functional role preparation in nursing education or administration/leadership & management. After admission to the program, the student must complete approximately 40-41 graduate credits for the MSN degree. Completion of the program usually requires four semesters and a summer and winter session. Individuals interested in pursuing the nurse practitioner or clinical nurse specialist role preparations need to apply to the post-baccalaureate Doctor of Nursing Practice (BSN-to-DNP) degree option, in keeping with the American Association of Colleges of Nursing (AACN) decision to transition advanced practice nursing preparation to the Doctor of Nursing Practice (DNP) degree level.

More specific information is available in the Graduate Catalog or from the Graduate Programs Director, College of Nursing and Health Sciences.

Doctor of Nursing Practice (DNP)

The College of Nursing and Health Sciences offers Doctor of Nursing Practice (DNP) degree options for individuals pursuing education in advanced practice nursing. The DNP is a clinical doctorate designed to prepare nurses to assume leadership roles in the areas of advanced clinical practice nursing (nurse practitioner or clinical nurse specialist) or nursing administration/nurse executive. Both MSN-to-DNP and BSN-to-DNP options are offered. The MSN-to-DNP option includes an advanced clinical practice (for nurse practitioners or clinical nurse specialists) option or a nurse executive option. More specific information is available online (www.uwec.edu/conhs) or from the Graduate Programs Director, College of Nursing and Health Sciences.

NRSG 101 Cultural Bridge I

1 cr. • V • P: Enrollment in HIS grant project.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

Provides an opportunity for students from cultures not widely represented at UW-Eau Claire to develop a beginning familiarity with the College of Nursing and Health Sciences and the University. Assessment of academic skills and provision for financial aid procedures are included.

NRSG 102 Cultural Bridge II

1 cr. • V • P: NRSG 101 or consent of instructor.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

Continues the preparation of students from cultures not widely represented at UW-Eau Claire to enter the nursing major. Emphasis is on enhancing study skills, library skills, writing skills, and scientific reasoning skills.

NRSG 103 Cultural Bridge III

1 cr. • V • P: NRSG 102 or consent of instructor.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

Continues the preparation of students from cultures not widely represented at UW-Eau Claire to enter the nursing major. Emphasis is on continuing development of library skills and writing skills. Preparation for study of scientific field is included.

NRSG 105 Dilemmas of Knowledge in Nursing and Healthcare

1 cr. • F, Sp • GE-V • A-F Grades Only • P: WRIT 116 or concurrent enrollment, or consent of instructor.
Lecture/Discussion Hour: 1 | Lab/Studio Hour: 0

An introductory course on significant problems in nursing and healthcare. Explores ways that knowledge is discovered and used to describe and develop effective solutions.

NRSG 205 Integrating Knowledge for Improving Health

1 cr. • F, Sp • GE-V • A-F Grades Only • P: BIOL 214; BIOL 314 and PSYC 230 or concurrent enrollment.
Lecture/Discussion Hour: 1 | Lab/Studio Hour: 0

Critical thinking and evidence-based practice approaches used to demonstrate how healthcare professionals analyze, integrate, and apply knowledge to challenges ranging from everyday health care practice to global health policy. Simulations and discussions are used.

NRSG 211 Wellness: Food for Fitness

1 cr. • F, Sp, Su • W
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0

Open to all majors.

Introduces nutrition standards and role of nutrients in health. Examines nutrition trends and food industry practices from a consumer's perspective. Emphasizes understanding of personal nutrition and fitness in relation to wellness.
NURSING

NRSNG 212 Navigating Health Care
1 cr. F, Sp, Su W
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Open to all majors.
Emphasis on decision-making in wellness and health care. Includes advocacy for self and others. Consideration of values, financial aspects, effectiveness of choices in promoting wellness. Introduces health care providers and services.

NRSNG 213 Body, Mind, Spirit Wellness
1 cr. F, Sp, Su W
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Open to all majors.
Emphasis on an integrated approach to personal wellness, including the body-mind-spirit relationships. Consideration is given to culture, gender, and socioeconomic perspectives and how treatment modalities and health procedures are applied to personal wellness.

NRSNG 220 The Language of Health Care
1 cr. F, Sp, Su
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Open to all majors.
The study of specialized language and terminology used by health care professionals. The study of roots, word elements, word formation, and analyses.

NRSNG/ENPH 225 Introduction to Public Health
3 crs. V W, CD1; GE-V A-F Grades Only
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Wellness for one credit. Credit may not be earned in both ENPH 225 and NRSNG 225.
Examines population health and disease considering historical and current public health practice. Focus areas include cultural, political, environmental, and socioeconomic influences that increase population vulnerability and risk. Effectiveness of public health interventions is analyzed.

NRSNG 245 Pharmacology for Nursing Practice
3 crs. F, Sp Special Course Fee Required Varies by Term/Section A-F Grades Only P: CHEM 150 or equivalent, or concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Introduces concepts of pharmacologic therapy for collaborative nursing practice. Selected medication categories are studied with emphasis on nursing responsibility, accountability, and safety.

