Virtual Celebration

On May 1, 2020 the Office of Multicultural Affairs (OMA) at UW-Eau Claire will begin the celebrations and activities promoting Asian Pacific American Heritage Month (APIAHM). Due to the current health situation, our activities will be limited to three virtual events: APIAHM kick-off, Blugold Dialogue, and Asian Historical Day.

Our goal for this year’s celebrations is to support and bring more about APIs to the U.S. This continued attention will allow for greater appreciation of the inclusion and diversity APIs have in our community.
