Welcome!
What does Pre-Professional health mean?

- You are interested in the course of study for future application to a health professional school.
- You are taking the classes and gaining the experiences that these schools require and recommend.
Pre-professional health at UW-Eau Claire

- Medicine
- Dentistry
- Veterinary Medicine
- Pharmacy
- Optometry
- Podiatry
- Osteopathic Medicine
- Chiropractic Medicine
- Physician Assistant
- Occupational Therapy
- Physical Therapy
- Athletic Training*
Other health professional programs at UW-Eau Claire

- Nursing
- Social Work
- Behavior Analysis
- Healthcare Administration
- Communication Sciences and Disorders
- Environmental Public Health
- Public Health
Pre-health Timeline

First year

- Meet with your ARCC advisor
- Explore health career options
- Get involved with pre-health student organizations
- Explore opportunities to gain health related experience over the summer (and possibly the academic year)
- If interested, talk with your advisor about opportunities for international experiences
Pre-health Timeline

Second year

- Continue to meet with your ARCC advisor
- Connect with faculty and professional mentors (faculty in your major department, pre-health advisors, work supervisors, healthcare providers)
- Volunteer, work, or intern in a health-related field
- Stay on track with prerequisite courses
- Consider research opportunities
- Apply for scholarships
- Think about parallel plans
REMEMBER!
You’re not going to master your life in one day. Just relax. Master the day. Then just keep trying to do that everyday.
The William J. and Marian A. Klish Health Careers Center

❖ Resources for academic and health career advising.
❖ Connections to health-related clinical, research and volunteer opportunities.
❖ Support for building effective tools for career development and competitive applications.

---

We're here to open doors to careers in health care. We help students explore health career options and help guide them along the path to a successful career in the health sciences.

— Dr. Julie Anderson, Director, UW-Eau Claire Health Careers Center
Community Connections Team
Collaboration with Marshfield Clinic

Spring 2019 recruiting
Nov. 2019

Summer/Fall 2020 recruiting
Apr. 2020

Student volunteers assist low-income patients in connecting with local resources to help them live healthier lives.
Students spend one week at Marshfield Clinic in Eau Claire or Rice Lake working with a full range of healthcare practitioners.
Students participate in half-day clinical experiences with various local physicians and physician assistants at Mayo Clinic Health System.
Mayo Clinic Health System Eau Claire: Volunteering

Applications for Fall
Due Aug. 15

Applications for Spring
Accepted Nov. 15-Dec.

Greeting patients and visitors
Transporting patients to appointments
Working in gift shops
Delivering supplies
Visiting with patients
