Elimination

2021-2022

The Department of Public Instruction no longer licenses this minor (MC-EA, grades 1-8), so we are eliminating it. The new grade level range for Teaching English as a Second Language is K-12. Those students who have declared the current minor will be able to complete the minor and be eligible for certification. The Department of Education for Equity and Justice has carefully created a plan for students to complete their minor and certification prior to the elimination of the license by DPI.

This minor is restricted to students in the College of Education and Human Sciences: Education Studies: Option A, and leads to licensure in TESOL in Middle Childhood through Early Adolescence classrooms.

**NOTE 1:** As a requirement for the TESOL Minor, all students must complete the University Writing Requirement. Oral proficiency in English will be determined by an interview and/or a SPEAK Test, a test of oral proficiency for non-native speakers of English. Students not passing the oral proficiency test will be required, before retesting, to take CJ 202, ENGL 140, and/or an English composition class. The student will select classes in consultation with the TESOL advisor.

**NOTE 2:** One year of university-level foreign language study is a prerequisite for ES 405.
