## ADVISING TIPS

- If you intend to graduate in four years, you need to take a **minimum of 15 credits every semester**.
- **Try to take courses from all areas of your degree each semester**—(1) University/Liberal Education (LE), (2) English major, and (3) minor/certificate—each semester; do NOT work to finish all your LE courses first.
- Complete your Foreign Language/Foreign Culture requirement early.
- **Consider tutoring in Center for Writing Excellence (Engl 397), a Writing Internship (Engl 498), and/or being an Academic Apprentice (Engl 394):** all are great ways to obtain professional experience, enhance your communication skills, fulfill your service learning, and build your resume.
