What’s Happening!

Peer Advising Final Week!

If you need any assistance from Caterra and Tiffany, our peer advisors, they are available via email or video chat during the following times this week:

- Monday — 8:10-8:45 am & 11:30-3:30 pm
- Tuesday — 11:12-12:30 pm
- Wednesday — 2-4:30 pm
- Thursday — 11-11:45 pm

Please email them at BioPeerAdvising@uwec.edu or request a video chat during their available hours through Outlook-Microsoft Teams!

They can answer questions about biology and pre-professional health programs; class selection, CampS and Canvas; choice of majors, understanding your degree, registration, transcripts and more!

Peer advising will resume in Fall semester.

Common Questions about Applying to Grad School During the COVID-19

Here is some COVID-19 information prepared by our talented student staff!

COVID-19
Volunteer Opportunity!

The Eau Claire City-County Health Department has a new volunteer opportunity opening up for Contact Tracing/Follow-up. These volunteers will be working closely with Health Department staff to identify and interview individuals who were exposed to a positive COVID-19 case. Because these volunteers will be handling sensitive information, the process of onboarding requires more training. The contact tracing will be conducted remotely from your home. We tentatively have set shift times M - F 8:00 – 4:30pm and weekends 10am - 6pm. As cases are received through WEDSS, a Health Department Staff member will assign them to you.

Interested students should go to the Eau Claire Health Department Website, scroll down to the bottom where it says volunteer opportunities. Here they will be able to sign-up for Volgisits, our volunteer portal. Once complete, they will be approved and should continue with the instructions below.

In addition, please register with WEAVR, complete the Health Department’s HIPAA training, and ASTHO Contact Tracing Training

WEAVR application

• For our group please go to County Organizations -> Eau Claire County -> Eau Claire City-County Health Department

The profile has to be 100% complete before approval; it may take 1-2 days for verification if you have a military background

HIPAA training

• 1 ½ video

Email confidentiality agreement and HIPAA quiz nursing@co.eau-claire.wi.us

ASTHO Contact Tracing Training

Email certificate to nursing@co.eau-claire.wi.us

After these are completed and reviewed you will be given further instructions pertaining to EC contact tracing, WEDSS and SharePoint access.
