Step #6

Write your **Essay** and save it as a PDF file

Reminder

Your Essay:

Your essay (and application) will be evaluated on how well thought out and written it is, as well as how you answer the following questions (be concise, the essay should not exceed two double-spaced typed pages):

- What do *you* bring or have to offer the HCAD program and your future classmates?
- Why do you want to receive a degree in Health Care Administration?
- What have you done to prepare yourself for a future in Health Care Administration (work or volunteer experiences, books or articles you've read, activities you've participated in, etc.)?
- What do you see yourself doing in five to ten years?

We want to know how your participation in the program will add value – to you, your classmates, the program, and the field.

The Business Writing and Presentations Studio is available to assist you as well.

Schedule an appointment here: <https://instant-scheduling.com/sch.php?kn=1405109>

Choose from three different appointment types. Appointments for EACH TYPE available throughout the day:

- Business Presentations – Brief (15 min) appointments: assistance with elevator speeches, PowerPoint slides, content organization, etc.
- Business Presentations – Extended (25 min) appointments: assistance with interview practice and individual/group presentations.
- Business Writing (15 min) appointments: assistance with resumes, cover letters, emails, CoB reports, memos, etc.
