Our Mark of Excellence

The University Seal made its entrance into the life of the University of Wisconsin-Eau Claire in 1966, and today it remains the official symbol of the university and the values it upholds. The seal prominently features the Council Oak tree and the word “Excellence.”

Council Oak

The Council Oak stands as a symbol of UW-Eau Claire’s commitment to serving as a place of meeting and exchange. The symbolism originated with the first Council Oak, a majestic tree that stood where the Ojibwe and Dakota nations as well as other nations, including the Ho-Chunk, Menominee and Potawatomi, met to share knowledge and discuss peaceful resolutions to their differences. The current Council Oak was planted and dedicated in 1990 by elders from the Ojibwe and Ho-Chunk nations after the original Council Oak, which had been damaged by lightning in 1966, fell in a windstorm in 1987.

The Council Oak remains a sacred place and is recognized by UW-Eau Claire as a symbol of the ancestral and sacred lands of Indigenous Peoples, past and present. We acknowledge that the University of Wisconsin-Eau Claire occupies the sacred and ancestral lands of Indigenous Peoples. We honor the land of the Ojibwe and Dakota Nations.
Dear Blugold graduates,

Congratulations! Today we celebrate an achievement for which you’ve worked long and hard: You’ve earned your UW-Eau Claire degree!

Graduates, you have shown your true Blugold spirit during this extraordinary year of continuous change. Your remarkable perseverance and resilience in pursuit of a world-class education inspired you and your classmates to succeed both in and outside the classroom. It has been my distinct pleasure to meet many of you, and in our thoughtful conversations I have been inspired by your goals for the future — goals for success in your chosen careers and aspirations to make a difference in your respective communities and the world.

You can look to the future knowing there is true value in your UW-Eau Claire degree. In its 2020 “Best Colleges for Your Money” list, MONEY ranks UW-Eau Claire in the top two public regional universities in Wisconsin and Minnesota for educational quality, affordability and alumni success. Furthermore, according to the 2020-21 Educate to Career College Rankings Index, UW-Eau Claire ranks among the top 12% in the nation for added value in terms of graduate employability and earnings, and is ranked among the best value schools in U.S. News & World Report’s 2021 Best Colleges listing for its academic quality and affordability.

Also know that as you leave this great university, you join the ranks of our more than 90,000 Blugold alumni making a difference through their contributions in their workplaces and communities. Your UW-Eau Claire experiences have equipped you with the knowledge and desire to make this world a better place. Your skills and wisdom, entrepreneurship and integrity of spirit, strong work ethic and inspiring creativity that helped you overcome challenges this year will serve you well in the future.

As we say in our mission statement (proudly printed on this page), UW-Eau Claire provides a “transformative liberal education.” I challenge you to courageously pursue your goals, knowing that your UW-Eau Claire degree has prepared you for all you aspire to achieve. And most of all, I wish you joy on your journey.

With all best wishes for a bright Blugold future,

James C. Schmidt | Chancellor
University of Wisconsin-Eau Claire

Candidates for Degrees

Graduation with distinction is being conferred on those graduates who have an outstanding scholastic record. They are identified by gold cords and recognized in the program as follows: *cum laude (GPA of at least 3.2), **magna cum laude (GPA of at least 3.5) and ***summa cum laude (GPA of at least 3.8). Graduates receiving departmental honors are identified by the symbol †. The recognition of graduates receiving University Honors is noted under the student’s name. Graduates receiving University Honors are identified by a gold ribbon and medal. Baccalaureate candidates who are members of scholastic honor societies are identified by silver cords. See Page 22 for the key listing UW-Eau Claire's degree interpretations.

HONORS PROGRAM

The Honors Program provides an extra measure of challenge and enrichment for students who are academically distinguished by previous and current achievements and by high levels of motivation and curiosity. The program seeks to challenge exceptionally able students to perform at the highest level of which they are capable, to enhance their capacity for critical inquiry and independent learning, and to develop their potential for leadership in their future vocations. The Honors Program has two components: University Honors and Departmental Honors. Students may complete one or both components. Students graduating with University Honors have attained a grade-point average of at least 3.5 and have completed at least 24 University Honors credits. Graduates receiving University Honors are identified by a gold ribbon and medal.

In addition, 32 scholastic honor societies are recognized at the University of Wisconsin-Eau Claire. They exist primarily to recognize the attainment of scholarship of a superior quality and to confer distinction for high achievement in undergraduate, graduate and professional studies; in student leadership; and in various fields of research. Baccalaureate candidates who are members of scholastic honor societies are identified by silver cords.

ACADEMIC APPAREL

The academic apparel traditional worn by the faculty and staff in the processional has its origins in the universities of the Middle Ages. Because the universities grew out of church schools, both faculty and students were regarded as part of the clergy and wore clerical clothing based on monastic dress.

