Suspension

Effective Catalog Year
2022-2023

Additional Teach-out Plan
Current students will be able to complete their minor and be eligible for a teaching license in this minor. Students are aware of the date that all requirements need to be completed in order to be endorsed for their teaching license. ARCC advisors have been working closely with the involved departments and the Teacher Education Program Office to make sure that students are able to complete the requirements for their minors.

Rationale for Elimination/Suspension
The department is suspending this minor due to changes in the Department of Public Instruction licensure that expand the grade bands for this license from grades 5-12 to grades K-12. Further, the Department of Public Instruction has instituted a K-12 license only for languages. Therefore, the EA-A (Early Adolescence-Adolescence) grades 5-12 license will no longer be issued by the Department of Public Instruction. The department is suspending this license rather than eliminating this license in case the Department of Public Instruction revises the K-12 license back to a 5-12 license.