NRSNG 246 Nursing: Pharmacology in Nursing Practice I
1 cr. Su ACCLNRSG; Higher Cost Per Credit A-F Grades Only P: Limited to admitted Accelerated BSN students only. Department Consent Required Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Introduces concepts of pharmacological therapy for collaborative nursing practice. Selected medication categories are studied with emphasis on nursing responsibility, accountability, and safety.

NRSNG 247 Nursing: Pharmacology in Nursing Practice II
1 cr. F, Sp ACCLNRSG; Higher Cost Per Credit A-F Grades Only P: NRSNG 246. Limited to admitted Accelerated BSN students only. Department Consent Required Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Continues development of knowledge about pharmacological therapy for collaborative nursing practice. Selected medication categories are studied with emphasis on nursing responsibility, accountability, and safety.

NRSNG 248 Normal and Therapeutic Nutrition in Nursing Practice
2 crs. F, Sp Special Course Fee Required Varies by Term/Section A-F Grades Only P: CHEM 150 or equivalent or concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Examines role of human nutrition for population health promotion and as therapy for management of altered physiologic states. Addresses sociopolitical, cultural, spiritual, religious, and food quality and safety aspects of nutrition.

NRSNG 255 Interdisciplinary Studies in Health and Health Care
1-3 crs. V GE-V May be repeated for a maximum of 6 credits
• No credit if taken after NNRs 105 with the same title.
Will vary depending upon the specific course being offered.

NRSNG 257 Foundations of Professional Nursing Practice
4 crs. F, Sp Special Course Fee Required Varies by Term/Section A-F Grades Only P: PSYC 230 or concurrent enrollment. MATH 245 or MATH 246 or PSYC 265 or concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Explores caring, holistic aspects of nursing along a historical timeline. Concepts include nursing process, communication, advocacy, licensure, scope of practice, ethics, research, theory, quality, safety, and evidence-based practice. Introduces interdisciplinary collaboration and documentation.

NRSNG/WMNS 265 Women's Health Issues
3 crs. V W, CD1; GE-V
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in NRSNG 265 and WMNS 265. Open to all majors.
Explores a wide range of women's health issues within the context of developmental changes, environmental influences, normal health processes, wellness, and health concerns. Examines health promotion, cultural diversity, and social relations of gender related to women's health.

NRSNG 267 Practicum: Foundational Skills for Nursing Practice
3 crs. F, Sp Special Course Fee Required Varies by Term/Section A-F Grades Only P: BIOL 250; BIOL 314 or equivalent; NRSNG 245 or concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
• Distance education fee for students in Marshfield section.
Introduces nursing process, communication, and teamwork in the context of caring and advocacy. Includes skill development in health assessment and interventions including patient teaching, integrative therapies, and medication administration. Campus and clinical laboratory.

NRSNG 270 Scientific Concepts for Nursing
3 crs. V W
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Focuses on application of various scientific concepts as they specifically relate to nursing practice. Content arranged to coordinate with body systems and functions.

NRSNG 285 Men's Health Issues
3 crs. V W
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Open to all majors.
Explores issues related to men's health with a focus on wellness and prevention of health problems. Major contemporary men's health issues and concerns from diverse racial, cultural, class, sexual orientation, religious, social, and ability/disability perspectives will be addressed.

NRSNG 295 Directed Studies
1-3 crs. V May be repeated for a maximum of 6 credits P: Instructor Consent Required
Study of problems or special areas in or related to nursing.

NRSNG 297 Teaching Apprenticeship
1-3 crs. V May be repeated P: Student who has completed the prerequisites as well as the course in which the student will be an apprentice, with grades of B or above. Department Consent Required Limited to nursing majors admitted to Accelerated BSN program.
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Continues development of knowledge about pharmacological therapy for collaborative nursing practice. Selected medication categories are studied with emphasis on nursing responsibility, accountability, and safety.

NRSNG 298 Independent Study
1-3 crs. V May be repeated P: Limited to nursing majors admitted to College of Nursing and Health Sciences. Minimum sophomore standing. Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Continues development of knowledge about pharmacological therapy for collaborative nursing practice. Selected medication categories are studied with emphasis on nursing responsibility, accountability, and safety.

NRSNG 299 Independent Study
1-3 crs. V May be repeated P: Limited to nursing majors admitted to College of Nursing and Health Sciences. Minimum sophomore standing. Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Continues development of knowledge about pharmacological therapy for collaborative nursing practice. Selected medication categories are studied with emphasis on nursing responsibility, accountability, and safety.

NRSNG 300 Travelers' Health
1 cr. V
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Open to all majors.
Encompasses pre-travel preparations to post-travel considerations for travel to developing and industrialized countries. Covers commonly encountered illnesses, prevention, and treatments. Empowers learners to be prepared, self-reliant, healthy, and globally-, culturally- and environmentally-aware travelers.

