Meeting Minutes

1. Approval of minutes of October 6, 2014
   - Motion to approve minutes of October 6, 2014, seconded, approved as distributed.

2. Discussion: Should a learning experience satisfy more than one learning outcome within an LE Goal (Knowledge, Skills, or Values)?
   - Not looking for a rule, there will always be exceptions, helpful for campus to know how the majority of ULEC feels
   - Okay with more than one learning outcome as long as it is articulated in application, explanation as to how the experience satisfies more than one
   - Discussion surrounding whether a course could possibly request two of the same learning outcome
   - K3 and K4 are not significantly different, there isn't a measurable difference, if courses fit comfortably under both it's a problem, very much opposed to one course requesting both K3 and K4; K3 and K4 are art and humanities, always thought art was a part of humanities, any K3s are automatically K4s
   - Would be doing a disservice to students to assign both R1 and R2 to one course
   - It really depends on the course proposal, ULEC is still learning, it's not easy to see from a syllabus whether the rigor and intensity is going to be enough
   - Straw poll was a tie (6-6), will take discussion into account in FAQs

3. Consideration of Course Proposals/Revisions for GE/LE Designation
   - Motion to approve the change in course designation for ENPH 150 from GE-V to GE-IIF beginning in Spring 2015, seconded, approved unanimously
   - Motion to approve ENGL 272, ENGL/WMNS 296, and HIST/AIS 240 for inclusion in the LE Core under the K3 learning outcome, seconded, approved unanimously
   - Motion to approve ENGL/WMNS 296 and HIST/AIS 240 for inclusion in the LE Core under the R1 learning outcome, seconded, approved unanimously
   - Motion to approve GEOG 111 and POLS 110 for inclusion in the LE Core under the K2 learning outcome, seconded, approved unanimously
   - Motion to approve GEOG 111 for inclusion in the LE Core under the R2 learning outcome, seconded, approved unanimously
   - Motion to approve POLS/WMNS 352 for inclusion in the LE Core under the K2 learning outcome, seconded, approved unanimously
   - Motion to approve POLS/WMNS 352 for inclusion in the LE Core under the R2 learning outcome, seconded, approved unanimously
