The University of Wisconsin-Eau Claire’s dining service contractor has exclusive rights to provide all types of food services on campus. No food or beverages may be provided by campus organizations or off-campus vendors unless authorization is granted through Blugold Dining and the Event Services office at least 10 days in advance. Unauthorized food service may result in the revocation of reservation privileges.

The Blugold Dining Waiver Request is used to request an exemption from the UW-Eau Claire contract with its dining services provider.

BE PREPARED TO PRESENT A COPY OF THIS SIGNED AUTHORIZATION AT THE EVENT.

I understand that if this exception is granted and any illness, injury or harm occurs as a result of the food service at this event that I and my organization may be held liable for financial or legal consequences. I also agree to indemnify and hold harmless the Board of Regents of the University of Wisconsin System, the University of Wisconsin-Eau Claire including its agents and employees, and the contractor that provides dining services for the campus.

Groups wishing to have food donated by a business or restaurant must attach a signed letter from the business detailing what items will be donated.
