

## Theatre Arts, Liberal Arts

The following is a hypothetical schedule, based on the 2021-2022 catalog. It assumes no transferred credits, no requirements waived by placement tests, no courses taken in the summer or winter, and no remedial courses that may be required. UW-Eau Claire cannot guarantee all courses will be offered as shown, but will provide a range of courses that will enable prepared students to fulfill their requirements in a timely period. This is just a guide. Please consult your advisor, your degree audit, and the catalog to create your personalized degree plan. Note: In order to complete their degrees in four years, students should plan to take 15 credits each semester or 30 credits each year.

## RECOMMENDATIONS FOR HIGH IMPACT PRACTICES (HIPs)

The University of Wisconsin-Eau Claire encourages all students to participate in High Impact Practices. The following information identifies any specific recommendations that faculty in this major have concerning which HIPs might be most beneficial to students, and any recommendations about when those HIPs best fit into the degree plan. Students should also consult their faculty advisor for information on HIPs. There are many additional high impact opportunities available. Talk to your academic advisor for more information about incorporating HIPs like [Study Abroad](#), [Intercultural Immersion](#), [Internship](#), and/or [Student/Faculty Collaborative Research](#) into your time at UW-Eau Claire.

Students are encouraged to consider a cultural immersion program, such as the Spring Break trip to New York City, in the final two years of the program. Faculty-Student Research Projects are encouraged after the first year of the program.

Students are strongly encouraged to participate in “Quest,” the Integrated Learning Project specifically created for Music and Theatre Arts students. See Music and Theatre Arts Homepage for more information.

Students should take THEA 271 whenever available.
