### Program Description

The Board of Regents of the University of Wisconsin System has authorized a program offering discounted tuition to the non-resident children and grandchildren of eligible alumni. Eligible alumni include the biological, adoptive, step or legal parents and/or legal guardians of potential participants as well as biological and adoptive grandparents. Participants in the program will pay a lower tuition rate which represents a 25% reduction from the regular, non-resident undergraduate academic fee rate. The reduction does not apply to tuition differentials, segregated fees, special course fees, housing and/or food service plans or any other fees. The program offers no preferential treatment with respect to admissions. This form is being used to gather information and document your status as an eligible participant in the Return to Wisconsin Program.