NRSNG 303 Foundations of Professional Nursing and Nursing Practice
7 crs. Su ACCLNRSG; Higher Cost Per Credit A-F Grades Only P: Limited to students admitted to the Accelerated BSN program. Department Consent Required
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 3
• Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule.
Introduces and applies concepts of caring, advocacy, therapeutic communication, clinical decision-making, health history, physical assessment, group process, documentation, and teaching/learning from a nursing perspective.

NRSNG 304 Wound Care Associate
1 cr. V P: Limited to BSN majors. (Prerequisite not applicable for RNs from the community.) Department Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 0
• Registration restricted to Registered Nurses and BSN students. Must be simultaneously registered for the Wound Care Associate course with UW-Eau Claire Continuing Education. No credit toward BSN degree at UW-Eau Claire.
Introduction to basic principles of skin injury prevention, wound assessment, and wound care. Focuses on collaborative care for patients with acute and chronic wounds. Didactic and clinical skill components.
NRSG 317 Practicum: Advanced Skills for Nursing Practice
4 crs. • F; Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 267. Limited to nursing students admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
• Distance education fee for students in Marshfield section.
Focuses on developing advanced nursing skills within the context of holistic practice. Emphasizes underlying theory. Practicum incorporates clinical reasoning, ethical practice, and implementation of advanced skills with an adult population. Campus and clinical laboratory.

NRSG 325 Human Concepts and Responses to Health and Health Deviations I
5 crs. • Su • ACCLNRSG; Higher Cost Per Credit • A-F Grades Only • P: Limited to students admitted to the Accelerated BSN program. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 2
• Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule.
Clinical decision-making related to care of adult health and health deviations. Focuses on selected nursing skills. Emerging and conventional independent and interdependent health enhancing interventions examined.

NRSG 327 Nursing Leadership and Systems I
3 crs. • F; Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 257. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Examines national healthcare systems and models of care, healthcare financing and regulation, collaboration, conflict management, leadership, delegation, and organizational cultures, models and theories.

NRSG 333 Wellness in the Work World
3 crs. • V • W; GE-V; SL-Half
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 1
Emphasis is on wellness in the work environment. Theories, research, and outcomes of wellness in the work environment are explored and students participate in an experiential wellness plan within an identified work environment.

NRSG 337 Nursing Care of Adults and Older Adults I
3 crs. • F; Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 317 or concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Focuses on selected areas of nursing in the care of adults and older adults. Introduces basic concepts of psychiatric mental health nursing. Focus is on nursing care of adults and older adults with application of evidence-based practice and nursing process for select acute and chronic conditions.

NRSG 340 Introduction to Professional Nursing
2 crs. • Su • ACCLNRSG; Higher Cost Per Credit • A-F Grades Only • P: Limited to students admitted to the Accelerated BSN program. • Department Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule.
Introduction to the professional discipline of nursing, including nursing's historical evolution. Ethical decision-making and standards of care and practice are emphasized. Nursing, theory, research, and evidence-based practice are introduced.

NRSG 347 Psychiatric and Mental Health Nursing
2 crs. • F; Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 337 concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Introduces basic concepts of psychiatric mental health nursing. Focus is on theory- and evidence-based mental health promotion for at-risk populations and nursing care of people diagnosed with mental illnesses.

NRSG 357 Nursing Care of Adults and Older Adults II
4 crs. • F; Sp • Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 347. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Continued examination of nursing care of adults and older adults with application of evidence-based practice and nursing process for select acute and chronic conditions.

NRSG 359 Practicum: Nursing Care of Adults and Older Adults
2 crs. • F; Sp • A-F Grades Only • P: NRSG 357 concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
Focuses on use of the nursing process to give holistic theory- and evidence-based care to acutely ill adult and older adult patients and their families. Emphasizes therapeutic communication, intraprofessional collaboration, and clinical reasoning. Clinical laboratory.

NRSG/SW 360/560 Death and Bereavement
3 crs. • V • W; GE-V; Field Trip(s) Required • P: SOC 101 or PSYC 100 or consent of instructor. Minimum sophomore standing.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Credit may not be earned in both SW 360/560 and NRSG 360/560. No credit if taken after SOC 318, PSYC 339 or SW 350.
Through the study of current theory and research, this interdisciplinary course is designed to facilitate student understanding of death and bereavement from a lifespan, family, and cultural perspective.

NRSG 367 Community and Public Health Nursing
3 crs. • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 327; NRSG 357 concurrent. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Explores community-based practice and public health nursing practice with populations at risk and local and global communities as a whole. Key concepts include epidemiology, health promotion, disease prevention, risk reduction, harm reduction, and evidence-based practice.

NRSG 375 Pharmacotherapeutics and Pathophysiology for Allied Health Professionals
3 crs. • F; Sp • P: KINS 304 and 308 or BIOL 214 and 314.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• No credit toward nursing major.
This course provides a basic understanding of disease processes and basic pharmacology for allied health professionals. Common medical and non-medical management will be introduced from a consumer perspective. Collaboration with the client and other health care professionals in optimizing the client's health will be integrated throughout the course.

