

Geography, Liberal Arts, B.A. & B.S. – 2-Yr

The following is a hypothetical schedule, based on the 2018-2019 catalog. It assumes no transferred credits, no requirements waived by placement tests, and no courses taken in the summer. UW-Eau Claire cannot guarantee all courses will be offered as shown, but will provide a range of courses that will enable prepared students to fulfill their requirements in a timely period. This is just a guide. Please consult your advisor, the catalog, and your degree audit for specific requirements.

RECOMMENDATIONS FOR OPTIONAL HIGH IMPACT PRACTICES (HIPs)

The University of Wisconsin-Eau Claire encourages all students to participate in High Impact Practices. The following information identifies any specific recommendations that faculty in this major have concerning which HIPs might be most beneficial to students, and any recommendations about when those HIPs best fit into the degree plan. Students should also consult their faculty advisor for information on HIPs.

NOTES

Liberal Education Core (LE Core)

The LE Core comprises 17 learning experiences across 11 learning outcomes. Students must complete a minimum of 36 credits in courses approved for the LE Core.

- K1 – Natural Sciences; two experiences (one lab science experience is required in K1 or K2).
- K2 – Social Sciences; two experiences (one lab science experience is required in K1 or K2).
- K3 – Humanities; two experiences.
- K4 – Fine Arts; one experience.
- S1 – Written and Oral Communication; two experiences (one experience must satisfy the University writing requirement).
- S2 – Mathematics; one experience (must satisfy the University math competency requirement).
- S3 – Creativity; one experience (can be fulfilled in a student’s major).
- R1 – Equity, Diversity, and Inclusivity; two experiences (one experience must meet the UW System Design for Diversity (DD) requirement).
- R2 – Global Perspectives; one experience.
- R3 – Civic and Environmental Issues; one experience.
- I1 – Integration; two experiences (one experience can be fulfilled in a student’s major).

Additional LE Core Information

- Most LE Core learning experiences are course based, and many courses meet more than one learning outcome (e.g., K3 and R2 or K1 and R3).
- Some learning experiences can also be met outside of a traditional course (e.g., undergraduate research (S3), study abroad (I1)).
- S1 – An English placement score that fulfills the University writing requirement fulfills one S1 experience.
- S1 – A foreign Language placement score that qualifies the student to enter the 102 level satisfies one S1 experience.
- S1, R2 – A foreign language placement score that qualifies the student to enter the 202 level satisfies one experience in S1 and the R2 experience.
- S2 – A math placement score that qualifies the student to enter Math 111, 112, 113 or 114 fulfills the S2 experience.
- S3 – Completion of two credits from any approved music ensemble fulfills the S3 experience.
- I1 – Any semester long study abroad program can fulfill one I1 experience.

TOTAL CREDITS			TOTAL CREDITS		

^a Geography majors must take 5 courses from any 3 of the 5 advanced geography approaches. See catalog.

^b Electives need to be carefully selected to ensure that a student’s degree comprises at least 39 credits of upper division courses (300-400 level). While students are encouraged to take additional courses in geography, electives can be selected from any discipline as long as the student meets the course prerequisites.

^c While a single course can meet more than one LE Core outcome, credits cannot be double counted. Therefore, in the summary above, if a course appears a second time, it has zero credits that can be applied to the total number of LE credits. A minimum of 36 credits of LE coursework must be completed by graduation.

- GEOG 200 is recommended prior to enrollment in GEOG 335 and 370.
- GEOG 335 is a prerequisite for GEOG 370.
- GEOG 104, GEOG 111, GEOG 178, and GEOG 200 are expected as prerequisites for GEOG 368.
- Five courses are to be selected with consent of advisor from three of the five Advanced Geography Approaches (Physical Geography, Human Geography, Human-Environmental Geography, Regional Geography, and Geography Techniques). One of these must be GEOG 368.
- One year before graduation, Geography majors must complete a form to certify their selected courses from the Advanced Geography Approaches. They must complete this form a second time one semester before graduation.
- Students must complete the requirements for a second program – this can be either a minor or an approved certificate.
- Required Geography courses plus Geography electives must equal at least 36 credits.
- A minimum of 120 credits is required to graduate; 39 credits must come from upper division courses (300 or higher)
- Two semesters of foreign language must be completed by credit or examination, or six credits earned during an approved study abroad for the BA. .
- Students must take courses to satisfy the Liberal Education Core Requirements:
