

## Economics, Liberal Arts. B.A.

The following is a hypothetical schedule, based on the 2018-2019 catalog. It assumes no transferred credits, no requirements waived by placement tests, and no courses taken in the summer. UW-Eau Claire cannot guarantee all courses will be offered as shown, but will provide a range of courses that will enable prepared students to fulfill their requirements in a timely period. This is just a guide. Please consult your advisor, the catalog, and your degree audit for specific requirements.

**Course Suggestions (if applicable)****Application to Major (if applicable)**

Economics electives must be chosen from economics courses numbered above Econ 201. Students may, if they wish, count a maximum of three courses from the following: Econ 268, 280, 329, 330, 390; Econ/LAS 356; Econ/Wmns 337, 357; Acct 201.

<sup>a</sup> Electives need to be carefully selected to ensure that a student's degree comprises at least 39 credits of upper division courses (300-400 level).
