RE: Program Change

A handwritten signature in black ink that reads "Matthew Waters". The signature is written in a cursive style and is positioned to the right of the "DATE:" field, overlapping slightly with the "FROM:" field.

We request implementation of the following program change with the next possible *Catalog*.

Name of Program: French Major, Liberal Arts

Program Code: 260-201

Date of Department/Program Approval: 01/06/20

From Current Catalog Web Page: A minimum of 36 semester credits beyond FREN 102, or 28 semester credits beyond FREN 202, including:

FREN 315  
FREN 325.

Students may earn their remaining credits from any of the following, but must take a minimum of six credits at the 400 level:

FREN 335  
FREN 340  
FREN 345  
FREN 354  
FREN 355  
FREN 361  
FREN 362  
FREN 395  
FREN 399  
FREN 401  
FREN 430  
FREN 450  
FREN 491  
FREN 499

To: A minimum of 36 semester credits beyond FREN 102, or 28 credits beyond FREN 202, including:

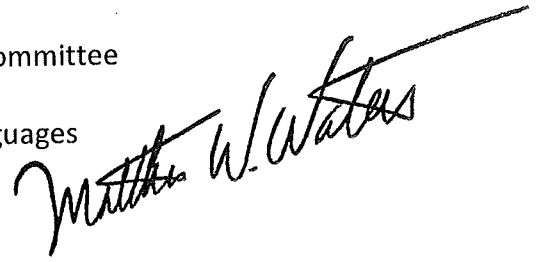

FREN 315

FREN 325

Students may earn their remaining credits from any other FREN upper division courses but must take a minimum of six credits at the 400 level.

Why: Rephrasing this description will (1) make it clearer to students and advisers that any FREN upper division elective counts toward the program, (2) make it easier to add courses in the future that will count toward the program without having to submit a change request memo to have individual courses count, (3) avoid petitioning to have courses taken abroad count toward the program.

RE: Program Change

We request implementation of the following program change with the next possible *Catalog*.

Name of Program: French Proficiency, Certificate

Program Code: 260-601

Date of Department/Program Approval: 01/06/20

From Current Catalog Web Page: To complete the certificate, 13 credits beyond FREN 201 are required, including:

FREN 202

FREN 315

FREN 325

One elective among other 300 and 400 level courses

To: To complete the certificate, 13 credits beyond FREN 201 are required, including:

FREN 202

FREN 315

FREN 325

Students may earn their remaining credits from any other FREN upper division courses.

Why: Rephrasing this description will (1) make it clearer to students and advisers that any FREN upper division elective counts toward the program (including those taken abroad), and (2) mirror the language used to describe minor and major French programs, making it more visible to students that, for example, a certificate could easily be turned into a minor.