NRSG 376 Nursing Care of Women, Infants, and Families
3 crs. • F; Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 367 concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Examines evidence-based nursing care with individuals and families experiencing pregnancy, birth, and care of the newborn. Examines human responses from theoretical and cultural perspectives. Health promotion and illness prevention are emphasized.

NRSG 377 International Dimensions of Health Care
3 crs. • V • P: NRSG 212
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Open to all majors.
Explores health care delivery systems in selected foreign countries as compared to the United States. Examines the cultural, social, political, economic, and environmental factors influencing the development of these systems. May involve international immersion.

NRSG 389/589 Cross Cultural Health
3 crs. • V • CD3 • P: GEOG 111 or SOC 101 or ANTH 161 or consent of instructor. Open to all majors.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Enhances insight and understanding of the impact of culture on health, illness, and wellness within the Black/African American, Hispanic/Latino, Asian/Hmong, and Native American cultures. Analyze and synthesize information to develop culturally congruent health care.

NRSG 395 Directed Studies
1-3 crs. • V • May be repeated • P: Limited to nursing majors admitted to College of Nursing and Health Sciences. • Department Consent Required
Study of problems or special areas in or related to nursing.

NRSG 397 Teaching Apprenticeship
1-2 crs. • V • May be repeated for a maximum of 4 credits • P: NRSG 240 as well as the course in which the student will be an apprentice, with grades of B or above. Limited to nursing majors admitted to College of Nursing and Health Sciences. • Instructor Consent Required
Qualified students, selected and supervised by faculty, will facilitate teaching and learning in specific course(s). Apprentices enhance their knowledge of nursing and ability to communicate that knowledge to other students.
NURSING 417 Health Care Systems as Context for Professional Practice II 4 crs. • Sp • Higher Cost Per Credit; ACCLNRSR; Higher Cost Per Credit • A-F Grades Only • P: NRSG 416. Limited to students admitted to the Accelerated BSN program. • Department Consent Required Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0 • Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule. Examines the impact of economic, political, and societal forces, and diversity on health care systems and professional practice. Management functions and skills in inter-collegial communication are emphasized. Nursing informatics is introduced. Explores self as professional.

NURSING 424 Nursing Leadership and Systems II 3 crs. • FSp • Field Trip(s) Required; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 367. Limited to nursing majors admitted to College of Nursing and Health Sciences. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • Distance education fee for students in Marshallfield section. Examines role of nursing professional in influencing and developing policy within systems at the unit, local, state, national, and global levels. Key concepts include change, power, management, managerial ethics, quality improvement, safety, informatics, and technology.

NURSING 425 Nursing Care of Children, Adolescents, Expanding Families, Families, and Communities 7 crs. • F • Higher Cost Per Credit; ACCLNRSR; Higher Cost Per Credit • A-F Grades Only • P: NRSG 303, 325, and 340. Limited to students admitted to the Accelerated BSN program. • Department Consent Required Lecture/Discussion Hours: 7 | Lab/Studio Hours: 0 • Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule. Course emphasizes principles of health promotion, illness prevention, and epidemiology in relation to care of children, adolescents, expanding families, families, and communities. Selected political, legal, economic, cultural, spiritual, and biopsychosocial issues are examined.

NURSING 426/626 Contemporary Issues in Critical Care 3 crs. • F • Special Course Fee Required Varies by Term/Section • P: NRSG 352, or consent of instructor. Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0 • Distance education fee for students in Marshallfield section. The complexity and impact of critical illness/injury on patients, families, and nurses are examined. Selected pathophysiological, care priority, and multidisciplinary considerations are analyzed within the context of the health care delivery system. Observational clinical may be included.

NURSING 427 Nursing Practice: Children, Adolescents, Expanding Families, Families, and Communities 2 crs. • F • Higher Cost Per Credit; ACCLNRSR; Higher Cost Per Credit • A-F Grades Only • P: NRSG 303, 325, and 340. Limited to students admitted to the Accelerated BSN program. • Department Consent Required Lecture/Discussion Hours: 4 | Lab/Studio Hours: 2 • Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule. Focuses on nursing clinical decision-making process and application of knowledge of health promotion and illness prevention while caring for children, adolescents, expanding families, families, and communities.
NRSG 446 Nursing Care of Children and Families
4 crs. • F, Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 378; NRSG 446 concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Examines evidence-based nursing practice with children and families experiencing acute and chronic illness. Key concepts include growth and development, health promotion, safety, quality, family-centered care, physiological, psychological, and socioeconomic factors, diversity, and ethical dilemmas.

NRSG 447 Practicum: Nursing Care of Children and Families
2 crs. • F, Sp • A-F Grades Only • P: NRSG 378; NRSG 446 concurrent enrollment. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 2
• Field trips may be required.

NRSG 448 Comparative Study in Nursing and Health Care
3-4 crs. • V • P: NRSG 240 or consent of instructor. Limited to nursing majors admitted to College of Nursing and Health Sciences. • Instructor Consent Required
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 0
A study of human beings, their health problems, and the roles of providers and consumers in the health care system of another country.

