   b. Pitcher: The kicking team will designate a pitcher to pitch to their team. Each kicker will have a maximum of 2 pitches to put the ball into play. When the kicker has a missed attempt, foul, or passes on the pitch it counts as a one of the tries. After two unsuccessful tries, the batter is declared out.
The pitcher must make every attempt possible to avoid interfering with the defensive team’s ability to make a play on the ball. Should it be determined that the pitcher impeded the defensive team’s ability to make a play, the batter will be declared out and all runners must return to their original base.

c. The ball is put into play when the pitcher (provided by the kicking team) rolls the ball toward home plate and the kicker attempts to kick the ball. The kicker must wait for the ball to be within three feet of home plate before kicking the ball. There are no walks.

d. The kicker is out in situations like softball (force outs, pop outs, etc.) There is no infield-fly rule. In addition, a runner is out when they are hit by a thrown ball at or below the shoulders. If a batter/runner is hit directly in the head with a thrown ball, the ball will be declared dead, and all runners will advance to the base they were proceeding to.

e. Bunting: bunting is not permitted. You must make a full kick through to not be penalized. *Any attempt at a bunt will be an automatic out.*

f. Leading off and stealing bases between pitches is NOT allowed. *A runner who leaves the base before the pitch reaches home plate or is kicked, is declared out and the ball is dead.*
