**Full flyer attached at top of e-mail**

Art as a Tool for Healing & Connection

- All majors/students welcome
- Preferred prerequisite: Prior Art or Psychology class or experience in care professions
- Meet upper division graduation requirements

This introductory course in art therapy will provide an overview of the profession of art therapy while also giving students an understanding of how engaging in art-making can be a resource for well-being and community support.

Students will engage with a variety of art media, learning first hand from their own art-making experience. Theories and research in psychology and mental wellness will be presented as well as ethical guidelines for supporting art as a healing modality.

Course Topics:
- Historical Context and Theoretical Basis
- Skills, Techniques, and Therapeutic Themes
- Art Materials, Metaphor, and Symbolism
- The Creative Process, Identity and Growth
- Professional Roles, Function, and Organizational Support

Join AmeriCorps Community Corps
Earn money for college. Gain work experience. Make a difference.

Play a vital role in tackling our communities’ most pressing challenges as an AmeriCorps Community Corps member with Marshfield Clinic Health System. Serve hand-in-hand with people at an organization working to improve health such as a nonprofit, clinic, hospital, coalition, public health department, governmental agency or youth-serving organization. You may coordinate and work events; provide educational materials and programs; or support organizational activities and operations.

Benefits of full-time service
(35-40 hours per week)

- Explore health-related workplaces and learn new skills; ideal gap-year or paid internship experience
- Make a lasting positive impact by supporting community health work
- Receive ongoing professional skills training throughout the year to build your resume
- Earn modest bi-weekly allowance
- No-cost health, vision and dental insurance
- Low-to-no-cost child care assistance
- $6,495 educational award for tuition or student loan payback upon completing service

Marshfield Clinic Health System is seeking an AmeriCorps member who will serve with Community Connections Team (CCT)

Responsibilities would include:
- Recruit and screen volunteers
- Assist with training, mentoring, and managing volunteers
- Locate and connect individuals with community resources
- Engage with community agencies and partners

Weekly service hours: Mon-Fri 8am-5pm (hours flexible)

For more information or how to apply contact:
Stephanie Larson, CCT Health Educator
Phone: 715-858-9197
Email: larson.stephanie@marshfieldclinic.org

Open to high school graduates ages 17 and older. Applications accepted through Aug. 17, 2022.

- Clinical exposure to multiple specialties (Oncology, Cardiology, Neurology, Primary Care, Pediatrics, Otolaryngology, Emergency Department and Outpatient Care)
- Recommendation letter from Chief Medical Officer to include in your application to Medical, PA, Nursing, or professional school*
- Advancement opportunities after scribing for 6 months into Virtual or In-Person Trainers at $15-$17 per hour (plus $30 per diem for in-person projects!)*
- Discounts on Kaplan Test Prep Courses
• Discounts on MedSchoolCoach Admissions Counseling Services
• Guaranteed interview at Ross University School of Medicine with additional grant and scholarship options*
 (*Eligibility requirements apply)

Additional Perks:
• Work from home
• Flexible scheduling
• Part-time and full-time openings
• Advancement opportunities (Some Scribes now work in Corporate)
• Access to Scribe Life community on Facebook

If you are interested, apply here for Non-Bilingual and Bilingual (Spanish) Virtual Medical Scribe or send your resume and class schedule directly to Sarah De Leon, Sourcing and Outreach Coordinator, Direct: (361) 542-1510 | sdeleon@proscribemd.com
