Information for the Pre-Health Professional!

Our Mission: To provide consistent guidance, support, and focused opportunities for prospective, current, and post-baccalaureate students interested in a health professional career.

Upcoming Professional School Admissions Visits and Information

ARMY Medicine Visit here on November 12

- Justin Korff, SFC
- November 12 from 4-5 pm
- Schofield Hall, Room 30

He is specifically looking to speak and give his presentation to any pre health professional, i.e. Pre-Med, Pre-Dental, Pre-Veterinarian, Pre-Psychology, Pre-Optometry, and anyone interested in a Masters of Social work. The info will be most appropriate for juniors and seniors. But anyone is welcome to attend. Check out the links for more information!

Questions? Contact Melissa Gullickson gullicml@uwec.edu

Marshfield Shadowing Applicant Selection

Thank you to all that applied! We had over two dozen applicants!

Ten applicants will be selected (two for Rice Lake and 8 for Eau Claire).

You will be notified in the next few weeks if you have been selected to participate.
Opportunities

IMPACT!
The 2020 IMPACT program—Innovative Minds Partnering to Advance Curative Therapies— is a collaborative program between UW-Eau Claire and Mayo Clinic Health System to address real-world health questions alongside Mayo Clinic and Mayo Clinic Health System scientists and physicians.

This year’s IMPACT topic asks student researchers to investigate: What is the mechanistic link between binge alcohol drinking, addiction, and the function of the neuroimmune system?

Visit the IMPACT website for more information about the specific challenge topic, registration, deadlines, and submission guidelines. Each team must register online by November 22, 2019. Ongoing updates and reminders will be shared on the IMPACT Facebook page.

Pre-Optometry job opening!
Dr. Siobhan Beeksma is opening a new boutique optical and optometry clinic, Espy Specs in January 2020 on Golf Road in Eau Claire. She is looking for pre-optometry students who may be interested in working a 4-7 PM shift evenings or Saturdays 10-3. If interested, please email her a brief resume, a personal statement indicating why you are interested in the position, your desired number of hours/week and your availability for the above hours starting in January.

Dr. Beeksma’s email is espyspecs@gmail.com.

Peer Advising
Caterra and Tiffany are available for peer advising Monday through Thursday in Schofield 30.
Monday—noon-3pm
Tuesday—9-10am & noon-1:30pm
Wednesday—noon-4:30pm
Thursday—9-11am & 12-3:30pm
They can answer questions about class selection, choice of majors, registration and more!
They can also be reached at BioPeerAdvising@uwec.edu.

As always, you can find more information on our UWEC page, Health Careers Center. If you have any questions, or have something to add to the newsletter, please contact:
Dr. Julie Anderson
Associate Professor | Director of the Health Career Center
ANDERJU@uwec.edu

Or
Lee Miller | University Services Program Associate
Health Careers Center | Institute for Health Sciences
Schofield 30
