

English, Liberal Arts, B.A., Creative Writing emphasis

The following is a hypothetical schedule, based on the 2018-2019 catalog. It assumes no transferred credits, no requirements waived by placement tests, and no courses taken in the summer. UW-Eau Claire cannot guarantee all courses will be offered as shown, but will provide a range of courses that will enable prepared students to fulfill their requirements in a timely period. This is just a guide. Please consult your advisor, the catalog, and your degree audit for specific requirements.

RECOMMENDATIONS FOR OPTIONAL HIGH IMPACT PRACTICES (HIPs)

The University of Wisconsin-Eau Claire encourages all students to participate in High Impact Practices. The following information identifies any specific recommendations that faculty in this major have concerning which HIPs might be most beneficial to students, and any recommendations about when those HIPs best fit into the degree plan. Students should also consult their faculty advisor for information on HIPs.

- The English Department offers many high-impact courses including: Writing Internships (ENGL 498), Academic Apprenticeships (ENGL 394), and Writing Center Theory and Practice (ENGL 397).
- English faculty also work with students regularly on high-impact experiences including: faculty-student collaborative research projects, intercultural immersion experiences, student organizations, and the English Department Honors program.
- Consider participating in one of these HIPs in place of an elective on the four-year plan, but be sure to prepare for this experience one semester in advance by talking with your faculty advisor and/or faculty research collaborator.
