Advising Tips

- No 100-level English courses count toward the English minor.
- If you intend to graduate in four years, you need to take a minimum of 15 credits every semester.
- Try to take courses from all areas of your degree each semester—(1) University/General Education (GE), (2) English major, and (3) minor—each semester; do NOT work to finish all your GE courses first.
- Complete your Foreign Language/Foreign Culture requirement early.
- Consider tutoring in the Center for Writing Excellence (Engl 397) or a Writing Internship (Engl 498): obtain professional experience, enhance your communication skills, fulfill your service learning, and build your resume.