NRSG 450 Health Care in Rural Areas
3 crs. • V • SL-Full • P: Minimum senior standing. • Instructor Consent Required
Lecture/Discussion Hours: 1 | Lab/Studio Hours: 2
Introduction to the professional and personal opportunities inherent in rural health care practice. Clinical laboratory.

NRSG 454 NCLEX Review Course
2 crs. • F, Wi, Sp, Sul, Sum • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 435 corequisite or consent of instructor. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Course assists students to complete comprehensive review of key domains of nursing and nursing practice content. Includes nursing content, test-taking strategies, test question practice, and application of test-taking anxiety reduction strategies.

NRSG 455 Advanced Interdisciplinary Studies in Health and Health Care
1-3 crs. • V • CE-V • May be repeated for a maximum of 6 credits • P: Minimum junior standing.
• No credit if taken after the same course with the same topic/title.
Will vary depending upon the specific course being offered.

NRSG 457 Nursing Care of Chronically Ill Patients and Their Families
3 crs. • F, Sp • Field Trip(s) Required. Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 446. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Focuses on holistic nursing care of patients and families experiencing chronic conditions. Key concepts include healthy adaptation to chronic illness, self-management, disability, frailty, loss and grief, end-of-life care, family caregiving, and evidence-based practice.

NRSG 458 Contemporary Issues in Professional Nursing
2 crs. • Sp • CP; Field Trip(s) Required. ACCLNRSG; Higher Cost Per Credit • A-F Grades Only • P: NRSG 417. Limited to students admitted to the Accelerated BSN program. • Department Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule.
Contemporary issues in professional nursing are examined using critical thinking and focusing on professional role development. Health care needs in a global society and interactions within complex, collaborative health care systems are emphasized.

NRSG 460 Transition to Professional Nursing Practice
8 crs. • Sp • CP; ACCLNRSG; Higher Cost Per Credit • A-F Grades Only • P: NRSG 417. Limited to students admitted to the Accelerated BSN program. • Department Consent Required
Lecture/Discussion Hours: 4 | Lab/Studio Hours: 4
• Students in the accelerated nursing program are assessed a higher cost per credit than those enrolling in traditional BSN courses. For specific course fees, please refer to the course schedule.
Clinical decision-making, leadership and research utilization are integrated with management of multiple patients requiring complex care. Discussion and reflection focus on collaborative relationships within health care systems. Transition to professional nursing practice is emphasized.

NRSG 467 Seminar: Innovative Solutions to Complex Healthcare Problems
2 crs. • F, Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 422, 432, and 438. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Seminar Hours: 2 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Focuses on designing effective systems approaches to meet needs of diverse populations with complex healthcare problems and ethical issues. Emphasizes critical and creative thinking, clinical reasoning, problem solving, collaboration, leadership, and ethical practice. Seminar.

NRSG 470 Nursing: Professional Practice within Systems
2 crs. • F, Sp • CP; Field Trip(s) Required. Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 470 or concurrent registration. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
• Distance education fee for students in Marshfield section.
Senior capstone. Emphasis on synthesis of concepts and theories, research utilization, critical thinking, and professional roles. Focuses on health care needs of a global society and nursing’s interactions within complex interdisciplinary health care systems.

NRSG 472 Nursing Practice: Application and Reflection
7 crs. • F, Sp • SL-Full; CP: Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 470 or concurrent registration. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 4
• Distance education fee for students in Marshfield section.
Senior capstone. Refinement of and reflection on clinical decision-making, leadership, and research processes. Management of nursing care for groups of clients across the lifespan in various settings. Transition to role of beginning professional nurse.
NRSG 477 Practicum: Nursing Leadership II
4 crs. • F, Sp • A-F Grades Only • P: NRSG 424. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 0 | Lab/Studio Hours: 4
Focuses on achieving beginning competence in professional nursing practice. Integrates liberal education, leadership, scholarship, and professionalism with clinical reasoning, caseload management, organizational quality improvement, and reflective practice. Clinical laboratory in acute settings.

NRSG 485 Transition to Professional Nursing Practice
3 cr. • F, Sp • Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: NRSG 477. Limited to nursing majors admitted to College of Nursing and Health Sciences.
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Address issues and strategies to launch and maintain a successful professional nursing career.

NRSG 495 Directed Studies
1-3 cr. • V • May be repeated • P: Limited to nursing majors admitted to College of Nursing and Health Sciences. • Department Consent Required
Study of problems or special areas in or related to nursing.

NRSG 497 Teaching Apprenticeship
1-3 cr. • V • May be repeated for a maximum of 6 credits • P: Student who has completed the prerequisites as well as the course in which the student will be an apprentice, with grades of B or above. • Department Consent Required
Qualified students, selected and supervised by faculty, will facilitate teaching and learning in specific course(s). Apprentices enhance their knowledge of nursing and ability to communicate that knowledge to other students.

NRSG 499 Independent Study
1-3 cr. • V • May be repeated • P: Limited to nursing majors admitted to College of Nursing and Health Sciences. Minimum senior standing. • Department Consent Required

CND 310 Bridge to Professional Nursing
2 crs. • F, Sp • CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • Department Consent Required
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 0
Introductory course for the BSN completion students with emphasis on self as a professional and the context of the discipline of professional nursing.

