Students that don’t wish to wait in line for Riverview Café may choose to go to The Hilltop Express.

The Hilltop Express will serve the same meal that is on the main line in Riverview Café (Main dish, sides, salad, fruit, dessert and beverage).

Students will enter Hilltop from the ramp entrance closest to Murray Hall and practice physical distancing while waiting in line.

Students will return their used To-Go box or show their receipt for a returned To-Go box, they will swipe their card with the cashier and wait in the queuing line until it is their turn.

They will be served the meal in a new To-Go box along with sides and a beverage.

Students will then exit Hilltop through the side doors.
