UW-Eau Claire, UW-River Falls and UW-Stout will offer a new opportunity developed in collaboration with Chippewa Valley Technical College. Training courses in 12- to 15-passenger van operation will be available to qualifying university employees. Programs will consist of
classroom and behind-the-wheel instruction by trained CVTC personnel. The next class will be offered on **Tuesday, Aug. 9. Learn more here.**

**Sponsor a care package for a first-year student**
The [Campus Ambassadors](#) lead an annual fundraiser, creating and delivering welcome kits (a bin full of snacks) to Blugold students in the residence halls at the start of the fall semester. If you’re interested in sponsoring one or more welcome kits to be delivered to students, you may [order a welcome kit online](#) or send a cash/check payment of $25 per welcome kit to Sarah Tweedale at Welcome Center 215. Reach out to Maggie Meyers at hallmm@uwec.edu for any other questions. Thank you for helping support the Campus Ambassadors’ fundraiser and for sending a special gift to help show students they belong here at UW-Eau Claire!

**Join ‘The Climb’ on Aug. 13**
Join us for a day of fun during “The Climb” from **10 a.m.-2 p.m. Saturday, Aug. 13,** on the UW-Eau Claire campus hill. The event was founded in 2019 by Jenna Jenneman, a local amputee, with the goal of providing opportunities for people with physical challenges to connect through adaptive sports. Jenneman partnered with the university to utilize one of the most well-known hills in Eau Claire, the infamous campus hill. Meet us at the bottom of the hill and climb as far as you can go! The free event is open to everyone. Refreshments will be available, the agility course will be open and other events will take place throughout the day. See [uwec.ly/theclimb](#) for all the details.

**Calling all makers!**
The Blugold Makerspace in McIntyre Library will be open **Mondays and Fridays from noon-3 p.m.** through the rest of the summer. All UW-Eau Claire students, staff and faculty are welcome to stop by to tour the space and try out its tools and materials. The Makerspace is located in Room 109 on the library’s lower level.

**Summer updates on COVID-19 testing, vaccination documentation**
Testing services at Hilltop are no longer available. Students may schedule appointments with [Student Health Service](#) for symptomatic testing. Employees should contact their health care providers for testing options. Other COVID-19 testing updates are:

- The White House administration is offering a third round of free COVID test kits. Through this program, eight additional free at-home tests are available to each U.S. household. To order tests, visit the [free at-home COVID-19 tests](#) page.
- UW-Eau Claire will offer free at-home COVID test kits at the following locations (one per person, while supplies last): Student Health Service — available to students; ASK Center (Schofield Hall 230) — available to employees; UW-Eau Claire – Barron County — available to students and employees. Employees are encouraged to get vaccinated and to upload their vaccine documentation (vaccine card, immunization record) through [MyUWPortal](#). Follow the directions on this [tip sheet](#) to ensure your profile is updated.
- A running account of information regarding COVID-19 and its impact on the campus and community continues to be maintained on the [COVID-19 Updates page](#). Check the link regularly to find resources and updates.

Awards and achievements

Dr. Ali Ahmed, assistant professor of information systems, presented the paper “Designing an IT-Based System for Optimizing Lung Cancer Management” at the 2022 Americas Conference of Information Systems, held Aug. 10-14 in Minneapolis. The paper was nominated for the Best Conference Paper Award. Ahmed and Dr. Ezgi Akar, assistant professor of information systems, also presented the paper “An Empirical Examination of Technology and Security Services in Sharing Economy” at the same conference.

Dr. Dorothy Chan, assistant professor of English, has had two new prose poems published in the latest issue of The Gettysburg Review. Both are titled “Designer” and are part of a series in her forthcoming book, “Return of the Chinese Femme,” which will be published by Deep Vellum Books in fall 2023/spring 2024. In the same issue, Christina Pugh reviewed Chan’s “Revenge of the Asian Woman” (Diode Editions, 2019) and her triple sonnets in the article “Big Macs, Machines, and Other Unexpected Guests: American Sonnets in the Recent Twenty-First Century.”

Dr. Kranti Dugar, assistant professor of marketing, Dr. Frances Hawes, assistant professor of health care administration, and Christopher Jones, lecturer in kinesiology, will lead an innovation and ideation session, titled “Application of AAC&U’s Global VALUE Rubric to Afghan Refugee Immersion,” at the Civic Engagement in Global Contexts session of the American Association of Colleges and Universities’ Transforming Global Learning Practice: Time for Action Conference on Global Learning, to be held virtually Oct. 12-14. In addition, UW-Eau Claire student Martin Kocher, an international business major, and Dugar will present “Salton Sea Restoration: A Stakeholder Engagement Model for Sustainable Development” at the same session.

