## **UWEC BANDS**

The University of Wisconsin-Eau Claire offers a variety of bands designed to meet the artistic and educational needs of UW-Eau Claire students. Students from all academic disciplines are invited to participate in the band program. Membership in every band is open to any interested and qualified UW-Eau Claire student.

### **WIND SYMPHONY**

Dr. Peter Haberman, Conductor

The Wind Symphony is dedicated to the performance of the finest traditional and contemporary wind band literature. This ensemble, which is open to all university students by audition, provides members the opportunity to broaden performance and teaching skills by experiencing exemplary literature at the highest level. The Wind Symphony performs at least two concerts each semester and participates on an annual concert tour. The band rehearses Monday-Friday from 2:00-2:50 p.m. in HFA 139.

### **SYMPHONY BAND**

Dr. Phillip A. Ostrander, Conductor

The Symphony Band, an ensemble comprised of music majors and talented non-music majors, is committed to the study and performance of the finest standard and contemporary works for band. The band maintains an active schedule and enjoys a reputation as a group committed to only the highest musical standards. The Symphony Band is open to all university students, however membership is determined by audition. The Symphony Band presents four concerts a year and participates on a concert tour each spring. The band rehearses Monday-Thursday from 3:00-3:50 p.m. in HFA 139.

### **UNIVERSITY BAND**

Dr. Randal C. Dickerson, Conductor

The University Band is open to all UW-Eau Claire students regardless of major. It offers students an opportunity to play quality repertoire at a high level of performance. The band is comprised of talented musicians from many academic disciplines as well as music majors, some of whom choose to perform on a secondary instrument. No auditions are required for membership in the University Band. The band rehearses on Mondays in the fall from 4:00-5:50 p.m. and on Tuesdays in the spring from 4:00-5:50 p.m. in HFA 139.

### **BLUGOLD MARCHING BAND**

Dr. Randal C. Dickerson, Director

The Blugold Marching Band performs at UW-Eau Claire home football games, the Homecoming Parade, and other selected events during the season. Membership in the band is open to all interested and qualified university students, and no auditions are required. The marching band practices Tuesday-Friday from 4:15-5:30 p.m. on the practice field located outside of the Haas Fine Arts Center.

## **AUDITIONS**

Participation in the UWEC Bands program is open to all interested and qualified UW-Eau Claire students regardless of major area of study. Membership in the Wind Symphony and Symphony Band is determined by audition; however, no auditions are required to participate in either the University Band or Blugold Marching Band. Audition information is available through each applied wind and percussion faculty member during the academic advising period, which is the week preceding the start of classes during the fall semester. Faculty members conduct auditions during the first week of classes during the fall semester and during the final week of classes during the fall semester for band placement in the spring. For specific audition information, contact the appropriate UW-Eau Claire applied wind and percussion faculty member in your performance area.

## **REGISTRATION**

It is necessary for all students to register for the band(s) in which they participate. Pre-assignment forms, which enable students to register for band using MyBlugold on the Web at <https://web.uwec.edu/>, may be obtained from the UWEC Bands Staff.

## **ATTENDANCE**

Excused absences include only those approved in advance by the conductor and “authorized absences” as outlined by UW-Eau Claire policy. In the event of an unavoidable absence, it is the responsibility of the student to contact the conductor prior to the rehearsal that will be missed. According to university policy, authorized absences include (a) participation in an approved field trip listed in the catalogue as a requirement for a course in which the student is enrolled, (b) participation in an authorized extra-curricular activity on the regularly approved calendar of University events, and/or (c) illness, injury, or emergency of such severity as to prevent the student from being able to attend class. Absences must be supported by information from the Office of the Associate Dean of Students or appropriate documentation to be considered “authorized.” In the event of illness, you are to provide appropriate documentation such as doctor’s note at the rehearsal following the absence. Absences due to a university field trip must be supported with a copy of the field trip list. You should notify the Dean of Students Office in the event of a funeral or any other emergency.

Absences for reasons other than those listed above are considered unexcused, and the semester grade will be adjusted according to the specific grading policy set forth by each conductor. Examples of unexcused absences include work, study groups, homework, studying for exams, “forgetting,” “over sleeping,” etc. Students are expected to be responsible members at all times. Excessive unexcused absences from rehearsals may result in the student’s removal from the band in which they are a member. An unexcused absence from a performance will result in the student’s immediate removal from the ensemble.

