Dear graduate candidate,

Congratulations! We are excited to welcome you to our family of Blugold Alumni!

As a new graduate, you automatically join more than 91,000 alumni as a member of the UW-Eau Claire Alumni Association. Along with your family and friends, we share our pride for your many accomplishments. The hard work and dedication that brought you to this, the culmination of your degree, is sure to take you far.

Throughout your career, I encourage you to stay engaged and connected to your alma mater. We have a strong network of alumni across the nation and world that continually help shape the future of our university. Below are some of the ways to stay connected.

- Connect with fellow Blugolds on our Facebook group [@uweauclairealumni](#)
- Update your contact information: [Blugold Updates](#)
- Attend Alumni events! We hold social and networking events all over the country. Visit our website [alumni.uwec.edu](#) to keep track of where we will be and when!
- Save the date for [Homecoming](#): Saturday, October 16, 2021!
- Give back: When you are able, consider [making a gift](#) to support future Blugolds!

Over the past few years, you have been students. For the rest of your lives, you will be UW-Eau Claire Alumni. Always remember: Once a Blugold, Always a Blugold!

Sincerely,

Jane Larson
