I am attaching a check for \$100.

I have other housing arrangements in the Eau Claire area for the required face-to-face instruction in late August.

I am requesting a fee waiver (see reverse).

3. Attend the Springboards on-campus instruction (August 27-30).
4. Take the Springboard exam on August 31.

If you paid \$200 and we drop you from the program during the online component because you are not keeping up, or if you decide to drop from Springboard before the on-campus week instruction in August, then you will receive a \$100 refund. If you decide to drop, then you must notify us by August 15. If we decide to drop you, then we will notify you before August 15.
