**IMPACT!**

The 2020 IMPACT program—Innovative Minds Partnering to Advance Curative Therapies—is a collaborative program between UW-Eau Claire and Mayo Clinic Health System to address real-world health questions alongside Mayo Clinic and Mayo Clinic Health System scientists and physicians.

This year’s IMPACT topic asks student researchers to investigate: What is the mechanistic link between binge alcohol drinking, addiction, and the function of the neuroimmune system?

Visit the [IMPACT website](#) for more information about the specific challenge topic, registration, deadlines, and submission guidelines. Each team must register online by November 22, 2019. Ongoing updates and reminders will be shared on the [IMPACT Facebook page](#).

**Marshfield Clinic Shadowing Opportunity**