The head covering developed from the skullcap worn to protect tonsured heads in cold weather. In the universities, the skullcap acquired a point on top, which gradually evolved into a tassel. In Europe the bonnet with tassel is still worn but has been replaced in America by the mortarboard cap or tam with tassel.

The style of the gown may have been borrowed from the Benedictine monk’s habit. In the Middle Ages, those with bachelor’s and master’s degrees could be distinguished by the simplicity or elaborateness of their gowns. The master’s gowns were often furred, a decoration surviving as the three velvet bars now used on the sleeves of the doctoral gown.

The hood was originally worn over the head in bad weather and otherwise dropped onto the shoulders. First worn by faculty and students, the hood is now added to the apparel of those with master’s, specialist in education and doctoral degrees. The color of the velvet trim on the hood indicates the scholarly field: for example, dark blue (philosophy), golden yellow (science), light blue (education), pink (music), apricot (nursing), drab (business), white (arts). The colors of the satin lining are those approved and authorized by the college or university from which the degree was earned.

UNIVERSITY MACE AND STAND

The University Mace represents the proud history and community connections of the University of Wisconsin-Eau Claire. It was donated in 2016 in honor of the University's centennial by Dr. Susan Harrison, professor emerita of mathematics, who served for 15 years as chair in 2016 in honor of the University’s centennial by Dr. Susan Harrison, professor emerita of mathematics, who served for 15 years as chair.

Memorial trees that was saved when the trees were replaced. It was crafted by members of the Chippewa Valley Woodturners Guild. The University Medallion at the center of the mace was Dr. Harrison’s, given in recognition of her university service. The mace reminds graduates of the university’s history of excellence and its many contributions to the people of the region and of Wisconsin.
Senior Class Gift

Each year, graduating seniors have an opportunity to commemorate their graduation by making a gift to the UW-Eau Claire Foundation. Students are encouraged to donate to any area of the university, including academic colleges and departments or the Excellence Fund to support UW-Eau Claire's overall mission. By making a senior class gift, students can support current and future Blugolds even after they graduate.

Graduates who have made a senior class gift have received Blugold Spirit Cords to wear during their Commencement celebrations and display proudly to remember their time at UW-Eau Claire. Each graduate who made a gift was also given an opportunity to celebrate a favorite faculty or staff member with a Blugold Tribute. At the beginning of the spring semester the UW-Eau Claire Foundation will honor these faculty and staff with the gift of a beautiful stone coaster on behalf of the student who chose to honor them.

The UW-Eau Claire Foundation thanks the following seniors for their generosity and for participating in the Senior Class Gift Campaign with a gift of at least $20.21 in support of UW-Eau Claire and to commemorate their graduation year:

Mohammed Bataineh  Jin Ying Heng  Haadia Malik  Brittney Rauschendorfer

ALMA MATER

Melody by William Croft
Harmonized by George Frederick Handel

Words by Mark D'Amico
and William Oesterreich

Members of The Singing Statesmen, 1969

1. Oh School of Eau Claire, our voices we raise; Accept thou this
   anthem of undying praise. We pledge to be faithful, stout-hearted and strong. And cherish thy mem'ry as our lives are long,
   feeling of pride. We pray Alma Mater forever abide.

2. Give honor to thee, and sing out thy name. Oh college of ours, we dearly acclaim. In still thou within us a
a **history of excellence**
in teaching and learning

**Eau Claire State Normal School**  1916–27

The school offered one-, two- and three-year preparation programs for elementary and secondary teachers and school principals. Programs would be housed in a single building, then called Old Main and later named Schofield Hall, for 35 years.

**Eau Claire State Teachers College**  1927–51

With this name change in 1927 came the introduction of a four-year bachelor of education degree program and accreditation by the American Association of Teachers Colleges. This was a time of academic program expansion as well as growth of the campus footprint with the acquisition of 20 acres atop the bluff overlooking campus for future expansion.

**Wisconsin State College at Eau Claire**  1951–64

In 1951 the school was granted authority to offer a four-year liberal arts curriculum leading to a bachelor of arts or bachelor of science degree. Major construction projects, as well as the gift of 200-acre Putnam Park from the city of Eau Claire and the acquisition of 23 additional acres for upper campus, greatly changed the face of campus during this time.

**Wisconsin State University-Eau Claire**  1964–71

This era of vast change under the leadership of President Leonard Haas saw the creation of the schools of Arts and Sciences, Education and Graduate Studies in 1964, followed by the School of Nursing in 1965 and School of Business in 1966. Nearly 17 new buildings were completed or under construction during this time as well.

**University of Wisconsin-Eau Claire**  1971–present

Over the last 45 years, UW-Eau Claire has established itself as a nationally ranked public regional university that prepares students to succeed in a connected world — a world influenced by global economic and social forces. It has a widespread reputation for its outstanding, engaged faculty and staff who are dedicated to providing students with transformative learning experiences, and for a culture in which students play an integral role in shaping the university’s future.
