The additional credits needed to satisfy the 36 credit minimum for the UWEC Physics major can be satisfied by engineering courses that transfer as 300 level or above UWEC major courses or electives. 300 level or above Engineering courses will be considered individually as 300 level physics electives by the UWEC Physics Department chair.

Students should try to satisfy the Service Learning Requirement while at UW-Eau Claire.

Students should also complete the Cultural Diversity and Foreign Culture requirements while at UW-Eau Claire