CND 407 Foundations of Professional Nursing Practice
3 crs. • F, Sp • CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to BSN completion program students admitted to the College of Nursing and Health Sciences. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Philosophical perspectives, theories, and standards are applied to the practice of professional nursing. Factors influencing nursing/health care delivery are analyzed. Professional communication skills are enhanced. This is a writing emphasis course.

CND 441 Chronic Care Management
3 crs. • F, Sp • CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to BSN completion program students admitted to the College of Nursing and Health Sciences. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Exploration of interaction of biological, psychological, social, and environmental factors important to understanding management of chronic conditions at the individual, family, community, and societal levels.

CND 446 Research and Evidence-Based Practice
3 crs. • F, Sp • CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to BSN completion program students admitted to the College of Nursing and Health Sciences. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
This course introduces the importance of research to improve clinical practice, strategies to evaluate the quality of research and evidence, and increase integration of research into practice.

CND 447 Leadership & Management
3 crs. • F, Sp • CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to BSN completion program students admitted to the College of Nursing and Health Sciences. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Examines nursing leadership and management using relevant theories and concepts. Analyze decision-making in relation to communication, delegation, supervision and group process.

CND 453 Information Management and Healthcare Technology
3 crs. • F, Sp • CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to BSN completion program students admitted to the College of Nursing and Health Sciences. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Utilize computer and information/decision science to support quality and safety in health care. Explores informatics issues and examines nursing's role in healthcare technology. Opportunities to use and master various healthcare technologies and healthcare data.

CND 454 Community Health Nursing
3 crs. • F, Sp • CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • A-F Grades Only • P: Limited to BSN completion program students admitted to the College of Nursing and Health Sciences. • Department Consent Required
Lecture/Discussion Hours: 3 | Lab/Studio Hours: 0
Nursing care of populations and communities to facilitate optimal health outcomes.

CND 480 Nursing within Systems: Analysis and Application
4 crs. • F, Sp • SL-Full; CP; CND; Special Course Fee Required Varies by Term/Section • P: CND 310 and CND 407. Limited to BSN completion program students admitted to the College of Nursing and Health Sciences.
Lecture/Discussion Hours: 2 | Lab/Studio Hours: 2
Capstone course for BSN completion students. Focuses on provision of quality care within a global and culturally diverse society, leadership within interdisciplinary systems of care, and provision of care in public health or community settings.

CND 490 Special Topics
2-4 crs. • F, Sp • CDV; CND; Higher Cost Per Credit; Special Course Fee Required Varies by Term/Section • May be repeated for a maximum of 12 credits • Department Consent Required
Variable content course designed to allow either breadth of study in topics not covered in core nursing courses or depth of investigation in particular nursing and health care issues. Interests of faculty provide topics.

CND 495 Directed Studies
1-3 cr. • V • May be repeated for a maximum of 6 credits • P: Limited to BSN completion program students. Minimum senior standing. • Department Consent Required

CND 499 Independent Study
1-3 cr. • V • May be repeated for a maximum of 6 credits • P: Limited to BSN completion program students. Minimum resident and total GPA of 3.00. Minimum senior standing. • Department Consent Required
Graduate Studies

MICHAEL R. WICK, ASSOCIATE VICE CHANCELLOR FOR ACADEMIC AFFAIRS AND DEAN OF GRADUATE STUDIES (SCHOFIELD 212) 715-836-2721

UW-Eau Claire undergraduate students may take a limited number of graduate courses by special arrangement. (See Enrollment of Undergraduates for Graduate Credit.)

The following graduate degrees are offered at UW-Eau Claire. Further information about each degree can be found in the Graduate catalog. Applications for graduate study are available from the Office of Admissions, Schofield 112, 715-836-4733.

Degree Programs

The Doctor of Nursing Practice (DNP) is a clinical doctorate designed to prepare nurses to assume leadership roles in the areas of advanced practice nursing (nurse practitioner or clinical nurse specialist) or nursing administration/nurse executive. Both post-master’s (MSN-to-DNP) and post-baccalaureate (BSN-to-DNP) options are offered. Post-baccalaureate DNP students choose either an adult-gerontologic or a family population focus in addition to a role preparation (nurse practitioner, clinical nurse specialist, nurse administrator/nurse executive). More specific information is available in the UW-Eau Claire Graduate catalog.

The Master of Arts (MA) degree program is for persons who have substantial preparation in the discipline in which the degree is sought, and who wish to develop their capability in the discipline for further graduate study, for classroom instruction, for another professional role, or for self-enrichment. Master of Arts programs are available in English and history.

The Master of Business Administration (MBA) is designed to offer a broad-based background in administration, focusing on the knowledge and skills necessary for the successful leader-manager. Primarily an evening program, it allows both part-time and full-time students of varied backgrounds to complete the degree within the limits of their time demands.

