RE: Suspension of the Nursing Accelerated BSN Option

Members of the Department of Nursing voted and approved to suspend the Nursing Accelerated BSN option. We request suspension with the next possible Catalog.

Name of Program: Nursing, Accelerated BSN Option, Comprehensive Major

Program Code: 700-007

Date of Nursing Undergraduate Curriculum Committee Approval: September 13, 2018

Date of Nursing Department Program Approval: October 4, 2018

Rationale: The Accelerated BSN option was identified as low enrollment and was therefore recommended for suspension by Academic Affairs. The last class was admitted to this program in 2011 and graduated in 2012. No further admissions have occurred since 2011, due to a lack of human resources and the impact of the budget reductions on programming.
