Suspension: Mathematics, Minor - Teaching

REPORT FOR THE UNIVERSITY SENATE

University Senate Committee: Academic Policies Committee

Brief History of Issue - why the issue is being considered:

The College of Education and Human Sciences requests the suspension of the Mathematics, Minor - Teaching – MCEA [180-408]. Due to changes in the Department of Public Instruction licensure that expand the grade bands from 1-8 to 4K-9. Students in the current Elementary Education standard major will not be affected by the suspension of the minors, as the Department of Education for Equity and Justice has plans to accommodate those students and ensure they graduate according to their plans. The Department is not comfortable eliminating the programs because of the Department of Public Instruction’s recent rate of change.

Points Discussed by Committee:
1. Elimination of minor instead of Suspension.

Pros of Recommendation:

Department is the only one that provides teaching majors/minors.

Cons of Recommendation:

none

Technology/Human Resource Impact:

None

Committee Recommendation:
The committee approved the suspension of the Mathematics, Minor - Teaching – MCEA [180-408].
The University Senate Committee: Academic Policies Committee

by a vote of 9 for to 0 against on March 1, 2022 (Date)

Recommends that:
The suspension of the Mathematics, Minor - Teaching – MCEA [180-408], starting 2022-2023 AY.
