

An array of unique live and silent auction items generate funds for community partnership scholarships, professional development and campus initiatives.

About Community Partnership Scholarships:

“Thanks to my Community Partnership Scholarship, I want you to know that you are continuing to make a difference not only for me, but for my family. They have been the driving force to get me where I am today in my college career. They are every bit as appreciative of this scholarship as I am. I hope you continue funding those who are in similar situations as I have been, because it surely does make a difference!

Thank you for your generosity. I am truly grateful for the blessing of this scholarship to continue along my educational journey.”

What is E.A.T.S?

E.A.T.S. stands for Educational Assistance Through Scholarship. It is a gala evening of gourmet specialties prepared by featured local eateries and UWEC-BC faculty, staff and students. The event's proceeds support UWEC-Barron County Foundation, which provides scholarships for high achieving and/or financially-need students, supports faculty and staff professional development, provides funds for a public lecture series, and helps fund a spectrum of campus improvements that enhance the physical and intellectual environment.

Chemistry professor Abbey Fischer creates ice cream using liquid nitrogen.

Approaching its tenth year, E.A.T.S. has been a growing success—in 2018 we sold or sponsored over 300 tickets and had more than 100 volunteers and food/drink providers in attendance!

TICKETS: General admission prices start at \$40; **Patrons** (\$100) and **Benefactors** (\$500—includes 4 tickets) are listed in the printed program.

WHAT TAKES PLACE: Along with the extensive and diverse food sampling there will be an evening of various ongoing activities: raffles, silent and live auctions of quality items and experiences; several varieties of musical entertainment; and cash wine/beer bars. The admission ticket includes all food samples. There will be various seating areas for guests to comfortably socialize, along with typical mingling throughout the extensive event area in Meggers and Ritzinger Halls and the beautiful “Commons” area.

Sponsorships provide exclusive exposure

The Foundation is offering exclusive sponsorships to support this year's event. Each sponsor will have social media mentions pre-event, an individual banner with logo displayed at the event, notation in all print and electronic media releases, posters, on printed programs and mentioned during the event. The higher the level of support, the more prominent the exposure. **Only 20 sponsorships are available.**
