

# ABOUT

*UW-Eau Claire Biology Greenhouses*

# TOURS

The greenhouse *welcomes* community visitors and school groups.

# LOCATION

*Where you can find us*

Our greenhouses serve many biology classes for lab research and teaching purposes year round. As a working facility, drop in visitors are encouraged to e-mail the greenhouse manager or call ahead to confirm visiting hours. Because of hazards such as poisonous or thorny plants and wet floors, children may not visit without an adult. This also protects our plants since some of them are quite rare and easily damaged by handling.

- ✦ SCHOOL AND COMMUNITY GROUPS
- ✦ ONLY \$1 A PERSON

To schedule, contact the Greenhouse Manager

**Email:** [youngilm@uwec.edu](mailto:youngilm@uwec.edu)

**Voicemail:** 715-836-3523

Make checks payable to  
**Greenhouse Foundation**
