4. BC Representative on ULEC Discussion
   - Majority of UWEC-BC courses are LE; do we want to add a position to the committee or an “at-large” like APC; is there reason not to do it?; would need to determine how to do a DE meeting; what would be the proportional representation (only 11 tenure track faculty at UWEC-BC); can run and be affiliated through their UWEC department; if no one recognizes the UWEC-BC names, will they get voted in?; nominating committees reach out to campus; would be nice to have a contact point at UWEC-BC who is able to communicate things back to their faculty; University Assessment committee members are appointed; ballot can add, e.g., “Dept of Math-UWEC-BC”; should put forth their desire to be elected to their UWEC department chair, leave them initiate their interest.
     - Angie will follow-up informing them that ULEC had a conversation
