Nicholas Schaefer
Assistant Director, Operations
Badger Boys State
2930 American Legion Drive
Portage, WI 53901

Dear Nicholas;

The University of Wisconsin-Eau Claire Foundation is pleased to support UW-Eau Claire's application to host Badger Boys State sessions on its campus from 2022-2024.

In support of the students attending Badger Boys State at UW-Eau Claire, the Foundation is pleased to offer two \$1,000 scholarships for outstanding attendees each year Badger Boys State is held at UW-Eau Claire. The Boys State staff would be responsible for determining criteria for selecting the recipients for the scholarships each year. The only provision is the recipients need to attend UW-Eau Claire with initial plans to major in political science.

UW-Eau Claire is an outstanding university positioned to create the best experience for the participants as well as the organizers. Designated Wisconsin's Most Beautiful Campus, the students will enjoy their time in this setting as well as the programming you offer. In addition to the outstanding resources through our political science department, our newly established Menard Center for Constitutional Studies will provide even more context and support for the Badger Boys State program.

We look forward to working with Badger Boys State as the host of the program on our campus from 2022-24.

Regards,

A handwritten signature in black ink that reads "Kimera Way".