The Master of Education-Professional Development (MEPD) degree provides for the enhancement of professional competencies in education for experienced, certified educators. It is designed for individualized continuing education to assist educators in the development of competencies that relate specifically to their job needs and to their professional growth. A specific emphasis is available for library science and media education. To be admitted to a MEPD program an applicant must have a minimum of two years teaching experience or equivalent.

The Master of Science (MS) degree program is for persons who have substantial preparation in the discipline in which the degree is sought, and who wish to develop their capability in the discipline for further graduate study, for classroom instruction, or for another professional role. The Master of Science program is available in communication sciences and disorders as a full-time on-campus or part-time online program.

The Master of Science in Education (MSE) is offered in school psychology. This degree is given in school psychology at the completion of the first year of the three-year Specialist in Education Degree program described below. The MSE in Special Education is not currently accepting applications.

Master of Social Work (MSW) is offered by the University of Wisconsin-Madison School of Social Work on the University of Wisconsin-Eau Claire campus in cooperation with the Department of Social Work. The MSW program offers a social problem and social issues focus to the education and preparation of students as advanced practitioners and leaders across the fields of social work practice. Students find that the teaching of practice, knowledge, values, and skills with an analytic approach fosters the ability to acquire and translate knowledge into sound professional social work practice with individuals, families, groups, communities, and organizations. The MSW program offered on the UW-Eau Claire campus is part-time and is designed to allow students who are not able to pursue full-time study to work toward an MSW degree on a structured time-extended basis.
The Specialist in Education (EdS) degree is offered in school psychology. This three-year program includes two years of full-time on-campus study, and a one-year, full-time internship. By earning this degree, students meet all of the requirements for certification by the State of Wisconsin as a school psychologist and become eligible for National Certification in School Psychology. After successful completion of the first year of the program (31 credits of study and a passing grade on a comprehensive examination) students are awarded the Master of Science in Education Degree.

The Master of Science in Nursing (MSN) degree is designed to prepare students in adult-gerontologic or family health nursing to assume leadership and scholarship roles in advanced professional nursing. Students are prepared for roles in nursing education or nursing administration/leadership & management. After admission to the program, students complete approximately 40-41 graduate credits for the MSN degree. Individuals interested in pursuing the nurse practitioner, clinical nurse specialist, or administration/nurse executive role preparations may apply to the post-baccalaureate Doctor of Nursing Practice (BSN-to-DNP) degree option, in keeping with the American Association of Colleges of Nursing (AACN) decision to transition advanced nursing preparation to the Doctor of Nursing Practice (DNP) degree level. More specific information is available in the UW-Eau Claire Graduate Catalog.

The Master of Science in Teaching (MST) is for students who have met requirements for certification as teachers in their undergraduate study and for experienced teachers who wish to pursue the master degree in a field of teaching. Program emphases are available in elementary education, English, and reading.

Admission Requirements and Regulations
Applications for admission may be obtained from the Admissions Office and should be submitted at least 30 days prior to the planned date of initial registration in courses. Some programs have earlier dates. Check the respective program description in the Graduate catalog.

Full Standing: Applicants whose undergraduate GPA from their baccalaureate degree granting institution is 2.75 (a grade of A equals four points) or higher or whose GPA for the last half of undergraduate work is 3.0 or higher may be admitted with full standing to a particular graduate program upon recommendation of the Program Director, College Dean, and Graduate Dean. Additional requirements may be specified by particular degree programs.

Conditional: Applicants whose undergraduate GPA falls below 2.75, or who are currently completing a baccalaureate degree, or who have not met the prerequisite requirements for admission to a program, may be admitted as conditional students upon recommendation of the Program Director, College Dean, and Graduate Dean, when other sufficient evidence of ability to carry out graduate work is available. Additional conditions or requirements for admission also may be specified by particular degree programs.

Admission as a “graduate special” student is possible. Special Students are individuals who take classes for credit but are not pursuing a degree.

Complete information is available in Schofield 112, or by calling 715-836-4733.

Graduate Financial Aid Information
A variety of financial aid programs is available to students who are admitted to graduate programs at UW-Eau Claire. Interested students should make inquiries during their junior year, and they are encouraged to initiate the application procedures at the beginning of the senior year.

An application for graduate fellowships, assistantships, and Advanced Opportunity Program awards for economically disadvantaged and minority students may be found at: www.uwec.edu/Admissions/graduate/fininfo.htm.

The Director of the Center for International Education assists students in applying for grants for study in other countries and the Fulbright Graduate Study Abroad Program. Information about loans, work-study employment, or other forms of need-based financial aid may be obtained from the Financial Aid Office, Schofield 115, 715-836-3373.

### ABBREVIATIONS

“Not for GE.” If a GE category is not listed, the course is not for GE.