Dr. Jeff Janot, professor and chair of the kinesiology department, and Dr. Nick Beltz, assistant professor of kinesiology, had their textbook, “Laboratory Assessment and Exercise Prescription,” published in July by Human Kinetics Publishers.

Dr. Jennifer Johs-Artisensi, professor and director of the health care administration program, recently had her book, “Quality of Life and Well-Being for Residents in Long-Term Care Communities,” published by Springer. The book lays out, in an easy-to-understand manner, practical, evidence-based practices that can be implemented by a variety of long-term care personnel, to improve quality of life for residents of their care communities.

Dr. David E. Lewis, professor emeritus of chemistry and biochemistry, has been selected as the winner of the 2019 Paul R. Jones Outstanding Paper Award (OPA) for the best paper published in the Bulletin for the History of Chemistry for the years 2017, 2018 and 2019. The paper, “1860-1861: Magic Years in the Development of the Structural Theory of Organic Chemistry,” appeared in Vol. 44, No. 2, pages 77-91 (2019). This makes Lewis the only person to ever win
the OPA three times. Lewis now will serve as a member of the selection committee for the 2020 and 2021 OPA.

Dr. Jennifer Muehlenkamp, professor of psychology, and Dr. Lisa Quinn-Lee, professor of social work, had their paper “Effectiveness of a peer-led gatekeeper program: A longitudinal mixed-method analysis” published in the Journal of American College Health in March 2021.

Patti See, lead advisor in the Advising, Retention and Career Center/senior lecturer in women’s, gender and sexuality studies, had her “Sawdust Stories” story “Go ahead, have a couple” published in the Aug. 11 Eau Claire Leader-Telegram.

Bruce Taylor, professor emeritus of English, was selected as a finalist in the Wisconsin Academy of Sciences, Arts & Letters’ 2022 Fiction & Poetry Contest for his poem “Full Disclosure.”

Consider volunteering for Blugold Welcome Week
The Blugold Welcome Committee is coordinating more than 20 different events across campus from Aug. 31-Sept. 11, and they need your help to make them successful. Please check out the entire Blugold Welcome schedule. If you’d like to volunteer for an event, please sign up here. A member of the Blugold Welcome team will contact you in advance to finalize details, and you’ll receive an automatic reminder two days before the event. Thank you!

Faculty, staff invited to Welcome Picnic
Multicultural Student Services and the Alumni of Color Network invite all faculty and staff to their Welcome Picnic from 11 a.m.-2 p.m. Thursday, Sept. 8, on the Chippewa Lounge along the river. Questions? Contact Cheri Snobl.
University Honors seeks holistic reviewers
The University Honors Program is looking for faculty and staff to be part of our nationally recognized holistic review process. Through this rewarding service opportunity, reviewers evaluate applications to identify high-ability prospective students whose potential may not be visible in their test scores or class rank. Holistic review plays an important role in recruitment and EDI efforts in Honors. Reviewers read about 15-20 applications per month, October-February. For more information, contact Heather Fielding.

Interested in external grants?
If you are interested in applying for a grant through an external agency or want to learn more about grant opportunities, please contact the Office of Research and Sponsored Programs early in the process. ORSP can assist with budgets, proposal feedback, administrative signatures for submission and more. Email orsp@uwec.edu for more information.

Brush up on the library Aug. 31
Prepare for a new academic year by attending a quick webinar about using McIntyre Library’s resources and services. Tomorrow, Wednesday, Aug. 31, from 10-10:50 a.m., library staff members will demonstrate ways to access essential resources and place requests, respond to questions and connect faculty and staff with their library liaison. Log in to the webinar via Zoom.

Help support study abroad and request a classroom speaker!
The Center for International Education has trained interns to give five- to seven-minute presentations about study abroad. To request a speaker, please fill out this form and CIE will confirm your request within five business days.

BluBox reminders
Last fall UW-Eau Claire launched the BluBox reusable food container program for dining at Davies Center or picking up meals to go in Riverview Café. Don’t forget to bring your token with you as you return to campus. This program was developed in alignment with UW-Eau Claire’s sustainability goals, is easy to use and makes a significant impact on waste reduction on campus. Visit the BluBox webpage for additional program information.

‘Fenced Waves’ exhibit opens Sept. 9 in Foster Gallery
The Foster Gallery, located in the Haas Fine Arts Center, will present “Fenced Waves,” an exhibition featuring socially engaged interdisciplinary artists Sherrill Roland and Antoine Williams, from Sept. 9-Oct. 7. Roland and Williams investigate cultural identity by exploring power, migration and parameters as well as the complexities of liminal spaces of existence in contemporary Black life. Please join us from 6-7:30 p.m. Thursday, Sept. 8, as we welcome the artists to campus, listen to their artist talks and attend the opening reception.

