Present: Lisa Johnson, James Little, Brittany Zold, Bruce Ouderkirk, Earl Shoemaker

1. Positions: A sheet with descriptions of the officer positions was distributed, and we discussed the roles and responsibilities of various positions. Brittany reminded everyone that the positions have two-year terms.

2. Facebook: James Little is in the process of setting up a Facebook page for the Alumni Network. Bruce will provide him with lists of recent SSS graduates and a list of those who are current Alumni Network members.

3. Newsletter: Earl requested that each officer write up a brief bio/greeting to be included in the next Alumni Newsletter, which he is preparing now. Please contact Earl for further information.

4. Social Activity: For a fall social activity, the Alumni Network will plan to be involved in the SSS Sophomore Career Seminar, scheduled for Sept. 30 and Oct. 1 in the Dulany Inn at Davies. Bruce will assist Brittany Zold and Lisa Johnson to get in touch with Faith Pawelski, who will be facilitating the seminar.

5. Scholarship: The organization would like to set up an SSS Alumni Scholarship through the UW-Eau Claire Foundation. Brittany Zold will seek input from the whole Leadership Team regarding what criteria should be established for awarding the scholarship.

6. Career Fair: Brittany suggested that in the future, the organization might want to be involved with a campus career fair. We may invite someone from the Career Services office to come to our next meeting to discuss this further.

7. Next Meeting: Brittany will send out information about the specific dates of future meetings.
