RE: Program Change

We request implementation of the following program change with the next possible *Catalog*.

Name of Program: Art, Digital Media, Comprehensive Major

Program Code: 020-023

Date of Department/Program Approval: 12-6-19

From Current Catalog Web Page: <https://catalog.uwec.edu/undergraduate/arts-sciences/art-design/art-comprehensive-major-digital-media-bfa/>

To: Delete this program, including the list of Additional B.F.A Requirements and note.

Why: The deletion of this program reflects the absence of this expertise in the department since resignations in recent years. There is also the associated issue of advising prospective and enrolled students within the department and at ARCC that this major program cannot really be pursued even though it is published in the catalog. We will work with any existing students to complete their major, but will no longer offer this option to students in the 2020-21 catalog and beyond.
