

Art, STUDIO emphasis, Standard Major (B.A.)

The following is a hypothetical schedule based on the 2019-2020 catalog. It assumes no transferred credits, no requirements waived by placement tests, no courses taken in the summer or winter, and no remedial courses that may be required. UW-Eau Claire cannot guarantee all courses will be offered as shown, but will provide a range of courses that will enable prepared students to fulfill their requirements in a timely period. This is just a guide. Please consult your advisors, your degree audit, and the catalog to create your personalized degree plan. Note: In order to complete their degrees in four years, students should plan to take at least 15 credits each semester or at least 30 credits each year. 39 of the 120 total credits are required to be upper division credits (courses numbered 300 and higher).
