University Senate Committee: Academic Policies Committee

Brief History of Issue - why the issue is being considered:

The Center for International Education (CIE) is requesting to close both the student exchange and study abroad programs at Pontificia Universidad Católica Del Perú (PUCP). UWEC agreement has expired and PUCP has not responded to inquiries about whether they would like to continue the relationship in a modified form. Few students have taken advantage of the programs and it has best served as a vehicle for faculty collaboration and faculty/student collaborative research.

Points Discussed by Committee:
1. Expectations during the agreement period that a minimum number of students will participate/reciprocate between institutions.

Pros of Recommendation:

All departments involved in initial agreement (i.e., Education for Equity & Justice, Geography and Latin American Studies) have indicated that they have no objections to canceling the exchange or study abroad portion of the relationship.

Cons of Recommendation:

none

Technology/Human Resource Impact:

None

Committee Recommendation:

The committee approved CIE’s proposal to close both the student exchange and study abroad programs at Pontificia Universidad Católica Del Perú (PUCP).
