Changes in **red**.

WHY:

- 1) An option for a new course, Leadership in the Arts, is included.
- 2) The internships are tied to the MTA Department for greater oversight.
- 3) The number of elective credits is reduced to 9.
- 4) The reduction of the elective credits to 9 allowed for a simplification in the requirements for the electives. This change will reduce the need for substitutions.
- 5) Course options for the electives have been updated.
