Welcome Back!

MedEx time is here again! There is still time to apply!

If you are a Pre-Medicine, or Pre-Physician Assistant, we are currently accepting applications for Spring MedEx. This is a great opportunity! We have extended accepting applications through February 6, 2020 at 4:30pm. Information about MedEx is always located on our HCC webpage. The application has been emailed and also placed on our webpage.

Interested in Medical School and Want Advice?

MCW Pre-Med Pair Up Event taking place on Saturday, February 15th at the MCW Milwaukee Campus.

Pre-med students will have a great opportunity to get matched with one of our 75 student mentors and gain valuable insight on not only the application process, but what student life here at MCW is like. There will also be application and interview advising presentations. Several of our admitted applicants every year credit this event for making the difference in their application. The attached flyer has a link to sign up!

ARMY Medicine Visit here on February 11

- Justin Kotff, SFC
- February 11, 2020; 2-3:30pm
- Schofield Hall, Room 30

He is specifically looking to give his presentation and talk about scholarships to any pre health professional, i.e. Pre-Med, Pre-Dental, Pre-Veterinarian, Pre-Psychology, Pre-Optometry, and anyone interested in a Masters of Social work. The info will be most appropriate for juniors and seniors. But anyone is welcome to attend. Check out the links for more information!

Our Mission: To provide consistent guidance, support, and focused opportunities for prospective, current, and post-baccalaureate students interested in a health professional career.
Job Opportunities

UWEC Tour Guides Needed

Wednesday, April 29, 9-2pm

Give a tour of our beautiful campus to 8th grade students, share your knowledge of campus and be an inspiration for the next generation of college students! Volunteer the whole day, or part of the day, and get a free lunch!

For more information: Tour flyer and sign up

Orientation Assistant

Applications are being accepted for our Orientation Assistant positions for the 2020-21 school year. We are looking for energetic, engaged students who would be interested in working on campus this summer, assisting with the orientation and registration process for our new class of students. We look to hire students with a variety of experiences on campus who would serve as an ideal role model for a new student. We know you have GREAT students in your areas and we would love to hire them for the summer!

The position is full-time for the month of June, with additional hours throughout the spring, summer, and school year. For more information and application please log into Handshake. Applications are due Friday, February 28.

Questions? Direct them to Katie Christian, Interim Assistant Director for Orientation, at christkr1944@uwec.edu.

Employment opportunities at Mayo Clinic Health System in Eau Claire!

Undergraduate – Research Employment Program (UREP) Link

Also, there are opportunities at Mayo Rochester: Summer Undergraduate Research Fellowship (SURF) Link; Undergraduate Research Employment Program (UREP) Link; Summer Lab Science Program Link; Additional Mayo Clinic Internship & Summer Opportunities Link

ASK A SCIENTIST

On February 13, at the Acoustic Café the campus will launch the spring lineup of the long-running “Ask a Scientist” community outreach program, a series of three public discussions that are aimed at bringing a better understanding of scientific discoveries to the public, in ways that can be understood by all interested community members.

Wait, there's more!

Osteopathic Medicine Student Forum in February

Saturday, February 15th, 10am-3:00pm, Memorial Union, Madison

Did you know that 25% of current medical students in the US are attending Osteopathic medical schools? Are you a Pre-Health student interested in learning more about Osteopathic Medicine? Please join us for the Osteopathic Medicine Student Forum next month! (See schedule attached) Panel discussion with current osteopathic medical students, residents and practicing doctors, admissions representatives from osteopathic medical schools, and an Osteopathic Manipulative Treatment (OMT) demonstration are just a few of the activities planned for this event.

Peer Advising Starting in February

If you need any assistance from Caterra and Tiffany, our peer advisors, they will be available again starting the week of February 10th Scofield 30.

Monday — 8:10:45am & 11:30-3:30pm
Tuesday — 11:12:30pm
Wednesday — 2:4:30pm
Thursday — 1:4pm

They can answer questions about class selection, choice of majors, registration and more!

They can also be reached at BioPeerAdvising@uwec.edu

Have you heard about the “Big Interview”?

Students can use this tool to practice interviewing virtually with their webcam, you have the option of choosing questions based on industry, jobs, graduate school, general questions, etc.

For more information on this tool, or to schedule a mock interview appointment with a career counselor at ARCC, click here.

You can find more useful information on our UWEC page:
