Tessa Johnson from Des Moines University will be on campus to answer your questions about admissions at DMU. Stop in on September 15th anytime between 3:30-4:30 pm in the Health Careers Center-Schofield 30 to meet with her.

*Primarily information for Pre-Med, Pre-PA, Pre-PT and Pre-OT students.
Are you interested in becoming a doctor? Would you like support in getting into medical school? The MCW-Central Wisconsin (MCW-CW) and North Central Area Health Education Center (AHEC) pre-med pipeline, Advocates in Medicine Pathway (AMP), can help!

We are recruiting for our next AMP cohort and are accepting applications from now through November 1st. The program cohort will run from January 2023 through July 2023. We will provide the support and tools needed to develop a competitive medical school application for participants (i.e., MCAT guidance, a 1-week clinical shadowing, medical school application assistance, mentorship from medical students and staff, a paid summer community health internship, and much more). Participants must be college juniors and seniors or those who have graduated from a bachelor’s degree program. Preferences will
be given to individuals underrepresented in medicine, particularly from Hmong and rural backgrounds.

We are excited to be hosting the 6th annual Future Physician’s Day with the Medical College of Wisconsin - Central Wisconsin (MCW-CW). This event will take place on the MCW-CW campus on Friday, October 28th from 10 AM - 3 PM (in-person). It will be a daylong and free event that will provide students with a glimpse into medical school and a career in medicine. Students will explore key topics and experiential practices studied in medical school and graduate medical residency, engage with medical school faculty, and current
medical students, and learn how to prepare to be an optimal candidate for acceptance into medical school. Students should apply if they are high school juniors, seniors, and/or college students and are strongly considering a future in medicine. Admission is not limited to Wisconsin residents. To be considered and for more information visit https://bit.ly/FPDYear2022

(Priority Application Deadline is September 30th, 2022!)

MedEx

MedEx is returning!

The MedEx-College Edition program at Mayo Clinic Health System in Eau Claire is an opportunity for UWEC students with a demonstrated interest in medicine to job shadow physicians. Students accepted to the program will spend 3 half-day sessions job shadowing in different medical specialties during a typical workday in the clinic.

Some requirements for participation in the MedEx-College Edition program:

- Minimum college GPA of 3.0
- At least 2nd semester sophomore standing (at least 45 earned college credits)
- Completing 30 hours of volunteer work with MCHS
- Seriously considering a career as a physician
- Significant experience in health-related extracurricular activities preferred.

To apply, or for more information and requirements, head to the Health Careers Center website Shadowing | UW-Eau Claire (uwec.edu)

Applications being accepted starting on Sept. 12!

*Primarily for Pre-Med, Pre-PA, Biology and Chemistry Major and Minor students*
Thinking about applying to MedEx in the future? You must have a minimum of 30 volunteer hours to apply. Mayo is currently looking for volunteers, check out the link for more information and to apply- https://www.mayoclinichealthsystem.org/locations/eau-claire/volunteer

Employment

Walmart Pharmacy in Chippewa Falls (Lake Hallie) has several openings for part time pharmacy technicians. They offer a competitive starting wage and schedule flexibility. Weekend and afternoon/evening shifts are available now, and if interested, there are opportunities for more shifts in summer or on breaks if wanted. Working in a pharmacy is excellent experience for any of the health professions. You get to interact with other health professions, you gain knowledge of medications, drug classes and treatment courses as well as how to communicate with patients. It truly is wonderful information that can be an asset in any health care endeavor.

If anyone is interested, they can apply online at https://careers.walmart.com/ choosing pharmacy technician as an interest. If there are any questions or you want to talk to someone before applying, call the pharmacy at 715-738-2418. You can ask for Angela Marquardt, Pharmacist, or the Pharmacy Manager, Jake.

Apply today for the 2022-2023 APSA Mentorship Program. The deadline for applying is October 22nd!

The undergraduate mentorship program is one of our most rewarding programs, and we need your help to make it successful. The goal of this program is to connect MD, DO, MD/PhD, and DO/PhD students with undergraduates who are interested in careers as physician-scientists in one-on-one, mentor-mentee relationships for one year. Mentors and mentees can choose to meet in person, or communicate via phone, Zoom, Skype, e-mail, messaging, etc. Optional monthly prompts with suggested topics and questions will be sent to both parties. Please refer to the website for more information.

Applications for both mentors and mentees are available here. In addition, please encourage your friends and colleagues to take
advantage of this highly rewarding program while applications are still available!

If you have any questions, don’t hesitate to reach out: askmentorship@physicianscientists.org.
