NOTES for APC:

Added limited review of externally accredited programs

School Psychology and Communication Sciences and Disorders are graduate only so would go to Graduate Council rather than APC.

Environmental Public Health is also externally accredited, but would be reviewed as part of Watershed (similar to Music and Theatre Arts and Communication and Journalism)

* Both Undergrad and Grad Programs

** Grad Program Only

*** Currently not accepting applications for Grad Program

† Joint review of new program with UW System in 2021

2021-2022