It is mandatory that members of the Wind Symphony and Symphony Band arrange for capable substitutes for any rehearsals missed, regardless of the reason. It is the student’s responsibility to make sure the substitute has the correct music for the rehearsal. In the event that the substitute player fails to show for the rehearsal missed or if music is not available for them to use during the rehearsal, the member’s semester grade will be lowered according to the conductor’s grading policy.

## **CONCERT BANDS**

It is expected that students will attend all rehearsals and concerts except in the occurrence of verifiable illness or emergency. In these instances, it is the student's responsibility to contact the conductor of the group before the rehearsal that will be missed. Each unexcused absence from a regular rehearsal will result in the student's grade being lowered one letter grade. An unexcused absence from a dress rehearsal will result in the student's grade being lowered two letter grades, and an unexcused absence from a performance will result in a failing grade for the semester.

Rehearsals will start on time. Students not warmed up and ready to tune at the commencement of a rehearsal will be considered tardy; two tardies will be treated as an unexcused absence.

## **BLUGOLD MARCHING BAND**

It is expected that students will attend all rehearsals and performances except in the occurrence of verifiable illness or emergency. In these instances, it is the student's responsibility to contact the director via e-mail in advance of the absence. Notification of approval or denial will be returned by e-mail. Absences due to personal illness will be excused with a doctor's excuse. All other absences will be unexcused. Each unexcused rehearsal absence will result in the grade being lowered one letter grade. Unexcused absences from a Saturday rehearsal or performance may result in a failing grade for the semester.

Rehearsals will start on time. Students not warmed up and ready to tune at the commencement of a rehearsal will be considered tardy; three tardies will be treated as an unexcused absence.

## **GRADING**

Grading for all bands will be based upon the student's preparation, participation, and commitment to the ensemble, as well as attendance as stated in the "Attendance" section above.

## **E-MAIL**

Information pertaining to band activities may be disseminated through e-mail. UWEC Bands members are encouraged to check their e-mail regularly for band news and announcements.

## **UWEC BANDS BULLETIN BOARD**

The UWEC Bands bulletin board is located diagonally across from FA 139 and is the official vehicle for posting information for all the bands. UWEC Bands members are encouraged to check the bulletin board on a regular basis for important announcements, rehearsal schedules, etc.

## **REHEARSAL PREPARATION**

Each member is responsible for preparing his or her music outside of rehearsal. This is to be done both individually and in sectionals. Full rehearsals are designed for putting all the parts together as an ensemble. It is the responsibility of the student to set up chairs and stands for their use during rehearsal. Members should always look in the racks for new music, warm up, and be prepared to tune by the scheduled starting time of the rehearsal. This includes dress rehearsals for which equipment must be moved to the performance venue. Rehearsals will conclude at the scheduled ending time. A pencil is expected at every rehearsal.

## **SECTIONALS**

In order to master the difficult literature that the Wind Symphony and Symphony Band perform each semester, members are expected to participate in weekly sectionals. Each section in the band should agree upon a sectional time during the first full rehearsal of the semester. It is the responsibility of the principal players to lead a sectional each week to work areas including intonation, balance and blend, dynamic contrast, technical execution, and interpretation. The principal players in each section are to confirm and report all unexcused sectional rehearsal absences to the appropriate conductor.

Uniforms must be returned at the final class meeting which will occur after the last game. Students will be held responsible for all uniform parts and will be charged accordingly for missing items.

## **MUSIC**

**CONCERT BANDS** Every student or stand (of no more than 2 players) will be issued a numbered folder in which to store (and protect) music assigned for each concert. All band music is to be kept in the folders; folders are to be kept in the like-numbered slot in the music rack for that ensemble in FA 139 unless it is being used for practice. All folders must be returned to the rack after every performance. All new music will be distributed into the appropriate slots so please check there regularly. Students will be held responsible for the replacement costs of all music and folders. Students sharing folders will need to arrange a practice schedule with their stand partner so that the folder is available to each an equitable amount of time.

## **BLUGOLD MARCHING BAND**

Each student will be issued a flip folder and cardboard music envelope at the beginning of the season. Music will be distributed prior to each game; unused music should be kept in the cardboard envelopes. Music, music folders, and flip folders are to be turned in at the final class meeting after the last game. Students will be held responsible for the replacement costs of all music and flip folders.

## **INSTRUMENTS**

If a student does not own an instrument, one can be checked out from the university for the semester without charge. Instrument check-out forms may be obtained from the conductor of each band. The forms then should be taken to Mr. David Crawford in HFA 147 to obtain the instrument.