### Grading Basis

“All Grades,” which is defined as A-F Grades, Audit Allowed, and S/U Allowed, is the typical Grading Basis for the majority of courses in this catalog, and is not specified explicitly in catalog course descriptions. Exceptions to “All Grades” are specified explicitly in the catalog course descriptions as follows:

<table>
<thead>
<tr>
<th>Grading Basis</th>
<th>Grading Basis Definition</th>

</thead>
<tbody>
<tr>
<td>A-F Grades Only</td>
<td>A-F Grades Only, Audit Not Allowed, Satisfactory/Unsatisfactory (S/U) Not Allowed</td>
</tr>
<tr>
<td>No Audit</td>
<td>Audit Not Allowed</td>
</tr>
<tr>
<td>No S/U Grade Option</td>
<td>Satisfactory/Unsatisfactory (S/U) Not Allowed</td>
</tr>
<tr>
<td>S/U Only Grade Basis</td>
<td>Satisfactory/Unsatisfactory (S/U) Grades Only</td>
</tr>
</tbody>
</table>

##grading Basis

**NOTE:** Starting in the 2012-2013 catalog, courses will no longer be listed as "Not for GE." If a GE category is not listed, the course is not for GE.
INDEX

A
Abbreviations, 288
Absence Policy, See Class Attendance Policies
Academic Advising, See Advising and New Student Initiatives and Undergraduate Advising at UW-Eau Claire
Academic Buildings, 6
Academic Concentrations, 42, 49
Academic Distinction, 36
Academic Forgiveness, 39
Academic Goals of University, 4
Academic Intervention Clinic, 19
Academic Leave (Student), 37
Academic Organizations, Student, 30
Academic Policies and Regulations, 33
Academic Probation, 38
Academic Skills Center, 20
Academic Standing and Progress, 38
Academic Support Services. See Strategic Enrollment
Academic Testing, 20
Academic Warning, 38
Accelerated B.S.N., 277
Accounting and Finance, 211, 212, 215
150-hour Requirement, 211
Audit and Control Minor, 211
Accreditation, 8
Activities, Involvement, and Leadership, Office of, 25
Activities (Student), 27
Activity Credit, 50
Actuarial Science, 156
Advisers, 20, 49, 50
Advising and New Student Initiatives, 20
Academic Testing, 20
Advising, 20
First Year Experience, 20
New Student Orientation, 20
Nontraditional Student Services, 20
Advising, Undergraduate, 49
Philosophy, 49
Structure, 49
Responsibilities, Student, 50
Responsibilities, Adviser, 50
Affirmative Action Office, 1
American Indian Studies, 82, 83
American Sign Language Certificate (CSD), 258, 238
Ancient Studies Minor, 69
Anthropology, 123, 127
Appeal of Suspension, 38, 39
Applicability of Credits for Graduation, 50
Application for Graduation, 50
Applied Economics, 111
Applied Math, 156
Applied Physics, 182
Archives, University, 16
Area Research Center (ARC), 16
Art & Design, 28, 85, 87
Art & Design Education, 86
Art History, 85, 86, 90
Art Shows, 28
Artists Series, 27
Arts and Sciences, College of, 54
Assessment of Student Academic Achievement, 35
Assessment, University, 4
Associate Degree, 60
Astronomy, 182
Athletic Organizations. See Athletics, Sport Clubs and Teams
Athletic Training, 262
Athletics, 29
Attendance Policies, 35
Auditing Courses, 11, 34
Auditoriums, 5
B
Baccalaureate Degrees, Requirements for, 42
Bachelor of Arts Degree
  College of Arts and Sciences, 8, 55, 57
  College of Education and Human Sciences, 8, 238
Bachelor of Business Administration Degree, 8, 206, 210, 221
Bachelor of Fine Arts Degree, 8, 55, 59, 86, 87
Bachelor of Liberal Studies, 8, 55, 58
Bachelor of Music Degree, 8, 55, 59, 162
Bachelor of Music Education Degree, 8, 162
Bachelor of Professional Studies, 8, 55, 58, 66, 67
Bachelor of Science Degree
  College of Arts and Sciences, 8, 55, 57
  College of Education and Human Sciences, 8, 238, 255
Bachelor of Science in Environmental Public Health Degree, 8, 55, 60, 197
Bachelor of Science in Nursing Degree, 8, 271, 275
Bachelor of Social Work Degree, 8, 238, 267
Background Checks, 238, 272
Behavior Analysis (Psyc), 191
Biochemistry/Molecular Biology Comprehensive Major, 63, 92, 99
Biology, 91, 92
Bird Museum, 7
Blugold Beginnings, 23
Blugold Card Services, 26
Blugold CareerLink, 21
Blugold Dining, 26
Blugold Fellowship Program, 22
Blugold Insider, 17
Bookstore, 26
Bowling and Billiards Center, 29
Broadfield Science Licensure, 67, 68, 92
Broadfield Social Studies Licensure, 68, 69
B.S.N. Completion Program, 277
Buildings (Campus), 5, 6, 7
BUSCORE, 207
Business Administration, 206, 221, 222, 230
Business, College of, 205
Business Communication, 216, 217
Certificate Program, 216, 206, 222
Business Economics Comprehensive Major, 112, 210
Business Finance, 212
Business Writing Fundamentals Program, 216
Cabin Committee, 27  
Calendar, 2  
Campaign Consulting Certificate (Pols), 187
