University of Wisconsin
Eau Claire
Our Bold Vision: NATIONAL DISTINCTION
We will achieve a national reputation for academic distinction through three action goals

**Distinction in Health and Wellbeing**
- Increase collaborations across disciplines and colleges in support of health and wellbeing.
- Expand national partnerships to enhance opportunities for students, faculty and staff in health and wellbeing.
- Develop new, nationally competitive academic and cocurricular programs.
- Identify ways to enhance the wellbeing of faculty, staff and students.

**Leadership in Equity, Diversity and Inclusion**
- Implement practices that will eliminate the opportunity gap and lead to equitable outcomes for prospective and current students, faculty and staff.
- Identify national leadership opportunities through the Center for Racial and Restorative Justice and the Center for EDI Training and Development.
- Integrate EDI into classroom pedagogy, content and curriculum on all campuses.
- Build and maintain collaborative coalitions throughout our region.

**Integrated Undergraduate Research and Creative Activity in all Disciplines**
- Integrate undergraduate research and creative activities across disciplines on all campuses.
- Support departments in determining the best way to integrate research and creative activities into curriculum and workloads.
- Expand research with national partners.

Our Enduring Commitment: SUPPORT OUR STRENGTHS
Our vision is supported by existing institutional strengths

**An Exemplary Education**
- Support existing and develop new programs that attract students and serve the needs of Wisconsin.
- Strengthen University Honors and departmental honors programs.
- Collaborate with alumni and partners to enhance scholarships, high-impact practices and internships that range from local to international opportunities.

**Nationally Distinctive Partnerships**
- Foster new academic and cocurricular partnerships that support our bold vision and new learning opportunities.
- Identify, with UW-Eau Claire Foundation, new philanthropic support and collaborations.
- Encourage partnerships that intersect health and wellness, EDI and sustainability.
- Work with Barron County to advance regional economic development.

**Sustainable Campuses**
- Work to achieve carbon neutrality by 2050.
- Integrate sustainability into curricula and HIPs across disciplines and campuses.
- Implement carbon-free and reduced carbon systems.
- Seek third-party certification for new buildings.

Our Collective Action: MEET OUR GOALS
Our actions make our vision possible

**Achieve our Guidepost Goals**
- 100% will participate in HIPs.
- 90% students will be retained to year two.
- 50% students will graduate in four years.
- 20% students of color and eliminate the opportunity gap.

**Grow Enrollment to 10,200**
- Through expanded recruitment and increased retention we will return to our 2010 enrollment level of 10,200 FTE.

**Invest in Faculty and Staff**
- With increased enrollment and efficient use of resources we can invest in faculty and staff compensation and new programmatic initiatives.
