## Notes

**Class Notes** Due to limited classroom space with social distancing, this class may use a split attendance model. You may be required to attend some days in person and some days online. The instructor will communicate prior to the start of class to let you know when you are expected to attend class.

**\*\*ONLINE** sections will not have a meeting pattern (“Days & Times”) listed and the room will show Online. This means that the class will be taught online in an asynchronous format. You do not need to be online at a certain time each day.
