Report of the President
Last week I didn’t get much accomplished as I was out sick for most of the week. Today, the Search and Screen for the News Bureau Director met and have discussed the next stage in our hiring process. The Cabinet meeting will be tomorrow and we will be discussing flexibilities within the system, including the New Badger Partnership. The University Student Center Steering Committee will be meeting to discuss the next stage of construction. Director Sias has set up a meeting to put the finishing touches on the HFA 24/7 Access Project, which I will attend. Finally, I have my one-on-one with the Chancellor this week, so if there is anything you would like on his radar, please let me know. Finally, the Senator of the Week is someone who does tireless work for all of us, including compiling all the attendance and other housekeeping duties over the winter break when she wasn’t required to work, and even while she was on the Civil Rights Pilgrimage. The Senator of the Week is Chief of Staff Tweedale.

Dylan Jambrek

Report of the Vice President
Hello Everyone-

This past weekend at Student Reps President Jambrek and I heard a presentation for the head of a UW System Committee on health insurance for UW Students. The committee talked about its findings and its recommendations, if you would like to know more please talk to me and I would be happy to share that information with you. The Assessment Director search that I sat on last semester will be beginning its work again after several candidates for the position declined our offer.

Congratulations to our new Parliamentarian, Ben Streeter. We will now be searching for a new RHA liaison, the hope is to find somebody right away at this Wednesday’s meeting. Finally, the Vacancies committee will begin its interviews this week to fill our vacant Senator spots, hopefully we will
Report of the Chief of Staff

There is one service hour which you will have the next two weeks to complete. The service hour is to meet with Jacob Kampe to discuss the proposals that will be included in the 2011-12 Organized Activities budget bill, as well as to ask any questions about the recommended proposals. This bill will be introduced at the Senate meeting on February 7. Please note that we will not be voting on this bill until the February 14 Senate meeting.

Director Kampe will be available in the Senate Office at the following times:
- Wednesday, February 2, 2:30-3:30pm
- Thursday, February 3, 10:00-11:00am
- Monday, February 7, 2:30-3:30pm
- Tuesday, February 8, 10:00-11:00am

Be sure to plan to meet with Director Kampe for an hour at one of the times listed above.

Additionally, we have recruited more students to become involved in Senate through commissions at the BluGold Organization Bash. I encourage you to let others you think might be interested in a certain commission to get involved as well!

Report of the Academic Affairs Commission Director

Meets Wednesdays at 3:00 pm in the Oak Room

The Academic Affairs Commission will be meeting this Wednesday at 3 p.m. in the Oak Room. If this time does not work for anyone interested in joining or maintaining membership in Academic Affairs, please just let Director Morgan know and accommodations will be made. During Wednesday's meeting we will be discussing the new UW transfer policies, different ideas for academic oriented reforms to pursue throughout the rest of the year, and also the Badger Initiative/"Prosperity Agenda" and what it means for our campus.

Updates: The Academic Policies Committee returned the suggested GE reforms from the ULEC requesting that ULEC pursue a more comprehensive approach to GE reform. ULEC has released a draft of its liberal education principles that it will pursue while developing a comprehensive reform plan for general education. APC considered a proposal from Materials Science to add "Mathematics of Materials Emphasis" to the Materials Science major. Finally, the UW system adjusted its transfer policy to clarify certain entrance requirements, and also to streamline the process by which students from the WTCS would be able to continue their education at 4-year UW schools.

Announcements

Tweedale: There is still a pretty full box of polos in the Student Senate office. These need to be paid for and picked up ASAP.

Jambrek: If any of you are thinking about running for President, stop by my office and have a chat with me so you know what you are getting yourself into.

Rynish: The student reps met over the weekend. One of the topics discussed was health insurance for students. Second, legislation needs to be turned in on time. Late legislation costs the student senate more money.
Sias: The financial aid distribution is on the top of ITC’s list for fixing ASAP.

Kampen: Be aware that the budget bill is coming up for vote soon.

Ponkratz: If you are interested in joining AIASIC, there is an informational session on February 1, 2, and 3.

Tweedale: Remember to turn in your yellow schedule/contact cards to Colleen!

Martin: Forensics took 2nd and 3rd this past weekend.

**Adjournment**

The meeting was adjourned at 8:44 pm by President Jambrek.
