

History, Public History--Liberal Arts, B.A.

The following is a hypothetical schedule, based on the 2019-2020 catalog. It assumes no transferred credits, no requirements waived by placement tests, no courses taken in the summer or winter, and no remedial courses that may be required. UW-Eau Claire cannot guarantee all courses will be offered as shown, but will provide a range of courses that will enable prepared students to fulfill their requirements in a timely period. This is just a guide. Please consult your advisor, your degree audit, and the catalog to create your personalized degree plan. Note: In order to complete their degrees in four years, students should plan to take 15 credits each semester or 30 credits each year.

RECOMMENDATIONS FOR HIGH IMPACT PRACTICES (HIPs)

The University of Wisconsin-Eau Claire encourages all students to participate in High Impact Practices. The following information identifies any specific recommendations that faculty in this major have concerning which HIPs might be most beneficial to students, and any recommendations about when those HIPs best fit into the degree plan. Students should also consult their faculty advisor for information on HIPs. There are many additional high impact opportunities available. Talk to your academic advisor for more information about incorporating HIPs like [Study Abroad](#), [Intercultural Immersion](#), [Internship](#), and/or [Student/Faculty Collaborative Research](#) into your time at UW-Eau Claire.

We highly recommend Study Abroad or an Intercultural Immersion program, especially those that are tied to the history department, such as CETS: Central European Travel Seminar (Hist 327 and IDIS 340) or Public History in Great Britain (Hist 401).

Public History majors pursue student-faculty collaborative research in Hist 489: Research Seminar and Hist 486: Public History Seminar, which always involved interpreting history for a community partner. However, we encourage students to see their faculty advisors about research opportunities available earlier in the program.

All Public History majors are required to complete an internship. Students work with faculty to identify opportunities. Please contact Dr. John Mann mannjw@uwec.edu if you have questions about this process.
