

Community Connections Team

Community and Student Volunteers Needed

What is Community Connections Team?

Our Community Connections Team identifies individuals with needs and connects them to community agencies to provide assistance.

What can I get help with?

- Caregiver support
- Childcare
- Clothing
- Dental care
- Food assistance
- Fuel/utility costs
- Job search
- Health care costs
- Housing
- Medication costs
- Transportation
- Other

What do Community and Student Volunteers do?

- Work side-by-side with individuals to prioritize basic needs
- Locate and connect individuals with community resources to be healthy
- Provide follow-up to assure individuals are connected with the correct resources

Benefits to Becoming a Community and Student Volunteer:

- Develop the skills and knowledge that position you to be a leader in the healthcare system of the future
- See the broader side of healthcare by assisting individuals meet their basic human needs
- Gain an appreciation for agencies in the community that can assist
