10/4/17
Enrollment: Students wishing to pursue a nursing degree register as prenursing students. Formal application to the professional program must be made. Students are encouraged to apply during the semester in which 30 credits will be completed. Deadline dates for filing admission applications to the nursing program are **DECEMBER 1** and **MAY 1**. Students must select Eau Claire Campus or Marshfield Site.

Admission Requirements: in order to be considered for admission to the nursing program, applicants must have:

1. been accepted as a pre-nursing student in the University in good standing.
2. completed at least 30 semester credits, not including courses for nursing assistant certification, with a total cumulative grade point average of at least 3.00.
3. completed at least three required natural science courses, two of which are laboratory science courses, with a grade point average of at least 2.50.
4. earned a grade of “C” or better in all courses required for nursing.
5. completed all application materials.

Other data used by the Admissions Committee are derived from a variety of sources that include admission applications to the University and the nursing program, high school transcript showing rank in class, previous college records, and standardized tests such as ACT or SAT. International, non-native speakers of English applying to an undergraduate nursing program must have a TOEFL score as follows: TOEFL Written >560; or TOEFL (CBT) >220; or TOEFL (iBT) >83.

CNA, CPR and Health Records

1. Evidence of Health Care Provider level CPR certification (Basic Life Support for Healthcare Providers—American Red Cross or Basic Life Support (BLS) Provider—American Heart Association) and all required health and background check information must be submitted at the time of admission to the program.
2. Evidence of current or previous certification (from any of the 50 states) as a Nursing Assistant must be submitted prior to registering for NRSG 267.
