Here’s what’s new and exciting!

Future Physicians Day at MCW Wausau-April 10

This free, one day event offers college students a glimpse into medical school and a career in medicine. Students will explore key topics and experiential practices studied in medical school and graduate medical residency; participate in a hands-on skill building activity, and learn how to be an optimal candidate for acceptance in medical school. [Apply here](#).

U of M CVM Pre-Veterinary Student Visit Day-Saturday, April 4

The University of Minnesota College of Veterinary Medicine (U of M CVM) is hosting their annual Pre-Veterinary Student Visit Day for prospective students interested in the Doctor of Veterinary Medicine degree program. Attendees will explore the educational opportunities at the U of M CVM and learn about the veterinary profession, the D.V.M. program and curriculum, admission, and student life. This event is free of charge and open to all students, pre-veterinary / pre-health clubs and communities, and advisers. Advanced registration is required as space is limited. [More Info](#). [Register here](#).

Hands of Hope-GAP Year Opportunity

This program typically lasts for one year and gives young adults the opportunity to care for children under the age of six years old at the time of placement who are currently in residential care with our agency. You will earn hands on experience learning how abuse, neglect, and the effects of HIV play a role in some of society’s most vulnerable children.

Information about our internship may be found here: [https://www.casahope.org](https://www.casahope.org)

Job Opportunities

UWEC Nature Academy opportunity

UWEC Nature Academy is hosting a Family Adventure Night at McPhee Center on March 13 from 6:30-7:30 pm. They are looking for Pre Med students who would like to prepare an activity related to health and wellness for the families of the Children's Nature Academy to participate in. They are focusing on health and wellness with an emphasis on exercise.

If interested contact Karen Wagner at wagnekar@uwec.edu

Scribe positions available!

Are you interested in gaining valuable medical experience working directly with physicians? Scribe America is hiring students who have an interest in the medical field!

We have multiple sites in Eau Claire, including Emergency and outpatient.

We offer the following:

- Flexible, part-time hours for students
- Paid clinical and classroom training
- Opportunity to work and develop relationships with providers in the Eau Claire area
- In-room observations of patient-provider interactions
- Room for advancement, and so much more!

We have helped many students gain clinical hours and build relationships for future opportunities, including medical school!

Apply today by going to www.scribeamerica.com/apply

Regions Hospital Critical Care Research Intern Program

This opportunity is a one year internship from June 2020 to June 2021 in St. Paul, MN. Applicants must have successfully completed college level general biology and chemistry coursework, or current enrollment in a pre-medicine or comparable health science program preferred. If currently enrolled, Junior or Senior year preferred. More info and apply here.

Walmart Pharmacy Job Opening

Walmart Pharmacy is looking to fill 2 part time positions. During school, they are looking for 10-20 hours per week with more hours during breaks. They have flexible hours and are looking for anyone that is a Pre-Professional student. This is a great opportunity for pre-pharmacy students to get experience to put on their pharmacy school applications. They are primarily interested in first years and sophomores but this opportunity is open to everyone. If you are interested, contact the pharmacy manager Matt at 715-834-5966.

Employee Human Resources/Wellness Internship!

Human Resources and Recreation have developed a joint internship position that focuses on Employee Wellness. The intern would work 10-12 hours per week and gain experience planning and facilitating wellness programs. This would be an excellent opportunity for a student with a passion for wellness, an interest in health promotion, or is looking for a career that will require experience in programming. The internship would begin in the Fall of 2020 with a few training dates in Spring 2020. Pay is $9.00/hr. This position is also posted on Handshake.

For more information Click here. Questions contact: Brittany Wold - woldbn@uwec.edu

Submit your cover letter and resume to: uwecemployeewellness@gmail.com by March 8th.

Peer Advising Happening Now!