University travel updates
Adding personal days to business travel? Prefer to drive rather than fly? The university will only pay for costs associated with university-sponsored travel and for the most cost-effective mode of transportation. Visit the UW System Travel combining business and personal travel page to determine what is needed if you are adding personal travel to university business. Visit the determining the appropriate mode of transportation page for points to consider when choosing your mode of transportation. A cost comparison must be done at the time of booking and then included with your travel expense report or PT card log. Contact the Firstsource Support Team of the ASK Center at askcenter@uwec.edu or 715-836-3131 if you have questions or would like assistance.

Daily planners available through Printing Services
Printing Services is offering several different options this year for daily planners. Large and small planners are available, as well as those with fillable dates or with dates and time slots already printed. Planners are $15, $10 or $8, depending on the type, and will be printed to order. Email printingservices@uwec.edu with questions and/or orders.

Center for Academic Preparation has openings for fall semester
UW-Eau Claire’s Center for Academic Preparation (CAP) has limited openings for fall semester. Children ages 6 months to 6 years (pre-K) are eligible to attend the hourlong program Monday-Thursday, one to four mornings per week. The CAP program, offered at no charge to families, prepares typical and atypical learners for preschool and kindergarten. Questions? Contact Dr. Kevin Klatt at klattkp@uwec.edu or 715-579-9998. Learn more.

Sponsor a care package for a first-year student
The Campus Ambassadors lead an annual fundraiser, creating and delivering welcome kits (a bin full of snacks) to Blugold students in the residence halls at the start of the fall semester. If you’re interested in sponsoring one or more welcome kits to be delivered to students, you may order a welcome kit online or send a cash/check payment of $25 per welcome kit to Sarah Tweedale at Welcome Center 215. Reach out to Maggie Meyers at hallmm@uwec.edu for any other questions. Thank you for helping support the Campus Ambassadors’ fundraiser and for sending a special gift to help show students they belong here at UW-Eau Claire!

Calling all makers!
The Blugold Makerspace in McIntyre Library is available by appointment. All UW-Eau Claire students, staff and faculty are welcome to tour the space and try out its tools and materials by setting up a consultation using the online form. The Makerspace is located in Room 109 on the library’s lower level.

COVID-19 updates and information
Feeling sick? Please stay home. Following are COVID-19 testing details and other resources:

- The White House administration is offering each U.S. household eight free at-home tests. To order tests, visit the free at-home COVID-19 tests page.
- UW-Eau Claire has a limited supply of free at-home COVID test kits. For locations, visit the testing protocols page.
- Information about testing, vaccination, masking and the impact of COVID-19 on the campus and community continues to be maintained on the COVID-19 Updates page.

**Navigate training available for faculty and staff**

Navigate is a platform that allows for coordinated student support. Open office hours are available for faculty and staff seeking to learn more about using the tools in Navigate, such as notifications, appointment scheduling and campaigns, as well as addressing troubleshooting or usage questions. Virtual office hours are offered from **1-2 p.m. Mondays**. In-person hours are available from **10 a.m.-noon Wednesdays and Thursdays** in VLL 2110. Sign up for virtual or in-person office hours. Questions? Contact Trudy Bement.

**Process improvement lunch-and-learn set for Sept. 21**

The next ASK Us Anything! forum will be in person from **noon-1:30 p.m. Wednesday, Sept. 21**. This lunch-and-learn workshop will be **by invitation only**, featuring the fall semester launch of the Process Improvement Advisory Team (PIAT) program. Do you have an idea about how the university can reduce expenses or generate income? Do you have insights on ways to increase sustainability or well-being on campus? Perhaps you have been thinking about a business process that could use updating or clarifying. We'd love to have you participate in the PIAT! **Request an invitation by emailing ASK Center on or before Thursday, Sept. 15**, noting “PIAT” in the subject line. Lunch will be provided and seating is limited. The Firstsource Support Team of the Administrative Support + Knowledge (ASK) Center provides virtual discussion forums on topics of interest and answers your administrative questions. This workshop will be recorded and saved on the ASK Center Firstsource + Travel webpage in the ASK Us Anything! recorded forums archive. You are welcome to submit your questions and topics of interest in advance by emailing ASKCenter@uwec.edu.

**Administrative Professionals Collaboration Group (APCG) supports administrative professionals on campus**

The Administrative Professionals Collaboration Group is for administrative professionals on campus (academic department associates, assistants, program associates, coordinators, office managers and specialists). This group was created to increase communication and share information; discuss policies, procedures, ideas and changes; and share tips and tricks that relate to our positions. Meetings are scheduled monthly during the academic year. The group also uses Microsoft Teams, a collaboration tool, for communication and resource sharing. Please contact one of the following APCG coordinators to join the group or to ask questions: Nicole Owen, Kristi Bergstrom, Candis Sessions or Tonya Simpson.
