Planning for Week of March 30

1. As you continue to plan your courses for the last 6 weeks of the semester, remember to keep your plan as simple as possible for you and your students.

2. Many students do not have high speed internet or newer devices, so limit the amount of video you ask them to watch and be very careful with synchronous requirements. If using synchronous sessions, make sure you have a Plan B for when/if problems occur on your end or your students’ end.

3. We will host Q & A sessions from 9-10 a.m. beginning March 30, Monday-Friday. Log in with this link, then follow the prompts.

4. Access videos, guides, and other resources in the Canvas for Educators Course. Use the Self-Enroll link if you are not already in the course.

5. In case you missed the Alternative Face-to-Face sessions for technology demos and video ideas, a recording is posted in the Canvas for Educators course.

6. Request an appointment by emailing CETL@uwec.edu.

7. Drop off videos to stream or pick up a webcam from CETL (VLL 1142) Monday-Friday from 1-3 p.m. You will need your Blugold ID to access Vicki Lord Larson Hall.

8. Contact your students with your plan for your course by Wednesday, April 1 at 5 p.m. so students have time to ask questions and explore the course.
